Hold "O" Club Banquet Sat. In Kankakee Hotel

Elwood A. Voller, Assistant Dean of Students at Michigan State College for the past two years, head of student activities, and president of the Davison, Mich., school board, will be the speaker for the annual "O" Club banquet tomorrow night at 7:00 p.m. in the Kankakee Hotel.

ELWOOD A. VOLLER

Voller has had 11 years of coaching experience in Michigan high schools-six years at Davison High, and five years at North Branch. Coach Voller was also an athletic chief specialist officer in the Navy. In addition to his many secular

activities, Voller is at present Sunday School Superintendent of the Free Methodist Church in Davison, Michigan. He is also Regional Director of Youth in the Free Methodist Church.

Voller will meet before long with other members of the Big 10 to discuss religious activities on Western Conference campuses.

The banquet will be semi-formal dent lounge. and will be opened to everyone. The served family style.

Master of Ceremonies for the event honor will be Professor and Mrs. Leo Jimenez, publicity. Slagg.

Tickets are now on sale for \$2.50. cil representative.

I.R.C. Presents **Davidson In Chapel**

Carter Davidson, veteran Associated Press correspondent in Europe and the Middle East, will be speaking in chapel March 21, under the sponsorship of the International Relations Club.

Having had 20 years experience in newspaper work, Davidson presently delivers a news commentary over WMAQ at 7:15 on Monday evenings. His experience as a foreign correspondent has taken him to London, Paris, Berlin, Jerusalem, and Olso. The title of Davidson's speech at Olivet will be "Foreign Policy Is Your Business."

Freshman Class To Hold Party

Olivet's freshman class, under the leadership of Frank Bowers, will have a social party for all class members on March 26, at 8:00 p.m. in the stu-

Chairman for the party is Carol menu will consist of fried chicken, Terry. Other chairmen are Tom Ramquist, entertainment; Edna McWhether, refreshments; Jerry Snowden and will be Jim Mitchell and guests of Sue Bayes, decorations; and Larry

Freshman class officers this year After the banquet there will be an are Frank Bowers, president; Gene added attraction-a film of one of Braun, vice-president; Connie Hand-Michigan State's 1954 football gam- schy, treasurer; Billie Green, secretary; and Don Vickery, student coun-

Studies Being Made Of Budget Control And Food Services

Mr. Henderson and Mr. Fletcher are visiting other college campuses to make a study of budget control and food services. March 8 they visited the campus of Valparaiso University at Valparaiso, Indiana, and the 15th and 16th they visited the campuses of Knox College at Galesburg, Illinois, and Drake University at Des Moines, Iowa.

The information will be used in bringing the entire college program under rigid budget control, including all operations. The study is also being made in the field of food services. The campuses of Wheaton College, Wheaton, Illinois, and Concordia Teachers College at River Forest, Illinois, have also been visited in the study of food services.

Engineers are being consulted to make the food service more efficient and better operated in serving the student body.

Trailerville To Get **Improved Conditions**

The State Health Department having supervision of trailer parks in the State of Illinois is demanding improvements in living conditions and a state license for the operation of Trailerville.

The Health Department has is sued laws governing the standards of living quarters and facilities. All students living in the park will be required to meet these standards. The Health Department will make the inspection and final decision concerning allowable rooms and other problems of the kind.

The park will be reduced in size to 66 trailer spaces-35 for independent trailers and 31 for dependent trailers. Only the independent trailers will have sewer and water connections. For the dependent trailers, all liquids will be carried to and from the trailer unless satisfactory disposal is provided.

A dead-line date has not been set by the state for the work to be done. -C. L. Henderson.

Men's Basketball Tourney Won By Sophomores; Girls' Title Copped By Juniors

The sophomore boys led by Vern Fischer's 29 points, and the junior girls, featuring the scoring of Bev Hickler and Ruth Peters, emerged victors in the finals of the annual class basketball tournament by defeating the junior fellows and sophomore lassies 75-67 and 34-29 respectively on March 7 and March 4.

MOST VALUABLE PLAYER award winners are Barb Strong (left) and Dave Brown (right). Prof. Slagg presented the awards. -(Polaroid by Duff).

Sophomore Testing Program April 4-5

One hundred and sixty-four Olivet sophomores will participate in the P national sophomore program from M 7:30-11:20 a.m. on April 4 and 5. The F test is to be used for diagnostic pur- B poses and will serve as a guide in H assigning advanced work during the junior and senior years.

Every student in his second year of work in college, whether technically classified as a sophomore or not, is required to take these tests. The program consists of three tests:

one in English, one in contemporary affairs, and one in general culture. The program will have no bearing on the second semester grades, but those with low scores on the English test will be required to take a remedial course in English during their junior year.

In the boys' camp final the sophs grabbed a 21-12 first quarter lead and were never headed as they led at the half 30-26 and at the third stopping point, 52-43.

Following Fischer in the scoring for the class of '57 was Dave Brown with 18 points which gave him high scoring honors for the tournament for the second year in a row.

Bob Squires and Wendy Parsons meshed 17 and 16 points respectively for the juniors.

Junior Girls In Close One

The junior girls had to battle all the way to win their championship game played on March 4, 1955.

The sophomores, who had lost the opening tournament game to the juniors by a 38-14 score, led by one point in the closing minutes but could not halt a junior rally.

The sophomores entered the championship game as a result of the seniors forfeting the semi-final game.

Bev Hickler took scoring honors for the evening with 16 points.

GREAT LAKES NAVAL BAND

Lyceum Presents Great Lakes Naval Band Mar. 25 In Kankakee

The Naval Training Center Band of Great Lakes, largest official Navy band in the Midwest, will be featured as another lyceum presentation in the Kankakee High School auditorium at 8:00 p.m. on March 25.

Composed entirely of Bluejackets, about half of the 45 members of the Naval Band are World War II veterans and career Navy men. Other members have served in the Korean War.

The variety of music they play requires that each member be versatile. Many of the musicians play two or three instruments with equal skill, and all are graduates of the Navy School of Music in Washington. D. C.

In a single day the band may play march music in a parade, symphonic music in a concert, collegiate music for an athletic event, and music for military honors and ceremonies.

Warrant Officer John H. Norris, formerly an associate conductor of the U.S. Navy Band in Washington, D. C., is the bandmaster. The assistant leader is Chief Musician Jerry Cimera.

The bandmaster and assistant leader direct daily practice sessions whenever the band is not engaged in military ceremonies or entertainment programs at Great Lakes or in community parades and celebrations away from the Naval Training Center. The musicians perfect their marching ability as well as their musical skill during these sessions.

Travelog Film Tonight

Haven Trecker will present a Travelog film tonight at 8:00 p.m. in Howe Chapel under the auspices of the lyceum committee. The title of the film is "Spears Of Beauty."

The remaining lyceum programs for this semester are a "Youth for Christ" film, a picnic, and a concert by the College Band. The dates for each will be announced at a later time.

hundreds of pages for Spurgeon's thought on the topic of your choice as Spurgeon's Encyclopedia is in a class by itself. In it you will find 750 unabridged sermons and expositions classified by subject, and alphabetically arranged for ready reference. There is a complete index to the set in the (fifteenth) volume, which indexes the set by topic, text and exposition.

Ten Valuable Books

Although the following books are not new to our library, they are very important in the field of Religion. In fact, Dr. Reed considers them as the ten most valuable books to a minister. They are: Andrew W. Blackwood's This Year of Our Lord; John Albert Broadus' Preparation and Delivery of Sermons; Adam Clark's Commentary on the Holy Bible; Mathew Henry's Commentary on the Whole Bible; M. W. Jacobus' New Standard Bible Dictionary; Thomas S. Kepler's Contemporary Religious Thought; Alexander Maclaren's Expositions of Holy Scriptures; Scofield Reference Bible; Orton H. Wiley's Christian Theology; and David Smith's The Days of His Flesh.

To complete the series of Nicene and Post Nicene Fathers of the Christian Church, the library recently purchased the second series, which it has been unable to purchase for quite some time as it has been out of print. The series gives a complete history of the church from Eusebius' Life of Constantine the Great, to the Seven Ecumenical Councils.

S

week.

In The Library Sunday School Is Vital It was certainly a thrilling experience for the many of us who witness-

No more need you search through ed the splendid turn-out to Sunday School at College Church on March 13. Realizing a total of 911 (an increase of 252 over March 6), March 13 unfolded before us proof of what can be done when Christians unite in their efforts and work "together" for the welfare of God's Church.

Can we even begin to imagine how many souls have been helped during the past two weeks as a result of our Sunday School campaign? Surely, the true meaning which lies behind the Olivet-Nampa contest is worthy of our greatest support. Greater than the motive to win a contest should be the motive to fulfill our responsibilities, individually and collectively, in the building of God's Kingdom.

There are many reasons why Sunday School is vital to the spiritual life of the follower of Christ Jesus. To enumerate all of the reasons could involve a volume or more, but I would like to mention at least six of which stand out in my thinking. They are: (1) to stimulate interest in the Word of God, (2) to afford valuable instruction toward gaining a better understanding of the Bible, (3) to assist in the adjustment of the Christian that he may find his place in this world, (4) to afford wholesome fellowship and essential activity in preparing spiritually for the after-service, (5) to assist in the building, progress, and growth of the Church as a whole

Samra (qualitatively and quantitatively), (6) to inwordly fulfill a call by God to all Christians to study His Word, testifying outwardly of the endeavor to fulfill that call by attending Sunday School.

The foregoing reasons, along with the many others we have considered individually, should certainly compose an intense motive to see the Sunday School of College Church (or any Christian church for that matter) continue to become stronger and stronger. In our drive to beat Nampa we are endeavoring to show that College Church really has the stuff it takes to be constructive for the Christian cause. Are we conscious of the fact that we are, at the same time, showing ourselves what we really can do when we have the desire? Is there any reason why we shouldn't continue to grow and strengthen after the contest is over? Now that we are beginning to extend our grasp to one another in forming a unity for a common purpose within our church, is there any reason why we shouldn't continue to extend that grasp until we have touched every corner of the surrounding community area? The Word of God is meant for all the world.

Let us put forth additional effort during the remaining period of the Olivet-Nampa contest and BEAT NAMPA! In the meantime, let us make definite plans to continue to build our Sunday School after the contest. What cause can be greater than that of our Saviour?

Wit And Wisdom Next Best Thing

"This morning I got up early and stood under the cold shower three minutes. Tomorrow morning I might

college who says, "I think I'll go and get my mail."

Mrs. Brown: "Did you get any applause?"

Dr. Brown: "Yes, it sounded like a caterpillar crawling over a Persian carpet while wearing rubber shoes.'

"I wouldn't cry like that if I were you," said a lady to little Betty. "Well," said Betty between sobs,

this is my way." . . .

discouragements, blind to impossibili-ties, and knows nothing but success." -Anonymous.

For the community and visitors, the campus lawns and lanes are the showcase of the college. Few shopkeepers can afford to display soiled

linen, blemished models, and irregular goods in their showwinodws. When tempted to toss aside scraps

of paper and the like, make your motto, "Don't drop it-pocket it." Whether it's a candy bar wrapper

or an undelivered love note, don't discard it on the wayside. Pocket it until you find a convenient waste basket. Anyhow, people who empty waste containers enjoy reading undelivered love notes!

Council Chooses Project A recent Student Council meeting was a combination of an investi-

gation and study of possibilities for student body projects. The following report is the result of this meeting.

Football Field

The rearrangement of Olivet's football field was investigated and considered. This possibility was estimated to cost \$5,000 which would cover the installment of bleachers, underground drainage system, and the tilting of the track. Needless to say, this would be a good project but it is probably too expensive for a student body of our size and means.

Road Project

Nor would it be possible to continue the 1953 "Road Project." To pave the strip south from the circle and the strip south by Williams Hall would cost \$1,500. And this doesn't include proper drainage, sidewalks or curbing. Since a new college church and library are being constructed, it seems likely that the administration will have to take action on Olivet roads.

Sttudent Union Building

There has been considerable talk among students about lounge and parlor improvements. The final solution to this question would be a new Student Union Building. The Student Council is now working on an effective and long range plan for such a construction. This plan will be presented to the student body later in the year.

Band Uniforms

A possible project which was given more consideration at this Student Council meeting was the purchasing of band uniforms. There are several reasons why band uniforms were considered above the other projects.

Each year the college receives many calls from schools, civic organizations, clubs, etc., for the band to perform for these mentioned groups. However, because of no uniforms the band is unable to accept these invitations. New band uniforms will go a long way towards bringing about a better understanding between Olivet and Kankakeeland.

A uniformed marching band is certainly an important aspect for the annual "Tip-Off" parade, as was noticed this year. But the difficulties encountered in renting uniforms are so numerous as to discourage a further practice of it. Such things as poor fittings, cleaning bills, and high rental fees were problems in this year's "Tip-Off" parade.

Purchasing band uniforms certainly wouldn't bring intercollegiate sports to the campus. However, it is hard to think of even intramural sports and at the same time not to think of a uniformed marching band.

At the last Board of Trustees meeting, the members expressed feelings that they desired to see Olivet's band purchase uniforms. However, they mentioned that they were unable to appropriate the total cost of uniforms because of the restricted budget. But the board did appropriate \$1,500 toward the purchasing of band uniforms.

Chosen Project

These and other possibilities were discussed and considered beginning with an organizational meeting at the first of the second semester, and have also been the "subject of talk" among the faculty and students. In view of these previously mentioned facts concerning possible student projects, the Student Council has selected the purchasing of band uniforms as the allschool spring project. An official announcement will be made in chapel on March 25 in regard to this project.

New Course Initiated

For the first time in the history of Olivet, a course in ceramics will be offered this summer. Professor Collins will teach this very fundamental class which will be open to anyone interested. No previous experience or knowledge will be necessary.

The Fine Arts Department has purchased a new potter's wheel for the class. The students will also be using a new kiln for baking. The class promises to be very interesting and creative as the student will be allowed to make his product from beginning to end. Three hours credit will probably be given to those enrolled in this course.

Senior Recital

The first senior recitalist to be presented this spring by the Fine Arts Division will be Winard Wilhoyte, pianist. This talented young man is well-known to those attending Olivet and to the residents of Kankakeeland.

Olivet's band, under the direction of Professor Carl Bangs, is planning a formal spring concert. The tentative date is set for May 3 to climax Field Day here at Olivet.

It's the people who're comfortable who have time to worry over little trivial things.

Named to the teams are: (S) Fischer F. Hickler (J) (F) Meissner F. Strong (J) Squires C.F. Strickler (Sr.) (J) G. Blockberger (J) (S) Brown Scott (S) (J) Parsons G. G. Vest (J) (F) Beal The vote among the fellows was so close that it would be well to list those who deserve honorable mention. They are: Jim Mitchell, George Garvin, Dave Craig, Dave Boice, and Scotty Gardner.

The athletic committee of the college has chosen Dave Brown and Barb Strong to receive the Most Valuable Player awards for the tournament.

Dave was a late-comer to the hardwood this season, but he appeared in two regular season games, scoring an amazing total of 72 points or a per game average of 36. He continued his terrific scoring in the class tourney with 91 markers in five contests and a per game of 22.8.

Barb has heaped many honors upon herself this year and she truly is worthy of them all. In addition to winning high scoring honors for the regular season, she also set a Birchard Fieldhouse record by tossing in 37 points in one encounter. Despite being held to 4 markers in the tourney final she still sported a 13.3 average; second high for the girls.

Don't forget to get your ticket for the "O" Club banquet tomorrow night. The speaker should be good, the food fine, and everyone should have a wonderful evening.
