OLIVET GLIMMERGLASS

Annual Homecoming Tip-Off Today

13th Annual Tip-Off At Olivet; 2,000 Expected to Attend Game

By Joyce Mandly

Today is the 13th Annual "Tip-Off" of Olivet Nazarene College. The Tip-Off Co-ordinating Commission, working with the Student Council, "O" Club, and Alumni Association, have planned a day of interesting activities.

The morning "Homecoming" chapel program was under the direction of the Alumni Association. The four morning classes of the college were shortened and chapel began at 10:40 a.m. Rev. Fred A. Reedy, alumni president, presided over the program. A welcome was extended to the alumni and friends present.

Jack Moore Speaks

Jack Moore, a member of the Class of '35, was presented as the alumni speaker of the morning. He is now serving as the Dean of Kendall College in Evanston, Illinois.

The Orpheus Choir and Olivet Symphony Orchestra combined to bring the musical selections fitting to the morning program.

Queen Announced and Crowned Olivet's 1954-'55 Homecoming Tip-Off Queen was announced in chapel this morning. The Queen is Miss Ruth Peters, and the court members are Shirley Strickler, Nancy Tesch, Lena Green, and Mary Birchard.

The Queen and her court will reign over the day's activities. A "Queen's" float will convey this year's Queen and her court during the parade.

Between the games tonight in the Bradley gymnasium, the "Tip-Off" Queen will be crowned.

Parade In Afternoon

The Homecoming Tip-Off parade, under the auspices of the associated student body, will begin at 1:30 p.m. from the campus. The parade will feature the Marching Band, the Girls' Drill Team, and approximately fifteen floats, representing Olivet clubs and activities. Following the parade the floats will return to campus to be judged and prizes will be awarded.

The Alumni Tea will be held in Williams Hall Parlor at 3:30 p.m. This tea will provide an opportunity for alumni and friends to meet and visit.

Wisconsin Pays Budget In Full

As of October 31, Wisconsin is the only one of the fourteen districts on this educational zone to have paid its budget in full. All of the districts have paid part of their budgets.

The total to be paid for the year is \$189,898. Of this amount \$51,178.25 has been paid up to October 31.

Amounts that have been paid are: Central Ohio, \$15,000; Southwest Indiana, \$8,953; Western Ohio, \$7,000; Wisconsin, \$4,526; Eastern Michigan, \$4,315.50; Missouri, \$3,389; Indianapolis, \$1,500; Iowa, \$1,500; Northeast Indiana, \$1,399.85; Chicago Central, \$1,313.50; Northwest Indiana, \$690.20; Northwest Illinois, \$640.40; Illinois, \$467.90; and Michigan, \$444.80.

Olivet College appreciates the whole-hearted cooperation from each district.

Second Annual Tip-Off Parade; 15 Floats

By Dick North

Gaily decorated floats, flashy convertibles, and Olivet's marching band, will feature the second annual Tip-Off Parade this afternoon at 1:30 P. M.

Fifteen floats have been entered in the competition for prizes to be awarded immediately following the parade.

Club Floats

Organizations entering floats are: the M.D.A., W.R.A., freshman class, sophomore class, junior and senior classes combined, Missionary Band, Future Teachers of America, Commerce Club, Science Club, Ministerial Fellowship, Chi Sigma Rho, Fine Arts Department, Glimmerglass, Trojans, Indians, and Spartans combined, and Student Prayer Band.

Entries will be judged on: how well the theme "Serving Our Day" is carried out, originality, and quality of workmanship.

Route To Be Followed

Leading the parade will be a police escort from Kankakee. The parade will leave campus and move down Main Street in Bourbonnais to Broadway in Bradley where it will turn left and go to Schuyler. After going through Bradley it will turn left at Court Street in Kankakee and continue to the Court House, back along Merchant Street to Schuyler, and to the campus again.

Olivet's marching band, under the direction of Professor Carl Bangs, has been rehearsing much for this occasion and will make its first Tip-Off appearance.

Games In Bradley Gym

The traditional Alumni-"O" Club Williams Hall Parlor at 3:30 p.m. this evening. In order to accommodate the usual overflow crowd, the 2,000-seat Bradley-Bourbonnais gymnasium, located one-half mile from the campus, has been secured for the games. All seats for the games are reserved and they sell for \$1.00.

The activities between games will include the crowning of the "Queen," and the presentation of the "Rusty Keg" to Prof. Elmore Vail, as coach of last year's winning "O" Club team. Entertainment will be presented by the Band, the Kankakee Color Guard, and the Girls Drill Team.

"Twirp-Week" Nears; Girls Impatient!

Next Monday morning will be a "new day" and it will bring different experiences to many Olivet "male" students. This is the legal period when the girl does the asking for the date and foots the expense.

Although "Twirp Week" was originally scheduled for November 1-6, it has been postponed until after "Tip-Off," November 15-20.

Twirp-Week is sponsored by the Women's Residence Association under the leadership of Glenna Nance this year.

The week will be climaxed by a special party on Saturday night, November 20.

QUEEN'S COURT

Elected members of the 1954-'55 Homecoming queen's court are: (left to right) Shirley Strickler, senior; Lena Green, junior; Nancy Tesch, senior; and Mary Birchard, junior. —(Photo by Don Duff).

Student Troubles!

My spirits are damp as any ocean,

And my nerves are close to breaking;

For each Professor has the notion That his is the only class I'm taking.

—Anonymous.

First Vacation Coming Soon

Thanksgiving vacation, the first holiday season for the 1945-'55 school year, will take place on Wednesday, November 24, at 12:20 p.m.

On Monday, November 29, the vacation will end.

Ruth Peters Chosen Queen

"QUEEN" RUTH

Miss Ruth Peters, originally from Ogden, Illinois, and a junior at Olivet, has been elected by the student body as the 1954-'55 Homecoming Tip-Off Queen.

Olivet's Queen was chosen on the basis of her Christian leadership, character, personality, and scholarship.

F. T. A. President

Miss Peters represented Olivet last spring at the Illinois F.T.A. conference and was elected by the other representatives as State President of the Future Teachers Association of America.

"Queen" Ruth is an education major at Olivet and plans to teach business after graduation.

This year Ruth is the secretary of the Student Council. Olivet's Queen has also been an "O" Club member for two years.

Crowned Tonight

Tonight between the women's and men's games, Miss Peters will officially be crowned "Queen." The Queen was announced in chapel this morning and the Queen's court was recognized. Queen Ruth and her court will reign over the activities of the Homecoming day.

Members on the Queen's court include Shirley Strickler, and Nancy Tesch, seniors; Mary Birchard, and Lena Green, juniors.

Lyceum Presents

Stravinsky Nov. 20

By Joyce Mandly

Soulima Stravinsky, an internationally renowned pianist, will be featured in the Olivet lyceum program of November 20. He is without doubt the most celebrated pianist ever to appear in a lyceum series.

Stravinsky is the son of Igor Stravinsky, the world's greatest recognized contemporary composer. He was born in Geneva, Switzerland, and appeared in Paris in his first concert at the age of 10.

Toured Africa

Having concertized all over Europe, Stravinsky has just recently returned from a tour in Africa. Since coming to America in 1948, he has appeared here with the leading orchestras of the country. Last spring he made a guest appearance with the Chicago Symphony Orchestra when his father conducted an "all Stravinsky program"

Stravinsky is noted for his authentic interpretation of both classic and modern form. He is known for his authoritative and flawless technique, and he is an authority on Mozart and Scarlatti.

Shortly following his appearance on the campus, Stravinsky is scheduled to return to Europe for further concertizing.

Novelty Program

Tomorrow Night;

Held In Foyer

A novelty program, sponsored by the Music Department, is on the agenda for tomorrow night at 8:00 p.m. as the next lyceum number. This program will be presented in the foyer of the Burke Administration Building.

The novelty acts will be performed by the faculty and music students. There will be old time folk songs, spiritual and popular music.

Mrs. Larsen and Professor Bade will accompany at the piano and organ. Professor Liddell will lead the group singing. Dr. Larsen is chairman of the program committee.

Students Come From 24 States, 5 Nations And One Territory

Olivet Nazarene College students hail from twenty-four states, one United States territory, and five foreign countries.

Of the 24 states represented, Illinois with 222 students is the leader while Ohio is second with a total of 185. The number of students from the remaining states are Indiana, 152; Michigan, 97; Iowa, 27; Wisconsin, 23; Missouri, 21; Minnesota, 13; Kentucky, 7; Kansas, 5; West Virginia, 5; Florida, 3; Pennsylvania, 3; Arkansas, 2; New York, 2; South Dakota, 2 and Texas, 2.

Arizona, California, Colorado, Georgia, Idaho, Massachusetts, and Tennessee have each sent one student. In addition there are two students from the territory of Hawaii. Canada is represented on Olivet's campus by four students while Cuba and Guatemala have each sent two and one each has come from Haiti and Japan.

\$200,000 Needed To Finance New Church

According to Rev. L. Guy Nees, a total of \$200,000 is needed to finance the new College Church. About one-half of this sum will be paid in cash by the church, nearly \$90,000 of which is already on hand. The other half of the total cost will be financed on a ten-year repayment program.

"Serving Our Day"

By Millard Reed

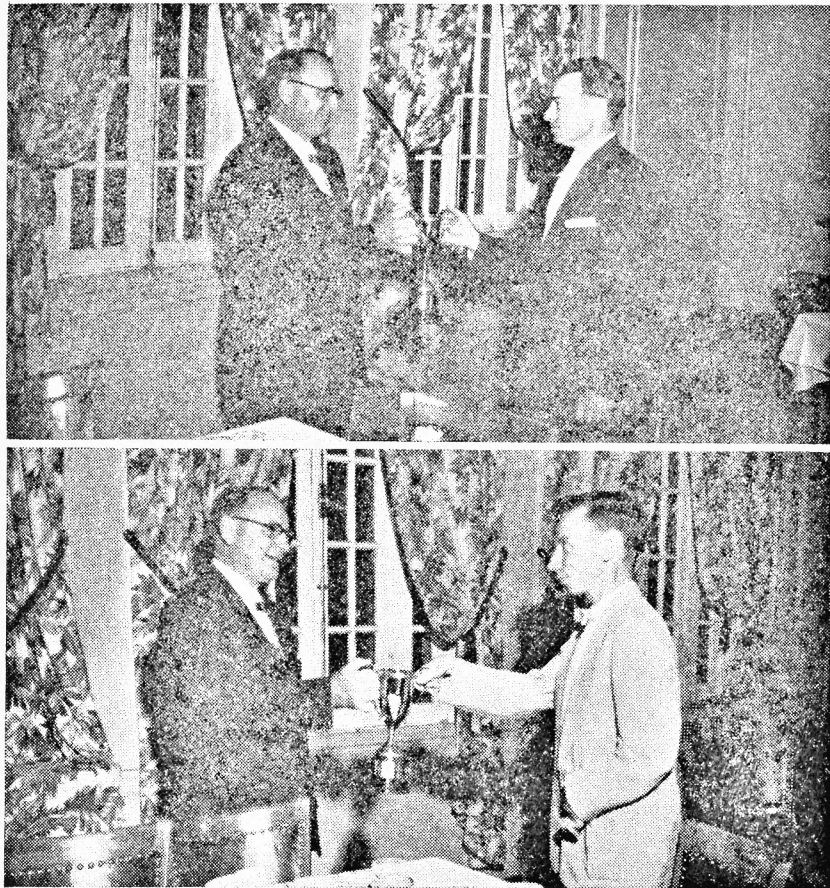

This year the theme "Serving Our Day" has been chosen to represent Olivet's 13th annual Homecoming event.

The call of Christ is a call to service. Christ Himself became the servant of mankind in the form of a healer, teacher, server and even a foot-washer. The prime prerequisite for sanctification is dedication. This includes service to man as well as God. Consequently we Olivetians, as Christians, are servants and we acknowledge this fact without apology for man is so constructed that the highest contentment comes through service.

Service and preparation for a higher quality of service are the paramount purposes of Olivet College. It is altogether proper that this, our purpose, should be displayed in the parade to serve as a reminder to all Christians and a testimony to all unbelievers.

Without exception the organizations on campus can define their position of service. No person or group of persons are exempt, for the call is universal and the field of endeavor limitless.

The students of Olivet Nazarene College once again express, this time by means of the symbolism of float construction, their supreme desire to serve their school and their God in their day.

PRESIDENT'S MERIT AWARD

Professor Dwight J. Strickler (upper right) and Mr. Alyn Fletcher (lower right), are pictured receiving the President's Merit Award at the annual President's Dinner this fall from Dr. Reed (left).

Personals On— Professors

By Herb Samra

We at Olivet are fortunate to have a faculty who are consecrated to the Christian cause. Unlike most colleges and universities, the faculty here undertakes, in addition to the academic application, to sympathize with and assist in the personal problems of the individual student.

Being of prime importance in "education with a Christian purpose," this is one of the manifestations of Christ's dwelling in the hearts of the professors at Olivet Nazarene College. The entire student body, I am sure, joins me in convey-

ing a most sincere appreciation to the faculty for the grand job they are doing.

For today's column I have selected Dr. E. E. Barrett as a fitting representative of the type of professors we have at Olivet.

Those who know Dr. Barrett will agree that he is truly a man of God. His life and fervency for holiness are of a quality that have stolen the hearts of countless students. When asked what ultimate objective or goal predominates in his thinking when he is in the process of teaching, Dr. Barrett replied, "I feel that something of my own personality is going into the student. We are a part of everyone we meet." Dr. Barrett went on to explain that there is more than just the imparting of knowledge involved in sound classroom work.

During his period of graduate training, Dr. Barrett became overwhelmingly convicted to the effect that a person may obtain a solid measure of education and still be on fire for God. Applying this principle to his teaching methods, as well as in his own life, he has served as a true blessing to students and members of the Olivet family since his arrival here.

The Woodruffs Visit E. N. C.

By Dave Elwood

The Woodruff family spent two weeks in Quincy Mass., while Dr. Woodruff filled the lecture desk of Dr. Vernon Groves who was visiting during the same period at Olivet.

This is believed to be the first exchange of this type to take place in Nazarene colleges. Dr. Woodruff found his visit to be a very enjoyable experience and one in which he learned to appreciate Eastern Nazarene College and its work.

Spend Time Teaching and Sightseeing

Dr. Woodruff was kept occupied with Psychology of Learning, Statistics, Child Psychology, and Theories of Psychology, course which he taught in place of Dr. Groves. Woodruff's spare time was spent in conference on various topics with different faculty members.

The Woodruffs also spent some time sight-seeing. Among the places they visited were the home of Louisa May Alcott and Nathaniel Hawthorne, Concord, Plymouth, and Old Ironsides (The Constitution), the most famous ship of the United States Navy.

Weather Enjoyable

Good weather added to the enjoyment of the visit but it didn't do much towards straightening the streets in Boston. "They have some good thoroughways," reports Dr. Woodruff, "but the city streets run in all directions and so driving is confusing."

One of the departmental clubs at E.N.C. is the Psychology Club. Dr. Woodruff spoke once to this group and twice in the chapel service.

Answers Questions On ONC

The E.N.C. students were interested in information on Olivet. Questions such as "When do the girls have to be in at evening," and "What nights are date nights?" were asked.

The Woodruff came back via Philadelphia, where they visited Independence Hall. They journeyed over the Pennsylvania Turnpike to Pittsburgh where they saw Dr. Marvin Taylor, a former Olivet faculty member.

The visit for Dr. Woodruff and his family lasted from Oct. 15 through Oct. 31.

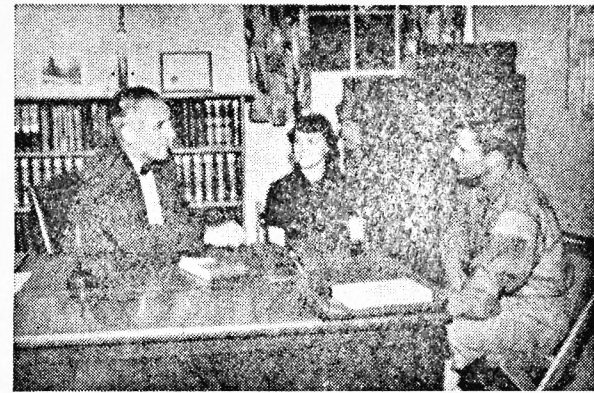

Council Considers

Radio Broadcast

A radio broadcast direct from Olivet's campus is being considered by the Student Council. It will be handled through the facilities of the Kankakee station WKAN, and will be of the musical variety type.

Holding up progress toward complete organization is the need for a sponsor so that expenses may be covered without cost to the school. A potential sponsor is being sought in the immediate area.

Some of the expenses involved are an installation fee of \$10, \$5 for an engineer, and \$15 for every non-union musician who performs over the air.

BY REV. L. GUY NEES

QUESTION: What should a student do when legitimate responsibilities seem to get in the way of obtaining one's education?

ANSWER: The time of obtaining one's education should not be thought of so much as a period in one's life as it is just plain life itself. Life is full of conflicts and adjustments. Sometimes we are interrupted in our selected way. The "obtaining of an education," while highly important, is not the prime essential of life.

The prime essential, under God, is to meet life's responsibilities and obligations as they come and make the most of every situation. Someone very wisely has said, "When two duties conflict, one is not a duty."

Just one further word, make sure that the "legitimate" responsibilities that seem to get in the way of obtaining an education are really legitimate. For instance, if a fellow contracts to pay for a \$3,000 automobile and then has to drop out of school to pay for it, it can hardly be thought of as "legitimate."

QUESTION: What part does emotion play in Christianity?

ANSWER: Christianity is based on faith and therefore has an emotional effect upon us. This is true regarding every treasured experience of life, whether it be in the home or in the nation. Family life would lose much of its meaning without a display of emotion.

The same is true regarding patriotism. What loyal American does not feel a wave of emotion on Decoration Day as he watches a company of soldiers march by as Old Glory flutters in the breeze and the band strikes up our National Anthem.

We are emotional beings as well as mental and physical beings. Any truth that grips us with real significance has an emotional effect.

There is a great deal of emotion referred to in the Bible. Jeremiah said, "Oh that my head were waters, and mine eyes a fountain of tears, that I might weep day and night for the slain of the daughters of my people." Jesus was "moved with compassion." The lame man healed at the gate of the beautiful temple leaped and praised God. Paul said, "The love of Christ constraineth us." I think it might well be said that anything which does not move us emotionally, does not move us at all.

E. Stanley Jones said, in effect, "Emotion is the wind of heaven that drives my soul towards its destination." He goes on to say, "I am not afraid of the 'wind' filling the sails of my soul as long as He (Christ) has His hand upon the rudder."

Olivet College In The Future

By Jim Calvert

As the foundations for the new College Church are being poured this fall, the plans for a new library are in their final stages. However there are still other plans for a bigger and better Olivet being considered at the present time.

Boulevard Entrance

A new boulevard entrance to Olivet has been approved by the Board

of Trustees. It will be located across the circle from Chapman Hall to the heart of Bourbonnais. The property has been purchased for this 100-foot entrance to the school. It will only be a matter of a few years until this will be completed.

A new committee was set up this year by Dr. Reed on institutional planning of the needs of buildings, facilities, administration and faculty for an enrollment of 1,000 full-time students. There are now around 650 full-time students enrolled. The findings of this committee will greatly influence the improvements of Olivet Nazarene College.

Musical Notes

BY DARLENE BARKER

"Tip-Off Spirit" is in the air, and the Department of Fine Arts is happy to join hands with others in extending a welcome to members of the Alumni and the many friends and visitors who are visiting O.N.C. today. The Music Department has made plans to aid in various programs and events in helping to accomplish the purpose of the 1954-'55 "Homecoming Tip-Off."

Band To Lead Parade

Leading the Tip-Off parade will be the forty-eight piece band, led by Drum Major Normal Barnes, two color guards, and a six-girl drill team. The band will play on the stage at the game and offer a fifteen-minute entertainment at half-time. Normal Barnes and the girls' drill team will also be presented at this time. The band is under the direction of Professor Carl Bangs.

The color bearers are Richard Reiss and Frank Bowers. The personnel of the drill team is Betty Botner, Clara Mae Riddle, Janet Storer, Monagail Kennedy, Martha Gore, and Connie Handschy.

On schedule for chapel service is Orpheus Choir and the Olivet Symphony Orchestra.

Bade Recital

Kenneth A. Bade, assistant professor of organ and piano, presented a vesper organ recital last Sunday afternoon, November 7, in St. Paul's Episcopal Church.

For the last eight years, Professor Bade has been organist for the Orpheus Choir and at the present, is organist at the College Church. He also is organist and choirmaster at St. Paul's Episcopal Church.

He has served two other churches in Kankakee—St. John's Evangelical and Reformed as organist and the Central Christian Church—as organist and choirmaster.

Bade has presented numerous organ recitals and has been a soloist with our Olivet Symphony Orchestra. He holds a master of Music Degree from the University of Illinois.

Club News

By Eleanor Bolender
Missionary Project

The Student Missionary Band announced as their project for this year the purchasing of a tent for the Nazarene Missionary work in British Honduras, in a chapel program given October 29. They feel that a tent will be very valuable because meetings held in a tent will attract many people who will not go to a service in a church. Pledges were taken during the program, and a weekly offering will be taken towards the completion of this worthy project.

The Missionary Band also sponsors Prayer and Fasting meetings each Thursday at 11:30 and again at 12:30 in Kelley Prayer Chapel.

Norman Zurcher is president of the Missionary Band this year with Katherine Yogi, vice-president; Rosalie Downs, secretary; Bill Thorpe, treasurer; Myrtle Borger, librarian; and Mrs. Winona Kell, sponsor.

Chi Sigma Rho Officers

This year's officers for Chi Sigma Rho, the speech club, are Dave Anderson, president; Janice Powell, vice-president; Nancy Tesch, secretary; and Maxine Dawson, treasurer.

English Guild Sells Mums

The English Guild organized this semester with Norm Barnes as president; Charles Blochberger, vice-president; Dorothy Dieckhoff, secretary; and Lloyd Patterson, treasurer.

One of the main projects of this club is the sale of mums for "Tip-Off." They will be on sale all day today in the foyer. Mrs. Reed was presented with the first mum by the Guild this morning in chapel.

Comments On Current Events

BY DAVE ELWOOD

What are the meanings of the November 2 election returns? Before attempting an answer to this question, let us look at the returns.

As it now stands the Democrats are in control of the Senate. They have 48 seats, the Republicans have 47 and there is one Independent who has said he will vote Democratic. The Democrats also control the House (232 Democrats, 203 Republicans). Thus, we have a Democratic Congress to work with our Republican President.

Foreign Policy

How will elections affect foreign policy? There will probably be no serious differences between the President and the Democrats on foreign policy. It is likely that the larger differences will arise among domestic issues such as taxes, etc.

Influence of Presidential Popularity
The President is on the crest of popularity but the elections suggest

strongly that his popularity didn't go far in determining final returns. Local issues seemed to offer the greater influence. For example, in Michigan where there is a high level of unemployment, Democrat Patrick McNamara won. McNamara did much of his campaigning in Detroit where he talked about the unemployment problem.

Stevenson

What meaning do the returns hold for Stevenson? Stevenson is and has been the strongest man in the Democratic Party for the last two years, but these returns have served to strengthen him even more. The reason is his prestige was at stake, for he took a very active part in campaigning for the elections. Had the Democrats been less successful, his popularity would have declined. The popularity of Stevenson will be important should he run for President in 1956.

Eisenhower's Legislative Program

The party with the majority organizes Congress. This means that Democrats will head committees, and Eisenhower must have the cooperation of these committees if he is to get legislation passed. The elections then mean that much trouble could lie in store for the legislative program of Eisenhower.

"News" From Other Colleges

Greenville

"All out for Christ" began the school year with a series of evangelistic services.

Greenville has a weekly radio program and a campus radio station, WGRN.

Trevecca

Trevecca Nazarene College has faculty prayer meetings every second Tuesday of the month.

Ads for the school paper, **The Trevechoe**, are furnished mostly by the Nazarene Churches around that vicinity.

Asbury

Enrolled at Asbury college this year are 15 foreign students.

We may recognize that the Democrats have won control of both Houses, but their victories weren't so great as the experts had predicted.

Long Awaited Year for Alumni

By Max Durbin

This could be the long awaited year as far as the Alumni is concerned with five veterans returning and five men from last year's senior class coming for the first time.

For the third straight year Dr. A. Bond Woodruff will coach the "old men's" team.

Team Announced

Players are: Charles McCullough—6'1" forward from Kansas City, Mo., and a former Indian; Chuck Taylor—5'9" guard from Kansas City, and a former Spartan; Don Williamson—6' forward from New Castle, Ind., a former Trojan; Virgil Applegate—5'9" guard from Manchester, Ohio, a veteran of previous "O" Club encounters; Don Gollieher—6'4" center from Aroma Park, Ill., a former Trojan; Dave Miller—5'1" forward from Kansas City, Mo., a former Trojan; Jack Nash—6' forward from Kansas City, Mo., a former Indian; Merrill Hugher—6'2" center from Ironton, Ohio, and a former Indian; Tom Pauley—6'2" center from Kansas City, Mo., a former Trojan; and Jim Farris—6'1" forward from Kansas City, Mo.

The women's game will start the evening's festivities at 6:45. Jackie Spencer, a member of last year's "O" Club team, will coach the Alumni team this year.

The team members are: Marilyn Starr, Margaret Harryman, Betsy Smith, Lora Hiatt, Mildred Booth, Virginia Rittholes, Mary Moore, Lois Fearn, and Gayle Baum.

Aurora News

Aurora editor, Jack Barnell, has announced that 635 individual pictures for the year book were taken by Blankenburg Photographers, Inc., since the beginning of this school year.

The club and organization pictures except "O" Club, Orchestra, Brass Choir, M.D.A., Chess Club, and the Glimmerglass were taken on Aurora Day. The rest of these pictures will be taken at a later date.

The yearbook pictures will be arranged in a different order than previous years, views of the campus will be presented in a different way, and the advertising section will be revised.

Through the Keyhole

BY MAXINE DAWSON

It's that time of year again. The time: when you work all night to build a float that lasts an hour, when the foyer is so crowded with returning Olivetians you can't get through, when you literally get moved out of your own room by the hundreds of invading guests; but best of all when you can renew old friendships, relive old memories, and enjoy an evening of extra-special entertainment. Yes, it's Tip-Off again and to all Alumni we extend a hearty "welcome." It's good to have you back!

Alumni "Chuckles"

Speaking of Alumni I dusted off some old Glimmerglasses and found some interesting things, among them that Olivetians have always been "serious" minded people. Take for instance, Ewe Johnson and Jean Strahl back in 1946 when rationing was a reality instead of a memory.

The girls had gone shopping for scarce nylons, and after a fruitless search decided to live up their day. Going into a store they walked up to an empty counter and formed the well-known "line." In a short while a few unsuspecting housewives came along; and seeing the two girls patiently waiting with money in hand, they promptly got in line, certain they were at long last going to get some nylons. I'm not quite sure what the outcome was, but at least the shopping trip wasn't all in vain.

Fish Story!

We complain about the "rocky chairs" in the dining hall, but they're nothing compared with what they were when Paul Grubb was here in 1947. He was overheard making the remark they were rocky enough to make even a sailor seasick. In fact one day he picked an unusually bad one and became so dizzy his face turned green; and when he yawned, an unsuspecting freshman walked by, thought it was a mailbox, and dropped a letter in.

Chapel "Letdown"

Chapel nowadays just ain't what it used to be. One bright day back in '47, eight sophomores received a startling "letdown." The seat of their pew in Section A gave way, and they found themselves sitting on the

ALUMNI HAS HOPES!

By Joe Herdler

floor. It must have been quite amusing to see eight pairs of eyes peeping over the pew in front of them. According to first-hand accounts, faculty and students filed by to review the remains at the close of the service.

And we complain about the food! Jim Keys walked into the Nook one day and asked waitress Darlene Rich for a cup of coffee. Trying to make conversation he said, "Looks like rain doesn't it?" "Well," she glared, "It tastes like coffee, doesn't it?"

Just a parting thought: A woman driver is a person who drives the same way a man does but gets blamed for it. With that I think I had better take my leave. See you at the game tonight!

They say a bride wears white because it's the most joyful day of her life. Wonder why the groom wears black?

"A quitter never wins and a winner never quits."

Viewing 1940 "Olivet News"

By Marcia Schneider

Did you know that:

The Nook first got its name that year?

The Philosophical Society was organized with Paul Schwada, a present faculty member, as president?

The enrollment was a total of 400 students?

The National Nazarene Honor Society was organized and had in it such members as:

Dorothy Ahlemann, now a missionary to South America;

Paul Schwada, a present faculty member here at Olivet;

Fred Reedy, senior class president of that year;

And Donald Starr, president of the Alumni the past few years;

Byron Carmony traveled with the Apollo Quartet that summer?

And that Bond Woodruff was president of the Indians that year?

Alumni Have Seen Better Days

By Paul Bassett

Back in the dim past I dug. Through musty volumes of the Glimmerglass and its predecessor, The News.

As I thumbed through these dusty remains of an old civilization, I happened to knock the cobwebs off one volume and the heading of a page struck my bloodshot eye.

Quoth the ancient type, "Bib Jubilee To Inaugurate Cage Season." Being interested in Jubilees, I stopped to read the yellowing cuneiform.

It seems that the group of athletic stalwarts known as the "O" Club had decided to make a gala affair out of the opening of the basketball (that's the way it was spelled then) season. And, having hamstrung some professors into playing them, they set the date for the first "Tip-Off" as November 14, 1941.

One of our venerable profs, still on the campus, was a member of that faculty team. He must have gotten into the back copies of the Glimmerglass though, 'cause we can't find the issue which gives the score. I imagine Prof. Strickler either burned or framed it.

In 1941, the "O" Club invited some of the outstanding Alumni back to play in the game. To their dismay, the not-so-rutsy Alumni squeaked by, 30-28. 1943 didn't change the scenery either. The crying towel was once again passed to the "O" Club—they got beat this time too. And again in 1944, this time by 18 points—38 to 20.

By the time I read the story on the 1945 game I was bored to tears, Yep, the Alumni took that one too, 36-30. But my hand began to tremble with excitement as I unrolled the scroll giving account of the game nine years ago. Oh, my, the Alumni flooded the campus in tears—our beloved "O" Club romped 38-26. With all of the old wartime restrictions removed, the 1946 "Tip-Off" seemed to be by far the most successful to that date.

A scribe, by now a "patriarch," for the 1947 Glimmerglass, predicted the score to be 48-38, "O" Club. Well, happy day, the "O" Club did win, but the score was 30-22.

I can't seem to dig up any more old papyrus scrolls from those by-gone eons—so this rambling narrative shall have to close.

Krax by Max—

BY MAX DURBIN

Well, we find ourselves just a few short hours before the biggest sporting event of the year. The Alumni with five players from last year's "O" Club team and five players from previous Alumni teams, is looking towards a victory which has been elusive for the last eight years.

2,000 Seats Available

More people than ever will see this year's game because of the switch from Birchard Gym to the Bradley Gym. Something over 2,000 seats will be available for Olivet fans.

Here is a little insight into the program which will be presented for the small sum of one dollar.

The 13th annual "Tip Off" game tonight finds the "O" Club holding a won-eight, lost-four record in past competition with the Alumni.

Eight Straight For "O" Club

The first Alumni-"O" Club battle took place in 1942. Starting with that year the graduates won four in a row before the "O" Club could break into the victory column. The "O" Club has now won the last eight games.

Members of that first "O" Club team, coached by Professor Marvin Taylor, were Ed Harmon, Cecil Crawford, Wendell Wellman, Beryl Spross, Louis Gale, Willard Taylor, and George Snyder.

Here are scores of all previous games:

30	Alumni 1942	"O" Club	28
34	Alumni 1943	"O" Club	27
38	Alumni 1944	"O" Club	20
36	Alumni 1945	"O" Club	30
38	"O" Club 1946	Alumni	26
30	"O" Club 1947	Alumni	22
35	"O" Club 1948	Alumni	23
74	"O" Club 1949	Alumni	38
49	"O" Club 1950	Alumni	40
50	"O" Club 1951	Alumni	43
51	"O" Club 1952	Alumni	47
78	"O" Club 1953	Alumni	66

Present "Old Rusty Keg"

Coach Elmore Vail will be presented with the "Old Rusty Keg" just before the men's game. This will be the seventh year that this has been presented. The Alumni have yet to win it.

It should be a great game. When the midnight gong has struck tonight and we have all crawled into our beds, it will be interesting to know who has emerged victorious.

"O" CLUB "RARIN' TO GO"

Ready for action in tonight's Alumni encounter are. (left to right) front row—Ronnie McQueen, Bob Crabtree, Vern Fischer, Bill Winegar, Jim Smith, and Wendell Parsons; back row—Coach Vail, Gene Phillips, Jim Mitchell, Bob Squires, Merlin Demaray, and Dave Boice.

Inquiring Reporter Intramural Fall All-Star Teams

By Evelyn Holland

What is your opinion of Olivet's tackle football program? In reply to this question, the following students make enthusiastic comments:

Daniel Fearn: Football at Olivet used to be a joke; just the grade school type. Now we have the real thing. More power to those who were responsible for tackle football.

Delores Martin: I like this interesting sport which has created more spirit in players and spectators. All of our games were better attended than ever before.

Chuck Hasselbring: I think tackle football is more interesting to watch. The players seem to like it better.

Bill VanMeter: Tackle football has helped to raise school spirit. It has also drawn the attention of Kankakee people to the fact that Olivet has an up and coming athletic program.

Lena Green: I really like it. It is highly interesting and a promoter of much school spirit. New equipment has made the game much less dangerous.

New Club Organized

A girls' Synchronized Swimming Team has organized with Pat McGuire as their president. These girls, who call themselves the "Aqua Maids," plan to put on water pageants. Any girl who is interested and can swim fairly well may join this club.

The following persons were elected to the all-star teams of the intramural sports program by the Athletic Committees of Olivet Nazarene College:

FOOTBALL

Line:

Kenneth Bellville (Trojans)
Clinton McLouth (Trojans)
Sonny Potts (Spartans)
Ray Reglin (Indians)
Robert Squires (Indians)
William Winegar (Indians)

Backfield:

Carroll Ball (Spartans)
John Beal (Trojans)
Ronald McQueen (Spartans)
Tom Murray (Trojans)
Gene Phillips (Indians)
Dave Tyler (Trojans)

MEN'S SOFTBALL

Catchers:

Robert Crabtree (Indians)
Ray Morrison (Trojans)

Infielders:

Paul Dishong (Trojans)
Scott Gardner (Indians)
Vernon Fischer (Trojans)
James Smith (Trojans)

Pitcher:

James Mitchell (Trojans)

Outfielders:

Richard Converse (Trojans)
George Garvin (Indians)
Frank Hallum (Spartans)

13th Renewal Of Annual "Tip-Off" Basketball Clash

By Max Durbin

This is the day for the 13th renewal of the clash between the Alumni and the "O" Club of Olivet.

The "O" Club ended practice sessions yesterday and will rest today in preparation for tonight's fracas.

Players Listed

The players are:

Jim Smith — Trojan, 5'8½" guard from Vicksburg, Michigan, and a sophomore; Jim Mitchell — Trojan, 6' forward from Huntington, Indiana, a junior; Ron McQueen—Spartan, 5'9" guard from Chattanooga, Tennessee, a sophomore; Dave Boice — Trojan, 6' forward from Chillicothe, Ohio, a junior; Bob Crabtree—Indian, 5'10" guard from Springfield, Ohio, a junior.

Bill Winegar—Indian, 6'1" forward from Hannibal, Missouri, a senior; Wendy Parsons Indian, 5'7" guard from Lake, Minnesota, a sophomore; Bob Squires — Indian, 6'2" center from Detroit, Michigan, a junior; Gene Phillips—5'10" guard from Des Moines, Iowa, a sophomore; and Merlin Demaray — Spartan, 6'2" forward from Bourbonnais, Illinois, a sophomore.

First Appearance For 9

This will mark the first appearance for nine of the eleven players. Only Bob Squires and Wendy Parsons have seen action in previous encounters.

It is interesting to note that not one senior will be playing in this game which could mean that this same team could face the Alumni again next year.

When the game whistle blows for the start of the contest, Squires will probably be at center, Smith and McQueen or Parsons at guards, and

WOMEN'S SOFTBALL

Catcher:

Joan Hendershot (Indians)

Infielders:

Patsy Kellar (Indians)
Shirley Kruger (Trojans)
Edna McWhorter (Trojans)
Rosella Scott (Trojans)
Sharon Spence (Trojans)
Barbara Strong (Indians)

Pitcher:

Nancy Hendricks (Trojans)

Outfielders:

Norma Blochberger (Indians)
Maxine Hickler (Trojans)
Norma Morse (Spartans)
Barbara Vogel (Trojans)

Mitchell and Fischer at the forwards.

Girls' Team Named

The "O" Club girls' team lists four members of last year's team and five new members. Coach Don Watson announces the following girls as the team to play in tonight's encounter with the Alumni girls: Shirley Strickler, Ruth Peters, Jean Schray, Norma Blockberger, Bev Hickler, Joan Hindershott, Anna Taylor, Rosella Scott, Sharon Spence, and Marlene Hiner.

Hardwood Headlines

By Jim Mitchell

Well, the first season of tackle football has just gone into the records, and to say that it was a successful season is the understatement of the year. It has certainly been a great stride in the sports program of Olivet.

But now, the togs have been hung up, and the gridiron forsaken, and in a few days we'll be smack-dab into the 1954-'55 hardwood season.

Height For Indians

The Indians, loaded heavily with freshman talent, will be able to floor one of the tallest teams Olivet has seen in recent years. Just to give you an idea of some of the lofty competition in the Indian camp, they have: George Garvin, 6'5"; Bob Squires, 6'3½"; Scotty Gardner, 6'2"; Marvin Spence, Chuck Nash, and Darrell Trotter—all over the two yard mark, and "old reliable" Wendy Parsons, who'll be at one of the guard spots. That kind of height along with Parson's speed, will undoubtedly be rough to cope with.

Trojans Have Speed

The Trojans will probably have to rely on their speed seeing that they're going to have only three or four men reaching the six-foot stripe. However, they have a lot of scoring punch in Vern Fischer and Jim Smith — two mainstays from last year; and some of last year's reserves are going to be real threats this year.
