Dear Dr. Mirghani,

The 15<sup>th</sup> Symposium of the Natural Products Chemistry Research Network for Eastern and Central Africa (NAPRECA) will be held in Khartoum, Sudan, during 7 – 10, December 2013. The venue for the symposium will be the National Telecom Corporation Tower, Khartoum, Sudan.

The theme of the 15<sup>th</sup> NAPRECA symposium is “Natural products discovery - Focus on the ever increasing African health care needs”. The symposium will bring together in one forum accomplished scientists and young scientists who are at the beginning of their careers from all over the world to discuss the new frontiers in Natural Products Chemistry research.

Your two abstracts entitled “Is the Fish Oil Obtained by Supercritical Fluid Extraction (SCFE) Healthy? And Formulation Of Halal Skin Care Product Using Mango Kernel Oil” are accepted for presentation and we sincerely hope that you will accept our invitation. Your presence and participation will be a source of encouragement to our young scientists and contribute to the development of Natural Product Research in the region.

Yours sincerely,

Prof. Jacob O. Midiwo  
Executive Secretary  
NAPRECA
