## WELCOME NOTE – TECHNICAL COMMITTEE CHAIRMAN

I am delighted to welcome you to the International Conference on Psychology in Health, Education, Social and Organizational Settings, in the exotic vibrant city of Surabaya, in Faculty of Psychology, Universitas Airlangga, on 21-23 November 2013.

Throughout Indonesia and around the world, society deals with many challenges from changing global context, such as: **community development towards community well-being, celebrating diversity in education, individual development in organization, and community mental health.** These challenges are directly faced by professions in psychology and behavioral sciences, particularly demands to take part in addressing these global phenomena.

The conference theme of Psychology in changing global context could be considered as a call for Psychologists and Behavioral scientists across the world to discuss, share, and justify approaches that need to be conducted for finding solutions to the global challenges of the modern world.

With joy, we inform you that ICP HESOS 2013 has received more than 300 abstracts from around the world; in which the most contributions come from Indonesia, China, Malaysia, and Philippines. After review, revision and selection processes, we summarized scientific participation into three categories: 1) Paper presentation, 2) Poster presentation, and 3) Best practice presentation. Each presentation is expected to create an interesting discussion that facilitates sharing of knowledge among participants.

The committee has also prepared an engaging program of scientific presentations by distinguished keynote speakers, such as: Prof. Ester Care, Prof. Sik Hung Ng, Prof. Dominika Maison, and Prof. Hora Tjitra. We also provide exciting topics of professional workshops that will be delivered by expert practitioners. Thus, ICP HESOS 2013 could be seen as a wonderful opportunity to gain new skills, discuss about latest research, obtain resources that can be applied in your own work, and also to develop professional networks.

Last but not least, the committee of ICP HESOS 2013 would like to extend our grateful appreciation to our partner Department of Psychology and Behavioral Science Zhejiang University, the distinguished keynote speakers and workshop speakers, participants, and also our generous sponsors that have supported this event to be held.

We welcome you to ICP HESOS 2013 with full of excitement and look forward to have rich and collaborative scientific discussion with you all. Enjoy ICP HESOS 2013.

Warm regards,

Margaretha  
Technical Committee Chair

## WELCOME NOTE - DEAN OF THE FACULTY OF PSYCHOLOGY, UNIVERSITAS AIRLANGGA

Welcome to Faculty of Psychology, Universitas Airlangga.

As the Dean of the Faculty of Psychology, Universitas Airlangga, I am honored to welcome you to ICP-HESOS 2013. Thirty years ago, psychology education was established in Universitas Airlangga. This year we commemorate its establishment with the spirit of "Growing Psychology, Improving the Quality of Life". Currently as a faculty, we have five study programs: 1) undergraduate program in psychology, 2) master program in psychology, 3) master program in organizational change and development, 4) professional master program in psychology, and 5) doctoral degree in psychology. Each year we accept approximately 350 students for all study programs we offer. We believe that we, now as a faculty of psychology, have the responsibility and role together

with the other academic scholars to advance the development of psychology in Indonesia. It is also essentially for us to implement the above spirit to steadily be a growing academic institution by providing excellent academic services and encouraging triangular partnership between university-government-private sector and society.

The ICP-HESOS 2013 as one of the agenda of the 30 years commemoration of psychology education in Universitas Airlangga has been a way to prove our commitment. At the national level we attempt to facilitate Indonesian scholars to have broader discussion with international scholars and to introduce the workshops from Indonesian professionals to international society. Meanwhile at the international level we attempt to build cooperation with international institutions by organizing this conference in partnership with Zhejiang University, People's Republic of China and by inviting internationally well-known keynote speakers in their field.

The four different themes of the ICP-HESOS 2013, health, education, social, and organization, are aligned with the field of research of four departments of this faculty: Department of Social and Personality Psychology, Department of Clinical and Mental Health, Department of Industrial and Organizational Psychology, Department of Educational and Developmental Psychology. Therefore I sincerely hope this conference will become a visionary gate for all participants to build international network across countries within the field of psychology, between psychology and other disciplines, and between academic scholars, government, and society. More significantly, I believe this conference will be a positive recognition and contribution of our faculty to the future of human behavior science.

During the three days of the conference, I warmly host you to get acquainted with the environment and the people of Faculty of Psychology, moreover with the hospitality of people in Surabaya, and to leave you with good memories of our meetings. Hereby I proudly introduce you to one of the best psychology educations in Indonesia: Faculty of Psychology Universitas Airlangga.

Enjoy the conference and enjoy Surabaya!

Dr. Seger Handoyo  
Chairman of the Scientific Committee of ICP-HESOS  
2013 & Dean of the Faculty of Psychology,  
Universitas Airlangga

## WELCOME NOTE – RECTOR OF UNIVERSITAS AIRLANGGA

WELCOME to Universitas Airlangga, Indonesia.

It is my honor to welcome each of you to Universitas Airlangga, especially in the 1st International Conference on Psychology in Health, Education, Social and Organizational Settings. It is an impressive moment for the Faculty of Psychology to present its contribution by conducting this magnificent international conference. It shows the adaptability, the motivation, and the response of the Faculty of Psychology Universitas Airlangga toward the global challenges that rapidly grow in the society.

As the biggest university in the eastern part of Indonesia, Universitas Airlangga has long history in producing qualified graduates that have delivered great contribution in building Indonesia. Established in 10 November 1954, Universitas Airlangga has successfully offered various study programs that are very significant for Indonesian society. Recently,

Universitas Airlangga offers 32 undergraduate programs, 34 master programs and also 9 doctoral degrees within 13 faculties. Moreover, Universitas Airlangga has been ranked at 129 from 200 top universities ranking Asia, 4 in Indonesia based on QS world university ranking, and 32 in the South East Asia based on Webometrics version. Recently, Universitas Airlangga has approximately 30.000 students in all degree, and focuses to be the center of health science in Indonesia in 2015. These achievements are the effects of the strong integrity among faculties and units in Universitas Airlangga.

The Faculty of Psychology itself has marvelous contribution through gradual development in certain areas including Educational and Developmental Psychology, Clinical Psychology and Mental Health, Industrial and Organizational Psychology, and Social Psychology. To support the learning, the research, and the internship, the Faculty of Psychology has several supporting units that concern with global challenges. There are Unit of Applied Educational Psychology, Unit of Applied Clinical Psychology and Counseling, and Unit of Applied Industrial and Organizational Psychology. Therefore, these major areas and units support the main issues raised in the international conference.

At last, I thank to you for attending this international conference. Throughout this conference, I encourage each of you to stay engaged, proactive and help each other in shaping the future of psychology. I personally expect that there will be more ideas, arguments, suggestions, and diverse opinions in answering the global challenges as discussed in the conference.

Prof. Dr. H. Fasich, Apt.

*Rector, Universitas Airlangga*

## Guideline for Oral Presentation Schedule

Presentation will take place in 1.5 hour long session with 4-6 presenters. It is strongly encouraged that each presenter will have 15 minutes to present and discuss their paper, about 5 to 10 minutes to present and 5 – 10 minutes to discuss. Please check your session in the plenary schedule to get familiar with its time, contents, and location. Strict adherence to the time limit is important and will be observed by the session moderator. Plan your presentation accordingly, so that you introduce your topic briefly and succinctly and focus on the bulk of presentation on your key findings and contributions. The power point presentation for your presentation will be loaded directly to local computer in the presentation room where the session is held. Please make sure to arrive to your room about 5 minutes before the beginning of the session to allow time for loading of your presentation and for meeting your moderator and co-presenters.

## Guideline for Moderator of Oral Presentation Schedule

The role the moderators are to ensure the session proceeded in an organized and constructive manner. The responsibilities included:

- Arrive to the presentation room about 5 minutes before the beginning of the session - Meet and greet the presenters and introduce them to each other
- Coordinate to load file of presentation in the computer and ask the presenter if they embedded sound in their presentation.
- Explain the presentation plan (timing, presenter order) and adjust it in case of missing presenter(s). If a presenter is a no-show readjust the order accordingly.  
Note: the moderators recommended encouraging each presenter to have 15 minutes to present and discuss their paper, about 5 to minutes to present and 5 – 10 minutes to discuss.
- Start the session on time.
- Introduce the speakers based on the information in the program book (name, institutional affiliation, presenter title).
- Open the discussion, keep an order of questions/comments and suggest a respondent if necessary. Moderators should always repeat the question for the audience.
- Keep the presenter on time with 5 minutes, 1 minute and 0 minute reminders to be provided in each room in green, yellow and red colored cards respectively

Close the session with a few concluding sentences.

## Oral Presentation Schedule

Note: Each presenter has 15 minutes for presentation and discussion of his/her paper (5-10 minutes of presentation and 5-10 minutes of discussion).

## Guideline for Best Practice Presentation

Presentation will take place in R. 308 and will be held in 1.5 hour. Each presenter will have 30 minutes to present and discuss their paper, about 15 to 25 minutes to present and 5 to 15 minutes to discuss. Strict adherence to the time limit is important. Plan your presentation accordingly, so that you introduce your topic briefly and succinctly and focus on the bulk of presentation on your key findings and contributions. The power point presentation for your presentation will be loaded directly to local computer in the presentation room where the session is held. Please make sure to arrive to your room about 5 minutes before the beginning of the session to allow time for loading of your presentation.

## Dress Code

### On the Conference

It will be preferable for all the participants to wear a formal or semi-formal dress or suit, or batik if feasible.

### Welcome Dinner

As the dinner will be held by the mayor of the Surabaya city, we suggest participants to wear modest dress or suit, or batik dress or shirt if feasible.

### City Tour

As the predicted average weather in Surabaya during November will be 30°-34° C, with low intensity of rain, we suggests participants to wear a comfortable light clothing during the tour, and to bring umbrella if necessary.

## Venue of the Conference

All activities of the conference (except for the welcome dinner) will be held in Faculty of Psychology building, Universitas Airlangga campus B. The main gate of campus B is right across Graha Amerta Hospital. When you enter the main gate of Universitas Airlangga campus B, please follow the direction by the available arrows.

Address: Jalan Dharmawangsa Dalam Selatan, Surabaya

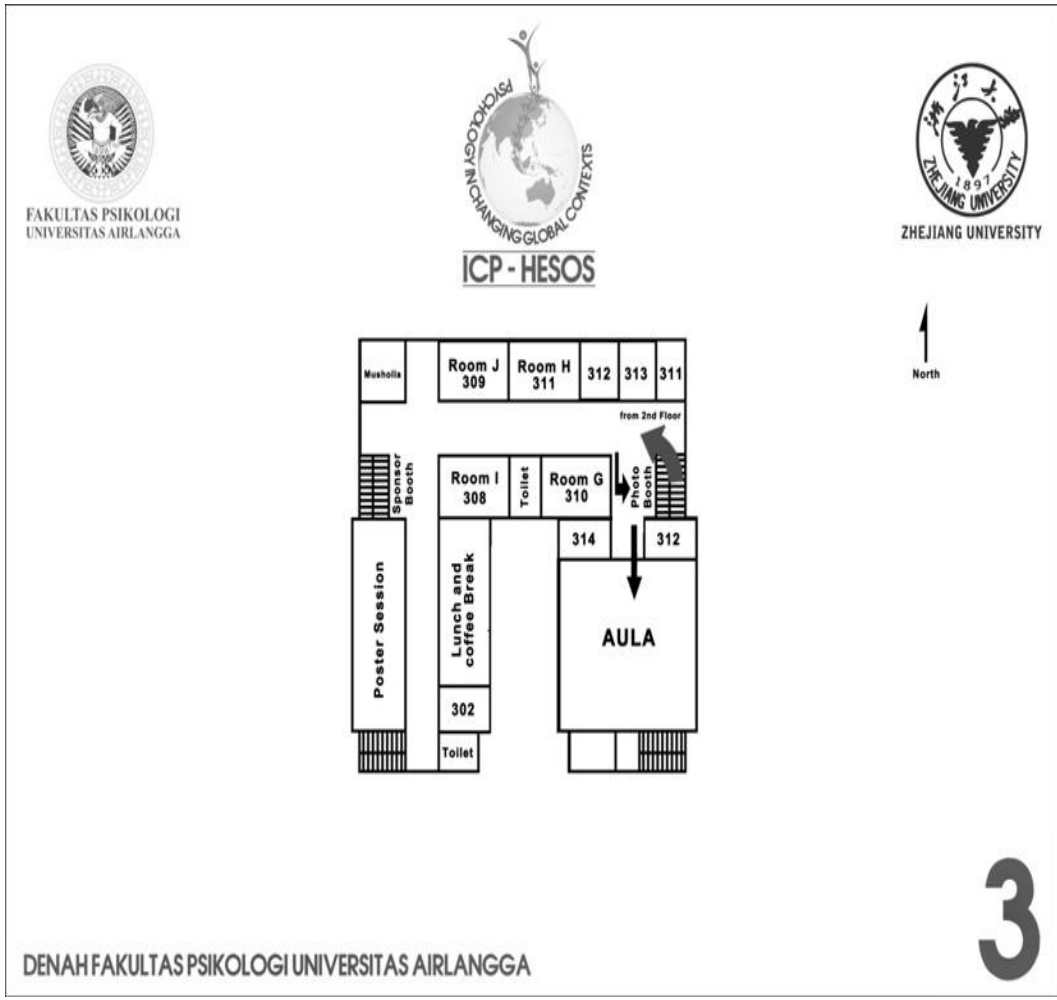

## 1st FLOOR

## 2<sup>ND</sup> FLOOR

### 3<sup>RD</sup> FLOOR

## Internet and Multimedia

We provide the internet connection through wired/ LAN which can be accessed in the computers available at e-Learning/Statistical laboratory room on the 2<sup>nd</sup> floor north wing, between 8 am-3 pm.

## Printing and Copying

You can find a printing and copying stall named "PINK" in front of Psychology building, which is the closest stall. Others can be found inside Faculty of Humanity building and near Faculty of Law building.

## Electricity and Plug

As the Indonesian standard we use two holes plug in for almost all electricity tools.

## Public Transport

**From Juanda International airport:** the best way to reach the venue from the airport is by taxi. To reach places within the city, we only recommend taxi as the means of public transportation. The approximate travel duration from Juanda International airport to Universitas Airlangga campus B, vice versa, is 30-45 minutes. Please consider the possibility of traffic jam during the rush hours (7-9 am; 4-6 pm). These are the telephone numbers of the recommended taxi provider:
