CONGRESSIONAL HAPPENINGS IN WASHINGTON

By CLARENCE J. BROWN Member of Congress

The Sergeant-at-Arms Office of the House of Representatives opened again last Thursday for the first time since the new Congress convened at noon on January 3rd, at which time the banking facilities of the office were closed for an audit which, when completed, revealed a shortage of approximately \$125,000.00 in the accounts of the Democratic Sergeant at arms, Kenneth Romney.

By the time this column appears in print the House will have passed a bill extending present Federal excise taxes on many services and commodities indefinitely. The present excise taxes were originally levied for the duration of hostilities, plus six months, and, in as much as President Truman has officially declared an end to hostilities as of Dec. 31, they would have automatically expired on June 30.

President Truman's appointment of General George C. Marshall to succeed James F. Byrnes as Secretary of State has met with wide approval here in Washington. Most Members of the Congress feel that General Marshall will prove to be a strong head of the State Department.

Secretary of Agriculture, Clinton P. Anderson, has called upon the House and Senate to formulate a farm program for the coming year. Under the present law the Government is obligated to maintain farm prices at parity during the calendar years of 1947 and 1948, through support buying by the commodity credit corporation and by other means.

A Justice of the U. S. District court here in Washington has declared the Government's system of rationing sugar to industrial users illegal, with the result the whole sugar rationing program of the Government may come to an end much sooner than originally expected.

Do you remember Andrew J. May and the Garsson brothers? May, war time Democratic chairman of the house military affairs committee has been charged with using his official position to illegally aid the Garsson brothers, of the "Paper Empire" fame, to get large war contracts from which they made huge profits.

DEPUTIES FACE 2 MORE \$15,000 DAMAGE SUITS

Similar to another action brought by Marshall Harry O. Guenther of Wright View two weeks ago, two more suits were filed in common pleas court Tuesday noon by teen-agers involved in a recent "speed trap" dispute in the Marshall's area. Defendants are two of Sheriff Walton Spahr's deputies. Each seeks \$15,000 damages, boosting to \$45,000 the amount requested in the three suits.

J. H. Patajoff, Dayton lawyer representing all the plaintiffs, filed the suits for Jean Kinman, 14, through her uncle, Charles Willhoite of Wright View Heights, and George Hodge, 16, by his father, Mayor Harry Hodge of Wright View.

Both the boy and girl were with Marshall Guenther the night of Dec. 27, when the Deputies Robert L. Wood and Wesley Harris, defendants in the suits, took them into custody and brought them to county jail for questioning in regard to an asserted "speed trap".

Sherriff Spahr charged at the time that complaints had been received by his office of Wright View officers making arrests for offenses outside their jurisdiction and that offenders were handed "exorbitant" fines by Mayor Hodge. He said he sent the deputies, in plain clothes and an unmarked, auto, to Wright View to investigate. They followed his orders, he said, in bringing the party in for questioning.

Bellbrook Slapping Case Is Dismissed

Argus S. Saylor, Waynesville, R. 1, father of Norma Jean, 17-year-old Bellbrook High School senior who was allegedly slapped by a teacher last Friday afternoon, was advised Tuesday by Prosecutor Marcus Shoup that "there is no basis, in my opinion, for any criminal charge". He recommended a civil suit instead.

The teacher, E. W. Spence did not appear before Justice of the Peace Lyman G. Hoop, Bellbrook, Monday night although his attorneys were on hand after a charge of assault against a minor was filed by the case when Robert H. Wead and informed Justice Hoop that Mr. Spence would not appear unless a warrant is issued.

DR. PIETERS TO TALK AT COLLEGE NEXT THURSDAY

The Rev. Dr. Reuben F. Pieters, minister of the First Presbyterian Church of Middletown, Ohio is to be the speaker for the Day of prayer for Colleges Thursday February 6 at 10:00 a. m. sponsored by Cedarville College, President Ira D. Vayhinger announced Monday. The exercises will be held in the commodious United Presbyterian Church of which Dr. R. A. Jamieson is the pastor.

Dr. Pieters was born in Seoul, Korea of missionary parents who were pioneers in that little known country. His mother, a medical missionary who specialized in an evangelical work translated portions of the Bible and many hymns into the Korean language.

He attended Princeton University graduating in 1930 and then returned to Korea where he taught a year in a teaching school. He was graduated from Princeton Seminary in 1934 and then served 2 years at Westminster Church, Dayton as assistant to Dr. Hugh I. Evans. Then followed a pastorate of four years at Hackettstown, N. J. Since 1940 he has served as minister of the Middletown Church. He is president of the Middletown Kiwanis Club and a Mason.

The topic announced is "A New Life for a New Age."

\$83,281 Damage Suit Trial Begins in Court

A common pleas court jury was taken to the Route 4 highway underpass, near the main entrance to Wright Field, late Monday morning to view the scene of an auto-truck accident more than a year ago when an Osborn man was injured, resulting in a damage suit for \$83,281.44.

Robert Monroe, 62, of Wilbur Ave., Osborn, the plaintiff, charged the Decatur Cartage Co., Chicago, with negligence and being responsible for the mishap, involving one of its freight trucks. Monroe said he was a passenger in a car driven by William Matheny and was enroute to his job at Frigidaire Corp., Dayton, Jan. 12, 1946, when the Matheny car was flagged down by Wright Field civilian police because of another accident. While the car was stopped, a truck owned by the company crashed into the rear of the auto, resulting in severe injuries to Monroe, who was riding on the back seat.

YELLOW JACKETS BEAT BLUFFTON IN THRILLER SAT

It's getting to be a habit! Of course we're referring to the Cedarville college Yellow Jackets winning a game at Alford Memorial gym in the last second of the game.

Last Saturday night they trailed the entire ball game, that is up to the final 15 seconds, when with the score tied at 57-57, Gise, sub Jack et guard, sank a two pointer to give the locals a 59-57 victory over Bluffton.

Raber, Bluffton center, was the big thorn in the side of the Jackets all night as he kept his team out in front by netting 30 points from the pivot on 14 field goals and a pair of fouls.

The preliminary was also won by Cedarville over the Manchester independents 82-22. On Saturday night they face Bliss here and then on Tuesday night they will be hosts to Wilmington.

Dr. Boyer is an alumnus of both Cedarville College and Cedarville theological seminary. He was pastor of the First U. P. Church of Dayton, O., until two years ago when he was elected to the office of Synodical Superintendent of missions of this Synod. The public are cordially invited to all these services. There will be special music each evening with different organizations of the church composing the choirs, and leading in the Praise service. Come and bring your friends with you.

Cedarville Ministers Attend Convention

Pastors from all denominations in Ohio met in a convention at Columbus, beginning Monday noon and continuing through Thursday noon. There were almost three thousand pastors and religious workers registered.

An unusually good array of speakers gave the addresses. A large number attended the Fellowship Supper Tuesday and heard Hon. Harold E. Stassen, a Republican candidate for president, speak on "Religious Concepts in This One World." Congressman Walter H. Judd of Minneapolis spoke on peace. Another high water mark was the communion service Tuesday in which about two thousand people of all denominations took communion together. Dr. James W. Clarke of St. Louis made a deeply devotional communion address.

Pastor Martin Niemoller, who spent eight years in concentration camps under Hitler, spoke to some 4,000 people Wednesday night that crowded Memorial hall to its capacity. He spoke on the vital life of faith that kept him while in prison and of the way in which the faith of the prisoners rose above religious differences of denomination and nationality. He spoke again Thursday noon in the same hall to a capacity audience. He will speak at Springfield Memorial hall next Wednesday.

Rev. Paul Elliott, Rev. William Waide, Prof. F. Carlsen and Rev. W. B. Collier from Cedarville attended sessions of the convention.

BIG REDS HAND SILVERCREEK A 44-24 WOLLOPING

The Big Reds of Cedarville high school finally found the range of the basket after a two game lapse of memory and all but ran Jamestown Silvercreek out of their own gym last Friday night as they pounded out a 44-24 to move into a tie for the runnerup spot in the county league with Jefferson.

The locals were out in front at the end of the opening quarter 11-7 and stretched their lead to 19-11 at the half, and then 28-17 at the three quarter mark; then blasting the Silver nets for 16 markers in the final frame.

The local junior high also triumphed 24-15.

The Big Reds will play host to Spring Valley at Alford Memorial gym on Friday night.

Score by quarters: Cedarville 11 8 9 16-44 Silvercreek 7 4 6 7-24 Officials: Brier and Strake.

Benefit Minstrel to Be Held February 6

A minstrel entitled "Plantation Time" staged by the Clark County Older Rural Youth will be presented at the Cedarville opera house on next Thursday night, Feb. 6 at 8:15 by the Cedarville Progressive Club for the benefit of the park building fund.

Members of the local club are now selling tickets with an admission of 50 cents for adults and 30 cents for children.

The Clark county group which will stage the production, was organized in 1938 for young people in Clark county between the ages of 17 and 30. Their purpose is to furnish to their members educational programs as well as their recreational ones.

RAID IS MADE ON NUMBERS RACKET NEST

Sixteen officers from Dayton, Troy and Greene County made simultaneous raids at 8 p. m. on headquarters in Troy and at a former filling station just west of Cedarville on State Route 42.

Nine persons were placed under arrest in the local raid and eight at Troy. The local group were placed under \$500 bonds. Bonds of the eight on Troy of \$1,000 kept the crew in the Miami county jail over night.

Two of the raid arrested were Joe E. Anderson Xenia, and Charles E. Johnson, Springfield, both are under bond following a grand jury indictment in Xenia two weeks ago. Dayton and Yellow Springs officers conducted that raid in the latter village.

According to Prosecutor Marcus Shoup the Cedarville headquarters was the central office for various counties in Southern Ohio. Among the women arrested here was Oda B. Artis, Xenia, who is the wife of Earl Artis, credited with being the numbers king in Ohio.

In the local headquarters adding machines and other electrical equipment worth \$23,000 was seized along with slips representing a big day. Only a small amount of cash was found.

Sheriff Walton Spahr's office, Prosecutor Shoup, with Patrolmen R. C. Grundish, E. E. Miller, R. E. Metzger and E. F. Lehman of the Dayton police department conducted the raid.

Suspects out on bond here are: Emma Smith, Lavada Jones, Martha Bayless, Mary Liggins, Mary Corbett, Anna Lynn, Oda B. Artis, Betty Kendel and William Daniel, all of Xenia, Several from Xenia, Wilberforce and Springfield were taken in the Troy raid.

OPERETTA BY H. S. IS TERMED A BIG SUCCESS

Playing before a good house on both Tuesday and Wednesday nights, "Don Alonso's Treasurer," an operetta presented by the high school, scored a smashing success. The musical production was under the direction of Mrs. Foster, local music instructor, and was given at the opera house.

With scene laid in Barcelona, Spain, the ancient house of Gonzalez had come to the end of its financial resources and Don Diego, head of the family was in a quandry as how to meet his debts.

When things looked the darkest he received a letter from the American millionaire, Ajax Wallop, announcing that he is coming to Spain to try to locate the lost treasure of the Gonzalez family, buried years ago by Don Alonso, an ancestor who emigrated to America because of political reasons.

Wallop is accompanied by his wife and daughter and admit to Don Diego that a treasure hunt is not the only reason for coming to Spain. Their most important reason is to separate their daughter, Elaine, from Billy McNoodle, but in the course of events Billy reaches her side, and all is well with the lovers and the Wallops and Diego's realize their own desires concerning the treasure.

The cast included: Kenneth Dailey, Agnes Schulte, Beverly Carzo, Vivian Ramsey, Donald Turner, Naomi Conner, Cletus Frederick, Betty Spence, Phyllis Bryant, Roger Charles and John Frey as the leading characters.

The Spanish peasants chorus was composed of Nancy Ferguson, Lois Printz, Lorrain Barger, Margie Bradfute, Clara Mossman, Sarah Swigart, Viola Ferguson, Rebecca Creswell, Kathleen Adams, Naomi Luse, Mary L. Stormont, Mildred Williams, Henry Beattie, Bill Bailey, Bill Purdon, Bill Fife, Roger Collins, Bill Heidron, Bob Coleman, Donald Chestnut, Bob Williamson, Bob Longabaugh and Albert Frederick.

Ann Huffman, Regina Stewart, Rita Corrigan, Ann Duvall, Janet Hull, Betty Richards, Roselyn Miller, Erma Glass, Barbara Koppe, Flora Nowell, Vera Thorndson and Eleanor Judy made up the American tourist chorus.

Programs were in charge of Vivian Ramsey and Nancy Ferguson. Jack Irvine was stage manager while Mr. Boyer had charge of the libretto.

FRIDAY, JANUARY 31, 1947

A LITTLE CLEANUP IS NEEDED

The county health commissioner was in town the early part of the week. His business in Cedarville was to see if something could be done about cleaning up the creek through the village.

He pointed out that it was not only a matter of health that it be cleaned up—but also one of civic pride. He said it could be a very beautiful spot, which every resident will agree with, but in its present condition it is a menace to the health of the community.

WHITEHOUSE LEADERSHIP LACKING

Almost daily conflicting reports emanate from the different departments of the Executive branch of the government. When it is not about taxes it is rent ceiling or sugar. Even the State Department has its out one day and then denied the next.

The latest mixup, and these affairs are within the ranks of the Truman administration and not the Congress and is over increase in rent control. Someone issued a statement that there would be a 10 per cent general increase in rents. The communists in the executive branch of the government went into a rage. Even the Phil Murray of the CIO let out a yelp while his gang of Communists are trying to hold up the steel companies for higher wages and lower prices on farm products.

If the government was never without a "head" it is suffering without a condition now. In fact Whitehouse leadership is so punitive that anyone that speaks out like a braintrust, or is often pointed out as a reactionary.

It now develops that President Truman took issue with former Secretary Byrnes over foreign problems and the latter resigned and was succeeded by George Marshall. Mr. Byrnes was in a trying role during his visit in Europe and in trying to handle Joe Stalin with silk gloves. Having inside knowledge of the many promises made to Russia during the war by the late FDR, Mr. Byrnes had to be diplomatic rather than abuse Stalin for fear he would expose to the world the inside treachery of FDR. This was a hard and burden some task for Mr. Byrnes. With Mr. Truman pulling at the Byrnes coat-tail for this and that and the Communists of the State Department prodding the White House, it was a genuine mixup dumped in Gen. Marshall's lap. Now we hear he is to reorganize but so far he has renamed two leaders of the old New Deal gang placed there by FDR.

Sec. Marshall has another problem on his hands that will be a test for his ability to serve, and that is the foreign trade agreements made first by Sec. Hull and continued by all his successors. Plenty of double dealing at the expense of our industries and farm interests.

Al Capone, Chicago gangster is dead. Probably no one in this country from the days of the "James Boys"

ever reaped as much tribute by thug methods or controlled as much of the illegal liquor business, or wielded as much power politically as did the Chicago gangster. His power grew under prohibition with the aid of highup Democratic politicians from Washington down to the head of the City government in Chicago. At one time Capone's wealth was fixed at a million. He owned breweries, distilleries, boats for hauling liquor from other countries and a fleet of trucks. In addition he is said to have owned more guns of every description, as well as powder and lead, than any militia in any state in the union. Those who opposed him died by the gun route with their "boots on". Capone could never have operated as he did without federal backing, at least in a political way. He knew this and always turned his forces behind the New Dealers in federal, state and municipal elections. These were the days when FDR said prohibition could not be enforced.

President Truman has asked former President Herbert Hoover to make a special investigation of food needs in Germany and to recommend what action the U. S. should take to fulfill its part in restoration of the people and eliminate starvation as it exists today. This is the second time President Truman has called on Mr. Hoover to investigate conditions in Europe. It is unusual that all the "brain-trusters" of the New Deal should be shelved and a Republican be called on for recommendation. The mess in Germany today is the result of New Deal bungling and graft at the expense of New Deal leaders in this country and the military in control of Germany. Letters coming back from wives of U. S. military men who are with their husbands say there is widespread starvation. Even Americans there need more food and better food at that. New Deal grafters in Europe and Washington are cashing in on your tax dollar.

The atomic bomb issue has the whole world upset. Who is to control the manufacture and use of such weapons of destruction is now causing hours of debate. What has happened in Canada with bribery of a legislator who divulged secrets to a Russian spy and the Russian communists in high office in our own government certainly means Stalin has about all the information he needs. If President Truman would clean out the Roosevelt "Benedict Arnolds" in high places he would be doing more than he has done as yet. The government is asking Congress to continue the manufacture of atomic bombs down in Tennessee. If the U. S. wants to eliminate sush bombs why keep on making them? The government is paying several thousand people salaries, giving them free rent light and heat in modern homes where these bombs are being made. Congress can cut off this financial support and help balance the budget. The retail price of milk in this section has dropped one cent a quart. A farm sale Saturday when ordinary cows sold for more than \$200 a head would indicate that buyers had not yet received the reduced wholesale price checks. With protein feeds increasing in price and everything the farmer must buy going up daily, someone is going to get caught in the squeeze that is

now on its way

The Green street parking controversy between Xenia City Commissioners and Greene county commissioners is causing as much commotion as the Osborn - Fairfield annexation controversy. With the Greene county commissioners holding the fort on the basis of no legal right for the city to take over the county property, as was done by a former board without record, the city commission must find new grounds for further action.

The proposition for the compromise offered some time ago by the county was turned down last week by the City commission. The county had asked for free parking space for county owned cars but the city refused. This was the basis of the present argument. The county last week suggested head-in parking on the East side of Green street with no parking on the West side but the plan was rejected.

The proposition for the compromise offered some time ago by the county was turned down last week by the city commission. The county had asked for free parking space for the county owned cars but the city refused. The county last week suggested a head-in parking on the East side of Green street with no parking on the west side but the plan was rejected.

We learn that former county commissioner Chester Jacobs now sits back and laughs at the various arguments. Mr. Jacobs refused to vote for the "gift" of county real estate when the city asked for it because it could not be a legal transaction. The street was widened on county property and now the circuit court has backed the county that no legal right existed in such a grant as was put through then. In as much as the city placed a new cement walk on county property this can now be taken over and widened on the space now a grass lawn and made a parking place for county cars, or such other cars as the commissioners might designate. Should this be done there would be no parking space for cars on the west side of Green street due to the narrowness of the street unless there was no sidewalk. Under the court decision the city can be compelled to vacate what is now the sidewalk and the county can do with its property as it pleases. The county claims that other county seat governments grant free parking space for all county owned cars. The city commission denies the use of the east side of N. Detroit street along the city hall to anyone other than city employees.

for services rendered by a Member of Congress.

One hundred and ten thousand civilian employees of the Federal Government will be dismissed between now and July 1, bringing the total remaining employees down to two million one hundred and seventy-six thousand by that date.

The last Congress passed legislation ordering the Government payroll cut to one million six hundred and eleven thousand employees by July, but sufficient legal loopholes were found to permit the spenders to keep some five hundred and sixty-five thousand additional people on the job.

Fess Presents Three Bills to Legislature

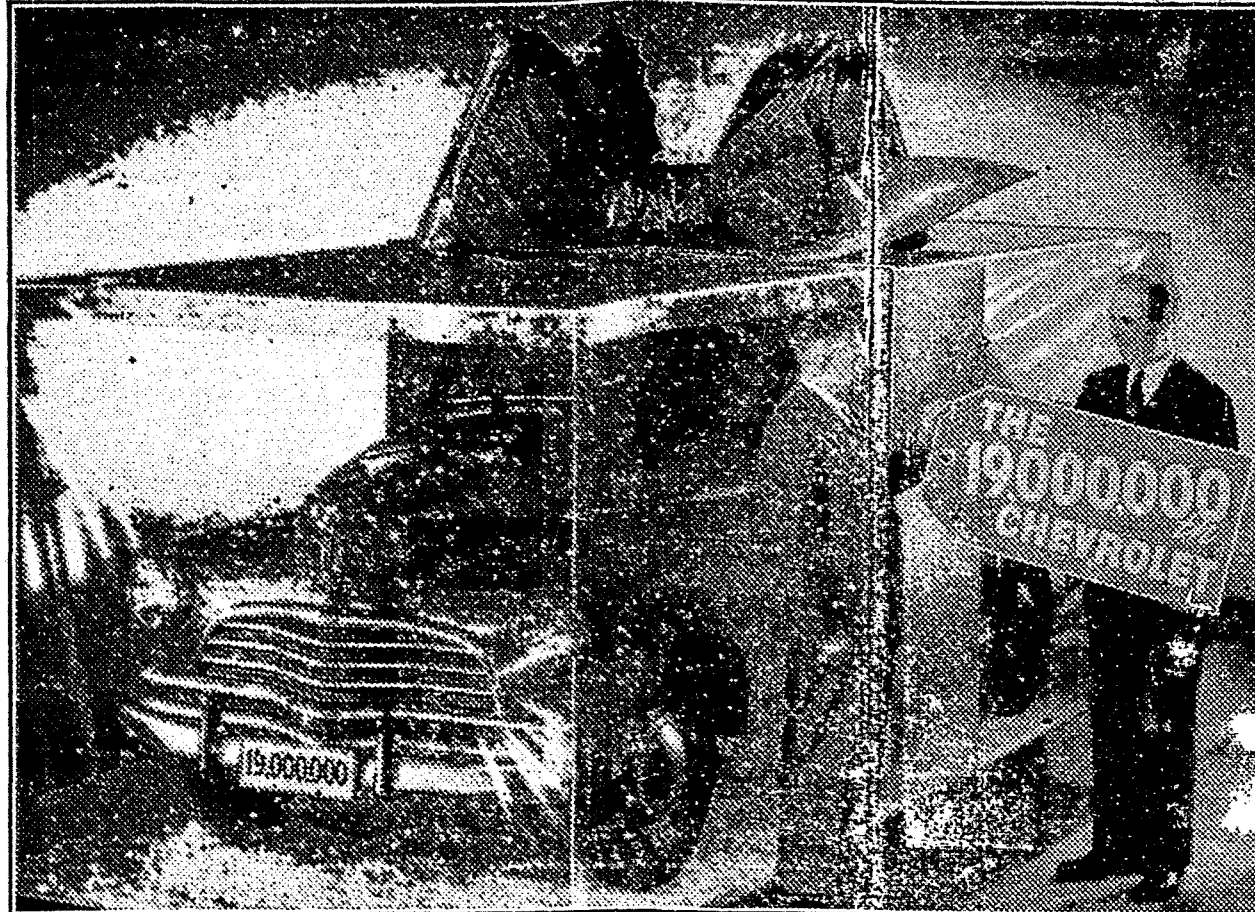

Lowell Fess of Yellow Springs, Greene County's representative in the Ohio legislature, who has been appointed vice chairman of the financial institutions committee, has introduced three bills.

One measure would limit the jurisdiction of marshals and deputy marshals, to make arrests without a warrant for misdemeanors, to within their territorial limits; a second relates to the compensation and expenses of common pleas judges on out-of-county assignments; and the third concerns proposed transfer of quail from the song bird list under the state department of conservation.

Milestone Car "Sealed in Cellophane"

An "orchid" among motor cars is this milestone model, the 19,000,000th Chevrolet built in the 35 years of the division's history. Production of this car early in December highlights the endeavor of automotive manufacturers of America to supply a car-hungry nation within the limits imposed upon the industry by current business conditions. Top-ranking executives of Chevrolet who "delivered" this welcome souvenir "wrapped in cellophane" are Nicholas Dreystadt (left), general manager, and T. H. Keating, general sales manager.

\$73.77 for the general fund for the three month operation.

Because of the allocation of the sales revenue to local governments, it may be necessary to revise the county budget at the end of six months.

Partial appropriations for the general fund were itemized as follows for executive offices: Comptroller, \$3,275.00; treasurer, \$3,950; prosecutor, \$1,665.94; board of revision, \$12.50; bureau of inspection, \$1,550, and other executive expense \$37.50 was made on a yearly basis and amounts to \$78,485, which includes \$54,000, the income from a one mill levy voted last November.

PEOPLE ARE ASKING THESE QUESTIONS ABOUT ARMY ENLISTMENT

Q. What educational benefits do I get under the GI Bill of Rights?

A. If you serve honorably on active duty for a period of 90 days, one day of which is served between September 16, 1940, and the date of termination of the present war, or you are discharged because of an actual service-incurred injury or disability incurred within that first 90-day period of service, you are, upon discharge, entitled to one year of education in the college, trade or business school of your choice for which you can qualify. In addition, each month of active duty, including the first three, prior to the termination of the war, entitles you to another month of post-service education, up to 48 months.
 Your tuition, laboratory fees, etc., up to \$500 per ordinary school year will be paid by the government. Also, you will receive \$65 a month living allowance; \$90 a month if you have dependents.

Q. What about family allowances?

A. For men enlisting or reenlisting now, family allowances will continue until six months after the war is officially ended.

Q. What are my chances of going overseas?

A. If you enlist for 3 years, you may select to serve in any overseas theater which has openings, especially Japan or Korea.

Q. Can I still choose the branch of service I want to serve in?

A. Yes. You can pick any branch which has quotas to be filled, if you enlist for 3 years.

Q. Is there any way I can reenlist in my old grade?

A. Yes, you can, if you reenlist for a 3-year term within 20 days after your honorable discharge.

Q. Is there any other way I can reenlist in grade?

A. Yes, if you held one of certain military occupational specialties, and were discharged on or after May 12, 1945, you can reenlist in a grade depending on the length of time you held the desired M. O. S.

What's BEHIND the Light Switch?

When you casually flip on the wall switch and flood an entire room with beautiful eye-saving light, did you ever stop to think of what's behind the electric switch to make this magic possible?

You know that concealed wires extend from the switch to the fuse panel and from this distribution cabinet to the meter through which electrical power enters your home. What is the source of this electric power? How is it harnessed and brought to your home for the thousand uses possible in a home adequately wired for modern electric living?

Tracing back along the path of electric power, you would be amazed at the giant transformers, the sturdy transmission lines, the powerful generators producing the current distributed to The Dayton Power and Light Company customers.

Consider the highly trained, experienced engineers, the hundreds of other skilled workers in all departments—the investment required to put each employee to work—so that you may have electric light and power service at your finger tips. That's what's behind the light switch!

The cost to you is only a few pennies a day. Electric living now costs less than ever before, with new low electric rates. Because your electric penny buys more, you get more for your money and can enjoy the advantages of electric living to a greater extent than ever before. In fact, it's today's biggest bargain, your best-value in comfort and convenience for the whole family.
