# Social Media Around the World

Panel Chair: J. P. Shim, Georgia State University

Panelists:    Sasha Dekleva, DePaul University
              Matti Rossi, Aalto University School of Economics, Finland
              Aaron French, Kyungpook National University, Korea
              Chengqi Guo, James Madison University
              Daniel Mittleman, DePaul University

Over the past decade, there has been a burgeoning virtual explosion with social media. However, there are cons along with concerning aspects of the technology-based device; for instance, issues include distractions caused by Internet or text messages, and unreliability. The invited panelists will discuss the current status, issues (privacy, ethics, security), pros/cons, and future of social media. The panelists will also discuss current issues and future directions in North America, Europe, and Asia.
