The hotel is a 20-minute drive to Beijing Capital International Airport, where taxis await.

From the airport by taxi:

Please note that it is recommended that you only board taxis which have number plates with a prefix of letter B. Please do not get into any unmarked taxis. It is highly recommended for safety reasons that you pre-book a transfer from your hotel to the airport (please call your hotel to arrange this). If you are staying at the Radisson Blu Hotel where the conference is being held, then you can pre-book the airport transfer for 450 Yuans each way by calling the hotel. They will send a representative who will hold your name card at the arrival hall and safely transfer you to the hotel.

From the airport by car:

Take the Airport Expressway to the city for approximately 20 kilometres. Exit at SanYuanQiao and turn west to SanYuanXiQiao toward CIEC. Turn left from SanYuanXiQiao and find the hotel on the right.

From the airport by subway:

The Airport Express of the Beijing Subway leaves from terminals 2 and 3 and makes two stops in urban Beijing (Dongzhimen and Sanyuanqiao), from which travellers can walk or take connecting transportation.

From the airport by bus:

An airport shuttle bus runs several lines into the city. Travellers can take Line 4 Gongzhufen, which makes a stop at the China International Exhibition Centre adjacent to the hotel.

- **What You Should Bring Along For Your Presentation**

OPTIONAL:

Please bring in 15-20 copies of your (printed) paper (powerpoint slides or full paper) for distribution at your session to other participants **(this is optional)**.

MANDATORY:

Please print out at least 1 copy of your full paper and hand it to the chair of the session at the beginning of your presentation.

If you do not provide a copy of the full paper to the session chair or the conference organisers, we will be unable to email you an evaluation report for your paper.

Each author will have about 15 minutes for presentation and 5 minutes for questions and discussion. Every room has LCD and laptop computer and please bring your pen-drive or USB stick for power-point presentation. However, we do not guarantee that they will work without any failure. Please do not embarrass us by asking for pen-drive as we do not prove this.

In the past, we have faced issues where authors have put their USB in their unaccompanied luggage which did not arrive with them or they have emailed the presentation to themselves. We **highly recommend** that you carry your USB with you at all times and not put it with your unaccompanied luggage and that you also do not just email the presentation to yourself. You should save your presentation on a USB stick as well.

*****Please ensure that you save your presentation file both in 2003 and 2007/2010 versions incase the computers do not support the latest version.** If you have only a 2007 version and the laptops provides only 2003 office software, we will not take any responsibility for converting your presentation from 2007 to 2003.

*****Please note that we do not offer any internet access in the presentation rooms.**

This report will be sent to the authors via email within 1 – 2 months after the conference. Please do not contact us in between this time regarding these reports. However, if you do not receive them by this deadline, then contact us via email: njahanwbi@gmail.com

You are required to send us your revised full paper (after compliance to the PER and ERR and editorial observations, comments, if any, you received at the conference) within 2 months after we send you the ERR.

If your invitation and acceptance letter does not mention any journal name, it means that your paper was not accepted for any of our journals, However, if you improve your paper according to the feedback you receive at the conference and/or via review report, we can reconsider the paper for journal publication at that stage. Please note that it is not guaranteed that your paper will be selected for a journal even after the revisions.
