From the Executive Director...

NATIONAL CHRISTIAN COLLEGE ATHLETIC ASSOCIATION

On behalf of the NCCAA and the Board of Directors, I welcome you to the NCCAA Cross Country Championship. It is exciting for all of us to have these institutions from across the United States at Cedarville University to compete in this National Championship.

This event is just one of our 20 national championships and four invitationals sanctioned by the NCCAA. Over 13,000 student-athletes and 113 institutions make up the NCCAA and this event is an important part of our Association.

Congratulations to each student-athlete and coach who participates in this cross country championship. Your participation in this tournament setting certainly represents many weeks of dedicated time and work. It is also a statement that you stand for the Lord while you compete.

The NCCAA thanks Jeff Bolender and Paul Orchard, cross country coaches at Cedarville University, for their excellent leadership in organizing and administrating this fine event. I am also very grateful for the time and dedicated work of the NCCAA Cross Country Committee and its chairperson, Ryan Sommers, cross country coach at Bethel College.

Sincere appreciation goes to Dr. Alan Geist, Athletics Director, and Dr. Bill Brown, President, of Cedarville University, as well as their administrative colleagues, for their willingness to host a tournament of this magnitude.

The NCCAA is simply about using intercollegiate athletics to serve the Great Commission. Events such as this help showcase that effort and we trust each of you will experience the NCCAA at its finest this weekend

Sincerely,

A handwritten signature in cursive script that reads "Dan Wood".

The Elvin R. King Cross Country Course

A new era began in Cedarville University cross country with the opening of the Elvin R. King Cross Country Course. The venue was dedicated and named in honor of CU's Hall of Fame coach during Homecoming Weekend on Oct. 7, 2006.

The new home site, located at the north end of the campus just east of State Route 72, was constructed on 150 acres of property and was designed and built under the direction of former athletic director Pete Reese and King. Athletes run entirely on a grass course that includes rolling hills.

This unique venue, which meets all of the NCAA requirements for a cross country course, hosted its first meet on Sept. 16, 2006 with the 16th Annual Cedarville Invitational. Nearly 1,000 runners participated in eight races and both Yellow Jacket teams won the first-ever college races on the course.

The site annually hosts the Cedarville Open and continues to be the setting for the National Christian College Athletic Association Championships each November. Besides the high school and junior high competitions in the Friendship Invitational, the Ohio Heritage Conference has staged its championship meets on the course.

The primary cross country courses are the 5,000 meter layout for women and the 8,000 meter course for men. There is also a 3,200-meter course for junior high competition.

The Yellow Jackets called John Bryan State Park as its cross country home for the better part of four decades. The beautiful site served as host of the NCCAA Championships from 1978 through 1992 and again from 1995 through 2005. It also hosted the annual Cedarville Invitational, the NAIA District 22 Championship, the Mid-Ohio Conference Championship, the American Midwest Conference Championship, and a number of high school meets.
