Sun in the Hollow

By Kate Kettelkamp

today the same sun rises,
but its light reaches new places.
even the darkest corners of your heart
might have the dust blown out
by a gentle wind of kindness
and the sun will reach there too.
should it not,
the rain will roll in
soak your heart to its soul,
wash it clean
wash it ready
for the sun to shine again
and warm your deepest hollows
as you rise up tomorrow.
