WELCOME MESSAGE

It is our honor to welcome you to Izmir, Turkey, at the 5th International Conference on Social Sciences (ICSS). The conference is organized by the Social Sciences Research Society (SoSReS), an independent, not-for-profit research organization. The Social Sciences Research Society (SoSReS) is a network of academics who share a common interest in inter-disciplinary/multi-disciplinary research in the Social Sciences. The SoSReS fosters communication and collaboration across the social sciences, enhances networking and provides education, workshops, consultation and research services. The SoSReS mobilizes researchers, policy makers, professionals and other experts from the private and public sectors to develop inter-disciplinary/multi-disciplinary approaches to issues of critical social importance.

International Conference on Social Sciences :: ICSS is a conference for those, who are interested in presenting paper in all fields of social sciences. The aim of the conference is to bring together a wide audience of academicians, policy makers and practitioners around clearly circumscribed topics, engage participants in fruitful debate, and facilitate mutual understanding.

The conference committee hopes you will enjoy participating in the parallel sessions as well as the social events planned for this year's conference.

We would like to extend our deepest appreciation to all the members of the Organizing Committee who worked well and hard together to ensure the event's success. We also thank all the volunteers who have dedicated their time to review abstracts and assist with organizational tasks. Finally, We would like to express our sincere thanks to the authors from all over the world for their quality contribution.

We look forward to seeing your paper submissions, and meeting you at the ICSS conference in 2013!
