A BOY AGAIN.

A well thumbed book of Riley, and a pipe of Navy Cut; The smoke curls slowly upward, and the book lies here, half shut, A finger in the pages at the verse that brought the dream— And back come all the boydays, with their glamour and their gleam— The hoofs of days remembered, and the host of days forgot, When the joy was for the asking, and the gladness came unthought, The path through Osborn's pasture, by the hawtree on the hill; The lazy path that sauntered to the footlog by the mill; The path that seemed to call us in the hush of afternoon, And beckoned with two fingers in the drowsy days of June, Until a line of pilgrims, all barefooted, found the end— The Mecca of their journey—in the ripples at the "Bend." The worn way past the limekiln to the deep old flaxmill pond; The brook that chattered softly of the meadowlands beyond, Where boys could fish for turtles, and could splash and swim and wade— Why, even all the laughter of the boydays will not fade! But comes clear ringing with them, with the quail and kildoe call, And evening croon of crickets and the tinkling waterfall. The rambling streets, past houses half hidden in the trees, Whose blossoms breath their odors till they weighted down the breeze; The yards that bloomed with flowers of the good old fashioned kind— Verbenas, tiger lilies, such as now we never find. The roses, crimson roses, with their hearts washed in the dew— They sway across the picture as the boydays come in view. These "Afterwhites" of Riley's, with the cover old and worn, And all the boytime poems on the pages thumbed and torn— They hold the wondrous magic that can lift the distant haze That lifts the glowing picture of the never-dying days! They hold the mystic tincture that can touch the souls of men, And for an hour of gladness make the boyhearts beat again! W. D. NISBET.

INUNCTION SOUGHT.

Charles M. Ridgway, the Cedarville druggist, has begun proceedings in the Court of Common Pleas to restrain the county treasurer from collecting \$384.46 placed upon the assessments duplicates for alleged traffic in intoxicating liquors. AS OTHERS SEE US.

The local option fight at Cedarville has brought out some remarkable features that have not been encountered in Xenia. Two school teachers, Professor R. A. Brown and Foster Alexander, are "in bad" on account of their attitude against the saloonkeepers, and it is said that they must look elsewhere for employment. They are alleged to have been active in causing the filing of an affidavit against C. M. Ridgway, charging him with violating the "Beal law, and now two of the associates of Mr. Ridgway are heading a movement to oust the two pedagogues on account of their methods to entrap the liquor dealer. The temperance people of the village say that to oust these men for such a cause would be an error that could not be lived down, and that the members of the School Board dare not face such a proposition. They declare that nothing can prevent the trial of Mr. Ridgway before a proper court for the charges placed against him. It is also thought that another saloon has opened in Cedarville. It is said that a Springfield Brewery wagon brought a consignment of goods to the village a few days ago with which a place in the Mitchell room was stocked.—Press Republic.

"ANDY" SCORES BUT FAILS.

In our issue of Friday, Apr. 3, we published an article giving an account of the filing of objections to the Republican heading on the School Board ticket, by Andrew Jackson, Sabbath, March 29. We find, in another paper, a communication, signed by this gentleman, in which he denies that the objections were written on one of the board's letterheads and was dated Sabbath. We are informed, and for Mr. Jackson to deny it is useless, that he did use the board's stationery, but cut off the heading. They were written in the presence of the clerk. When Mr. Jackson was ready to file the document he asked the clerk to date the paper March 27, but this was refused and the clerk holds the paper to-day, showing the time it was received. Mr. Jack objected to the very thing that has been elected to under on several occasions and to many it looked as if asking for this office had become chronic with him. We find that he is proud of the party that has honored him but whether the party feels the same we leave to individuals to decide. The communication infers that the Board of Election Supervisors was in session Sabbath but this honorable body has handed us the following signed by each of the members and the clerk: Xen. O., Apr. 14, '03.

We the undersigned Deputy State Supervisors of Elections for Greene County, Ohio, hereby certify that there has not been any sessions of said board held on the Sabbath, either afternoon or evening, as the records of said board will show. R. F. Kerr. H. M. Barber. W. S. Rayner. R. I. Stewart. Robt. H. Thompson, Clerk.

To Cure La Grippe in 24 Hours.

No remedy equals WARNER'S WHITE WINE OF TAR SYRUP for this terrible and fatal disease. If taken thoroughly and in time, it will cure a case in 24 hours, and for the cough that follows La Grippe it never fails to give relief. 25 and 50c. Ben. G. Ridgway, Pharmacist.

Brain Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get this reliable remedy at all druggists. Prices 25c and 75c.

Get a good buggy, phaeton, road wagon or carriage of Kerr & Hastings Bros.

—Do you know what you eat? A great many people are not careful of the quality of food which they eat. They should be. Pure food is a developer of brain and muscle, which means a superior man. Our reputation for selling pure food is known far and wide. We select and keep in stock only the pure kind of food. Get the kind we sell. Gray & Co.

Mineral Flowers!

Blossoms of the Dark, Hard Mines—Gems. The most lasting of all earthly objects—the most beautiful as well as the most imperishable form in which matter appears. Gold will wear away, Silver will tarnish, Wood will decay, Granite, Stone itself will disintegrate, but Gems will continue unchanged for thousands of years. Symbols be they of things eternal. Could you give a more appropriate present? We have them that cost less than you would think. McGillam, THE JEWELER.

REV. F. O. ROSS RESIGNS.

A congregational meeting was held at the U. P. church Friday afternoon. S. K. Williamson was elected president while Dr. M. L. Marsh was elected secretary and treasurer. R. C. Watt was re-elected one of the trustees. The financial report was read which shows that the mission fund is the largest ever raised in the history of the church, while other funds show corresponding increases. There is not one cent of indebtedness against the church and so well pleased is the congregation with the work that they voted to raise the salary of the next pastor to one thousand dollars. The resignation of Rev. F. O. Ross was read and accepted. Rev. Ross has been extended a call by the First U. P. church, of Washington, Iowa, which he will accept. It is his intention to declare the pulpit vacant about the fourth Sabbath in May. W. J. Tarbox, Thompson Crawford and D. S. Collins were appointed to present Rev. Ross' resignation to Presbytery.

SEVERE ATTACK OF GRIP.

Cured by "One Bottle of Chamberlain's Cough Remedy." "When I had an attack of the grip last winter (the second one) I actually cured myself with one bottle of Chamberlain's Cough Remedy," says Frank W. Perry, Editor of the Enterprise, Shorsville, N. Y. "This is the honest truth. I at times kept from coughing myself to pieces by taking a teaspoonful of this remedy, and when the coughing spell would come on at night I would take a dose and it seemed that in the briefest interval the cough would pass off and I would go to sleep perfectly free from its accompanying pains. To say that the remedy acted as a most agreeable surprise is putting it very mildly. I had no idea that it would or could knock out the grip, simply because I had never tried it for such a purpose, but it did, and it seemed with the second attack of coughing the remedy caused it to be of less duration, but the pains were far less severe, and I had not used the contents of one bottle before Mr. Grip had bid me adieu." For sale by C. M. Ridgway.

Robert Wilson, student at the McCormick Seminary, Chicago, preached at the R. P. church last Sabbath. On Tuesday he was licensed by the Dayton Presbytery. It is very probable that Mr. Wilson will fill the pulpit at Manchester, Ill., this summer.

One Answer for All.

Lancaster, N. Y., Apr. 17th.—Postmaster Remens is still in receipt of many letters asking if his cure has held good. It will be remembered that some time ago the particulars of Mr. Remens's case were published in these columns. He had been very low with Diabetes. Physicians could do nothing to save him and he grew worse and worse till someone recommended Dodd's Kidney Pills. A treatment of this remedy was begun and eight boxes had been taken Mr. Remens began to see an improvement which continued as the treatment proceeded till he was completely restored. He has also since enjoyed perfect health and is as robust and able a man as any in Lancaster. Interviewed the other day he said: "Many people wrote to me when the story of my case was first printed and some wrote to me yet asking if the cure was only temporary and if the diabetes has returned. I have only one answer to everybody. Three years ago I was very low with Diabetes. The best physicians failed to help me and Dodd's Kidney Pills cured me. I am well and strong and have not had the slightest return of the old trouble."

GOOD BUSINESS.

It's a "good business" for a man to dress well for business. You're probably going to wear a sack suit—the usual style for that purpose. If you come in and try on a Hart Schaffner & Marx sack suit you will see at once what a difference there is in sack suits between the H. S. & M. kind and ordinary clothes. There's style and finish to these garments that is unusual and unimitatable.

BETTER THAN REAL ESTATE.

If you buy land you pay five or six per cent. interest on all you cannot pay cash for. Eventually you have to pay the principal too. By means of life insurance a young man can buy for his family an estate of \$1,000 or \$100,000 by paying less than three per cent. yearly. He thus, at once, provides a fortune for his family, available at his death, or for himself if he survives the period fixed in his policy. No better scheme of laying hold on fortune was ever devised.

Weak, Irregular, Painful Heart. Sometimes the heart grows irregular—in the seat of pain and pressure. People are apt to think it due to some organic or structural disease of that organ, when the cause is comparatively simple—a weakened motor power—a trouble wholly due to the nervous system, perhaps aggravated by nervous dyspepsia. Put the nervous system right—give it strength and tone—supply through its medium the heart with power and the stomach with digestive juices and the feeble fails like snow in summer sun. It is for this wonderful power Dr. A. W. Chase's Nerve Pills are world famous. Mrs. Alice Kiffin of 810 St. Charles, Ohio, says:—"I have been a sufferer for a long time from severe nervousness, sleeplessness, dizziness and heart trouble. I heard of Dr. A. W. Chase's Nerve Pills and thought I would try them and got a box and can say my nerves are steady again—I sleep well—I am no longer bothered with dizziness and the action of the heart is regular. I can recommend this medicine as an excellent tonic to anyone." For further information call at Ridgway & Co's Drug Store, Cedarville, Ohio. See a box of Chase's Nerve Pills at Dr. A. W. Chase Medicine Co., 25 South St. See that genuine and cheapness of Dr. A. W. Chase's Nerve Pills is on every package.

ADVICE TO BOYS

Get the Primary B. B. B. Virtues into Your Character

Boys are constantly writing me for advice about how to succeed, and when I send them my receipt they say that I am dealing out commonplace generalities. Of course I am, but that's what the receipt calls for and if a boy will take these commonplace generalities and tread them into his job the mixture will be safe.

Once a fellow's got the primary business virtues cemented into his character he's safe to build on. But when a clerk crawls into the office in the morning like a sick setter pup and leaps from his stool at night with the spring of a tiger I'm a little afraid that if I sent him to take charge of a branch house he wouldn't always be around when customers were. He's the sort of a chap who would hold back the sun an hour every morning and have it gain two every afternoon if the Lord would give him the same discretionary powers that he gave Joshua. And I have noticed that he's the fellow who invariably takes a timekeeper as an insult. He's pretty numerous in business offices; in fact, if the glance of the human eye could affect a clock face in the same way that a man's country cousins affect their city welcome, I should have to buy a new timepiece for the office every morning.—From "Letters From a Self Made Merchant to His Son," by George Horace Lorimer.

Household Sanitation.....

It is now recognized that nearly all diseases, especially those of an acute character, are due to the germs. Germs are everywhere. No amount of caution or cleaning can get rid of 'em. It is necessary, especially at this time of the year, that disinfectants and germicides be frankly used about the home. All sinks, drains, closets, dark and damp places, should have attention. We carry all the reliable disinfectants, antiseptics and germicides. If in doubt as to what to use for any particular purpose we can advise you what to procure.

The rooms occupied by Downing's photograph gallery have been brightened by new paper and paint. The rooms are very inviting and parties wishing to call and examine photographic work are at liberty to do so whether they want pictures taken or not.

A representative of a Columbus foundry was in town Monday looking up men to work in one of the large plants in that city. Nine colored boys left Monday evening; James and Joe Baker, Harry and Frank Jones, Frank Fisher, John and "Bud" Spencer, Will Hamilton and James Webster.

The case of George Dean for violating the Beal law, scheduled for Wednesday, after several postponements, was again deferred to Saturday, Apr. 25, at which time Dean must appear. Rev. Dr. David McKinney, who took a prominent part in the election, at Cincinnati, to place M. E. Ingals in as mayor, had the following to say to the Post: "The result was a surprise and a great disappointment. He was defeated, but not disgraced. I am prouder to be defeated with Mr. Ingals than I should be to be successful with Mr. Fleischmann. The one represents what is best and noblest in citizenship and the other represents the powerful but unscrupulous organization of the gang."

The workmen at the Neff grounds at Yellow Springs are pushing the work there and when warm weather opens in earnest the picturesque grounds will be converted into a pleasure resort of note. The dam which is being constructed across the stream for the purpose of forming a lake of several acres in extent, is well under way and will make fine boating. The lumber is on the ground for a fine pavilion and restaurant, and all together it will prove a great resort the coming summer.

A Thoughtful Man.
M. M. Austin of Winchester, Ind., knew what to do in the hour of need. His wife had such an unusual case of stomach and liver trouble, physicians could not help her. He thought of and tried Dr. King's New Life Pills and she got relief at once and was finally cured. Only 25c, at B. G. Ridgway's Drug Store.

A Veteran's Story.
Beth, N. Y., April 13th.—The first consideration of the Commandant and Officers in the conduct of the Soldiers' Home here, is the health of the Veterans. Kidney Troubles are the most common cause of ailment, very few of the old men escape these in some form or other.
Of course the comrades do as much as possible for themselves and one of the most popular and useful remedies employed is Dodd's Kidney Pills which seems to be almost infallible in cases of Kidney derangements. Indeed, there are among the veterans, several who claim to owe their lives to Dodd's Kidney Pills.
For instance, A. E. Ayer, who came to the home from Minneapolis, Minn., was given up by four doctors in that city. He had Bright's Disease and never expected to live through it, but his life was saved and his health restored by Dodd's Kidney Pills. His experience has made the remedy very popular among the men and no one who has used Dodd's Kidney Pills for any Kidney Troubles has been disappointed.
