CEDARVILLE

Academic Calendar 2004-05

FALL SEMESTER 2004

August 2004

- 9-10,13 New Faculty Orientation
- 11-12 Faculty/Staff Sessions
- 12 President's Faculty/Staff Banquet
- 20-22 Getting Started Weekend
- 23-26 Fall Bible Conference
- 25 Instruction begins at 8:00 a.m. (Convocation)

September 2004

- 6 Labor Day (*no classes*)
- 22 Day of Prayer (*classes begin at 1:00 p.m.*)
- 29-30 Trustee Meetings

October 2004

- 1-3 Homecoming
- 14-17 Fall Break (*no classes*)
- 18 Instruction resumes at 8:00 a.m.
*Advising and Early Registration for
Spring Semester 2005:*
- 26-27 Seniors
- 28-29 Juniors

November 2004

- Advising and Early Registration for
Spring Semester 2005:*
- 1-3 Sophomores
- 15-17 Freshmen
- 5-6 Parents Weekend
- 8-12 Student Evaluation of Faculty
- 24 Thanksgiving Vacation begins at 1:00 p.m.
- 30 Instruction resumes at 8:00 a.m.

December 2004

- 7 President's Faculty/Staff Family Banquet
- 14-17 Final Exams
- 22 Grades due at 4:00 p.m.

SPRING SEMESTER 2005

January 2005

- 10 New Student Orientation & Registration
- 11 Instruction begins at 8:00 a.m.
- 11-13 Missions Conference
- 20-21 Trustee Meetings
- 20 Trustee/Faculty Banquet

February 2005

- 23 Day of Prayer (*classes begin at
1:00 p.m.-Monday Schedule*)

March 2005

- 7-14 Spring Break
- 15 Instruction resumes at 8:00 a.m.
*Advising and Early Registration
for Fall Semester 2005:*
- 17-18 Seniors
- 21-22 Juniors
- 23-25 Sophomores
- 29-31 Freshmen
- 25 Easter Break begins at 1:00 p.m.
- 29 Instruction resumes at 8:00 a.m.

April 2005

- 1 Grandparents Day
- 4-8 Student Evaluation of Faculty
- 11 Academic Honors Day

May 2005

- 3-6 Final Exams
- 5-6 Trustee Meetings
- 7 109th Annual Commencement
- 12 Grades due at 1:00 p.m.

SUMMER SESSION I

May 2005

- 16 Orientation and Registration
- 17 Instruction begins

June 2005

- 3 Summer Session I ends

SUMMER SESSION II

June 2005

- 13 Orientation and Registration
- 14 Instruction begins

July 2005

- 8 Summer Session II ends

2004-05 Academic Catalog

A Baptist University of Arts, Sciences, and Professional Programs
Established in 1887

The Cedarville University Catalog is published annually by the Admissions Office. While every effort is made to provide accurate and up-to-date information, the University reserves the right to change, without notice, statements in the catalog concerning policies, fees, curricula, course offerings, and other matters.

Printer: *Globus Printing*, Minster, Ohio

A Word From Our President, Dr. Bill Brown

Thank you for your interest in Cedarville University!

This catalog is designed to answer many of the questions you may have about us. Please read it carefully. I also invite you to visit our campus to see for yourself why Cedarville is such a popular university among committed Christian young people today. We would love to have you join us and prepare for your life's career and ministry in this dynamic learning environment.

Christians have countless opportunities to serve Christ through business, medicine, law, engineering, education, the pastorate, missions, public office, counseling, and many other professions. At Cedarville, we strive to challenge you in pursuing a heart for God, forming a mind for truth, making friends for life, and committing to service for eternity. We want you to be both a committed Christian and a competent professional so that you can make a difference in this world for Jesus Christ.

I believe that you will be particularly impressed with the people who make up Cedarville University. Our faculty, staff, and administrators are here to teach you and to serve you in many different roles and also to encourage you to grow in Christ. They will demonstrate a sincere concern for your growth—intellectually, physically, emotionally, socially, and spiritually. You will find we really are family.

A Cedarville education combines the personal attention of godly faculty with a high-tech environment that commands national attention. For 117 years Cedarville University has offered Christian higher education consistent with biblical truth. We stand ready to help prepare you to serve our unchanging Christ in this millennium.

History

Cedarville College was established on January 26, 1887, through the vision of five godly men who dreamed of a college that would provide Christian young people with an education that was offered within a spiritual framework. Affiliated with the Reformed Presbyterian Church, the College attracted many area students and built its first building, "Old Main," now called "Founders Hall," in 1895. Year after year, Cedarville attracted a record number of students and soon gained a reputation not only for its Bible teaching but also for its liberal arts program.

The turbulence of the first 50 years of the 20th century led to hard times for the College. Following World War II and one final attempt at revitalization, the trustees realized that the enrollment could not support expenses. The College would either have to find another church group to assume its operation or close its doors.

At that time the trustees of the Baptist Bible Institute of Cleveland, Ohio, were seeking a campus on which to expand. Hearing of Cedarville College, they visited the campus and were convinced that Cedarville was the site that God had chosen for their school. Upon mutual agreement by both trustee boards, ownership of the College was transferred on April 4, 1953. Cedarville College became a Baptist college of arts and sciences. James T. Jeremiah, the pastor who first suggested the Baptist Bible Institute-Cedarville College connection, was called to be the College's president.

Soon the College was alive and flourishing. By 1959, the enrollment had grown to 255. Faculty, staff, and facilities were added. Six years later the student body had nearly tripled to 763. By the end of Dr. Jeremiah's 25-year tenure as president in 1978, the College's enrollment had grown to over 1,200 students.

Paul Dixon was then called to lead Cedarville College. Through his leadership, the College has continued to flourish in every area, with nearly 3,000 students, more than 100 programs of study, and many new facilities.

In April of 2000 the Board of Trustees voted to change the designation of the institution from college to university effective September 1, 2000. The future looks bright for Cedarville University as it seeks God's continued blessing and enters its 116th year of service.

Profile

Cedarville University is a Baptist university of arts and sciences. Since its founding, Cedarville has coupled a balanced liberal arts program with a conservative theological position in regard to doctrine and patterns of conduct. All classes are taught by dedicated Christian professors who integrate the knowledge of their respective fields with biblical perspectives.

In keeping with the liberal arts concept, the undergraduate curriculum centers on a basic program of general studies including biblical education, communications, global studies, humanities, physical education, science and mathematics, and the social sciences. Following this program, students choose a major field of concentrated study related to their abilities, interests, and career goals. Upon completion, students receive the baccalaureate degree. The University also offers graduate course work.

Purpose

The purpose of the University has remained unchanged: to offer an education consistent with biblical truth. To achieve this purpose the University seeks to accomplish the following objectives:

1. To undergird the student in the fundamentals of the Christian faith and to stimulate each student to evaluate knowledge in the light of scriptural truth.
2. To encourage growth in Christian character in each student and to help the student accept responsibility in faithful Christian service.
3. To increase each student's awareness of the world of ideas and events that are influencing our contemporary culture and to prepare each student to participate knowledgeably in our society.
4. To enable each student to develop sound critical and analytical reasoning.
5. To provide sufficient opportunities for each student to practice the skills of communication.
6. To offer opportunities for academic specialization and preparation for graduate study and to assist each student in selecting and preparing for a vocation.
7. To foster each student's appreciation of and participation in wholesome avocational and cultural activities.

Recognition, Accreditation, and Licensure

Cedarville University is a four-year and graduate degree-granting institution chartered by the state of Ohio and certified by the Ohio Board of Regents. The University is approved by the State Department of Education for the education and licensure of teachers. The Bachelor of Science in Nursing degree is accredited by the Commission on Collegiate Nursing Education (CCNE). The Bachelor of Science in Mechanical Engineering degree and the Bachelor of Science in Electrical Engineering degree are accredited by the Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology (EAC/ABET). The Bachelor of Science in Social Work program is accredited by the Council of Social Work Education (CSWE).

The University holds membership in the North Central Association of Colleges and Schools, 30 North LaSalle Street, Suite 2400, Chicago, Illinois, 60602-2502, phone 312-263-0456. This recognition signifies that the University is accredited.

The University also holds membership in the Council for Christian Colleges and Universities, the Ohio College Association, the Association of Independent Colleges and Universities of Ohio, the National Association of Independent Colleges and Universities, the Association of Christian Schools International, and the Ohio Foundation of Independent Colleges.

Information concerning accrediting agencies and respective accreditation requirements is available in the Office of the Academic Vice President.

Introduction

University Profile

The Setting

Cedarville University is located on 400 acres at the north edge of the village of Cedarville, Ohio, a quiet town with a population of approximately 3,000. Founded in 1816 at the junction of two state routes, the village and its surrounding area have long provided a wholesome environment for learning.

This pleasant setting continues today. "Downtown Cedarville" features the historic Cedarville Opera House, two banks, haircutting establishments, a few restaurants, the ever-helpful Cedarville Hardware, and a coffee shop where many students like to relax and socialize with friends. Massie's Creek and an adjacent park offer hours of recreation, adventure, and reflection within a mile of the University.

Rolling hills and prospering farms border the village and University. This beautiful area, which extends westward to John Bryan State Park, has been recognized as one of the most scenic in the Midwest and serves as a popular spot for students to relax.

Cedarville University is conveniently situated within easy access to shopping areas in the small cities of Xenia and Springfield. The University lies in the center of a triangle formed by three interstate highways, I-70, I-75, and I-71, and thus enjoys quick access to Columbus, Dayton, and Cincinnati. These metropolitan areas offer fine dining, professional sports teams, concerts, and employment opportunities.

Facilities

Alford Hall

Initially built as a church in 1853 and renovated by the University in 1903, Alford Auditorium has served the University in several capacities, such as a gymnasium, chapel, and theatre. The building with its new annex now functions as classrooms and faculty offices.

Apple Technology Resource Center

The Apple Technology Resource Center was renovated in 1998 to further strengthen Cedarville's position as a national leader in instructional technology. The 24,000 square foot facility houses four general classrooms, a 40-station general usage computer laboratory, a video conferencing center, a computerized testing room, student lounges and 17 offices. New electronic media facilities have been added in 2004. These include four studios: a recording studio outfitted with a Mackie D8B and 2496 hard disc recording system; a television studio/control room equipped with three digital video cameras and "green screen" wall; a broadcast studio; and an audio computer studio.

Athletics and Recreation Complex

This complex features the Callan Athletic Center, Doden Field House, Fitness Center, and University Medical Services and provides space for academic programs in the Department of Exercise and Sport Science as well as fitness and recreational activities.

Callan Athletic Center

Constructed in 1981, the Callan Athletic Center provides year-round recreation and training. This sports center features three full-length basketball courts, five volleyball courts, eleven badminton courts, and the athletic training facility. It seats nearly 3,000 fans for basketball games. The newly renovated second floor, opened in January 2003, includes the varsity room, six new classrooms, an exercise science lab, and office space for faculty and coaches in the School of Health and Human Performance.

Doden Field House

The largest section of the complex is the Doden Field House, added in 2003. This 60,000 square-foot area houses four courts that can be used for indoor soccer, basketball, volleyball, and other sports. It also includes three batting cages, a 200-meter track, and bleachers to seat 1,000 spectators. This track is used for individual walking and jogging as well as full indoor track meets.

Fitness Center

Also added in 2003, the fitness portion of the complex is an open, inviting area. A climbing wall, reaching 40 feet in height, captures the attention of all who enter. This fitness area provides a significant number of cardiovascular machines, free weights, and other exercise equipment. Students can also enjoy a room for aerobic classes and workouts, three racquetball courts, and a vending and lounge area. Several staff offices and a storage area for outdoor recreation equipment are also located in the Fitness Center.

University Medical Services

Another section added to the complex in 2003 is University Medical Services, which provides ambulatory health care with a staff that consists of physicians and College Health Certified registered nurses. University Medical Services offers many health care services such as preventative care, illness care, wellness education, over-the-counter medications, allergy injection management, laboratory services, prescription medications, rehabilitation treatment, and an insurance claim service.

The Dixon Ministry Center—the heart of the campus.

CDR Radio Network Center

This facility houses the CDR Radio Network, the University's radio ministry. Listeners worldwide "tune in" to CDR through a Real Audio Internet broadcast from the university website. A listener-supported ministry, the network offers a quality mix of praise and inspirational Christian music, Bible-centered programming, and up-to-date news and information.

Centennial Library

The 66,000 square-foot, two-story library served as the cornerstone of the University's 1987 centennial celebration. This structure brings together the latest technologies for higher learning and provides general study and specialized seating for over 800 students. Designed to house a collection of up to 250,000 volumes, the library also contains the media resource center, the instructional technology assistance service, the curriculum materials center, computer and media-supported

classrooms, a variety of individual and group study facilities, and the university archives.

The library presently houses over 180,000 volumes and provides almost 1,000 periodical subscriptions in print form and over 5,600 subscriptions in full-text computer format. As a member of OhioLINK, a cooperative of 84 institutional libraries, students and faculty have access to more than 8,000,000 unique titles in a centralized computer catalog. In addition, through an online computer network, OCLC, the library has access to approximately 50,000,000 books and other library materials in over 46,000 libraries in all 50 states, Canada, and many foreign countries.

Collins Hall

Renovated in 1987, Collins Hall houses the academic departments of Communication Arts and Social Sciences and History.

Dixon Ministry Center

The 120,000 square-foot Dixon Ministry Center, completed in 1996, includes the Jeremiah Chapel, the Christian Ministries Division, the Department of Music, and several classrooms.

The 3,400 seat chapel is the site of daily chapel services that bring the university family together daily for worship and instruction from God's Word. This auditorium features a 9-foot Steinway grand piano and a Rodgers 960 organ.

The music department facilities include 14 instructional studios, 20 practice rooms, 4 rehearsal halls, a piano pedagogy suite, a piano laboratory, a computer laboratory, 3 specialized classrooms, a large conference room, and a beautiful 250-seat recital hall.

Engineering, Nursing, Science Center

This facility demonstrates the University's firm commitment to providing a quality Christian education in the sciences. This 95,000 square-foot, three-story academic center contains 11 classrooms, including a 200-seat auditorium, 10 independent study laboratories, 5 conference rooms, 36 discipline-specific laboratories, 50 offices, and several lounges. The building also contains a 40-station general use computer laboratory and features video and data connectivity in all offices, classrooms, and laboratories. Special features include three computer-equipped classrooms, a reflecting telescope with a 16-inch mirror, an audio visual learning laboratory, a simulated hospital ward, and an engine test cell.

Fine Arts Center

Located two blocks south of the main campus, this stately structure, donated by Andrew Carnegie, supports Cedarville's art program with a classroom, general art studio, photography darkroom, ceramics studio and kiln, and faculty offices.

Founders Hall

"Old Main" has served as the focal point of campus activity for over 100 years. This historic facility was renamed Founders Hall on Centennial Charter Day, January 26, 1987. Today this stately structure serves as Cedarville's administrative and academic headquarters with offices for the president, academic vice president, and Bible Department faculty.

Human Resource and Safety Center

Following its renovation in 2001, the Human Resource and Safety Center houses the administrative offices of Human Resources, Campus Safety, and the Copy Center.

Milner Business Administration

Opened in 1987 and featuring the latest in instructional technology, the George Milner Business Administration Building contains ten general classrooms, a computer classroom, and offices for the Department of Business Administration.

Patterson Hall

Formerly the home of the University's Clinic, Patterson Hall now provides office space for the Department of Communication Arts.

Stevens Student Center

This student-friendly facility houses the dining hall, snack shop, bookstore, six classrooms, general computer lab, post office, game room, student radio station, Career Services Office, theater, and student government. The 150,000 square-foot building is also the home of the Admissions, Financial Aid, Academic Services, Counseling, Student Services, and Campus Activities Offices.

The main cafeteria serves 21 "all-you-can-eat" meals a week. Students have the option of choosing either the full 21-meal plan or the 14-meal plan. The President's Dining Room features formal dining in an elegant setting. Used by the University's president, it may also be reserved by students who wish to enjoy a formal dining occasion.

The bookstore endeavors to provide students with the materials necessary to enjoy a successful college experience. It offers everything from sweatshirts to textbooks and greeting cards to Christian music.

The theatre complex includes a 400-seat theater, movement studio, makeup suite, scene design lab, scene shop, offices, and dressing rooms. The theatre has a 36' by 18' proscenium arch, 38 lines with full fly space, and a Gala electronic lift system for the orchestra pit.

The Stevens Student Center, opened in the fall of 2000, is the central focus of campus life.

Tyler Digital Communication Center

This newly renovated facility includes a graphic design lab, writing center, multimedia lab, classrooms and offices. Offices for Alumni, Public Relations, Development, and Computer Services are also located in this building.

Williams Hall

Providing classrooms and offices, Williams Hall serves as the home of the academic departments of education, language and literature, and psychology.

Introduction

Computer Network

Computer Network

Cedarville University is known nationally as a leader in campus computer networking and instructional technology, providing networked computers in each of the residence hall rooms, laboratories, and offices. One of the major advantages to CedarNet is that students have access to over 150 commercial software packages directly from the residence hall rooms, without needing to go to a specialized laboratory.

CedarNet is a winner of the CAUSE Award for Excellence in Campus Networking. This prestigious national award recognizes colleges and universities that exemplify best practices in campus networking in higher education.

Equipment

The network features Pentium or AMD computers with 512MB RAM, hard disk drive, DVD/CD-RW drive, USB ports, Ethernet interface, and monitor. In addition, each networked residence hall room contains an inkjet printer. All laboratories offer high-quality laser printers and flatbed scanners. The library computer laboratory also features color printers, digital cameras, and other specialized equipment. Internet access is supported through the use of a DS-3 line. Cedarville is a participant in Internet 2, which means that Internet traffic goes over the fastest-available connections. Each residence-hall room has two 100Mbps network connections, for use by the university-provided computer and for student-provided systems.

Access

All students living in a residence hall benefit from 24-hour access to the network. Residence hall computers are replaced on a three-year cycle so that students always have current technology available. To enable students to take further advantage of the network, public laboratories, with a total of 150 stations, are conveniently open to on- and off-campus students.

Wireless network access is provided in most classroom areas, co-ed lounges, and in large gathering areas such as the Centennial Library, the Stevens Student Center, and the Dixon Ministry Center. Students are also allowed to provide their own wireless access in the residence hall rooms.

Computers in every residence hall room provide 24-hour access to CedarNet, the award-winning campus computer network.

Benefits

Students using the network can:

- Communicate electronically on campus with professors, friends, and classmates, or with friends and family around the world.
- Manage, display, and analyze data using spreadsheet, statistical, and database software.
- Search library holdings for personal and class research projects, papers, or presentations, even when the library is closed.
- Access their course schedule, college transcript, or business office account.
- Learn to use the network through online tutorials and training seminars for commonly used software applications.

Technology Advisory Council

The Technology Advisory Council consists of corporate leaders and professionals representing a variety of technology-oriented businesses. Annually, these experts advise the University and evaluate its plans for further strengthening Cedarville's position as a leader in instructional technology.

Dr. Eugene Apple, General Electric Corporation, retired

Mr. George Chessum, Resurrection Health Care

Mr. David Cossey, Union College

Mr. William Dyer, National City

Mr. Aaron Fessler, mediaForce, Inc.

Mr. David Whitten, General Motors

Dr. Michael Zastrocky, Gartner Group

Technology is incorporated into many class assignments and projects, simulating real-world experiences.

University Services

The University recognizes the importance of providing our students with a high level of support and provides a full range of student services including career services, counseling, and a strong orientation program for new students.

Career Services

The Career Services Office seeks to assist students in determining their God-given skills and interests. Assessment tools are available to help students translate abilities, values, and aspirations into a plan of action for sound career/ministry decisions.

Career Services provides materials for job-search techniques, resumé writing, interviewing, and gaining admission to graduate school. Interest inventory tests and a computer-assisted career development program are available to help students in determining majors and occupations. In addition to a career library, the career services home page (www.cedarville.edu/career) links to the very latest in network-based job search programs, guides to major employers, and directories for graduate schools.

Career Link Days are held each year to provide an opportunity for prospective employers to meet with students. Potential employers also visit the University for individual on-campus recruiting days. Video conferencing is available for employer/student interviews.

Students who register with the office are placed in a job-match database that enables Career Services to provide resumés to employers and publish them on the Internet. The office maintains credential files for all education majors and provides registered seniors and alumni with a reference/credential service.

Career Services Advisory Board

The Career Services Advisory Board consists of professionals from nonprofit and for-profit sectors, other college career offices, and graduate school programs. Annually the board meets to advise and evaluate Cedarville's plans for further strengthening the career and ministry placement services.

Thad Winston, The State Farm Insurance Companies

Myron L. Youngman, The Kaifa Group, Incorporated

Counseling Services

The Counseling Services Office provides a place where students can find understanding, encouragement, and counsel as they deal with personal, interpersonal, and spiritual concerns.

Support groups are formed as needed. This service, for which students pay no additional charge, is offered by appointment. In the case of a crisis, the service is provided as needed.

In addition, the vice president for Christian ministries, faculty members, and staff members provide counsel and guidance to students. Faculty advisors are particularly prepared to assist students in program and course selection.

Healthcare and Medical Services

The nurses and physicians at Cedarville University Medical Services work closely with area hospitals and specialists to provide comprehensive health care for students.

phone: 937-766-7862; fax: 937-766-7865

web: www.cedarville.edu/dept/ums

e-mail: univmed@cedarville.edu

The services of University Medical Services also include Cedarville University Emergency Medical Services, a volunteer EMS ambulance service manned with students who are nationally certified EMT's and/or paramedics. CUEMS is available 24 hours a day when classes are in session to respond to campus emergencies (www.cedarville.edu/dept/ums/cuems).

All students taking six or more credit hours per semester are enrolled in a Student Health Insurance Plan as a benefit of tuition. Students taking less than six credit hours may purchase the Student Health Insurance Plan. Married students may also purchase the Student Health Insurance Plan for their spouse and dependants. Refer to the Student Health Insurance Plan brochure for details of the coverage, or visit our website.

phone: 937-766-7864; fax: 937-766-3646

web: www.cedarville.edu/dept/ums

e-mail: stuhealth@cedarville.edu

CUEMS volunteers are prepared to respond to a campus emergency 24 hours a day.

Housing

Residence hall living is an integral part of the educational process at Cedarville. All single students 23 years of age and under, except those commuting from the home of their parents or legal guardian, are required to live in university residence halls. Students 25 and older must secure off-campus housing.

Approximately 80% of the student body lives on campus in university housing. Men and women are housed in separate residence halls. All offer convenient laundry and lounge areas and house just two students per room. Each room is fully furnished and "phone ready," permitting students to dial and receive calls directly. Every residence hall room is equipped with a networked computer and printer.

Housing assignments are made by the Student Services Office. Upperclassmen who have paid reservation fees are given priority for reserving rooms. New students are assigned rooms after they have been admitted and have submitted their reservation deposits. Complete information concerning residence hall staffing, furnishings, and policies is found in the student handbook at www.cedarville.edu/studenthandbook. A student handbook will be mailed to new students prior to their arrival on campus.

Married students may find housing at Cedar Park, a university-owned apartment complex, or in one of many area apartments.

Introduction

University Services/Chapel

New Student Orientation

At the start of each semester, new students are provided with opportunities designed to facilitate adjustments to their new surroundings. The program includes orientation for parents. Special interest sessions, question and answer times, small group meetings, and social activities provide opportunities to adjust to a new environment. Placement testing may be required during orientation.

Vehicles

Freshmen with grade point averages of 2.5 or higher may bring motor vehicles to the University after their first semester. Sophomores, juniors, and seniors must maintain a 2.0 cumulative grade point average to retain the privilege of having a motor vehicle at the University. All motor vehicles must be registered with the Campus Public Safety Office.

Chapel

Dr. Dixon, Cedarville's chancellor, has said many times, "The heartbeat of every Christian college/university is chapel."

Five days a week the Cedarville family and guests meet in the 3,400-seat James T. Jeremiah Chapel. At 10:00 a.m., the auditorium comes alive as the university family laughs, cries, sings, prays, and worships together. It is a place to connect as a strong family does.

Speakers from far and near grace the chapel platform to inspire and challenge. People like Dr. David Jeremiah, Dr. Joe Stowell, Alistair Begg, Knute Larsen, Jim Cymbala, and Dr. Warren Wiersbe, just to name a few, bring messages from God's Word.

Alumni often speak of chapel as being one of the things they miss most after graduation. Many return to be able to sit in on one more chapel experience.

Student Life

Cedarville seeks to maintain a culture that reflects the values of the kingdom of heaven and the spirit of Jesus Christ. The student life program is designed to support this kind of environment and to contribute to each student's growth intellectually, spiritually, socially, and physically. In each of these areas the university recognizes the relevancy and authority of the Bible and accepts it as the final authority for faith and practice. Core values that shape culture include love for God, love for neighbors, excellence in effort, and integrity in conduct.

Spiritual Emphasis

The University desires that each student grow in his or her relationship with Christ. Consequently, students are urged to regularly practice spiritual disciplines including worship, prayer, and Bible study. Daily chapel services provide spiritual encouragement and enrichment. Additionally, all students are required to maintain regular worship at a local church and to engage in other activities that enhance their spiritual formation.

Opportunities for worship include the Cedarville University Fellowship, which meets in the university chapel, as well as numerous churches within easy driving distance of Cedarville.

Spiritual growth is further encouraged through student prayer groups that meet regularly to pray for special needs. One day each semester is set aside as a "Day of Prayer," a time when the entire university family gathers to pray together.

Community Covenant

Cedarville recognizes and values the Bible as an authoritative guide for how Christians should live. It also recognizes that God uses community and relationships with other believers to encourage growth. The Cedarville family believes that behavior,

as individuals and as a community, should bring honor to God and reflect obedience to His Word. At the beginning of each year all students are asked to affirm their desire to abide by the following Community Covenant:

- We covenant together to express our love for God through our obedience to the authority of His Word, our practice of spiritual disciplines, and regular expressions of worship and Christian service.
- We covenant together to express our love for others through acts of kindness, wholesome and uplifting speech, redemptive expressions of confrontation and forgiveness, merciful acts to those in need, and loving proclamation of the Gospel.
- We covenant together to be people of integrity and self-control, truthful in our speech, honest in our conduct, and morally pure in both thought and action.
- We covenant together to pursue excellence in all that we do as an expression of our gratitude to God and desire to be good stewards of all God's gifts, including our talents, time, and resources.
- As members of this community, we voluntarily submit ourselves to all of the guidelines in *The Cedarville Experience* and agree to uphold them with integrity and honesty.

The student handbook, *The Cedarville Experience*, is designed to help each student be successful academically, spiritually, and socially. It includes specific prohibitions to behaviors that are either sinful or harmful to this community, such as sexual immorality, use of alcohol, tobacco, or illegal drugs, and racial or sexual harassment. It also outlines some of the values that define and shape the culture here, including a simple dress code that seeks to remind students to dress and behave modestly and to take their academic work seriously. *The Cedarville Experience* can be accessed online at www.cedarville.edu/studenthandbook.

Co-Curricular Opportunities

A wide variety of co-curricular activities are available for students, regardless of major. For information on the following, please see catalog sections as noted:

Debate—Dept. of Communication Arts, pg 64
Drama—Dept. of Communication Arts, pg 64
Engineering Competitions—Dept. of Engineering, pg 90
Forensics—Dept. of Communication Arts, pg 64
Math Club—Dept. of Science and Mathematics, pg 160
Miriam Maddox Forum—Dept. of Communication Arts, pg 64
Student Radio Station—Dept. of Communication Arts, pg 64

Music Groups

Students with musical abilities may utilize their talents in any one of a number of musical groups. Membership in any of these musical groups is typically determined through auditions, which occur during "Getting Started" weekend.

Instrumentalists may participate in the Symphonic Band, Brass Choir, University Orchestra, Jazz Band, Flute Choir, Yellow Jacket Pep Band, or various chamber ensembles.

Vocalists may sing with the Concert Chorale, Men's Glee Club, Women's Choir, University Jazz Singers, Jubilate ministry choir, Gospel Choir or one of the many small ensembles directed by the Division of Christian Ministries.

Intercollegiate Athletics

Cedarville University maintains intercollegiate competition for men in baseball, basketball, cross country, golf, indoor and

outdoor track, soccer and tennis. Intercollegiate sports for women include basketball, cross country, indoor and outdoor track, soccer, softball, tennis, and volleyball. Cedarville is a member of the American Midwest Conference, the National Association of Intercollegiate Athletics, and the National Christian College Athletic Association.

Students interested in participating on an intercollegiate athletic team should contact the Admissions Office or the respective coach. A limited amount of athletic financial aid is available for outstanding athletes.

Campus Activities

The Campus Activities Office provides a program of cultural, social, educational, and recreational activities. Programs include Christian concerts with groups like Newsboys, Jars of Clay, the Elms, and Point of Grace; cultural programs; musical specialists; talent nights; all-school parties; special interest trips; retreats; topical discussions; and guest speakers. Involvement in campus organizations, provides additional opportunities for learning and social interaction.

Organizations

Student Government Association exists to provide a means by which the student body can express their thoughts and desires to the administration. SGA also orchestrates activities, chapels, organizations and leadership opportunities for the benefit of the student body.

Academic/Professional Organizations

American College Health Association is the principle advocate and leadership organization for college and university health. The organization provides education, communication, products, and services, as well as promotes research and culturally competent practices to enhance its members' ability to advance the health of all students and the campus community.

American Society of Mechanical Engineers is a student chapter of the American Society of Mechanical Engineers, promoting practical experience and professional development.

Association of Information Technology Professionals provides management information systems, computer information systems, and computer science majors with opportunities to network with AITP members and learn about information systems careers through seminars and computer-related activities.

Institute of Electrical and Electronics Engineers is a branch of the Institute of Electrical and Electronics Engineers, which exists to promote technical and professional growth among electrical engineering students.

Music Educators National Conference is the University's student chapter of Music Educators National Conference for music majors and others involved in pursuing a music teaching program.

Society for Technical Communicators promotes the purposes and services of technical communication systems.

Society for Women Engineers

Society of Automotive Engineers provides its members opportunities to gain broader insight into the engineering profession.

Society of Engineers Aiding Missions has as its mission to educate, equip, and engage engineers in the cause of world missions.

Society of Human Resources Management is an organization for students interested in human resources and labor relations.

Students in Free Enterprise is an organization that provides our students the opportunity to make a difference and develop

leadership, teamwork, and communication skills through learning, practicing, and teaching the principles of free enterprise.

Academic/Honor Organizations

Alpha Beta Phi is Cedarville's chapter of Alpha Psi Omega, the national honorary theatre organization, and seeks to promote awareness and appreciation of the theatre arts on campus. Membership is open to all majors and is based on meeting national criteria for dedication to and excellence in stagecraft.

Alpha Kappa Delta is an English Honor organization that recognizes outstanding students in the English program.

Epsilon Omega is a local chapter of Phi Alpha Honor Society, the National Social Work Honor Society, committed to promoting a high standard of education for social workers.

Omega Mu is the Cedarville University chapter of Pi Sigma Alpha, the National Political Science Honor Society. The goal of this honor society is to promote the scholarly investigation of politics and to assist its members in developing their leadership potential in their sphere of influence.

Tau Beta Pi is a Cedarville University Engineering Honor Society, which recognizes junior and senior engineering majors for outstanding scholastic achievement combined with a strong Christian character.

Tau Delta Kappa provides an opportunity for fellowship and exchange of ideas and supports students involved in the honors program.

Media Organizations

Cedars The editorial staff is comprised of students who publish the campus semi-monthly newspaper.

U99.5 FM is the student-operated radio station of Cedarville University that serves the student body with information and entertainment.

Yearbook The Miracle staff is a group of students responsible for the publication of the university yearbook.

Special Interest Organizations

Alpha Sigma is devoted to promote critical thinking through philosophical and theological inquiry into issues central to the Christian worldview and our contemporary culture.

Alpha Sigma Lambda exists to provide opportunities for students to gain experience using American Sign Language and to minister to both deaf and hearing people within the Cedarville University family and the broader community.

Air Force ROTC—see page 112.

Army ROTC—see page 113.

Chess Club provides opportunities for fellowship and interaction with students who enjoy the game of Chess.

CU Republican Club is an organization dedicated to the development of Christian leaders in the political arena.

CU Transformed is for paintball enthusiasts. Open to any student, faculty, or staff who have an interest in paintball, this organization promotes opportunities to play together as well as seeks out ministry through the avenue of paintball.

Delta Alpha Epsilon stands for "Servants building Relations with Visitors". DAE is a group of junior students who work directly with the Cedarville University Alumni Association and Development Division in serving alumni and friends of the University.

High Calling is a rock climbing club devoted to facilitating and promoting technical climbing as an extra-curricular activity and encouraging other rock climbers in Christian love while demonstrating a Christian lifestyle.

Officers Christian Fellowship exists to promote spiritual growth and camaraderie among Air Force and Army ROTC cadets.

Introduction

Student Life

Pi Kappa provides fellowship and support to PKs (Pastor's Kids) on campus as well as ministering to local PKs, encouraging pastoral studies students, and encouraging local pastors.

Renaissance Guild increases learning and awareness of the medieval and renaissance eras and provides fellowship with like-minded individuals.

Students for Religious Freedom seeks to inform and involve the student body and churches regarding religious persecution.

Women's Awareness Organization is dedicated to the education of the University family in support of many different issues related specifically to women around the world.

Academic Organizations

Alpha Psi Omega consists of students interested in psychology and behavioral sciences.

Chi Delta Epsilon provides fellowship and seeks to stimulate professional interests and encourage professional growth among future teachers.

Chi Delta Nu encourages students going into youth ministry through prayer and fellowship.

Chi Theta Pi provides advice and relevant experiences for students interested in the health-science professions.

Christian Nurses Association promotes spiritual and professional development for nurses and service for the community.

Epsilon Alpha Pi is a professional organization for social work majors, which seeks to promote professional development, political and social awareness, and community outreach.

Kappa Epsilon Alpha provides insights into the world of business and promotes free enterprise through S.I.F.E., a Students In Free Enterprise program.

MERCY Team (Council for Exceptional Children) is dedicated to advancing the education of individuals with exceptionalities and to promoting related educational, scientific, and charitable purposes. Specifically, the organization intends to assist and provide support to individuals with disabilities at Cedarville University and to individuals and their families in the greater Cedarville community.

Cross-Cultural Organizations

International Student Organization provides opportunities for international students to meet their distinctive needs and plan ways to share their unique contributions.

Mu Kappa is a fellowship organization serving missionary kids and international students.

Spanish Club provides opportunities to practice language skills and learn about cultures through extracurricular activities.

Societe de Francais (the French Club) promotes the use of the French language and increases the knowledge and appreciation of French culture to advance awareness of missions.

Service Organizations

Big Bird is a community service organization dedicated to providing assistance to area families and aiding the community with miscellaneous tasks.

CUEMS is an organization of trained students who provide prompt and professional prehospital care and transportation to Cedarville students in need.

Homes for L.I.F.E. is a student organization committed to demonstrating Christ's love in truth and deed by working with local housing organizations to eliminate poverty housing.

Pi Delta is a volunteer, honorary, coeducational student group whose purpose is to provide tours for campus visitors.

Social/Service Organizations

Alpha Chi, a society for men, endeavors to cultivate Christian personality and leadership in its members.

Alpha Delta Omega is an organization for women designed to encourage the development of its membership primarily through personal services to students and others.

Delta Omega Epsilon is a men's organization whose projects and activities provide social and service benefits for the University.

Delta Pi Sigma is a women's service organization whose purpose is to seek fulfillment in the lives of its members both spiritually and professionally. The primary focus is to serve the faculty and staff and their families in times of need.

Gamma Chi is a women's service organization formed for women with a passion for their local church. It helps girls connect with local churches in or near Cedarville, believing that committed involvement in local churches during their years at Cedarville will prepare them to serve at churches in their future.

Phi Epsilon Beta is a women's organization promoting spiritual and social growth within its members.

Phi Gamma Psi promotes social interaction and enhances spiritual growth among women at the University.

Sigma Phi Lambda is a men's organization that seeks to further the cause of Christ through various activities and service opportunities.

The P.E.A.C.E. Project is a service and social organization that seeks to foster and promote a God-centered attitude of multiculturalism for the entire Cedarville family.

Theta Rho Epsilon is a men's organization that seeks to develop character and friendships through social and service opportunities.

Leadership Opportunities

The Campus Activities Office provides opportunities for leadership development. The Leadership Institute at Cedarville University is designed to enhance the character traits, knowledge base, and skills of developing student leaders. The philosophy of The Leadership Institute assumes that inherent leadership potential varies in individuals based on personality strengths, intellect, and spiritual giftedness, but that all students can increase their leadership ability over time. Opportunities include, but are not limited to, the following:

- **The Excel Initiative** – Workshops for all students who desire to enhance leadership skills
- **The Character Forum** – Panel discussions, chapel series, and awards to develop and recognize strong character
- **Mentoring Programs** - *Veranda Life* (women) and *MMM* (men) connect students with proven leaders for personal reflection and accountability.

Recreational Activities

The Recreational Activities Program provides 20 intramural sports, various outdoor pursuits (skiing, rock climbing, caving, whitewater rafting, etc.), fitness, and special events to help meet the fitness and recreational needs and interests of our university family. For a list of activities and additional information, visit the following website:

www.cedarville.edu/departments/cao/ra/ra-home.htm

Christian Ministries

The Division of Christian Ministries coordinates all university-sponsored student ministries. Cedarville views individual ministry involvement to be a vital and necessary part of each student's education and personal growth. Students are taught that biblical Christianity demonstrates a servant's heart in all areas of life. All are challenged to consider how their academic disciplines, interests, and abilities can be used to demonstrate their faith. Cedarville endeavors to stretch students' vision of ministry and develop a constant awareness of God's call upon their lives.

Directed by the vice president for Christian ministries and coordinated through full-time and part-time staff members, the Division of Christian Ministries provides training and assistance to the hundreds of students who volunteer each year.

Community Ministries

Cedarville University is located in a region known as the Miami Valley, encompassing the cities of Columbus, Dayton, and Cincinnati as well as hundreds of smaller communities. Approximately 80 teams serve the local communities and churches each week. Ministry teams seek to serve individuals and churches of this area by providing assistance in specialized areas, including Crisis Pregnancy/Abstinence and Counseling Ministries, Evangelism/Urban Outreach Ministries, Public School Tutoring/Teaching English Ministries, Youth & Children's Ministries, Jail/Detention Center Ministries, Hospital Ministries, Nursing Home/Elderly Visitation Ministries, Special Needs Ministries, and Local Church Ministries.

Cross-Cultural Ministries

The University's own Missions Involvement Services (MIS) provides unique opportunities for students to experience missions firsthand. Each year during breaks and in the summer, more than 250 students minister around the globe. This involvement in missions aids missionaries in their work and helps students discern God's direction in their own lives. Participants raise their own financial and prayer support prior to leaving and report on their ministries upon returning.

MIS Participants have served nearly 70 countries since the program started in 1970. For specific information concerning potential ministries and selection procedures, students should contact the MIS director, Brian Nester.

Students considering international careers in education often take advantage of the MIS program to gain cross-cultural experience while completing the student teaching segment of their education requirements. Students interested in this option should contact the education department for information and approval.

The majority of students who participate in the MIS program do so as members of teams. Created to perform a particular service such as singing, drama, puppets, medical assistance, technical assistance, orphan care, teaching English as a second language, or physical labor, teams are typically selected each fall. Students interested in team ministries should contact the MIS director for details.

Discipleship Ministries

While many ministries concentrate on "outreach" from campus, the focus of discipleship ministries is "in-reach" on campus. Opportunities include approximately 50 student-led small group Bible studies, men's and women's prayer groups, and a Scripture memory group. Discipleship ministries are excellent avenues for growing in your walk with God and finding opportunities to minister to fellow Cedarville University students.

Touring Team Ministries

Touring teams offer an exciting opportunity to minister and represent Cedarville University. Selected on an audition basis, all team members receive a salary. Teams rehearse approximately six hours a week and travel five weekends each semester and nine weeks during the summer. Auditions are held each year during the first week of school.

- **Lifeline Players** use drama to encourage and challenge youth and adults in their faith (team selection is held in the spring).
- **Master's Puppets** use puppetry and a variety of other teaching methods to minister to children.
- **HeartSong Teams** are nine-member ensembles with vocalists, keyboard players, guitarist, percussionist, and sound technician.

Spring Break Ministries

A number of teams are available to give students the opportunity to minister over the school's spring break. Ministries include but are not limited to the following: Child Evangelism Fellowship, Children's Bible Fellowship, Inner City Impact, Joy Ranch, The Master's Mission Team, and Shepherd's Home.

Selecting a Ministry

All students participate in Christian ministries voluntarily. As a result of the large number of ministries available, deciding which way to serve can seem overwhelming.

In selecting a ministry, students should apply the following:

1. Consider your interests. Select a ministry that allows you to do something you enjoy.
2. Consider your vocational goals. There are many ministries that are directly related to the majors offered at Cedarville University. A Christian ministry related to your chosen field can help you decide if you have made the right choice, and in some cases may lead to an internship, reference, or employment.
3. Talk with upperclassmen. Find someone who has experience in the ministry you are considering.
4. Talk with the Christian ministries staff in the Dixon Ministry Center. The staff is available to answer questions you might have.
5. Attend organizational meetings, many of which occur during the first two weeks of Fall Semester.

Requirements

1. All students are encouraged to participate in the university's volunteer Christian Ministries program.
2. Students are asked to record their current area of ministry involvement each semester.
3. University-owned transportation or mileage reimbursement is provided for those ministries approved through the Division of Christian Ministries.

Academic Information

Admissions

Admission Criteria

Cedarville University invites applications from secondary school students who are able to present strong academic records and a clear testimony of faith in Jesus Christ. In selecting students, the Admissions Committee admits students who are most likely to contribute positively to the university community and to graduate. They carefully consider all factors that demonstrate the applicant's ability to succeed at Cedarville University. Students who wish to attend the University on a part-time basis should also follow these admission procedures.

Criteria for selection include:

1. Evidence of a personal relationship with Jesus Christ and a consistent Christian lifestyle.
2. Academic record, recommendations, and rank in class.
3. Scores from the ACT or SAT I tests.

ACT scores are preferred. Because test scores are used for placement purposes, transfer students may be requested to submit them.

Applicants with the best prospects for admission have academic credentials that include a college-preparatory secondary school curriculum, at least a "B" grade average, a rank in the upper half of the class, and an ACT or SAT I test score above the national average.

The University does not discriminate on the basis of race, color, sex, or national origin. The University admits students with various disabilities.

Secondary School Requirements

Although the University does not prescribe actual secondary school course requirements, it recommends that students follow a college preparatory curriculum that includes:

- 4 units of English (grammar, composition, and literature)
- 3-4 units of mathematics (algebra I, II, geometry, and trigonometry)
- 3 units of natural science (physical science, biology, and chemistry)
- 3 units of social studies (history and government)
- 3 units of a single foreign language

Students planning to study engineering, science, mathematics, or nursing should take as many mathematics and science courses as possible in their secondary school curricula.

High school electives should be chosen to develop interests and skills in related practical fields. Skill in keyboarding is of real value in completing many course assignments and is of particular importance to students who plan to enroll in college computer courses. Keyboarding skill enables students to take full advantage of the extensive computer resources at the University.

Home-schooled Students

The University welcomes applications from students with non-traditional secondary school experiences. Typically, scores from standardized tests such as the ACT or SAT I are used to help assess readiness for college-level academic work. To assist students unable to take the ACT locally, the University offers the ACT on campus on a monthly basis to prospective students.

Except for those admitted under the early admission program, students must give evidence of high school completion by the time they begin taking courses at the University.

Early Admission

Students who have completed their junior year of high school with advanced standing may apply for early admission. This is especially helpful for students who anticipate a lengthy graduate program after graduation from college. In addition to following normal application procedures, early-admission applicants should submit superior academic records, strong recommendations from high school teachers, and a statement of approval from parents or guardians. An interview is also suggested.

Admission Procedure

Students are encouraged to apply on-line at www.cedarville.edu/myapplication. Paper applications are available from the Admissions Office.

To be considered for admission to Cedarville University, a student must:

1. Complete and return an application for admission with a \$30 application fee.
2. Send ACT or SAT I score reports to Cedarville University. (Use the ACT code of 3245 or SAT code of 1151 when you register for the tests to have your scores sent directly to Cedarville.) The application for admission may be submitted before taking these tests.
3. Request that high school transcripts through the junior year be sent to Cedarville University, along with a recommendation from the high school counselor. Class rank at the end of the junior year should be included.
4. Request a recommendation from the pastor or a church leader of the church the applicant attends.
5. Transfer students should request that official copies of transcripts for work completed at other colleges be sent to Cedarville University.
6. Students transferring from a Christian college must submit a recommendation from the dean of students.

Students who have been offered admission for a particular semester may request to defer their enrollment to a subsequent semester by notifying the Admissions Office in writing at least one month before the semester begins.

Readmission

A student whose academic work has been interrupted for one semester or more must apply for readmission two months before the beginning of the semester in which the student desires to matriculate. Readmission forms are available online or from the Admissions Office. An updated recommendation from the pastor or church leader of the church attending is needed. If college-level work has been completed elsewhere, official transcripts should accompany the application for readmission.

A student who has been readmitted after one year away from Cedarville University must complete the graduation requirements as outlined in the catalog in use at the time of re-enrollment.

Transfer Students

Students who wish to transfer to Cedarville must submit, along with their application for admission, official transcripts of credit from all colleges attended. College-level credits earned at accredited colleges are usually transferable. Applicants with the best prospect of admission have academic credentials that include at least a "B" grade average (3.0/4.0 scale) in a full-time college-level class schedule. Courses in which less than a "C-" is earned are not granted transfer credit.

Grades for courses taken at other colleges and transferred to Cedarville are not included in the Cedarville cumulative grade point average. Only the work completed at Cedarville is included.

To help in the transition to Cedarville University and to meet other new transfer students, all transfer students are required to attend a new student orientation.

Information concerning the transfer of credits is available from the Academic Services Office. Specific course equivalencies can be determined upon receipt of official transcripts.

Deadlines and Notifications

In most cases, Cedarville University follows a rolling admissions procedure. An application is processed as soon as the file is complete. A completed file includes an application for admission, a \$30 application fee, ACT or SAT I scores, a high school transcript, a college transcript (if applicable), a high school counselor's recommendation, and a pastor's recommendation. Applicants are typically notified by letter within two weeks after the Admissions Committee acts upon the completed file.

There may be times when the admissions committee recommends that an applicant's file be held for later review. This process is known as deferred decision. Deferred decisions occur in December and March and involve a thorough review of the applicant's academic credentials as well as a variety of personal factors. Applicants who are held for deferred decision will be notified by letter.

Reservation Deposit

A reservation deposit must be submitted by new students as an indication of their intention to enroll. The amount of the deposit is \$250. This money is credited to the student's account and used to cover first semester expenses. A student must submit a reservation deposit to register for courses.

The reservation deposit is fully refundable if the request for refund is received before the reservation deposit deadline. Requests for refunds received after the reservation deposit deadline are partially refundable (\$150 of the \$250 deposit) until the refund date. No refunds are available after the refund date. All refund requests must be made in writing by the student.

Reservation deposit submission deadlines and refund dates are as follows:

Term	Deadline	Refund dates
Fall Semester	May 1	July 1
Spring Semester	Nov. 1	Dec. 1
Summer Session I	April 15	May 1
Summer Session II	May 15	June 1
Summer Session III	June 15	July 1

Students admitted after the reservation deposit deadlines must submit their reservation deposits within two weeks of notification of admission.

Individuals with Disabilities

Through specific counseling, adjustments are made to enable students with disabilities to achieve their educational objectives. Additional information concerning specific services is available from the Student Services Office or the Academic Assistance Center. Individuals with disabilities are advised to contact the director of academic assistance, Kim Ahlgrim, at (937) 766-7765, for appropriate academic accommodations. The Campus Safety and Physical Plant departments handle ADA compliance issues.

International Students

Cedarville University welcomes applications for admission from students of all nations. The University was approved for attendance by non-immigrants by the Immigration and Naturalization Service in 1959. International students should follow the university admissions procedure carefully, submitting their applications well in advance of deadlines so that sufficient time is available for processing and communication. Those coming from countries in which English is not the native language may need to demonstrate their proficiency in English by taking the Test of English as a Foreign Language examination (TOEFL) and earning a paper-based score of 550 or better or a computer-based score of 213 or better. All international applicants are required to submit either TOEFL or SAT I scores (Cedarville's institution TOEFL code is 1151).

To satisfy United States Immigration and Naturalization requirements, upon acceptance international students must deposit \$21,674 (includes \$1,720 for personal expenses) at the University in United States currency or submit a certified affidavit of support that demonstrates the ability to cover university-related expenses. Full admission to the University is granted upon receipt of these funds or an affidavit. Questions concerning this procedure should be directed to the international student advisor.

International students can qualify for some academic institutional scholarships. Campus employment is also available during the school year and summer.

The beautiful 400-acre campus of Cedarville University offers many quiet places to find study time.

Academic Information

Academic Information

The Cedarville University academic program is designed to meet the educational, moral, physical, social, and spiritual needs of young people who desire to honor God with their lives. The total program represents a balance between the knowledge gained through the courses studied, the co-curricular activities, and worship in the regular chapel and church services. In such a setting, truth from Scripture is integrated with the knowledge taught in each course to provide effective learning and enduring life values. The knowledge and skills learned from the courses give students an excellent background for professional competence in their chosen fields.

Admission to Academic Programs

Some academic programs have unique requirements. For example, music students must audition for entry to that department; engineering candidates must meet a minimum test score requirement; students in education, social work, and nursing apply for admission to their respective programs during their sophomore year after the program prerequisites have been satisfied; admission into the athletic training education program is competitive and limited to the top 10 eligible students. Therefore, students should review the specific entrance requirements outlined in the respective departmental sections of the catalog. Admission to the University does not guarantee admission to an academic program.

Academic Enrichment Program

The University offers a supplemental academic assistance program to serve students whose academic backgrounds do not reflect their collegiate academic potential. Components of this program include an orientation course entitled COLL-1000 Transitions, special advising, tutoring when necessary, and in some cases, diagnostic testing. Admission to the academic enrichment program is determined by the Admissions Committee. Students selected for this program usually take a typical freshman course of study comprised of General Education Requirements.

Students who complete the program find that this assistance during the first year of college helps them establish an excellent foundation for academic success in the future. A complete description of this program is available from the Admissions Office.

The new Fitness Center provides a modern environment where students can get a great workout using high-quality equipment.

Advanced Placement

High school students may receive advanced collegiate standing by participating in the advanced placement program. Up to 40 semester credits may be earned through this program or by other test-out procedures. Hours earned through the advanced placement program do not count as hours in residence toward graduation with honors.

To earn credit through advanced placement, students must enroll in specific advanced placement courses offered by their respective high schools. Upon completing these courses, students take individual advanced placement examinations in each advanced placement course. Students may earn college credit for advanced placement scores of three, four, or five.

Students should request that scores from these examinations be sent directly to Cedarville University by entering code number 1151 on their registration forms. Upon receiving these scores, the University awards the appropriate amount and type of credit for each examination as determined by each academic department. No fees, other than the fees accompanying the examinations, must be paid in order to receive the university credit. In some cases, sophomore standing in particular subject areas may be earned through these examinations. Students should contact their local high schools to obtain advanced placement course and registration information.

College Level Examination Program (CLEP)

Students earn credit through CLEP by taking nationally standardized examinations in a variety of subject areas. These tests may be taken at local colleges before enrolling at Cedarville or at Cedarville after enrolling. To have CLEP scores sent directly to Cedarville University, students should enter code number 1151 on their CLEP registration forms. By earning scores above specified levels, students receive college credit in specific course areas. Up to 40 semester credits may be earned through this program or by other test-out procedures. A complete list of the appropriate tests and respective Cedarville courses, as well as registration information, is available from the Admissions Office, the Academic Services Office, or the University website. No fee, other than those accompanying the examinations, must be paid in order to receive college credit through CLEP.

Students who wish to use CLEP examinations to satisfy General Education Requirements in foreign language, literature, humanities, mathematics, natural sciences, and social sciences must earn credit-satisfying scores on the respective CLEP examinations by the time they earn 61 semester credits. Students may not pursue CLEP credit for courses in which they were enrolled previously, nor may they pursue CLEP credit for a course if they have taken a more advanced-level course in that discipline.

Transfer students transferring more than 61 credits must earn credit-satisfying scores on respective CLEP examinations by the end of their first semester of full-time attendance at Cedarville. Hours earned through CLEP do not count as hours in residence toward graduation with honors.

International Baccalaureate

The International Baccalaureate (IB) is an internationally recognized program that enables students to follow a special curriculum and take specific examinations to fulfill secondary school graduation requirements. Students can earn up to 18 semester hours for IB Higher Level examinations on which they earn scores of five, six, or seven. A maximum of six credits is permitted in any one group. To receive credit, students should submit IB transcripts to the Admissions Office.

Degree Requirements

Cedarville University grants a master's degree and eight baccalaureate degrees: Master of Education (M.Ed.), Bachelor of Arts (B.A.), Bachelor of Science in Computer Engineering (B.S.Cp.E.), Bachelor of Music (B.M.), Bachelor of Music Education (B.M.E.), Bachelor of Science (B.S.), Bachelor of Science in Electrical Engineering (B.S.E.E.), Bachelor of Science in Mechanical Engineering (B.S.M.E.), and Bachelor of Science in Nursing (B.S.N.).

A degree candidate should carefully study the requirements for that degree as well as the special requirements for graduation found in this catalog. Careful attention to these requirements will enable the student to avoid doing unnecessary work. **Students are responsible to see that graduation requirements are met.** Bachelor's degree requirements are listed below.

1. Meet all admission and proficiency requirements.
2. Complete at least 128 semester hours (not including proficiency), 32 hours of which must be of upper-division work (3000-4000 level courses).
3. Maintain an overall cumulative grade point average of not less than 2.0.
4. Maintain a grade point average in the major of not less than 2.0.
5. Establish minimum residency of one year (32 semester hours, normally the senior year).
6. Complete the General Education Requirements.
7. Complete the specific course and professional requirements for the desired major. At least one-third of the course requirements within a major must be taken from Cedarville University.
8. Pass ENG-1400 Composition.
9. Satisfy the appropriate global awareness requirement.
10. Participate in the university testing and assessment program when asked.
11. Complete an application for commencement.

Specific curricular requirements are outlined in each departmental section of the catalog.

Requirements for a Second Degree

If a student has a baccalaureate degree from Cedarville University and desires to earn a second degree, the student must:

1. Meet all the admission requirements.
2. Have fulfilled each of the General Education courses in biblical education.
3. Earn a minimum of 160 credits (32 credits beyond the 128 minimum required for a first baccalaureate degree). At least 22 of the credits earned after 128 must be taken at Cedarville University.
4. Earn at least 43 credits in upper division courses (3000-4000 level courses).
5. Fulfill the requirements of a designated major of the second baccalaureate degree. Any appropriate coursework from the first degree may be applied toward the second degree.
6. Earn at least a 2.0 grade point average in the major.
7. Participate in the university testing and assessment program when asked.
8. Complete an application for commencement.

If a student has a baccalaureate degree from another institution and desires to earn a second degree, the student must:

1. Have earned the first baccalaureate degree from a regionally accredited institution of higher education or from an institution specifically approved by Cedarville University.
2. Meet all the admission and proficiency requirements.
3. Earn at least 32 credits from Cedarville University, including at least 22 credits of upper division courses (3000-4000 level courses).
4. Fulfill the equivalent of the Cedarville University General Education Requirements.
5. Fulfill the requirements of a designated major for the second baccalaureate degree.
6. Earn at least a 2.0 grade point average in the major.
7. Participate in the university testing and assessment program when asked.
8. Complete an application for commencement.

Selecting a Major

Many students have not chosen a major field of study by the time they enroll at Cedarville. Others change their major at some time during their collegiate studies. The University offers special advising and other services to help students make these important decisions.

Students uncertain of a major begin as "undeclared" majors. They work with academic advisors who specialize in helping students who have not yet chosen a field of study. Until they choose a particular major, "undeclared" students typically take courses specified as meeting the General Education Requirements. They are also encouraged to utilize the resources of the Career Services Office. This office offers career profiles, interest inventories, and counselors so that students in the midst of making career decisions have good information.

Most "undeclared" students select a major by the middle of the sophomore year. In many instances, delaying the choice of major does not extend the time needed to graduate from Cedarville. However, in programs of study with extensive specific course requirements, delaying the choice of that major even one semester can cause students to take longer to complete degree requirements. The suggested four-year curricula listed with each major in the catalog outlines the recommended course sequences.

Requirements of a Major

The amount of work for a typical major field approximates 36 semester hours and must include the requirements of the department. Comprehensive majors are typically from 48 to 60 hours. Specific requirements are listed at the beginning of department course offerings.

In order to graduate, a student must satisfy the requirements for at least one major field of study. With proper scheduling, he or she may concurrently complete the requirements for more than one major. Majors involving fewer than 42 semester hours of course work lend themselves to this approach.

Major courses in which "D" grades are received may count as meeting the requirements of the major field if permitted by departmental policy. If "D" grades are not permitted, the department chairperson may approve a course substitution as an alternative to repeating a course.

To qualify for graduation, students must maintain at least a 2.0 grade point average for their major.

Academic Information

Graduate Study at Cedarville

The Cedarville University graduate academic program is designed to meet the professional, personal, and spiritual needs of adults who desire to honor God with their careers and lives. Truth from Scripture is integrated with the knowledge taught in each course to provide effective learning and enduring life values. The knowledge and skills learned from the curricular experiences provide adults with an excellent background for professional competence in education in their chosen fields.

Current Program

The Teacher/Leader Program is an accredited 32 semester hour Master of Education degree (M.Ed.). This program serves educators interested in enhancing their classroom effectiveness and becoming instructional leaders in their schools. Electives permit students to develop specific areas of emphasis that correspond to their particular interests.

Three benchmarks make the Cedarville University graduate program worth consideration:

- **Content – biblical truth is integrated into all course content.**
- **Convenience – program design works well with active professionals.**
- **Cost – tuition is competitively priced in comparison to other graduate programs.**

For information about available graduate opportunities at Cedarville, an application, or a graduate catalog, contact the Graduate Admissions Office at 1-888-CEDARVILLE (233-2784), e-mail gradprog@cedarville.edu, or visit the graduate program website at www.cedarville.edu/dept/graduate.

The Cedarville graduate program builds upon the University's reputation for preparing excellent classroom teachers by enhancing the effectiveness of practicing educators.

Major Fields of Undergraduate Study

The University offers 65 major fields of undergraduate study. Some of the majors represent combinations of two or more areas of study; these are denoted with an asterisk (*). Course requirements for each of the majors are outlined in the respective departmental sections of the catalog. Major fields of study include:

- Accounting
- American Studies*
- Applied Psychology
- Athletic Training
- Bible Teacher Education*
- Biology
- Chemistry
- Christian Education
- Church Music Ministry
- Communication Arts
- Comprehensive Bible
- Computer Engineering
- Computer Science
- Criminal Justice
- Early Childhood Education
- Electrical Engineering
- Electronic Media
- English
- Exercise Science
- Finance
- Global Economics and International Business
- Graphic Design
- History
- History-Political Science*
- Integrated Language Arts Education
- Integrated Life Science Education
- Integrated Mathematics Education
- Integrated Physics Education
- Integrated Physical Science Education
- Integrated Science Education
- Integrated Social Studies Education
- International Studies*-
Missiology/World Missions
- International Studies*-
Social Science
- Keyboard Pedagogy
- Management
- Management Information Systems
- Marketing
- Mathematics
- Mechanical Engineering
- Middle Childhood Education
- Multi-Age Music Education
- Multi-Age Physical Education
- Multi-Age Spanish Education
- Multi-Age Special Education
- Music Composition
- Music Performance
- Nursing
- Pastoral Studies
- Philosophy
- Physical Activity and Sport Studies
- Physics
- Political Science
- Prelaw*
- Preseminary Bible
- Psychology
- Public Administration*
- Social Work
- Sociology
- Spanish
- Sport Management
- Technical and Professional Communication
- Theatre
- Youth Ministries

Minor Fields of Undergraduate Study

Fifteen credits in a particular field of study usually constitute a minor. Cedarville graduates complete a minor in Bible as part of the General Education Requirements. Other minor fields are optional. One-third of the minor must be completed at Cedarville. Available minors include:

- Art
- Bible
- Biology
- Broadcasting
- Business Administration
- Chemistry
- Christian Education
- Christian Ministries Management
- Church Music Ministry
- Coaching
- Communication Arts
- Computer Science
- Creative Writing
- Criminal Justice
- Cross-Cultural Nursing
- Earth Science
- Economics
- German
- Graphic Design
- Greek
- Health Promotion
- History
- International Business
- Literature
- Management Information Systems
- Mathematics
- Missions
- Multi-Age Health Education
- Music
- Philosophy and Religion
- Organizational Communications
- Physics
- Political Science
- Preseminary Bible
- Psychology
- Public Administration
- Sociology
- Spanish
- Spanish for Professionals
- Teaching English to Speakers of Other Languages (TESOL)
- Theatre
- Women's Ministry
- Youth Ministry

Electives

The provision of elective choice is based upon the premise that students should have an opportunity to strengthen their major field or minor field or broaden their background by selecting courses in areas of inadequacy or interest. Elective choice also provides students with some flexibility should they decide to change major fields.

Special Academic Programs

Cedarville offers several special programs designed to enhance the collegiate experience and/or to help prepare for a particular career:

- Computer/Technology Teaching Endorsement
- Emergency Medical Technician Training
- Environmental Biology
- Honors
- Medical Technology
- One-Year Bible Certificate
- Preagriculture
- Premedical
- Prepharmacy
- Prephysical Therapy
- ROTC—Army and Air Force
- Study Abroad Programs
- TESOL—Teaching Endorsement (Teaching English to Speakers of Other Languages)

Descriptions of these programs are located in this section of the catalog or in the academic departments sponsoring the programs.

Special Academic Programs

Emergency Medical Services

Cedarville University Emergency Medical Services (CUEMS) originated in 1965 when a men's service organization, Alpha Chi, formed the Cedarville College Fire Department. In 1969 the fire department was converted into a rescue squad. Today, CUEMS is comprised of students who are state and nationally-certified EMTs and/or paramedics and who volunteer their time to act as the Emergency Medical Services division of Cedarville University Medical Services.

The squad responds primarily to emergencies on campus, but CUEMS offers its services to the community as well. The department has a mutual aid agreement with the Cedarville Township EMS, serving as a backup squad when the need arises.

CUEMS has several goals for the operation of its pre-hospital and transport services. As a Christian organization, its primary goal is to be an outstanding testimony for the Word of God and the testimony of Jesus Christ to all publics of this organization. The desire of CUEMS is to comfort and show compassion for those for whom they care. Squad members strive not only to address physical needs but to reassure their patients emotionally. Another goal is to provide opportunities for practical application of classroom knowledge. Involvement in this service provides those pursuing careers in the medical field with practical experience and offers all members, regardless of major, opportunities to cultivate skills in teamwork, to operate efficiently in stressful situations, and to make sound decisions quickly.

Since state certification is *required* and national certification is *recommended* for membership on the squad, the University grants credit to those matriculated Cedarville students who complete the National Registry's approved programs in EMT training. Upon receipt of bona fide copies of National Registry certificates of completion, the University will grant 3 semester hours of elective credit for EMT-Basic training, 2 additional semester hours for EMT-Intermediate training, and 5 semester hours for paramedic training.

One-Year Bible Program

The University offers a concentrated program for the student who desires a formal education in Bible before pursuing a vocation at home or engaging in a field of technical study not available in a Christian school. It is designed so that a student can function as a more-knowledgeable layman at church. This curriculum is outlined in the biblical education section of this catalog.

Preprofessional Programs

Many students seek specialized training in professions after attending Cedarville University. A number of preprofessional programs are available. The preseminary curriculum, which prepares students for seminary studies and the gospel ministry, is outlined in the biblical education section of this catalog. The prelaw curriculum prepares students for law school and is explained in the social sciences and history section of this catalog. Preprofessional curricula in dentistry, medical technology, medicine, optometry, osteopathy, pharmacy, physical therapy, and veterinary medicine are described in the science and mathematics section of this catalog.

Academic Information

General Education Requirements

The University requires a pattern of proficiencies and courses to help achieve institutional objectives. These objectives are designed to provide an educational experience that broadens the student's outlook and knowledge.

The General Education pattern is:

I. English and Mathematics Proficiency 0-5 hrs

Each student upon initial enrollment at the University must demonstrate proficiency in English and mathematics. Proficiency examinations should be taken before the end of the first semester of matriculation.

A. English (0-3)

Students may satisfy the English proficiency requirement through any one of the following methods:

1. Score 21* or higher on the English section of the ACT; or
2. Score 500* or higher on the verbal section of the recentered SAT; or
3. Score 53 or higher on the CLEP English Composition Examination; or
4. Score 25 or higher on the Cedarville University English Proficiency Examination; or
5. Complete a course equivalent to the Cedarville University ENG-1000 Basic English with a grade of "C-" or higher (A = 4.0 system) at another approved institution of higher learning prior to matriculation at Cedarville. The credits will not be transferred, but proficiency will be established and enrollment in ENG-1400 Composition will be permitted; or
6. Complete a college-level composition course with a grade of "C-" or higher (A = 4.0 system) at another approved institution of higher learning. Proficiency will be satisfied and transfer credit will be awarded; or
7. If proficiency is not verified by any of the means listed above, the required proficiency must be achieved through a successful completion of the course ENG-1000 Basic English (3 semester hours), **which is to be taken during the first semester of matriculation. These 3 credits do not apply toward the 128 credits needed for graduation.**

B. Mathematics (0-2)

Students may satisfy the mathematics proficiency requirement through any one of the following methods:

1. Score 19* or higher on the mathematics section of the ACT; or
2. Score 500* or higher on the quantitative section of the recentered SAT; or
3. Score 48 or higher on the CLEP College Algebra exam; or
4. Score 10 or higher on the Cedarville University Algebra Proficiency Examination; or
5. Complete a course equivalent to DEV-0900 Intermediate Algebra with at least a grade of "C-" or higher (A = 4.0 system) at another approved institution of higher learning. The credits will not be transferred, but proficiency will be established and enrollment in college-level quantitative courses will be permitted; or
6. Complete a course equivalent to the Cedarville University GMTH-1020 College Algebra with a grade of "C-" or higher (A = 4.0 system) at another approved institution of higher learning. Proficiency will be satisfied and transfer credit will be awarded; or
7. If proficiency is not verified by any of the means listed above, the required proficiency must be achieved through successful completion of the course DEV-0900 Intermediate Algebra (2 semester hours), which should be

completed during the first semester of matriculation at Cedarville University and **must be completed no later than the last term of the sophomore year. These 2 credits do not apply toward the 128 credits needed for graduation.**

*Standardized test scores (ACT, SAT) earned more than three years before matriculation will not be accepted to meet the proficiency requirement.

II. Biblical Education 16 hrs

- A. BEGE-1710 Christian Life and Thought 3
- B. BEGE-1720 Spiritual Formation 3
- C. BEGE-2730 Old Testament Literature 3
- D. BEGE-2740 New Testament Literature 3
- E. BEGE-3750 Christian Worldview Development 2
- F. BEGE-3760 Christian Worldview Integration 2

III. Communication 6 hrs

- A. ENG-1400 Composition 3
- B. COM-1100 Fundamentals of Speech 3

IV. Humanities 9 hrs

- A. HUM-1400 Introduction to the Humanities 3
- B. Any 2000-level literature course 3
- C. At least 3 semester hours from the following: **3
 - ANTH-1800 Cultural Anthropology* 3
 - ART-1100 Introduction to Art 3
 - BEPH-2200 Introduction to Philosophy 3
 - BEPH-2250 Ethics 3
 - BEPH-2260 Religion and Culture 3
 - COM-2300 Voices of Diversity 3
 - COM-3140 Intercultural Communication 3
 - COM-4110 History of Public Address 3
 - EDUC-2400 Children's Literature 2
 - EDUC-4500 Philosophy of Education 2
 - EGGN-3110 Professional Ethics 3
 - HLMU-2310 Introduction to Music Literature 3
 - HUM-2430 Enjoyment of Music 3
 - NSG-3050, 3060 Nursing in Relationships I and II 4
 - PYCH-3720 Psychology of Personality 3
 - THTR-1410 Introduction to Theatre 3
 - Any second year foreign language course 4
 - Any other 3 hour literature course 3

**In satisfying requirements B and C, students may not take more than one course from their major field of study. Education majors, however, may take EDUC-2400 Children's Literature and EDUC-4500 Philosophy of Education to fulfill criterion C; otherwise, EDUC-4500 Philosophy of Education does not count toward meeting this requirement.

*ANTH-1800 Cultural Anthropology may satisfy either Humanities elective or Social Science elective, but not both.

V. Global Awareness

Students pursuing a **Bachelor of Arts (B.A.), Bachelor of Music (B.M.), or Bachelor of Music Education (B.M.E.)** degree must complete *one* of the following:

- A. Pass three years of the same foreign language in high school or one term of an intermediate college-level foreign language; or
- B. Live in a non-U.S. cultural immersion experience for at least one school year after the age of 12; or

C. Pass two years of the same high school foreign language or pass the second semester of a college-level foreign language, *and* one of the following:

1. A global awareness course selected from the list in number four below.
2. An approved intercultural experience of at least four weeks.

Students pursuing a **Bachelor of Science (B.S., B.S.Cp.E., B.S.N., B.S.E.E., and B.S.M.E.)** degree must complete *one* of the following:

- A. Pass two years of the same foreign language in high school; or
- B. Pass the second semester of a college-level foreign language; or
- C. Live in a non-U.S. cultural immersion experience for at least one school year after the age of 12; or
- D. Complete a global awareness course from the following:
 - ANTH-1800 Cultural Anthropology
 - BEPH-2260 Religion and Culture
 - BUS-2910 International Business
 - COM-2300 Voices of Diversity
 - COM-3140 Intercultural Communication
 - ECON-3380 Economic Development and Political Economy
 - GEO-3520 World Regional Geography-East
 - HIST-3080 History of Russia & the Soviet Union
 - HIST-3200 History and Politics of Latin America
 - HIST-3210 History and Politics of East Asia
 - HIST-3220 History and Politics of the Middle East
 - HIST-3230 History and Politics of Western Europe
 - HIST-3240 History and Politics of Eastern Europe
 - HIST-3250 History and Politics of Central and South Asia
 - HIST-3540 History and Politics of Africa
 - HIST-3750 Social Movements
 - INTL-3190 Global Issues
 - INTL-3650 International Relations
 - MGMT-3570 International Management
 - MRKT-4620 International Marketing
 - NSG-3090 Public Health Nursing
 - NSG-4200 Culture and Health
 - PYCH-1800 Cross-Cultural Psychology
 - SPAN-3680 Understanding Hispanic Cultures; or
- E. Complete an approved intercultural experience of at least four weeks.

VI. Physical Education 2 hrs

- A. PEF-1990 Physical Activity and the Christian Life 1
- B. One general physical education activity course chosen from PEA-1000 through PEA-2120 1

VII. Science and Mathematics 10-16 hrs

- A. One laboratory course from the biological sciences 3.5
- B. One laboratory course from the physical sciences 3.5
- C. At least 3 semester hours selected from the following quantitative courses:
 - BUS-2110, 2120 Statistics 4
 - EDUC-2800 Principles of Mathematics II 3
 - GMTH-1010 Introduction to Mathematics 3
 - GMTH-1020 College Algebra 3
 - GMTH-1030 Precalculus 4
 - GMTH-1040 Calculus for Business 4
 - GSS-3610 Data Analysis 3

- (or SWK-3610 Data Analysis 3)
- PYCH-2610 Statistics 3
- Any 3 credit MATH course 3
- D. Students pursuing Bachelor of Science degrees (B.S., B.S.N., B.S.Cp.E., B.S.E.E., and B.S.M.E.) must complete an additional six semester hours. These hours must be selected from courses with BIO, CHEM, ESCI, GSCI, GMTH, MATH, and PHYS designators; decision sciences; statistics; or computer application courses selected from the following:
 - EGCP-1010 Digital Logic Design 3
 - EGCP-1310 Algorithmic Programming 2
 - MIS-2000 Structured Programming 3
 - MIS-3510 COBOL Programming 3

VIII. Social Sciences and History 9 hrs

- A. GSS-1000 Foundations of Social Science 3
- B. One course in history 3
- C. One course selected from the following: 3
 - A second HIST course
 - Any course with a designator of ANTH,* CRJU, GEO, INTL, POLS, PUAD, SOC, and SWK
 - PYCH-1600 General Psychology

*ANTH-1800 Cultural Anthropology may satisfy either Humanities elective or Social Science elective, but not both.

Total General Education Requirements 52-63

Many of these courses also satisfy the requirements for major fields of study.

The Lady Jacket cross country team has established itself to be one of the elite cross country programs year in and year out.

Academic Information

Students show their support and demonstrate school spirit by attending the lively Cedarville basketball games.

General Education Course Sequence

Many of the General Education Requirements provide important background for advanced courses that are required as a part of a major field of study. Consequently, in most programs many of these requirements are taken in the first two years of the four-year curriculum. The sample four-year curriculum found by each major field of study in the catalog outlines this sequence.

Because of the importance of several of the requirements to all students, **the following six courses must be completed before the beginning of the junior year or before a student earns 64 semester hours:**

- BEGE-1710 Christian Life and Thought
- BEGE-1720 Spiritual Formation
- COM-1100 Fundamentals of Speech
- ENG-1400 Composition
- PEF-1990 Physical Activity and the Christian Life
- The VII, C. Quantitative Course Requirement, page 19

Graduation

All students must realize that it is their own responsibility to check on their progress toward meeting all requirements for graduation. They are urged to plan the class schedule for both semesters of the senior year at early registration time at the end of the junior year. This plan should be approved by the faculty advisor and checked to see that when it is completed all degree requirements will have been met. **To participate in the May commencement ceremony, students must submit applications for graduation by February 1st of the year they plan to graduate.** This includes May, August, and December graduates.

The catalog in use when a student first enrolls governs that student's graduation requirements, unless that catalog is over 10 years old or that student has left and then re-enrolled more than one year later. Consequently, that catalog should be retained and used as a guide in case changes are made in the course or graduation requirements during the time the student is enrolled. A student may select a subsequent catalog if the student wishes; however, all requirements from that catalog must be completed.

Early Commencement

Students who cannot complete their graduation requirements before the end of the spring semester of their senior year, but who can complete them during the following summer or fall terms, must apply to participate in commencement before degree requirements are met. Students who have more than 18 semester hours to complete after the spring term must obtain approval from the academic vice president to participate in commencement. Information concerning eligibility for August or December graduation and early commencement is available in the Academic Services Office.

Sessions and Credits

The regular college year consists of two semesters of 15 weeks each plus final exam days, extending from August to May. Credits are earned in terms of semester hours; a semester hour equals one 50-minute period each week for one term. As an illustration, a student completing a course that meets 50 minutes a day, 3 days a week, for 15 weeks, receives 3 semester hours credit. Laboratory sessions, applied music courses, physical education courses, compressed courses, and internships are exceptions to this pattern.

Academic Course Load

Assuming that proficiency requirements have been satisfied, a minimum of 128 semester hours is required for graduation. A student should average at least 16 credit hours each semester to graduate upon completion of the 8th semester. A normal course load is 15-18 hours each semester. Students working more than 20 hours per week are advised not to carry a full course of studies.

A student's academic load is subject to reduction or limitation by a school dean or academic vice president for poor scholarship or excessive work outside of school hours. Students who wish to take more than 18.5 credit hours must obtain permission through the following procedure:

To request 19-21.5 credit hours

The following students require advisor approval:

- SENIORS with at least a 2.3 cumulative GPA
- SOPHOMORES and JUNIORS with at least a 2.5 cumulative GPA
- FRESHMEN with at least a 2.7 cumulative GPA
- All students without a Cedarville University GPA who scored at least a 25 or equivalent on the ACT

The following students require department chair approval:

- Any student not meeting the criteria above
- Any student whose advisor is not available

The following students require dean approval:

- Any student whose department chair is not available

To request 22 or more credit hours

- All students require approval of advisor, department chair, and dean

The following situation requires academic vice president approval:

- When dean is not available

Classification of Students

Regular students are those who have met the requirements for admission, are enrolled in a degree program, and are carrying at least 12 semester hours of credit from Cedarville University in that academic semester. **Special students** are those who are not enrolled in degree programs. **Part-time students** are those who have met all admission requirements, are seeking a degree, and are taking fewer than 12 semester hours. **Transfer students** are those who have studied full time for at least one term at another accredited college or university. **High school students** are those who have not completed high school graduation requirements.

Assignment to Classes

Official class membership is determined according to the following schedule:

Class	Hours Completed
Freshman	1-30
Sophomore	31-60
Junior	61-90
Senior	91+
Special	Assigned

Class Attendance

In general, regular attendance is necessary for the student to receive full benefit from the college experience. Since there are several different ways in which ideal class attendance may be achieved, official faculty policy allows each faculty member to determine and develop attendance standards that will meet the particular needs of the course.

Out-of-Class Courses

In order for students with irreconcilable conflicts to be able to complete graduation requirements on schedule, it is sometimes necessary to allow instruction in an out-of-class setting. To take a course out of class:

1. The course must be 2000, 3000, or 4000-level.
2. Students must obtain approval from the department chairperson, the faculty member teaching the class, and the advisor.

Out-of-class course approval forms are available in the Academic Services Office. Exceptions to the course level requirement listed above must be approved by the respective faculty member, department chairperson, and advisor.

Correspondence Study / Distance Education

Cedarville University does not offer correspondence credits, and it does not accept correspondence credits from institutions that do not have accreditation from a recognized United States regional accrediting agency. In some unusual circumstances, the University may accept correspondence credits from regionally-accredited institutions of higher learning, but a student may not utilize more than 10 semester hours of correspondence credits toward fulfilling degree requirements.

Cedarville University does offer several mediated/online learning courses, and it does accept this type of course from institutions that are accredited by a U.S. regional accrediting agency. Distance learning courses are subject to the same policies and restrictions as normal transfer courses.

The University reviews and processes credits received for distance learning and correspondence study in the same manner as transfer credits. For additional information, contact the Academic Services Office.

Internships

Many of the major fields of study include opportunities to receive credit for supervised, on-the-job activities. Interested students should contact the respective department chairperson for details.

Independent Study

Independent study allows students to develop a high degree of independence in their ability to choose and investigate problems. The objectives of the program include providing opportunities to explore areas not covered in normal course structure, recognizing foreign travel experiences, rewarding self-motivated students, and encouraging joint study by faculty and students on specialized projects.

Individual students and faculty members develop the specific criteria that must be met for the successful completion of specific independent study projects. However, the following guidelines govern the independent study program:

1. Only one independent study project may be undertaken in an academic term, unless permission is granted from the department chairperson and dean of the student's primary major.
2. The maximum credit that may be earned for an independent study project is 3 semester hours.
3. The faculty member supervising the independent study, the student's advisor, and the department chair must sign the student's independent study form. Registration for the independent study must occur at the beginning of the semester in which the work is to be completed.
4. No more than 6 semester hours in independent study may be counted toward the major field, no more than 3 semester hours toward a minor field, and no more than 12 semester hours may be counted toward graduation. Independent study taken outside major and/or minor fields must be approved by the department chairperson and the dean of the supervising faculty member.
5. Supervising an independent study is a privilege a faculty member may extend to a student. It is not a right that a student has.
6. Supervising faculty members determine the grade (letter grade or credit/no credit) for the independent study.

Many well-known speakers come to the Cedarville Campus to share inspiring messages from God's word.

Academic Information

Testing Out Procedure

Qualified students may earn credit toward graduation by passing the appropriate examinations with a grade of B or better. A student interested in testing out should obtain a course test-out form from the Academic Services Office, obtain the approval of the chairperson of the department in which the course is offered, and contact the instructor of the course to schedule the test.

A student may not test out of a course previously audited. Tests must be taken during registration week or during the first two full calendar weeks of the semester.

Upon testing out of a course, a student must pay one-half tuition for the course credit. Credit for the course and a designation of test-out will appear on the student's transcript with a grade of CE (credit by examination). This grade is not computed into the cumulative grade point average. Credits earned by test-out during a semester do not count toward the 12 semester hours required for full-time status. No student may earn more than 40 semester hours of test-out credit through tests administered at the University, CLEP, AP, IB, or any other recognized testing agency. Hours earned by test-out do not count as hours in residence toward graduation with honors.

Academic Assistance

Each student is assigned to an academic advisor who offers counsel concerning course scheduling. A student who has not declared a major will be assigned to a special advisor equipped to offer assistance in selecting a field of study. Students are encouraged to consult their academic advisor prior to registration, whenever an academic problem is encountered, or when considering any changes in their educational program. A student with low grades in a major or minor field may be advised to select another field of study.

Tutoring

Tutoring is available to students desiring supplemental learning opportunities. The Student Government Association, in conjunction with the Academic Assistance Office, offers student-to-student tutoring in several courses each semester including GMTH-1040 Calculus for Business, CHEM-1000 Principles of Chemistry, BIO-1000 Principles of Biology, GSS-1000 Foundations of Social Science, and others. Additionally, private tutoring may be arranged with individuals recommended by the professor of the course or through the Academic Assistance Office. Faculty assistance is available for all courses during posted office hours.

Transient Study

Course work to be completed at other institutions by a student enrolled at Cedarville University must be approved before the course is taken by securing the signatures of the transfer coordinator, the student's academic advisor, and the chairperson of the academic department governing the course requirement that the transferred course is to satisfy. Transient Study Applications are available in the Academic Services Office. An official transcript must be received before transfer credit will be evaluated and recorded.

Travel Study Opportunities

Students are encouraged to take advantage of a semester at one of Cedarville's satellite campuses. Participants remain enrolled at Cedarville, continue to receive financial aid, and take classes for Cedarville credit. Programs are mainly open to juniors and seniors. Advanced planning is highly recommended. For additional information and planning help, contact Cedarville University's Travel Study Director, Dr. Kevin Sims.

ARRIBA

ARRIBA, Academic Residency and Research Internship for Baptists Abroad, is a work/study program sponsored by Faith Baptist Bible College, in Ankeny, IA, in cooperation with Baptist Mid-Missions. Cedarville students in any major may earn up to 30 semester hours of credit in Spanish, sociology, biology, religion, missions, cross-cultural studies, and general electives. Students involved in the program spend 11 months in Peru, South America, where classroom theory is integrated with practical application and experience in cultural studies, church planting, and alpine and rainforest studies, under the direction of experienced missionaries and college professors. Students interested in the program should contact Dr. John Silvius for additional information.

Au Sable Institute of Environmental Studies

Students enrolled in the environmental biology curriculum may take advantage of courses offered by the Au Sable Institute, including field botany, land resources, limnology, marine biology, animal ecology, and restoration ecology. Students may choose to attend any of five Au Sable Institute locations: Au Sable Great Lakes (Mancelona, Michigan), Au Sable Pacific Rim (Whidbey Island, Washington), Au Sable East (Chesapeake Bay, Virginia), Au Sable Africa (Nairobi, Kenya), and Au Sable India (Tamil Nadu, South India). Au Sable courses provide academic content, field experience, and practical tools for stewardship of creational resources. The Institute grants vocational certificates for environmental analysts, land resource analysts, water resource analysts, and naturalists. Qualified students are awarded the Au Sable Fellowship of up to \$1,500. One or more Institute Grants-in-Aid of at least \$400 are also available each year. Honors scholarships of \$500 and Au Sable stewardship awards equal to the cost of room and board are granted to returning students. Interested students should contact Dr. John Silvius, Cedarville University's Au Sable Institute Representative.

CCTECC Student Teaching Abroad Program

CCTECC is the Christian Coalition Teacher Education Coordinating Council, which is made up of Christian Colleges from around the U.S. Since the late 1980s, this organization has been helping its member institutions place quality student teachers in quality schools on every continent, except Antarctica. Cedarville students have taught in over 20 different countries. Literally speaking, the sun never sets on Cedarville student teachers.

Students apply for this program early in the junior year. Only those with a good academic record, strong character, and spiritual and professional performance references are allowed to go overseas. Only schools and cooperating teachers who meet Cedarville's standards and the requirements of the Ohio Department of Education participate with us. CCTECC helps ensure that students are placed in environments that are safe and nurturing both personally and spiritually.

CIEE (Council on International Educational Exchange)

CIEE offers study abroad opportunities in 29 countries around the world. They provide curricula specifically designed with the U.S. undergraduate in mind. Students interested in CIEE programs should contact Dr. Kevin Sims or the Travel Study Office. Application procedures and program details are also listed at www.cedarville.edu/dept/sumsch/travelstudy.

The Council for Christian Colleges and Universities Study Programs

Cedarville University cooperates with the CCCU in offering programs for students in the places listed below. Students interested in any program should contact Dr. Kevin Sims or the Travel Study Office for more information. Application Procedures and program details are also listed at

www.cedarville.edu/dept/sumsch/travelstudy.

American Studies Program (Washington, D.C.)
Australia Studies Centre
China Studies Program
Contemporary Music Program (Martha's Vineyard)
Latin American Studies Program
Los Angeles Film Studies Center
Middle East Studies Program (Egypt)
Oxford Honors Program and Oxford Summer Program
Russian Studies Program
Scholars' Semester in Oxford
Summer Institute of Journalism (Washington, D.C.)
Uganda Studies Program

Additional Travel Studies Programs

Cedarville has cooperating agreements with the following programs. Applications must be processed through the Travel Study Office for any of the programs. Program details are available at www.cedarville.edu/dept/sumsch/travelstudy.

Focus on the Family Institute
IBEX (The Master's College)
ISEPS (Seville, Spain)
JUC (Jerusalem University College)
OSAP (Oxford Study Abroad Program)

IBI - International Business Institute

The International Business Institute is a cooperative overseas program in international economics and business management. This ten-week program takes place in key locations in the major political and economic centers of Scandinavia, Russia, Eastern Europe, Western Europe, and the United Kingdom. It is only open to students during the summer after completing their junior year. Currently students receive credit for the following Cedarville courses: ECON-3350, ECON-3360, MRKT-4620, and MGMT-3570.

Summer School

The University offers two three-week summer terms. One is in May, and one begins in June. Students can earn up to six credits in either session.

The summer sessions appeal to a variety of students. Some wish to accelerate their college program. Students from other institutions may desire Bible courses that are not available at their institutions. Teachers find the summer terms a convenient means by which to update themselves in their disciplines. Others enjoy the advantages of smaller summer classes. Incoming international students recognize summer attendance as an excellent opportunity to become acclimated to academic pursuits before campus activities begin in the fall.

High school students who have completed their junior year and who display sufficient academic strength may enroll in the **summer studies program**. Eligible children of graduates of the University may qualify for the popular alumni children scholarship program that provides tuition-free credit.

Continuing students interested in attending summer school should contact the Summer School Office. New students should contact the Admissions Office. Visit www.cedarville.edu for a list of summer school courses being offered.

Daily chapel provides students with an opportunity to worship and to focus on nurturing their relationship with God.

Academic Information

Registration for Classes

Registration dates for each session are listed in the annual academic calendar. Early registration periods may be designated for currently enrolled students. During early registration, the University allows students to register for courses for the upcoming academic term. Students register for courses by academic classification and are strongly encouraged to take advantage of this early registration opportunity, rather than registering after the start of an academic term. Students who register early for a term but do not return the following semester must notify the Academic Services Office of their change in status.

Registration information, including printed registration instructions and course schedules for the semester, is distributed by the Academic Services Office prior to the respective registration periods. Additionally, registration information, including available course offerings and sections, is available on the University website.

Prior to processing a registration, each student meets with an academic advisor to discuss career direction, course options, and class schedules. While selecting courses, students and advisors should discuss alternative courses as a contingency for course closings and cancellations. Although each student has an academic advisor to help with scheduling, the student is ultimately responsible for the chosen class schedule and course of study. Students should become very familiar with the course requirements for their chosen major.

Class schedules are selected using the online registration process on the university website. The online registration process may be completed from the academic advisor's computer or from any other computer through which the student has internet access. Instructions for using the online registration program are available on the Academic Services webpage or from the Academic Services Office.

"Friends for Life" are developed through informal and often unplanned times of fun and fellowship.

A registration access code is required to complete the online registration process. This code is assigned by the Computer Services Office prior to each registration period and is given to the student's academic advisor. The registration access code may be utilized by the academic advisor to complete the student's registration during the advising process, or the advisor may give the code to the student to enable the student to complete the registration process from another computer. After the online registration process has been completed, the student's confirmed schedule becomes an active registration in the administrative computer system.

To finalize their registration, students must make financial arrangements for payment of the amount due listed on their billing invoice (see the financial section of the catalog for information concerning costs and payment plans).

Adding and Withdrawing from a Course

It is the student's responsibility to verify the accuracy of his/her course registration at the beginning of each semester. All registrations must be finalized by the end of the second week of the semester. No classes may be added after this time unless approval is granted from the course instructor, chair of the department that offers the course, and the dean of the respective school. In the absence of the dean, the academic vice president may approve a late registration. A late registration fee of \$50.00 will be charged to process a registration or add a class after the deadline.

Changes in a student's course schedule must be made through the drop/add process. This may be completed online through seven calendar days after classes begin. After this time, a drop/add form is required to complete a schedule change. Forms for course changes are available in the Academic Services Office and must be signed by both the course instructor and the student's academic advisor. The student is required to make up any work missed due to late entrance. Changes in a schedule caused by cancellation of courses will not result in financial penalty.

When a course is dropped, the action is recorded as follows:

Week Course Is Dropped	Action
Before the end of the 1st full calendar week	No record on transcript
During 2nd full calendar week through 9th calendar week	W – Withdrawn
10th and 11th calendar weeks	WP – Withdrawn Passing or WF – Withdrawn Failing
Week 12 through the end of the semester	Drops not Permitted

Course changes are complete when the Academic Services Office receives the completed drop/add form. The effective date of the course change is the date the Academic Services Office receives the completed form. Failure to properly drop a class will result in a grade of Z which counts the same as an F.

Refund information is listed in the financial information section of the catalog. This information is also available on the Academic Services webpage.

Auditing

Auditing involves attending and participating in a course without earning credit. A course may be changed from credit to audit before the end of the first week of the semester. Courses may be changed from audit to credit, with permission of the instructor, before the end of the first week of the semester. A student may not test out of a course already audited. Registration to audit a class will not be processed until the first day of the semester to accommodate students requiring regular registration status.

Withdrawing from the University

Proper withdrawal from the University begins in the Academic Services Office, where the student completes an official withdrawal form. Refund requests should be submitted to the Business Office at least three days prior to withdrawal. A student's ID card and dorm key must be returned to the Academic Services Office on the last day the student is on campus. No student should leave Cedarville University without completing proper withdrawal through the Academic Services Office.

Student transcripts will be marked with the appropriate grade once withdrawal is complete in accordance with the established university policy. (See Adding and Withdrawing from a Course.)

Continuing at the University

The University assumes that a student will continue taking courses from semester to semester unless the student graduates, is asked to leave for academic or disciplinary reasons, or withdraws voluntarily. To assist in planning each academic term, the University asks each student to register for the upcoming academic term during early registration. This secures courses for the student and enables the University to make enrollment decisions for that term. A student who owes money to the University may not register for future academic terms.

Enrolled students register for fall semester courses at the end of each spring semester. To retain these course selections and confirm the intention to enroll in the fall semester, each student must submit a reservation deposit of \$250 by May 1. This deposit also reserves a place in college housing for single students under 25 years of age. The deposit is credited to the student's account and may be used to help cover Fall Semester expenses. Should the student decide to withdraw from the University before July 1, \$150 of this deposit is refundable. After July 1, the \$250 deposit is nonrefundable.

A student who does not register and submit the continuing student reservation deposit by June 1 or make other special arrangements with the Student Services Office will be considered withdrawn. Any student who withdraws voluntarily or is involuntarily withdrawn must apply and be approved for readmission to return as a student to the University. Readmission forms and information are available from the Admissions Office.

Withdrawal for Military Reasons

Students serving in reserve units of the armed forces may be called up to active duty during an academic term. Students who withdraw up to the end of the fourth week of the semester will receive refunds according to the following schedule:

Tuition: 100%

Room: prorated on a per diem basis

Board: prorated on a per diem basis

Fees: 0

A "Mind for Truth" is developed with careful direction from qualified and committed professors.

Students who withdraw after the fourth week of the semester file a request for "permanent incomplete." This classification provides students the opportunity to complete the course work upon returning to the University without having to pay tuition again. Forms may be picked up in the Academic Records Office.

Approval for the awarding and removal of the entry "permanent incomplete" resides with the Academic Vice President. Refunds for room, board, and fees will be disbursed according to the previously mentioned schedule.

To initiate the withdrawal procedure, students are to bring a copy of their orders to the Academic Services Office and obtain the appropriate forms. Withdrawals will be processed according to the standard procedures listed in the University catalog.

Course Numbers and Designations

The course numbers are designed to help students select courses at the appropriate level. The University uses the following system:

1. The first number indicates the year in which the course is usually taken. Freshmen normally take 1000-level courses; sophomores, 1000-level or 2000-level courses; juniors, 2000-level or 3000-level courses; and seniors, 3000-level or 4000-level courses. Courses beyond the student's classification should be taken with the consent of the instructor and academic advisor.
2. The alphabetical prefixes in the course designations indicate content divisions within academic departments. For example, the prefix "BETH" indicates that the course is a theology course in the Department of Biblical Education.

The semester that the course is offered is shown following the course title as follows: Fa–Fall; Sp–Spring; and Su–Summer. The number to the right of the course title indicates credit given in semester hours. The University reserves the right to offer or withhold any of the courses listed.

Alternate Year Courses

Some departments offer courses on alternate years. These are designated as "even years" or "odd years" based on the first school year number. Example: 2004-05 is an even year.

Academic Information

Grading System

- A** Recognizes excellent achievement. It is indicative of superior-quality work and reveals a thorough mastery of the subject matter. The student receiving this grade should demonstrate enough interest to do some independent investigation beyond the actual course requirements.
- B** Indicates work and achievement that are well above average. The student receiving this grade should be capable of doing advanced work in this field. The quality of the work should be considered better than that achieved by the average student.
- C** Indicates average achievement and a satisfactory meeting of requirements.
- D** Reveals inferior accomplishment and is generally unsatisfactory from the standpoint of course requirements. This is the lowest grade for which credit can be earned.
- F** Failing grade. It indicates very unsatisfactory work. No course credit is earned.
- AU** Given when a course is audited. To receive this notation, the student must attend and participate in the course. No credit is earned.
- CR** Credit has been granted; it also applies to the credit/no credit program in which credit is received for satisfactory (“C” average or above) performance in the course. A course in which a CR has been earned counts toward the total graduation requirements but is not used in the computation of grade point averages.
- CE** Credit for the course has been earned by an examination administered by the University or another recognized testing agency or program.
- I** Signifies an incomplete and is a temporary grade given when a student is unable to complete the coursework on time because of extraordinary circumstances, such as illness, emergency, or other reasonable cause. This temporary grade does not influence the student’s grade point average. To be considered for an incomplete, the student must be passing the course and have completed the majority of the coursework. The instructor giving the incomplete will establish an appropriate completion date with the student. This date may extend to the end of the semester following the one in which the course was taken. If the work is not completed by the designated date, the “I” will be changed to an “F” and will be calculated as such in the student’s grade point average.
- INC** Indicates a permanent incomplete, a grade assigned in special situations by the faculty member with the approval of the academic vice president. This permanent grade does not influence the student’s grade point average. To receive a permanent incomplete, the faculty member should submit the appropriate form to the academic vice president identifying the circumstances warranting this special grade. If a permanent incomplete is awarded, the grade may not be changed at a future date. To receive credit for the course, the student must again register for the course and complete the course requirements.
- K** Signifies credit and accompanies courses transferred from other colleges or universities. It has no effect upon cumulative grade point average.
- NC** No credit has been earned. Credit hours for which an “NC” has been earned are not used in the computation of grade point averages.
- NP** Indicates that the student did not pass a course where the credits do not count toward the graduation requirements. Basic English and Intermediate Algebra are examples of such courses.
- NR** Indicates that the faculty member did not submit the grade in time for it to appear on the grade card.
- P** Indicates that the student performed satisfactory work (“C” average or better) in a course where the credits do not count toward graduation, such as Basic English or Intermediate Algebra.
- W** Indicates that the student withdrew from the course between the second and ninth weeks of the semester.
- WP** Indicates that the student is passing when a course is dropped during the tenth and eleventh weeks of the semester.
- WF** Used during the tenth and eleventh weeks of the semester if the student is failing at the time of withdrawal.
- Z** Indicates that the student did not complete the course but did not officially withdraw. A “Z” is treated in the same manner as an “F” grade when figuring the grade point average.

Dr. Dixon joins a group of Cedarville students to “make some noise” at a men’s home soccer game.

Grade Points and Point Averages

Cedarville University uses the “four-point system” to determine academic averages. Grade points are awarded as follows:

Grade	Grade Points
A	4.0
A-	3.7
B+	3.3
B	3.0
B-	2.7
C+	2.3
C	2.0
C-	1.7
D+	1.3
D	1.0
D-	.7
F	0.0

The grade point average is computed by dividing the total grade points earned by the total hours attempted. Grades are issued at the end of each semester. The student is responsible for discussing his or her academic achievement with his or her instructor.

Academic Progress, Warning, and Suspension

To satisfy the minimum graduation requirements, a student must earn a cumulative grade point average of 2.0. The minimum cumulative grade point average needed to maintain good academic standing is also 2.0.

The University recognizes that some students may have difficulty earning and/or maintaining the minimum cumulative grade point average required for good standing and for graduation. To assist them, the following academic progress chart outlines the minimum cumulative grade point averages needed according to the credit hours earned.

Academic Progress Chart

Credits Attempted	Minimum Cumulative GPA for Academic Probation	Minimum Cumulative GPA for Academic Warning
0-18	1.00	1.45
19-36	1.25	1.60
37-64	1.50	1.75
65-96	1.75	1.90
97-112	1.90	–
113-128	1.95	–

Some academic programs have stricter academic progress requirements than those listed above. Students should check academic department sections of the catalog for the specific grade point requirements of their majors.

Students who are not in good academic standing will be notified by the dean of their school. First-semester freshmen who do not meet the 1.0 average will usually not be academically suspended in order to provide some additional time for them to make the adjustment to college life.

Any student who does not meet the minimum cumulative grade point average required for academic probation will be suspended for at least one semester. Any student on academic probation for two successive semesters who is not making satisfactory academic progress is subject to academic suspen-

sion. Any student whose term grade point average is not above 1.0 for two successive semesters and who is not making satisfactory academic progress is subject to suspension. The dean of a school may make exceptions to the academic progress guidelines when appropriate.

A student receiving veterans benefits who is on academic probation for two successive semesters without making satisfactory progress will be reported to the Veterans Administration. The veterans benefits for such a student will be terminated unless the student is making progress toward meeting the minimum academic requirements for graduation.

Faculty members and other counselors are available to discuss student progress. The student experiencing academic difficulty should utilize these personnel, as well as resources available in the Academic Assistance Office, to help find solutions to academic problems.

Students on academic warning or probation may be required to take a special study skills course as a condition for continuing at the University. Academic warning may preclude involvement in certain university activities. Students facing academic warning or probation should consult with the coaches, advisors, or directors of their activities to learn of academic requirements or restrictions that may apply to those activities.

A student must maintain satisfactory academic progress to receive financial aid. Students receiving aid should check the financial aid section of the catalog to obtain the academic progress requirements that pertain to particular aid programs.

A student suspended for academic reasons may apply for readmission during any semester in the regular academic year following the semester of suspension. A student who is subject to suspension for a second time may be permanently dismissed.

Repeating Courses

While adjusting to academic life at Cedarville, some new students earn grades they consider to be unsatisfactory. Consequently, any student who earns an unsatisfactory grade as a freshman (student with fewer than 31 credits) may repeat the course at Cedarville University before the end of their sophomore year (student with 31 to 60 credits). Under this freshman repeat policy, the cumulative grade point average will be recalculated using the second grade instead of the first.

A similar policy applies to a transfer student. Under the transfer repeat policy, courses taken during the **first semester** of attendance may be repeated within the succeeding **two regular semesters**. The cumulative grade point average will be recalculated using the second grade instead of the first.

Under these repeat policies, any course may be repeated. Although the first grade is no longer calculated into the cumulative grade point average, the course and grade information does remain on the student’s transcript. In all other cases when a student repeats a course, both grades are calculated into the cumulative grade point average. However, credit hours for a repeated course may count only once toward the credits needed for graduation.

Academic Information

Credit/No Credit Program

The grade designation "credit/no credit" may be assigned by faculty members in courses such as student teaching, laboratories, independent studies, electives, and one-hour courses in physical education and music. The opportunity to take elective courses on a credit/no credit (CR/NC) basis offers students the opportunity to develop background in new areas of study without threatening cumulative grade point averages.

The following guidelines govern involvement in the program:

1. A student of any classification may choose to earn credit/no credit or a letter grade in one semester hour, non-major physical education courses. This choice may be made at the end of the semester.
2. To earn credit, a student must maintain an average of "C" or better in the course.
3. A student must be at least a junior in classification (have earned at least 61 semester hours) to take an elective course on a credit/no credit basis. An elective is a course that will not count toward the student's general education, major, minor, or cognate requirements.
4. A student may take just one elective course per term under the credit/no credit designation.
5. The total number of courses (other than one-hour physical education courses) that may be taken under the credit/no credit designation is determined by the student's cumulative grade point average:

2.0 - 2.49	one course
2.5 - 2.99	two courses
3.0 - 3.49	four courses
3.5 and above	six courses
6. A student taking an elective course who wishes to change from the credit/no credit designation to the regular grading designation must do so before the end of the 4th week of the semester.
7. A student who wishes to change an elective course to the credit/no credit designation must do so before the end of the first full calendar week of the semester.

Academic Honors

The Dean's Honor List

Until final awards are announced at commencement, the highest academic honor possible to attain at Cedarville University is to be included on the Dean's Honor List. This list of high-ranking students is published at the end of each regular semester. Lists are not published following the summer sessions.

The requirements for the Dean's Honor List are as follows:

1. A student must have a 3.75 grade point average or higher for the semester.
2. A student must have no grade for the semester lower than a "B."
3. A student must carry a minimum of 12 semester hours, excluding CR hours. Exceptions are made for those enrolled in field experiences or internships granting credit/no credit, provided they take at least 2 regularly graded courses.
4. A student must complete every course being taken by the end of the semester when grades are turned in by the faculty.

The Dean's List

Published at the end of each regular semester, the Dean's List is issued with the following requirements:

1. A student must maintain a 3.50 average for the semester.
2. A student must be carrying at least 12 semester hours, excluding CR hours. Exceptions are made for those enrolled in field experiences or internships granting credit/no credit, provided they take at least two regularly graded courses.
3. A student must complete every course being taken by the end of the semester when grades are turned in by the faculty.

Graduation with Honors

Upon recommendation of the faculty, a student who earns a grade point average of at least 3.5 will graduate "with honor"; one who earns a grade point average of at least 3.75 will graduate "with high honor"; and one who earns a grade point average of at least 3.9 will graduate "with highest honor." A student must be in residence at least two full years (61 semester hours) to qualify for graduation with honors. Hours earned by examination (test-out) do not count as hours in residence toward graduation with honors. The cumulative grade point average at the end of the Fall Semester prior to spring commencement is used to determine recognition for graduation with honors at commencement. However, actual graduation with honors, as recorded on the final transcript, includes grades from all subsequent academic terms required to complete degree requirements.

See the financial aid section of this catalog for a list of additional academic awards.

Family Rights and Privacy Act

Cedarville University complies with the Family Educational Rights and Privacy Act (the Buckley Amendment), which is designed to protect the privacy of educational records, to establish the right of students to inspect and review their records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. The University has adopted a policy that explains in detail the procedures followed for compliance with provisions of the Act. Copies of the policy are available in the Academic Services and Student Services Offices.

School of Engineering, Nursing, and Science

Dean: Stanley Baczek, Professor of Polymer Science and Engineering. *Education:* B.S., Southeastern Massachusetts, 1969; M.S., University of Massachusetts-Amherst, 1975; Ph.D., University of Massachusetts-Amherst, 1977. At Cedarville since 2003.

Departments:

- Engineering
- Nursing
- Science and Mathematics

School of Health and Human Performance

Dean: Pamela Diehl Johnson, Senior Professor of Physical Ed. *Education:* B.S., University of Dayton, 1970; M.A., The Ohio State University, 1971; Ph.D., The Ohio State University, 1974. At Cedarville since 1974.

Departments:

- Athletic Facilities
- Athletic Training
- Exercise and Sport Science
- Intercollegiate Athletics

School of Humanities, Fine Arts, and Bible

Dean: Robert Milliman, Professor of Bible.

Education: B.S., Pillsbury Baptist Bible College, 1980; B.A., University of Minnesota, 1982; M. Div., Central Baptist Theological Seminary, 1984; Th.M., Central Baptist Theological Seminary, 1987; Ph.D., Trinity Evangelical Divinity School, 1997. At Cedarville since 2004.

Departments:

- Biblical Education

- Language and Literature
- Music and Art

School of Social Sciences and Professional Studies

Dean: Merlin Ager, Professor of Education.

Education: B.A., Cedarville University, 1960; M.S., University of Wisconsin, 1962; graduate study, Miami University, summer of 1963; Ph.D., The Ohio State University, 1967. At Cedarville 1964-75, 1978 to present.

Departments:

- Business Administration
- Education
- Psychology
- Social Science and History

Athletic Training

School of Health and Human Performance

Purpose Statement

The Mission of the Cedarville University Athletic Training Education Program (CU ATEP) is to advance the Kingdom of the Lord Jesus Christ by equipping godly men and women to be competent Certified Athletic Trainers for excellence in service to Christ in strategic fields of Christian ministry.

This is to be accomplished through an educational program that practices the skills associated with the prevention, management, and rehabilitation of injuries and illnesses associated with the physically active.

It is to be carried out in an environment of spiritual fellowship and relationships that emphasizes unreserved commitment to the worship of God, submission to the authority of the Scriptures, a life of personal holiness, the priority of the local church, and the mission of penetrating the world with the Truth.

Objectives of the Athletic Training Education Program:

- Provide an education that is current in content
- Develop clinicians who are professional in practice
- Encourage students to be spiritually sensitive
- Train students to demonstrate superior skill
- Develop students who are trained in technology
- Foster an excellent work ethic

The athletic training major prepares students for a career as a Certified Athletic Trainer (or ATC, which is the official credential awarded when students successfully pass all three portions of the certification exam administered by the NATA-BOC). The CU ATEP meets the requirements set forth by the National Athletic Trainers'

Association (NATA) and the Commission of Accreditation of Allied Health Education Programs (CAAHEP). Even though the CU ATEP has not yet been formally recognized as having accreditation status, the program was reviewed by the Joint Review Committee for Athletic Training (JRC-AT) in April of 2004 and a final decision is expected sometime during the 2004-05 academic year.

Personal Requirements

Athletic training requires a significant level of scientific and clinical preparation. Prospective athletic training students are encouraged to take college preparatory courses in high school, including biology, chemistry, physics, and advanced math. An ACT composite score of 24 (or SAT composite of 1100) or greater is highly recommended.

Typically, the student who is interested in athletic training as a potential career has a history of being involved in athletics personally and may even wish to pursue participating in athletics at the collegiate level. Students need to be aware that the Cedarville University Athletic Training Education Program depends on the varsity athletics program at CU to provide the primary "laboratory" experiences for the clinical education component of the program. Therefore, attempting to participate in varsity athletics while simultaneously pursuing the athletic training major may prove to be a significant conflict of interest.

Students are, however, expected to model appropriate stewardship of their physical bodies by being involved in a consistent program of regular exercise and activity. A semi-annual 1½ mile run is used to evaluate the status of the student's fitness.

The athletic training major prepares students for careers as Certified Athletic Trainers with an emphasis on using athletic training as an opportunity for ministry in a variety of settings.

Department Requirements

Admission and retention

Athletic training clinical education is a relatively labor-intensive product to deliver well. Because there is a finite number of quality sports medicine opportunities available on campus, The CU ATEP limits each academic class to no more than 10 students each (i.e. 10 seniors, 10 juniors, and 10 sophomores). There is currently no limit to how many freshman may declare athletic training as their major, but if more than 10 students desire to continue as athletic training majors beyond the freshman year, the competitive admission process is enforced. Transfer students are considered on an individual basis but are only eligible to be admitted directly into the CU ATEP if: 1) there is space available in their graduating class and 2) they have met all the admission criteria. Anyone thinking about transferring to Cedarville for the purpose of being an athletic training major should contact the Program Director as early in the process as possible. Admission criteria include:

1. Cumulative grade point average of 2.5 or better
2. Completion of college-level biology and chemistry courses with a grade of "C-" or better.
3. Completion of college-level first aid and basic athletic training courses with a grade of "B-" or better.
4. Completion of at least 150 clinical hours in the Cedarville University Athletic Training Facility.
5. Satisfactory physical exam
6. Hepatitis B vaccine or signed declination
7. Signed acceptance of technical standards, available at www.cedarville.edu/dept/es/athletictraining
8. Current certification in cardiopulmonary resuscitation (CPR) including AED.

Retention criteria include:

1. Earn a grade of "C-" or better in all athletic training courses
2. Maintain a cumulative grade point average of 2.25
3. Maintain current CPR certification
4. Successful completion of clinical proficiencies established for each term
5. Positive recommendation by the faculty/clinical instructors of the ATEP

Graduation requirements include:

1. Earn a grade of "C-" or better in all athletic training courses
2. Member of the NATA
3. Successful completion of all clinical proficiencies
4. Apply for the NATA-BOC certification exam
5. Meet university requirements for graduation

Students are encouraged to combine the athletic training major with another program of study depending upon their career objectives. Possible options include a business minor for those planning to be employed in the sports medicine clinic setting or a teaching certificate for those planning to be employed in the high school setting, and exercise science or biology electives for those pursuing graduate education or employment in higher education. Students need to be aware that preparing to be a marketable athletic trainer may require more than the traditional four years of college.

Faculty

Robert Duchardt, Assistant Professor of Athletic Training. Certified athletic trainer (NATA-BOC). *Education:* B.S., Taylor University, 1965; M.S., Union College, 1973; graduate study, West Chester State College, 1977. At Cedarville since 1989.

Evan Hellwig, Associate Professor of Athletic Training. Certified athletic trainer (NATA-BOC); licensed physical therapist. *Education:* B.S., Mankato State University, 1984; Physical Therapy Certificate, University of Iowa School of Medicine, 1986; Ph.D., University of Virginia, 1992. At Cedarville 1986-89, 1992 to present.

William Vine, Associate Professor of Athletic Training. Head Athletic Trainer; Certified athletic trainer (NATA-BOC). *Education:* B.A., California State University–Chico, 1982; M.A., San Jose State University, 1989. At Cedarville since 2001.

Christopher Cross, Assistant Professor of Athletic Training. Certified athletic trainer (NATA-BOC); B.S., Alderson-Broadbudd; M.S., West Virginia University. At Cedarville since 2004.

The Cedarville Athletic Training program practices the skills associated with the prevention, recognition, management, and rehabilitation of injuries and illnesses that are associated with the physically active.

Athletic Training

School of Health and Human Performance

Clinical Requirements

The clinical experience is an integral part of the ATEP. Accreditation standards require that the clinical education component of the curriculum be at least two full years in duration. Athletic training majors need to be routinely available during typical varsity practice and game times in order to fulfill the clinical education component of the ATEP. Freshmen will need to accumulate at least 150 hours in order to be eligible for admission into the ATEP. Sophomores will be scheduled to work (approximately 8-10 hours per week) with every team each semester on a rotation basis to expose them to all aspects of collegiate athletic training services. The junior and senior years are devoted to completing extensive clinical assignments, including assisting an ATC with a lower extremity sport, an upper extremity sport, an equipment intensive sport (football), and managing an athletic training facility. Upperclassmen can anticipate working 12-18 hours per week. Therefore, students majoring in athletic training are not encouraged to participate in intercollegiate athletics.

Course Requirements involve 67.5 semester hours including:

ATRN-1550 Basic Athletic Training.....	5
ATRN-2560 Lower Body Injury Management.....	5
ATRN-2570 Upper Body Injury Management.....	5
ATRN-2650 Therapeutic Exercise for Athletic Injuries.....	2

Athletic Training

ATR-1550 Basic Athletic Training–Sp 5 hours

An overview of the allied health profession known as athletic training. This course focuses on prevention, management, and rehabilitation of sport-related injuries. Relevant topics include physical conditioning, evaluation, injury cycle, and superficial modalities. (Fee: \$50)

ATR-2560 Lower Body Injury Management–Fa 5 hours

Comprehensive evaluation, management, and initial rehabilitation of athletic injuries involving the lower portion of the human body. *Prerequisites:* ATR-1550 Basic Athletic Training; BIO-2010 Human Anatomy and Physiology. (Fee: \$35)

ATR-2570 Upper Body Injury Management–Sp 5 hours

Comprehensive evaluation, management, and initial rehabilitation of athletic injuries involving the upper portion of the human body. *Prerequisites:* ATR-1550 Basic Athletic Training; BIO-2010 Human Anatomy and Physiology. (Fee: \$35)

ATR-2650 2 hours

Therapeutic Exercise for Athletic Injuries–Sp

Management of athletic injuries from the subacute phase through return to participation. Based on principles of biomechanics with emphasis on strength, flexibility, proprioception, endurance, and agility.

ATR-2900 Sports Medicine Clinic–Fa,Sp 0 hours

Designed to expose the student to the sports medicine clinic. Students will spend a minimum of 25 hours in an appropriate sports medicine clinic to view first hand the role of the certified athletic trainer in this employment setting. *Prerequisites:* ATR-1550 Basic Athletic Training; permission from the director of athletic training. Credit/no credit.

ATR-3550 2 hours

Organization and Administration in Athletic Training–Fa

Management of the athletic training program and facility at all levels of sport. Topics include budgets, policies, design, record keeping, and legal aspects of athletic training.

ATR-3660 Modalities in Athletic Training–Fa 3 hours

An overview of the modalities used in athletic training including thermal agents, electrical agents, and mechanical modalities. *Prerequisite:* ATR-1550 Basic Athletic Training or permission of the instructor. (Fee: \$35)

ATR-3920 2 hours

Supervised Experience in Athletic Training–Upper Body–Sp

A practicum course that allows the student to demonstrate mastery of clinical proficiency by applying course content to the actual practice of athletic training. Students will be assigned to a varsity team and assist the athletic training staff in providing services. *Prerequisites:* ATR-2560 Lower Body Injury Management; ATR-2570 Upper Body Injury Management.

ATR-3930 2 hours

Supervised Experience in Athletic Training–Lower Body–Fa

A practicum course that allows the student to demonstrate mastery of clinical proficiency by applying course content to the actual practice of athletic training. Students will be assigned to a varsity team and assist the athletic training staff in providing services. *Prerequisites:* ATR-2560 Lower Body Injury Management; ATR-2570 Upper Body Injury Management.

ATR-4560 Medical Aspects of Athletic Training–Fa 2 hours

Focuses on medical issues related to athletic training, including but not limited to conditions of the cardiovascular, respiratory, digestive, and urinary systems.

ATR-4610 Issues in Athletic Training–Sp 1 hour

A study of the current significant issues in athletic training with an emphasis on legal/ethical issues and professional development.

ATR-4850 1-3 hours

Independent Study in Athletic Training–Fa,Sp

An independent study in athletic training by students pursuing the athletic training major. *Departmental approval is required.*

ATR-4910 2 hours

Supervised Experience in Athletic Training–Athletic Training Facilities–Sp

A practicum course that allows the student to demonstrate mastery of clinical proficiency by applying course content to the actual practice of athletic training. Students will be assigned to the athletic training facility and assist the athletic training staff in providing services. *Prerequisites:* ATR-3920 Supervised Experience in Athletic Training–Upper Body; ATR-3930 Supervised Experience in Athletic Training–Lower Body

ATR-4940 2 hours

Supervised Experience in Athletic Training–Football–Fa

Students will spend at least 200 hours working with a certified athletic trainer during preseason and regular season football. Assignment may be at the collegiate or high school level. Students are responsible for their own transportation. Assignments begin in early to mid-August. Students will also meet on campus weekly to demonstrate mastery of clinical proficiencies associated with equipment intensive sports and collision trauma. *Prerequisites:* ATR-3920 SEAT-Upper Body; ATR-3930 SEAT-Lower Body. (Fee: \$35)

Students gain experience by applying their athletic training knowledge to real-life injury.

Biblical Education

School of Humanities, Fine Arts, and Bible

Purpose Statement

Our Lord Jesus Christ commissioned His followers to “go and make disciples of all nations, baptizing them...and teaching them to observe all that I commanded you...” (Matt. 28:19). The Apostle Paul is an example of how the early believers embraced this mission and carried it forward. “We proclaim him (Christ),” Paul declared, “admonishing every man and teaching every man with all wisdom, so that we may present every man complete in Christ” (Col. 1:28). Indeed, over the centuries there is an unbroken chain of men and women who have found life doing the same. So it is the mission of the Department of Biblical Education at Cedarville University to stand firmly in that line of those who have faithfully carried forward Christ’s commission. With Peter we are convinced that it is Christ alone who has “the words of eternal life” (John 6:68).

As a department, we are privileged to carry out this commission on two levels. First, we are engaged in training men and women professionally and academically. Professionally, we want to equip graduates for full-time ministry in the church by preparing men and women with a theologically informed philosophy of ministry accompanied by the skills and experience needed to actualize it in the church. Majors that particularly facilitate this are Christian education, youth ministries, pastoral studies, world missions, and international studies-missiology. Academically, we want to inspire men and women to use their minds for the glory of God. We want to raise up a generation of scholars whose desire is to bring every thought into submission to Christ for the glory of God. Majors geared toward this purpose are comprehensive Bible, pre-seminary Bible, and philosophy.

Second, we have the institution-wide opportunity of influencing each student through the required Bible minor. On this level we endeavor to aid students from all disciplines in developing a distinctively God-centered world and life view. We believe it to be crucially important that all those who will be appointing the pastors and missionaries of the future, doing the work of the ministry, and serving God through their vocations know how to handle the word of truth accurately.

To this end, we commit ourselves to facilitating the development in every student of a biblically-based, theologically-sound, philosophically-defensible, and life-transforming view of life under God.

Personal Requirements

Students planning to pursue careers in vocational ministries should possess a commitment to intense study of the Scriptures, a heart for ministering to the needs of others, and a reputation for Christlike character, which would provide a platform for authentic spiritual leadership. In addition to classroom expectations, students should seek to gain as much practical experience in ministries as possible. Biblical education majors find the opportunities provided by the Christian ministries program to be excellent avenues for applying truths learned in the classroom and developing necessary skills for effective ministry.

Department Requirements

To graduate with a major from the Department of Biblical Education, students must earn a cumulative average of 2.0 or above and a “C-” or above in all courses included in the major with the exception of Greek.

Programs of Study

The Department of Biblical Education offers the following programs:

Majors

- Bible Teacher Education
- Comprehensive Bible
- Christian Education
- International Studies-Missiology
- Pastoral Studies
- Philosophy
- Preseminary Bible
- World Missions
- Youth Ministries

Minors

- Bible
- Christian Education
- Greek
- Missions
- Philosophy and Religion
- Preseminary
- Women’s Ministry
- Youth Ministries

Special Program

- One-Year Bible Certificate

Technical Resources

- Concordance and Bible study software (Logos Series-X Scholar’s Edition)
- Greek and Hebrew tutorial software
- 3-D interactive satellite atlas software of the land of Israel
- Textbook-specific software
- Course-specific software

Co-Curricular Opportunities

Several organizations exist campus-wide, which assist in the development of character and ministry skills. Many Bible faculty serve as advisors for these organizations and our majors are encouraged to take full advantage of them. For example:

- **Chi Delta Nu** encourages students going into youth ministry through prayer, fellowship, and service.
- **Timilathians** is an organization devoted to promoting critical thinking through philosophical and theological inquiry into issues central to the Christian worldview and our contemporary culture.

Career Opportunities

Graduate schools, professional schools, and seminaries welcome Cedarville University graduates. Careers pursued by graduates include:

- Bible teacher
- Camp director
- Christian education director
- Missionary
- Pastor
- Philosopher
- Writer
- Youth pastor

Faculty

Chris Miller, *Chairman*: Professor of Bible. *Education*: B.A., Tennessee Temple University, 1976; Th.M., Grace Theological Seminary, 1981; Ph.D., Dallas Theological Seminary, 1993; graduate study, Institute of Holy Land Studies (Jerusalem, Israel), 1992. At Cedarville since 1991.

James Bjornstad, Professor of Philosophy. *Education*: B.A., Northeastern Bible College, 1967; Th.B., Northeastern Bible College, 1967; M.R.E., New York Theological Seminary, 1969; graduate work, New York University. At Cedarville since 1995.

Richard Blumenstock, Associate Professor of Bible. *Education*: B.A., Cedarville University, 1963; Th.M., Dallas Theological Seminary, 1967; D.Min., Western Conservative Baptist Seminary, 1993. At Cedarville since 1990.

Biblical Education

School of Humanities, Fine Arts, and Bible

William Brown, President; Professor of Bible. *Education*: B.A., University of South Florida, 1975; Th.M., Dallas Theological Seminary, 1981; Ph.D., Dallas Theological Seminary, 1984. At Cedarville since 2003.

Jeffrey Cook, Associate Professor of Bible. *Education*: B.A., Cedarville University, 1981; M.A., Grace Theological Seminary, 1983; M.Div., Tyndale Theological Seminary (the Netherlands), 1991; D.Min., Trinity Evangelical Divinity School, 1997. At Cedarville since 1998.

Gregory Couser, Associate Professor of Bible and Greek. *Education*: B.S., Liberty University, 1981; M.Div., Liberty Baptist Theological Seminary, 1985; M.A., Liberty University, 1988; Ph.D., University of Aberdeen (Scotland), 1993. At Cedarville since 1994.

Thomas Cragoe, Associate Professor of Bible. *Education*: A.B., Wheaton College, 1979; Th.M., Dallas Theological Seminary, 1983; Th.D., Dallas Theological Seminary, 1987. At Cedarville since 2001.

Paul Dixon, Chancellor; Professor of Bible. *Education*: B.A., Tennessee Temple University, 1961; M.Div., Temple Baptist Theological Seminary, 1964; D.D., Tennessee Temple University, 1978; LL.D., Liberty University, 1984; Ed.D., The University of Cincinnati, 1986. At Cedarville since 1978.

Scott Dixon, Associate Professor of Bible. *Education*: B.A., Cedarville University, 1984; Th.M., Dallas Theological Seminary, 1989; Ph.D., Michigan State University, 2001. At Cedarville since 1997.

David Drullinger, Professor of Bible. *Education*: B.S., Western Baptist College, 1967; B.D., San Francisco Baptist Seminary, 1971; Th.M., Western Conservative Baptist Seminary, 1975; D.Min., Western Conservative Baptist Seminary, 1980. At Cedarville since 1989.

Daniel Estes, Associate Academic Vice President; Professor of Bible. *Education*: B.A., Cedarville University, 1974; Th.M., Dallas Theological Seminary, 1978; Ph.D., Cambridge University (England), 1988. At Cedarville since 1984.

Timothy Gombis, Assistant Professor of Bible. *Education*: B.S., Liberty University, 1994; M.Div., The Master's Seminary, 1997; Th.M., The Master's Seminary, 2000; Ph.D., University of St. Andrews (Scotland), 2004. At Cedarville since 2004.

Donald Grigorenko, Assistant Professor of Bible. *Education*: B.S., The Ohio State University, 1977; Grad Certificate, Multnomah School of the Bible; Th.M., Dallas Theological Seminary, 1986; all work completed for Ph.D. except dissertation, Trinity Evangelical Divinity School. At Cedarville since 2001.

Amy-Hope Guisleman, Assistant Professor of Philosophy. *Education*: A.A., Southeastern Bible College, 1994; B.A., Auburn University, 1996; M.A., The Ohio State University, 2000. All work completed for Ph.D. except dissertation, The Ohio State University. At Cedarville since 2001.

David Hoffeditz, Assistant Professor of Bible and Greek. *Education*: B.A., Cedarville University, 1992; Th.M., Dallas Theological Seminary, 1996; Ph.D., University of Aberdeen (Scotland), 2000. At Cedarville since 2000.

Michael Holt, Assistant Professor of Bible. *Education*: B.A., Moody Bible Institute, 1977; Th.M., Dallas Theological Seminary, 1983. At Cedarville since 2001.

Thomas Hutchison, Assistant Chair; Associate Professor of Christian Education. *Education*: B.A., Cedarville University, 1980; M.Div., Grand Rapids Baptist Seminary, 1985; Ph.D., Marquette University, 1997. At Cedarville since 1995.

Stephen Janssen, Assistant Professor of Bible. *Education*: B.A., Tennessee Temple University, 1979; Th.M., Dallas Theological

Seminary, 1992. At Cedarville since 1999.

David Mappes, Assistant Professor of Bible. *Education*: A.A., ITT Technical Institute, 1980; B.A., Ottawa University, 1986; M.Div., Western Conservative Baptist Seminary, 1989; Th.M., Western Conservative Baptist Seminary, 1990; Ph.D., Dallas Theological Seminary, 1995. At Cedarville since 1999.

Robert Milliman, Professor of Bible, Dean, School of Humanities, Fine Arts, and Bible. *Education*: B.S. Pillsbury Baptist Bible College, 1980; B.A. University of Minnesota, 1982; M. Div., Central Baptist Theological Seminary, 1984; Th.M., Central Baptist Theological Seminary, 1987; Ph.D., Trinity Evangelical Divinity School, 1997. At Cedarville since 2004.

David Mills, Associate Professor of Philosophy. *Education*: B.S., Cedarville University, 1992; Ph.D., The Pennsylvania State University, 2000. At Cedarville since 1994.

Michael Parrot, Assistant Professor of Bible. *Education*: B.S., California Polytechnic State University, 1974; M.Div., Western Conservative Baptist Seminary, 1977. At Cedarville since 2004.

Jack Riggs, Senior Professor of Bible. *Education*: B.A., Taylor University, 1956; B.D., Grace Theological Seminary, 1959; Th.M., Grace Theological Seminary, 1963; Th.D., Dallas Theological Seminary, 1968; post-doctoral study, Institute of Holy Land Studies, (Jerusalem, Israel), 1987. At Cedarville since 1967.

Michael Thigpen, Assistant Professor of Bible. *Education*: B.A., University of North Carolina, 1991; M.Div., Columbia Biblical Seminary, 1994; M.Phil and Ph.D. Candidate, Hebrew Union College. At Cedarville since 2003.

Richard Durham, Professor Emeritus of Bible and Greek. *Education*: A.B., Wheaton College, 1950; B.D., Faith Theological Seminary, 1953; S.T.M., Faith Theological Seminary, 1960; Th.D., Grace Theological Seminary, 1981. At Cedarville from 1976-1991.

Jean Fisher, Associate Professor Emerita of Church Education. *Education*: B.R.E., Baptist Bible Seminary, 1956; M.A., Wheaton College, 1961; graduate study, Southwestern Baptist Theological Seminary, summer 1965. At Cedarville from 1956-1991.

Robert Gromacki, Distinguished Professor Emeritus of Bible and Greek. *Education*: Th.B., Baptist Bible Seminary, 1956; Th.M., Dallas Theological Seminary, 1960; Th.D., Grace Theological Seminary, 1966; postdoctoral study, Institute of Holy Land Studies (Jerusalem, Israel), summer 1982. At Cedarville from 1960-2000.

With a student-to-faculty ratio of 14:1 professors are able to interact with students individually to answer specific questions and to encourage personal growth.

Biblical Education

School of Humanities, Fine Arts, and Bible

Bible Teacher Education

The **Bible teacher education major** is designed for students anticipating teaching Bible primarily in a Christian school. The major provides a unique combination of content from Bible courses and pedagogy from education courses to manage a classroom and teach the Bible effectively. The Bible content portion of the program is modeled after the preseminary major with the exception of the requirement of Greek. Thus, a student could easily use this program as the foundation for further graduate study in seminary. This program would also lay the foundation for a person who, after having gained some experience in teaching, chooses to pursue a master's degree in education. The Association of Christian Schools International also approved Cedarville to offer ACSI certification in Integrated Bible for this major.

Course requirements involve 92-94 semester hours including:

<i>General Education</i>	16
BEGE-1710 Christian Life and Thought	3
BEGE-1720 Spiritual Formation	3
BEGE-2730 Old Testament Literature	3

School of Humanities, Fine Arts, and Bible

Christian Education

The **Christian education major** prepares students for ministering to diverse age groups (children through adults) in vocational service in a wide range of Christian education ministry contexts: churches, camps, college campuses, parachurch organizations, crosscultural contexts, etc. It also provides a solid foundation for graduate studies in related areas. The required selection of a ministry concentration area and options in selection of a minor can be combined to equip students for unique, specialized areas of ministry.

Course requirements involve 75 semester hours including:

<i>General Education</i>	16
BEGE-1710 Christian Life and Thought	3
BEGE-1720 Spiritual Formation	3
BEGE-2730 Old Testament Literature	3
BEGE-2740 New Testament Literature	3
BEGE-3750 Christian Worldview Development	2
BEGE-3760 Christian Worldview Integration	2
<i>Christian Education Core</i>	53-55
BECE-1000 Orientation to Bible Ministries	1
BECE-2400 Interpreting and Teaching the Bible	6
BECE-3680 Children's Ministries	4
BECE-3700 Campus Ministries	4
BECE-3720 Adult Ministries	4
BECE-4100 Leadership of Christian Education Ministries	3
*BECE-4500 Internship in Christian Education	10-12

Biblical Education

School of Humanities, Fine Arts, and Bible

Philosophy

The **philosophy major** is designed primarily for students anticipating graduate study in philosophy, theology, religion, or law. It serves to develop intellectual abilities important for life as a whole, beyond the knowledge and skills required for any particular profession. It cultivates the capacities and appetite for self-expression and reflection, exchange and debate of ideas, lifelong learning, and dealing with problems for which there are no easy answers. Philosophy is applicable to any subject matter and any human context, making it an ideal undergraduate major for those going on to specialized graduate work. Candidates for graduate study should consult graduate school catalogs to determine specific undergraduate requirements and adjust their programs at Cedarville University accordingly.

Course requirements involve 43 semester hours including:

<i>Philosophy Core</i>	29
BEPH-2200 Introduction to Philosophy	3
BEPH-2240 Logic	3
BEPH-2250 Ethics	3
BEPH-2260 Religion and Culture	3
BEPH-3250 Philosophy of Religion	3
BEPH-3310 History of Ancient and Medieval Philosophy ..	3
BEPH-3320 History of Modern Philosophy	3
BEPH-3330 19th Century Philosophy	3
BEPH-3340 Current Philosophical Developments	3
*BEPH-4910 Seminar in Philosophy	2
<i>Philosophy Electives</i>	14
BEPH-3240 Epistemology	3
BEPH-3260 Symbolic Logic	3
BEPH-3280 Metaphysics	3
BEPH-3400 Philosophy of Law and Economics	3
BEPH-4030 Philosophy and Literature	2
BEPH-4260 Philosophy of Art	2
BEPH-4290 Topics in Philosophy	2
BEPH-4900 Independent Study in Philosophy	1-3
BETH-3330 Christian Evidences and Apologetics	3
BETH-4320 Contemporary Theology	3

Suggested Electives:

COM-2050 Communication Theory	3
COM-3100 Advanced Public Speaking	3
COM-3150 Women in America	3

Preseminary Bible

The **preseminary Bible major** is designed for students anticipating graduate work in preparation for vocational ministry. It provides a sufficient foundation in biblical subjects and the Greek language and enables the student to select elective courses from other departments, which will enrich his/her personal and professional development. This is an ideal program for the person who feels God's direction into a pastoral, missionary, or teaching ministry after investing at least seven years in college and seminary preparation. Seminary candidates should consult seminary catalogs to determine specific undergraduate requirements and adjust their programs at Cedarville University accordingly.

Course requirements involve 45 semester hours including:

<i>General Education</i>	16
BEGE-1710 Christian Life and Thought	3
BEGE-1720 Spiritual Formation	3
BEGE-2730 Old Testament Literature	3
BEGE-2740 New Testament Literature	3
BEGE-3750 Christian Worldview Development	2
BEGE-3760 Christian Worldview Integration	2
<i>Preseminary Core</i>	23
BECE-2000 Christian Education Survey	3
BENT-XXXX New Testament Elective	3
BEOT-XXXX Old Testament Elective	3
BEPH-2200 Introduction to Philosophy	3
BEPT-2400 Personal Evangelism	3
(or BEPT-3410 Discipleship	3)
BEST-4310 Hermeneutics	3
*BEST-4910 Seminar in Bible	2
BETH-XXXX Theology Elective	3
<i>Preseminary Concentration</i>	6
Concentration areas include Biblical Languages, Christian Education, New Testament, Old Testament, Philosophy, or Practical Theology.	
<i>Required Minor in Biblical Greek</i>	16
BEBL-2510,2520 Elementary Greek	10
BEBL-3510,3520 Intermediate Greek	6

Recommended Minor

Students are encouraged to select another minor from the following to add breadth to the program: broadcasting, business administration, christian ministries management, church music, comprehensive communication arts, creative writing, English, history, honors program, music, organizational communications, philosophy, psychology, sociology, TESOL, theatre, or another area of study (with permission from advisor and Department of Biblical Education chair).

World Missions

Students seeking to be involved in cross-cultural ministries on international fields or in America need to be prepared with an understanding of cultural engagement, a Biblical model of mission, and the skills to study and teach scripture. “International Studies” is a degree name generally recognized internationally and reduces barriers associated with the name “world missions” in some contexts. For these reasons, see the major: “International Studies: missiology concentration” (pg. 115) for a description of the major integrating studies within Bible and other departments to effectively prepare for cross-cultural ministries. See below for a summary of this concentration.

International Studies: Missiology

The **international studies major** utilizes courses from several academic disciplines to prepare students for a variety of internationally focused careers. A distinct international studies core provides the foundation for all the concentrations available in this major.

Course requirements involve 21 semester hours of core requirements and 60 hours of concentration requirements. See the major: “International Studies” (pg. 112) for details on other concentrations.

<i>International Studies Core Requirements</i>	21
^{1,2} ANTH-1800 Cultural Anthropology	3
² BEPH-2260 Religion and Culture	3
BUS-3910 International Business	3
² COM-3140 Intercultural Communication	3
(or PSYCH-1800 Cross Cultural Psychology	3)
GEO-3510 World Regional Geography-West	3
(or GEO-3520 World Regional Geography-East	3)
³ HIST-2010 History of Civilization I	3
(or HIST-2020 History of Civilization II	3)
INTL-3190 Global Issues	3

The **missiology concentration** provides students with a missiological view of the international community. Involving coursework in mission, philosophy, sociology, geography, political science, economics, and literature, this program prepares students for a variety of mission-related positions. Course requirements involve 60 hours including:

<i>Missiology Concentration Requirements</i>	42
BECE-4100 Leadership of CE Ministries	3
BEPT-2000 Introduction to Mission	3
BEPT-2400 Personal Evangelism	3

Assistant Professor of Bible and Greek, Dr. David Hoffeditz, integrates knowledge of God's Word with practical applications.

Biblical Education

School of Humanities, Fine Arts, and Bible

One-Year Bible Program

The **one-year Bible program** is a non degree program designed to provide the student with greater Bible knowledge through intensive study of the Scriptures in a single academic year. The curriculum involves surveys of the entire Bible and the major Christian doctrines as well as specific book studies, practical theology courses, and electives chosen by the student. Whether the student is a university freshman desiring a good foundation of biblical knowledge in seeking the will of God, a student from an academic program not offered by a Christian college or university, or an individual just desiring personal enrichment through formal Bible study, the one-year Bible program will equip that individual with greater spiritual understanding so that he or she will become a more effective member of the body of Christ.

The course requirements for the one-year Bible program involve 34 semester hours including:

<i>General Education</i>	16
BEGE-1710 Christian Life and Thought	3
BEGE-1720 Spiritual Formation	3
BEGE-2730 Old Testament Literature	3
BEGE-2740 New Testament Literature	3
BEGE-3750 Christian Worldview Development	2
BEGE-3760 Christian Worldview Integration	2
BENT-XXXX New Testament Electives	6
BEOT-XXXX Old Testament Electives	3
BEPH-XXXX Philosophy Elective	3
Other Bible Electives	6

Minors

The **Bible minor**, a part of the General Education Requirement, involves 16 semester hours of course work including:

BEGE-1710 Christian Life and Thought	3
BEGE-1720 Spiritual Formation	3
BEGE-2730 Old Testament Literature	3
BEGE-2740 New Testament Literature	3
BEGE-3750 Christian Worldview Development	2
BEGE-3760 Christian Worldview Integration	2

The **Christian education minor** involves 16 semester hours of course work for the student who wishes to become better equipped to serve in the educational function of the local church. These courses include:

BECE-2400 Interpreting and Teaching the Bible	6
BECE-3680 Children's Ministries	4
or BECE-3700 Campus Ministries	4
or BECE-3720 Adult Ministries	4
Any courses with BECE or BEPT designators	6

The **Greek minor** provides the student with two years of study in Koine Greek, the original language of the New Testament. Designed to prepare students for advanced Greek language study at the seminary level, this minor is required for preseminary majors. Course requirements include 16 semester hours of elementary and intermediate Greek.

The **mission minor** for the student interested in crosscultural ministries involves 18 semester hours including:

BEPT-2000 Introduction to Mission	3
BEPT-2420 History of Mission	3
BEPT-3450 Contemporary World Missions	3

BEPT-3470 Cross Cultural Ministry	3
<i>At least 6 hours (selected from):</i>	
BEPH-2260 Religion and Culture	3
BEPT-2400 Personal Evangelism	3
BEPT-3410 Discipleship	3
BEPT-3510 Introduction to Urban Ministry	3
BEPT-4300 Missiology and Missiologists	3
BETH-3400 Current Religious Movements	3

The **philosophy and religion minor** involves 15 semester hours of course work in philosophy and religion for the student who seeks a greater understanding of the nature and history of philosophical thinking and its impact on the religious life.

The **preseminary minor** is designed to help the student prepare for graduate theological education and consists of 17-21 semester hours including:

BEBL-2510 Elementary Greek	5
and BEBL-2520 Elementary Greek	5
or BEBL-2610 Elementary Hebrew	3
and BEBL-2620 Elementary Hebrew	3
BEPH-3250 Philosophy of Religion	3
BEST-2910 Theological Research	2
<i>At least two courses (selected from):</i>	
BEPH-2240 Logic	3
BEST-4310 Hermeneutics	3
BETH-3330 Christian Evidences and Apologetics	3
BETH-4320 Contemporary Theology	3

The **women's ministry minor** involves 20 semester hours for students interested in developing the practical and skill-oriented facets for ministering to women in the local church and mission settings. Course requirements are:

BECE-3000 Women and Ministry	3
BECE-3500 Women's Communication for Ministry	3
BECE-3510 Small Group Ministry	3
BEPT-2400 Personal Evangelism	3
BEPT-3410 Discipleship	3
BEPT-3430 Pastoral Counseling	2
<i>Select one of the following courses:</i>	
COM-3150 Women in America	3
SOC-3750 Social Movements	3

The **youth ministry minor** involves 15 semester hours of coursework for the student who wishes to become better equipped to serve in youth ministries. These courses include:

BECE-2200 Introduction to Youth Ministry	2
BECE-2400 Interpreting and Teaching the Bible	6
BECE-3700 Campus Ministries	4
Any courses with BECE or BEPT designators	3

Course Descriptions

General Education Courses

Every student must take six Bible courses to meet the General Education Requirements. These 16 semester hours constitute a minor in Bible. They will also count toward the course requirements of any biblical education major. **These courses may not be taken on an out-of-class basis or by correspondence study.**

BEGE-1710 Christian Life and Thought—Fa,Sp,Su 3 hours

A foundational course designed to introduce the student to a Christian worldview. Attention is first given to the definition, function, formation, and evaluation of worldview. Then Christian responses and applications will be developed from a survey of biblical theology with emphasis upon the teaching about the Creator, creation, redemption, and consummation.

BEGE-1720 Spiritual Formation—Fa,Sp,Su 3 hours

The nature and process of spiritual formation is examined from a biblical perspective with an emphasis upon the practice of spiritual disciplines. The course undergirds students with a theology of the Bible and an introduction to the inductive method of Bible study.

BEGE-2730 Old Testament Literature—Fa,Sp,Su 3 hours

Survey of the entire Old Testament, giving special attention to authorship, historical background, and the theme of each book *with attention to literary genre*. This study traces the history of the Hebrew nation from its origin to the time of Jesus Christ. *Prerequisites: BEGE-1710 Christian Life and Thought; BEGE-1720 Spiritual Formation.*

BEGE-2740 New Testament Literature—Fa,Sp,Su 3 hours

Survey of the entire New Testament including the historical background of the Inter-Testamental period, giving special attention to main events, the authorship and content of each book *with attention to literary genre*, and the unfolding of God's redemptive purpose through the Lord Jesus Christ. *Prerequisites: BEGE-1710 Christian Life and Thought; BEGE-1720 Spiritual Formation.*

BEGE-3750 2 hours

Christian Worldview Development—Fa,Sp,Su

A continued development of a Christian worldview, with a particular emphasis on the essence and work of the Triune God and the cosmic and communal dimensions of his plan in history. *Prerequisite: completion of either BEGE-2730 Old Testament Literature or BEGE-2740 New Testament Literature and at least concurrent enrollment in the second 2000-level BEGE course.*

BEGE-3760 Christian Worldview Integration—Fa,Sp,Su 2 hours

An evaluation of selected contemporary issues in the light of a Christian worldview as informed by the theological content of the Scriptures. *Prerequisite: BEGE-3750 Christian Worldview Development.*

Biblical Languages

BEBL-2510, 2520 Elementary Greek 5 hours/semester

Basic elements of the Greek language. Careful attention is given to grammar, syntax, vocabulary, and the reading of selected portions of the Greek New Testament.

BEBL-2610, 2620 Elementary Hebrew 3 hours/semester

Introduction to the basic elements of biblical Hebrew. Attention is given to vocabulary, grammar, and the use of language tools.

BEBL-3510, 3520 Intermediate Greek 3 hours/semester

Detailed study of advanced Greek grammar, reading in the Greek New Testament, the application of advanced syntactical rules, and an introduction to exegesis. *Prerequisite: BEBL-2510, 2520 Elementary Greek.*

BEBL-4900 1-3 hours

Independent Study in Biblical Language—Fa,Sp,Su

The student will translate and/or exegete a Scripture passage

or investigate advanced grammar and syntax.

Biblical Studies—Old Testament

BEOT-3110 Pentateuch—Fa 3 hours

Detailed study of the five books of Moses. Attention is given to the historical material, theological problems, and practical and homiletic values of these books. *Prerequisite: BEGE-2730 Old Testament Literature; BEGE-2740 New Testament Literature; or permission of the instructor.* (Fee: \$100)

BEOT-3120 Historical Books I 3 hours

Study of the history of Israel from the entrance into Canaan until the end of the reign of Solomon. *Prerequisite: BEGE-2730 Old Testament Literature; BEGE-2740 New Testament Literature; or permission of the instructor.* (odd years)

BEOT-3125 Studies in the Historical Books—Sp 3 hours

Selected studies in the historical books from the entrance into Canaan until the restoration after the exile. *Prerequisite: BEGE-2730 Old Testament Literature; BEGE-2740 New Testament Literature; or permission of the instructor.*

BEOT-3130 Historical Books II 3 hours

Study of the history of Israel from the division of the kingdom of David-Solomon until the restoration after the exile. *Prerequisite: BEGE-2730 Old Testament Literature; BEGE-2740 New Testament Literature; or permission of the instructor.* (odd years)

BEOT-3140 Psalms—Fa 3 hours

Examination of the book of Psalms with special attention given to the various types of psalms and their application to life. *Prerequisite: BEGE-2730 Old Testament Literature; BEGE-2740 New Testament Literature; or permission of the instructor.*

BEOT-3150 Wisdom Literature—Sp 3 hours

Examination of the books of Job, Proverbs, Ecclesiastes, and Song of Solomon. Special attention is given to their literary qualities and practical applications for today. *Prerequisite: BEGE-2730 Old Testament Literature; BEGE-2740 New Testament Literature; or permission of the instructor.*

BEOT-3160 Major Prophets I 3 hours

Study of Isaiah, Jeremiah, and Lamentations. The ministry of the prophets to their own times is carefully considered. *Prerequisite: BEGE-2730 Old Testament Literature; BEGE-2740 New Testament Literature; or permission of the instructor.* (even years)

BEOT-3165 Studies in the Prophetical Books—Sp 3 hours

Selected studies in the prophetical books. The ministry of the prophets to their own times is considered as well as their predictions, both fulfilled and unfulfilled. *Prerequisite: BEGE-2730 Old Testament Literature; BEGE-2740 New Testament Literature; or permission of the instructor.*

BEOT-3170 Major Prophets II 3 hours

Study of Ezekiel and Daniel. The ministry of the prophets to their own times is considered as well as their predictions, both fulfilled and unfulfilled. *Prerequisite: BEGE-2730 Old Testament Literature; BEGE-2740 New Testament Literature; or permission of the instructor.* (odd years)

BEOT-3180 Minor Prophets 3 hours

Chronological study of the 12 minor prophets, their ministry in relation to Israel and other contemporary nations, and their practical message for today. *Prerequisite: BEGE-2730 Old Testament Literature; BEGE-2740 New Testament Literature; or permission of the instructor.* (even years)

BEOT-4900 1-3 hours

Independent Study in Old Testament—Fa,Sp,Su

Students will investigate a significant topic or a scripture passage of special interest with a view toward integration of knowledge.

BEOT-4990 Topics in Old Testament 1-3 hours

Investigation of special topics in Bible and theology, which have intrinsic worth and engage student interest. Permission of instructor required for non-majors.

Biblical Education

School of Humanities, Fine Arts, and Bible

Biblical Studies—New Testament

BENT-3110 Jesus and the Gospels—Fa 3 hours

Study of the four Gospels and their central figure, Jesus of Nazareth. Attention is given to the historical background, scholarly methods for studying the Gospels, the trustworthiness of the Gospels, and a survey of Christ's life. *Prerequisite:* BEGE-2730 *Old Testament Literature*; BEGE-2740 *New Testament Literature*; or permission of the instructor.

BENT-3120 The Book of Acts—Fa 2 hours

Analysis of the missionary outreach of the apostolic period with special emphasis on transitional theological problems, the journeys of Paul, and the historical setting of the epistles.

Prerequisite: BEGE-2730 *Old Testament Literature*; BEGE-2740 *New Testament Literature*; or permission of the instructor.

(odd years)

BENT-3130 The Prison Epistles—Fa 3 hours

Detailed study of Ephesians, Philippians, Colossians, and Philemon including their historical settings and doctrinal distinctives. *Prerequisite:* BEGE-2730 *Old Testament Literature*; BEGE-2740 *New Testament Literature*; or permission of the instructor. (even years)

BENT-3140 The Thessalonian and Pastoral Epistles—Sp 3 hours

An exegesis of First and Second Thessalonians, First and Second Timothy, and Titus with special attention given to their background, eschatological features, and presentation of local church administration. *Prerequisite:* BEGE-2730 *Old Testament Literature*; BEGE-2740 *New Testament Literature*; or permission of the instructor. (odd years)

BENT-3150 The General Epistles—Sp 3 hours

Examination of James, First and Second Peter, the three epistles of John, and Jude with consideration placed upon their backgrounds, exposition on apostate teachers, and lessons on practical living. *Prerequisite:* BEGE-2730 *Old Testament Literature*; BEGE-2740 *New Testament Literature*; or permission of the instructor. (odd years)

BENT-3160 The Book of Revelation—Fa 2 hours

Detailed exposition of this book with stress upon its literary structure, its exaltation of Christ, and its outline of future events. *Prerequisite:* BEGE-2730 *Old Testament Literature*; BEGE-2740 *New Testament Literature*; or permission of the instructor.

BENT-4110 Romans and Galatians—Sp 3 hours

Exegetical study with stress upon Paul's logical development of doctrinal themes, the relationship of Israel to God's redemptive program, and practical Christian living. *Prerequisite:* BEGE-2730 *Old Testament Literature*; BEGE-2740 *New Testament Literature*; or permission of the instructor.

BENT-4120 The Corinthian Epistles—Sp 3 hours

Exposition of First and Second Corinthians with attention given to their historical backgrounds, their teachings, and the integrity of Pauline apostleship. (even years)

BENT-4130 The Book of Hebrews—Sp 2 hours

Exposition of this book with stress upon the nature of Christ's priesthood, the typology of the Old Testament sacrificial system, and the superiority of Christianity. (even years)

BENT-4900 Independent Study in New Testament—Fa,Sp,Su 1-3 hours

Student will investigate a significant topic or scripture passage of special interest with a view toward integration of knowledge.

BENT-4990 Topics in New Testament 1-3 hours

Investigation of special topics in Bible and theology, which have intrinsic worth and engage student interest. Permission of instructor required for non-majors.

Christian Education

BECE-1000 Orientation to Bible Ministries Majors—Fa 1 hour

An introduction to the ministries majors provided within the

Department of Biblical Education (youth ministries, Christian education, or missions). The class will provide an overview of the program, survey career opportunities in Christian ministry, and introduce the student to significant people and resources in the field, on the campus, and in the community. Credit/no credit

BECE-2000 Christian Education Survey—Sp 3 hours

Survey of the multifaceted world of local church education for the pastor, missionary, seminary-bound student, or local church volunteer educator. This course may not be used toward the required hours for a Christian education or youth ministries major.

BECE-2100 Wilderness Ministry 3 hours

See the Exercise and Sport Science department course description for ESSE-2100 Wilderness Ministry. Credit/no credit. (Fee: \$340)

BECE-2200 Introduction to Youth Ministry—Sp 2 hours

The class will examine the status of contemporary youth ministries, including a survey of various models of ministry. Foundational personal issues for the professional Christian minister will be explored, including a definition of "success" in youth ministries, and the knowledge, skills, heart, and character necessary for one to lead such ministries successfully.

BECE-2400 Interpreting and Teaching the Bible—Fa 6 hours

Principles for interpreting, organizing, and presenting the biblical text, and a survey of learning theory are examined to provide a framework for effective lesson preparation in light of the characteristics and needs of students. *Prerequisite:* BEGE-1720 *Spiritual Formation*.

BECE-2830 Recreational Leadership—Sp 2 hours

Survey of the recreational aspects of games and activities from a noncompetitive perspective. Small and large group activities are planned such as new games and challenge initiatives to enhance individual and group development and recognize group process and group dynamics. Practical work in planning, implementing, and evaluating recreational programs for children, youth, and adults in school, youth group outings, Bible clubs, and camps will be provided. (odd years)

BECE-3000 Women and Ministry—Fa 3 hours

Designed to develop from the biblical text, church history, and present-day ministry situations, the concept and practice of the role of women in ministry. (Fee: \$20)

BECE-3500 Women's Communication for Ministry—Sp 3 hours

Survey of the basic principles that form the foundation of effective, biblical communication for women. The course will build on the inductive Bible study method, specific message preparation, and practical communication skills. Specific ministry communication assignments will include personal testimony, children's sermon, Bible study discussions, and devotionals. *Prerequisites:* BEGE-1720 *Spiritual Formation*; COM-1100 *Fundamentals of Speech*.

BECE-3510 Small Group Ministry—Fa 3 hours

Study of the theory and practice of the small group process in ministry. Emphasis will be given to the formulation and maintenance of small groups. Emphasis placed on how evangelism and spiritual maturity can be fostered by the small group environment.

BECE-3680 Children's Ministries—Fa,Sp 4 hours

Principles from Scripture are examined to prepare a biblical philosophy for ministry to children in light of developmental characteristics and contemporary sociological factors. Students are equipped to utilize creative, interactive strategies for teaching the Bible and to develop effective age-appropriate ministry programs. Course consists of three weekly class sessions and a two-hour teaching lab. *Prerequisites:* BECE-2400 *Interpreting and Teaching the Bible*; Major or minor status or permission of the instructor.

BECE-3685 Children's Ministries for non-majors—Fa,Sp 3 hours

Principles from Scripture are examined to prepare a biblical philosophy for ministry to children in light of developmental

Biblical Education

School of Humanities, Fine Arts, and Bible

characteristics and contemporary sociological factors. Students are equipped to utilize creative, interactive strategies for teaching the Bible and to develop effective age-appropriate ministry programs. Course consists of three weekly class sessions but does not include the teaching lab. *No prerequisites.*

BECE-3700 Campus Ministries—Sp 4 hours

Principles from Scripture are examined to prepare a biblical philosophy for ministry to junior high and senior high youth in light of developmental characteristics and contemporary sociological factors. Students are equipped to utilize creative, interactive strategies for teaching the Bible and to develop effective age-appropriate ministry programs. Course consists of three weekly class sessions and a two-hour teaching lab.

Prerequisites: BECE-2400 Interpreting and Teaching the Bible; Major or minor status or permission of the instructor. (Fee: \$20)

BECE-3705 Campus Ministries for non-majors—Sp 4 hours

Principles from Scripture are examined to prepare a biblical philosophy for ministry to junior high and senior high youth in light of developmental characteristics and contemporary sociological factors. Students are equipped to utilize creative, interactive strategies for teaching the Bible and to develop effective age-appropriate ministry programs. Course consists of three weekly class sessions but does not include the teaching lab. *No prerequisites. (Fee: \$20)*

BECE-3720 Adult Ministries—Fa 4 hours

Principles from Scripture are examined to prepare a biblical philosophy for ministry to adults in light of developmental characteristics and contemporary sociological factors. Students are equipped to utilize creative, interactive strategies for teaching the Bible and to develop effective age-appropriate ministry programs. Course consists of three weekly class sessions and a two-hour teaching lab. *Prerequisites: BECE-2400 Interpreting and Teaching the Bible; Major or minor status or permission of the instructor.*

BECE-3725 Adult Ministries for non-majors—Fa,Sp 3 hours

Principles from Scripture are examined to prepare a biblical philosophy for ministry to adults in light of developmental characteristics and contemporary sociological factors. Students are equipped to utilize creative, interactive strategies for teaching the Bible and to develop effective age-appropriate ministry programs. Course consists of three weekly class sessions but does not include the teaching lab. *No prerequisites.*

BECE-4100 Leadership of Christian Educational Ministries—Sp 3 hours

An examination of models of leadership for Christian ministries, emphasizing practical issues such as developing mission and vision statements, creating effective leadership teams, and the strategic planning, implementation, and oversight of ministries. For youth ministry and Christian education majors, this must be the final course taken from the sequence of the required BECE courses. *Prerequisites: For CE and Youth Ministries majors: BECE-2400; BECE-3680; BECE-3700; BECE-3720. No prerequisites for non-majors.*

BECE-4220 Seminar in Christian Education 2 hours

Trends and problems of the field are analyzed and defined by individual research and group conferences.

BECE-4500 Internship in Christian Education 10-12 hours

Ten weeks in a local church gaining experience in the total educational program of the church, under the supervision of Christian education faculty and the pastor and/or director of Christian education. Capstone course. *Prerequisites: Bible faculty approval; successful completion of 5 of the 6 required core courses in Christian education.*

BECE-4750 Internship in Youth Ministries 10-12 hours

This capstone course for the Youth Ministries major is a mentored and evaluated ministry experience in a full-time leadership role in ministry for a minimum of ten weeks. *Prerequisites: 1) Approval of the faculty of the Department of Biblical*

Education. 2) Senior academic status. 3) Completion of the following six courses: BETH-2350 Theological Foundations of Ministry; BEST-2400 Interpreting the Bible; BECE-2410 Principles of Bible Teaching; BECE-3680, 3700, or 3720 Children's Ministries, Campus Ministries, or Adult Ministries; BEPT-2400 Personal Evangelism or BEPT-3410 Discipleship; and one class in ministry concentration area.

BECE-4900 Independent Study in Christian Education—Fa,Sp,Su 1-3 hours

Students will investigate a significant topic or Scripture passage of special interest with a view toward integration of knowledge.

BECE-4990 Topics in Christian Education 1-3 hours

Investigation of special topics in Bible and theology, which have intrinsic worth and engage student interest. Permission of instructor required for non-majors.

Bible Education

BEDU-3110 Clinical Teaching in Bible—Fa,Sp 1 hour

Students are assigned to assist a college instructor in classroom teaching, evaluation, and related responsibilities. The student must complete 45 clock hours of clinical involvement.

Philosophy and Religion

BEPH-2200 Introduction to Philosophy—Fa,Sp 3 hours

Survey of the principal issues in Western philosophy, covering such areas as epistemology, metaphysics, aesthetics, and the major systems of philosophy.

BEPH-2240 Logic—Fa 3 hours

Study of the principles of correct and fallacious reasoning involved in traditional logic and modern logic.

BEPH-2250 Ethics 3 hours

Study and evaluation of the major theories of goodness, obligation, and motive and the development of a consistent Christian ethical system, together with the application of ethical theories to contemporary moral problems.

BEPH-2260 Religion and Culture—Fa,Sp 3 hours

Introduction to religious issues, themes, and alternatives as they emerge in the historical context of Eastern and Western culture.

BEPH-3240 Epistemology—Fa 3 hours

Study of the nature, sources, types, tests, and limits of human knowledge. *Prerequisite: BEPH-2200 Introduction to Philosophy.*

BEPH-3250 Philosophy of Religion—Sp 3 hours

Analysis of the major philosophical problems relating to religion as these have arisen in the modern intellectual environment. *Prerequisite: BEPH-2200 Introduction to Philosophy.*

BEPH-3260 Symbolic Logic 3 hours

Study of systems of natural deduction (including metatheoretic proofs and methods) in propositional logic, first-order logic, and modal logic with emphasis on assessing arguments in natural language. *Prerequisite: BEPH-2240 Logic; or MATH-2210 Logic and Methods of Proof; or permission of instructor.*

BEPH-3280 Metaphysics—Sp 3 hours

Study of selected topics in metaphysics, including the mind-body problem, substance, qualities and universals, identity, space and time, causation, and freedom and determinism. *Prerequisite: BEPH-2200 Introduction to Philosophy. (odd years)*

BEPH-3310 History of Ancient and Medieval Philosophy—Fa 3 hours

Survey of men and movements in Greek and Christian philosophy from Thales to Aquinas. Selected, representative writings of the philosophers will be read. *Prerequisite: BEPH-2200 Introduction to Philosophy. (odd years)*

BEPH-3320 History of Modern Philosophy—Sp 3 hours

Study of the principal philosophers from Descartes through Nietzsche. The development of rationalism and empiricism with the Kantian synthesis and its results will be emphasized.

Biblical Education

School of Humanities, Fine Arts, and Bible

Prerequisite: BEPH-2200 Introduction to Philosophy. (odd years)

BEPH-3330 19th Century Philosophy—Fa 3 hours

Survey of significant European and American philosophies of the 19th and early 20th centuries from Hegel to the first World War. Special attention will be given to Hegelianism, early existentialism, pragmatism, and analytic philosophy. *Prerequisite: BEPH-2200 Introduction to Philosophy. (even years)*

BEPH-3340 Current Philosophical Developments—Fa 3 hours

Survey of significant European and American philosophies of the 20th century, focusing specifically on developments from the 1960s to the present. (even years)

BEPH-3400 Philosophy of Law and Economics 3 hours

Course will clarify the conceptual structures that underlie both law and economic analysis. Explores the connections between ethics and legal theory and practice and economics. (odd years)

BEPH-4030 Philosophy and Literature—Sp 2 hours

Course will be divided into two sections. The first will focus on philosophy of literature, exploring literary theory, hermeneutics, and literature as a work of art. The second part of the course will examine philosophy in literature, looking at the ways in which philosophical ideas are expressed through the medium of literature. (even years)

BEPH-4250 Philosophy of Science 2 hours

Critique of the concepts, methods, and arguments of the various sciences, as well as an analysis of the theological and philosophical underpinnings of science, which aims to demarcate science from pseudo-science, evaluate contemporary thought in the limits of science, and evaluate the relations between science, human values, religion, and technology. (odd years)

BEPH-4260 Philosophy of Art—Sp 2 hours

Study of the nature of art and the aesthetic experience. Possible topics include the concept of creativity, the nature and value of the work of art, the function of art, the truth in art, the relation of art and society, and the aesthetic attitude and aesthetic values, such as beauty and the philosophy of art. (Fee: \$10)(odd years)

BEPH-4290 Topics in Philosophy—Sp 1-3 hours

Various topics offered as interest demands. For majors in philosophy. Permission of instructor required for non-majors and minors.

BEPH-4900 1-3 hours

Independent Study in Philosophy—Fa,Sp,Su

The student will investigate a significant topic of philosophy of special interest with a view toward integration of knowledge.

BEPH-4910 Seminar in Philosophy—Fa 2 hours

Senior course in which students will demonstrate their knowledge of philosophy and the integration of philosophy with Scripture and the liberal arts. This will be accomplished through guided research, critical thinking, and demonstration of oral and written skills. Course will be taken during the year immediately prior to graduation. Capstone course. Credit/no credit.

Practical Theology

BEPT-2000 Introduction to Mission—Sp 3 hours

Foundational concepts and concerns of mission today including definitions, mission theology, "calling," mission ministries, qualifications, preparation, mission and the local church, the missionary family, the MK, short-term missions, mission agencies, the application process, and cultural adjustment.

BEPT-2400 Personal Evangelism—Fa,Sp 3 hours

Study of the philosophy, principles, and methodology of personal evangelism. The course includes developing a personal witnessing methodology, understanding the current issues in evangelism, and learning to answer the difficult questions often asked in witnessing experiences. A one day evangelistic field trip is required. *Prerequisite: BEGE-1710 Christian Life and Thought. (Fee: \$10)*

BEPT-2420 History of Mission—Fa 3 hours

Survey of the history of the expansion of the church from apostolic times to World War II with attention to differing conceptions of the mission task and the strategies and lessons that may be learned for mission today.

BEPT-3410 Discipleship—Fa,Sp 3 hours

Study of personal discipleship within a biblical framework, utilizing a variety of resources and practical experience. The model developed will be applicable in multiple contexts.

BEPT-3420 Pastoral Ministry—Sp 2 hours

The pastor's life and ministry. Course provides broad overview of pastoral duties such as presiding over weddings, funerals, church services, etc. In addition, such issues as the pastoral call, candidating, ordination, cultivating 21st century leadership, family issues, etc., are also addressed.

BEPT-3430 Pastoral Counseling—Fa 3 hours

Principles and practices of pastoral counseling. Course provides overview of the nature, scope, and basic practices of counseling within a church ministry context. Such issues as crisis counseling, family life issues, depression, abuse issues, etc., are also addressed within a ministry paradigm.

BEPT-3450 Contemporary World Missions—Sp 3 hours

Study of the development, methods, and problems of Christian missions since World War II.

BEPT-3470 Cross-Cultural Ministry—Fa 3 hours

Understanding culture, basic methods in researching culture, becoming competent in another culture, cross-culture communication, relevant to a mission ministry, and the practice of ministry contextualization.

BEPT-3490 The Pastor's Wife 2 hours

The pastor's wife: her responsibilities, problems, and privileges. Practical suggestions from area pastors' wives, individual research, and group discussion will be explored.

BEPT-3500 Homiletics—Fa 3 hours

Introductory course designed to develop the students' philosophies of preaching. Emphasis is placed on the preparation of expository sermons and practice in their delivery. *Prerequisites: COM-1100 Fundamentals of Speech; junior or senior status.*

BEPT-3510 Introduction to Urban Ministry—Fa 3 hours

An introduction to the principles and practices of urban ministry. Focus will be on developing a biblical view of the city as well as understanding the sociological, anthropological, and multi-cultural distinctives of the urban context. Attention will be given to particular urban issues such as ministering to the poor, developing an incarnational lifestyle, and authentic strategies for urban ministry. (Fee: \$50)

BEPT-4300 Missiology and Missiologists—Fa 3 hours

An introduction into the discipline of missiology and a survey of the contributions of key missiologists from the mid-19th century. (even years)

BEPT-4400 Pastoral Internship 5-12 hours

Ten weeks in a local church gaining experience in pastoral responsibilities under the supervision of Bible department faculty and/or the local pastor. Five hours will count toward the preseminary major. Capstone course. *Prerequisite: approval of the Bible faculty.*

BEPT-4500 Missionary Internship 3-6 hours

Four to six weeks in a crosscultural context gaining experience in actual missions activity under the supervision of missions department faculty and a qualified missionary. This program is open to students in various majors. Up to three hours may count toward the preseminary major. Capstone course. *Prerequisites: completion of at least two missions courses; approval of the Bible faculty. Repeatable up to 6 credit hours.*

BEPT-4510 Advanced Urban Ministry—Sp 3 hours

Continuation of the earlier Urban Ministry course, including

Biblical Education

School of Humanities, Fine Arts, and Bible

global urban issues, particular challenges in world class cities, sociology of the city and its implications for mission in the city. (Fee: \$50) (even years)

BEPT-4560 Advanced Homiletics—Sp 3 hours

Advanced study of sermon structure development and effective delivery. Designed to give the student practice in outlining, writing, delivering, and evaluating sermons for different types of preaching situations. *Prerequisite: BEPT-3500 Homiletics.*

BEPT-4900 1-3 hours

Independent Study in Practical Theology—Fa,Sp,Su

Students will investigate an area of pastoral ministry or missions, the latter including mission boards, methods, and places of service.

BEPT-4990 Topics in Practical Theology 1-3 hours

Investigation of special topics in Bible and theology, which have intrinsic worth and engage student interest. Permission of instructor required for non-majors.

Special Topics

BEST-2330 Bible Geography and Customs—Sp 3 hours

Geographical survey of Bible lands with stress on the topography and cultural distinctives in their historical context. (odd years)

BEST-2910 Theological Research—Fa,Sp 2 hours

This course is designed to survey the basic process, as well as selected special processes, germane to the field of theological research. *Prerequisite: BEGE-1720 Spiritual Formation.*

BEST-3410 Biblical Archaeology I—Sp 2 hours

An introduction to biblical archaeology and the historical and cultural backgrounds of the Old and New Testaments. (Fee: \$100) (even years)

BEST-3420 Biblical Archaeology II—Su 1 hour

An introduction to the archaeology of the Old and New Testaments and the historical and cultural background of the Bible on a field trip to Europe. It will also introduce the historical and cultural aspects of European Christianity. (Fee: Not to exceed \$3000) (even years)

BEST-4310 Hermeneutics—Fa 3 hours

A study of the theory and related practice of the roles of author, reader, and text toward the end of authoritative interpretation and contextualization of the Bible.

BEST-4900 1-3 hours

Independent Study in Special Topics—Fa,Sp

Students will investigate a significant topic or Scripture passage of special interest with a view toward integration of knowledge.

BEST-4910 Seminar in Bible—Fa,Sp 2 hours

Senior course for preseminary and comprehensive Bible majors. Students demonstrate the ability to articulate and defend an appropriate systematic theology. Capstone course.

BEST-4990 Topics in Special Topics 1-3 hours

Investigation of special topics in Bible and theology, which have intrinsic worth and engage student interest. Permission of instructor required for non-majors.

Theology

BETH-2350 Theological Foundations of Ministry—Fa 3 hours

An examination of theological issues critical for the formation of a biblical philosophy of ministry, as well as a critical survey of historical developments in Christian educational ministries in light of those theological discussions. *Prerequisite: BEGE-1710 Christian Life and Thought.*

BETH-3330 Christian Evidences and Apologetics—Fa 3 hours

Study of the basis for, and the nature of, evidence for Christianity. Emphasis on biblical revelation and its use in the defense and confirmation of the gospel. *Prerequisite: BEGE-2730 Old Testament Literature; BEGE-2740 New Testament Literature; or permission of the instructor.*

BETH-3350 Bibliology and Theology Proper—Fa 3 hours

Study of bibliology, the doctrine of the Scriptures. Emphasis on its revelation, inspiration, canonicity, and illumination; and theology proper, the doctrine of the being of God with attention given to His existence, attributes, trinitarian relationships, and decrees. *Prerequisite: BEGE-2730 Old Testament Literature; BEGE-2740 New Testament Literature; or permission of the instructor.* (odd years)

BETH-3360 Angelology and Anthropology—Sp 3 hours

Study of angelology, the doctrine of the unfallen angels, the fallen angels, and Satan; and anthropology, the doctrine of man, with stress on his creation, constitution, fall, and sinful condition. *Prerequisite: BEGE-2730 Old Testament Literature; BEGE-2740 New Testament Literature; BEGE-3750 Christian Worldview Development; or permission of instructor.* (odd years)

BETH-3400 Current Religious Movements—Sp 3 hours

Survey of new religious movements with attention given to their history, beliefs, and practices, as well as to critical assessment and appropriate response. *Prerequisite: BEGE-2730 Old Testament Literature; BEGE-2740 New Testament Literature; or permission of the instructor.*

BETH-4320 Contemporary Theology—Sp 3 hours

Critical study of traditions, trends, issues, and major thinkers in contemporary theology. *Prerequisite: BEGE-2730 Old Testament Literature; BEGE-2740 New Testament Literature; BEPH-2200 Introduction to Philosophy; or permission of the instructor.*

BETH-4370 Soteriology and Christology—Fa 3 hours

Study of soteriology, the doctrine of salvation, including election, the atonement, and eternal security; and Christology, the doctrine of Christ with emphasis upon His deity, humanity, and redemptive work. *Prerequisite: BEGE-2730 Old Testament Literature; BEGE-2740 New Testament Literature; or permission of the instructor.* (even years)

BETH-4380 Pneumatology and Ecclesiology—Fa 3 hours

Study of pneumatology, the doctrine of the person and work of the Holy Spirit; and ecclesiology, the doctrine of the church with stress on the universal church and the local church. *Prerequisite: BEGE-2730 Old Testament Literature; BEGE-2740 New Testament Literature; BEGE-3750 Worldview Development; or permission of instructor.* (even years)

BETH-4390 Eschatology—Sp 3 hours

Study of eschatology, the doctrine of last things with attention given to the rapture of the church, the tribulation, the millennium, the eternal state, and the distinctives of dispensationalism. *Prerequisite: BEGE-2730 Old Testament Literature; BEGE-2740 New Testament Literature; or permission of the instructor.* (even years)

Independent Study in Theology—Fa,Sp,Su

Students will investigate a significant topic of theology of special interest with a view toward integration of knowledge. *Prerequisite: BEGE-2730 Old Testament Literature; BEGE-2740 New Testament Literature; or permission of the instructor.*

BETH-4990 Topics in Theology 1-3 hours

Investigation of special topics in Bible and theology, which have intrinsic worth and engage student interest. Permission of instructor required for non-majors. *Prerequisite: BEGE-2730 Old Testament Literature; BEGE-2740 New Testament Literature; or permission of the instructor.*

Business Administration

School of Social Sciences and Professional Studies

Purpose Statement

The mission of the Department of Business Administration is to **facilitate the development of business leaders who are personally discerning and professionally competent, and who will influence their organizations, professions, and culture from a biblical paradigm.**

Given our vision as a department, our broader mission is to provide students with an education in business theory and practice from a distinctly Christian worldview.

- To effectively foster academic achievement and personal character, we purpose to create an environment characterized by excellence in teaching, service, intellectual contribution, and collegiality.
- Essential to our mission is the creation of a learning environment that encourages, stimulates, and challenges students and faculty to maximize their personal potential in their chosen field of academic endeavor.
- To facilitate this learning environment, we will use a value-centered curriculum enhanced by an extensive information technology system and a series of personal and professional development seminars.
- In addition, across the curriculum, we have integrated ethical considerations, global awareness, and an emphasis on oral and written communication skills.
- **The distinctive competency of our program is the integration of biblical truth within each of the business disciplines.**

In light of our mission, the department has established the following goals:

1. We will create a learning environment that encourages, stimulates, and challenges students to maximize their personal potential in the chosen field of academic endeavor.
2. We will create a value-centered curriculum enhanced by an emphasis on topics critical to the student's competency in the world of work.
3. We will provide faculty with professional and academic opportunities to enhance both teaching competencies and intellectual contributions.
4. We will encourage the relationship between the department and significant constituencies that impact our mission and its implementation.

Personal Requirements

A college preparatory curriculum in high school provides the best preparation for the bachelor degree programs in the Department of Business Administration. Three or four years of high school mathematics, including calculus, are recommended for students anticipating graduate study in business. No previous coursework in business is necessary. Because of extensive computer utilization in the business curriculum, electives in computer programming or software packages may prove to be helpful.

Department Requirements

Although students in the Department of Business Administration are not required to apply for admission to the department, **continuation is based upon performance in the core business requirements and satisfactory completion of course prerequisites.** Students entering their junior year will be reviewed for continuation by the department chairman.

- Students majoring in business must earn at least a 2.0 grade point average in all sophomore level business courses required for their major in order to graduate with a degree in a business major.

- Students majoring in business must earn a "C-" in any prerequisite business course before being allowed to enter the subsequent course for which that course is a prerequisite. Waivers to this requirement are made only in exceptional circumstances, and such waivers require the approval of the chairman of the department in consultation with the professor responsible for the subsequent course.
- In general, business majors should complete all 2000-level business core courses before beginning a 3000-level business course.
- Before taking a 4000-level Department of Business Administration course, students **must** have satisfactorily completed all 2000-level Department of Business Administration core courses required for their major. Waivers to this requirement are made only in exceptional circumstances, and such waivers require the approval of the department chairman.
- To graduate with a major from the Department of Business Administration, students must earn at least a 2.0 cumulative average in all courses required for their major and at least a "C-" in all courses taken to meet a specific requirement in their major (cognate courses not included).
- Every major and minor offered by the Department of Business Administration requires that a minimum of 50% of the business courses in the business administration core and 50% of the specific business courses required for each major or minor be earned at Cedarville University. Any CLEP or advanced placement credits *earned are not considered to be earned at Cedarville University.*

Programs of Study

The Department of Business Administration offers the following programs:

Majors

- Accounting
- Finance
- International Studies: Global Economics and International Business
- Management
- Management Information Systems
- Marketing

Minors

- Business Administration
- Christian Ministries Management
- Economics

Co-Curricular Opportunities

The Department of Business Administration provides several co-curricular opportunities for students to enhance their classroom experience as they prepare for their professional careers.

Sigma Beta Delta, an international honor society in business, management, and administration, recognizes junior and senior business majors who maintain excellent scholastic achievement.

Cedarville participates in the **Students in Free Enterprise (SIFE)** program with a number of other universities across the country. Students plan community events and enter a regional competition, developing leadership and teamwork skills.

The **Association of Information Technology Professionals (AITP)** provides management information systems and computer science majors with opportunities to network with business professionals while attending meetings, seminars, and activities.

Students interested in human resources and labor relations attend the **Society for Human Resources Management (SHRM)** chapter meetings and interact with working professionals.

Career Opportunities

Accounting Major

Accounting involves the preparation, analysis and communication of relevant information for decision making. Financial accounting, managerial accounting, auditing, tax accounting, governmental and public sector accounting, accounting information systems, and management consulting services represent the major divisions of the accounting discipline. The Accounting major prepares individuals for careers as:

- Staff Accountant
- Auditor
- Controller
- Budget Analyst
- CPA
- IRS Agent
- FBI Agent
- Internal Audit
- Chief Financial Officer

Finance Major

Finance focuses on the financial decisions faced by business enterprises. This includes methods of raising money, debt management, investment and security analysis, real estate and insurance, and virtually all aspects of finance. The Finance major prepares individuals for careers as:

- Financial Analyst
- Financial Planner
- Investment Account Manager
- Securities Analyst
- Chief Financial Officer
- Treasurer
- Lending Officer
- Portfolio Manager
- Bank Branch Manager

GEIB Major

Global Economics and International Business is an interdisciplinary program that prepares business students to operate in a multicultural and global marketplace. Careers in international business include working as business professionals in a foreign firm, a multinational enterprise, an international division of a domestic company, or one of the many government organizations at the national, state, or local level concerned with global business development.

Management Major

Management focuses on developing the leadership to make things happen for the business enterprise in a dynamic and competitive environment by organizing people, projects and processes. The Management major prepares individuals for careers as:

- Human Resource Manager
- Operations Analyst
- Production Manager
- Branch Manager
- Facility Manager
- Risk Manager
- Compensation/Benefits Manager
- Plant Manager
- Project Manager
- Operations Manager
- Quality Manager
- Materials/Inventory Control Manager

Management Information Systems Major

Businesses and other organizations have a strong need for individuals who understand the various business functions and can manage computer and communications technology and information systems within modern organizations. The MIS major prepares individuals for careers as:

- Information Systems Analyst
- Programmer/Analyst
- Business Systems Consultant
- E-business Developer
- Manager in Information Systems Departments
- Manager/Analyst
- Network Administrator
- Web Developer

Marketing Major

A student with a major in marketing learns systematic ways for identifying, understanding, and satisfying consumer and organizational needs. The Marketing major prepares individuals for careers as:

- Marketing Manager
- Marketing Researcher
- Promotion Manager
- Retail Manager
- Sales Manager
- Sales Representative

Executive-in-Residence Program

The Executive-in-Residence program is designed to bring senior-level executives to campus to enrich the learning environment of undergraduate business majors, foster working relationships between business leaders and faculty, and provide faculty and staff with new ideas and perspectives on how to serve the business community.

Business Advisory Board

The Business Advisory Board consists of entrepreneurs, business leaders, and educators representing diverse areas of business. Through annual meetings, these experts advise the University and evaluate its plans for strengthening Cedarville's position of leadership in undergraduate business education.

Board members include:

Mr. Harry Badanes, J.D. Cloud & Co.

Mr. Ronald Baker, Hi-Tech Aero Spares

Mr. Eric Cluxton, Fifth Third Bank, Dayton

Mr. John Danis, The Danis Building Construction Co.

Mr. Ronald Ferner, Philadelphia Biblical University

Mr. John Field, Wallace & Turner, Inc.

Ms. Georgeann Georges, Sears, Roebuck and Co.

Mr. George Guritz, Shepherd Financial Group, Inc.

Mr. William Hann, KeyBank

Dr. Rajshekhar Javalgi, Cleveland State University

Mr. Mitchell Jones, Arel Learning Solutions, Inc.

Mr. Larry Krukewitt, Regional Development Company

Dr. Wayne Leininger, Virginia Tech

Mr. Delmar Mohler, Faith Baptist Bible College

Mr. Lorne Scharnberg, KATECHO, Inc.

Ms. Lynda Sikora, Custom Mobile Food Equipment

Mr. Doug Smith, Retired, Baja Marine Corporation

Mr. Mike Stephens, Greene Memorial Hospital

Mr. Jerry Tatar, The MeadWestvaco Corporation

Business students work with local professionals to gain extensive experience and knowledge of the real business world.

(Satisfies mathematics for General Education Requirements)
 *Capstone Course

Accounting Major Curriculum Summary

Proficiency Requirements	0-5
General Education Requirements	49-57
Accounting Major Requirements	62
Required Cognate	3
Electives	6-14
Total (minimum, not including proficiency)	128

The **CPA concentration** takes into account the state of Ohio requirements of 150 semester hours of undergraduate or graduate education, including 30 hours of accounting courses combined with several specific business and elective courses. Students desiring to pursue a license in other states should investigate the requirements of those specific states. States with websites, and all addresses, can be found on the website of the National Association of State Board of Accountancy at www.nasba.org.

Students may qualify for the Ohio requirements through completion of the accounting major requirements (128 semester hours) plus an additional 22 semester hours of elective coursework including some additional accounting electives. The course plan includes the following:

Accounting Major Requirements	128 hours
Accounting Elective	3 hours
Other Elective Courses	19 hours
Total	150 hours

Although not specifically required by the state of Ohio, the following courses include materials that are covered in the CPA exam and are recommended for all accounting majors preparing to take the CPA exam. Several of these courses are required by other states.

ACCT-4150 Government and Nonprofit Accounting	3
ACCT-4210 Taxation of Business Entities	3

Suggested Four-Year Curriculum for a Major in Accounting

First year:

BEGE-1710 Christian Life and Thought	3

General Education Requirements	49-57
Management Major Requirements	59
Required Cognate.....	3
Electives	9-17
Total (minimum, not including proficiency)	128

Business Administration

School of Social Sciences and Professional Studies

Management Information Systems

The **management information systems major** prepares students for computer careers as programmers, systems analysts, software specialists, network administrators, and MIS directors. The curriculum follows guidelines established by the Association of Information Technology Professionals for the training of information system professionals.

Course requirements involve 65 semester hours including:

<i>Business Administration Core</i>	41
ACCT-2110,2120 Principles of Accounting I,II	6
BUS-2110 Statistics I	2
BUS-2120 Statistics II	2
BUS-2180 Business Law	3
BUS-3150 Operations Analysis	2
BUS-3910 International Business	3
BUS-3990 Professional Development	0
BUS-4420 Business Ethics and Social Responsibility	2
BUS-4990 Executive Development	0
ECON-2330 Microeconomics	3
ECON-2340 Macroeconomics	3
FIN-3710 Financial Management of the Firm	3
MGMT-3500 Principles of Organization and Management	3
*MGMT-4510 Administrative Policy and Strategy	3
MIS-1500 Information Management in a Dynamic World	2
MIS-1510 Software Tools for Business	1
MRKT-3600 Principles of Marketing	3
<i>Management Information Systems</i>	24
MIS-2200 Fundamentals of MIS	3
MIS-2300 Intro to Programming	3
MIS-3100 Database Development	3
MIS-3500 Web Development	3
MIS-3800 System Analysis and Design	3
MIS-4500 System Development	3
MIS Electives (<i>choose from the following</i>)	6
MIS-3400 Data Communication and Networking	3
MIS-3910 Advanced Topics in MIS	3
MIS-4100 Advanced Database Design	3
MIS-4200 Advanced Topics in Programing Languages	3

Required cognate:

GMTH-1040 Calculus for Business	3
(Satisfies mathematics for General Education Requirements)	

*Capstone Course

Management Information Systems Major Curriculum Summary

Proficiency Requirements	0-5
General Education Requirements	49-57
Management Information Systems Major Requirements	65
Required Cognate	3
Electives	3-11
Total (minimum, not including proficiency)	128

A complete description of the General Education Requirements is found on page 18

Suggested Four-Year Curriculum for a Major in Management Information Systems

First year:

BEGE-1710 Christian Life and Thought	3
BEGE-1720 Spiritual Formation	3
COM-1100 Fundamentals of Speech	3
ENG-1400 Composition	3
GMTH-1040 Calculus for Business	3
GSS-1000 Foundations of Social Science	3
HUM-1400 Introduction to the Humanities	3
MIS-1500 Information Management in a Dynamic World	2
MIS-1510 Software Tools for Business	1
PEF-1990 Physical Activity and the Christian Life	1
Humanities Elective	3
Physical Education Elective	1
Social Science Elective	3
Total	32

Second year:

ACCT-2110,2120 Principles of Accounting I,II	6
BEGE-2730 Old Testament Literature	3
BEGE-2740 New Testament Literature	3
BUS-2110 Statistics I	2
BUS-2120 Statistics II	2
BUS-2180 Business Law	3
MIS-2200 Fundamentals of MIS	3
MIS-2300 Introduction to Programming	3
Biological Science Elective	3.5
History Elective	3
Literature Elective	3
Total	34.5

Third year:

BEGE-3750 Christian Worldview Development	2
BEGE-3760 Christian Worldview Integration	2
BUS-3150 Operations Analysis	2
BUS-3910 International Business	3
BUS-3990 Professional Development	0
ECON-2330 Microeconomics	3
ECON-2340 Macroeconomics	3
FIN-3710 Financial Management of the Firm	3
MGMT-3500 Principles of Organization and Management	3
MRKT-3600 Principles of Marketing	3
MIS-3800 Systems Analysis and Design	3
MIS-3100 Database Development	3
MIS-3500 Web Development	3
Total	33

Fourth year:

BUS-4420 Business Ethics and Social Responsibility	2
BUS-4990 Executive Development	0
MGMT-4510 Administrative Policy and Strategy	3
MIS-4500 System Development	3
MIS Electives	6
Physical Science Elective	3.5
Electives	11
Total	28.5

Marketing

The **marketing major** prepares students for career opportunities in advertising, marketing management, marketing research and sales with retailers, manufacturers, financial institutions, and nonprofit organizations.

Course requirements involve 59 semester hours including:

<i>Business Administration Core</i>	41
ACCT-2110,2120 Principles of Accounting I,II	6
BUS-2110 Statistics I	2
BUS-2120 Statistics II	2
BUS-2180 Business Law	3
BUS-3150 Operations Analysis	2
BUS-3910 International Business	3
BUS-3990 Professional Development	0
BUS-4420 Business Ethics and Social Responsibility ...	2
BUS-4990 Executive Development	0
ECON-2330 Microeconomics	3
ECON-2340 Macroeconomics	3
FIN-3710 Financial Management of the Firm	3
MGMT-3500 Principles of Organization and Management	3
*MGMT-4510 Administrative Policy and Strategy	3
MIS-1500 Information Management in a Dynamic World	2
MIS-1510 Software Tools for Business	1
MRKT-3600 Principles of Marketing	3
<i>Marketing</i>	18
MRKT-3630 Marketing Research	3
MRKT-3650 Buyer Behavior	3
MRKT-4610 Marketing Strategy	3
Marketing Electives	9
<i>Required cognate:</i>	
GMTH-1040 Calculus for Business	3
(Satisfies mathematics for General Education Requirements)	
*Capstone Course

Business Administration

School of Social Sciences and Professional Studies

Minors

The minors offered by the Department of Business Administration are designed to provide a basic understanding of specific aspects of business.

The minor in **business administration** for the nonbusiness major involves 18 semester hours including:

ACCT-2110 Principles of Accounting I	3
ECON-2330 Microeconomics	3
MGMT-3500 Principles of Organization and Mgmt	3
MRKT-3600 Principles of Marketing	3
*Business Administration Core Elective	6
<i>*Select from the following 2000-3000 Level Business Administration Core courses:</i>	
ACCT-2120 Principles of Accounting II	3
BUS-2110 Statistics I	2
BUS-2120 Statistics II	2
BUS-2180 Business Law	3
BUS-3150 Operations Analysis	2
BUS-3910 International Business	3
ECON-2340 Macroeconomics	3
FIN-3710 Financial Management of the Firm	3

The minor in **Christian ministries management** for the nonbusiness major involves 18 semester hours including:

ACCT-2110 Principles of Accounting I	3
FIN-2730 Church Business Administration	3
MGMT-3500 Principles of Organization and Management	3
MGMT-3530 Human Resources Management	3
MIS-1500 Information Management in a Dynamic World	2
MIS-1510 Software Tools for Business	1
MRKT-3680 Nonprofit Marketing	3

The minor in **economics** involves 18 semester hours including:

ECON-2330 Microeconomics	3
ECON-2340 Macroeconomics	3
ECON-3310 International Money and Capital Markets	3
ECON-3350 Comparative Economic Systems	3
3000- or 4000-Level Electives in Economics	6

The minor in **international business for the business major** involves 18 semester hours including:

BUS-3910 International Business	3
---------------------------------------	---

At least 9 hours from:

ECON-3350 Comparative Economic Systems	3
ECON-3360 International Trade and Economics	3
MGMT-3570 International Management	3
MRKT-4620 International Marketing	3

At least 3 hours from:

ANTH-1800 Cultural Anthropology	3
BEPH-2260 Religion and Culture	3
COM-3140 Intercultural Communication	3
POLS-3650 International Relations	3

Additional Elective selected from courses listed above

The minor in **international business for the nonbusiness major** involves 21 semester hours including:

BUS-3910 International Business	3
---------------------------------------	---

At least 6 hours from:

ECON-2330 Microeconomics	3
ECON-2340 Macroeconomics	3
MGMT-3500 Principles of Organization and Management	3

MRKT-3600 Principles of Marketing	3
---	---

At least 6 hours from:

ECON-3350 Comparative Economic Systems	3
ECON-3360 International Trade and Economics	3
MGMT-3570 International Management	3
MRKT-4620 International Marketing	3

Additional Electives selected from courses listed above

The minor in **management information systems** involves 21 semester hours including:

ACCT-2110 Principles of Accounting 1	3
MGMT-3500 Principles of Organization and Mgmt	3
MIS-1500 Information Management	2
MIS-1510 Software Tools for Business	1
MIS-2200 Fundamentals of MIS	3
MIS-2300 Introduction to Programming	3
MIS-3100 Database Design	3
MIS-3800 System Analysis and Design	3

The Cedarville University Students In Free Enterprise (SIFE) team is committed to providing educational opportunities through hands-on, community-based projects that teach individuals the principles of entrepreneurship, market economics, personal financial success skills and business ethics.

Course Descriptions

Accounting

ACCT-2110 Principles of Accounting I **3 hours**

An introduction to accounting for business organizations with an emphasis on financial statement preparation and interpretation. Topics include: the accounting cycle, present value, and accounting for stock and debt instruments. *Prerequisite: sophomore status.*

ACCT-2120 Principles of Accounting II **3 hours**

A continuation of accounting for business organizations. Topics include: cash flow statements, investments, and managerial accounting concepts. *Prerequisite: ACCT-2110 Principles of Accounting I.*

ACCT-3110 Intermediate Financial Accounting I **3 hours**

Theoretical concepts and accounting standards that form the basis for accounting practices, financial statement preparation, and analysis. Topics include: financial statement formats, present value, and accounting for receivables and inventory. *Prerequisite: ACCT-2120 Principles of Accounting II.*

ACCT-3120 Intermediate Financial Accounting II **3 hours**

Continuation of theoretical concepts and accounting standards that form the basis for accounting practices and financial statement preparation and analysis. Topics include: accounting for fixed assets, intangible assets, current liabilities, long-term debt, and stockholders' equity. *Prerequisite: ACCT-3110 Intermediate Financial Accounting I.*

ACCT-3150 Accounting Information Systems **3 hours**

A study of the flow of information through the accounting system, emphasizing systems analysis and design, internal controls, and computer applications in the business environment. *Prerequisites: ACCT-2120 Principles of Accounting II; MIS-1500 Information Management in a Dynamic World; junior status.*

ACCT-3170 Managerial Accounting **3 hours**

Principles of industrial and distribution cost accounting, job order and process cost systems, and standard costs. *Prerequisite: ACCT-2120 Principles of Accounting II.*

ACCT-4110 Federal Income Taxes **3 hours**

Proper preparation of federal income tax returns for individuals, partnerships, and corporations. Students are introduced to income tax planning and the effect of income taxes on business decisions. *Prerequisite: ACCT-2120 Principles of Accounting II.*

ACCT-4120 Auditing **3 hours**

A study of auditing standards and related auditing procedures. Topics include: evaluation of audit evidence, professional responsibilities, and auditors' reports and opinions. *Prerequisite: ACCT-3120 Intermediate Financial Accounting II.*

ACCT-4130 Advanced Financial Accounting **3 hours**

A study of consolidated financial statements, foreign exchange, estates and trusts, branch accounting, and related problems. *Prerequisite: ACCT-3120 Intermediate Financial Accounting II.*

ACCT-4150 Government and Nonprofit Accounting **3 hours**

Accounting and reporting principles, standards, and procedures applicable to nonprofit organizations. *Prerequisite: ACCT-3120*

Intermediate Financial Accounting II; or permission of instructor.

ACCT-4170 Advanced Managerial Accounting **3 hours**

Advanced topics in accounting for manufacturing companies and the use of the computer in cost accounting applications. *Prerequisite: ACCT-3170 Managerial Accounting.*

ACCT-4190 CPA Review **3 hours**

Comprehensive review of the application of accounting principles, using specific problems and development of approaches to problem solving. Useful as intensive preparation for the CPA examination. *Prerequisite: ACCT-3120 Intermediate Financial Accounting II.*

ACCT-4210 Taxation of Business Entities **3 hours**

An examination of the tax provisions governing C Corporations, corporations, partnerships, and estates. Analyzes international and multi-state taxation of corporations. *Prerequisite: ACCT-4110 Federal Income Taxes.*

ACCT-4810 Seminar in Accounting **1 hour**

A forum for discussion of contemporary topics and issues in accounting. Current issues will be chosen from topics in financial and managerial accounting, auditing, tax, and governmental and nonprofit accounting. *Prerequisites: ACCT-3170 Managerial Accounting; ACCT-4110 Federal Income Taxes; ACCT-4120 Auditing.*

Business Administration

BUS 1410-Topics in Business **1-3 hours**

A variety of courses are covered under this heading on an experimental basis. This allows the department to meet the changing needs of the students without formally adding or dropping courses.

BUS-2100 Business Communication **3 hours**

Instruction for writing business letters, memos, and business reports. Oral business presentations, small group communication, and the communication process in general are also discussed. *Prerequisite: ENG-1400 Composition.*

BUS-2110 Statistics I **2 hours**

An introduction to statistical methods used in business decision making, including descriptive statistics, probability, probability distributions, estimation, and hypothesis testing. *Prerequisite: GMTH-1040 Calculus for Business*

BUS-2120 Statistics II **2 hours**

An extension of Statistics I to include tests of hypothesis, analysis of variance, chi-square, simple and multiple regression models. *Prerequisite: BUS-2110 Statistics I*

BUS-2180 Business Law I **3 hours**

A study of the legal business law environment, contracts, sales, bailments, and property.

BUS-3150 Operations Analysis **2 hours**

Introduces mathematical methods of decision analysis. Topics include: probability, forecasting, decision under uncertainty, decision trees, inventory models, linear programming, and networks. *Prerequisites: BUS-2120 Statistics II; junior status.*

BUS-3180 Business Law II **3 hours**

A study of employee law, negotiable instruments, agency, partnership corporations, insurance, and will. *Prerequisite: BUS-2180 Business Law I.*

BUS-3280 **3 hours**

Entrepreneurship and Service Practicum

In this course, students will apply concepts from the corequisite courses in which they are enrolled to their own start-up business ventures and to community service projects. Students in the class will form a 30 to 35 person company. Each company will develop a plan of organization to form and operate a business for the semester, as well as an organizational and operating plan to complete a community service project. *Prerequisites: MIS-1500; MIS-1510; ACCT-2110; ACCT-2120; BUS-2120; BUS-2180; ECON-2330; ECON-2340. Corequisites: MRKT-3600; MGMT-3500; FIN-3710 (Blocked courses).*

BUS-3400 **1-3 hours**

Independent Study in Business Administration

Research in problems of accounting, management information systems, general business, economics, finance, management, or marketing.

BUS-3410 Topics in Business **1-3 hours**

A variety of courses are covered under this heading on an experimental basis. This allows the department to meet the changing needs of the students without formally adding or dropping courses.

Business Administration

School of Social Sciences and Professional Studies

BUS-3450 Business Internship 3-12 hours

A work-study program designed for junior and senior business administration majors to receive a variety of job-related experiences in a business environment. The program is arranged and administered by the department.

BUS-3910 International Business 3 hours

To give a global perspective of the business environment, international business terms are defined and the interactions of the various actors, firms, institutions, countries, and groups of countries are developed. An environmental approach including both cultural and financial perspectives develops a broad view of the world economy.

BUS-3990 Professional Development 0 hours

A program of activities that prepares students to investigate career alternatives and initiate a job search strategy. Junior business majors are required to maintain enrollment in this program for both semesters of their junior year. (Fee: \$30)

BUS-4420 Business Ethics and Social Responsibility 2 hours

Ethics asks questions about what goals one should pursue and what actions are appropriate in attempts to achieve these goals. The class examines alternative frameworks for analyzing difficult situations. Social responsibility refers to business decision making linked to ethical values, compliance with legal requirements, and respect for people, communities, and the environment. Ultimately, the class will deal with how our biblical worldview defines and drives the choices we face in the business world. Open only to seniors in business administration.

BUS-4990 Executive Development 0 hours

A program of professional development activities that prepares students to move into a corporate environment. Senior business majors are required to maintain enrollment in this program during both semesters of their senior year. (Fee: \$20)

Economics

ECON-2330 Microeconomics 3 hours

The area of economic inquiry that is concerned with the effect of human behavior on the conduct of affairs within rather narrowly defined units. It is the study of decision making regarding consumption, production, and exchange that is carried on by individual households and by business firms.

ECON-2340 Macroeconomics 3 hours

The area of economic study that focuses on how human behavior affects outcomes in highly aggregated markets, such as the market for labor or for consumer products. It is a study of the behavior of the economy as a whole, including the study of economic phenomena such as interest rates, the price level and national income, and output and employment. *Prerequisite or corequisite: ECON-2330 Microeconomics or permission of instructor.*

ECON-3130 Government and Business 3 hours

A study of the governmental agencies and their effect on American business. Case studies and current events are developed to show the trends and status of various laws and regulations. The economic impact and difficulties that arise in managing a business are reviewed. *Prerequisite: ECON-2330 Microeconomics.* (odd years)

ECON-3310 International Money and Capital Markets 3 hours

A study of money, banking, and monetary theory, with particular emphasis on international financial markets. *Prerequisite: ECON-2340 Macroeconomics or permission of instructor.*

ECON-3340 History of Economic Thought 3 hours

Principal figures in the development of economic ideas and the contribution of each period of economic thought from the mercantilist to the present. *Prerequisite: ECON-2330 Microeconomics.* (even years)

ECON-3350 Comparative Economic Systems 3 hours

Analysis of different types of economic systems. Special emphasis is placed on centralized planning from both a theoretical and empirical perspective. Centralized economic planning is compared and contrasted with a free-market distribution of resources. Individual country case studies are included. *Prerequisite: ECON-2340 Macroeconomics or permission of instructor.* (odd years)

ECON-3360 International Trade and Economics 3 hours

A study of international economic theory and international trade policy. The economic basis of trade and factor mobility, the benefits of international trade, and the barriers to international trade flows will be examined. *Prerequisite: ECON-2330 Microeconomics or permission of instructor.*

ECON-3370 Labor Economics 3 hours

An examination of the role of unions and the labor market in a free enterprise system. Emphasis is given to the impact of unions as a social institution in the collective bargaining process. Labor legislation and the labor movement are studied from both a historical and current perspective. *Prerequisite: ECON-2330 Microeconomics.* (even years)

ECON-3380 3 hours

Economic Development and Political Economy

A study of the interaction of political and economic systems to produce economic development and growth of nation states. A framework for analysis of development is explored and applied to specific case studies of both industrial and developing economics that have recently undergone significant change. *Prerequisite: ECON-2340 Macroeconomics or permission of instructor.*

ECON-3390 Public Finance 3 hours

A consideration of the financing of local, state, and federal governments. Much attention is given to three functions of government: stabilization, distribution, and allocation. All major taxes that are present in the United States are studied as to structure, revenue gained, and present status. *Prerequisite: ECON-2340 Macroeconomics.* (odd years)

Through the Integrated Business Core, students learn from direct involvement in starting and running a business. Profits earned through group projects are donated to local community organizations and charities.

Business Administration

School of Social Sciences and Professional Studies

End-User Information Systems

EUIS-1000

3 hours

Word Processing Concepts and Applications

Designed to develop a working knowledge of word processing software and hardware components and to apply these concepts to various software applications. The student will create, format, edit, store, retrieve, and print different types of documents as well as apply advanced features of the software to expand basic documents. Also an overview of the current operating system.

EUIS-1010

3 hours

Presentation Graphics Concepts and Applications

Designed to explain basic concepts of graphics software, give detailed information about the types of graphics that are available and when to use each type, demonstrate how to create each of the major types of graphics, and teach basic design concepts.

EUIS-2010

3 hours

Spreadsheet and Database Concepts and Applications

Designed to identify concepts and terminology used with electronic spreadsheets and to identify tasks that can be accomplished with spreadsheet software. The students will be able to use the computer to create, format, edit, store, retrieve, and print worksheets, graphs, and charts. The course will also introduce the student to database management systems. Fundamentals of database management concepts will be covered using a microcomputer database application package. Topics will include table design, query, maintenance, and reports. *Prerequisite: MIS-1510 Software Tools for Business.*

EUIS-2200 Desktop Publishing

2 hours

Writing, assembling, and designing publications commonly found in businesses, such as newsletters, brochures, reports, and promotional materials using PageMaker software.

Finance

FIN-1710 Personal Finance

3 hours

A study of the current principles and practices of establishing a lifetime program of personal money management. Topics include the economy; theories of work and income; preparation of financial goals, budgets, and reports; relevant biblical passages for giving; principles and practices of purchasing food, clothing, transportation, recreation, vacations, housing, and home furnishings; insurance for homes, autos, health, and life, and investments in the money market, bonds, stocks, mutual funds, real estate, precious metals, and collectibles. Credit, borrowing, making money grow, retirement, social security, estate planning, and income taxes are also studied. (Credit not applicable to meet business elective requirements.)

FIN-2730 Church Business Administration

3 hours

A study of the principles and procedures of the financial management of the local church organization. (Credit not applicable to meet business elective requirements.)

FIN-3310 International Money and Capital Markets

3 hours

A study of money, banking, and monetary theory, with particular emphasis on international financial markets. *Prerequisite: ECON-2340 Macroeconomics or permission of instructor.*

FIN-3710 Financial Management of the Firm

3 hours

A study of the practical and theoretical aspects of financial decision making. Topics include cost of capital, capital structure, management of current assets, capital budgeting, sources of funds, and statement analysis. *Prerequisites: ACCT-2110 Principles of Accounting I; BUS-2120 Statistics II.*

FIN-3730 Investments

3 hours

A study of the various types of investments including stocks, bonds, mutual funds, commercial, paper, options, and commodities. Particular emphasis is given to return and risk in developing investment strategies. *Prerequisite: FIN-3710 Financial Management of the Firm*

FIN-3770

3 hours

Security Analysis and Portfolio Management

The theory and practice of security analysis techniques and portfolio management objectives. *Prerequisite: FIN-3730 Investments*

FIN-4700 Seminar in Finance

1 hour

A forum to discuss contemporary topics and issues in finance and provide guidance in areas of student career interest. *Prerequisites: ACCT-3120 Intermediate Financial Accounting II; FIN-3310 International Money and Capital Markets; FIN-3710 Financial Management of the Firm; FIN-3730 Investments.*

FIN-4750 Financial Institution Administration

3 hours

An integrated and comprehensive analysis of the management of financial institutions considering the unique problems faced by each type of institution. *Prerequisite: FIN-3710 Financial Management of the Firm. (Fee: \$20)*

FIN-4770 Advanced Financial Management

3 hours

An in-depth analysis of topics of concern to financial managers of modern corporations. Topics include capital budgeting, financial forecasting, working capital management, and valuation of merger and acquisition candidates. *Prerequisites: FIN 3710 Financial Management of the Firm; ACCT 3110 Intermediate Financial Accounting I.*

FIN-4790 Case Problems in Financial Management

3 hours

Case study of financial management in business enterprises. Planning current and long-term financial needs, profit planning, funds allocation, dividend policy, expansion, and combination. *Prerequisite: FIN-4770 Advanced Financial Management.*

Management

MGMT-3500

3 hours

Principles of Organization and Management

An examination of the policies, principles, practices, and problems involved in the management of organizations as they are currently being applied in the United States and around the world to meet or exceed customer's expectations.

MGMT-3510 Small Business Management

3 hours

A course dealing with the program involved in establishing and managing a small business. Financial organization, services, and problems are analyzed. *Prerequisites: ACCT-2120 Principles of Accounting II; MGMT-3500 Principles of Organization and Management; MRKT-3600 Principles of Marketing.*

MGMT-3520 Production and Operations Management

3 hours

Introduction to the concepts, methodologies, and application of production and operations management. Designed to develop problem-solving and decision-making skills for application in the operations and production areas of the firm. Designed to develop an appreciation for the interaction of operations management with the management systems of organizations and the processes associated with "Lean" thinking necessary to create value for the customer. *Prerequisite: ACCT-2120 Principles of Accounting II; BUS-2120 Statistics II; MGMT-3500 Principles of Organization and Management; or permission of instructor.*

MGMT-3530 Human Resources Management

3 hours

An analysis of the principal functions, processes, and problems involved in the management of personnel policies; selection, training, promotion, compensation, and discharge of personnel; labor turnover, safety, health, and recreation. *Prerequisite: MGMT-3500 Principles of Organization and Management or permission of instructor.*

MGMT-3540 Management Science

3 hours

An introduction to linear programming, transportation and assignment problems, network flow problems, and inventory systems. The linear programming, transportation and assignment, network flow, and inventory models are solved and their use demonstrated by various applications. *Prerequisite: BUS-3150 Operations Analysis.*

Business Administration

School of Social Sciences and Professional Studies

MGMT-3550 Organizational Behavior 3 hours

A study of the impact of human behavior within and upon the organizational structure. Emphasis is given to behavior as it relates to employment, absenteeism, employee turnover, productivity, human performance, and management. *Prerequisite: MGMT-3500 Principles of Organization and Management or permission of instructor.*

MGMT-3570 International Management 3 hours

Focuses on the principles of management in a global economy. Exporting and foreign direct investment are analyzed from the multinational perspective. Strategy, organizational structure, and control techniques are developed in a world environment. *Prerequisite: MGMT-3500 Principles of Organization and Management.*

MGMT-4510 Administrative Policy and Strategy 3 hours

Strategic issues faced by organizations are analyzed in a comprehensive manner. Skills in strategic analysis are developed through lectures and from diverse industries, nonprofit, and quasi-public institutions. Open only to seniors in business administration within 2 semesters of graduation. Capstone course. *Prerequisites: FIN-3710 Financial Management of the Firm; MGMT-3500 Principles of Organization and Management; MRKT-3600 Principles of Marketing.*

MGMT-4520 Purchasing and Materials Management 3 hours

Examination of the basic purchasing principles including the determination of price, quality, and delivery times of materials. Effective management of suppliers through their selection and certification will be matched with strategic production policies such as inventory control and production scheduling. *Prerequisites: BUS-2120 Statistics II; MGMT-3500 Principles of Organization and Management.*

MGMT-4530 Industrial Relations Management 3 hours

The interplay between market forces and institutional rules that determine the employment relationship. Labor history, the effects of changing public policies, trade unions, and collective bargaining are viewed from various international perspectives. *Prerequisites: MGMT-3500 Principles of Organization and Management.*

MGMT-4550 Advanced Organizational Behavior 3 hours

This is an advanced course about managing people and organizations at the dawn of the 21st century. The intended audience is seniors who will soon face the challenge of leadership and influence in their respective workplaces. This course will integrate many of the most salient OB topics in today's volatile workplace environment. *Prerequisite: MGMT-3550 Organizational Behavior or permission of instructor.*

MGMT-4560 Organizational Change and Development 3 hours

This course focuses on the theories, concepts, processes, and tools of leading successful organizational change. Such changes involve sensitivity to issues that arise at the individual, interpersonal, and institutional levels. This course focuses on building the organization's capacity to both adapt to change and generate innovation. *Prerequisite: MGMT-3500 Principles of Organization and Management or permission of instructor.*

MGMT-4570 3 hours

Advanced Topics in Operations Management

This course is designed to expand on critical topics in the field of operations management. This course provides an in-depth understanding of the operations management strategy and tools and provides in-depth coverage of contemporary operations management topics such as "Lean" techniques and value-stream mapping not covered in the basic operations management course. *Prerequisite: MGMT-3520 Production and Operations Management or permission of instructor.*

Management Information Systems

MIS-1500 2 hours

Information Management in a Dynamic World

An overview of business information systems. The integration and application of computer hardware, software, procedures, systems, and human resources are explored. Personal, ethical, and biblical implications of the use of computers are considered.

MIS-1510 Software Tools for Business 1 hour

An overview of business information systems. The integration and application of computer hardware, software, procedures, systems and human resources are explored. Personal, ethical, and biblical implications of the use of computers are considered.

MIS-2200 Fundamentals of MIS 3 hours

This course is an introduction to the field of Management Information Systems (MIS). It is a demanding course that takes students through the process of developing an information system. While working through this process, students will be introduced to the primary topics and techniques used in MIS. Case study is the primary method used in teaching the course. Gateway course to the MIS major.

MIS-2300 Introduction to Programming 3 hours

Intended as the first programming course for MIS majors, this course will introduce the student to the process of programming and to the syntax and usage of the Java programming language. The programming assignments will encourage students to analyze problems in a logical, intentional, and structured manner so that they can develop well constructed programs using structured and object-oriented programming techniques. *Prerequisite: MIS-2200 Fundamentals of MIS (Fee: \$20)*

MIS-3100 Database Development 3 hours

Introduction to application program development in a database environment with an emphasis on loading, modifying, and querying the database using a host language (COBOL). Discussion and application of data structures, indexed and direct file organizations, and models of data including hierarchical, network, and relational. *Prerequisite: MIS-2200 Fundamentals of MIS. (Fee: \$20)*

MIS-3300 3 hours

Advanced Topics in Programming Languages

Advanced concepts in programming and programming languages using one or more programming languages. Theories of program design and implementation. Some discussion of the design of programming languages and the comparison of strengths and weaknesses in performing different types of tasks. *Prerequisite: MIS-2300 Introduction to Programming. (Fee: \$20)*

MIS-3400 Data Communications and Networking 3 hours

A study of the basic concepts of data and voice communications and current networking technology. Discussion of physical-layer considerations, higher-layer implications, and network operating systems. The concepts will be applied through a hands-on project of network design, implementation, and documentation. *Prerequisite: MIS-2200 Fundamentals of MIS or permission of instructor. (Fee: \$50)*

MIS-3500 Web Development 3 hours

This course will expose students to the process of developing information systems for the World Wide Web. The focus will be on advanced web page creation including dynamic content, scripting, applets and server issues. *Prerequisite: MIS-2200 Fundamentals of MIS.*

MIS-3800 Systems Analysis and Design 3 hours

Provides an understanding of the duties of the systems analyst together with an understanding of the specific methods and techniques for conducting a systems project from its preliminary investigation through its systems implementation and evaluation. *Prerequisite: MIS-3100 Database Development.*

MIS-3910 Advanced Topics in MIS**3 hours**

This course heading covers a variety of MIS courses offered on a temporary basis. The dynamic nature of the field of MIS gives rise to the need to address recent changes in technologies, methods, and systems.

MIS 4100 Advanced Database Design**3 hours**

This course is a systematic study of the use of databases in dynamically generated web pages in e-commerce systems. The course focuses on the integration of database management systems and other software such as CRM, ERP, and supply chain management systems in the design and development of scalable E-commerce systems. *Prerequisites: MIS-3100 Database Development; MIS-3500 Web Development.* (Fee: \$20)

MIS-4500 System Development**3 hours**

This course is the capstone course for the MIS major. It is a practicum in which students have the opportunity to hone their skills of analysis, design, and project management as they work in teams to develop IT projects that solve real-world problems proposed by end-users both inside the University and in outside organizations. While the specifics of each project are determined by the end-user/customer, these projects usually encompass aspects of system analysis, user-interface design, database development, web development, end-user training, documentation, and presentation to customers. *Prerequisites: MIS 3500-Web Development; MIS-3800 System Analysis and Design*

Marketing**MRKT-3600 Principles of Marketing****3 hours**

Survey of the marketing function in the business environment; product, price, promotion, and distribution as well as consumers organizations; service, nonprofit, and international markets.

Prerequisite: junior status or permission of instructor.

MRKT-3610 Sales/Sales Management Systems**3 hours**

Principles employed in the development, administration, and strategy of a sales force. Professional selling from a Christian perspective along with training, managing, compensating, and motivating a sales force. *Prerequisites: MGMT-3500 Principles of Organization and Management; MRKT-3600 Principles of Marketing.*

MRKT-3630 Marketing Research**3 hours**

Role of market research in marketing development. Decision making in an atmosphere of uncertainty. Determination of hypotheses. Planning research designs: survey, observational, experimental, and simulation. Execution of survey design: questionnaire construction, sample design, interviewing, tabulation, analysis, interpretation of results, and presentation.

Prerequisite: MRKT-3600 Principles of Marketing.

MRKT-3650 Buyer Behavior**3 hours**

Introduction to the psychological, sociological, cultural, and economic determinants of consumer behavior. Emphasis on exploration of various concepts and theories for the purpose of building understanding and providing an exposure to a variety of viewpoints. *Prerequisite: MRKT-3600 Principles of Marketing.*

MRKT-3660 Promotion Strategy**3 hours**

Advertising as a tool in marketing management. Decision making relative to market analysis. Media selection, budgeting, production and layout, and measurement of effectiveness.

Prerequisite: MRKT-3600 Principles of Marketing or permission of instructor.

MRKT-3670 Business to Business Marketing**3 hours**

A study of the industrial market sector, which includes buying behavior, applied demand analysis, and segmentation techniques. Designed to provide the student with decision-making capabilities for use in the industrial setting. *Prerequisite: MRKT-3600 Principles of Marketing.*

MRKT-3680 Nonprofit Marketing**3 hours**

Designed to acquaint the student with skills, abilities, and attitudes necessary to effectively implement marketing practice in nonprofit organizations. *Prerequisite: MRKT-3600 Principles of Marketing or permission of instructor.*

MRKT-3690 Services Marketing**3 hours**

Designed to act as an introduction to the field of service-oriented business concerns and their subsequent marketing.

MRKT-4610 Marketing Strategy**3 hours**

Computer simulation will be used to acquaint the senior marketing student in a realistic fashion to a variety of marketing situations and allow "hands-on" solutions to be implemented and tested. *Prerequisites: senior status; twelve hours of marketing including MRKT-3600 Principles of Marketing.*

MRKT-4620 International Marketing**3 hours**

An intensive investigation of the problems, regulations, and challenges facing U.S. manufacturers seeking to expand their markets to countries abroad. *Prerequisite: MRKT-3600 Principles of Marketing.*

The business department seeks to develop students who understand technology and are competent using the software tools that are expected in today's competitive business environment.

Communication Arts

School of Humanities, Fine Arts, and Bible

Purpose Statement

The Department of Communication Arts seeks to offer an education in communication consistent with biblical truth. Communication is an essential part of the world as God made it. The Department of Communication Arts recognizes the importance of understanding the theory as well as the practice of effective and edifying conversation. Contemporary issues and theories are presented and discussed in the perspective of Scripture. The department has developed these global objectives to achieve its purpose:

- To develop skills in critical thinking, academic research, and scholarly writing.
- To encourage a biblical understanding of ethics in communication.
- To identify implications of communication theory.
- To provide opportunities for students to practice skills of communication.
- To foster an understanding of the central role of electronic media communication in contemporary culture.
- To encourage an appreciation for theatre as a source of personal expression, societal analysis, aesthetic enjoyment, and career preparation.
- To equip the student with skills vital for communication success in vocational and/or avocational endeavors.
- To prepare students for graduate school.

Personal Requirements

Communication arts students tend to be “people” persons with a willingness to work in public forums. Typically, communication students have a wide range of abilities and interests with a willingness to explore multiple career options.

Department Requirements

Majors are required to complete a senior capstone project of research, production, internship, or performance to graduate. The nature of the project is determined by the emphasis area of the student.

Technical Resources

The department provides state of the art audio and video equipment with which students learn the skills of the electronic media.

A new, modern theatre and accompanying equipment and facilities are available to theatre majors.

The computer network provides tools and resources for public speaking, debate, and forensics.

Programs of Study

The Department of Communication Arts offers the following programs of study:

Majors

- Communication Arts
- Electronic Media
- Theatre

Minors

- Comprehensive Communication
- Electronic Media
- Organizational Communication
- Theatre

Co-Curricular Opportunities

Alpha Beta Phi is the Cedarville University chapter of the national honorary theatre organization, Alpha Psi Omega. The organization stimulates interest in theatre activities at the University and provides a forum for social interaction among students.

The Cedarville University **Debate Team** successfully competes with colleges and universities across the United States. Cedarville's debaters are competitively ranked within the National Parliamentary Debate Association, the largest debate league in the country. Students with a competitive edge who plan to pursue leadership careers such as ministry, law, education, business, or politics are encouraged to contact the debate coach, Professor Rebecca Sietman.

Drama Each semester the Communication Arts Department presents a major theatrical production. In recent years the department has produced *All My Sons*, *The Pirates of Penzance*, *Lost in Yonkers*, *Wait Until Dark*, and *A Midsummer Night's Dream*. Performances are often sold out and always greatly appreciated by the university family as well as many community guests.

Forensics is intercollegiate speech competition, including events in public speaking, oral interpretation, limited preparation events, and Lincoln-Douglas debate. For the past 20 years, Cedarville has earned top rankings on both the state and national level. Cedarville is the current state champion of Ohio and the national champion among Christian colleges and universities. Contact Professor Matthew Moore for audition information. Limited scholarships are available.

Lamda Pi Eta is the National Communication Honor Society for undergraduate students. It recognizes, fosters, and rewards outstanding scholastic achievement. In addition, Lamda Pi Eta promotes and encourages professional development among majors, while providing an opportunity to discuss and exchange ideas in the field of communication.

The **Miriam Maddox Forum** is an honorary alumni society of the Department of Communication Arts for alumni and graduating seniors with a continuing interest in communication within the public sphere.

Communication arts majors interested in organizational communications and human resources are encouraged to join the Cedarville University chapter of the **Society for Human Resource Management (SHRM)**. SHRM members investigate the field of human resources by developing their own human resource management programming and activities and by attending other professional human resource meetings and conferences.

Students of all majors interested in applying and developing their skills in electronic media are encouraged to join the staff of **U99.5**, the university's student radio station. Students are involved in planning, programming, and managing the station. Students enjoy a fun working environment and a large, responsive audience, just as a professional radio station. Popular programs, music, and personalities have made this station a favorite part of campus life at Cedarville.

Career Opportunities

Careers in communications are varied and vast. Cedarville's graduates with a communication arts major have excelled in careers such as public relations, personnel management, communication consulting, media communications, and corporate executive training. Students are well-equipped to pursue graduate studies in fields such as law, theology, and business.

Students who choose to major in electronic media will receive excellent training for careers such as audio and video production, station management, journalism, website design and management, graphic design, and digital media production.

Cedarville's theatre program prepares students for a career in any aspect of professional theatre, including acting, directing, theater design/technology, and theatre management.

Communication Arts

School of Humanities, Fine Arts, and Bible

Other career opportunities include:

- Actor
- Advertising executive
- Anchorperson
- Arts administrator
- Business manager
- Communication consultant
- Communication statistician
- Community relations director
- Customer service representative
- Development officer
- Film director
- Fund raiser
- Health services manager
- Human rights officer
- Journalist
- Labor relations consultant
- Legal communication consultant
- Legislative correspondent
- Mediation specialist
- News director
- Nonprofit organization director
- Political campaign director
- Political analyst
- Politician
- Public information officer
- Publications editor
- Publicist
- Radio talk-show host
- Recording company executive
- Seminar leader
- Sports announcer
- Theatre director

Faculty

Charles W. Elliott, *Chairman*: Professor of Communication Arts. Professional Member: Asian Mass Communication Research & Information Centre; Assoc'n for Education in Journalism & Mass Communication; Chinese Communication Assoc'n; Pacific & Asian Communication Assoc'n. *Education*: B.A., Cedarville University, 1977; M.A., Temple University, 1984; Ph.D., Temple University, 1994. At Cedarville since 2003.

J. Wesley Baker, Distinguished Professor of Communication Arts. Director of Electronic Media program; experienced newscaster; researcher in interactive media. *Education*: B.A., Bob Jones University, 1972; M.A., University of South Carolina, 1980; Ph.D., The Ohio State University, 1991. At Cedarville since 1977.

Rebecca M. Baker, Assistant Professor of Communication Arts. Member of Springfield Arts Council; Licensed Speech Pathologist; experienced actress and director. *Education*: B.A., Bob Jones University, 1973; M.A., Bob Jones University, 1975; M.A., University of Cincinnati, 1996. At Cedarville from 1977-79 and since 2001-present.

Robert L. Clements, Assistant Professor of Communication Arts, Member of the United States Institute of Theatre Technology; member of Christians in Theatre; experienced scenic, costume, and lighting designer. *Education*: B.A., Bob Jones University, 1970; M.Ed., Wright State University, 1983; graduate study-The Ohio State University, 2002. At Cedarville since 2003.

Derrick L. Green, Assistant Professor of Communication Arts, Assistant Director of Forensics. *Education*: B.A., Cedarville University, 1997; M.A., Miami University, 1999. At Cedarville since 2002.

Clark Greer, Assistant Professor of Communication Arts. Media Research. *Education*: B.A., Los Angeles Baptist College, 1978; M. Div., Northwest Baptist Seminary, 1981; M.A., University of Southern California, 1985; Ph.D., Bowling Green State University, 2000. At Cedarville since 1999.

Deborah B. Haffey, Professor of Communication Arts. Popular conference speaker. *Education*: B.A., Cedarville University, 1968; M.A., The Ohio State University, 1969; Ph.D., The Ohio State University, 2002. At Cedarville since 1986.

Clifford L. Johnson, Professor of Communication Arts. *Education*: B.Ed., Western Washington University, 1949; M.Ed., Western Washington University, 1953; D.Ed., University of Washington, 1962. At Cedarville since 1962.

James L. Kragel, Assistant Professor of Communication Arts. *Education*: B.S., Mankato State University, 1977; M.A., Wheaton College, 1984. At Cedarville since 1994.

James O. Leightenheimer, Associate Professor of Communication Arts. Advisor of U99.5; experienced broadcaster. *Education*:

B.A., Cedarville University, 1980; M.A., Ohio University, 1989. At Cedarville since 1982.

J. Michael López, Professor of Communication Arts. *Education*: B.A., Bob Jones University, 1972; M.A., Bob Jones University, 1975; Ph.D., The Ohio State University, 1985. At Cedarville since 1984.

Mischelle L. McIntosh, Assistant Professor of Communication Arts. Media Research. *Education*: B.A., Cedarville University, 1977; M.A., Pensacola Christian College, 1981; M.A., University of West Florida, 1992. At Cedarville since 1999.

Diane A. Merchant, Associate Professor of Communication Arts. Professional dramaturg and arts administration consultant.

Advisor of Alpha Beta Phi, the university chapter of the national theatre honor society. Active member of Society of Stage Directors and Choreographers, Association for Theatre in Higher Education, Literary Managers and Dramaturgs of the Americas, and Ohio Theatre Alliance. *Education*: B.A., Cedarville University, 1978; post-graduate work in theatre, Kent State University, 1983-84; M.A., The Ohio State University, 1989. Ph.D., The Ohio State University, 1996. At Cedarville since 1986.

Matthew M. Moore, Assistant Professor of Communication Arts. Director of Forensics. *Education*: B.A., Cedarville University, 1992; M.A., Miami University, 1997. At Cedarville since 1998.

Kurt D. Moreland, Assistant Professor of Communication Arts. Advisor for the student chapter of the Society for Human Resource Management. *Education*: B.A., Cedarville University, 1976; M.A., West Virginia University, 1978; all work completed for Ph.D. except dissertation, Purdue University. At Cedarville since 1981.

James R. Phipps, Professor of Communication Arts. Former president, Speech Communication Association of Ohio; Village of Cedarville mayor; experienced sportscaster. *Education*: B.A., Cedarville University, 1968; M.A., The Ohio State University, 1970; Ph.D., The Ohio State University, 1975. At Cedarville since 1968.

David H. Robey, Professor of Communication Arts. Director of Theatre; experienced actor; professional speaker; communications consultant. *Education*: B.A., Pillsbury Bible College, 1970; M.A., Bob Jones University, 1972; graduate study, Tennessee Temple University, 1974; Ph.D., Union Graduate School, 1989. At Cedarville since 1981.

Rebecca M. Sietman, Instructor of Communication Arts. Debate Coach. *Education*: B.A., Cedarville University, 1999; M.A., The Ohio State University, 2002. Completing work on Ph.D., The Ohio State University, scheduled to graduate June 2005. At Cedarville since 2003.

Margaret S. Wheeler, Assistant Professor of Communication Arts. Coordinator of Fundamentals of Speech Program. *Education*: B.A., Cedarville University, 1964; M.Ed., Central State University, 1998. At Cedarville since 1995.

Technical Support Staff

Donald N.C. Jones, Designer and Technical Director. *Education*: B.A., Bob Jones University, 1973; graduate studies - Tennessee Temple University, 1974-76; Oxford University (England), 1977; University of the South, 1983; Rhode Island School of Design, 2002. At Cedarville since 1984.

Steven W. Wood, Assistant Technical Director/Production Manager. *Education*: B.S., Baptist Bible College, 1998; M.A., Bowling Green State University, 2001. At Cedarville since 2001.

David G. Bastress, Electronic Media Technician. *Education*: Practical Bible Training School, 1970; John Brown University, 1980. Ten years as engineer, manufacturing communication antennas; 13 years chief engineer for several radio stations including WEEC-FM [100.7] in Springfield, WFCJ-FM [93.7] in Dayton, KUOA/KMCK in Siloam Springs, AK, and WIVV in Vieques, Puerto Rico. Responsibilities include installation, maintenance, & repair of audio & video equipment used by the department and the campus radio station. At Cedarville since 2002.

Communication Arts

School of Humanities, Fine Arts, and Bible

Communication Studies

The **communication arts major** prepares students for careers in public relations, personnel management, consultancy programs, media communications, and corporate executive training. Because excellent communication skills are important in many professions, this major has also been chosen by those pursuing careers in sales or politics. It also serves as excellent undergraduate preparation for those planning additional graduate professional training such as law, theology, and business.

Graduating seniors in communication arts culminate their programs with an individualized senior project under the direction of a faculty mentor. This project involves either a senior recital or a senior thesis. The senior recital emphasizes the performance training in areas of acting, oral interpretation, and public speaking and results in a public performance. The senior thesis emphasizes research and writing and results in a public presentation.

Course requirements involve 44 semester hours, including 20 semester hours in core requirements and 24 semester hours in an area of concentration chosen with the advice of the student's academic advisor. An additional 17 hours in specific courses are required if the student performs a recital.

<i>Core requirements</i>	19-20
COM-1000 Introduction to Communication Arts	2
COM-2000 Persuasive Theory	3
COM-2050 Communication Theory	3
COM-2200 Communication in Applied Contexts	2
COM-2220 Research in Communication	2
COM-3100 Advanced Public Speaking	3
COM-3240 Interpersonal Communication	2
<i>One of the following:</i>	
*COM-4820 Senior Research Project	2
COM-4840 Senior Project in Theatre Performance	3

The following electives are required as senior recital prerequisites for Senior Project in Theatre Performance . 16

THTR-1230 Voice and Diction	2
THTR-1410 Introduction to Theatre	3
THTR-1430 Stage Movement	2
THTR-2350 Principles of Play Directing	3
THTR-2410 Fundamentals of Oral Interpretation	3
THTR-2430 Principles of Acting	3

*Capstone Course

Concentrations

Students should select a concentration by the end of the sophomore year from the following:

- Comprehensive Communication
- Media Communication
- Organizational Communication
- Public Communication
- Rhetorical Communication

Concentration requirements may be adjusted to the needs of individual students with the written permission of the department chairman.

Comprehensive communication concentration	24
COM-4110 History of Public Address	3
COM-4120 Contemporary Rhetoric	2
COM-4810 Research Pre-Seminar	1
COM-4830 Research Post Seminar	0

<i>Electives</i>	18
------------------------	----

Electives may be selected from courses within the department or from other departments to meet the specific life goals of the student, and must be approved by the department chairman and the student's advisor.

Media communication concentration	25
COM-3120 Argumentation and Debate	3
COM-3140 Intercultural Communication	3
(or COM-3150 Women in America	3)
COM-4060 Organizational Leadership	3
COM-4810 Research Pre-Seminar	1
COM-4830 Research Post-Seminar	0

<i>Electives selected from the following:</i>	15
COM-2320 Theories of Mass Media	3
COM-3220 Visual Communication	3
COM-3840 Media Criticism	3
COM-4640 Special Topics	2-3
COM-4900 Internship in Communication*	3
ENG-2210 Principles of Journalism	3
ENG-3110 Style and Mechanics for Writers	2
ENG-3620 Practicum in Journalism	1
EMTC-3350 Documentary Films	2

*Only 3 credit hours of internship may count toward this concentration.

Organizational communication concentration	24
COM-3230 Organizational Communication	3
COM-3250 Interviewing	3
COM-3330 Organizational Training	3
COM-4060 Organizational Leadership	3
COM-4810 Research Pre-Seminar	1
COM-4830 Research Post-Seminar	0
MGMT-3500 Principles of Organization and Management	3
MGMT-3530 Human Resources Management	3

<i>Electives selected from the following:</i>	5
COM-2230 Group Discussion	2
COM-2320 Theories of Mass Media	3
COM-3120 Argumentation and Debate	3
COM-3260 Organizational Negotiation	3
COM-4110 History of Public Address	3
COM-4610 Communication Ethics	2
COM-4640 Special Topics	2-3
COM-4720 Independent Study: Organizational Communication	1-3

Electives selected from the following:

.....	10
BEPH-2240 Logic	3
BEPH-2250 Ethics	3
BEPH-3240 Epistemology	3
BEPH-3330 19th Century Philosophy	3
COM-3220 Visual Communication	3
COM-4610 Communication Ethics	2
COM-4640 Special Topics	2-3
COM-4900 Internship in Communication*	3
POLS-2610 American National Government	3

*Only 3 credit hours of internship may count toward this concentration.

Communication Arts Major Curriculum Summary

Proficiency Requirements	0-5
General Education Requirements	49-60
Communication Arts Major Requirements	44
Electives	24-35
Total (minimum, not including proficiency)	128

The Forensics team competes in areas such as public speaking, oral interpretations, limited preparation events, and Lincoln-Douglas debate.

A complete description of the General Education Requirements is found on page 18

Suggested Four-Year Curriculum for a Major in Communication Arts

First year:

BEGE-1710 Christian Life and Thought	3
BEGE-1720 Spiritual Formation	3
COM-1000 Introduction to Communication Arts	2
COM-1100 Fundamentals of Speech	3
COM-2200 Communication in Applied Contexts	2
ENG-1400 Composition	3
GSS-1000 Foundations of Social Science	3
HUM-1400 Introduction to the Humanities	3
PEF-1990 Physical Activity and the Christian Life	1
Biological Science Elective	3.5
History Elective	3
Literature Elective	3
Physical Education Activity Elective	1
Total	33.5

Second year:

BEGE-2730 Old Testament Literature	3
BEGE-2740 New Testament Literature	3
COM-2000 Persuasive Theory	3
COM-2050 Communication Theory	3
COM-2220 Research in Communication	2
Communication Arts Major Concentration Courses	9
Physical Science Elective	3.5
Quantitative Elective	3
Social Science/Global Awareness Elective	3
Total	32.5

Third year:

BEGE-3750 Christian Worldview Development	2
BEGE-3760 Christian Worldview Integration	2
COM-3100 Advanced Public Speaking	3
COM-3240 Interpersonal Communication	2
COM-4810 Research Pre-Seminar	1
Communication Arts Major Concentration Courses	9
Electives	12
Total	31

Fourth year:

COM-4110 History of Public Address	3
(or another Humanities elective	3)
COM-4820 Senior Research Project	2
(or COM-4840 Senior Project: Recital	3)
COM-4830 Research Post-Seminar	0
Communication Arts Major Concentration Courses	7
Electives	19
Total	31

Communication Arts

School of Humanities, Fine Arts, and Bible

Electronic Media

The **electronic media major** prepares students for careers in a wide range of media—radio, television, non-broadcast audio/video production, and online and computer-based media.

Because of the paraprofessional nature of this program and the balance of practical and theoretical aspects of media work, Cedarville graduates have excelled in careers across all of these media.

Through specifically designed courses, students have the opportunity to work in environments in which radio stations are streaming alternate music formats on the Web, television is digital and interactive, and the Internet's broadband capacity provides video on demand. Students receive a broad perspective to prepare them to work in a rapidly changing media environment and will also select a concentration for specialization.

Course requirements involve 49 semester hours—28 semester hours of core courses that provide the student with an overview of these media and develop skills in common with all of them and a 21-hour concentration. The concentrations provide specialized courses in audio production (radio and non-broadcast audio), video production (television and non-broadcast video), management/sales (covering the business side of the field), and interactive media (online and computer-based media).

Internships are strongly recommended but are dependent upon availability and placement.

Core Requirements	28
COM-1000 Introduction to Communication Arts.....	2
EMTC-1110 Introduction to Electronic Media.....	3
EMTC-1120 Audio Production.....	3
EMTC-2110 Video Technical Training.....	3
EMTC-2130 Writing for Electronic Media.....	3
EMTC-3111 Survey Research for Electronic Media.....	3
(or EMTC-3112 Content Research for Electronic Media ...)	3)
EMTC-3150 Electronic Media Ethics.....	2
EMTC-3151 Christian Approaches to Electronic Media.....	2
EMTC-4110 Electronic Media Law and Regulation.....	3
EMTC-4810 Senior Seminar.....	1
<i>Select one of the following courses, with approval of faculty:</i>	
*EMTC-4920 Senior Project.....	3
EMTC-4930 Electronic Media Internship.....	3-12
*Capstone Course

Electronic Media Advisory Board

The EMTC Advisory Board provides input on the development of the EMTC majors and an assessment of the program's courses and facilities to ensure that students are being prepared for a career in the field.

Current Board members* include:

- Jay Benson, Sales Manager, WHIZ Media Group, Zanesville, OH
- Dan Craig, General Manager, WRFD, Columbus, OH
- Bill DeWees, General Manager/Professor, WONU, Bourbonnais, IL
- Bob Lepine, Vice President of Broadcasting, Family Life Today, Little Rock, AR
- Dusty Rhodes, Chief Operating Office, WAY-FM Media Group, Colorado Springs, CO
- Rod Robinson, Vice President for Development, Family Life Radio, Tucson, AZ
- Dave Samuel, Audio Services Director, Focus on the Family, Colorado Springs, CO
- Josh Snyder, Recording Industry Consultant, Bellevue, WA
- Linnae Young, Salem Radio Reps, Bartlett, IL

*Organizational affiliation cited for identification only

A complete description of the General Education Requirements is found on page 18

Suggested Four-Year Curriculum for a Major in Electronic Media

First year:

BEGE-1710 Christian Life and Thought	3
BEGE-1720 Spiritual Formation	3
COM-1000 Introduction to Communication Arts	2
COM-1100 Fundamentals of Speech	3
EMTC-1110 Introduction to Electronic Media	3
EMTC-1120 Audio Production	3
ENG-1400 Composition	3
GSS-1000 Foundations of Social Science	3
HUM-1400 Introduction to the Humanities	3
PEF-1990 Physical Activity and the Christian Life	1
Biological Science Elective	3.5
History Elective	3
Total	33.5

Second year:

BEGE-2730 Old Testament Literature	3
BEGE-2740 New Testament Literature	3
EMTC-2110 Video Technical Training	3
EMTC-2130 Writing for Electronic Media	3
EMTC-XXXX Concentration Requirements and Electives	9
Literature Elective	3
Physical Education Activity Elective	1
Physical Science Elective	3.5
Quantitative Elective	3
Total	31.5

Third year:

BEGE-3750 Christian Worldview Development	2
BEGE-3760 Christian Worldview Integration	2
EMTC-3111 Survey Research for Electronic Media	3
(or EMTC-3112 Content Research for Electronic Media	3)
EMTC-3150 Electronic Media Ethics	2
EMTC-3151 Christian Approaches to Electronic Media	2
EMTC-XXXX Practica	2
EMTC-XXXX Concentration Requirements and Electives	7
Social Science/Global Awareness Elective	3
Electives	7
Total	30

Fourth year:

EMTC-4110 Electronic Media Law and Regulation	3
EMTC-4810 Senior Seminar	1
EMTC-4920 Senior Project	3
(or EMTC-4930 Electronic Media Internship	3-12)
Concentration Requirement or Elective	2
EMTC-XXXX Practicum	1
Humanities Elective	3
Electives	11-20
Total	33

Real-life field assignments provide multimedia and broadcasting students with valuable knowledge and experience.

Communication Arts

School of Humanities, Fine Arts, and Bible

Theatre

The **theatre major** is a comprehensive major providing training in acting, directing, theatre design/technology, and theatre history/dramaturgy. The program places special emphasis upon the use of drama in worship and Christian ministry.

In addition to studio and classroom instruction, students gain practical experience through working on department productions and serving on production teams. To assist the student in the training and mastering of theatre skills and to help them put into practice classroom education, many theatre courses require practical work on university productions. Required hours for stage work are to be considered as course schedules are planned. Theatre students receive training in theatre procedures and safety before working on the university stage. This practical experience work is supervised by the theatre technical staff and may include set construction, scenic painting, lighting, properties, costumes, and other projects.

While many theatre majors anticipate a career in theatre, other students may want to combine the theatre major with a specific minor to help prepare them for the diversity of theatre-related professions including Christian education, youth ministry, arts management, arts law, and arts education. With the assistance of a faculty advisor, theatre majors are encouraged to consider taking a minor in such fields of study as art, English, management, Christian education or psychology. The program culminates in a Senior Theatre Project designed to feature the student's level of expertise and assist the student in preparation for graduate school or the selected area for employment or ministry. Course requirements involve 55 semester hours.

<i>Core requirements</i>	50
THTR-1230 Voice and Diction	2
THTR-1410 Introduction to Theatre	3
THTR-1420 Introduction to Technical Theatre	3
THTR-1430 Stage Movement	2
THTR-1460 Theatre Participation	1
THTR-1480 Play Production	3
THTR-2130 Dramatic Literature	3
THTR-2350 Principles of Play Directing	3
THTR-2400 Stagecraft (1 credit hour for 2 semesters within the first year)	2
THTR-2410 Fundamentals of Oral Interpretation	3
THTR-2420 Stage Costume and Makeup Design	3
THTR-2430 Principles of Acting	3
THTR-2450 Scenic Design	3
THTR-3420 Theatre History	3
THTR-3470 Dramaturgy	3
THTR-3510 Advanced Directing	3
(or THTR-3460 Advanced Acting	3)
THTR-3630 Production of Religious Drama	2
THTR-4400 Professional Preparation Seminar	3
*THTR-4840 Senior Theatre Project	3

Theatre Major Electives: 5
Students should select one course in an art form other than theatre and other electives according to the student's theatre interest, as approved by the student's advisor.

*Capstone Course

Theatre students express their creative talents and abilities in drama productions such as Arthur Miller's "All My Sons" shown above.

Communication Arts

School of Humanities, Fine Arts, and Bible

Course Descriptions

Communication Arts Courses

COM-1000

2 hours

Introduction to Communication Arts—Fa,Sp

A foundational course designed to introduce the student to the broad discipline of communication including such areas as Christian perspectives, theory, ethics, programs of study, professional organizations, and co-curricular and career opportunities.

COM-1100 Fundamentals of Speech—Fa,Sp

3 hours

Usually a prerequisite for other courses in speech, the fundamental course offers theory and practice in basic speech skills for extemporaneous speaking and the use of voice and delivery in oral interpretation of prose and poetry. Students gain extensive training in public speaking as an art.

COM-1120 Honors Speech—Fa,Sp

3 hours

This course will expose the student to and prepare the student for competition in the three general areas of intercollegiate forensic competition: oral interpretation (prose, poetry, dramatic-duo), public speaking (persuasion, informative, communication analysis), and limited preparation events (impromptu and extemporaneous speaking). *Prerequisites:* Audition; permission of instructor.

COM-1230 Voice and Diction—Sp

2 hours

See course description for THTR-1230 Voice and Diction.

COM-1500 Introduction to Debate—Su

3 hours

A foundational course designed to allow high school students to develop their public speaking and debating skills in a concentrated, activity-intensive learning environment. Theories concerning public speaking and argumentation will be presented. Daily speaking assignments are an important aspect of the course. (Fee: \$25)

COM-2000 Persuasive Theory—Fa

3 hours

Methods of applying contemporary communication theories on attitudes, involvement, and change are combined with classical positions on the principles and methods of persuasive communications. Attention is given to the study, analysis, and delivery of persuasive speeches in a free society. The student is given background in the rhetorical criticism of logical, emotional, and ethical proofs. Interpersonal communication problems, methods, and theories are considered.

COM-2050 Communication Theory—Fa,Sp

3 hours

Introduction and critical assessment of communication theories that underlie interpersonal, group, organization, public, mass media, and cultural studies.

COM-2200 Communication in Applied Contexts—Fa,Sp

2 hours

This course provides students with an opportunity to develop their speaking skills beyond Fundamentals of Speech. The course will emphasize the use of technology, the professional use of public address, and preparation for upper-level applied and speaking courses. *Prerequisite:* COM-1100 Fundamentals of Speech; or COM-1120 Honors Speech.

COM-2220 Research in Communication—Sp

2 hours

A survey of research methodologies commonly employed by communication researchers. Laboratory hour introduces library search techniques and participation in on-going research projects.

COM-2230 Group Discussion—Sp

2 hours

Group interaction and principles of directing effective groups are studied in an attempt to develop individual understanding of group processes. Emphasis on the different aims of discussion situations.

COM-2300 Voices of Diversity—Fa,Sp

3 hours

An examination and critical analysis of the significant contributions of, and issues related to, women, people of color, cultural minority groups, and the differently abled in the development of

American cultural history. Cultural, social, and artistic contributions are examined and discussed and may include works from theatre, film, fiction, non-fiction, poetry, essays, and the visual arts. Field trips and guest performers/speakers will be incorporated, dependent upon availability.

COM-2320 Theories of Mass Media—Sp

3 hours

Contemporary mass media is surveyed with attention to the nature, role, structure, influence, operation, and problems of newspapers, magazines, radio, and television-journalistic activities. The course also examines issues involving new communication technologies such as the Web, personal digital assistants, and digital broadcasting.

COM-2410 Fundamentals of Oral Interpretation—Fa

3 hours

The study of literature through the medium of oral performance involves development in analysis and performance skills. Interpretation theories and techniques that deal with poetry, prose, and dramatic literature are presented.

COM-2440 Advanced Forensics—Fa,Sp

1 hour

Advanced training for intercollegiate forensic competition. Focuses on literary and rhetorical criticism, extemporaneous speaking, and the writing of original oratory. Repeatable to six hours.

COM-3100 Advanced Public Speaking—Fa,Sp

3 hours

Emphasizes the creative, logical, and audience-centered thinking needed for excellent public address. Students exhibit logical communication skills through writing and speaking assignments. *Prerequisite:* COM-2200 Communication in Applied Contexts.

COM-3120 Argumentation and Debate—Fa

3 hours

The study of principles and practices of debate. Course includes an overview of typical questions used in intercollegiate debate as well as the theory involved in logical preparation and refutation of a case.

COM-3130 Rhetorical Criticism—Sp

2 hours

Critical approaches to textual analysis within communication studies. Analyses may feature speeches, writings, television, and film. Critical thinking, writing skills emphasized. Seminar format.

COM-3140 Intercultural Communication—Fa,Sp

3 hours

Focuses on the way communication functions in intercultural settings and the way culture affects communication. Words and actions of Christ, the Messiah, are employed as a point of reference for identifying "Christian" culture.

COM-3150 Women in America—Fa

3 hours

Surveys the unique voice of women in the U.S. during the 20th century. Students will read works that discuss contemporary issues concerning women and will analyze them from the perspective of a Christian world-life view.

COM-3220 Visual Communication—Fa,Sp

3 hours

Centers on the analysis of how we, as individuals and societies, shape, communicate, receive, and interpret visual images. Particular emphasis is given to visual and aesthetic theory as it applies to film, television, advertising, and theatre.

COM-3230 Organizational Communication—Sp

3 hours

The study of the usage of communication for the organizational structure. The course focuses on major organizational theories, topics, and their communicative implications. In addition, the course focuses on the role of communication during conflict management, negotiation, crisis management, and small group process in the organizational context.

COM-3240 Interpersonal Communication—Sp

2 hours

Centers on the nature and function of interpersonal communication as it operates within casual encounters, families, organizations, and institutions. Implications for personal, social, and professional growth will be considered.

COM-3250 Interviewing—Fa,Sp

3 hours

Focuses on the study of fundamental interviewing principles. Instruction and training are offered across a variety of interview-

Communication Arts

School of Humanities, Fine Arts, and Bible

ing situations, including informational, employment, and persuasive interviews.

COM-3260 Organizational Negotiation–Sp 3 hours

Focuses on communication and the negotiation process in the organizational context. Includes coverage of selected negotiation theories, selected elements of the negotiation process, and selected negotiation formats (e.g. salary negotiations, budget negotiations, collective bargaining, etc.).

COM-3330 Organizational Training–Fa 3 hours

Effective organizational training programs must be properly planned, implemented, and managed. Focuses on trainer skills essential for training the adult employee in an organizational setting. Techniques and learning resources are presented to aid the trainer in assessing training needs. *Prerequisite: COM-3230 Organizational Communication or permission of instructor.*

COM-3450 Forensics/Individual Events–Fa,Sp 1 hour

Students receive individual coaching for participation in intercollegiate speech competition. Areas of competition include oral interpretation, public speaking, and limited preparation events. *Prerequisite: permission of instructor.*

COM-3451 Debate Practicum–Fa,Sp 1 hour

Students receive individual coaching for participation in intercollegiate debate competition. *Prerequisite: permission of instructor.* Credit/no credit; repeatable up to six times.

COM-3500 Storytelling–Sp 1 hour

The history, development, and usage of storytelling is presented in a format where the student participates in developing skills as a teller. Students are assisted in developing their own style and method for presenting stories. Open to all majors.

COM-3650 Clinical Methods in Teaching Speech–Fa,Sp 2 hours

Students seeking certification for teaching speech will gain classroom experience. One credit hour equals 20 classroom hours. Department staff members will supervise all assignments. Credit/no credit.

COM-3820 Political Communication–Sp 2 hours

A survey of the theory and practice surrounding the relationship between media and politics. Issues such as the role of media in promoting democracy; media effect theories, political knowledge, and the public's response to news; and the role of public opinion in an open society will be explored.

COM-3840 Media Criticism–Sp 3 hours

Overviews the study and application of theories that analyze and critique news, entertainment, and film media. Several theories of media criticism will be presented, along with a Christian view of criticism. Students will produce critiques of various forms of media by both using the theories presented and integrating their Christian worldview into their analysis.

Students enhance their communication skills and abilities through dramatic performances and recitals.

COM-4060 Organizational Leadership–Fa,Sp 3 hours

Leadership as a societal role is addressed through analysis of theory and observation of practitioners. A chronology of methodological approaches to the study of leadership is presented. Assigned reading and class processing of ideas and theories prepares the student for observation and evaluation of leaders in a variety of disciplines.

COM-4100 Advanced Argument–Sp 2 hours

Prepares students for intercollegiate debate. Focuses on research and the creation and development of argumentative claims. Class members compete in intercollegiate tournaments. *Prerequisite: COM-3120 Argumentation and Debate.*

COM-4110 History of Public Address–Fa 3 hours

Classical rhetorical systems and theories are studied from the perspective of the rhetorical critic. The development of rhetoric is traced from the Greek period to the present. Analysis is made of the part rhetoric has played in the development of philosophies and nations.

COM-4120 Contemporary Rhetoric–Sp 2 hours

A survey of rhetorical theory that has developed since WWII. Selected representative, contemporary rhetorical theories will be studied and applied to U.S. political communication. The course seeks to integrate the study of political messages and the current political culture. Special attention will be given to arguments presented to the public. *Prerequisite: COM-4110 History of Public Address or permission of instructor.*

COM-4600 Speech Seminar 2 hours

Courses are available to the advanced student who desires intensive study in a particular area of speech communications.

COM-4610 Communication Ethics–Sp 2 hours

Seminar focuses on how to reason biblically about ethical issues. Surveys contemporary Christian ethicists; examines issues of concern to the Christian community; suggests communication dynamics that build Christian social ethics.

COM-4640 Special Topics–Fa,Sp 2-3 hours

Topics of important interest are examined on an as-needed basis.

COM-4710 through COM-4760 Independent Study–Fa,Sp 1 hour

COM-4710 Independent Study–General Communication 1-3 hours

COM-4720 Independent Study–Organizational Communication 1-3 hours

COM-4730 Independent Study–Oral Interpretation 1-3 hours

COM-4740 Independent Study–Drama 1-3 hours

COM-4750 Independent Study–Media 1-3 hours

COM-4760 Independent Study–Forensics 1-3 hours

Taken to secure an in-depth background in one of the areas of speech communication. Repeatable to a total of eight credit hours in the field. *Prerequisite: permission of instructor.*

COM-4810 Research Pre-Seminar–Sp 1 hour

Senior students present research findings to beginning researchers. Senior students mentor beginning students. Beginning researchers employ library search techniques to prepare a research prospectus.

COM-4820 Senior Research Project–Fa 2 hours

Students select a topic of interest, research, and write a paper under the direction of a research mentor. Students present findings before faculty and peers. Research is published by the department and retained in the Department of Communication Arts archives. *Prerequisites: COM-2050 Communication Theory; COM-2220 Communication Research; COM-4810 Research Pre-Seminar.* (Fee: \$45)

COM-4830 Research–Post Seminar–Sp 0 hours

Senior students present research findings to beginning researchers. Senior students mentor beginning students.

Communication Arts

School of Humanities, Fine Arts, and Bible

Beginning researchers employ library search techniques to prepare a research prospectus.

COM-4840 **3 hours**

Senior Project in Theatre Performance–Fa,Sp

Communication Arts majors who have a strong interest in theatre performance have the option of completing their communications major with a theatre project. Students desiring to fulfill their senior project requirement with a theatre performance must declare this to their communication arts advisor and the director of theatre before completing the sophomore year. Completion of prescribed courses in theatre is required for the theatre performance senior project. **Platform examinations are required of all who wish to present a theatre performance for their senior Communications project and are included in THTR-2410 Fundamentals of Oral Interpretation and THTR-2430 Principles of Acting.** These two courses must be taken before the end of the sophomore year. All students who wish to transfer college credit for these courses must complete a platform examination the semester they enter the major. The faculty will determine entrance and continuation in the theatre performance program. *Prerequisites: THTR-1230 Voice and Diction; THTR-1410 Introduction to Theatre; THTR-1430 Stage Movement; THTR-2410 Fundamentals of Oral Interpretation; THTR-2350 Principles of Play Directing; THTR-2430 Principles of Acting.* (Fee: \$50)

COM-4900 Internship in Communications–Fa,Sp 3-12 hours

Students are placed with professional organizations to gain experience in actual career situations. Internships depend upon availability.

Electronic Media Courses

EMTC-1110 Introduction to Electronic Media–Fa 3 hours

A survey of electronic media, including history and development, types, audience research, regulations, and globalization.

EMTC-1120 Audio Production–Fa,Sp 3 hours

Students receive instruction and training in the operation of electronic equipment used in electronic media. This course emphasizes the roles of sound designer and engineer; the student will be introduced to the techniques of audio production and will produce a variety of media projects. (Fee: \$45)

EMTC-1210 Media Performance–Sp 3 hours

Examines all types of announcing and applies each with particular emphasis to radio and television performance. Emphasis is on the use of the voice as a tool for communication of ideas on a one-to-one basis. (Fee: \$45)

EMTC-2061 Proficiency in HTML–Fa,Sp 0 hours

The student will demonstrate the ability to create webpages using an HTML editor. A list of resources is available from the interactive media faculty to help the student prepare to pass this proficiency requirement. (Fee: \$10)

EMTC-2062 Proficiency in Photoshop–Fa,Sp 0 hours

The student will demonstrate the ability to create screen designs for television and interactive media in Photoshop. A list of resources is available from the interactive media faculty to help the student prepare to pass this proficiency requirement. (Fee: \$10)

EMTC-2063 Proficiency in Illustrator–Fa,Sp 0 hours

The student will demonstrate the ability to create vector-based designs in Illustrator. A list of resources is available from the interactive media faculty to help the student prepare to pass this proficiency requirement. (Fee: \$10)

EMTC-2110 Video Technical Training–Sp 3 hours

This course provides hands-on training with all video production equipment including cameras, lighting, sound, and editing. The student will learn basic television skills and technical terms. (Fee: \$45)

EMTC-2130 Writing for Electronic Media–Fa 3 hours

Covers the form and style of writing for radio, television, and

interactive media. Work in the course includes news writing, public service announcements, promotional announcements, advertisements, video scripting, and writing for the Web and other multimedia applications.

EMTC-2310 Introduction to Photography–Sp 2 hours

Acquaints students with basic principles of photography (light, exposure, composition, and darkroom skills) through lecture, laboratory sessions, and photographic assignments. (Fee: \$45)

EMTC-2606 2 hours

Introduction to Computer Animation for Electronic Media–Fa

An introduction to the use of 3D animation software. Intended for students who do not have a background in 3D animation and who need some directed help in preparing for EMTC-3065 Proficiency in Maya. *May not be counted as major hours for Electronic Media majors.* (Fee: \$35)

EMTC-2610 Preproduction Planning–Fa 3 hours

Examines the preproduction phase of television and multimedia productions. Topics covered include planning, specifications, contracts, scheduling, budgeting, and evaluation. Special emphasis is placed on project management and research to understand the design and effectiveness of television and multimedia projects.

EMTC-3061 Proficiency in Flash–Fa,Sp 0 hours

The student will demonstrate the ability to create Flash animations and interactive programs. A list of resources is available from the interactive media faculty to help the student prepare to pass this proficiency requirement. (Fee: \$10)

EMTC-3062 Proficiency in Director–Fa,Sp 0 hours

The student will demonstrate the ability to create interactive media products using Director. A list of resources is available from the interactive media faculty to help the student prepare to pass this proficiency requirement. (Fee: \$10)

EMTC-3065 Proficiency in Maya–Fa,Sp 0 hours

The student will demonstrate the ability to create 3D models and animations in Maya. A list of resources is available from the interactive media faculty to help the student prepare to pass this proficiency requirement. (Fee: \$10)

EMTC-3111 3 hours

Survey Research for Electronic Media–Sp

The study of survey research methodologies used in electronic media, including audience analysis, program and screen design testing, and station and website ratings. Includes an introduction to academic research in electronic communication for secondary research and practice in primary research by media practitioners using survey methodologies. *Prerequisite: EMTC-1110 Introduction to Electronic Media.*

EMTC-3112 3 hours

Content Research for Electronic Media–Fa

Introduces media students to research and paper writing and provides knowledge and practical experience in conducting content analyses of electronic media. The course instructs students in the library tools for media research, content coding procedures, and writing final research reports. *Prerequisite: EMTC-1110 Introduction to Electronic Media.*

EMTC-3150 Electronic Media Ethics–Fa 2 hours

Development of an applied theistic ethic for media practitioners. Topics for ethical examination include media content, business practices, advertising, journalism, privacy, and intellectual property rights. *Prerequisite: junior or senior standing.*

EMTC-3151 2 hours

Christian Approaches to Electronic Media–Sp

Builds upon theistic critiques of the connections between society and technology to develop an understanding of how Christians approach the electronic media, both as consumers and practitioners.

EMTC-3210 Advanced Audio Production–Fa,Sp 3 hours

This class is designed to teach the theories, principles, and

Communication Arts

School of Humanities, Fine Arts, and Bible

practices of multi-track studio production. Emphasis will be given to the use of digital recording technologies and their usage related to other media. (Fee: \$45)

EMTC-3310 Advanced Video Production—Fa 3 hours

Taught from the producer's perspective. Hands-on training dealing with all the variables of making a video production, including pre-production, production, and post-production, and including linear and non-linear editing techniques. *Prerequisite:* EMTC-2110 *Video Technical Training*. (Fee: \$45)

EMTC-3330 Screenwriting—Fa 2 hours

An advanced writing course for students interested in learning the formal construction involved in writing a professional screenplay, with emphasis on dramatic writing and strong character development. *Prerequisite:* EMTC-2130 *Writing for Electronic Media*.

EMTC-3350 Documentary Film—Fa 2 hours

An overview of the origins, development, and current trends in the production of documentary films. Emphasis is given to the viewing and analysis of selected documentary programs. (Fee: \$25) (even years)

EMTC-3360 Documentary Film-style Prod. I—Fa 2 hours

A study of the framework for non-fiction film-style production. Emphasis is placed on theory, pre-production planning, funding, writing, and interviewing unique to documentary programming. Students will select a topic and follow the project through to a finished treatment, which will be the basis for the actual program produced in Documentary Film-style Production II. *Prerequisites:* EMTC-2110 *Video Technical Training*; and EMTC-3310 *Advanced Video Production*.

EMTC-3370 Documentary Film-style Prod. II—Sp 2 hours

Further study of the framework for non-fiction film-style production. Emphasis is placed on cinematography, interviewing, paper editing, directing, post-production, and distribution unique to documentary programming. Students will take the treatment completed in Documentary Film-style Production I and produce a final program. *Prerequisite:* EMTC-3360 *Documentary Film-style Production I*.

EMTC-3410 Electronic Media Sales—Fa 3 hours

The sales structure of media companies is explored. Emphasis is given to conducting a customer needs analysis and developing sales presentations. Sales executives work with the class to develop technique, copywriting, and presentation skills. *Prerequisite:* EMTC-3111 *Survey Research for Electronic Media* or EMTC-3112 *Content Research for Electronic Media*. (Fee: \$45)

EMTC-3420 Electronic Media Management—Sp 3 hours

This class is designed to acquaint the student with the concerns facing the management of a media company including legal requirements of the FCC, personnel management, implementation of programming, and station acquisition. *Prerequisite:* EMTC-3111 *Survey Research for Electronic Media* or EMTC-3112 *Content Research for Electronic Media*.

EMTC-3610 Visual Design for Electronic Media—Sp 3 hours

This course applies the theory and principles of visual communication to screen design for multimedia production and television graphics. Emphasis is placed on designing for both NTSC and wide-screen HDTV aspect ratios. Students are also introduced to screen design for personal digital assistants. *Prerequisites:* ART-1100 *Introduction to Art* or COM-3220 *Visual Communication*; EMTC-1110 *Introduction to Electronic Media*. (Fee: \$35)

EMTC-3630 Principles of Computer Animation—Sp 3 hours

Application of the principles of traditional cell-based animation to computer animation, as well as the effective use of animation for communication. *Prerequisite:* EMTC-3065 *Proficiency in Maya*. (Fee: \$35)

Working at U99.5, the University's student-operated radio station, provides students the opportunity to plan, program, and manage a real station.

EMTC-3640 Issues in Mobile Electronic Media—Sp 3 hours

Examines a variety of issues associated with portable communication devices such as personal digital assistants and Web-capable cell phones. Topics covered include applications of traditional media theories to wireless communication, diffusion, regulation of wireless technology, e-commerce, and industrial and sociological implications of media mobility. *Prerequisite:* junior or senior standing. (Fee: \$35)

EMTC-3720 Audio Production Practicum—Fa,Sp 1 hour

The practicum is designed to place the student in a variety of professional settings on and off campus, with the purpose of allowing the student to practice audio skills acquired in earlier classes. The course is repeatable for a total of two hours. *Prerequisites:* EMTC-1110 *Introduction to Electronic Media*; EMTC-1120 *Audio Production*. (Fee: \$45)

EMTC-3731 Video Production Practicum—Fa,Sp 1 hour

Production on a video crew in large auditorium production as assigned by the instructor. The course is repeatable for a total of six hours. *Prerequisites:* EMTC-2110 *Video Technical Training*; junior or senior status; permission of instructor. (Fee: \$25)

EMTC-3732 Directing Practicum—Fa,Sp 1 hour

Production on a video crew in large auditorium production as assigned by the instructor. The course is repeatable for a total of three hours. *Prerequisites:* EMTC-2110 *Video Technical Training*; junior or senior status; permission of instructor.

EMTC-3733 Sports Production Practicum—Fa,Sp 1 hour

Production on a video crew in sports production as assigned by the instructor. The course is repeatable for a total of six hours. *Prerequisites:* EMTC-2110 *Video Technical Training*; junior or senior status; permission of instructor. (Fee: \$25)

Communication Arts

School of Humanities, Fine Arts, and Bible

EMTC-3741 Sales and Management Practicum—Fa,Sp 1 hour

The practicum is designed to place the student in a variety of professional settings on and off campus, with the purpose of allowing the student to observe and practice sales and management skills acquired in earlier classes. The course is repeatable for a total of three hours. *Prerequisites: EMTC-3410 Electronic Media Sales; EMTC-3420 Electronic Media Management; junior or senior status; permission of the instructor.*

EMTC-3761 Interactive Media Practicum—Fa,Sp 1 hour

The student will develop an interactive medium product, such as a webpage or Director-based program, either individually or as a member of a production team under the supervision of a faculty mentor. Repeatable for a total of 2 credit hours.

Prerequisites: EMTC-2061, 2062, 3061, 3062 Proficiencies in HTML, Photoshop, Flash, and Director. (Fee: \$25)

EMTC-3765 Animation Practicum—Fa 1 hour

The student will develop an animation project individually or with a team, working under the supervision of a faculty mentor.

Repeatable for a total of 2 credit hours. *Prerequisites: EMTC-3630 Principles of Computer Animation; permission of faculty mentor. (Fee: \$25)*

EMTC-4110 Electronic Media Law & Regulation—Fa 3 hours

A study of the legal protections and requirements placed upon the electronic media. Emphasis is placed upon court decisions that help to define First Amendment freedoms for those in the media, as well as regulations placed upon the electronic media.

EMTC-4155 Image and Word in a Visual Culture—Sp 3 hours

An inquiry into the tension between image and word in Jewish and Christian thought and the implications for Christians living in a visual culture. Traces this tension through the art of Judaism and the Medieval church, the iconoclastic controversies of early Byzantium and the English Civil Wars, and recent and contemporary religious thinkers.

EMTC-4310 Film-Style Production—Sp 2 hours

An advanced production class taught from a film-maker's perspective, with a direct emphasis on single camera technique and non-linear editing. *Prerequisite: EMTC-3310 Advanced Video Production. (Fee: \$25)*

EMTC-4610 Media Convergence—Fa 3 hours

Examines the ways in which traditional electronic mass media and interactive media are converging. Students will engage in research to investigate the historical trends toward convergence, models for convergence, and economic, programming, and regulatory implications of converging media.

EMTC-4700 Special Topics in Electronic Media 3 hours

Available to advanced students who desire intense study in special areas of electronic media. *Prerequisites: junior or senior status as an electronic media major; permission of the faculty mentor.*

EMTC-4710 Independent Study: Electronic Media 1-3 hours

Taken to allow the student to study an area beyond what is provided through regular course offerings. The student must make a proposal of what is to be studied for the term when applying to a faculty mentor for an independent study. The student will then follow a schedule approved by the faculty mentor for studying the topic and submitting a report. Repeatable to a total of 6 credit hours in the field. *Prerequisite: approval of proposal by faculty mentor.*

EMTC-4810 Senior Seminar—Fa,Sp 1 hour

A transition to the professional world. Includes development of resumes, resume tapes, and portfolios; interviewing skills; and business etiquette. Students enrolled in Senior Seminar must take the Tek. Xam, a national, standardized assessment tool that measures technology applications and problem-solving skills within the technology environment. The cost for Tek. Xam is covered by the course fee. Capstone course. *Prerequisite: senior status as electronic media major. (Fee: \$50)*

EMTC-4920 Senior Project 3 hours

The student selects one of two options: 1) a paper reporting on the student's original research that investigated a topic in electronic media or 2) a media production. A proposal detailing the student's plan for the senior project must be submitted and approved by the faculty mentor *prior to registration* for the class. Capstone course. *Prerequisites: EMTC-3111 Survey Research for Electronic Media or EMTC-3112 Content Research for Electronic Media; GPA of 3.0 in major classes; senior status; permission of EMTC faculty. (Fee: \$35)*

EMTC-4930 Electronic Media Internship 3-12 hours

Students are placed with media companies to gain experience in actual career situations. The work must be done under the supervision of an employee of the company approved by the faculty mentor. Students interested in an internship should discuss this option with their advisors at least one semester prior to the internship. Internship agreements must be signed by the student, job supervisor, and faculty mentor prior to registration for the experience. Internships depend upon availability and approval by the electronic media faculty. Capstone course.

Prerequisites: GPA of 3.0 in major classes; senior status; approval by the electronic media faculty.

Theatre Courses

THTR-1230 Voice and Diction—Sp 2 hours

Designed to assist the student in strengthening and maintaining the speaking voice. Areas of study include voice physiology, effective breathing for speaking, voice quality, and articulation. A brief examination of major vocal problems is also given.

THTR-1410 Introduction to Theatre—Fa,Sp 3 hours

Involves study of the history and development of theatre.

Dramatic literature is considered as a reflection of man and culture during various periods, dealing with philosophy, religion, and sociopolitical thought. A brief look at acting skills is also offered.

THTR-1420 Introduction to Technical Theatre—Fa,Sp 3 hours

An overview course in all areas of technical theatre, including design. Intended to give the student a broad understanding of the basic principles and procedures used in the design of scenery, costuming, lighting, sound, and production management. Practicum required. (Fee \$45)

THTR-1430 Stage Movement—Fa,Sp 2 hours

This course will be an intensive practicum in theatrical stage movement designed for the individual with an interest in acting. Classes will consist of studio sessions incorporating movement exercises which stress/correct use of the mechanical and anatomical components of human movement. Emphasis will be given to increased awareness of individual movement characteristics and the application of movement variations to character development. Students will learn Laban Effort-Shape, Alexander Technique, and various improvisational movement techniques.

THTR-1460 Theatre Participation—Fa,Sp 1 hour

Students who participate in a communication arts-directed play may receive one hour of credit. Participation must occur over a minimum of four weeks of the rehearsal process. Credit may be applied only to the semester in which the participation occurs or the semester immediately following. Repeatable up to four hours. Credit/no credit. *Prerequisite: permission of instructor.*

THTR-1480 Play Production—Sp 3 hours

Provides an overview of the elements of play production (including direction, dramaturgy, design, producing, stage management, promotion, etc.). Through lecture and experience the student will be introduced to the practical aspects of producing a play. The ideas will be explored from a director's involvement with these elements. Stage work required. (Fee:\$50)

Communication Arts

School of Humanities, Fine Arts, and Bible

- THTR-2130 Dramatic Literature–Sp** **3 hours**
Study of the historical development of dramatic styles, theory, criticism, and construction. Can be applied to meet English or speech requirements, but not both.
- THTR-2350 Principles of Play Directing–Sp** **3 hours**
Practical study of play directing methods and techniques applied through class projects. Students will direct and perform play cuttings from a variety of dramatic literature types during the semester. The class is especially helpful to education majors who will have to assist in educational theatre productions.
- THTR-2400 Stagecraft–Fa,Sp** **1 hour**
The class is designed to acquaint the student with selected elements of play production. Students are assigned a project in an area of stagecraft, such as set construction/decoration, properties, lighting, or costuming in relation to the mounting of a theatrical production. Stage work required. Two semesters are required within the first two years.
- THTR-2410 Fundamentals of Oral Interpretation–Fa** **3 hours**
The study of literature through the medium of oral performance involves development in analysis and performance skills. Interpretation theories and techniques that deal with poetry, prose, and dramatic literature are presented.
- THTR-2420 Stage Costume/Makeup Design–Fa,Sp** **3 hours**
This course is designed to prepare the theatre arts students in the design and practical application of costume and makeup for performance. Attention is given to an understanding of relevant historical periods and theatrical styles. Theory and practice are both emphasized. Stage work required. *Prerequisite: THTR-1420 Introduction to Technical Theatre.* (Fee: \$60)
- THTR-2430 Principles of Acting–Fa,Sp** **3 hours**
Study in the principal theories of realistic acting is balanced with practice in experiencing character creation. Principles of physical and emotional character development are explored.
- THTR-2450 Scenic Design–Sp** **3 hours**
A theatre scenic design course which emphasizes the analysis and interpretation of the script, use of research material and techniques of presentation. Includes an introduction to the standard practices of drafting. Practicum and stage work required. *Prerequisite: THTR-1420 Introduction to Technical Theatre.* (Fee: \$55)
- THTR-3420 Theatre History–Fa** **3 hours**
An analysis of performative modes of a given culture within a historical study, reinforcing appreciation of the past and strengthening the understanding of one's own culture as well as different cultures. General survey of theatre history from the pre-Greek era to the present. Focus will be on prevailing philosophical orientation, major dramatists, theatre architecture and staging practices, styles of performance, costume design, innovations, and development.
- THTR-3440 Stage Costume History–Fa**
A general survey of western costuming for the stage from pre-Grecian to late twentieth century. This course provides an overview of the evolution of fashion as well as the social and cultural history affecting fashion change. (Fee: \$25)
- THTR-3460 Advanced Acting–Sp** **3 hours**
Designed to build upon knowledge and training learned in THTR-2430 Principles of Acting. Attention will be given to scene study, acting theory, and audition principles.
- THTR-3470 Dramaturgy–Fa,Sp** **3 hours**
This course provides background in specialized theatre research for students interested in teaching theatre history, drama, dramatic literature, and directing productions at the secondary or college level.
- THTR-3490 Stage Lighting Design–Sp** **3 hours**
The study of stage lighting theory and practice. Students will complete exercises in lighting design. Material covered includes basic electricity, equipment, and instruments. Practicum and stage work required. *Prerequisite: THTR-1420 Intro to Technical Theatre.* (Fee: \$35)
- THTR-3510 Advanced Directing–Sp** **3 hours**
An advanced course exploring the direction of period plays and stylistic genres other than realism. Student projects might include one-act or full-length plays. Students will become familiar with influential contemporary directors and directing theories. *Prerequisite: THTR-2350 Principles of Play Directing.*
- THTR-3610 Teaching Creative Dramatics–Fa,Sp** **2 hours**
For elementary and secondary education majors seeking a teaching license in speech. Acquaints students with creative dramatics and educational theatre productions for pre-K through grade 12. Includes role playing, improvisation, storytelling, theatre games, play therapy, pantomime, and drama production. *Prerequisite: admission to teacher education program and/or major in communication arts.* (Fee: \$25)
- THTR-3630 Production of Religious Drama–Sp** **2 hours**
This course explores and provides training in the use of drama as a tool for religious education and corporate worship. A broad menu of dramatic venues is addressed: (e.g. traditional costumed plays, the use of reader's theatre, choric speaking, the combining of drama and music, and group and solo performances).
- THTR-3850 Seminar in Arts Administration and Arts Law–Sp** **2 hours**
A seminar course providing background in arts administration and arts law, with significant research and presentation responsibilities for students. An overview of issues involved in the operation of arts organizations.
- THTR-4400 Professional Preparation Seminar–Fa** **3 hours**
A course to prepare the senior theatre arts student for entry into the professional arts community and/or graduate study. Topics would include audition/portfolio preparation and presentation, resume writing, interviewing techniques, graduate study/assistantship options, professional union affiliation, etc. (Fee: \$45)
- THTR-4640 Special Topics–Fa,Sp** **3 hours**
Topics of specialized theatrical interest are examined on an as-needed basis. Repeatable up to six credit hours.
- THTR-4750 Independent Study: Theatre–Fa,Sp** **1-2 hours**
Independent study in a selected field for students with special interests and demonstrated ability. Repeatable up to eight credit hours.
- THTR-4810 Internship: Theatre–Fa,Sp** **3-12 hours**
Students are placed with professional organizations to gain experience in actual career situations. Internships depend upon availability. Repeatable up to fifteen hours.
- THTR-4840 Senior Theatre Project–Fa,Sp** **3 hours**
The Senior Theatre Project (STP) has two goals: To culminate the student's work at Cedarville with a project presenting the student's highest caliber of work and to prepare the student to achieve personal and professional goals. The theatre major is given a variety of choices through which to fulfill the STP requirement: solo performance, directed production, theatre design, or dramaturgical study. Before determining the nature of the STP, the student must determine personal and professional goals. The theatre major begins shaping the STP immediately upon enrollment in the major. All theatre majors work with a theatre advisor. Capstone course. (Fee: \$50)

Education

School of Social Sciences and Professional Studies

Purpose Statement

The Department of Education seeks to prepare compassionate, professional educators committed to the integration of faith, learning, and life as demonstrated in teaching competence and Christ-like character through leadership and service.

Department Distinctives

- **Accreditation:** Cedarville University is accredited by the North Central Association of Colleges and Schools, 30 North LaSalle Street, Suite 2400, Chicago, IL 60602-2502, phone 312-263-0456. The University's teacher preparation programs are approved by the Ohio Department of Education.
- Each year approximately 10% of the senior education students pursue cross cultural student teaching experiences. Teaching under the supervision of experienced, certified teachers, they teach in approved, accredited overseas institutions that use an American curriculum.
- The University's award-winning technology resources enable upper-level students to develop lessons and curriculum resource materials for K-12 partner technology schools. Because of training in the use of educational technology, graduates are sought by schools to help integrate technology into their curricula.
- Intensive clinical experiences accompany methods classes. As a result, many schools comment that Cedarville graduates possess experience and confidence uncommon in most first-year teachers.
- Cedarville's reputation for producing exceptional teachers generates significant demand from school systems. Each year more than 100 Christian and public schools visit the campus to recruit teacher education graduates.

Licensure - Public Schools

All programs leading to licensure at Cedarville University are approved by the State of Ohio Department of Education. Ohio bases its requirements and approval processes on standards set by the National Council for Accreditation of Teacher Education (NCATE). Cedarville is not a member of NCATE and thus programs are not approved directly by NCATE. Ohio is a participant in the *Interstate Agreement on Qualifications of Educational Personnel* and has an implementation agreement (reciprocity) with 42 states. This agreement provides for recognition of Ohio Department of Education-approved programs by member states.

Although reciprocal licensure contracts exist with 42 states, in many cases, students must meet additional requirements to obtain extended or permanent licensure for those states. Also, because of the nature of Ohio's teacher licensing standards, graduates with an Ohio license will normally be granted a license of "best fit" with the state in which the graduate wishes to teach. State licensure requirements are changing in many states; therefore, students who wish to teach outside of Ohio should obtain a current description of certification requirements from the Department of Education for each state in which they would like to teach. Many states have their certification requirements posted electronically, and these can be accessed through the Cedarville University Education Department home page on CedarNet.

Licensure - Christian Schools

Program completers receive certification from the Association of Christian Schools International (ACSI). Christian schools around the world recognize this certification.

Demographic Profile

The number of teacher education program completers for the 2002-2003 reporting period was 102. The demographic profile of program completers for the 2002-2003 reporting period is:

	Number	Percent
White	102	100
African American	0	0.0
Hispanic	0	0.0
Asian	0	0.0
Other	0	0.0
Male	15	14.7
Female	87	85.3

Personal Requirements

Students interested in the teacher education program should enjoy the teaching and learning process and enjoy working with people. The best teachers are those who are life-long learners and enjoy serving others; they are people who are motivated more by making a difference in others' lives than in making a lot of money. Cedarville University desires to work with students who are becoming a professional in their treatment of others, in their dress and demeanor, and in punctuality and responsibility for tasks. Because of the increasingly stringent standards for teachers nationwide, teacher candidates must be able to demonstrate their preparedness to teach by achieving good grades and passing state-mandated tests for teachers.

Co-Curricular Activities

Numerous opportunities exist for tutoring in public schools, mentoring K-12 students, and becoming involved in local church ministries to children and adolescents.

Teacher Education Program

Admission Requirements

Students admitted to Cedarville University must also make application for formal admission to the Teacher Education Program (TEP) usually late in the sophomore year. To be admitted, students must meet the following requirements at least one semester before enrolling in the first methods of teaching course for their particular program. These requirements apply to all students seeking a degree and/or license in either early childhood education, middle childhood education, special education, multi-age education, or adolescent/young adult education (i.e., secondary education). Students seeking a degree/licensure in a program offered by another department should review the requirements of that department as well.

1. Minimum cumulative GPA of 2.7 in all courses and 2.7 GPA in all TEP core curriculum courses. All TEP core courses must be completed with a grade of "C-" or above.
2. Overall GPA of 2.7 and a grade of "C-" or above in both general education communications courses: COM-1100 Fundamentals of Speech, and ENG-1400 English Composition.
3. Minimum GPA of 2.5 in the teaching field content area(s).
4. No grade of less than "C-" in teaching field or concentration area courses.
5. Minimum passing scores on the Praxis I (Pre-Professional Skills Test): Reading, 175; Writing, 174; Mathematics, 175. Waivers may be granted to all or part of the Praxis I, based on ACT/SAT scores and performance in selected course work at Cedarville University.

6. Satisfactory completion of all introductory field experiences: EDUC-1050 Contemporary Christian Schools, EDUC-2200 Multicultural Field Experience, and EDSP-2050 Special Education Field Experience.
7. Recommendation of the Education Department's admission interview committee based on application, resumé, interview, and letters of recommendation.
8. Valid "No Record" background check for the state of Ohio and an additional FBI background check for those who live out of state.

Teacher Education Program Retention and Completion Requirements

To maintain regular standing in the Teacher Education Program and/or to receive a degree, students must maintain and/or complete the following requirements:

1. Maintain a GPA of 2.7 or above in all courses.
2. Obtain a "C" or above in all methods courses.
3. Satisfactorily complete field and clinical experiences.
4. Earn a passing score on state-required Praxis II exams before enrolling in student teaching (licensure only).
5. Satisfactorily complete the student teaching experience.

Programs of Study

The Department of Education offers instruction with the purpose of providing excellent Christian teachers for Christian, public, international, and missionary schools. The University is approved by the Ohio Department of Education for programs leading to a teaching license or endorsement in several areas.

Multi-Age Special Education

Early Childhood Education (pre-K to grade 3)

Middle Childhood Education (grades 4-9)

Two concentrations chosen from:

- Reading/Language Arts
- Science
- Mathematics
- Social Studies

See appropriate department for a complete description of the following programs.

Adolescent and Young Adult (grades 7-12)

Department of Language and Literature: (page 118)

Integrated Language Arts Education

Department of Science and Mathematics: (page 160)

Integrated Science Education (Comprehensive)

Integrated Life Science Education

Integrated Physical Science Education

Integrated Physics Education

Integrated Chemistry Education

Integrated Mathematics Education

Department of History and Social Sciences: (page 186)

Integrated Social Studies Education

Multi-Age Licensure (pre-K to grade 12)

Department of Exercise and Sport Science: (page 102)

Health Education

Physical Education

Department of Music: (page 130)

Music Education

Department of Literature and Language: (page 118)

Spanish Education

Endorsements

Students interested in an **endorsement** must possess or be working toward the completion of a degree and licensure requirements in any of the current teaching licensure areas.

Computer/Technology

Course requirements:

EDUC-2100 Technology in the Classroom2

EDUC-3560 Practicum in Educational Technology3

MIS-1100 Introduction to Computers1

MIS-1500 Information Mgmt in a Dynamic World2

MIS-1510 Information Mgmt Software Tools Lab1

MIS-2000 Structured Programming3

MIS-2100 Modern Programming Tools3

TESOL (Teaching English to Speakers of Other Languages)

Course requirements:

COM-314 Intercultural Communication2

ENG-3060 History of the English Language3

ENG-3070 Advanced Grammar for AYA Teachers3

LING-3080 Linguistics for Language Learning3

LING-3090 Sociolinguistics3

LING-3600 Clinical Experience1

LING-3610 Practicum2

LING-3700 Teaching Foreign Language2

Career Opportunities

Christian and public schools actively recruit Cedarville education graduates. Graduate schools also welcome Cedarville students. Careers pursued by teacher graduates include:

- Christian school teacher
- Church education programs
- High school or middle school teacher
- International school teacher
- Mission school teacher
- Music teacher K-12
- Physical education/health education teacher K-12
- Preschool director or teacher
- Elementary school teacher
- Special education (mild-moderate educational needs)
- Youth camps

Faculty

Stephen Gruber, Chairman: Assistant Professor of Education. *Education:* B.A., Cedarville University, 1974; M.Ed., Wright State University, 1977; Ed.S., Wright State University, 1984; Ed.D., Miami University, 1990. At Cedarville since 2000.

Merlin Ager, Dean: School of Social Sciences and Professional Studies; Professor of Education. *Education:* B.A., Cedarville University, 1960; M.S., University of Wisconsin, 1962; Ph.D., The Ohio State University, 1967. At Cedarville 1964-75, 1978-present.

Sue Baker, Professor of Education. *Education:* B.S., Kent State University, 1968; M.Ed., Kent State University, 1972; Ed.D., University of Cincinnati, 1987. At Cedarville since 1978.

Eddie Baumann, Associate Professor of Education. *Education:* B.S., University of Wisconsin, 1983; M.S., University of Wisconsin, 1987; Ph.D., University of Wisconsin, 1995. At Cedarville since 1993.

Omer Bonenberger, Associate Professor of Education. *Education:* B.A., Bob Jones University, 1960; M.A., Arizona State University, 1968; D.Ed., University of Maine, 1981. At Cedarville since 1981.

Sally Castle, Associate Professor of Education. *Education:* B.S., Syracuse University, 1964; M.S., The University of Dayton, 1983; Ed.S., Wright State University, 1992. Ed.D., Nova Southeastern University, 1996. At Cedarville since 1994.

Education

School of Social Sciences and Professional Studies

Shelley Dugle, Assistant Professor of Education. *Education:* B.A., Cedarville University, 1995; M.Sp.Ed., Ball State University, 1998; ABD, University of Cincinnati, 2003. At Cedarville since 2000.

Carol Estes, Assistant Professor of Education. *Education:* B.A., Cedarville University, 1975; M.A., The Ohio State University, 1985; Ph.D. candidate, The Ohio State University. At Cedarville since 1996.

Dwayne Frank, Professor of Education. *Education:* B.A., Cedarville University, 1960; B.S., Central State University, 1960; M.A.T., Albertson College, 1965; Ed.D., University of Idaho, 1973. At Cedarville since 1968. Part time since 2003.

Timothy Heaton, Associate Professor of Education. *Education:* B.A., Wittenberg University, 1973; M.A., Grace Theological Seminary, 1986; Ph.D., University of Dayton, 1999. At Cedarville since 1987.

John Hess, Director of Student Teaching and Licensure. *Education:* B.S., Cedarville University, 1967; M.Ed.Ad., University of Dayton, 1980; Post-graduate work, Wright State University and University of Dayton, 1990. At Cedarville since 2000.

Cheryl Irish, Assistant Professor of Education. *Education:* B.S., Western Baptist College, 1986; Certificate in Elementary Education, University of Wisconsin, 1986; M.S.E., University of Wisconsin, 1990. Ed.D., University of Cincinnati, 2001. At Cedarville since 1998.

Brenda MacKay, Assistant Professor of Education. *Education:* B.A., Oglethorpe University, 1965; M.A., University of Georgia, 1972; Ed.D., Bob Jones University, 1992. At Cedarville since 2000.

Donald Meissner, Assistant Professor of Education. *Education:* B.A., Greenville College, 1968; M.S., University of Illinois, 1976; Ph.D., University of Southern Mississippi, 1988. At Cedarville since 2001.

Bryan Moore, Assistant Professor of Education. *Education:* B.A., Manchester College, 1969; M.Ed., Xavier University, 1973; Ph.D., Bowling Green State University, 1980. At Cedarville since 2004.

Thomas Swiegard, Assistant Professor of Education. *Education:* B.S., Bowling Green State University, 1973; M.A., The Ohio State University, 1982; Ph.D., The Ohio State University, 1992. At Cedarville since 2003.

Kevin Winslow, Assistant Professor of Education. *Education:* B.A., Biola University, 1987; M.Ed., George Mason University, 1994; Ph.D. candidate, George Mason University. At Cedarville since 1999.

Praxis II Pass Rate Data: Regular Teacher Preparation Program

Academic Year: 2002-2003 Testing Period: 7/02-6/03 Number of Program Completers: 102

Type of Assessment	# Taking Praxis II	Ave. Pass Rate (%)	OH Pass Score	OH Pass Rate (%) ¹
Professional Knowledge				
Principles of Learning and Teaching: Grades K-6	4	*	168	92%
Principles of Learning and Teaching: Grades 5-9	27	96%	168	94%
Principles of Learning and Teaching: Grades 7-12	34	97%	165	92%

*No pass rate information is reported when fewer than 10 teacher candidates take a particular Praxis II test. Results are reported in Aggregate Assessment Pass Rate below.

¹ The state passing rate is based on data collected from all Ohio individuals taking the Praxis II in 2001-2002, regardless of their status in a teacher education program.

² The national passing rate is calculated at *Ohio's cut scores*, which are among the highest in the nation.

Aggregate Assessment Pass Rate

Type of Assessment	# Taking Praxis II ³	# Passing Praxis II ⁴	Institutional Pass Rate (%)	Ohio Pass Rate (%)
Aggregate- Professional knowledge	65	63	97%	93%
Aggregate- Academic Content Areas (Math, English, Biology, Etc.)	107	104	97%	95%
Aggregate- Teaching Special Populations (Special Ed., ELS, Etc.)	5	*	*	99%
Summary Totals and Pass Rates⁵	93	88	95%	92%

³ Number of completers who took one or more tests in a category and within their area of specialization.

⁴ Number who passed all tests they took in a category and within their area of specialization.

⁵ Summary Totals and Pass Rate: Number of completers who successfully completed one or more tests across all categories used by the state for licensure and the total pass rate.

Contextual Information for the 2002-2003 Academic Year

Total number of students officially enrolled in teacher preparation, all specializations, in academic year 2002-2003	214
Number of students in supervised student teaching in academic year 2002-2003	124
Number of faculty members who supervised student teachers in 2002-2003	26
Student teacher/faculty supervisor ratio*	4.7/1*
The average number of student teaching hours per week required	30
The total number of weeks of supervised student teaching required	10
Average total number of hours required	300

* Average number of student teachers supervised by each supervisor in each 10-week term of student teaching. Does not include overseas student teachers.

*Capstone Course	

Early Childhood Education Major Curriculum Summary

Proficiency Requirements	0-5
General Education Requirements	60-68
Early Childhood Education Major Requirements	69
Total (minimum, not including proficiency)	129

Middle Childhood Education

The **middle childhood education** major prepares students to teach upper elementary or middle school (grades 4 to 9). Students will prepare to teach in two of the four major curriculum areas: reading and language arts, mathematics, science, or social studies.

Course requirements involve 48 education semester hours plus 29-35 concentration area hours including:	
<i>Teacher Education Core (see previous column)</i>	12
<i>Middle School Methods I</i>	12
EDMC-3500 Principles of Teaching for Middle Childhood ..	3
EDMC-3600 Phonics/Structure Language	3
EDMC-3700 Teaching Reading / Middle Child. Lit.	3
EDMC-3950 Middle School Clinical I	2
EDSP-4000 Principles of Inclusion	1
<i>Middle School Methods II</i>	14
EDMC-4000 Reading in Content Area: Middle Childhood ..	3
EDMC-4050 Responsive Schools for Middle Childhood ..	3
EDMC-4440 Middle School Clinical II	2
Two of the following based on concentration areas:	
EDMC-3800 Writing Process and Language Arts Methods for Middle School	3
EDMC-4100 Teaching Math: Middle Childhood	3
EDMC-4200 Teaching Science: Middle Childhood	3
EDMC-4300 Teaching Soc. St.: Middle Childhood.	3
<i>Student Teaching</i>	10-12
*EDMC-4900 Student Teaching and Seminar	10-12
*Capstone Course

*Capstone Course	

Special Education Major Curriculum Summary

Proficiency Requirements	0-5
General Education Requirements	56.5-64.5
Special Education Major Requirements	76
Total (minimum, not including proficiency)	132.5

Special Education majors who wish to qualify for Early Childhood Education licensure (pre-K to grade 3 all subjects) may do so by adding the following courses. A combined special education/early childhood education student teaching (EDUC-4950) must be substituted for EDSP-4900, Student Teaching and Seminar: Special Education. The early childhood and special education student teaching experiences will be combined in a single semester-long experience.

Additional Courses for dual licensure	14.5-15
EDEC-2100 Art, Music, and Drama for Early Childhood	2
EDEC-3500 Early Childhood Education	3
EDEC-3600 Issues in Early Childhood Administration .	3
EDEC-3900 Field Experience in Early Childhood Educ.	1
ESED-2900 Health and Movement Education	2
GSCI-1010 Principles of Earth Science	3.5
(or GSCI-2010 Physical Science for Teachers	4)

Adolescent/Young Adult and Multi-Age Licensure Programs

The **adolescent/young adult licensure** programs prepare teachers to work with students in grades 7 to 12. The Ohio Department of Education has approved Cedarville University to issue Adolescent/Young Adult licenses for teachers in the areas of integrated science (comprehensive), integrated life science, integrated physical science, integrated physics, integrated chemistry, integrated mathematics, integrated language arts, and integrated social studies. In addition to approving the previously listed programs, the Association of Christian Schools International has also approved Cedarville to offer ACSI certification in Integrated Bible.

The **multi-age licensure** education programs prepare students to work with students in grades pre-K to 12. The Ohio Department of Education has approved Cedarville University to issue multi-age licenses in the areas of music education, Spanish education, physical education, and health education.

The course requirements for each licensure field are outlined in the catalog under the department which offers the major. However, the following courses are common to all adolescent/young adult and multi-age education majors and are prerequisites for admission to the Teacher Education Program and upper-level classes.

Teacher Education Core	12
EDSP-2000 Teaching Children with Exceptionalities	2
EDSP-2050 Special Education Field Experience	1
EDUC-1000 The Education Profession	1
EDUC-1050 Contemporary Christian Schools	0
EDUC-2000 Introduction to Teaching	2
EDUC-2100 Technology in the Classroom	2
EDUC-2200 Multicultural Field Experience	1
EDUC-2500 Educational Psychology	3

Upon completion of the Teacher Education Core and before enrolling in the Principles of Teaching block, students must make formal application to the Teacher Education Program (TEP). The requirements for admission to the TEP are outlined earlier in this section of the catalog. Most Adolescent and Young Adult and Multi-Age Teacher Education majors apply for admission during their Junior year. The Education Department's Licensure & Testing Coordinator provides students with specific information on procedures for admission to the TEP.

Principles of Teaching Block (all AYA majors and MA Spanish)

The following courses are to be taken together just prior to the student teaching experience.

EDSE-4100 Principles of Teaching: AYA	5
¹ EDSE-3300 Developmental Reading	3
² EDSE-4000 Reading in the Content Area: AYA	3
EDSE-4450 AYA Clinical Experience	3
EDSP-4000 Principles of Inclusion	1

Additional Requirements:

³ EDUC-4500 Philosophy of Education	2
EDSE-4900 Student Teaching and Seminar: AYA	10-12
(or EDUC-4900 Student Teaching and Seminar: MA	10-12)

¹AYA integrated language arts majors only

²AYA integrated language arts does not take this course. AYA math majors may take this course out-of-class in the summer.

³Must have been admitted to the TEP or achieved junior status. Normally taken concurrently with student teaching.

Course Descriptions

EDUC-1000 The Education Profession—Fa,Sp 1 hour

An introduction to the rewards and requirements of the teaching profession, including social issues and historical context of the profession. Focus is on the five domains of good teaching, teacher licensure, professional issues, and an overview of the mission statement, conceptual framework, and requirements of the teacher education program at Cedarville University.

EDUC-1050 Contemporary Christian Schools—Fa,Sp 0 hours

Teacher candidates arrange a field experience for five consecutive full days in a Christian school setting where they observe and participate in classroom activities. A follow-up report is required. *Prerequisite: EDUC-1000 The Education Profession or permission of instructor.*

EDUC-1800 Principles of Mathematics I—Fa,Sp 3 hours

A framework for the content of this course is Ohio's Competency Based Comprehensive Programs for Mathematics (NCTM Standards). The course utilizes a problem-solving approach and makes connections to real-world situations and other disciplines. *Prerequisite: EDUC-1000 The Education Profession.*

EDUC-2000 Introduction to Teaching—Fa,Sp 2 hours

An introduction to the structure, culture, governance, and philosophies of public schools in the United States. A history of American public education is presented, focusing on multicultural issues that affect American schooling. A general introduction to techniques of instruction and class management is presented. *Prerequisites: EDUC-1000 The Education Profession; ENG-1400 Composition; COM-1100 Fundamentals of Speech. Co-requisites: other courses in the Introduction to Teaching block. (Fee:\$30)*

EDUC-2100 Technology in the Classroom—Fa,Sp 2 hours

Teacher candidates learn to use a wide range of technology for developing and enhancing classroom instruction. The class focuses on the technology required for projects to be done in EDUC-2000 Introduction to Teaching and in the upper-level methods courses. *Prerequisite: EDUC-1000 The Education Profession.*

EDUC-2200 Multicultural Field Experience—Fa,Sp 1 hour

An introduction to the professional side of schooling through a four-week field experience in a multicultural school setting. Some field-based assignments focus on issues of multicultural education. *Prerequisites: EDUC-1000 The Education Profession; ENG-1400 Composition; COM-1100 Fundamentals of Speech. Co-requisites: other courses in the Introduction to Teaching block. (Fee: \$60)*

EDUC-2300 2 hours

Introduction to the Reading Process—Fa,Sp

An overview of philosophies of reading and approaches to reading instruction, including current issues. The class focuses on literacy, how it develops for young learners, and the experiences that influence literacy development. *Prerequisite: EDUC-1000 The Education Profession.*

EDUC-2400 Children's Literature—Fa,Sp 2 hours

A survey of the early history, major types, and modern trends of literature for children in preschool through grade 5. The social and personal value of literature is studied along with methods for using trade books for reading instruction. *Prerequisite: EDUC-1000 The Education Profession.*

EDUC-2500 Educational Psychology—Fa,Sp 3 hours

An introduction to the principles of child and adolescent development, learning theories, and the principles and processes that affect teaching and learning. The class focuses on learning theory and the skills necessary to create and maintain an optimal learning environment in a diversity of settings. *Prerequisite: EDUC-1000 The Education Profession.*

EDUC-2600 Topics in Children's Literature—Su 3 hours

An overview of current topics and trends in children's literature. May be credited toward the reading/language arts middle school concentration. Offered during Summer School Session III and intermittently by arrangement with instructor. *Prerequisite: EDUC-2400 Children's Literature or permission of dept. chairman.*

EDUC-2800 Principles of Mathematics II—Fa,Sp 3 hours

A course building on the NCTM standards-based framework begun in Principles of Math I and including a development of new mathematical topics that are connected to real world situations and other disciplines. *Prerequisite: EDUC-1800 Principles of Mathematics I.*

EDUC-3030 Computers in Education—Su 3 hours

This course prepares the teacher candidate to use computers and related technology to support instruction in the K-12 setting. Productivity tools, assistive technologies, and instructional strategies prepare the student for the practicum experience. *Prerequisite: EDUC-2100 Technology in the Classroom. Offered in Fall or Spring on an as-needed basis only.*

EDUC-3560 3 hours

Practicum in Educational Technology—Fa,Sp,Su

A placement in a K-12 setting under the supervision of a qualified technology director during which the teacher education teacher candidate assists in operation of the technology program. *Prerequisite: completion of 75% of the computer/technology endorsement or permission of instructor.*

EDUC-3570 Supervised Field Experience 1-3 hours

A 30-90 clock hour supervised placement in an early, middle, or adolescent/young adult classroom. Designed to give a transfer teacher candidate or a teacher candidate repeating other field experiences an analogous experience to those in the university's teacher education program.

EDUC-3610 Practicum—Fa,Sp,Su 2 hours

Independent teaching of ESL students under the general supervision of a master teacher. In a K-12 placement under the supervision of a qualified ESL teacher, the student will practice teaching in a formal classroom situation. During this experience, the student will be provided opportunities to establish goals and objectives and design curricula that reflect Ohio's grade-level learning outcomes in content areas. The student will also be given opportunities to select, adapt, create, and use varied resources appropriate to age, cultural groups, and different learning styles. Activities should include integrating technology in planning and delivering instruction and strategies for creating and maintaining communication with families. Practicum will also provide the student with knowledge and skills in assessment. Ongoing during this experience, the student will analyze, evaluate, reflect on, and describe his/her field experience. *Prerequisite: LING-3700 Methods of Teaching Foreign Language. (Fee: \$45)*

EDUC-3990 Independent Study in Education 1-3 hours

An investigation of contemporary topics in education through reading, writing, or creative projects. *Prerequisite: 15 semester hours in education.*

EDUC-4000 Reading in the Content Area: Multi-Age 3 hours
Su (Out-of-Class)

An introduction to the range of strategies and programs for learning and teaching the reading process, including the nature of the reading process, assessment techniques, and instructional strategies to provide increased comprehension of the textual material of the disciplines represented by students in the class. This course is for AYA Mathematics and MA Music and Physical Education teacher education program majors. *Prerequisite: admission to the teacher education program or senior status and permission of department chair.*

EDUC-4500 Philosophy of Education—Fa,Sp 2 hours

A critical analysis of foundational educational philosophies in the context of history and their impact on Christian educational

Education

School of Social Sciences and Professional Studies

philosophy. Examines current ethical and moral issues relevant to education, schooling, and the family. *Prerequisite: admission to the teacher education program or permission of department chair. Normally taken with student teaching.*

EDUC-4510 0 hours

Seminar in Cross Cultural Student Teaching–Fa,Sp

This seminar for students who will be student teaching cross culturally in a subsequent semester will introduce the requirements for completing Philosophy of Education while student teaching and address issues related to the cross cultural student teaching experience.

EDUC-4850 Internship in Applied Education 3-12 hours

Juniors and seniors who have been accepted into the teacher education program may, with the approval of the education department chairman, engage in an internship that involves the meaningful use of knowledge gained in previous education courses and experiences. A departmental faculty member will assist with the internship, arrangements, and evaluation of the experience. The department chair will approve the number of credit hours to be granted for the experience. *Prerequisite: permission of the education department chairman.* (Fee: \$25)

EDUC-4900 10-12 hours

Student Teaching and Seminar: Multi-Age–Fa,Sp

A teaching experience working with students in a range of age levels under the supervision of the cooperating teacher and the university supervisor. Seminars encourage reflection on the teaching experience as well as discussion of issues of importance to educators. Capstone for the Multi-Age Physical Education Major. (Fee: \$100)

EDUC-4910 Special Student Teaching 3-10 hours

Occasionally, unusual situations arise that entail special provisions (e.g., summer school student teaching for experienced teachers, repeated experiences, etc.). (Fee: \$100)

EDUC-4950 12 hours

Student Teaching and Seminar in Special Education and Early Childhood–Fa,Sp

A full semester teaching experience with significant exposure in both special education and early childhood education settings. The student teacher will work under the supervision of cooperating teachers and university supervisors in each field. Seminars encourage reflection upon the teaching experience and discussion of issues of importance to educators. (Fee: \$120)

Early Childhood Education (EDEC)

EDEC-2100 2 hours

Art, Music, and Drama for Early Childhood–Fa,Sp

An overview of the use of art, music, and drama to enhance the early childhood classroom. A strong emphasis on practical techniques and projects for personal expression based on an understanding of the importance of art, music, and drama at the system, school, classroom, and individual levels.

Prerequisite: EDUC-1000 The Education Profession. (Fee: \$20)

EDEC-3500 Early Childhood Education–Fa,Sp 3 hours

An introductory descriptive overview of current early childhood education, including various approaches, programs, and curricula. Emphasis on the development, implementation, and evaluation of early childhood programs. *Prerequisite: admission to the teacher education program. Corequisite: other courses in the E.C. Methods I block.*

EDEC-3600 3 hours

Issues in Early Childhood Administration–Fa,Sp

An examination of program issues important to both teachers and administrators. Includes examination of models for leadership and for developing and maintaining personal and community working relationships. *Prerequisite: admission to the teacher education program. Corequisite: other courses in the E.C. Methods I block.*

EDEC-3700 Teaching Reading: Phonics–Fa,Sp 3 hours

An introduction to the rationale, skills, instructional and assessment strategies, teaching aids, resource materials, and appropriate technologies for the teaching of phonics.

Emphasis given to the place of phonics in the overall reading program for young children. *Prerequisite: admission to the teacher education program. Corequisite: other courses in the E.C. Methods I block.*

EDEC-3800 4 hours

Teaching Reading and Language Arts: Early Childhood–Fa,Sp

An introduction to the objectives, skills, instructional strategies, teaching aids, resource materials, and assessment techniques for teaching reading and the language arts to the early childhood student. An associated clinical experience provides theory-driven application. *Prerequisite: admission to the teacher education program. Corequisite: other courses in the E.C. Methods I block.*

EDEC-3900 1 hour

Field Experience in Early Childhood Education–Fa,Sp

An observation and participation experience in which teacher candidates spend 12-15 full consecutive days focusing on classroom routines and instruction in a kindergarten or other preschool classroom. Designed to give a practical field-based aspect to all of the courses in the Early Childhood Methods I block. *Prerequisite: admission to the teacher education program. Corequisite: other courses in the E.C. Methods I block.* (Fee: \$35)

EDEC-3950 Early Childhood Clinical I–Fa,Sp 3 hours

Teacher candidates spend 14-17 full consecutive days in an early childhood classroom including 12-15 days of teaching. The implementation of reading and language arts objectives, skills, strategies of instruction, teaching aids, and resource materials is practiced in a university-supervised setting.

Prerequisite: admission to the teacher education program. Corequisite: other courses in the E.C. Methods I block.

(Fee: \$105)

EDEC-4000 2 hours

Reading in the Content Areas: Early Childhood–Fa,Sp

An introduction to the dimensions, strategies, and programs for learning and teaching the reading process, including the nature of the reading process, assessment techniques, and instructional strategies to increase comprehension of the textual material of the various disciplines taught in the elementary grades. *Prerequisite: successful completion of the E.C. Methods I block. Corequisite: other courses in the Early Childhood Methods II block.*

EDEC-4100 4 hours

Teaching Mathematics: Early Childhood–Fa,Sp

An introduction to the objectives, skills, instructional strategies, teaching aids, and resource materials for teaching mathematics to the young child, based on the Ohio Model and NCTM Standards. An associated clinical experience provides theory-driven application. *Prerequisite: successful completion of the E.C. Methods I block. Corequisite: other courses in the E.C. Methods II block.*

EDEC-4200 3 hours

Teaching Science: Early Childhood–Fa,Sp

An examination of science curricula for the young child with particular emphasis on the Ohio Model and the National Science Standards. Instructional methodologies that emphasize an inquiry approach will be modeled and practiced with attention given to a hands-on approach to instruction.

Prerequisite: successful completion of the E.C. Methods I block. Corequisite: other courses in the E.C. Methods II block.

EDEC-4300 3 hours

Teaching Social Studies: Early Childhood–Fa,Sp

An examination of social studies curricula for the young child with particular emphasis on the Ohio Model, the NASS Standards, and the integration of social studies with other

disciplines. Instructional methodologies that emphasize the teaching of thinking, student interaction, and the use of instructional technologies will be modeled and practiced. *Prerequisite: successful completion of the E.C. Methods I block. Corequisite: other courses in the E.C. Methods II block.*

EDEC-4450 Early Childhood Clinical II—Fa,Sp 3 hours

Teacher candidates spend 20-25 days in an early childhood classroom, including 17-22 days teaching mathematics, social studies, and science. This field experience provides theory-driven application to instruction with an emphasis on reflective teaching and collegial teamwork. Teacher candidates are formally supervised and evaluated by university supervisors using Praxis/Pathwise criteria. *Prerequisite: successful completion of the E.C. Methods I block. Corequisite: other courses in the E.C. Methods II block. (Fee: \$105)*

EDEC-4900 10-12 hours

Student Teaching and Seminar: Early Childhood—Fa,Sp
A teaching experience in an early childhood setting under the supervision of the cooperating teacher and a university supervisor. Required seminars encourage reflection on the teaching experience, as well as discussion of issues of importance to educators. *Prerequisite: successful completion of the E.C. Methods II block. (Fee: \$100)*

Middle Childhood Education (EDMC)

EDMC-2500 3 hours

Educational Psychology of Middle Childhood—Fa,Sp
An introduction to the principles of learning and development in middle childhood students. The class focuses on learning theory and the factors that affect learning, teaching behavior, student needs, and the skills necessary to create and maintain an optimal learning environment for middle school students in a variety of settings. *Prerequisite: EDUC-1000 The Education Profession.*

EDMC-3300 3 hours

Topics in Middle School Mathematics—Sp
An investigative approach to selected mathematics topics that are taught in middle schools. Topics include logic, mathematics modeling, formulating, and problem solving in both mathematical and every day life situations. Real world connections with opportunities for exploration and communication by written, oral, and technological presentations are provided. *Prerequisite: EDUC-2800 Principles of Mathematics II.*

EDMC-3500 3 hours

Principles of Teaching Middle School—Sp
Teacher candidates learn to develop instruction and various types of assessment based on observable learning objectives aligned with curriculum guides. Emphasis will be given to instructional models most appropriate for middle school students, including use of instructional technology. *Prerequisite: admission to the teacher education program. Corequisite: other courses in the M.C. Methods I block.*

EDMC-3600 3 hours

Phonics and the Structure of Language—Sp
An introduction to the rationale, skills, instructional and assessment strategies, teaching aids, resource materials, and appropriate technologies for the teaching of phonics. Emphasis given to the source, structure, function, and history of spoken language. *Prerequisite: admission to the teacher education program. Corequisite: other courses in the M.C. Methods I block.*

EDMC-3700 3 hours

Teaching Reading Through Middle School Literature—Sp
A survey of the early history, major types, and modern trends of literature for children in grades 4-9. The social and personal value of literature is studied along with methods for using trade books to support reading instruction in an integrated reading/writing/language arts program. *Prerequisite: admission to the*

teacher education program. Corequisite: other courses in the M.C. Methods I block.

EDMC-3800 3 hours
Writing Process and Language Arts Methods for Middle School—Sp

A study of the curriculum, methods, and resources for assessing and teaching of the language arts at the middle school level. Emphasis will be on an integrated reading/writing/language arts program and its importance across the curriculum. *Prerequisite: admission to the teacher education program. Corequisite: other courses in the M.C. Methods I block.*

EDMC-3950 2 hours
Middle School Clinical I: Teaching Reading—Sp

This experience provides for implementation of the objectives, skills, and strategies of instruction relative to middle grade reading instruction in a field-based setting. Teacher candidates are formally supervised and evaluated by cooperating teachers and university supervisors using Praxis/Pathwise criteria. *Prerequisite: admission to the teacher education program. Corequisite: other courses in the M.C. Methods I block. (Fee: \$90)*

EDMC-4000 3 hours
Reading in the Content Area: Middle Childhood—Fa

An introduction to the range of strategies and programs for teaching the reading process, including the nature of the reading process, assessment techniques, and instructional strategies to increase comprehension. The use of trade books and informational books in the content areas across the disciplines taught in the middle childhood grades is emphasized. *Prerequisite: successful completion of the M.C. Methods I block. Corequisite: other courses in the M.C. Methods II block.*

EDMC-4050 3 hours
Responsive Schools for Middle Childhood—Fa

An examination of the developmental periods of later childhood and early adolescence from a psychological and sociological perspective. The course will also examine how school programs can be designed and implemented to deal with the unique aspects of these developmental periods. *Prerequisite: successful completion of the M.C. Methods I block. Corequisite: other courses in the M.C. Methods II block.*

EDMC-4100 3 hours
Teaching Mathematics: Middle Childhood—Fa

An introduction to the objectives, skills, and instructional strategies for teaching middle school mathematics, based on the Ohio Model and NCTM Standards. An associated clinical experience provides opportunity for theory-driven application of knowledge and skills. *Prerequisite: successful completion of the M.C. Methods I block. Corequisite: other courses in the M.C. Methods II block.*

EDMC-4200 Teaching Science: Middle Childhood—Fa 3 hours

An introduction to the objectives, skills, and instructional strategies for teaching middle school science, based on the Ohio Model and NSTA Standards. The course provides a particular emphasis on hands-on science instruction, the scientific method, and the integration of science with other disciplines. *Prerequisite: successful completion of the M.C. Methods I block. Corequisite: other courses in the M.C. Methods II block.*

EDMC-4300 3 hours

Teaching Social Studies: Middle Childhood—Fa
An introduction to the objectives, skills, and instructional strategies for teaching middle school social studies, based on the NSSA Standards. The course provides a particular emphasis on the Ohio Model and the integration of social studies with other disciplines. *Prerequisite: successful completion of the M.C. Methods I block. Corequisite: other courses in the M.C. Methods II block.*

Education

School of Social Sciences and Professional Studies

EDMC-4440 Middle Childhood Clinical II–Fa 2 hours

This clinical experience allows the teacher candidate to apply the theories, principles, and techniques provided in the associated methods courses. *Prerequisite: successful completion of the M.C. Methods I block. Corequisite: other courses in the M.C. Methods II block.* (Fee: \$105)

EDMC-4900 10-12 hours **Student Teaching and Seminar: Middle Childhood–Fa,Sp**

A teaching experience in a middle childhood setting under the supervision of the cooperating teacher and the university supervisor. Required seminars encourage reflection on the teaching experience as well as discussion of issues of importance to educators. *Prerequisite: successful completion of the M.C. Methods II block.* (Fee: \$100)

Adolescent / Young Adult (EDSE)

EDSE-3100 3 hours **Contemporary Young Adult Literature–Sp**

A study of contemporary young adult literature, addressing issues of interpretation, analysis, and personal response with an emphasis on literature that reflects a diversity of gender, race, and ethnicity. *Prerequisite: admission to the teacher education program. Corequisite: other courses in the AYA Principles of Teaching block or permission of department chair.*

EDSE-3300 Developmental Reading–Sp 3 hours

This course focuses on the reading goals and processes used in teaching English, language arts, and literature by language arts teachers at the secondary level. *Prerequisite: admission to the teacher education program. Corequisite: other courses in the AYA Principles of Teaching block or permission of department chair.* (Fee: \$60)

EDSE-3800 2 hours **Teaching Social Studies: Adolescent and Young Adult–Fa**

An emphasis on the identification, examination, and implementation of the methods and materials that are appropriate for each teacher candidate's discipline area. *Prerequisite: admission to the teacher education program. Corequisite: other courses in the AYA Principles of Teaching block or permission of department chair.*

EDSE-3900 Music Education Clinical–Fa,Sp 2 hours

This supervised experience in a K-12 school prepares the teacher candidate for the student teaching experience by providing an opportunity to practice teaching methods. Candidates will be evaluated and must show potential to be successful in student teaching to receive credit. *Prerequisites: Admission to the Teacher Education Program and completion of or concurrent registration in EDMU-3710 Music for Early Childhood; and/or EDMU-3720 Music for Adolescent/Young Adults.* (Fee: \$75)

EDSE-4000 3 hours **Reading in the Content Areas: Adolescent and Young Adult–Fa**

An introduction to the range of strategies and programs for learning and teaching the reading process, including the nature of the reading process, assessment techniques, and instructional strategies to provide increased comprehension of the textual material of the disciplines represented by teacher candidates in the class. This class is for MA Spanish and AYA teacher education program majors. *Prerequisite: admission to the teacher education program. Corequisites: other courses in the AYA Principles of Teaching block or permission of department chair.* (Fee: \$60)

EDSE-4100 5 hours **Principles of Teaching: Adolescent and Young Adult–Fa,Sp**

An introduction to the objectives, skills, and instructional strategies needed for the teaching of adolescent and young adult students. An associated field experience gives opportunity to apply the knowledge and skills learned in the course. *Prerequisite: admission to the teacher education program.*

Corequisites: other courses in the AYA Principles of Teaching block.

EDSE-4450 3 hours

Adolescent / Young Adult Clinical Experience–Fa,Sp

An opportunity for the implementation of the objectives, skills, and instructional strategies in a setting appropriate for each discipline area. Teacher candidates teach two-three periods a day for five weeks. *Prerequisite: admission to the teacher education program. Corequisites: other courses in the AYA Principles of Teaching block.* (Fee: \$75)

EDSE-4900 10-12 hours **Student Teaching and Seminar: Adolescent / Young Adult–Fa,Sp**

A teaching experience in an adolescent/young adult setting under the supervision of the cooperating teacher and the university supervisor. Required seminars encourage reflection on the teaching experience, as well as discussion of issues of importance to educators. (Fee: \$100).

Special Education (EDSP)

EDSP-2000 2 hours

Teaching Children with Exceptionalities–Fa,Sp

An exploration of the implications of federal laws with an emphasis on the definitions, characteristics, and strategies for intervention in inclusive settings. The course includes an introduction to the use of assistive technology. *Prerequisite: EDUC-1000 The Education Profession. Corequisites: other courses in the Introduction to Teaching block.*

EDSP-2050 1 hour

Special Education Field Experience–Fa,Sp

A field-based experience in special education in which the teacher candidate observes and participates with the teacher in assisting learners with special educational needs. *Prerequisites: COM-1100 Fundamentals of Speech; ENG-1400 Composition; EDUC-1000 The Education Profession. Corequisites: other courses in the Introduction to Teaching block.*

EDSP-2300 Survey of Learning Disabilities–Fa 2 hours

An overview of the theories, research, and practices related to the education of individuals with learning disabilities. Emphasis is given to characteristics, assessment, and effective instruction. *Prerequisite: admission to the teacher education program. Corequisites: other courses in the Special Education block.*

EDSP-2500 1 hour

Survey of Mental Retardation and Developmental Disabilities: Early Childhood–Su (Out of class)

Survey of the multidisciplinary perspectives, identification, early influences, causation, levels of support, and practices

Education programs combine in-class instruction with extensive classroom teaching experience in order that students will develop teaching abilities prior to graduation.

related to the education of individuals with mental retardation and developmental disabilities in early childhood. *Offered summers only in a mediated (out-of-class) format. Taken in a special 2-week block during the sophomore summer.*

EDSP-2510 **1 hour**

Survey of Mental Retardation and Developmental Disabilities–Su

An extended overview of the theories, research, and practices related to the education of individuals with mental retardation and/or developmental disabilities. For early childhood and special education double majors who have already taken EDSP-2500 Survey of Mental Retardation and Developmental Disabilities: Early Childhood and need to complete the requirements for EDSP-2520 Survey of Mental Retardation and Developmental Disabilities: Special Education. Emphasis on causal factors, assessment, and management. *Prerequisites: successful completion of the Introduction to Teaching block or permission of department chair; EDSP-2500.*

EDSP-2520 **2 hours**

Survey of Mental Retardation and Developmental Disabilities: Special Education–Su

An overview of the theories, research, and practices related to the education of individuals with mental retardation and developmental disabilities. Emphasis on causal factors, assessment, and educational implications. *Prerequisite: successful completion of the Introduction to Teaching block or permission of department chair.*

EDSP-2600 Survey of Behavior Disorders–Su **2 hours**

An overview of the theories, research, and practices related to the education of individuals with emotional and/or behavioral disorders. Emphasis on causal factors, assessment, and management. Taken in a special two-week block during the sophomore summer. *Prerequisite: successful completion of Introduction to Teaching Block or permission of instructor. (Fee: \$150)*

EDSP-3100 **3 hours**

Diagnostic and Remedial Reading–Fa,Sp

An introduction to the use of formal and informal assessment techniques for identification of reading difficulties. Teacher candidates learn practical instructional strategies for teaching students with reading problems and apply the techniques by working with elementary students in a school setting.

Prerequisite: EDUC-2300 Introduction to the Reading Process. For Early Childhood majors. (Fee: \$30)

EDSP-3150 **3 hours**

Intervention and Diagnosis in Reading for Special Educators–Sp

Study and implementation of individual testing and teaching strategies for skill development in reading, analysis of programs and materials, and development of individualized plans for remediation of specific skill deficits. *Prerequisites: the Introduction to Teaching block; EDUC-2300 Introduction to the Reading Process. For Special Education majors. (Fee: \$60)*

EDSP-3950 **3 hours**

Special Education Clinical: Early Childhood–Fa,Sp

An introduction to the objectives, skills, instructional strategies, teaching aids, and resource materials for teaching reading and the language arts to students with and without mild-moderate needs at the early childhood level.

Prerequisites: admission to the teacher education program; major in special education. Corequisite: other courses in the Early Childhood Methods I block. (Fee: \$105)

EDSP-4000 Principles of Inclusion–Fa,Sp **1 hour**

An examination of the theories, research, and practices of adapting and modifying curriculum, instruction, and the learning environment for students with special educational needs. An accompanying clinical experience allows teacher candidates to implement what they have learned. *Prerequisite: admission to the teacher education program. Corequisite: enrollment in the appropriate upper-level methods block.*

EDSP-4100 Adaptive Curriculum and Instruction–Fa **2 hours**

An introduction to the curriculum, intervention strategies, instructional materials, and educational technology used with students with mild-moderate special educational needs. *Prerequisite: admission to the teacher education program.*

EDSP-4150 Career and Occupational Training–Fa **2 hours**

A look at the role of occupational training in the special education curriculum, including the techniques used in developing occupational interests and abilities at various age levels. *Prerequisite: admission to the teacher education program. Corequisite: other courses in the Special Education block.*

EDSP-4250 **2 hours**

Communication, Collaboration, and Inclusion Skills–Fa,Sp

A presentation of the techniques of collaboration and consultation needed to enhance communication of the teacher candidate with individuals with special needs, parents, educational team members, and other professionals. Also includes strategies for adapting and modifying instruction for students with special needs. *Prerequisite: admission to the teacher education program. Corequisite: Other courses in the Methods II block.*

EDSP-4300 **2 hours**

Behavioral and Instructional Management–Fa

A presentation of the learning theory, motivation, and behavioral approaches to management of the social and academic environment of learners with mild-moderate special educational needs. Emphasis is on functional assessment and the behavioral intervention process. *Prerequisite: admission to the teacher education program. Corequisites: other courses in the Special Education block.*

EDSP-4400 Assessment in Special Education–Fa **4 hours**

Study in the administration and interpretation of formal and informal educational assessment instruments used for the placement of students with mild-moderate needs and the development of appropriate education goals and objectives. *Prerequisite: admission to the teacher education program. Corequisites: other courses in the Special Education block.*

EDSP-4450 **3 hours**

Special Education Clinical: Middle Childhood–Fa,Sp

An opportunity to implement the objectives, skills, and instructional strategies for teaching mathematics, science, and social studies to students with mild-moderate needs at the middle childhood level. *Prerequisite: successful completion of the E.C. Methods I block. Corequisites: other courses in the E.C. Methods II block. (Fee: \$105)*

EDSP-4550 **3 hours**

Special Education Clinical: Adolescent and Young Adult

An opportunity to use the skills learned developing and implementing individualized educational plans and behavior intervention strategies for adolescent and young adult students with mild to moderate special educational needs. *Prerequisite: admission to the teacher education program. Corequisite: other courses in the Special Education block. (Fee: \$105)*

EDSP-4900 **10-12 hours**

Student Teaching and Seminar: Special Education

A teaching experience for special education only majors with students who have mild to moderate special educational needs under the supervision of the cooperating teacher and the university supervisor. Seminars encourage reflection on the teaching experience as well as discussion of issues of importance to educators. *Prerequisite: successful completion of the Early Childhood Methods II and Special Education blocks. (Fee: \$100)*

Engineering

School of Engineering, Nursing, and Science

Purpose Statement

The engineering program at Cedarville University blends the academic subjects required of all accredited engineering programs with “hands-on” experience through extensive laboratory work and design projects. Our curriculum introduces freshmen to 3-D Solid Modeling in the Computer-Aided Engineering Graphics course and digital electronics in the Digital Logic Design course. This provides students with practical experience and early insight into subsequent theory.

Our program enjoys the rich technical environment in the surrounding community and provides frequent opportunities for interaction with engineers working on the latest aerospace, automotive, and electronics technology.

The department faculty have the following vision: “We, the Elmer W. Engstrom Department of Engineering, seek to honor the Lord Jesus Christ in every endeavor and earnestly desire to cultivate engineers who are committed to moral excellence and who are exemplary in character, conduct, and skill. Therefore, we strive to provide an excellent educational environment that will nurture our students to honor the Lord in all things and help them to grow in spiritual maturity, wisdom, knowledge, and expertise for purposeful lives of service.”

Personal Requirements

Students interested in studying engineering but uncertain of the specific engineering major have until the spring semester of the freshman year to choose computer, electrical, or mechanical engineering as a major. Faculty advisors, the Career Services Office, and engineering field trips represent some of the resources available to students contemplating which engineering major to choose.

Department Requirements

New students

Students who enjoy and excel in science and mathematics, and who want to help people, have the highest potential for careers as engineers. Entering students are required to have an ACT composite score of at least 22 (or an SAT of at least 1010) in order to declare an engineering major. Students who do not meet this standard or do not demonstrate equivalent competency may request admission to the department on a provisional status.

To prepare for engineering, high school students should take a college preparatory curriculum that includes:

- 4 units of English
- 4 units of mathematics (algebra, geometry, trigonometry, and advanced mathematics or precalculus)
- 4 units of science (physical science, biology, chemistry, and physics)
- 3 units of social science
- 2 units of a single foreign language

It is also helpful for students to have some computer programming experience using a language such as BASIC, VisualBasic, PASCAL, C, C++, or FORTRAN. Experience with spreadsheets and word processors is also helpful.

Retention Requirement

Engineering majors must demonstrate proficiency in certain lower-level courses to advance into upper-level, 3000-level courses. Hence, all engineering majors must earn an overall GPA of 2.0 or higher by the end of their sophomore year. Furthermore, to advance into the junior year, all engineering majors must earn a combined GPA of 2.0 or higher in all of their engineering courses and a combined GPA of 2.0 or higher in the following courses: MATH-1710, 1720, and 2710 - Calculus I,II, and III*, MATH-2740 - Differential Equations, and PHYS-2110

and 2120 - General Physics I and II.

*not included for computer engineering

Graduation Requirements

1. Earn a cumulative grade point average of 2.0 or above in all engineering and cognate courses.
2. Take an assessment exam similar to the Fundamentals of Engineering Examination.

Programs of Study

The Department of Engineering offers three programs of study:

- Computer Engineering (B.S.Cp.E.)
- Electrical Engineering (B.S.E.E.)
- Mechanical Engineering (B.S.M.E.)

Accreditation

The B.S.E.E., and B.S.M.E. programs are accredited by the Engineering Accreditation Commission (EAC) of the Accreditation Board for Engineering and Technology (ABET).

State Approval

The B.S.Cp.E, B.S.E.E. and B.S.M.E. programs have full approval by the Ohio Board of Regents.

Registration as a Professional Engineer

Seniors and graduates are eligible to take the NCEES Fundamentals of Engineering (FE) Examination offered by the Ohio Society of Professional Engineers. This exam is the first of two required to become a registered professional engineer and is offered each spring at Cedarville University. Cedarville University seniors have consistently had a passing rate above the state and national average.

Technical Resources

Our modern labs include the following: senior design labs, fluids lab with an 18-inch cross-section wind tunnel, heat transfer, refrigeration, mechanics, materials testing, internal combustion engine dynamometers, CNC manufacturing, electrical machines, feedback controls, circuits, electronics, communications, digital logic, microprocessors, surface-mount soldering, vibrations, and dynamics of machines. We also have computer-based circuit design tools, 3-D solid-modeling, FEA, CFD, and CNC software.

Co-Curricular Opportunities

Engineering freshmen participate in the annual Cardboard Canoe Challenge at Homecoming. Other events include the sophomore Statics and Dynamics design competitions and the Advanced Digital Logic Design competition.

The department provides engineering students an opportunity to participate in some of the national and international engineering design competitions organized by professional engineering societies. Student chapters of national organizations (ASME, IEEE, SAE, ASEE, and SWE) encourage their members to participate in Aerodesign, Formula SAE, Micro-Baja, Mini-Baja, Robotics, Solar Splash, and Supermileage competitions.

Recently, Cedarville University took first place in SAE's Supermileage (2000), SAE's Aerodesign West (2003), AEC/ASME Solar Splash (2004), and ASEE's Autonomous Vehicle (2001,2002,2003).

Career Opportunities

Engineering is the art of applying scientific and mathematical principles, experience, judgment, and common sense to make things that help people. Engineers are problem solvers; they

make things work better, more efficiently, more quickly, and less expensively. Engineers design EKG and ultra-sound machines to help doctors diagnose medical problems, spacecraft to explore planets, machines to generate electricity to power cities, and technology to combat terrorism. They are designing faster and more powerful computers, advanced communication systems, and safer and more fuel-efficient cars and airplanes. Engineers are on the cutting edge of technology.

Engineers spend a lot of time interacting and communicating with others, often working on a team with others. With a strong science, mathematics, and technology background, the engineer often rises to leadership positions in a variety of settings, working at all stages—research, development, design, construction, production, operations, marketing, sales, and management—to develop new ideas into products.

In this era of rapid technological change, an engineering education serves our society well. In the decades ahead, society's needs and problems will call for engineering contributions on a scale not previously experienced.

Faculty

Lawrence Zavodney, Chairman: Professor of Mechanical Engineering. *Education*: B.S.M.E., The University of Akron, 1974; M.S.M.E., The University of Akron, 1977; Ph.D., Virginia Polytechnic Institute and State University, 1987; registered professional engineer. At Cedarville since 1992.

Robert Chasnov, Assistant to the Chair: Professor of Engineering. *Education*: B.S., Rensselaer Polytechnic Institute, 1978; M.S., University of Illinois, 1980; Ph.D., University of Illinois, 1983; registered professional engineer. At Cedarville since 1991.

Charles Allport, Assistant to the Academic Vice President; Associate Professor of Mechanical Engineering. *Education*: B.S., United States Air Force Academy, 1962; M.A., George Washington University, 1963; M.S.E., Arizona State University, 1965; registered professional engineer. At Cedarville since 1990.

Gerald Brown, Assistant Professor of Electrical Engineering. *Education*: B.Engr., McMaster University, 1982; M.Engr., McMaster University, 1984; Ph.D., McMaster University, 1989. At Cedarville since 2004.

Peter Burban, Associate Professor of Mechanical Engineering. *Education*: B.S.Ch.E., University of Illinois, 1980; Ph.D., University of Delaware, 1984. At Cedarville since 2001.

Timothy Dewhurst, Professor of Mechanical Engineering. *Education*: B.S.M.E., Cornell University, 1980; M.Eng.M., Cornell University, 1981; Ph.D., Cornell University, 1985; registered professional engineer. At Cedarville since 1996.

Vicki Fang, Assistant Professor of Computer Engineering. *Education*: B.S.E.E., Shanghai Jiao Tong University, 1992; M.S.E.T., Pittsburg State University, 1998; Ph.D., The University of Akron, 2004. At Cedarville since 2004.

Harwood Hegna, Professor of Mechanical Engineering. *Education*: B.S.A.E., University of Minnesota, 1969; M.S.A.E., University of Minnesota, 1971; M.S.M.E., University of Minnesota, 1973; Ph.D., Air Force Institute of Technology, 1981; registered professional engineer. At Cedarville since 1992.

Jay H. Kinsinger, Assistant Professor of Mechanical Engineering. *Education*: B.S., Mechanical Engineering and Manufacturing Engineering Technologies, University of Dayton, 1993; M.S., Rehabilitation Engineering, Wright State University, 2000. At Cedarville since 1999.

Clint Kohl, Associate Professor of Electrical Engineering. *Education*: B.S.E.E., South Dakota State University, 1988; M.S.E.E., University of North Dakota, 1990; Ph.D., Iowa State University, 1992. At Cedarville since 1994.

Robert Laramore, Professor of Electrical Engineering. *Education*: B.S.E.E., University of Missouri at Rolla, 1973; M.S.E.E., University of Missouri at Rolla, 1975; registered professional

engineer. At Cedarville since 1992.

Timothy Norman, Professor of Mechanical Engineering. *Education*: B.S.A.A.E., Purdue University, 1982; M.S.A.A.E., Purdue University, 1986; Ph.D. Purdue University, 1989. At Cedarville since 2003.

Samuel SanGregory, Associate Professor of Electrical Engineering. *Education*: B.S.E., Wright State University, 1988; M.S.C.E., Air Force Institute of Technology, 1992; Ph.D., Air Force Institute of Technology, 1999. At Cedarville since 1993.

D. Jeff Shortt, Associate Professor of Electrical Engineering. *Education*: B.S.E.E., Virginia Polytechnic Institute and State University, 1974; M.S.E.E., Virginia Polytechnic Institute and State University, 1979; Ph.D., Virginia Polytechnic Institute and State University, 1982. At Cedarville since 1996.

Thomas Thompson, Associate Professor of Mechanical Engineering. *Education*: B.S.M.E., University of Nebraska-Lincoln, 1984; M.S.M.E., University of Nebraska-Lincoln, 1986; Ph.D., Iowa State University, 1995; registered professional engineer. At Cedarville since 1995.

Timothy Tuinstra, Assistant Professor of Electrical Engineering. *Education*: B.S.E.E., Cedarville University, 1996; M.S.E.E., University of Dayton, 1998; Ph.D. in progress, University of Dayton. At Cedarville since 2002.

Technical Support Staff

David Denlinger, Mechanical Engineering Technician. At Cedarville since 1993.

Jonathan Gain, Electrical Engineering Technician. *Education*: B.S.E.T., LeTourneau University, 1968. At Cedarville since 1992.

Engineering Advisory Council

The Engineering Advisory Council consists of professional engineers, researchers, and business leaders representing a variety of engineering-related businesses. Through annual meetings, these experts advise the University and evaluate its plans for building upon Cedarville's reputation for excellence in undergraduate engineering education.

Council members include:

Eugene Apple, General Electric Corporation, retired

Ronald Baker, Hi-Tech Aero Spares

Carl Bertsche, Jr., Production Engineering Company

James Brandeberry, Wright State University

Robert Bremer, Jr.

Gary Clasby, Duriron Company, Incorporated

Donald Copland, Procter and Gamble Company, retired,

ANOVA Limited

Harry Couch, Delco Products Division GMC

Kevin Crawford, Dayton Power and Light

Tom Curran, WPAFB, Aero Propulsion and Power, retired

Jerry Drobinski, Global Development and Sourcing, Inc.

James Engelman, Delphi Energy and Engine Management, retired

William Engstrom, Engstrom Foundation

Dennis Ferrigno, Bateman Engineering, Incorporated

Stephen Harris, Rixan Associates, Incorporated

Dennis Hess, DataTel Communications

Richard Holmes, Holmes and Mays

Phillip Houston, Greene County Department of Development

Dan Kerr, GM Specialty Cars Division

Frank Klatt, Rockwell International, retired

Tim Lawrence, Ball Aerospace and Technologies Corp.

Joe Mays, Holmes and Mays

Walker Mitchell, Mitchell Consulting

Fritz Russ, Russ Venture Group, Incorporated

H. Ted Santo, Dayton Power and Light

Terry Smith, Rittal Corporation

Ted Tate, Tate Model and Engineering, Incorporated

Jay Tieber, Ohio Department of Development

Ron Weber, Lowrance Electronics, Incorporated

Walt Weisel, Robotic Workspace Technologies

Don Wilkinson, Johnson Controls, Inc.

Bryan Williams, Procter and Gamble

Riad Yammine, Speedway/Super America, retired

Edwin Young, University of Michigan

School of Engineering, Nursing, and Science

Computer Engineering

Course requirements for the B.S.Cp.E. degree are comprised of the following and may be modified by the department chairman.

Course requirements involve 70 semester hours including:

CS-1210 C++ Programming	2
CS-1220 Object Oriented Design with C++	3
CS-2210 Data Structures Using Java	3
CS-3310 Operating Systems	3
CS-3410 Algorithms	3
EGCP-1010 Digital Logic Design	3
EGCP-2110 Microprocessors	3
EGCP-3010 Advanced Digital Logic Design	3
EGCP-3210 Computer Architecture	3
EGCP-4210 Advanced Computer Architecture	3
*EGCP-4810 Computer Engineering Senior Design I	4
*EGCP-4820 Computer Engineering Senior Design II	4
EGEE-2010 Circuits	5
EGEE-3110 Linear Systems	3
EGEE-3210 Electronics I	3
EGGN-1110 The Engineering Profession	1
¹ EGGN-3110 Professional Ethics	3
EGME-4010 Senior Seminar	0
EGME-1810 Engineering Graphics	1
EGME-2510 Statics	3
EGME-2630 Dynamics	3
EGME-3170 Thermal Systems	2
MATH-2510 Discrete Math: Computer Science	3
Two EGCP Electives (must include one 4000-level course)	6

Required Cognates.....27.5

²CHEM-1050 Chemistry for Engineers 3.5

³MATH-1710 Calculus I 5

MATH-1720 Calculus II 5

MATH-2740 Differential Equations..... 3

MATH-3110 Probability and Statistics I 3

PHYS-2110 General Physics I 4

PHYS-2120 General Physics II 4

¹Satisfies humanities General Education Requirements

²Satisfies physical science General Education Requirements

³Satisfies mathematics General Education Requirements

*Capstone Course

Computer Engineering Major Curriculum Summary

Proficiency Requirements	0-5
General Education Requirements	42.5
Comprehensive Computer Engineering Requirements	70
Required Cognates	27.5
Total (minimum, not including proficiency)	140

A complete description of the General Education Requirements is found on page 18

Suggested Four-Year Curriculum for a Major in Computer Engineering

First year:

BEGE-1710 Christian Life and Thought	3
BEGE-1720 Spiritual Formation	3
CHEM-1050 Chemistry for Engineers	3.5
CS-1210 C++ Programming	2
CS-1220 Object Oriented Design with C++	3
EGCP-1010 Digital Logic Design	3
EGGN-1110 The Engineering Profession	1
EGME-1810 Engineering Graphics	1
MATH-1710 Calculus I	5
MATH-1720 Calculus II	5
PHYS-2110 General Physics I	4
Total	33.5

Second year:

BEGE-2730 Old Testament Literature	3
COM-1100 Fundamentals of Speech	3
CS-2210 Data Structures Using Java	3
EGEE-2010 Circuits	5
EGME-2510 Statics	3
EGME-2630 Dynamics	3
ENG-1400 Composition.....	3
MATH-2740 Differential Equations	3
MATH-2510 Discrete Math: Computer Science	3
PEF-1990 Physical Activity and the Christian Life	1
PHYS-2120 General Physics II	4
Physical Education Activity Elective	1
Total	35

Third year:

BEGE-2740 New Testament Literature	3
CS-3310 Operating Systems	3
CS-3410 Algorithms	3
EGCP-2110 Microprocessors	3
EGCP-3010 Advanced Digital Logic Design	3
EGCP-3210 Computer Architecture	3
EGEE-3110 Linear Systems	3
EGEE-3210 Electronics I	3
EGGN-3110 Professional Ethics	3
GSS-1000 Foundations of Social Science	3
HUM-1400 Introduction to Humanities	3
Literature Elective	3
Total	36

Fourth year:

BEGE-3750 Christian Worldview Development	2
BEGE-3760 Christian Worldview Integration	2
EGCP-4210 Advanced Computer Architecture	3
EGCP-4810 Computer Engineering Senior Design I	4
EGCP-4820 Computer Engineering Senior Design II	4
EGGN-4010 Senior Seminar	0
EGME-3170 Thermal Systems.....	2
MATH-3110 Probability and Statistics I	3
Biology Elective	3.5
Computer Engineering Electives	6
History Elective	3
Social Science/Global Awareness Elective	3
Total	35.5

Electrical Engineering

Course requirements for the B.S.E.E. degree are comprised of the following and may be modified by the department chairman.

Course requirements involve 67 semester hours including:

EGCP-1010 Digital Logic Design	3
EGCP-1310 Algorithmic Programming	2
EGCP-2110 Microprocessors	3
EGEE-2010 Circuits	5
EGEE-3110 Linear Systems	3
EGEE-3210 Electronics I	3
EGEE-3220 Electronics II	5
EGEE-3310 Electromagnetics	3
EGEE-3330 Communications Theory	4
EGEE-4110 Digital Signal Processing	2
EGEE-4410 Feedback Control Systems	4
*EGEE-4810 Electrical Engineering Senior Design I	4
*EGEE-4820 Electrical Engineering Senior Design II	4
EGGN-1110 The Engineering Profession	1
¹ EGGN-3110 Professional Ethics	3
EGGN-4010 Senior Seminar	0
EGME-1810 Engineering Graphics	1
EGME-2510 Statics	3
EGME-2630 Dynamics	3
EGME-3170 Thermal Systems	2
Three EGEE Electives (<i>must include one 4000-level course</i>)	9
Required Cognates	30.5
² CHEM-1050 Chemistry for Engineers	3.5
³ MATH-1710 Calculus I	5
MATH-1720 Calculus II	5
MATH-2710 Calculus III	3
MATH-2740 Differential Equations	3
PHYS-2110 General Physics I	4
PHYS-2120 General Physics II	4
Mathematics Elective (Select one of the following:)	3
EGEE-3370 Probability and Random Processes for Engineers	3
MATH-3610 Linear Algebra	3
MATH-3740 Complex Variables	3

¹Satisfies humanities General Education Requirements

²Satisfies physical science General Education Requirements

Engineering Honors Program

The **engineering honors program** is designed to challenge exceptional students and encourage them to reach their highest possible potential. Because the program is integrated with the University's honors program, students who wish to participate must first be admitted into the University's honors program; the details are listed in the Interdisciplinary Studies section of the catalog. Admission can occur in either the freshman or sophomore year. Admission to the engineering honors program occurs after the student completes the sophomore year. A cumulative GPA of 3.5 or above is required for participation.

Engineering coursework involves taking the honors version of three courses and one additional engineering elective course. These engineering honors courses are regularly scheduled courses and are taken with other students, but they have enrichment opportunities and exposure to advanced topics through special assignments and extra sessions with the professor.

Course requirements for the **engineering honors program** include:

HON-1010 and 1020 Making of the Modern Mind (substitutes for HUM-1400 and HIST elective)	10
EGGN-3110 Professional Ethics-Honors	3
EGXX-4XXX Engineering Elective	3
Honors version of the following courses:	
<i>Requirements for computer engineering majors include:</i>	
EGCP-3210 Computer Architecture	3
EGCP-3010 Advanced Digital Logic Design	3
EGEE-3210 Electronics I	3
<i>Requirements for electrical engineering majors include:</i>	
EGEE-3210 Electronics I	3
EGEE-3330 Communications Theory	4
EGEE-4410 Feedback Controls	4
<i>Requirements for mechanical engineering majors include:</i>	
EGME-3110 Thermodynamics	5
EGME-3850 Mechanical Design	3
EGME-4660 Automatic Controls	3

Students who earn a "B" or above in HON-1010 and 1020, earn a "B" or above in all engineering honors courses, and graduate with a cumulative GPA of 3.5 or higher will earn the "engineering honors graduate" designation.

Cedarville entered the Formula SAE competition for the first time in 2004 and was one of 134 teams that entered the competition. Engineering students designed and built this formula-style race car (which can accelerate from zero to sixty mph in four seconds) to compete in a series of selected events.

Course Descriptions

General Engineering Courses

EGGN-1110 The Engineering Profession—Fa **1 hour**

Introduction to the basic concepts and skills necessary to function effectively as a Christian engineer, participation in group activities and design projects, introduction to ethical and moral issues in engineering practice, and introduction to engineering computer applications. Term project introduces Christian heritage in science and engineering. (Fee: \$50)

EGGN-3110 Professional Ethics—Sp **3 hours**

Introduction to the theories of morality and philosophical issues of determining what is true and what is good. Applications are made to professional conduct, engineer-client relations, and product liability. Legal problems and the engineering code of ethics are discussed from a biblical perspective.

EGGN-4010 Senior Seminar—Fa **0 hours**

Required weekly meeting of senior engineering majors to discuss the transition into the professional work environment. *Prerequisite: senior status in engineering.* (Fee: \$35)

Engineering Competition Courses

EGGN-1960 Competition Project—Sp **0 hours**

Engineering freshmen on a Department of Engineering Intercollegiate Design Competition may use this course to provide on their transcript a record of their participation throughout the year. The name of the competition will be designated.

EGGN-2960 Competition Project—Sp **0 hours**

Engineering sophomores on a Department of Engineering Intercollegiate Design Competition may use this course to provide on their transcript a record of their participation throughout the year. The name of the competition will be designated.

EGGN-3960 Competition Project—Sp **0 hours**

Engineering juniors on a Department of Engineering Intercollegiate Design Competition may use this course to provide on their transcript a record of their participation throughout the year. The name of the competition will be designated.

EGGN-4960 Competition Project—Sp **0 hours**

Engineering seniors on a Department of Engineering Intercollegiate Design Competition may use this course to provide on their transcript a record of their participation throughout the year. The name of the competition will be designated.

Computer Engineering Courses

EGCP-1010 Digital Logic Design—Fa,Sp **3 hours**

Introduction to the fundamentals of digital logic design, number systems, Boolean Algebra, Karnaugh maps, computer simulation tools, combinational network design, flip flops, counters, state machines, and sequential networks. Circuits are designed in class and are built and evaluated in the laboratory. Two lecture hours and one two-hour laboratory per week. (Fee: \$100)

EGCP-1310 Algorithmic Programming—Sp **2 hours**

Introduction to algorithmic computer programming for engineering and scientific problem solving, fundamentals of coding, and debugging programs. A language such as C, C++, or Java is used. Algorithms and data structures are applied to scientific and engineering problems.

EGCP-2110 Microprocessors—Fa **3 hours**

Introduction to the fundamentals of microprocessors, including

Engineering

School of Engineering, Nursing, and Science

assembly language programming, memory hierarchies, peripheral device interfacing, interrupts, and microcomputer design. Two lecture hours and one two-hour laboratory per week; design project required. *Prerequisite:* EGCP-1010 *Digital Logic Design.* (Fee: \$100)

EGCP-3010 Advanced Digital Logic Design—Fa 3 hours

Advanced treatment of digital logical design techniques and practices with emphasis on rapid electronic prototyping and effective use of advanced computer-aided design tools; schematic, textual, and VHDL design entry; arithmetic circuits, advanced finite-state machines, and advanced controller implementations. Three lecture hours and one two-hour laboratory per week; multiple projects and laboratory experiences including a class design contest usually involving a robot. *Prerequisites:* EGCP-1010 *Digital Logic Design;* CS-1210 *C++ Programming;* *junior status or permission of instructor.* (Fee: \$100)

EGCP-3210 Computer Architecture—Sp 3 hours

Introduction to computer architecture with an emphasis on hardware, RISC vs. CISC, pipeline and vector processing, I/O, and memory hierarchy including caches. Students design and construct a small microprocessor using a logic simulator and then write an assembler for their processor. *Prerequisites:* EGCP-2110 *Microprocessors;* CS-1210 *C++ Programming.*

EGCP-3510 Software Engineering—Fa 3 hours

Discussion of the engineering process as it applies to software development, life-cycle analysis and modeling, software metrics and management tools, project cost and size estimation, system requirement analysis, software design paradigms, and software testing and verification. *Prerequisites:* CS-3410 *Algorithms;* CS-3310 *Operating Systems.*

EGCP-3920 Computer Engineering Internship 1-3 hours

An opportunity for a computer engineering student to work closely with an industrial advisor. Specific attention is given to solving a particular problem(s) in that industry or firm. A faculty advisor assists in supervising and approving the internship, including assessing the number of credit hours. A final report (approximately seven pages per credit hour) describing the experience, including the problem and solution, is required. Must be arranged with a faculty sponsor and work supervisor before starting and cannot be used to satisfy elective credit requirements. *Prerequisites:* *junior or senior engineering major status;* *faculty advisor's permission.*

EGCP-3950 Topics in Computer Engineering 1-3 hours

Selected topics in computer engineering at the 3000-level that will complement or extend existing 2000- and 3000-level courses or expose students to topics not taught in other courses; may be proposed by the engineering faculty or students. *Prerequisite:* *instructor's permission.*

EGCP-3980 1-3 hours

Independent Study in Computer Engineering

Opportunity to perform independent study or research in computer engineering and allied fields of application. A formal proposal for study must be approved by the faculty advisor before registering for this course. Up to three credit hours of engineering electives can be satisfied by an equivalent number of independent-study hours. *Prerequisites:* *junior or senior engineering major status;* *faculty advisor's permission.*

EGCP-3990 1-3 hours

Project Design in Computer Engineering

An elective course for students to get academic credit for extracurricular design work in computer engineering; project may be related to a design competition, ministry, industry, or

personal interest. Cannot be used to satisfy engineering elective requirements. *Prerequisite:* *instructor's permission.*

EGCP-4210 Advanced Computer Architecture—Fa 3 hours

Advanced study of computer architecture with an emphasis on performance, performance metrics, benchmarks, integer and floating point concepts, data-path and control, super-scalar processing and pipelining, memory hierarchy, I/O and peripherals, vector, array and parallel processors, and multiprocessors. *Prerequisites:* EGCP-3010 *Advanced Digital Logic Design;* EGCP-3210 *Computer Architecture.*

EGCP-4810 4 hours

Computer Engineering Senior Design I—Fa

Design and development of electronic products to meet specific requirements. Introduction to computer system design, power supply design, hardware-software co-design, software engineering, system performance trade-offs, electronic design tools, prototype methods, estimating and managing time and cost constraints, and project management. Student teams prepare a project proposal, design and prototype a microprocessor-based system or sub-system, use computerized design tools, submit weekly progress reports, and conduct design reviews. Three lecture hours and one two-hour laboratory per week. *Prerequisite:* *senior status in computer engineering.* *Corequisite:* EGCP-4210 *Advanced Computer Architecture.* (Fee: \$100)

EGCP-4820 4 hours

Computer Engineering Senior Design II—Sp

Continuation of EGCP-4810 *Computer Engineering Senior Design I.* Student teams will complete their capstone project, submit weekly progress reports, prepare a formal final report, and make a formal design review presentation. *Prerequisite:* EGCP-4810 *Computer Engineering Senior Design I.* (Fee: \$100)

Clinching the Aerodesign West Competition in 2003, brothers Brian and Nathan Foote found themselves the proud owners of the first-place trophy. Made from carbon fiber composite materials, their unique 5.25-lb plane lifted 23 pounds of cargo. They also received the best technical report award.

EGCP-4950 **1-3 hours**
Advanced Topics in Computer Engineering

Selected topics in computer engineering at the 4000-level that expand the depth of existing 3000- and 4000-level courses or expose the students to advanced concepts not taught in other courses. Topics may be proposed by the engineering faculty or students. *Prerequisite: instructor's permission.*

Electrical Engineering Courses

EGEE-2010 Circuits–Sp **5 hours**

Introduction to basic circuit analysis using Ohm's law, Kirchoff's laws, independent and dependent sources, Thévenin and Norton equivalency and source transformations, transient responses in RC, RL, and RLC circuits, phasor analysis of RLC circuits, power in AC circuits, introduction to 3-phase circuits, mutual inductance, frequency response, Transforms, Laplace circuit analysis, Fourier Series, and introduction to transfer functions. Computer simulations and bread-board circuits are constructed and evaluated in the laboratory. Four lecture hours and one two-hour laboratory per week. Design project required.

Prerequisites: PHYS-2120 General Physics II; MATH-2740 Differential Equations. (Fee: \$100)

EGEE-2050 Circuits and Instrumentation–Sp **4 hours**

Introduction to basic circuit analysis using Ohm's law, Kirchoff's laws, independent and dependent sources, Thévenin and Norton equivalency and source transformations, transient responses in RC, RL, and RLC circuits, operational amplifiers, and introduction to polyphase AC circuits. Circuit applications for transducers such as resistance strain gages, piezoelectric load cells, piezoelectric accelerometers, and thermocouples are emphasized along with measurement uncertainty analysis and statistical methods. Circuits are designed, simulated, constructed and tested in the laboratory. Three lecture hours and one two-hour laboratory per week. *Prerequisites: PHYS-2120 General Physics II; MATH-2740 Differential Equations.* (Fee: \$100)

EGEE-3110 Linear Systems–Fa **3 hours**

Introduction to linear time-invariant analysis of continuous and discrete-time systems, using both time and frequency domain methods that include convolution, Fourier Series, Fourier, Laplace, and Z transforms; classical and computer solution methods are utilized. *Prerequisite: EGEE-2010 Circuits.*

EGEE-3150 Analog Filters–Sp **3 hours**

Introduction to theory, design, and how to implement passive and active analog filters; basic filter structures, passive network synthesis, operational amplifier limitations, multiple-amplifier filters, and filter realization methods. *Prerequisite: EGEE-3110 Linear Systems.* (odd years)

EGEE-3210 Electronics I–Fa **3 hours**

Introduction to the analysis of semiconductor electronic device theory and application, diodes, bipolar-junction transistors (BJTs), field-effect transistors (FETs), and the non-ideal characteristics of operational amplifiers. Two lecture hours and one two-hour lab or recitation period per week. *Prerequisite: EGEE-2010 Circuits.* (Fee: \$100)

EGEE-3220 Electronics II–Sp **5 hours**

Continuation of EGEE-3210 Electronics I to include differential amplifiers, frequency response of amplifier circuits, multi-stage amplifiers, power amplifiers, feedback circuits, power supplies, filters, digital logic families, and oscillators. Four lecture hours and one two-hour lab per week. *Prerequisite: EGEE-3210 Electronics I.* (Fee: \$100)

EGEE-3310 Electromagnetics–Fa **3 hours**

Engineering applications of vector calculus, phasors and Maxwell's equations to electrostatic, magnetostatic and time varying fields, transmission lines, Smith Chart, propagation of uniform plane waves, and single-stub matching. Laboratory exercises introduce field-plotting, transmission line concepts using wave guides, single stub-tuning, introduction to the network analyzer, polarization, and radiation fields. Two lecture hours and one two-hour laboratory or recitation period per week. *Prerequisites: MATH-2710 Calculus III; EGEE-2010 Circuits.* (Fee: \$100)

EGEE-3330 Communications Theory–Sp **4 hours**

Introduction to analog and digital communications theory. Probability and random processes are developed to facilitate noise analysis in modulation techniques. Three lecture hours and one two-hour laboratory per week; design project required. *Prerequisite: EGEE-3110 Linear Systems.* (Fee: \$100)

EGEE-3370 **3 hours**

Probability and Random Processes for Engineers–Sp

Introduction to sample points, sample spaces, probability, random variables, random vectors, statistical averages, linear transformations, random processes, linear system response to stochastic input, spectral analysis with application of the central-limit theorem, and Gaussian processes to engineering problems. May be used to satisfy the mathematics elective requirement for electrical engineers. *Prerequisite: EGEE-3330 Communications Theory.*

EGEE-3510 Power Electronics–Sp **3 hours**

Introduction to the fundamentals of power electronics, characteristics and application of semiconductor switches, motor control, device applications, and power processing design. Design project required. *Prerequisite: EGEE-3210 Electronics I.* (Fee: \$50) (odd years)

EGEE-3530 Electrical Machines–Fa **3 hours**

Introduction to the fundamentals of power circuits and the principles of analysis and characteristics of transformers and AC and DC rotating machines. Two lecture hours and one two-hour laboratory per week. *Prerequisite: EGEE-2010 Circuits; or EGEE-2050 Circuits and Instrumentation.* (Fee: \$100)

In the championship 300-meter sprint pitting the three fastest boats, Brian Morgan (BSME '04) steers the Cedarville Boat past Cal Poly (foreground) in the final 50 meters to cinch first place in the 2004 Solar Splash Sprint. When combined with 3rd place in solar endurance, 2nd place in solar slalom and 3rd place in the technical report, Cedarville was named the 2004 World Champions! The team also received the Outstanding System Design Trophy. Details of the competition are posted at www.solarsplash.com.

Engineering

School of Engineering, Nursing, and Science

EGEE-3920 Electrical Engineering Internship 1-3 hours

An opportunity for an electrical engineering student to work closely with an industrial advisor. Specific attention is given to solving a particular problem(s) in that industry or firm. A faculty advisor assists in supervising and approving the internship, including assessing the number of credit hours. A final report (approximately seven pages per credit hour) describing the experience, including the problem and solution, is required. Must be arranged with faculty sponsor and work supervisor before starting and cannot be used to satisfy elective credit requirements. *Prerequisites: junior or senior engineering major status; faculty advisor's permission.*

EGEE-3950 Topics in Electrical Engineering 1-3 hours

Selected topics in electrical engineering at the 3000-level that will complement or extend existing 2000- and 3000-level courses or expose students to topics not taught in other courses; may be proposed by the engineering faculty or students. *Prerequisite: instructor's permission.*

EGEE-3980 1-3 hours Independent Study in Electrical Engineering

Opportunity to perform independent research or study in electrical engineering and allied fields of application. A formal proposal for study must be approved by the faculty advisor before registering for this course. Up to three credit hours of engineering electives can be satisfied by an equivalent number of independent-study hours. *Prerequisites: junior or senior engineering major status and faculty advisor's permission.*

EGEE-3990 1-3 hours Project Design in Electrical Engineering

An elective course for students to get academic credit for extracurricular design work in computer engineering; project may be related to a design competition, ministry, industry, or personal interest. Cannot be used to satisfy engineering elective requirements. *Prerequisite: instructor's permission.*

EGEE-4110 Digital Signal Processing-Fa 2 hours

Introduction to digital signal processing with emphasis on FIR and IIR filter design, application of Z-transforms and Fourier Transforms, spectral analysis, realization and frequency response of discrete-time systems, and properties and design of FIR and IIR filters with infinite and finite word-length

A recent addition to the annual Cardboard Canoe Challenge for students taking the Introduction to the Engineering Profession course is the "King of The Lake Demolition Dunking Derby." Teams that are successful in crossing the lake in the timed race are eligible to compete. The goal is to sink an opposing canoe by ramming into it. Winners of the Demolition Dunking Derby receive a trophy declaring them "King (or Queen) of the Lake."

processors. Filter designs are implemented in Matlab. Design project required. *Prerequisites: EGEE-3110 Linear Systems; EGCP-1310 Algorithmic Programming or equivalent.*

EGEE-4250 CMOS VLSI Design-Sp 3 hours

Introduction to CMOS VLSI design with emphasis on circuit analysis, modeling, mask layout, simulation, and design verification; both theoretical concepts and CAD tools are used together for circuit design and verification. Three lecture hours per week with integrated laboratory. *Prerequisite: EGEE-3210 Electronics I.* (Fee: \$50) (even years)

EGEE-4330 3 hours Advanced Communications and Networks-Sp

Analysis of the performance of analog and digital communication systems and networks in the presence of noise, M-ary signals, signal space concepts, orthogonal signals, and introduction to communication networks. *Prerequisite: EGEE-3330 Communications Theory. Corequisite: EGEE-3370 Probability and Random Processes for Engineers or instructor's permission.*

EGEE-4410 Feedback Control Systems-Fa 4 hours

Introduction to the analysis and design of analog feedback control systems with emphasis on modeling, transfer functions, root locus, frequency response, Bode plots, Nyquist Criterion, stability, compensator design for performance and robustness, PID, phase-lead, phase-lag, lead-lag, and performance indices. Three lecture hours and one two-hour laboratory or recitation per week. Design project required. *Prerequisite: EGEE-3110 Linear Systems.* (Fee: \$100)

EGEE-4450 Digital Control Systems-Sp 3 hours

Introduction to analysis and design of discrete-time sampled-data control systems, signal sampling, A/D and D/A conversion, quantization, application of Z-domain transfer function techniques, transient response, frequency response, stability and performance of computer controlled systems, digital compensation, and controller design. Design project required. *Prerequisite: EGEE-4410 Feedback Control Systems.* (Fee: \$50)

EGEE-4510 Power Systems-Sp 3 hours

Principles of electrical power generation, transmission, and distribution, three-phase power circuits, power system analysis, load flow, symmetrical components, fault currents, system protection, and stability. *Prerequisite: EGEE-3310*

Electromagnetics. (Fee: \$50) (even years)

EGEE-4810 4 hours Electrical Engineering Senior Design I-Fa

Design and development of electronic products to meet specific requirements using the top-down design method. Introduction to serial communication design, design for reliability, product cost and safety, environmental issues, project management, electronic design tools, prototype methods, noise analysis in data conversion, and circuit-board layout. Student teams prepare a project proposal, design and prototype electronic subsystems using analog and digital integrated circuits and microcontrollers, use computerized design tools, and conduct design reviews. Three lecture hours and one two-hour lab per week. *Prerequisites: EGEE-3220 Electronics II; EGCP-2110 Microprocessors; EGEE-3110 Linear Systems; senior status in electrical engineering.* (Fee: \$100)

EGEE-4820 4 hours Electrical Engineering Senior Design II-Sp

Continuation of EGEE-4810 implementing the top-down design method. Students design, build, and test a working electronic product to meet specific requirements within budget. Engineering time, team management costs, and component

costs are incorporated into the total cost and grade for the final product. Formal design reports and presentations required.

Two three-hour laboratories per week. *Prerequisite:* EGEE-4810 *Electrical Engineering Senior Design I.* (Fee: \$100)

EGEE-4950 **1-3 hours**
Advanced Topics in Electrical Engineering

Selected topics in electrical engineering at the 4000-level that expand the depth of existing 3000- and 4000-level courses or expose the students to advanced concepts not taught in other courses; topics may be proposed by the engineering faculty or students. *Prerequisite:* instructor's permission.

Mechanical Engineering Courses

EGME-1810 Engineering Graphics–Fa **1 hour**

Introduction to basic techniques of sketching, drawing, dimensioning, multiple views, sectioning, multi-view projections, and pictorial views. Introduction to commercial software for three-dimensional solid modeling and preparing engineering drawings. (Fee: \$25)

EGME-1820 Solid Modeling–Sp **1 hour**

Advanced techniques using a PC and commercial solid-modeling software to create three-dimensional solid models; techniques of solid modeling including extrusions, cuts, lofting, sweeps, drawing generation and assemblies. Includes bill of material management, sheet metal, and mold design.

Prerequisite: EGME-1810 *Engineering Graphics.* (Fee: \$25)

EGME 2050 Computational Methods–Sp **4 hours**

Introduction to computer programming and the numerical methods for solving roots of equations, simultaneous linear algebraic equations, ordinary differential equations, integration, introduction to finite-difference approximations, and least-squares curve fits. *Pre- or Corequisites:* MATH-2710 *Calculus III;* MATH-2740 *Differential Equations.*

EGME-2310 Manufacturing and Finance–Fa **3 hours**

Introduction to the fundamentals of manufacturing and contemporary materials processing, molding, casting, forming, machining, inspection techniques, and quality assurance. Applications to the time value of money, break-even and payback analysis, and economic analysis of engineering alternatives.

Prerequisite: EGME-2410 *Properties of Engineering Materials.*

EGME-2410 Properties of Engineering Materials–Sp **4 hours**

Introduction to the properties of metallic, ceramic, polymeric, and composite materials; plastic deformation, strengthening, fracture, fatigue, corrosion, diffusion, equilibrium and nonequilibrium processes, phase diagrams, electrical and magnetic properties, and application to materials selection. Three lecture hours and one two-hour laboratory per week.

Prerequisite: EGME-2530 *Statics and Mechanics of Materials.* (Fee: \$100)

EGME-2510 Statics–Fa **3 hours**

Introduction to analyzing forces in isolated and connected rigid-body systems; vector analysis, forces, moments, resultants, two- and three-dimensional equilibrium, centroids, moment of inertia, friction, trusses, frames, and machines. Design project required.

Prerequisites: EGME-1810 *Engineering Graphics;* PHYS-2110 *General Physics I;* MATH-1720 *Analytical Geometry and Calculus II.* (Fee: \$10)

EGME-2530 Statics and Mechanics of Materials–Fa **5 hours**

Introduction to analyzing forces in isolated and connected rigid-body systems; vector analysis, forces, moments, resultants, two- and three-dimensional equilibrium, centroids, distributed loading, moment of inertia, friction, trusses, frames, and

machines. Introduction to the theoretical and experimental analysis of deformable bodies subject to applied loads; normal and shear stress and strain, strain energy, torsion, stresses in beams, deflection of beams, combined stress, stress transformation, failure theories, and buckling of columns. Design project required. *Prerequisites:* EGME-1810 *Engineering Graphics;* PHYS-2110 *General Physics I;* MATH-1710 *Calculus I.* (Fee: \$25)

EGME-2630 Dynamics–Sp **3 hours**

Introduction to kinematic and kinetic analysis of particles, systems of particles, and rigid bodies; position, velocity, acceleration, non-rotating and rotating frames of reference, Newton's laws, work, energy, impulse, momentum, conservative and non-conservative systems, and vibration of single-degree-of-freedom systems. Design project required. *Prerequisite:* EGME-2510 *Statics* or EGME-2530 *Statics and Mechanics of Materials.* *Pre- or Corequisite:* MATH-2740 *Differential Equations.* (Fee: \$10)

EGME-3010 **2 hours**
Mechanical Engineering Laboratory I–Fa

Experiments using the wind tunnel, engine test cell, testing machines in the mechanics laboratory, vibrations laboratory, fluids laboratory, refrigeration laboratory, and heat transfer laboratory are conducted. Students measure mechanical phenomena such as acceleration, force, pressure, temperature, strain, fluid flow, viscosity, and heat transfer using transducers, instrumentation, and PC-based data acquisition. Students design some of the experiments. Two two-hour laboratories per week. *Prerequisites:* EGME-2630 *Dynamics;* EGEE-2050 *Circuits and Instrumentation.* *Corequisites:* EGME-3110 *Thermodynamics;* EGME-3210 *Fluid Mechanics.* (Fee: \$100)

The 2003 Home Fire-Fighting Robot team designed and built an autonomous robot that was able to overcome floor obstacles and navigate around furniture in the rooms while on a "seek and put-out-the-fire" mission. The robot's main components included two battery-powered servo motors, seven distance sensors, one flame sensor, one micro-controller, and one large Field Programmable Gate Array. At the international competition in Hartford, Connecticut, the Cedarville team took 1st place in the college division. Faculty advisor, Dr. Clint Kohl, entered a robot in the most advanced division and took fourth place.

Engineering

School of Engineering, Nursing, and Science

EGME-3020 Mechanical Engineering Laboratory II–Sp Continuation of EGME-3010. Two two-hour laboratories per week. <i>Prerequisite:</i> EGME-3010 <i>Mechanical Engineering Laboratory I.</i> <i>Corequisite:</i> EGME-3150 <i>Heat Transfer.</i> (Fee: \$100)	2 hours	<i>applicability. Prerequisite:</i> EGME-2410 <i>Properties of Engineering Materials.</i>
EGME-3050 Introduction to Finite Element Analysis–Sp Introduction to basic components of the finite element method including element selection, shape functions, strain-displacement and stress-strain relations, formulation of the stiffness matrix for 1-D, 2-D, and 3-D elements, linear strain and isoparametric formulations, application of boundary conditions, and interpretation of results; application to 2-D and 3-D problems and experience using a commercial code. <i>Prerequisites:</i> EGME-2050 <i>Computational Methods;</i> EGME-2530 <i>Statics and Mechanics of Materials.</i> (Fee: \$25)	3 hours	EGME-3610 Kinematics and Design of Machines–Sp Introduction to the analysis and synthesis of motion in planar mechanisms and linkages; velocity and acceleration analysis, cam design, gears, simple and compound gear trains, computer solution and simulation. Design project required. <i>Prerequisite:</i> EGME-2630 <i>Dynamics.</i> (Fee: \$40)
EGME-3110 Thermodynamics–Fa Introduction to engineering thermodynamics, properties of pure substances, work, heat, first and second laws of thermodynamics, energy, enthalpy, and entropy. Specific application to power, refrigeration cycles, and combustion processes. <i>Prerequisites:</i> CHEM-1050 <i>Chemistry for Engineers;</i> PHYS-2120 <i>General Physics II;</i> MATH-2710 <i>Calculus III.</i>	5 hours	EGME-3850 Mechanical Design–Sp Further development of load determination, stress, strain, deflection and failure theories; integration of an iterative problem solver in the design process; and analysis of fatigue failure. Introduction to the design of mechanical components including shafts, keys, couplings, bearings, gears, springs, and fasteners. <i>Prerequisite:</i> EGME-2410 <i>Properties of Engineering Materials.</i> <i>Corequisites:</i> EGME-3020 <i>Mechanical Engineering Laboratory II;</i> EGME-3610 <i>Kinematics and Design of Machines.</i> (Fee: \$25)
EGME-3130 Internal Combustion Engines–Sp Introduction to internal combustion engines, fuel-air cycles, engine simulation, emissions, engine performance and alternative fuels. <i>Prerequisites:</i> EGME-2630 <i>Dynamics;</i> EGME-3110 <i>Thermodynamics.</i>	3 hours	EGME-3920 Mechanical Engineering Internship An opportunity for a mechanical engineering student to work closely with an industrial advisor. Specific attention is given to solving a particular problem(s) in that industry or firm. A faculty advisor assists in supervising and approving the internship, including assessing the number of credit hours. A final report (approximately seven pages per credit hour) describing the experience, including the problem and solution, is required. Must be arranged with faculty sponsor and work supervisor before starting and cannot be used to satisfy elective credit requirements. <i>Prerequisites:</i> junior or senior engineering major status; faculty advisor's permission.
EGME-3150 Heat Transfer–Sp Introduction to conduction, convection, and radiation heat transfer in one and two dimensions; free and forced convection, analytical and computational techniques applied to Fourier's Law of conduction, Newton's Law of cooling, and Stefan-Boltzman's Law of thermal radiation. A heat exchanger design project is required. <i>Prerequisites:</i> EGME-3110 <i>Thermodynamics;</i> EGME-3210 <i>Fluid Mechanics.</i> <i>Corequisite:</i> EGME-2050 <i>Computational Methods.</i>	3 hours	EGME-3950 Topics in Mechanical Engineering Selected topics in mechanical engineering at the 3000-level that will compliment or extend present 2000- or 3000-level courses or expose students to topics not taught in other courses; may be proposed by the engineering faculty or students. <i>Prerequisite:</i> instructor's permission.
EGME-3170 Thermal Systems Introduction to engineering thermodynamics, properties of pure substances, work, heat, enthalpy, and first law of thermodynamics. Introduction to conduction and convection modes of heat transfer. <i>Prerequisites:</i> PHYS-2120 <i>General Physics II;</i> CHEM-1050 <i>Chemistry for Engineers;</i> MATH-2740 <i>Differential Equations.</i>	2 hours	EGME-3980 Independent Study in Mechanical Engineering Opportunity to perform independent study or research in the various branches of engineering and allied fields of application. A formal proposal for study must be approved by the faculty advisor before registering for this course. Up to three credit hours of engineering electives can be satisfied by an equivalent number of hours of independent study. <i>Prerequisites:</i> junior or senior engineering major status; faculty advisor's permission.
EGME-3210 Fluid Mechanics–Fa Introduction to fluid properties, fluid statics, and the concepts, definitions, and basic equations for subsonic fluid dynamics; Navier-Stokes equation, viscous and inviscid fluid flows, potential flow analysis, boundary layers, laminar and turbulent flows, analytical and computational solutions, vector fields, and finite-integral-control-volume method. <i>Prerequisites:</i> MATH-2710 <i>Calculus III;</i> MATH-2740 <i>Differential Equations.</i>	3 hours	EGME-3990 Project Design in Mechanical Engineering An elective course for students to get academic credit for extracurricular design work in mechanical engineering; project may be related to a design competition, ministry, industry, or personal interest. Cannot be used to satisfy engineering elective requirements. <i>Prerequisite:</i> instructor's permission.
EGME-3430 Principles of Physical Metallurgy Introduction to the physical and mechanical properties of metals and alloys; crystal structure, phase equilibria, defects, strengthening mechanisms, and kinetics of reactions. <i>Prerequisite:</i> EGME-2410 <i>Properties of Engineering Materials.</i>	3 hours	EGME-4050 Finite Difference Methods In Engineering Finite-difference approximations for derivatives and differential equations applied to solve engineering problems; consistency, stability, truncation error, and introduction to grid generation. <i>Prerequisites:</i> EGME-2050 <i>Computational Methods;</i> MATH-2710 <i>Calculus III.</i>
EGME-3450 Plastic and Composite Materials Introduction to the properties and processing of plastics, resins, and adhesives; rheology, creep-deformation history, and injection molding. Fiber-reinforced, carbon-carbon, and metal-matrix composites are analyzed for strength, anisotropy, and	2 hours	EGME-4160 Radiation and Solar Energy Introduction to the fundamentals of radiation heat transfer including shape factors, wave-length dependence, and material properties. Applications to solar energy engineering and design problems. <i>Prerequisite:</i> EGME-3150 <i>Heat Transfer.</i>

EGME-4250 Propulsion **2 hours**

Introduction to the principles of thrust production, compressible flow of gases, thermodynamics of jet propulsion systems, and parametric performance analysis of jet engines. *Prerequisites:* EGME-3110 Thermodynamics; EGME-3210 Fluid Mechanics.

EGME-4270 Compressible Fluid Flow **2 hours**

Introduction to the compressible flow of gases in engineering systems; isentropic flow in variable-area passages, shock and expansion waves; and flow with wall friction and heat transfer. *Prerequisites:* EGME-2050 Computational Methods; EGME-3110 Thermodynamics; EGME-3210 Fluid Mechanics.

EGME-4410 Introduction to Fracture Mechanics **3 hours**

Introduction to failure modes caused by static and dynamic loading, brittle fracture criteria, elastic behavior, stress fields around cracks, fatigue failure, stress corrosion cracking, and strain hardening mechanisms. *Prerequisite:* EGME-2410 Properties of Engineering Materials.

EGME-4530 Advanced Mechanics of Materials–Fa **3 hours**

Advanced treatment of stress and strain including coordinate transformations, the eigenvalue problem, Mohr's circle and linear constitutive equations. Failure theories and energy methods, including Castigliano's theorems, are studied; applications to classical topics including analysis of beams with non-symmetrical sections, non-circular torsion, thin-wall beams, and beams on elastic foundations. *Prerequisite:* EGME-2530 Statics and Mechanics of Materials.

EGME-4610 Dynamics of Machines **3 hours**

Dynamic analysis of machines and mechanisms; Newton's laws of motion, energy methods, force analysis, shaking forces, static and dynamic balancing, engine dynamics, multi-cylinder engines, and cam dynamics. *Prerequisite:* EGME-3610 Kinematics and Design of Machines.

EGME-4660 Principles of Automatic Controls–Fa **3 hours**

Introduction to theoretical and experimental analysis of classical analog feedback control systems with emphasis on modeling, transfer function formulation, frequency response, root locus, Bodé plots, stability, and compensator design. Three lecture hours and one two-hour laboratory or recitation per week; design project required. *Prerequisite:* EGEE-2050 Circuits and Instrumentation. (Fee: \$100)

EGME-4710 Vibrations **3 hours**

Free and forced vibrations of mechanical systems having lumped mass and elasticity, single and multiple degree-of-freedom systems, matrix formulation, eigenvalues and eigenvectors, normal mode theory, Laplace Transform, dissipative systems, introduction to random, continuous, nonlinear vibrations, and engineering applications. *Prerequisite:* EGME-2630 Dynamics. (Fee: \$15)

EGME-4720 Vibrations Lab **1 hour**

Laboratory experiments to demonstrate and support EGME-4710 Vibrations; function and calibration of instrumentation and motion detection transducers, measuring the frequency response and impulse response function, electrodynamic shakers, instrumentation, Fast Fourier Transform, spectral analysis, and experience using a commercial FFT analyzer. One two-hour laboratory per week. *Pre- or Corequisite:* EGME-4710 Vibrations. (Fee: \$100)

EGME-4750 **3 hours**

Random Vibrations and Signature Analysis

Introduction to vibration analysis of discrete and continuous systems to random excitation, harmonic vibration, transient response, convolution integral, Laplace and Fourier Transform, Discrete Fourier Transform, Fast Fourier Transform, random variables, coherence, correlation, auto- and cross-correlation,

power spectral density, transfer function, and modal analysis; experience using a commercial FFT analyzer. Design project required. *Prerequisite:* EGME-4710 Vibrations. (Fee: \$100)

EGME-4810 **3 hours**

Mechanical Engineering Senior Design I–Fa

This is the senior capstone design project for mechanical engineers. Student teams work independently on a design project to find a solution consistent with stated specifications using principles studied in previous courses. Work in this semester includes writing the proposal and performing background research and preliminary design. Students conduct a mid-term design review and end-of-semester oral and written presentation. Projects are advised by a faculty committee; course includes weekly written progress reports and meetings with the faculty project advisor. *Prerequisites:* EGME-3850 Mechanical Design; EGME-3610 Kinematics and Design of Machines; EGME-3150 Heat Transfer; EGME-3020 Mechanical Engineering Lab II; and senior status. (Fee: \$100)

EGME-4820 **3 hours**

Mechanical Engineering Senior Design II–Sp

A continuation of EGME-4810, emphasizing detailed design, prototyping, troubleshooting, design modifications, project completion, reporting, and oral presentation. Students submit written progress reports and attend meetings each week with the faculty project advisor, conduct an oral presentation, and prepare the final report. *Prerequisite:* EGME-4810 Mechanical Engineering Senior Design I. (Fee: \$100)

EGME-4950 **1-3 hours**

Advanced Topics in Mechanical Engineering

Selected topics in mechanical engineering at the 4000-level that expand the depth of existing 3000- and 4000-level courses or expose the students to advanced concepts not taught in other courses. Topics may be proposed by the engineering faculty or students. *Prerequisite:* instructor's permission.

Every year, the sophomore engineering students participate in the mechanics class competitions. The Dynamics class of Spring 2004 designed and built a baseball catcher, using only coffee-stirring sticks and 1.25 ounces of Elmer's glue. The catcher had to span a 20-inch support and catch a baseball dropped from 15 feet. Shown above are the first place winners Josh Parker and Daniel Gallagher, who built the lightest-weight successful catcher.

Exercise and Sport Science

School of Health and Human Performance

Purpose Statement

The Department of Exercise and Sport Science seeks to:

1. Provide a program that will promote the physical, intellectual, and spiritual development of each individual through the medium of physical activity.
2. Develop an awareness of the Christian's stewardship responsibility with regard to the care and use of the body.
3. Provide experiences and instruction that will help develop Christ-like attitudes and actions in and through sports, games, self-testing activities, aquatics, and lifetime recreational pursuits.
4. Prepare students for careers in exercise science, teaching physical education or health, sport management, coaching, recreation, health promotion, or other related fields.

Personal Requirements

Students planning to pursue a major within the Department of Exercise and Sport Science are best prepared in high school by taking a college preparatory curriculum. Students planning to pursue a multi-age physical education major should take as many physical education courses as possible. Those considering majors in exercise science should take biology, chemistry, physics, and mathematics courses at least through Algebra II. Business courses such as accounting and economics are good preparation for students considering a major in sport management.

Department Requirements

Once students declare a major within the Department of Exercise and Sport Science, they are expected to maintain a high level of personal physical fitness. A semi-annual 1 1/2 mile run is used to evaluate the status of the student's fitness.

For information regarding specific program requirements, see page 78 for the Department of Education admission and retention requirements.

Programs of Study

The Department of Exercise and Sport Science offers the following programs of study:

Majors

- Exercise Science
- Multi-Age Physical Education (certification for teaching pre-K to 12)
- Physical Activity and Sport Studies
- Sport Management

Minors

- Coaching
- Health Promotion
- Multi-Age Health Education (certification for teaching pre-K to 12)

Co-Curricular Opportunities

The Department of Exercise and Sport Science has several opportunities for students to increase their professional skills and awareness, including:

- Exercise science majors – Membership in American College of Sports Medicine (ACSM) and the Alliance of Health and Fitness Professionals membership program
- Multi-age physical education and Physical Activity and Sport Studies majors – Membership in American Alliance for Health, Physical Education, Recreation, and Dance (AAHPERD)
- Sport management majors – Membership in North American Society for Sport Management (NASSM)

Career Opportunities

Graduate and professional schools welcome Cedarville graduates. Careers pursued by graduates include:

- Administrator of youth activities and youth organizations
- Athletic director
- Coach
- College professor
- Community health opportunities
- Exercise physiologist
- Exercise specialist
- Fitness and recreation management
- Health teacher (pre-K to 12th grade)
- Personal trainer
- Professional athletic team management
- Physical education teacher (pre-K to 12th grade)
- Sport marketing and promotion
- Sport ministry organization management

Faculty

John McGillivray, *Chairman*: Associate Professor of Exercise and Sport Science. Coach, women's soccer; NAIA Hall of Fame, 1993. *Education*: B.S., Cedarville University, 1970; graduate study, Wright State University, 1972-74; M.S., University of Dayton, 1976. At Cedarville since 1974.

Benson Belleman, Assistant Professor of Exercise and Sport Science. Coach, men's soccer. *Education*: B.A., Cedarville University, 1979; M.A., University of Akron, 1990. At Cedarville since 2001.

Jeffrey Bolender, Assistant Professor of Exercise and Sport Science. Coach, men's and women's track and field. *Education*: B.A., Cedarville University, 1991; M.S., Baylor University, 1996. At Cedarville since 2001.

Teresa Clark, Assistant Professor of Exercise and Sport Science. Coach, women's volleyball. NCCAA National Volleyball Chair. *Education*: B.A., Cedarville University, 1975; M.S., Indiana University, 1986. At Cedarville since 1996.

April Crommett, Assistant Professor of Exercise and Sport Science. *Education*: B.S., Mississippi State University, 1991; M.S., Memphis State University, 1993; Ph.D., The University of Mississippi, 2000. ACSM Certified Health Fitness Instructor. At Cedarville since 2003.

Kathleen Freese, Assistant Professor of Exercise and Sport Science. *Education*: B.S., Bowling Green State University, 1971; M.Ed., Bowling Green State University, 1981. At Cedarville since 1991.

Pamela Diehl Johnson, *Dean*: School of Health and Human Performance. Senior Professor of Exercise and Sport Science. Coach, women's tennis; member, NAIA Women's Tennis National Tournament Committee; member, Executive Committee, Greene County Special Olympics; NCCAA National Tennis Chair; coauthor, *Physical Fitness and the Christian*. *Education*: B.S., University of Dayton, 1970; M.A., The Ohio State University, 1971; Ph.D., The Ohio State University, 1974. At Cedarville since 1974.

Elvin King, Associate Professor of Exercise and Sport Science. Coach, women's cross country; founder, NCCAA National Track Meet; NCCAA Hall of Fame, 1993. *Education*: B.S., Kent State University, 1964; M.Ed., Bowling Green State University, 1967. At Cedarville since 1969.

Kirk Martin, Assistant Professor of Exercise and Sport Science. Coach, women's basketball. *Education*: B.A., Cedarville University, 1976; M.S., University of Dayton, 1981. At Cedarville since 2001.

Paul Orchard, Assistant Professor of Exercise and Sport Science. Coach, men's cross country; Assistant Coach, men's and women's track and field. *Education*: B.S., Taylor University, 1983; M.A., Miami University, 1986. At Cedarville since 1993.

Exercise and Sport Science

School of Health and Human Performance

Elizabeth Shearer, Instructor of Exercise and Sport Science. *Education*: B.A., Cedarville University, 1980. At Cedarville since 1979.

W. Ray Slagle, Assistant Professor of Exercise and Sport Science. Coach, men's basketball. *Education*: B.S., Bob Jones University, 1971; M.S., Eastern Michigan University, 1979. At Cedarville since 2000.

Donald Callan, Professor Emeritus of Exercise and Sport Science. Founder, Missions Involvement Services (MIS); NAIA District 22 "Administrator of the Year," 1987-89; NAIA Hall of Fame, 1990. *Education*: B.S., Taylor University, 1955; M.A., Ball State Teachers College, 1960; Ph.D., The Ohio State University, 1968. At Cedarville since 1960.

Exercise Science

The **exercise science major** prepares students for careers in exercise physiology, cardiac rehabilitation, biomechanics, or personal fitness services, or as an exercise specialist in corporate or private fitness centers and sports medicine clinics. This program is excellent preparation for graduate or professional schools.

Course requirements involve 66 semester hours including:

BUS-2100 Business Communication	3
ESS-1350 Foundations of Exercise and Sport Science	2
ESS-1400 First Aid and Safety Education	2
ESS-1550 Athletic Training Essentials	2
ESS-2380 Motor Learning and Development	3
ESS-3800 Sport Psychology	2
ESS-3890 Human Anatomy and Physiology for the Physical Educator	5
ESS-3900 Physiology of Exercise	3
ESS-3920 Biomechanics	2
ESS-3940 Structural Kinesiology	3
ESS-4600 Research in Athletic Training and Exercise Science	2
ESS-4900 Physical Education Senior Seminar	1
EXSC-2000 Worksite Observation	0
EXSC-3000 Exercise Science Practicum (1 hour each)	2
EXSC-3180 Legal Issues in the Sport Industry	3
EXSC-3860 Basic Exercise Testing	3
EXSC-3870 Basic Exercise Prescription	3
EXSC-4810 Organization and Administration of Exercise Science	3
EXSC-4880 Exercise Testing and Prescription for Special Populations	3
*EXSC-4990 Internship in Exercise Science	9-12
GMTH-1020 College Algebra	3
MAHE-1000 Introduction to the Health Profession	1
MAHE-3030 Nutrition for Health and Weight Control	2
MAHE-3100 Drug Education	3
PEF-1990 Physical Activity and the Christian Life	1

*Capstone Course

Required Cognate GSCI-1020 Principles of Physical Science

Exercise Science Major Curriculum Summary

Proficiency Requirements	0-5

Minors

The **coaching** minor prepares students to work as coaches in organized athletic programs at any level. Although formal education is not currently required of coaches, this particular program combines theoretical, scientific, and practical components to provide students with the knowledge and the skills they will need to succeed in this competitive yet rewarding area of service. The course requirements of the coaching minor make it a suitable complement to any major field of study offered by the University.

Course requirements for a minor in coaching involve 18 semester hours including:

CCHG-3670 Fundamentals of Coaching	3
CCHG-3680 Scientific Basis of Coaching	2
Select one course from CCHG-3700 through CCHG-3760 Coaching	2
CCHG-4950 Internship in Coaching	3
ESS-1400 First Aid and Safety Education	2
ESS-1550 Athletic Training Essentials	2
ESS-3800 Sport Psychology	2
ESS-3920 Biomechanics	2

The **health promotion** minor is a noncertificate area for those students not seeking K-12 teaching certification in health education. It is designed to prepare students for health promotion employment opportunities in educational, community, health agency, sport, and leisure settings. It complements the coursework in physical education, athletic training, business, exercise science, physical activity and sport studies or psychology. Students may also qualify to take the Certified Health Education Specialist exam, depending on particular course work chosen.

Course requirements for a minor in health promotion involve 21 semester hours including:

ESS-1400 First Aid and Safety Education	2
ESS-3890 Human Anatomy and Physiology for the Physical Educator	5
MAHE-1000 Introduction to the Health Profession	1
MAHE-1350 Foundations of Health Education	2
MAHE-2100 Personal Health Issues	3
MAHE-3030 Nutrition for Health and Weight Control	2
MAHE-3500 Community Health Concepts	2
PEF-1990 Physical Activity and the Christian Life	1
<i>One course selected from the following:</i>	
MAHE-4990 Health Promotion Internship	3
PYCH-1600 General Psychology	3
SOC-3710 Family and Society	3

The **multi-age health education** minor prepares students to teach health in Christian or public schools in grades pre-K to 12. The Ohio teaching license, through reciprocal agreements, is automatically recognized in 42 states. For additional information about teaching in other states, see the Department of Education section of this catalog. Because this program of study is not a major, students interested in health education must select an additional subject area as a major.

Course requirements involve 64 semester hours including:

<i>Health Education</i>	28
ESS-1400 First Aid and Safety Education	2
ESS-3890 Human Anatomy and Physiology for the Physical Educator	5

MAHE-1000 Introduction to the Health Profession	1
MAHE-1350 Foundations of Health Education	2
MAHE-2100 Personal Health Issues	3

MAHE-4610 Teaching Health	5
MAHE-4960 Field Experience in Health	4

Course Descriptions

General Education

PEF-1990 **Physical Activity and the Christian Life—Fa,Sp,Su** **1 hour**

Study of the role of physical activity in the Christian life from a scriptural, physiological, and psycho-sociological perspective. Emphasis is placed upon developing and continuing active, healthy, Christian life practices.

Activity Courses

PEAF-1110 Personal Exercise Program: Men **1 hour**
and PEAF-1290 Personal Exercise Program: Women **1 hour**

The personal exercise program courses are individually developed to meet the unique activity needs of students with physical disabilities or conditions that preclude them from being safely or effectively involved in physical education activity courses. *Departmental approval is required.*

PEA_-1240 through PEA_-2100 Courses **1-2 hours each**

Each course is designed to develop knowledge and skills in the respective activity area. Course requirements include examinations covering the activity subject, skills tests, class participation, and aerobics requirements. Grading options include letter grades or credit/no credit. These courses may be used by non-majors to satisfy the physical education component of the General Education Requirements and by majors to satisfy specific curricular requirements.

PEAE-1240 Self Defense: Women—Fa,Sp **1 hour**

PEAE-1300 Contemporary Aerobics: Women—Fa,Sp **1 hour**

PEAE-1320 Aquaerobics: Women (Fee: \$60)—Fa,Sp **1 hour**

PEAE-1400 Weight Training: Coed—Fa,Sp **1 hour**

PEAI-1430 Badminton: Coed—Fa,Sp **1 hour**

PEAI-1460 Bowling: Coed (Fee: \$15)—Fa,Sp **1 hour**

PEAI-1540 Golf: Coed (Fee: \$15)—Fa **1 hour**

PEAI-1550 Intermediate Golf: Coed (Fee: \$25)—Fa **1 hour**

PEAI-1600 Racquetball: Coed (Fee: \$15)—Fa,Sp **1 hour**

PEAI-1770 Tennis: Coed—Fa,Sp,Su **1 hour**

PEAI-1780 Advanced Tennis: Coed **1 hour**

Exercise and Sport Science

School of Health and Human Performance

PEAL-1420 Backpacking: Coed (Fee: \$30)—Fa,Sp	1 hour
PEAL-1510 Cycling: Coed —Fa	1 hour
PEAL-1610 Rock Climbing: Coed (Fee: \$125)—Fa	1 hour
PEAL-1620 Intermediate Rock Climbing: Coed (Fee: \$125)—Sp	1 hour
PEAR-2100 Rhythmics: Coed —Fa	1 hour
PEAS-1120 Tumbling: Coed —Sp	1 hour
PEAS-1130 Apparatus: Men —Sp	1 hour
PEAS-1140 Apparatus: Women —Sp	1 hour
PEAT-1020 Basketball: Coed —Fa,Sp	1 hour
PEAT-1050 Soccer: Coed —Fa,Sp	1 hour
PEAT-1820 Volleyball: Coed —Fa,Sp	1 hour
PEAT-1830 Advanced Volleyball: Coed	1 hour

Students choose from a wide range of activity courses, such as backpacking, to fulfill the required physical education activity elective.

PEAS-1700 Swimming I-Beginners: Coed —Fa	1 hour
Designed for nonswimmers or swimmers with minimal swimming background; introduces and develops three strokes: front crawl, back crawl, and elementary back. (Fee: \$35)	
PEAS-1720 Swimming II-Intermediate: Coed —Fa	1 hour
Focuses on refining the front crawl, back crawl, elementary backstroke, side stroke, and breast stroke. Emphasis on increased endurance and conditioning level. <i>Prerequisites:</i> PEAS-1700 Swimming I; American Red Cross Level IV certificate. (Fee: \$35)	
PEAS-1730 Swimming III-Advanced: Coed —Sp	1 hour
Designed for swimmers who have gained experience through lessons or competitive swimming. Course develops stroke proficiency for all strokes including the butterfly. Includes an introduction to training regimen for lifetime fitness. (Fee: \$35)	
PEAS-1740 Lifeguarding Today: Coed —Sp	2 hours
Provides lifeguards and lifeguard candidates with skills and knowledge necessary to keep the patron of an aquatic facility safe in and around the water. Teaching of lifeguarding skills and knowledge needed to prevent and respond to aquatic emergencies, preparing candidates to recognize emergencies, respond quickly and effectively to emergencies, and prevent drownings and other incidents. <i>Prerequisite:</i> age 15 or older; swim 500 yards continuously using front crawl, breast stroke, and side stroke; surface dive and submerge to a minimum depth of seven feet, retrieve a 10 pound object and return with it to the surface; tread water for two minutes using legs only. (Fee: \$120)	
PEAS-1750 Water Safety Instructor: Coed —Sp	2 hours
This course prepares, equips, and certifies individuals in American Red Cross swimming and water safety with the purpose of teaching water exploration, primary skills, stroke readiness, stroke refinement, skill proficiency, advanced skills, basic water safety, emergency water safety, and water safety instructor aide. (Fee: \$135) (even years)	

Coaching	
CCHG-3670 Fundamentals of Coaching —Fa	3 hours
Overview of the philosophy, psychology, organization, and general responsibilities of an athletic coach. Knowledge of motor learning and development and an overview of the organizational fundamentals of coaching for all the major sports. (even years)	
CCHG-3680 Scientific Basis of Coaching —Fa	2 hours
Practical study of physiological and kinesiological principles of training and their application to various sports. (odd years)	
CCHG-3700 through CCHG-3760 Coaching	2 hours each
Organization, skills, techniques, and strategies of the following sports:	
CCHG-3700 Coaching Volleyball —Sp (even years)	
CCHG-3720 Coaching Basketball —Fa (odd years)	
CCHG-3730 Coaching Track and Field and Cross Country —Sp (odd years)	
CCHG-3740 Coaching Softball and Baseball —Fa (even years)	
CCHG-3760 Coaching Soccer —Sp (odd years)	
CCHG-4950 Internship in Coaching —Fa,Sp	3 hours
Field experience at the University or a nearby high school involving actual coaching experience for a minimum of 100 hours. <i>Departmental approval is required. Credit/no credit.</i>	

Education	
ESED-2900 Health and Movement Education for the Young Child —Fa,Sp	2 hours
An investigation of current trends, methods of instruction, and curriculum design in health and physical education for early childhood classrooms, including review of appropriate Ohio models. Emphasis is given to the importance of nutrition, safety, and movement education for the young child, including a look at basic nutritional, health, and safety management, especially in relationship to childhood illnesses and communicable diseases. <i>Prerequisite:</i> EDUC-1000 <i>The Education Profession.</i>	

Exercise and Sport Science	
ESS-1350 Foundations of Exercise and Sport Science —Sp	2 hours
Orientation to the history, philosophy, and scope of modern exercise and sport science from a theistic perspective.	
ESS-1400 First Aid and Safety Education —Fa,Sp	2 hours
American Red Cross Standard First Aid and C.P.R. certificate may be granted at the end of the course. (Fee: \$30)	
ESS-1550 Athletic Training Essentials —Sp	2 hours
Principles of prevention, recognition, management, and rehabilitation of athletic injuries are presented for the student anticipating professional employment as a supervisor of individuals engaged in recreation and sport activities. (Fee: \$35)	
ESS-2380 Motor Learning and Development —Sp	3 hours
A study of the stages in motor development and the factors affecting the acquisition of motor skills and learning as it relates to motor skill acquisition. The course provides cognitive and psychomotor knowledge of fundamental locomotor, non-locomotor, and manipulative motor skills.	
ESS-3800 Sport Psychology —Sp	2 hours
Surveys the concepts and issues related to the human psyche in the context of sports and from a biblical perspective. <i>Prerequisite:</i> PSYCH-1600 <i>General Psychology, junior status, or permission of instructor.</i>	
ESS-3890 Human Anatomy and Physiology for the Physical Educator —Fa	5 hours
This course is designed to be a study of the structure and function of the human body from a Christian theistic perspective with particular emphasis on applications and understanding for physical educators. <i>Prerequisite:</i> BIO-1000 <i>Principles of Biology.</i>	

Exercise and Sport Science

School of Health and Human Performance

ESS-3900 Physiology of Exercise–Sp 3 hours

A study of the physiological processes of the body and how they are affected by and adapt to varying exercise conditions.

Prerequisite: BIO-2010 Human Anatomy and Physiology or ESS-3890 Human Anatomy and Physiology for the Physical Educator.

ESS-3920 Biomechanics–Fa 2 hours

Application of the facts and principles of basic physics to body movement, sports performance, and teaching of physical education skills. *Prerequisite:* GMTH-1020 College Algebra.

ESS-3940 Structural Kinesiology–Fa 3 hours

Application of physical laws and analysis of human movement with special reference to anatomical principles underlying human movement. *Prerequisites:* BIO-2010 Human Anatomy and Physiology or ESS-3890 Human Anatomy and Physiology for the Physical Educator.

ESS-4600 2 hours

Research in Athletic Training and Exercise Science–Fa

Designed to develop an appreciation for the importance of and need for quality research in athletic training and/or exercise science. Orientation to methods and procedures utilized, emphasizing basic principles of conducting research, and for interpreting and critically reviewing articles representative of the athletic training/exercise science domains. Capstone course for Athletic Training major.

ESS-4900 Physical Education Senior Seminar–Fa,Sp 1 hour each

A study of current issues in physical education and the implications of physical education and sport on society. Students will also study sport law and methods of research and evaluation. Students register for one hour each semester of their senior year. Capstone course.

Exercise and Sport Science Electives

ESSE-1350 Foundations of Sport Ministries–Sp

This introductory course will give an overview of sport ministries. It will explore the breadth of such a ministry as it attempts to establish a Biblical base for sports evangelism. It will also attempt to demonstrate the balance of a spirit-filled life and the impact it can have in reaching the world with the message of Christ through sports.

ESSE-2100 Wilderness Ministry–Su 3 hours

Preparation for and participation in a backpacking trip provides the backdrop for addressing the purpose, benefits, and effective use of the wilderness backpacking experience for maximum spiritual impact on both individuals and groups. Credit/no credit. *If prior arrangements are made for fulfilling the activity requirement, this course can fulfill the Physical Education General Education activity course requirement.* (Fee: \$340)

ESSE-2300 through ESSE-2320 Sports Officiating 2 hours

Lectures, reading, class discussions, and field experiences in officiating. Ohio High School Athletic Association certification may be earned in selected sports.

ESSE-2300 Basketball Officiating

ESSE-2310 Volleyball Officiating

ESSE-2320 Track and Field Officiating

ESSE-2810 Introduction to Camping–Sp 2 hours

The development and scope of camping including philosophies of centralized and decentralized camping, standards, administration, and basic campcraft skills. Special arrangement only. *This course does not fulfill the Physical Education General Education activity course requirement or the Outdoor Leisure requirement of the physical education major.* (Fee: \$40) (even years)

ESSE-2830 Recreational Leadership–Sp 2 hours

Survey of the recreational aspects of games and activities from a noncompetitive perspective. Small and large group activities are planned, such as new games and challenge initiatives to

enhance individual and group development and recognize group process and dynamics. Practical work in planning, implementing, and evaluating recreational programs for all ages in schools, youth group outings, Bible clubs, and camps are provided. (odd years)

Exercise Science

EXSC-2000 Worksite Observation–Fa,Sp,Su 0 hours

Students are required to arrange a field experience for five consecutive full days (minimum of 30 contact hours) in an exercise science work setting approved by their advisor where they can observe and participate in exercise science worksite activities. *Departmental approval and a follow-up report are required.* Credit/no credit.

EXSC-3000 Exercise Science Practicum–Fa,Sp 1 hour

This practicum is a minimum of 30 contact hours assisting or instructing in group aerobics, muscle strength conditioning instruction and workout supervision, muscle toning instruction and workout supervision, or personal training. *Departmental approval is required.* Credit/no credit.

EXSC-3180 Legal Issues in the Sport Industry–Sp 3 hours

This course will focus on the three major areas of law that have a direct impact on the management of sport: tort liability and risk management, contract law, and constitutional law.

EXSC-3860 Basic Exercise Testing–Fa 3 hours

This course includes guidelines and techniques of evaluation for basic fitness testing with emphasis on aerobic capacity, flexibility, strength, and body composition. Basic concepts of EKG interpretation, including electrode placement, arrhythmia, and electrophysiology, are introduced. The content is consistent with the skills necessary to prepare students for the American College of Sports Medicine health fitness instructor certification. *Prerequisites:* BIO-2010 Human Anatomy and Physiology or ESS-3890 Human Anatomy and Physiology for the Physical Educator; GMTH-1020 College Algebra. (Fee:\$15)

EXSC-3870 Basic Exercise Prescription–Sp 3 hours

This course stresses the scientific foundations of conditioning with specific attention to exercise programming using the components of frequency, duration, intensity, mode, and progression, for apparently healthy individuals. The content is consistent with the skills necessary to prepare students for the American College of Sports Medicine health fitness instructor certification. *Prerequisites:* EXSC-3860 Basic Exercise Testing. (Fee:\$15)

EXSC-4810 3 hours

Organization and Administration of Exercise Science–Fa

This course is designed to provide the knowledge and begin to develop the skills and abilities necessary to organize, administer, manage, promote, and deliver quality health/fitness programs effectively, safely, and efficiently, meeting the needs and desires of both the client and the employer. *Prerequisites:* ESS-1350 Foundations of Exercise and Sport Science; EXSC-2000 Worksite Observation; EXSC-3860 Basic Exercise Testing; EXSC-3870 Basic Exercise Prescription.

EXSC-4850 1-3 hours

Independent Study in Exercise Science–Fa,Sp

Independent study in the area of exercise science by students pursuing the exercise science major. *Departmental approval is required.*

EXSC-4880 3 hours

Exercise Testing and Prescription for Special Populations–Fa

This course will prepare exercise science students to do exercise testing and prescriptions for individuals who are either acutely or chronically distinct from the “apparently not at risk” adult population. These include individuals who are children, elderly, or pregnant, as well as those who have acute or chronic illness or disease conditions that might affect the testing

Exercise and Sport Science

School of Health and Human Performance

protocol or details of the exercise prescription. *Prerequisites:* ESS-1350 Foundations of Exercise and Sport Science; EXSC-2000 Worksite Observation; EXSC-3860 Basic Exercise Testing; EXSC-3870 Basic Exercise Prescription. (Fee: \$15)

EXSC-4990 Internship in Exercise Science—Fa,Sp 6-12 hours

This is an actual work experience in an exercise science setting for a minimum of 300 work hours for 9 credit hours and up to 400 work hours for 12 credit hours with a minimum of 30 work hours per week. Capstone course for Exercise Science major. Senior status and departmental approval is required. Credit/no credit (Fee \$35)

Multi-Age Health Education

MAHE-1000 1 hour

Introduction to the Health Profession—Fa

Introductory course for students planning career involvement in health and health-related professions. The students will be introduced to health careers by providing descriptions of jobs, the educational and legal requirements, the work environment, and additional information about specific fields.

MAHE-1350 Foundations of Health Education—Sp 2 hours

Orientation to the history, philosophy, and scope of modern health education from a theistic perspective.

MAHE-2100 Personal Health Issues—Sp 3 hours

This course will explore various health topics, including but not limited to emotional and mental well being, gerontological health issues, and death and dying. Course content may be revised to reflect changing health needs and priorities.

MAHE-3030 2 hours

Nutrition for Health & Weight Control—Fa

A study of the science of nutrition, together with the study of eating habit formation and modification for optimal wellness, presented from a Christian perspective.

MAHE-3070 Current Issues in Health—Sp 1 hour

Designed to explore, from a Christian perspective, health-related issues that challenge our society. This course recognizes the reality that there are “no easy answers” as ethics, technology, and economics merge to generate new dilemmas of increasing complexity every day.

MAHE-3100 Drug Education—Sp 3 hours

Students will investigate the physical, social, emotional, intellectual, and spiritual factors influencing consumer health behavior with specific application to use/misuse of dietary supplements and herbal preparations, prescription drugs, over-the-counter drugs, alcohol, stimulants, opiates, hallucinogens, and steroids.

MAHE-3130 School Health Program—Sp 3 hours

Analysis of the scope of the school health program, including health services, healthful school living, and health instruction.

MAHE-3500 Community Health Concepts—Fa 2 hours

Analysis of current community health problems and how solutions can be achieved in and through existing community health programs.

MAHE-4400 Health Education In-Service—Fa,Sp 0 hours

Students are required to organize and conduct a health fair or make a presentation on a health-related issue to other health professionals, parents, faculty, or school personnel at the site of their student teaching experience or on campus to faculty, staff, and students. Students will prepare the information and materials for the health fair and/or presentation as part of the course Community Health Concepts. *Departmental approval is required. Prerequisite: MAHE-3500 Community Health Concepts.* Credit/no credit.

MAHE-4610 Teaching Health—Fa 5 hours

This course provides methods of instruction with emphasis on the teacher's role in comprehensive school health education, including an introduction to the health status of youth, at-risk students, objectives for A Healthy People 2010, components of comprehensive school health education, the role of the teacher in school health services, and special health concerns of today's preschool children through post-secondary youth, as well as curriculum development, behavioral objectives, life skills, scope and sequence of learning, teaching strategies, philosophy of wellness, and responsible decision making. *Prerequisite: admission to the teacher education program.*

MAHE-4850 1-3 hours

Independent Study in Health Education—Fa,Sp

Independent study in the area of health education by students pursuing multi-age health education teaching licensure or a health promotion minor. *Departmental approval is required.*

MAHE-4960 Field Experience in Health Education—Fa,Sp 4 hours

An eight-week field experience, including the teaching of health. *Prerequisite: admission to the teacher education program.* Credit/no credit. (Fee: \$35)

MAHE-4990 Internship in Health Promotion—Fa,Sp 3 hours

This is an actual work experience in a health promotion setting for a minimum of 10 hours per week for a minimum of ten weeks. *Departmental approval is required.* Credit/no credit.

Multi-Age Physical Education

MAPE-1210 Team Sports—Fa 2 hours

Theory and practice in soccer, basketball, softball, baseball, volleyball, and novelty sports with attention given to various teaching methods, skills, and rules.

MAPE-2200 Individual and Dual Sports I—Fa 2 hours

Theory and practice in tennis, golf, archery, and bowling with attention to various teaching methods, skills, psychomotor skill development, and knowledge in rules, terminology, strategies, safety, and etiquette. (Fee: \$20)

MAPE-2210 Individual and Dual Sports II—Sp 2 hours

Theory and practice in badminton, racquetball, table tennis, and track and field with attention to various teaching methods, skills, psychomotor skill development, and knowledge in rules, terminology, strategies, safety, and etiquette. (Fee: \$15)

MAPE-3600 5 hours

Physical Education in the Elementary School—Sp

An overview of the place of physical education in the elementary school curriculum with an emphasis on the study of current program content design, teaching techniques, and types of evaluations, as well as modifying activities for the purpose of inclusion for the physically challenged.

Students learn how to promote physical, intellectual, and spiritual development through the medium of physical activity.

Exercise and Sport Science

School of Health and Human Performance

MAPE-4500 **3 hours**
Curriculum Development in Physical Education—Fa

Overview of the curriculum process in physical education, specifically giving attention to the theoretical base, process of curriculum design, and curriculum development for elementary through high school educational programs.

MAPE-4850 **1-3 hours**
Independent Study in Physical Education—Fa,Sp

Independent study by major students of advanced standing toward the understanding and appreciation of problems in physical education. This course gives students an opportunity to develop skills in the use of literature and in the appropriate techniques of problem solving. *Departmental approval is required.*

MAPE-4950 **3 hours**
Methods of Teaching Physical Education—Fa

This course provides the study of methods of instruction and practice and the study of planning and implementing units of instruction, as well as evaluating the effectiveness of various teaching strategies for teaching physical education at the secondary level. Also included is the study of understanding and developing assessment techniques in physical education and developing strategies for working with handicapped students. *Prerequisite: admission to the teacher education program.*

MAPE-4960 Field Experience—Fa **4 hours**

An eight-week field experience taken in conjunction with MAPE-4950 Methods of Teaching Physical Education. *Prerequisite: admission to the teacher education program.* Credit/no credit. (Fee: \$35)

MAPE-4970 **2 hours**
**Field Experience in Physical Education—
 Special Populations—Fa,Sp**

A five-week adapted physical education teaching field experience taken in conjunction with EDSE-4900 Student Teaching and Seminar: Adolescent/Young Adult that seeks to provide the opportunity for application of adapted physical education content and theory studied in MAPE-3600 Physical Education in the Elementary School and MAPE-4950 Methods of Teaching Physical Education. *Prerequisites: admission to the teacher education program; MAPE-4950 Methods of Teaching Physical Education; MAPE-4960 Field Experience.* (Fee: \$35)

Physical Activity and Sport Studies

PASS-4990 **3-6 hours**
Internship in Physical Activity and Sport Studies—Fa,Sp

This is a work experience in a physical activity and sport studies setting for a minimum of 100 work hours for 3 credit hours and up to 200 work hours for 6 credit hours with a minimum of 20 work hours per week. Capstone course for physical activity and sport studies major. Senior status and departmental approval are required. Credit/no credit (Fee \$35)

PASS-4995 **3-6 hours**
Senior Research Project in Physical Activity and Sport—Fa,Sp

The senior research project is recommended for those students planning to go to Graduate School or those interested in doing a significant research project. The proposal for the Senior Project will be submitted not later than the mid-term of the semester prior to the term of attendance in this course and will be reviewed and challenged or approved by a committee consisting of the student's advisor, project coordinator, the Department Chair, and the School Dean. The results of the project will be presented formally to student peers and department faculty. Capstone course for physical activity and sport studies major. *Prerequisite: ESS-4600 Research in Athletic Training and Exercise Science or a comparable research course in their minor; senior status and departmental approval is required.* Credit/no credit (Fee \$35)

Sport Management

SMGT-1000 Sport Management Practicum—Fa,Sp **1 hour**

An on-campus sport management opportunity for students in the sport management major to be involved in a variety of activities compatible with athletic and recreational sporting events and experiences. A minimum of 30 hours is required for each practicum. *Prerequisites: SMGT-1350 Introduction to Sport Management; departmental approval.* Credit/no credit.

SMGT-1350 Introduction to Sport Management—Sp **3 hours**

This course is designed to introduce the student to the dynamic nature of sport management and the potential for successful and satisfying career opportunities.

SMGT-3180 Legal Issues in the Sport Industry—Sp **3 hours**

This course will focus on the three major areas of law that have a direct impact on the management of sport: tort liability and risk management, contract law, and constitutional law.

SMGT-3610 Marketing in the Sport Industry—Sp **3 hours**

This course will present the following concepts of sport marketing: definition of sport marketing and unique characteristics, the marketing management process, and identification and analysis of consumers.

SMGT-3810 **3 hours**

Organization and Administration of Sports and Athletics—Fa

Study of current issues, management techniques, and programming concepts as utilized in the administration of athletics, intramurals, and recreational sports.

SMGT-4660 **3 hours**

Promotion and Public Relations in the Sport Industry—Fa

A study of the various ways to promote sport to the public in a professional and ethical manner.

SMGT-4850 **1-3 hours**

Independent Study in Sport Management—Fa,Sp

Independent study in the area of sport management by students pursuing the sport management major. *Departmental approval is required.*

SMGT-4990 Internship in Sport Management—Fa,Sp **12 hours**

This is an actual work experience in a sport management setting for a minimum of 40 hours per week for a minimum of twelve weeks. Capstone course for sport management major. *Departmental approval is required.* Credit/no credit. (Fee: \$35)

Advanced hands-on experience helps exercise and sport science majors to develop skills needed for careers regarding care and use of the body.

Interdisciplinary Studies

Purpose Statement

Interdisciplinary programs at the University are designed to encourage the thinking, research, and applications that help students understand the interrelationships among disciplines that are characteristic of a true liberal arts education. Drawing from several academic disciplines, these programs promote learning that broadens and deepens the student's view of knowledge and the world as a whole.

Personal Requirements

Students who choose interdisciplinary programs typically possess a unique love for learning. They desire to know about many areas and enjoy discovering the relationships between the various academic disciplines, that comprise the body of knowledge. Though most college preparatory curricula provide a good measure of breadth through their coverage of the basic disciplines, students interested in interdisciplinary programs should choose electives that sharpen their thinking skills and expand their intellectual horizons. Advanced high school courses in writing, literature, mathematics, science, economics, world history, or social science are recommended.

Although background in foreign language is not required for admission to the programs, foreign language competency is necessary for effective international service. Consequently, two or more units of foreign language in high school are strongly recommended.

Programs of Study

The University offers the following interdisciplinary programs:

- Honors Program
- Individualized Studies
- International Studies, with the following concentrations:
 - Global Economics and International Business
 - Missiology
 - Social Science
- Reserve Officers Training Corps (ROTC)
 - Air Force
 - Army

Co-Curricular Opportunities

Tau Delta Kappa provides an opportunity for fellowship, ministry, exchange of ideas, and support of students involved in the honors program. TDK students also tutor school children in the Cedarville area.

Career Opportunities

Graduate and professional schools welcome Cedarville graduates. Careers pursued by graduates include:

- Diplomat
- Government worker
- International relations
- Military officer
- Missionary

College Studies Course Descriptions

COLL-1000 Transitions

0 hours

Designed to assist students in understanding and developing skills needed for college success. Includes placement and diagnostic testing, special advising, and tutoring when necessary. (Fee: \$350)

DEV-0900 Intermediate Algebra—Fa,Sp

2 hours

Review of algebraic principles, which are then extended to the solution of polynomial equations, systems of linear equations, rational and radical equations, functional notation, exponential functions, and logarithmic functions with emphasis on computational proficiency. This course is designed to prepare the student for GMTH-1020 College Algebra or other mathematics courses of comparable difficulty. The class time consists of two hours of lecture and two one-hour laboratories each week. May not be applied toward the 128 semester hours needed for graduation nor toward the science and mathematics General Education Requirement.

The Honors Program

The **honors program** is designed to challenge gifted students to reach their academic potential through a specially designed course of study. The courses designated as "honors courses" are rigorous and demanding, challenging students to aspire to greater heights in their academic progress.

Admission to the program for entering freshmen is based upon ACT/SAT scores, extracurricular and work experience, and a sample of expository writing. Prospective students must complete a separate application, which is available through the Admissions Office.

A limited number of students are admitted into the program each fall. Students enrolled in the honors program are required to complete four honors courses in addition to a senior seminar or project.

Two of these courses are taken in the freshman year in a sequence entitled "The Making of the Modern Mind," which traces the development of philosophic, cultural, and artistic traditions against the background of the history of western civilization. These two courses meet General Education Requirements in humanities, philosophy, and history.

In the sophomore and junior years, honors students take two integrative seminars. Typically, each honors seminar provides an interdisciplinary perspective on the topic of study. Enrollment in honors seminars is limited to twenty students.

In the senior year, each honors student participates in the honors colloquium during the two semesters of the academic year. This senior seminar stresses the development of a Christian worldview in the midst of the contemporary pluralistic society.

Through the honors program, Cedarville University encourages superior scholarship, allows a thorough integration of the various disciplines, and provides the student an opportunity to understand better how all knowledge relates to its source in God. The honors program offers an adventure in the world of ideas, coupled with practical incentives for transcribing faith and learning into the larger culture for the glory of God and the benefit of men and women in His image.

Course requirements for the honors program involve 16 semester hours including:

I. Freshman Colloquia:

¹The Making of the Modern Mind 10 hours

HON-1010 The Classical and Medieval Ages 5

HON-1020 Renaissance, Reformation, and Revolutions.. 5

II. Honors Integrative Seminars 4 hours

Two seminars, typically 2 hours each, taken in the sophomore and junior years.

III. Honors Research Project/Thesis 2 hours

Participation in a one-hour interdisciplinary colloquium each semester (HON-4910, HON-4920) or an interdisciplinary research project (HON-4950).

¹If taken together, these two courses replace the following General Education Requirements:

- HUM-1400 Introduction to the Humanities..... 3
- Humanities Elective 3
(or 2000-level philosophy course if required for the major)
- History Elective..... 3

If either of these two courses are taken individually, the course may be designated as 5 semester hours of credit toward either the humanities or history General Education Requirements.

Honors Course Descriptions

Freshman Humanities Sequence: HON-1010, 1020

***The Making of the Modern Mind* 10 hours**

HON-1010 The Classical and Medieval Ages 5 hours

Explores those historical, religious, philosophical, and artistic beginnings that have shaped the modern mind or what some are now calling the “postmodern” mind. The story begins, naturally enough, at the beginning, in the mind of God and continues through the development of classical Greek and Roman culture. Concludes with a study of the rise of Christianity and its dominance of Western culture in the Middle Ages.

HON-1020 Renaissance, Reformation, and Revolutions 5 hours

Explores the changing balance of power in Western culture: from church to state, from faith to reason, from religion to science, and from piety to humanism. Traces out the implications of these shifts for cultural expressions and revolutions in the arts, religion, science, and philosophy and culminates in a study of late twentieth century postmodernism.

Honors Seminars

(Seminar offerings vary from year to year.)

HON-3040 Women in America 2 hours

Study of the places in which American women have found themselves since 1860, the expectations made upon them, and the influences they have had upon American society.

HON-3050 Communication in the Information Age 2 hours

Survey of the “new media” in electronic communication with an emphasis on the structures of the new media, their use in such areas as politics, education, business, and health care, the resulting changes in communication patterns in society, and the social and ethical issues raised by their use.

HON-3060 Leadership 2 hours

Leadership as a societal role is addressed through analysis of theory and observation of practitioners. A chronology of methodological approaches to the study of leadership is presented. Assigned reading and class processing of ideas and theories prepare the student for observation and evaluation of leaders in a variety of disciplines.

HON-3080 Creativity: The Birth of a Notion 2 hours

Stimulates the participant to conscious creativity in every facet of life as an act of Christian stewardship. Creativity will be examined as one of the distinguishing marks of the image of God in man and as the essential ingredient in all artistic expression.

HON-3100 Two Philosophies of Teaching and Learning 2 hours

Workshop in integrative thinking, exploring comparisons and contrasts between the philosophies of education implicit in Proverbs 1-9 and explicit in the writings of John Dewey.

HON-3130 2 hours

Perspectives on Friendship, Love, and Romance

Explores friendship, love, and romance from historical, theological, and philosophical perspectives.

HON-3180 Aesthetics 2 hours

Introduction to the study of aesthetics through an exploration of classical writings and the accounts of contemporary theorists, critics, and artists.

HON-3190 Postmodernism 2 hours

An interdisciplinary analysis, critique, and response to postmodernism as it is reflected in contemporary culture.

HON-3200 Romanticism and Its Offspring 2 hours

Study of the development of poetry and music from 1800 to the present postmodern pop culture.

HON-3210 Contemporary Global Issues–Sp 2 hours

Designed to provoke critical thinking about a broad range of complicated, cross-disciplinary issues that confront the world today. Students will be introduced to issues that are truly global—planetary problems, global economy, environmental issues, human rights, and basic human needs.

HON-3220 2 hours

The Rhetoric of Faith in the Christian Tradition

Study of primary documents written in the genres of Christian confession, prayer, and creedal statement. These documents will be treated in two ways. First, they will be studied as historical representations of believers’ use of language to express messages of the development of a renewed mind and spirit in the Christian faith. Second, they will be used as models for encouraging contemporary believers to employ the power of the written word in the development of a Biblical practice of meditating on, praying for, and affirming those things that are holy, righteous, and pure.

HON-3230 Chance, Emergence, or Design–Sp 2 hours

The origin of complexity and order in the universe is studied from three different perspectives: Neo-Darwinism (chance and necessity), Emergence, and Creation. Starting at the origin of the physical universe and ending with the origin of self-awareness these perspectives are compared by their scientific value and their philosophical and religious implications. (odd years)

HON-4910 Honors Senior Colloquium 1 hour

Development of a generic understanding of the integration of faith, learning, and life.

HON-4920 Honors Senior Colloquium 1 hour

Development of a disciplinary understanding of the integration of faith, learning, and life.

HON-4950 Honors Senior Project 1-2 hours

The writing of an interdisciplinary research project.

Interdisciplinary Studies

Individualized Studies

The **individualized studies** program serves students with specialized career aspirations that may not fit with a particular major program offered at Cedarville University or those who desire a traditional broad undergraduate program before proceeding to graduate school. The program leads to a Bachelor of Arts degree and includes the following provisions:

1. A student interested in an individualized studies program may submit a proposal after completing 20 semester hours at Cedarville University, exclusive of Advanced Placement, CLEP, and transfer credits, with a minimum 3.25 grade point average.
2. The student must define the focus of the intended individualized program on the program approval form. In addition, the student must demonstrate that the proposed program objective cannot adequately be achieved through an existing major at Cedarville University. The program approval form must be signed by a faculty sponsor and by the department chair of one of the major components of the program.
3. Each program must be approved by the standing Individualized Studies Committee appointed by the academic vice president. Decisions of this committee may be appealed to the Deans Council.
4. When the Individualized Studies Committee approves a student's proposed program, it will assign an academic advisor for the student.
5. Changes to the approved program must be approved by the faculty advisor and the Individualized Studies Committee.
6. For transcript purposes, the program will typically be called a B.A. degree with an individualized program in liberal arts.
7. The individualized program must meet all of the Cedarville University bachelor's degree requirements as detailed in the university catalog. In particular, the following items must be satisfied:
 - A grade point average in the program of at least 2.5.
 - At least one-third of the program courses must be taken at Cedarville University.
 - At least one-third of the program courses must be taken at the 3000 level or above.
 - D grades will not count as meeting the requirements of the individualized program.
 - A capstone course or experience appropriate to the individualized program and approved by the Individualized Studies Committee.

International Studies

The **international studies major** utilizes courses from several academic disciplines to prepare students for a variety of internationally focused careers. A distinct international studies core provides the foundation for all the concentrations available in this major. Courses in anthropology, business, communications, culture, geography, history, linguistics, and political science provide students with the basic understanding they need to appreciate the diverse international community. Concentration options enable students to focus upon a particular area of interest within the international context. Three concentrations are available.

Course requirements involve 21 semester hours of core requirements and 33-60 hours of concentration requirements, depending on the selected concentration.

<i>International Studies Core Requirements</i>	21
^{1,2} ANTH-1800 Cultural Anthropology	3
² BEPH-2260 Religion and Culture	3
BUS-3910 International Business	3
² COM-3140 Intercultural Communication	3
(or PSYCH-1800 Cross Cultural Psychology	3)
GEO-3510 World Regional Geography-West	3
(or GEO-3520 World Regional Geography-East	3)
HIST-2010 History of Civilization I	3
(or HIST-2020 History of Civilization II	3)
INTL-3190 Global Issues	3

Concentrations

The following three concentrations are available:

- Global economics and international business
- Missiology
- Social science

The **global economics and international business concentration** provides students with an economic view of the international community. Utilizing courses in business, economics, and political science, this program prepares business-oriented students for careers in international management, marketing, finance, comparative economics, missions, and the foreign service. Course requirements involve 54 hours, including:

<i>Business Administration Core Requirements</i>	36
ACCT-2110, 2120 Principles of Accounting I, II	6
BUS-2110 Statistics I	2
BUS-2120 Statistics II	2
BUS-2180 Business Law I	3
BUS-3990 Professional Development (2 semesters)	0
BUS-4420 Business Ethics and Social Responsibility	2
BUS-4990 Executive Development (2 semesters)	0
ECON-2330 Microeconomics	3

Total	28-30

Reserve Officer Training Corps (ROTC) Air Force Aerospace Studies

As a Cedarville University student, you have the opportunity to become an Air Force officer while the Air Force helps pay for your college. Through a cooperative agreement with Wright State University's Department of Aerospace Studies, we offer the ROTC program to full-time Cedarville University students pursuing a baccalaureate or master's degree. While all courses are taken through Cedarville University, leadership laboratories and classes for junior and senior years are taught at Wright State University, the host site of the area Air Force ROTC detachment. Cedarville University provides transportation.

The Air Force ROTC program is designed to produce Air Force officers who will be successful leaders and managers. All officers will be placed in positions of responsibility, facing challenging and rewarding career opportunities while using the most advanced technology in the world.

The Air Force ROTC program is organized in two portions: the General Military Course (GMC), typically taken during freshman and sophomore years, and the Professional Officer Course (POC), usually taken during junior and senior years or during the last two years prior to graduation. At minimum, officers will need to complete the POC portion of the program.

- The GMC is a **no-obligation** introduction to the Air Force. The course covers the development and history of air power and the organization of the contemporary United States Air Force.
- The POC curriculum covers communicative skills, Air Force management and leadership, American defense policy, and regional world studies.

Air Force ROTC students have additional opportunities to participate in challenging and rewarding activities that include skydiving, piloting a sail-plane, trips to air force bases, orientation flights, official military functions and ceremonies, and one-on-one mentoring with an active duty Air Force officer.

This program is open to **all majors**. All Air Force ROTC students have the opportunity to apply for **scholarships** that pay partial or full tuition, books, and fees, plus a \$250 - \$400 monthly stipend depending on your progress in the program. These scholarships are available on a competitive basis to students who demonstrate academic and leadership potential. Scholarships with the greatest availability are in the areas of engineering, mathematics, computer science, physics, and nursing.

High school students should apply for a scholarship no later than December 1st of their senior year. Apply at www.afrotc.com. In-college students will apply for scholarships through their ROTC instructor.

If you are a freshman seeking a challenge or wish to give Air Force ROTC a trial run, sign up for the Aerospace Studies 1210 course. All other students should contact the Department of Aerospace Studies, Wright State University, Dayton, Ohio 45435, phone: 937-775-2730, email: afrotc@wright.edu (website: www.wright.edu/academics/prog/rotc), or the Cedarville University Admissions Office at 1-800-CEDARVILLE.

Air Force ROTC Course Descriptions

AES-1210, 1220 The Air Force Today **1 hour/sem**

A survey course designed to introduce students to the United States Air Force and the Air Force Reserve Officer Training Corps (ROTC). Featured topics include the mission and organization of the Air Force, officership and professionalism, military customs and courtesies, Air Force officer career opportunities, group leadership problems, and an introduction to communication skills.

AES-1211 **0 hours**

Leadership Laboratory (GMC): Applied Air Force ROTC Training

This lab provides an opportunity for students to apply Air Force procedures, techniques, and knowledge. Students will learn the Air Force organizational structure as well as customs and courtesies. GMC cadets will also develop their followership and teamwork skills in a

ROTC offers an excellent opportunity to learn leadership skills while also serving our country.

cadet-led, cadre-supervised lab environment. Taken concurrently with 1000-level AES courses. Credit/no credit.

AES-2210,2220 History of the Air Force **1 hour/sem**

A survey course designed to provide students with an overview of the general aspects of air and space power through a historical perspective. It begins with the first military application of balloons through the actions in Kosovo and Afghanistan. It also shapes communication skills introduced in the freshmen year.

AES-2211 **0 hours**

Leadership Laboratory (FTP): Applied Air Force ROTC Training

This lab further develops skills and concepts introduced in the GMC Leadership Laboratory. Students are prepared mentally and physically for the demanding requirements of upcoming Field Training summer program. Training is cadet-led, where the students will display their ability to apply Air Force concepts and procedures. Taken concurrently with 2000-level AES courses. Credit/no credit.

AES-3310,3320 **3 hours/sem**

Air Force Leadership and Management

This course is a study of quality leadership and management fundamentals, professional military knowledge, Air Force doctrine, leadership ethics, and communication skills. Students use case studies to examine Air Force leadership and management situations.

AES-3311 **0 hours**

Leadership Laboratory (ICL): Applied Air Force ROTC Training

The (ICL) lab builds the foundation of leadership skills required as an Air Force Officer. Cadets apply leadership/management concepts learned in Field Training and previous aerospace studies classes and labs to assist in training the GMC cadets. Taken concurrently with 3000-level AES courses. Credit/no credit.

AES-4310,4320 Preparation for Active Duty **3 hours/sem**

This course examines the national security process, regional studies, advanced leadership ethics, and Air Force doctrine. Topics focus on the military as a profession, officership, military justice, civilian control of the military, and current issues. Considered the capstone ROTC course with continued refinement of communication skills.

AES-4311 **0 hours**

Leadership Laboratory (SCL): Applied Air Force ROTC Training

This lab prepares students for progression into active duty life. As in the ICL lab, students take leadership roles in execution of leadership labs for the cadet wing. Students hone leadership fundamentals learned in previous courses and labs to a level commensurate to entry into the active duty Air Force. Taken concurrently with 4000-level AES courses. Credit/no credit.

Army

The ARMY Reserve Officer Training Corps (ROTC)

Army ROTC is a college elective you can try out for up to two years with no obligation. Unlike traditional college programs, Army ROTC gives you a wide range of experiences while you work toward a degree. You'll combine classroom time with hands-on experience, learning skills that are sure to give you an edge over your peers when it comes time to look for a job.

Whether you're planning a career in the Army or the corporate world, Army ROTC is a smart elective course to take. Your studies will include Leadership Development, Military Skills, Decision Making, Problem Solving, and Adventure Training.

First and foremost, an Army officer is a leader. The officer plans the work of the organization, assigns tasks to others and sees that the work is accomplished to the highest standard. Officers lead by example. Officers daily make decisions that involve millions of dollars of resources. Their judgment and skill can mean the difference between life and death for the soldiers they command.

Army ROTC scholarships pay tuition and required fees, and can be worth as much as \$70,000 or more. They are awarded on merit — like academic achievements, extracurricular activities, and personal interviews. Scholarship winners receive a stipend (\$250 freshman, \$300 sophomore, \$350 junior, \$400 senior) for

each academic month, plus an allowance for books and other educational items. If you are a non-scholarship student, you can still receive the stipend as a contracted cadet during your last two years.

Army ROTC course requirements count as elective credits in 128 semester hours required for graduation.

Army ROTC Course Descriptions

MIL-1511 **3 hours**

Foundations of Officership with Leadership Laboratory

Make your first new peer group at college one committed to performing well and enjoying the experience. Increase self-confidence through team study and activities in basic drill, physical fitness, repelling, leadership reaction course, first aid, making presentations, and basic marksmanship. Learn fundamental concepts of leadership in a profession in both classroom and outdoor laboratory environments. Learn and practice basic skills. Build self-confidence and team building leadership skills that can be applied throughout life. Physical Fitness is optional for Non-Contracted Cadets. Students will participate in and learn to lead a physical fitness program. Emphasis will be placed on the development of an individual fitness program and the role of exercise and fitness in one's life. The course is taught to meet the requirement for entry into the Advance ROTC Program, incurs **no military obligation**, and is open to all Cedarville University students.

MIL-2512 **3 hours**

Leadership and Teamwork with Leadership Laboratory

Introduction to individual and team aspects of military tactics in small unit operations. Includes using radio communication, making safety assessments, movement techniques, planning for team safety/security, and methods of pre-execution checks. Practical exercises with upper division ROTC students. Learn techniques for training other as an aspect of continued leadership development. Learn and practice basic skills. Build self-confidence and team building leadership skills that can be applied throughout life. Physical Fitness is optional for Non-Contracted Cadets. Students will participate in and learn to lead a physical fitness program. Emphasis will be placed on the development of an individual fitness program and the role of exercise and fitness in one's life. The course is taught to meet the requirement for entry into the Advance ROTC Program, incurs **no military obligation**, and is open to all Cedarville University students.

MIL-2895 Leadership Training Course **3 hours**

A 28-day summer camp conducted at Fort Knox, Kentucky. The student receives pay. ROTC defrays travel, lodging, and most meals costs. Completion of MIL-2895 qualifies a student for entry into the Advance Course. Spaces are limited. Candidates can apply for space any time during the school year prior to the summer. Must receive permission from Professor of Military Science before enrolling in the course.

The **Advance Course** consists of the courses MIL-3511, 3512, 3895, 4511, and 4512. It is open only to students who have completed the Basic Course or earned placement credit. In order to receive placement credit, see the Professor of Military Science. The Advance Course is designed to qualify a student for commission as an officer in the United States Army. Students must complete all courses numbered greater than 3000, to include MIL-3895 Leadership Development and Assessment Course (LDAC) in the summer at Fort Lewis, Washington, usually between the junior and senior years. The courses must be taken in sequence unless otherwise approved by the Professor of Military Science. Scholarship and Non-Scholarship Students in MIL-3511 and 3512 will receive \$350 a month. Students in MIL-4511 and 4512 will receive \$400 a month.

Language and Literature

School of Humanities, Fine Arts, and Bible

Purpose Statement

The Department of Language and Literature seeks to achieve the following objectives:

1. To instruct students to write effectively.
2. To encourage students to read and appreciate literature.
3. To teach students to evaluate literature intelligently.
4. To provide a general knowledge of the chronology and the social and intellectual background of English, American, and Spanish literature.
5. To prepare students for graduate work in the fields of English, Spanish, and technical communication.
6. To prepare teachers of English and Spanish.
7. To prepare students for careers in technical communication.

Personal Requirements

Students who choose English as a major are expected to acquire a high level of competency in the discipline of the English language. Those who wish to study foreign language will benefit from taking foreign language in high school. No previous foreign language experience is required to take elementary level foreign language.

Department Requirements

To graduate with a major from the Department of Language and Literature, students must earn at least a 2.0 cumulative average in all courses required for their major and at least a “C-” in all courses taken to meet a specific requirement in their major.

Programs of Study

The Department of Language and Literature offers the following programs:

Majors

- English
- Integrated Language Arts
- Multi-Age Spanish Education
- Spanish
- Technical and Professional Communication

Minors

- Creative Writing
- Literature
- Spanish
- Spanish for Professionals
- TESOL (Teaching English to Speakers of Other Languages)

Co-Curricular Opportunities

Cedars – Students comprise the editorial staff of Cedarville’s semi-monthly campus newspaper.

Miracle – Students with writing, photography, editorial, and layout and design talent have the opportunity to compile and edit the University’s annual yearbook.

The Society for Technical Communication Student Chapter – Serves students in the technical and professional communication major. STC promotes communication in technical fields. Benefits of membership include job referral services, networking with professionals, and numerous social activities among faculty and students.

Spanish Club – Provides opportunities to practice language skills and learn about cultures through extracurricular activities.

The Cedarville Review – Students submit and publish fiction, photography, creative nonfiction, and poetry, as well as select,

prepare, and format manuscripts for publication in this annual literary journal.

Sigma Tau Delta – The International English Honor Society seeks to confer distinction for high achievement in English language and literature studies, promote interest in literature and the English language, and foster the discipline of English in all its aspects, including creative and critical writing.

Study Abroad Opportunities

The ISEPS Program The Instituto Sevillano de Estudios y Practicas (ISEPS) is an independent, accredited educational and socio-cultural institute that offers a series of four unique overseas studies programs in Seville, Spain. These programs are carefully developed to address the requirements of undergraduates with particular abilities and interests leading to an international study abroad career preparation. Every ISEPS program is designed to be an educationally viable learning process that responds proportionately to the individual Spanish language level of each program participant. More information can be found at www.SevilleStudies.com. Students interested in the program should contact Dr. Barbara Loach or Dr. Andrew Wiseman for additional information.

ISS (Institute of Spanish Studies) The Institute of Spanish Studies was established in 1950 in cooperation with the Universities of San Francisco and Valencia. In 1985 the Institute became an independent program; at present it is associated with Longwood University of Virginia. Classes in Valencia, Spain, are held at the American Institute, with its own fully equipped premises. More information can be found at www.spanish-studies.com. Students interested in the program should contact Dr. Barbara Loach or Dr. Andrew Wiseman for additional information.

CIEE (Council on International Educational Exchange) CIEE offers study abroad opportunities at its 60 CIEE Study Center programs in 29 countries around the world. The CIEE Study Centers provide curricula specifically designed with the U.S. undergraduate in mind and offer superior student services and activities that help students derive maximum benefit from the experience. More information can be found at www.ciee.org. Students interested in the program should contact Dr. Barbara Loach or Dr. Andrew Wiseman for additional information.

Technical Resources

Cedarville’s **Writing Center** serves the University community as a place to build skills for better writing across the disciplines. It also functions as a training ground for students who tutor there, assist in administration, or aid faculty with research projects related to writing centers.

Students also have industry-standard software available to strengthen their professional skills, including:

- Reading and writing skill builders
- Language tutorials
- Publication design

Career Opportunities

Graduate and professional schools welcome Cedarville graduates. Careers pursued by graduates of this department include:

- Creative writing
- International business
- Internet-based communications
- Journalism
- Law
- Missions
- Publishing
- Teaching
- Technical communication
- Technical marketing

Faculty

Kevin Heath, *Chairman*: Associate Professor of English. *Education*: B.A., Truman State University, 1986; M.A., Michigan State University, 1988; graduate study, Grand Rapids Baptist Seminary, 1989; Ph.D., University of Cincinnati, 1999. At Cedarville since 1990.

Gregory Belliveau, Assistant Professor of English. *Education*: B.A., Kent State University, 1990; M.A., Kent State University, 1995. At Cedarville since 1996.

Scott Calhoun, Assistant Professor of English. *Education*: B.A., Cedarville University, 1995; M.A., Bowling Green State University, 1997; Ph.D., Bowling Green State University, 1999. At Cedarville since 1999.

Shannah Campbell, Instructor of English. *Education*: B.A., Cedarville University, 1999; M.A., The Ohio State University, 2001. At Cedarville since 2002.

Daniel Clark, Assistant Professor of English. *Education*: B.A., Tennessee Temple University, 1988; M.A., University of Tennessee at Chattanooga, 1993. At Cedarville since 1999.

Donald Deardorff II, Associate Professor of English. *Education*: B.A., Gettysburg College, 1989; M.A., University of Maryland, 1990; Ph.D., University of Rhode Island, 1995. At Cedarville since 1996.

Ryan Futrell, Assistant Professor of English. *Education*: B.A., Cedarville University, 1997; M.F.A., University of North Carolina at Greensboro, 2000. At Cedarville since 2003.

Sandra Harner, Professor of English. *Education*: B.A., Cedarville University, 1964; M.A., University of Dayton, 1981. At Cedarville since 1981.

Barbara Loach, Professor of Spanish. *Education*: B.A., Cedarville University, 1977; M.A., Bowling Green University, 1978; M.A., Wright State University, 1995. Ph.D., The Ohio State University, 1990. At Cedarville since 1978.

Cynthia Messer, Assistant Professor of English. *Education*: B.A., Cedarville University, 1994; M.A., Wright State University, 1998. At Cedarville since 1998.

Julie Moore, Assistant Professor of English. *Education*: B.A., Cedarville University, 1987; M.A., The University of Dayton, 1989; graduate study, Miami University, 1993. At Cedarville since 1999.

Karen Power, Assistant Professor of English. *Education*: B.S., The Ohio State University, 1976; M.A., Wright State University, 1995. At Cedarville since 1995.

Edward Spencer, Professor of English. *Education*: B.A., Ashland College, 1947; M.Th., Faith Seminary, 1951; M.A., University of Dayton, 1968; graduate study, Bowling Green State University, 1969. At Cedarville since 1962.

Daniel Sternsher, Assistant Professor of Technical Communication. *Education*: B.S., Bowling Green State University, 1989; M.Ed., Bowling Green State University–College of Technology, 1998. At Cedarville since 2001.

Peggy Wilfong, Associate Professor of English. *Education*: B.A., Tennessee Temple University, 1976; M.A., University of Alabama in Huntsville, 1990; Ph.D., Indiana University of Pennsylvania, 2000. At Cedarville since 2000.

Andrew S. Wiseman, Assistant Professor of Spanish. *Education*: B.A., University of Massachusetts at Amherst, 1992; Undergraduate Studies, Universidad de Sevilla, Spain, 1990-1991; Undergraduate Studies, Universidad Internacional SEK, Santiago, Chile, 1992-1993; M.A., Florida State University, 1995; Ph.D., Universidad de San Jose, San Jose, Costa Rica, 2002. At Cedarville since 2000.

Michelle Wood, Assistant Professor of English. *Education*: B.A., Cedarville University, 1992; M.A., Wright State University, 1997. At Cedarville since 1995.

Branson Woodard, Professor of English. *Education*: B.S., East Carolina University, 1971; B.A., Free Will Baptist College, 1978; M.A., Tennessee State University, 1979; D.A., Middle Tennessee State University, 1982. At Cedarville since 2003.

Raymond Bartholomew, Professor Emeritus of English. *Education*: B.A., Cedarville University, 1957; M.A., Case-Western Reserve University, 1959; Ph.D., Case-Western Reserve University, 1964. At Cedarville 1959-1966, 1983 to present.

Harmon Bergen, Associate Professor Emeritus of Foreign Languages. *Education*: Graduate, American Seminary of the Bible, 1946; B.A., Wheaton College, 1958; M.A., Indiana University, 1966. At Cedarville from 1958 to 1990.

Pat Landers Dixon, Associate Professor Emerita of English. *Education*: B.A., Tennessee Temple University, 1963; M.Ed., University of Tennessee, 1970; TESL, Wright State University, 1985. At Cedarville since 1971.

Edward Greenwood, Professor Emeritus of English. *Education*: Baptist Bible Institute, 1946-47; B.A., Bryan College, 1951; M.Div., Conservative Baptist Theological Seminary, 1955; graduate study, Marshall University, 1958; M.A., University of Dayton, 1966; D.A., Middle Tennessee State University, 1976. At Cedarville from 1963 to 1989.

Professor Sternsher leads his Technical and Professional Communication class in a team project to develop technical instructions for a local company's product.

Integrated Language Arts Education

The **integrated language arts major** prepares students to teach language arts in public and Christian schools in grades 7-12. Students who complete this curriculum will be licensed by the state of Ohio and the Association of Christian Schools International. The Ohio teaching license, through reciprocal agreements, is automatically recognized in 42 states. For additional information about teaching in other states, see the Department of Education section of this catalog.

Course requirements involve 62 hours in integrated language arts and 33-35 hours in professional education requirements.

Foreign Language

As students become acquainted with the language, lifestyles, and belief systems of another culture, they can develop greater insight into that culture. Knowledge of a second language can become a valuable support skill for careers in business, Christian ministry, education, government, and social services. The department provides a variety of language courses that allow students to develop basic communication skills and cultural awareness.

Guidelines for satisfying the General Education Requirement for foreign language are found on page 18. Language students are also encouraged to consider the study abroad options listed under Travel Study Opportunities.

Spanish

The **Spanish major** enables students to develop skills in reading, writing, speaking, and comprehending spoken Spanish to gain cultural understanding that will enable them to interact appropriately in a variety of social contexts. Studying the language, history, and literature of the Hispanic peoples provides students with opportunities to practice their language skills and gain appreciation for the contributions and values of the Hispanic culture. Students are encouraged to enhance their program by participating in an approved cross-cultural experience such as a study abroad program or missions outreach.

Course requirements involve 34 semester hours including:

SPAN-2710, 2720 Intermediate Spanish	7
SPAN-3610 Spanish Composition	3
SPAN-3620 Spanish Conversation	3
SPAN-3640 Introduction to Hispanic Literature	3
SPAN-4610 Advanced Spanish Grammar	3
*SPAN-4640 Topics in Hispanic Culture	3

Minors

The minor in **creative writing** is designed to enhance the student's abilities in various modes of writing. Course requirements involve 16 hours including:

ENG-1400 Composition	3
ENG-2210 Principles of Journalism	3
ENG-3030 Creative Writing: Fiction	2
ENG-3040 Creative Writing: Poetry	2
ENG-3050 Creative Writing: Nonfiction	2
ENG-3110 Style and Mechanics for Writers	3
ENG-3620 Practicum in Journalism	1

The **literature** minor is designed to enhance the student's knowledge and appreciation of literature and the English language. Course requirements involve 15 hours including:

LIT-2340 Western Literature	3
American Literature: One course	3
British Literature: One course	3
Literature Electives: 3000-4000 level	6

The **Spanish** minor is designed to enhance the student's understanding and skill in foreign language. Course requirements for the Spanish minor involve 17 hours including:

SPAN-1720 Elementary Spanish	4
SPAN-2710, 2720 Intermediate Spanish	7
SPAN-3640 Introduction to Hispanic Literature	3
Spanish Elective: 3000- or 4000-level	3

The **Spanish for professionals** minor is designed for careers linked to public service (social work, criminal justice, health care, and other related fields). Course requirements for the Spanish for professionals minor involves 16 hours including:

SPAN-2710, 2720 Intermediate Spanish	7
SPAN-3620 Spanish Conversation	3
SPAN-3660 Spanish for Professionals	3
SPAN-3680 Understanding Hispanic Cultures	3

TESOL Endorsement and Minor

(Teaching English to Speakers of Other Languages)

The **TESOL endorsement** prepares teachers to teach English to speakers of other languages in multi-age classrooms in the United States and overseas. Students interested in the TESOL endorsement must possess or be working toward the completion of degree and licensure requirements. Students who complete the TESOL endorsement program will automatically receive the minor and are eligible to receive an institution-endorsed certificate. In order to receive the certificate, a student must earn a 3.0 average for the courses of the minor. Non-native speakers of English must achieve a TOEFL score of 600 or above on the paper exam or 250 on the computer exam and a score of 55 or above on the Test of Spoken English or have department approval in order to qualify for admission. Course requirements for the TESOL endorsement involve 20 hours including:

COM-3140 Intercultural Communication	3
ENG-3060 History of the English Language	3
ENG-3070 Advanced Grammar for Adolescent Teachers .	3
LING-3080 Linguistics for Language Learning	3
LING-3090 Sociolinguistics	3
LING-3600 Clinical Teaching English as a Second Language	1
LING-3610 Practicum	2
LING-3700 Methods of Teaching Foreign Language	2

The **minor in TESOL** prepares students to teach English to speakers of other languages in multi-age classrooms without obtaining state teacher licensure. Students who complete the TESOL minor are eligible to receive an institution-endorsed certificate. In order to receive the certificate, a student must earn a 3.0 average for the courses of the minor. Non-native speakers of English must achieve a TOEFL score of 600 or above on the paper exam or 250 on the computer exam and a score of 55 or above on the Test of Spoken English or have department approval in order to be admitted to the minor. Course requirements for the TESOL minor involve 16 hours including:

COM-3140 Intercultural Communication	3
ENG-3070 Advanced Grammar for Adolescent Teachers .	3
LING-3080 Linguistics for Language Learning	3
LING-3090 Sociolinguistics	3
LING-3700 Methods of Teaching Foreign Language	2

*LING-3710 TESOL Practicum for Non-education Majors . 2
*LING-3710 may be satisfied by satisfactory completion of LING-3600 and LING-3610.

The Writing Center at Cedarville University specializes in helping students construct well-written papers by implementing appropriate style and grammar techniques.

Language and Literature

School of Humanities, Fine Arts, and Bible

Course Descriptions

English Language

ENG-1000 Basic English—Fa 3 hours

Study of nomenclature, identification, and application in the linguistic process. Admission by departmental designation only. May not be applied toward the hours needed for graduation.

ENG-1400 Composition—Fa,Sp 3 hours

Designed to assist the student in developing the skills necessary to meet the demands of typical writing situations, both academic and professional. The course will introduce the student to the common expository writing methods of description, narration, analysis, persuasion, and research presentation.

ENG-2210 Principles of Journalism—Fa,Sp 3 hours

An introductory study of the fundamental skills needed for collecting, organizing, writing, editing, and evaluating material for the common types of news stories, along with a consideration of ethical and legal issues for the print journalist. Strong emphasis is on developing journalistic writing skills. *Prerequisite: ENG-1400 Composition.*

ENG-2230 Advanced Composition—Fa,Sp 2 hours

An advanced treatment of the composing process, particularly related to the planning, drafting, revision, and final composition of essays. Writing workshops and peer evaluations are included. *Prerequisite: ENG-1400 Composition.*

ENG-3030 Creative Writing: Fiction—Sp 2 hours

Workshop approach to studying, creating, and responding to short stories. Course focuses on the elements of the modern short story from Chekhov forward. Emphasis is on traditional literary fiction; the course does not cover science fiction, fantasy, adolescent fiction, or children's literature. *Prerequisite: ENG-1400 Composition.*

ENG-3040 Creative Writing: Poetry—Fa 2 hours

Provides guided practice, instruction in craft, constructive criticism, and a supportive atmosphere. Students should leave the course with more confidence about how to read and write poetry, as well as a knowledge of the tradition, issues, and forms of poetry. *Prerequisite: ENG-1400 Composition.*

ENG-3050 Creative Writing: Nonfiction—Fa 2 hours

Intensive study in writing literary nonfiction. Course focuses on sub-genres in contemporary nonfiction: the personal essay, autobiography/the memoir, the short, reportage. Workshop and conference approach. *Prerequisite: ENG-1400 Composition.*

ENG-3060 The English Language—Fa 3 hours

Historic treatment of the growth and change in the English language with some attention to the ideologies implicit in the development of variant conventions. *Prerequisite: ENG-1400 Composition.*

ENG-3070 3 hours

Advanced Grammar for Adolescent Teachers—Fa,Sp

Review of standard grammar with emphasis on current teaching methods of grammatical analysis. Required of all majors with English as a teaching field.

ENG-3110 Style and Mechanics for Writers—Sp 3 hours

Provides reliable principles that make writing clear, concise, coherent, and cohesive as students apply these principles to various texts. (Not for professional and technical communication majors.) *Prerequisite: ENG-1400 Composition.*

ENG-3220 Advanced Journalism—Sp 2 hours

Designed for the student who anticipates writing as a vocation or avocation. The emphasis is on reporting and writing for newspapers and magazines. Topics of study include: beat reporting, developing the in-depth features and series, investigative practices, standards and ethics, community and publisher relations, and manuscript production. *Prerequisite: ENG-2210 Principles of Journalism.*

ENG-3300 Developmental Reading—Sp 3 hours

Includes basic philosophies, testing, evaluation, clinical methods, and materials utilized in the prescriptive teaching of basic reading skills in the language arts content area for adolescent/young adult

teachers. Field and clinical experiences included. *Prerequisite: admission to the teacher education program. (Fee: \$25)*

ENG-3550 Writing Center Theory and Training—Sp 2 hours

Designed to orient students to writing center theory and practice. Will train students for employment opportunities in the writing center. *Prerequisite: ENG-1400 Composition; permission of instructor.*

ENG-3620 Practicum in Journalism—Fa,Sp 1 hour

Experience in the varied tasks of the journalistic enterprise. *Prerequisite: ENG-2210 Principles of Journalism.*

ENG-4230 Independent Study in English—Fa,Sp 1-3 hours

Independent study in a selected field for students with special interests and demonstrated ability.

World, English, and American Literature

LIT-2090 Literary Analysis—Fa,Sp 2 hours

Introductory study of basic textual analysis and traditional contextual analysis. This course is primarily intended for adolescent and young adult integrated language arts and English majors as preparation for upper-division literature courses.

LIT-2120 History of Literary Criticism—Sp 3 hours

A study of rich philosophic heritage of the West, this course is designed to familiarize students with the writers whose works have defined the critical canon as the result of the way they addressed three questions: What is the function of literature? What is the role of an author? How do we evaluate literature? Featured writers will range from Plato, Aristotle, and Augustine to Lewis, Eliot, and Bakhtin.

LIT-2130 Dramatic Literature—Sp 3 hours

Survey of major dramatic works from Greek to modern day playwrights, emphasizing the relationships among themes and dramatic construction amid various cultural and historical contexts. Can be applied to meet English or communication arts requirements, but not both. *Prerequisite: major status or permission of instructor.*

LIT-2300 Introduction to Literature—Fa,Sp 3 hours

Emphasis on developing the ability to read critically and analytically representative examples of literary genres through use of appropriate criteria. *Prerequisite: ENG-1400 Composition.*

LIT-2330 Mythology—Fa 3 hours

Study of mythologies, the theories of myth and myth making, and the incorporation of myth in selected literary works. *Prerequisite: ENG-1400 Composition.*

LIT-2340 Western Literature—Fa,Sp,Su 3 hours

Survey of major works of Western literary tradition from Homer to T.S. Eliot. *Prerequisite: ENG-1400 Composition.*

LIT-2350 Christ-figure in Film—Sp 2 hours

This course will provide a detailed introduction to the characteristics of the Christ-figure and its most common manifestations in popular film. The class will also view and evaluate films in which a Christ-figure appears.

LIT-2390 3 hours

Survey of American Literature to 1900—Fa,Sp

Study of prominent American authors from colonial times to 1900. Although this course may be taken for general education credit, it is primarily designed for majors. *Prerequisite: ENG-1400 Composition.*

LIT-2430 Survey of British Literature to 1800—Fa,Sp 3 hours

Study of various English authors from the Anglo-Saxons to 1800. *Prerequisite: ENG-1400 Composition.*

LIT-2440 3 hours

Survey of British Literature from 1800 to Present—Sp

Study of noteworthy English authors from 1800 to the present. Although this course may be taken for general education credit, it is primarily designed for majors. *Prerequisite: ENG-1400 Composition.*

LIT-3190 19th Century American Literature—Sp 3 hours

Study of American literature from 1830 to 1900, giving attention

Language and Literature

School of Humanities, Fine Arts, and Bible

to the romantic and realistic philosophies and literary commentaries as they apply to the major authors of this period. *Prerequisite: major status or permission of instructor.*

LIT-3200 **2 hours**

Methods of Teaching Composition and Literature—Fa
Designed to explore the various methods and materials essential to teaching composition and literature on the secondary level.

LIT-3230 Directed Readings—Fa,Sp **1-3 hours**

Selected readings designed to strengthen the major by providing primary and secondary material in preparation for an independent study of a major writer, literary genre, or literary period.

LIT-3310 The English Novel—Fa **3 hours**

Reading and critical analysis of representative novels written in English. Authors include Fielding, Barnes, Rushdie, Gordimer, and Greene. *Prerequisite: ENG-1400 Composition.* (even years)

LIT-3320 Renaissance Literature—Sp **3 hours**

A study of Metaphysicals, Milton, and other selected Renaissance writers.

LIT-3330 18th Century British Literature—Fa **3 hours**

Analysis of British Writers from the Restoration through the Age of Johnson. *Prerequisite: major status or permission of the instructor.*

LIT-3340 19th Century British Literature—Sp **3 hours**

Study of the major Romantic Victorian writers, giving emphasis to Wordsworth, Byron, Shelley, Keats, Browning, Arnold, and Tennyson. *Prerequisite: major status or permission of instructor.*

LIT-3350 Shakespeare—Fa **3 hours**

Representative comedies, history plays, tragedies, and sonnets. *Prerequisite: major status or permission of instructor.*

LIT-3380 Contemporary British Literature—Fa **3 hours**

Study of representative and significant 20th century British writers, especially those reflective of modern ideologies.

Prerequisite: major status or permission of instructor.

LIT-3400 **3 hours**

Studies in Contemporary World Literature—Sp

Study of contemporary literature outside the American and British traditions. Writers may include Chinua Achebe, Nadine Gordimer, Duong Thu Huong, Gabriel Garcia Marquez, Haruki Murakami, V.S. Naipaul, Moniru Ravanipur, Jose Saramago, Tatyana Tolstoya, Luisa Valenzuela, Gao Xingjian, and others. *Prerequisite: major status or permission of the instructor.* (even years)

LIT-3420 American Novel—Fa **3 hours**

Study of the historical development of the American novel and an analysis of the writings of major American novelists from Cooper to Roth. *Prerequisite: major status or permission of instructor.* (odd years)

LIT-3510 Modern American Literature—Sp **3 hours**

Study of major American authors of the 20th century. *Prerequisite: major status or permission of instructor.*

LIT-3520 C.S. Lewis: Life, Thought, Literature—Sp **2 hours**

Study of Lewis' contributions in the fields of literature, criticism, and apologetics. Special attention will be placed on understanding Lewis' personal and intellectual development his relationships with contemporary scholars and writers; his continuing influence. *Prerequisite: major status or permission of instructor.* (even years)

LIT-4220 English Seminar—Sp **3 hours**

Designed to help the student synthesize his or her major areas of study. Required of all senior English majors. Capstone course.

LIT-4230 Independent Study in Literature—Fa,Sp **1-3 hours**

Independent study in a selected field for students with special interests and demonstrated ability.

LIT-4310 Literary Theory—Fa **3 hours**

A study of the theoretical methods that currently drive research in the field of English studies. Marxism, Feminist and Gender theories, Structuralism, Post-Structuralism, Cultural Criticism,

Psychological Criticism, Reader-Response theories, and Formalist approaches will be analyzed from a Christian perspective. *Prerequisite: LIT-2090 Literary Analysis.*

LIT-4420 European Novel—Fa **3 hours**

Study of the 19th and 20th century influence on the novel from Balzac to Camus. *Prerequisite: major status or permission of instructor.*

LIT-4450 Milton: Poetry and Selected Prose—Fa **3 hours**

A study of Milton's early poetry, *Paradise Lost*, *Paradise Regained*, *Samson Agonistes*, and selected prose works. *Prerequisite: major status or permission of instructor.* (even years)

LIT-4490 Special Topics—Fa,Sp **1-3 hours**

Investigation of such literary phenomena that have intrinsic worth and engage student interest.

LIT-4510 **3 hours**

Recent American Literature 1945-Present—Sp

A study of the social, political, economic, and religious issues that defined the American experience in the last half of the 20th century. Diverse poetry, short stories, drama, novels, and films will be analyzed to give students an understanding of the myriad subjectivities that have shaped American values and attitudes since World War II. *Prerequisite: any 2000-level literature course.*

Technical & Professional Communication

TPC-3000 **3 hours**

Production Tools for Technical Communication

Students will learn to produce print and electronic media through hands-on introduction to various tools used by technical communicators.

TPC-3010 Style for Technical Communicators—Fa **3 hours**

Students will learn to apply reliable principles to make writing clear, concise, coherent, and cohesive. (*For technical and professional communication majors only.*)

TPC-3020 Professional Portfolio Development I—Fa **1 hour**

Students will develop a professional portfolio and learn to use it effectively as a tool to obtain an internship.

TPC-3090 Technical Marketing Communication—Fa **3 hours**

Students will learn to create marketing materials for the technical industry, from design to completion. *Prerequisites: TPC-3010 Style for Technical Communicators; TPC-3100 Designing Visual Communication.*

TPC-3100 Designing Visual Communication—Fa **3 hours**

Students will learn to integrate visual design concepts to enhance communication in various documents and media.

Topics will focus on increasing usability of communication products by targeted audiences. *Corequisite: TPC-3000 Production Tools for Technical Communication.*

TPC-3130 Technical Communication—Fa **3 hours**

Students will learn to design and produce various technical documents and communication solutions for targeted audiences while exploring the technical communication profession.

TPC-3170 **2 hours**

The Technical Communicator in a Corporate Culture—Sp

Students will discuss issues beyond intellectual ability and technical know-how that are crucial to a successful career. They will discover guidelines to assist them in improving their emotional intelligence capabilities.

TPC-3210 Technical Editing—Sp **2 hours**

Students will learn to develop style guides and edit technical documents or communication using conventional and electronic methods to ensure consistent grammar, style, visual design, and technical accuracy for end-users in targeted audiences.

TPC-3250 Design of Manuals—Sp **3 hours**

Students will learn to plan, design, and write user manuals or documentation through systematic user analysis, task identification, effective writing, and efficient visual design elements.

TPC-3290 Proofreading—Sp **2 hours**

Students will learn to proofread using the techniques that professional proofreaders have found most practical and effective.

Language and Literature

School of Humanities, Fine Arts, and Bible

TPC-4010 Designing Technical Reports—Fa 3 hours

Students will learn to design and write effective technical reports and presentations that purposefully convey clear, concise, and accurate information to a targeted audience while using an appropriate level of technicality and supporting data or information.

TPC-4020 Professional Portfolio Development II—Fa 1 hour

Students will maintain a professional portfolio and learn to use it effectively to obtain employment after graduation. (Fee: \$25)

TPC-4050 Designing Information For The Web—Fa 3 hours

Students will learn how to design and manage information on the World Wide Web. *Prerequisites:* TPC-3010 *Style for Technical Communicators*; TPC-3100 *Designing Visual Communication*.

TPC-4090 Designing Online Information—Sp 3 hours

Students will learn to design and develop online help systems. *Prerequisites:* TPC-3130 *Technical Communication*; TPC-3250 *Design of Manuals*.

TPC-4130 Instructional Design—Sp 3 hours

Teaches technical communicators how to employ technology and learning theory in developing adult training courses.

TPC-4160 1-10 hours

Technical and Professional Communication Internship—Sp

Students will participate in a work-study program approved and administered by the department in which advanced technical and professional communication students receive a variety of job-related experiences in a communication environment.

Prerequisite: permission of instructor.

TPC-4170 Special Topics—Sp 3 hours

Students will study a selected topic(s) at the 4000 level. The flexibility of this course allows the faculty to meet the ever-changing nature of technical communication. Possible topics include project management, professional presentations, research methods, ethics in TPC, or other topics presented by faculty or requested by students. *Prerequisites:* TPC-3130 *Technical Communication*; TPC-3010 *Style for Technical Communicators*. Capstone course.

TPC-4230 1-3 hours

Independent Study in Tech. and Prof. Communication—Fa,Sp,Su

Independent study for junior and senior level TPC majors with special interests and demonstrated ability.

Foreign Language

Arabic

ARBC-1510 Introduction to Arabic Language and Culture

Introduction of the Arabic script and basic vocabulary used for greetings and other everyday situations. Introduction to various aspects of Arab culture, including history, religion, literature, politics, and daily life. This course is intended for non-native speakers with no previous Arabic study. *This course satisfies the global awareness course requirement.*

Spanish

SPAN-1710, 1720 Elementary Spanish—Fa,Sp,Su 4 hours/sem

Development of basic skills in reading, writing, speaking, and listening in Spanish in order to satisfy a broad variety of everyday, school, and work situations, along with an introduction to Hispanic cultures.

SPAN-2710, 2720 Intermediate Spanish—Fa,Sp 4/3 hours/sem

Development of all four language skills through grammar review, composition, conversation, and readings in Spanish literature and culture. *Prerequisite:* SPAN-1720 *Elementary Spanish*, instructor's approval, or placement by exam.

SPAN-3350 2 hours

Elementary Education for Foreign Language Teachers—Sp

An introduction to the teaching of reading, writing, and literacy development as developmental skills for the elementary age learner. Knowledge of elementary school curriculum with an emphasis on using the teaching of foreign language to reinforce the content of the elementary school curriculum. Emphasis on the use of children's literature as a means of teaching foreign language and culture to elementary students. The student will

have knowledge of Ohio's model competency-based program and its four stages of language development to guide school foreign language programs. *Prerequisite:* admission into the teacher education program. (odd years)

SPAN-3600 Clinical Teaching in Spanish—Fa,Sp,Su 0-2 hours

A practical experience in which a student is assigned to assist a classroom teacher in preparation for classes, grading, and tutoring students. The student is expected to participate in 30 clock hours for each hour of credit divided among early childhood (20 hours), middle childhood (20 hours), and adolescent/young adult (20 hours) contexts. *Prerequisite:* admission to the Teacher Education Program.

SPAN-3610 Spanish Composition—Fa 3 hours

Emphasis on development of clear, natural, and effective written communication in Spanish. Includes grammar review, vocabulary expansion, discussion of stylistic elements, and practice in writing narrative, descriptive, and several types of expository texts. *Prerequisite:* SPAN-2720 *Intermediate Spanish* or permission of instructor.

SPAN-3620 Spanish Conversation—Fa 3 hours

Designed to sharpen the student's communication in oral Spanish and to increase aural comprehension of spoken Spanish. Attention given to pronunciation, vocabulary building, and practice on hearing and speaking through in-class presentations and other activities. Also emphasizes the development of culturally appropriate approaches to communication and comparative study of Anglo and Hispanic cultures. *Prerequisite:* SPAN-2720 *Intermediate Spanish* or permission of instructor.

SPAN-3640 Introduction to Hispanic Literature—Sp 3 hours

An introduction to basic concepts and vocabulary relating to literary theory through the study and analysis of representative works in Hispanic poetry, drama, and narrative, with emphasis on contemporary authors. *Prerequisite:* SPAN-2720 *Intermediate Spanish* or permission of instructor.

SPAN-3660 Spanish For Professionals—Sp 3 hours

Development of practical Spanish vocabulary and conversational skills related to careers in criminal justice, social work, and health care professions. *Prerequisite:* SPAN-2720 *Intermediate Spanish* or permission of instructor. (odd years)

SPAN-3670 Introduction to Translation—Sp 2 hours

An introduction to theory and practice related to bilingual translation and interpreting. Students will learn strategies for translating a variety of text types, as well as the fundamentals of interpreting. Sp '06.

SPAN-3680 Understanding Hispanic Cultures—Sp 3 hours

Analysis of historical and contemporary issues that have shaped the Hispanic cultures in the U.S. Discussion of similarities and differences between Anglo and Latino world-views. Course taught in English; counts for Global Awareness elective. (even years)

SPAN-3690 Hispanic Film—Sp 3 hours

Explores the genres of Hispanic film and how these genres portray the cultural, social, and political environments in Spain and the Americas. *Prerequisites:* SPAN-3640 *Introduction to Hispanic Literature*; permission of instructor. (even years)

SPAN-3700 2 hours

Methods of Teaching Foreign Language—Fa

Examination of the purposes and objectives along with the methods and curricular models used in the K-12 foreign language classroom. This course addresses the theories of first and second language acquisition, as well as topics such as the relationship of foreign language learning to other content areas. The student is given information regarding opportunities in planning lessons with appropriate materials, sequencing, and execution of learning activities. Evaluations of student learning, student behavior, and self-evaluation as integral parts of successful teaching are also stressed. The student will also gain insight into the importance of understanding one's own language and culture as a means to understanding the language and culture of the target peoples. *Prerequisite:* admission to the teacher education program.

Language and Literature

School of Humanities, Fine Arts, and Bible

SPAN-4610 Advanced Spanish Grammar–Fa 3 hours

Intensive review of high frequency grammatical structures problematic to non-native speakers of Spanish. Exploration of the history of the language as well as the theoretical aspects of the nature of language and the practical development of written and oral skills in Spanish. *Prerequisite: permission of instructor.* (even years.)

SPAN-4640 Topics in Hispanic Culture–Fa 3 hours

In-depth study of a particular topic of interest either through individual research or group discussion. Orientation may be interdisciplinary or author and genre specific. Capstone course. *Prerequisite: major or minor in Spanish; instructor's permission.* (odd years)

SPAN-4650 3 hours

Civilization and Literature of Latin America I–Fa

A survey of the geography, history, culture and literature of Latin America from the pre-Columbian period through the 19th century. Emphasis is on the diversity of Latin American society and the factors that have shaped it. Literary works will be studied for their literary significance within their socio-historical context. *Prerequisite: SPAN-3640 Introduction to Hispanic Literature.* (odd years)

SPAN-4670 3 hours

Civilization and Literature of Latin America II–Sp

A survey of the history, culture, and literature of Latin America from the 19th century to the present. Emphasis will be on acquiring a greater awareness of current issues in Latin American society and understanding their contributing factors. Literary works will be studied for their literary significance within their socio-historical context. *Prerequisite: SPAN-2720 Intermediate Spanish.* (odd years)

SPAN-4680 2 hours

Advanced Conversation and Composition–Sp

Development of oral and written communication skills at the advanced level as well as expansion of vocabulary dealing with a variety of contemporary topics. *Prerequisite: SPAN-3610 Spanish Composition, SPAN-3620 Spanish Conversation, or instructor's permission.* (even years)

SPAN-4700 Independent Study in Spanish–Fa,Sp 1-3 hours

Independent and intensive study in a particular area of the Spanish language, literature, or culture for individual students who demonstrate special interests and ability.

SPAN-4740 Civilization and Literature of Spain I–Fa 3 hours

A study of major literary works of Spain from the medieval and Renaissance periods to the 17th century, with emphasis placed on understanding works within their socio-historical context, as well as their literary significance. Geography, history, and culture of Spain from prehistoric civilizations to the 17th century. *Prerequisites: SPAN-3640 Introduction to Hispanic Literature; permission of instructor.* (even years)

SPAN-4750 Civilization and Literature of Spain II–Sp 3 hours

A study of major literary works of Spain from the 17th century to the present day, with emphasis placed on understanding works within their socio-historical context, as well as their literary significance. Geography, history, and culture of Spain from the 17th century to present. *Prerequisites: SPAN-4680 Advanced Conversation and Composition; permission of instructor.* (even years)

SPAN-4790 20th Century Spanish Theatre–Sp 3 hours

Selected reading and analysis of outstanding Peninsular theatre from Benavente, García Lorca, and other post-Civil War period dramatists. *Prerequisites: SPAN-3640 Introduction to Hispanic Literature; permission of instructor.* (even years)

French

FREN-1910, 1920 Elementary French 4 hours/sem

Development of basic skills in reading, writing, speaking, and listening in French, along with an introduction to French culture.

German

GER-1810, 1820 Elementary German 4 hours/sem

Development of basic skills in reading, writing, speaking, and listening in German, along with an introduction to German culture.

Linguistics

LING-3080 Linguistics for Language Learning–Fa 3 hours

An analytical approach of language functioning applicable to learning any second language. Using theoretical-based approaches, the emphasis is on English language variations, phonology, morphology, and syntax. The student is also introduced to various theories of second (new) language acquisition at different age/grade levels. Second (new) language study as a means of personal development and the importance of second (new) language learning in modern society are addressed.

LING-3090 Sociolinguistics–Sp 3 hours

An overview of the relationship between language and society. Topics covered include ethnicity, social contact, change, and issues related to minority students such as education, immigration, migration, demographics, and historical and legal precedents. The student will also gain knowledge and cultural understanding of minority groups in Ohio. (even years)

LING-3600 1 hour

Clinical Teaching of English as a Second Language–Fa,Sp, Su

A practical experience in assisting an ESL classroom teacher in a K-12 ESL program. Under the supervision of a qualified ESL teacher, the student will observe and participate in a formal classroom setting. During this experience, the student will be provided various opportunities to aid the classroom teacher in the development and execution of activities and assessments and to practice teach on a limited basis. Ongoing during this experience, the student will analyze, evaluate, reflect on and describe his/her field experience. The student is expected to participate in 30 clock hours. Open only to TESOL endorsement teacher candidates. *Prerequisite: LING-3700 Methods of Teaching Foreign Language.*

LING-3610 Practicum–Fa,Sp,Su 2 hours

Independent teaching of ESL students under the general supervision of a master teacher. In a K-12 placement under the supervision of a qualified ESL teacher, the student will practice teaching in a formal classroom situation. During this experience, the student will be provided opportunities to establish goals and objectives and design curricula that reflect Ohio's grade-level learning outcomes in content areas. The student will also be given opportunities to select, adapt, create, and use varied resources appropriate to age, cultural groups, and different learning styles. Activities should include integrating technology in planning and delivering instruction and strategies for creating and maintaining communication with families. Practicum will also provide the student with knowledge and skills in assessment. Ongoing during this experience, the student will analyze, evaluate, reflect on, and describe his/her field experience. *Prerequisite: LING-3700 Methods of Teaching Foreign Language.* (Fee: \$45)

LING-3700 2 hours

Methods of Teaching Foreign Language–Fa

Examination of the purposes and objectives along with the methods used in the K-12 foreign language classroom instruction. The student studies the effect of cognitive, affective, and socio-cultural variables on second (new) language acquisition. The student is given the opportunity to establish goals and objectives and design curricula that reflect Ohio's grade-level learning outcomes in content areas, as well as to develop strategies that promote language-based English learning for K-12 grade-level students. *Prerequisite: admission to the teacher education or TESOL program.*

LING-3710 2 hours

TESOL Practicum for Non-Education Majors–Fa,Sp,Su

Practice teaching of ESL under general supervision of master teacher for non-education majors who are completing TESOL minor requirements. May be satisfied by a satisfactory completion of LING-3600 and LING-3610. *Prerequisite: LING-3700 Methods of Teaching Foreign Language.* Credit/No Credit. (Fee: \$45)

Music and Art

School of Humanities, Fine Arts, and Bible

Purpose Statement

The purpose of the Department of Music and Art is to help develop an appreciation and understanding of the musical and visual arts consistent with a biblical worldview. The department seeks to help students gain an understanding of the responsibility of stewardship, service, and worship that is placed upon those to whom God has given musical and artistic talents.

The Department of Music and Art seeks to:

1. Provide cognitive tools for developing a comprehensive and integrated understanding of music theory, history, and literature.
2. Provide preparation in the skills of conducting, arranging, composing, and musical performance.
3. Provide opportunities for the development of musical and artistic sensitivity.
4. Provide a wide spectrum of performance and ministry opportunities.
5. Provide foundational knowledge for entrance into a chosen music vocation or graduate school.

Personal Requirements (Music)

Auditions Applicants who wish to major in music should follow the standard procedures for admission. Satisfactory completion of an audition is required for approval as a music major. Students should contact the Department of Music to obtain requirements and to schedule an audition.

Scholarships Scholarship assistance is available to music majors who qualify on the basis of audition, academic record, and references. Additional academic scholarships and other types of financial assistance are available to qualified individuals through the Cedarville University Financial Aid Office.

Music Theory Exams All incoming students are required to pass the Music Theory Competency Exam. This test assures that students have the minimum knowledge necessary for college-level music theory courses. The exam is scheduled during "Getting Started" week activities.

Students who have had significant music theory training prior to attending Cedarville may take the Music Theory Test-Out Exam. Contact the Department of Music for additional information regarding this test.

Music Requirements

Music Student Handbook The *Music Student Handbook* is the authoritative statement on all department policy as it applies to the student. Each music student is responsible for following the policies and procedures contained in both the handbook and the university catalog.

Private Lessons are open to all music majors and minors with curricular need. Students are expected to take private lessons on their major instrument for each semester they are enrolled. Exceptions to this include students who are student teaching and other circumstances as deemed appropriate by the chairman.

Semester Performance Juries All music majors perform a jury in their primary performing area every semester. The jury is a short performance for a committee of music faculty. The grade from the jury counts for 25% of the final grade in private lessons for the semester. For performance majors, the jury counts for 33% of the final grade in private lessons.

Freshman Review After the second semester of study, freshmen are evaluated by a committee of music faculty to determine

whether they are making adequate progress to continue in the music program. Students who do not show satisfactory progress may be asked to change majors.

Sophomore Check While the primary screen for continuance in the music program occurs at the Freshman Review, student achievement is also checked at the end of the sophomore year to confirm adequate progress toward degree completion and admittance to upper-level music courses.

Piano Proficiency All music majors are expected to meet the minimum proficiency requirements for piano as established by the department. Piano placement is done during "Getting Started" week. Complete piano proficiency requirements are available in the music office.

Ensemble Participation Music majors are expected to participate in at least one ensemble every semester they are enrolled. Once the credit requirements for their majors are fulfilled, they may enroll for "zero" credit.

Recital and Program Attendance is required of all music majors and minors. All students must complete recital and program attendance each semester they are enrolled as a music major. Minors must take 2 consecutive semesters.

Capstone Recital or Project In addition to performance in general student recitals throughout the college experience, all music majors are required to exhibit a level of performance for graduation that meets the requirements and standards of the department. For all majors, the capstone requirement is a senior recital or project.

Fees Instrumental rental fee, per semester: \$50; practice room fee, per semester: \$100 (each hour of lesson credit). Classes that involve labs or university-provided student equipment may also have similar fees.

Programs of Study

The Department of Music and Art offers the following programs of study:

Bachelor of Arts (B.A.) in:

- Music
- Graphic Design

Bachelor of Music (B.M.) in:

- Church Music Ministries
- Composition
- Keyboard Pedagogy
- Performance

Bachelor of Music Education (B.M.E.) in:

- Choral
- Instrumental

Minors in:

- Art
- Church Music Ministries
- Graphic Design
- Music

Technical Resources

The Department of Music and Art relies heavily on the use of technology to accomplish its educational objectives. Music students will spend time in a state of the art music computer/synthesizer lab that allows them to practice ear training, produce printed musical scores, and complete fully orchestrated compositions. Graphic Design students render and complete class assignments in a fully equipped Macintosh computer lab using industry-standard programs.

Co-Curricular Opportunities

All students are invited to audition for the numerous choral and instrumental ensembles that perform in many different venues throughout the academic year. Students may also participate in one of a growing number of small chamber music groups. Music education majors and other music students interested in teaching may participate in the campus chapter of the Music Educators National Conference. This award-winning chapter provides many social, professional, and ministry opportunities for its members.

Career Opportunities

Graduate and professional schools welcome Cedarville graduates. Careers pursued by graduates of this department include:

- Graphic Artist
- Music supervisor
- Music therapist
- Performer
- Recording studio technician
- Retail music salesperson
- School teacher (elementary and secondary Christian or public schools)
- Studio teacher
- College professor
- Community arts manager
- Composer/arranger
- Instrument salesperson
- Minister of music
- Music editor
- Music librarian

Faculty

Steven Winteregg, *Chairman*: Professor of Music. *Education*: B.M.E., University of Cincinnati College-Conservatory of Music, 1974; M.M., Wright State University, 1979; D.M.A., The Ohio State University, 1987. At Cedarville since 2004.

Connie Anderson, Assistant Professor of Music. *Education*: B.A., Cedarville University, 1973; M.M., Wright State University, 1994. At Cedarville since 1999.

Lyle Anderson, Professor of Music. *Education*: B.M.E., Cedarville University, 1970; M.A., The Ohio State University, 1971; Ph.D., The Ohio State University, 1977. At Cedarville since 1970.

Terry Chamberlain, Associate Professor of Art. *Education*: B.S., Bob Jones University, 1970; M.A., Bob Jones University, 1972. At Cedarville since 1996.

Charles Clevenger, Professor of Music. *Education*: B.A., Bob Jones University, 1974; piano student of Imogene Darling, Laurence Morton, Raymond Dudley, and Richard Morris; M.M., University of Cincinnati College-Conservatory of Music, 1976; D.M.A., University of Cincinnati College-Conservatory of Music, 1985. At Cedarville since 1982.

Bruce Curlette, Associate Professor of Music. *Education*: B.S., Jacksonville State University, 1979; M.M., Eastman School of Music, 1981; clarinet student of D. Stanley Hasty; D.M.A., The Ohio State University, 1991; clarinet student of James M. Pyne. At Cedarville since 2001.

Michael DiCuirci, Professor of Music. *Education*: B.M., University of Michigan, 1971; euphonium/ trombone student of Fred Snyder, Abe Torchinsky, and Glenn Smith; M.M., University of Michigan, 1977. At Cedarville since 1979.

Taylor Ferranti, Assistant Professor of Vocal Music. *Education*: B.M., Crane School of Music at SUNY Potsdam, 1996; M.M., Boston Conservatory, 1999; D.M.A., Louisiana State University, 2004; voice student of Stephen F. Austin and Cornelius L. Reid. At Cedarville since 2004.

Timothy Frame, Assistant Professor of Graphic Design. *Education*: B.A., Morehead State University. At Cedarville since 2003.

Laila Kteily-O'Sullivan, Associate Professor of Music Theory. *Education*: B.M., North Texas State University, 1988; M.M., University of North Texas, 1990; Ph.D., University of North Texas, 1996. At Cedarville since 2000.

David Matson, Professor of Music History. *Education*: B.A., Cedarville University, 1960; graduate study, State College of Iowa, 1962-63; M.A., The Ohio State University, 1968; Ph.D., The Ohio State University, 1978. At Cedarville since 1965.

John Mortensen, Associate Professor of Piano. *Education*: B.M.A., University of Michigan, 1988; piano student of Anne Koscielny and Raymond Hanson; M.M., University of Maryland, 1990; D.M.A., University of Maryland, 1994. At Cedarville since 1995.

Roger O'Neel, Assistant Professor of Church Music. *Education*: B.M., Ouachita Baptist University, 1985; M.M. Choral Conducting, Southern Methodist University, 1987; M.M. Music Theory, Southern Methodist University, 1988; Ph.D., University of Texas at Austin, 1996. At Cedarville since 2002.

Charles Pagnard, Professor of Music. *Education*: B.M., Bowling Green State University, 1970; trumpet student of Sidney Mear, Richard Jones, Edwin Betts, and Ettore Chiudioni; M.M., Eastman School of Music, 1976; graduate study, University of Cincinnati College-Conservatory of Music, 1984. At Cedarville since 1977.

Beth Porter, Assistant Professor of Vocal Music. *Education*: B.M., Baylor University, 1984; M.A., Western Carolina University, 1996; voice student of Joyce Farwell. At Cedarville since 1997.

Mark Spencer, Associate Professor of Vocal Music. *Education*: B.A., Judson College, 1981; M.M., Southwestern Baptist Theological Seminary, 1984; D.M.A., Southwestern Baptist Theological Seminary, 1992; voice student of Jack Coldiron. At Cedarville since 1993.

Adjunct Faculty

- Lori Akins, flute
- Donald Compton, double bass
- Mary Davis-Fetherston, cello
- Bruce Grimes, sculpture ceramic
- Lisa Grove, oboe
- Chet Jenkins, saxophone
- Sheridan Kamberger, viola
- Jay LeBlanc, guitar methods
- Andrew Millat, trombone
- James O'Sullivan, percussion
- Lawrence Pitzer, guitar
- Carol Todd, music education
- Phyllis Warner, organ and piano, keyboard pedagogy
- Stacey Woolley, violin

The Concert Chorale is one of the many musical groups that performs regularly on campus and also travels throughout the country.

Music and Art

School of Humanities, Fine Arts, and Bible

Church Music Ministries

The church music ministries major prepares the music student for graduate studies or for ministry of music in churches that embrace evangelical traditions. Upon completing this course of study, students should be able to:

1. Demonstrate an understanding of and appreciation for the development of western civilization as it relates to life in general and to the music of the church.
2. Perform with expertise, making application to the evangelical traditions when appropriate.
3. Evaluate the musical and spiritual needs of a congregation and develop a music ministry program to meet those needs, integrating music into the *total life, mission, and purpose of the local evangelical church in its individual cultural setting.*
4. Demonstrate an understanding of and ability for developing, organizing, and administering a church music teaching and training program for evangelical churches.

Students pursuing this major must complete the general education core.

The following requirements involve 76 semester hours:

Proficiencies	0-8
Piano	0-5
CLMU-1810 Piano Class I	0-2
CLMU-1820 Piano Class II	0-2

Music

The Bachelor of Arts in Music is designed for students with a strong interest in music and other academic areas. It is ideal for musically-talented students who plan to go to graduate programs that will accept a bachelor's degree in any academic major. Examples include law, international studies, and music therapy.

The general studies credits within this major allow students to add specialized courses from any other area.

Course requirements involve 76 semester hours including:

Proficiencies	0-8
Piano	0-5
CLMU-1810 Piano Class I	0-2
CLMU-1820 Piano Class II	0-2
THMU-2140 Functional Keyboard	0-1

Music and Art

School of Humanities, Fine Arts, and Bible

Graphic Design

The B.A. in Graphic Design prepares students for a career in visual communication. The artist is generally identified as a graphic designer, visual designer, design consultant, or communication designer. More specifically, career opportunities include the design of advertising, exhibitions, publications, corporate identity, packaging, books, signs, magazines, multimedia presentations, and web pages. Every industrial, social, educational, service, and governmental organization needs communication items. Employment may be with an organization or business, a design agency, or in a free-lance capacity.

Students may choose to combine the major with a specific minor that enhances their potential for a wide diversity of graphic design-related career options, including professional writing, marketing, business management, or electronic media.

Minors

The **art minor** provides an opportunity for students with aptitude in the visual arts to receive formal instruction in art. In addition to skill-based instruction, special attention is given to building a philosophical and historical understanding of art from a scriptural perspective. It is suggested that students who minor in art begin the program no later than the sophomore year. Course requirements involve 17-18 semester hours, including 15 hours of art core and 2-3 hours of an art elective.

Course Descriptions

Art

ART-1100 Introduction to Art–Fa **3 hours**

Introduction to visual vocabulary and the understanding of visual communication: form, line, space, color, texture, and movement. Development of visual awareness and analytical thinking in response to works of art, use of media, and techniques and the application of design principles.

ART-1210 Drawing I–Fa,Sp **3 hours**

Investigation of the visual language used in drawing. Students work with concepts of point, line, and plane definition to develop an awareness of the elements used to indicate form in a variety of media. (Fee: \$75)

ART-1220 Drawing II–Sp **3 hours**

Further exploration in representing form and space with particular attention to figure and portrait drawing. Emphasis on personal interpretation and media experimentation. *Prerequisite:* ART-1210 Drawing I. (Fee: \$75)

ART-1230 Design I–Sp **3 hours**

An exploration of the visual elements and concepts of design utilizing a variety of media. *Prerequisite:* ART-1100 Introduction to Art. (Fee: \$75)

ART-2220 Design II–Fa **3 hours**

Theory and application of compositional elements and principles of design and visual organization. Manipulation of two- and three-dimensional forms to explore their expressive and structural possibilities. *Prerequisites:* ART-1210 Drawing I; ART-2210 Design I. (Fee: \$75)

ART-3210 Painting I–Fa **3 hours**

Studio. Exploration and basic understanding of use of color and light in representing form and space. Development of composition. Use of watercolor and oil. *Prerequisites:* ART-1210 Drawing I; ART-2210 Design I. (Fee: \$75)

ART-3220 Painting II–Sp **3 hours**

Studio. Study of the principles of composition, value, pattern, tone, mood, and color theories. Emphasis is placed on the creative process from concept to finished art. Imaginative and individual responses of the student increase throughout the course. *Prerequisite:* ART-3210 Painting I. (Fee: \$115)

ART-3230 Watercolor–Sp **2 hours**

A location painting watercolor course for students who have had drawing instruction and who have a basic understanding of composition and color theory. *Prerequisites:* ART-1210 Drawing I; ART-2210 Design I; or by portfolio. (Fee: \$115) (odd years)

ART-3310 Art History I–Fa **3 hours**

Survey of the development of Western art and architecture from the ancient world through the High Renaissance.

ART-3320 Art History II–Sp **3 hours**

Survey of architecture, painting, sculpture, and the graphic arts from Mannerism and the Baroque to the present. *Prerequisite:* ART-3310 Art History I.

ART-3330 Three-Dimensional Design–Fa **3 hours**

Application of principles of design and visual organization with emphasis on volume, mass, and rendering forms in space. *Prerequisite:* ART-1100 Introduction to Art, ART-1210

Music and Art

School of Humanities, Fine Arts, and Bible

Drawing I, ART-1230 Design I. (Fee: \$100)

ART-3410 Ceramics–Sp 3 hours

Studio. Provides an introduction to clay from construction to finished fired pieces. Students will build forms using basic hand-building techniques and the potter's wheel. Surface decoration will be emphasized using color, texture, and glazes. (Fee: \$115)

ART-4980 Special Topics in Art–Fa, Sp, Su 1-2 hours

This is a workshop for students who are interested in a collaborative studio learning experience in applied art. Applied areas to be offered include painting (watercolor, oil, acrylic), pottery, or photography. Rotation of course content will be determined by faculty schedules. In instances where Cedarville University faculty are acting as instructors in professional workshops held off-campus, Cedarville University students who participate and pay Cedarville tuition can earn elective credit. Actual contact hours would determine amount of credit granted. *Prerequisite: permission of the instructor.* (Fee: \$75).

ART-4990 Independent Study in Art 1-3 hours

Independent and intensive study in a particular area of art for individual students who demonstrate special interests and ability.

Church Music

CHMU-2060 Music and the Arts in Worship–Fa 3 hours

An introduction to and overview of the philosophy and history of church music ministry in the evangelical tradition, including the biblical foundation of worship and music, the philosophical foundations for various worship approaches, the application of biblical principles to past and present traditions, and biblical, cultural, and practical principles for worship and praise ministries.

CHMU-2100 Church Music Seminar–Fa, Sp 0 hours

A once-per-semester seminar designed to expose students to various aspects of church music ministry. The seminar may take the form of a lecture or masterclass. *Prerequisites: enrollment as a church music major or minor.*

CHMU-2200 Field Experience–Fa, Sp 1 hour

Initial field experience in a local church. Students are responsible for finding a place of ministry involvement to begin developing music ministry skills. Supervision will be provided by the church's pastor or minister of music. *Prerequisites: enrollment as a church music major or minor.*

CHMU-2600 Music of the Church–Fa 3 hours

An in-depth review of the past, present, and future of music in the church and its use in worship. The course provides tools that students can use to evaluate the quality and usefulness of various musical styles within the context of different worship traditions. (odd years)

CHMU-3630 Administering Church Music I–Sp 3 hours

Training in the organization, administration, planning, and presentation of vocal music in worship. Included in the course is a study of the administrative, organizational, and pedagogical methods for teaching and training children, youth, and adults, along with an extensive examination of music literature and curricula appropriate to different age groups. (odd years)

CHMU-3640 Administering Church Music II–Sp 3 hours

Training in the organization, administration, planning, and presentation of instrumental music in worship. Included in the course is a study of the development of small wind and brass ensembles, large ensembles, repertoire and the function of ensembles in worship and Christian education. (even years)

CHMU-4900 Church Music Internship 9 hours

Intensive field experience in a local church. Place of service is determined by student interest, recommendation of supervising faculty, availability of local church, and supervising minister of music. Students must apply for internships and receive endorsement from the advisor and the chairman of the Department of Music one academic semester before period of service desired and prior to registering. Students should see the director of the church music area for complete internship requirements.

CHMU-4990 Independent Study–Church Music 1-3 hours

Independent and intensive study in a particular area of church music for individual students who demonstrate special interests and ability.

Class Study

CLMU-1170 Diction for Singers I–Fa 2 hours

Students will master the rules of pronouncing Italian and Latin language song texts using the International Phonetic Alphabet. Classroom activities will include listening to, reading, and singing Italian and Latin language song texts.

CLMU-1180 Diction for Singers II–Sp 2 hours

Students will master the rules of pronouncing German and French language song texts using the International Phonetic Alphabet. Classroom activities will include listening to, reading, and singing German and French language song texts.

CLMU-1810 Piano Class I–Fa 2 hours

Group instruction in piano fundamentals. Required for music majors who are unable to pass the piano proficiency. Open to other individuals with permission of the instructor.

CLMU-1820 Piano Class II–Sp 2 hours

Continued group instruction in piano fundamentals and repertoire. *Prerequisite: CLMU-1810 Piano Class I.*

CLMU-1860 Voice Class–Fa 1 hour

Group instruction in basic vocal technique and repertoire. Enrollment open to any student not majoring in voice. Repeatable.

CLMU-2110 Song Literature–Sp 2 hours

Survey of literature for the solo voice from the onset of Thoroughbass to the 20th century. Analysis of scores will be done through recordings and live performances. (even years)

CLMU-2120 Oratorio Literature–Sp 2 hours

A chronological study of the world of oratorio beginning with the *Passions* of Johann Sebastian Bach continuing through Andrew Lloyd-Webber's *Joseph and the Amazing Technicolor Dreamcoat* and on to the staged oratorios of today. Class time is heavily devoted to aural and score analysis, with the occasional solos from major oratorio works. (odd years)

CLMU-2130 Opera Literature–Fa 2 hours

Designed to acquaint the student with the world of opera literature from the earliest opera *Euridice* written in 1600 to the present 21st century operas. Representative works will be discussed from the Baroque, Seria, Buffa, Bel Canto, Romantic, Verismo, English, and Contemporary American styles. (odd years)

CLMU-2140 Opera Workshop–Sp 1 hour

The coaching, staging, and performance of operatic literature in

Access to the modern music computer lab allows students to work on musical ideas and provides the means for putting creativity into practice.

scenes, recitals or full-scale productions. (odd years)

CLMU-2210 Brass Literature—Fa 1 hour

A survey of brass literature covering all historical periods but emphasizing the chamber music genre. (even years)

CLMU-2220 Percussion Literature—Sp 1 hour

A survey of literature for percussion with special emphasis on the 20th century. Total percussion will be considered. (even years)

CLMU-2230 String Literature—Sp 1 hour

A survey of string literature covering all historical periods but emphasizing the chamber music genre. (even years)

CLMU-2240 Woodwind Literature—Fa 1 hour

The study of the history and literature of the woodwind instruments (flute, oboe, clarinet, bassoon). (odd years)

CLMU-2300 Keyboard Literature—Sp 2 hours

A survey of music for the piano and its precursors, covering the period from 1600 to the present, with a focus on the works which have come to form the core of the repertoire. (odd years)

CLMU-2310 Collaborative Piano—Fa,Sp 1 hour

Supervised piano accompanying experience. The student is assigned to work with one vocalist or instrumentalist for the semester and will prepare music for studio lessons as well as public performances.

CLMU-2750 Performance Seminar—Fa,Sp 0 hours

A once-per-semester seminar, that may take the form of a lecture, masterclass, or recital.

CLMU-2760 Performance Portfolio—Fa,Sp 0 hours

The student will assemble and present materials, which demonstrate performance achievement and professional awareness. The portfolio may include documentation of performances, masterclass, and repertoire.

CLMU-2800 Intro to Music Composition—Sp 2 hours

Designed to introduce the student to the foundational concepts of musical composition. Students will gain facility with the tools of composition and will begin composing in various styles.

CLMU-2850 Composition Seminar—Fa,Sp 0 hours

A once-per-semester seminar designed to expose students to aspects of the compositional art that are not part of general class material. The seminar may take the form of a lecture, masterclass, or recital.

CLMU-2860 Composition Portfolio—Fa 0 hours

Designed as an opportunity for students to receive guidance and feedback on preparing, assembling, and presenting a composition portfolio. The portfolio may include documentation of performances, masterclasses, and completed compositions.

CLMU-3110 Choral Repertoire—Fa 2 hours

This course exposes the student to exemplary repertoire for choirs of all levels and voicings. Most class sessions are devoted to sight-reading and discussing a large number of choral pieces as well as evaluative listening to recordings. Open to all music majors, minors, and to all CU ensemble members. For music majors, it is recommended that this course be taken concurrently with CDMU-3630 Choral Methods.

Conducting

CDMU-2600 Introduction to Conducting—Fa 2 hours

The basic technique of the conductor's art: score reading, conducting patterns, interpreting, cueing, rehearsal procedures, and stylistic conceptualization. *Prerequisite: THMU-1210 Music Theory I or permission of instructor.*

CDMU-3610 Choral Conducting—Sp 2 hours

Concentrated focus upon the choral conductor's stylistic gestures and verbal communication as they impact ensemble intonation, diction, tone, blend, and balance. This course emphasizes diagnostic listening, problem solving, observation of professional conductors, the conducting of larger choral/instrumental works, and student rehearsal of various music department choral ensembles.

CDMU-3620 Instrumental Conducting—Sp 2 hours

Designed to take the student beyond basic conducting techniques and present the special characteristics of instrumental conducting. The student will develop skills in rehearsal tech-

nique and score analysis while learning to conceptualize musical fundamentals such as tone, intonation, balance, rhythmic ensemble, and interpretation. *Prerequisite: CDMU-2600 Introduction to Conducting.*

CDMU-3630 Choral Methods—Fa 2 hours

Further development of conducting skills with special emphasis placed upon the organization of a comprehensive school choral curriculum. Rehearsal strategies and vocal techniques are discussed and practiced as they apply to choirs of all levels and voicings. *Prerequisite: CDMU-2600 Introduction to Conducting or permission of the instructor.*

CDMU-4990 Independent Study in Conducting 1-3 hours

Independent and intensive study in a particular area of conducting for individual students who demonstrate special interests and ability. *Prerequisite: CDMU-3620 Instrumental Conducting; CDMU-3630 Choral Methods; or equivalent.*

Ensembles

PFMU-3100 Piano Ensemble—Fa,Sp 0-1 hours

The Piano Ensemble is an organization of advanced pianists, that meets weekly to perform duet and duo piano literature. The Ensemble performs publicly on a regular basis.

PFMU-3210 Jubilate—Fa,Sp 0-1 hours

Ministry team of 40 select voices; open to all students by audition. Repertoire is selected from a wide spectrum of musical styles in evangelical traditions. Meets twice a week. Annual tour Spring Semester.

PFMU-3650 Chamber Ensemble—Fa,Sp 0-1 hours

The performance of representative literature in a variety of instrumental and vocal settings. Groups are normally student-formed and faculty-led and can be either homogenous (all strings, all brass, etc.) or heterogeneous. NOTE: An instructor must be designated for a group before any of its members register for this course. *Prerequisites: permission of instructor; approval of the chair.*

PFMU-3800 Concert Chorale—Fa,Sp 0-1 hours

The Concert Chorale is a group of 60 select voices. Repertoire is chosen from a wide spectrum of musical styles, including choral masterpieces, sacred classics, anthems, spirituals, and tasteful contemporary works. Numerous concerts are presented each year on campus as well as in churches, schools, and other venues.

PFMU-3820 Men's Glee Club—Fa,Sp 0-1 hours

The Men's Glee Club has a membership of 50 voices, selected by audition. Literature includes traditional sacred and secular music from the Renaissance throughout the 20th century. Several concerts are presented each year on campus as well as in churches, schools, and other venues.

PFMU-3830 University Jazz Singers—Fa,Sp 0-1 hours

The University Jazz Singers is a chamber group made up of 12-14 select voices, accompanied by an auditioned rhythm section of piano, bass, drums, guitar, and percussion. Repertoire is selected from representative styles and eras of American jazz, as well as from other ethnic jazz traditions. The development of improvisational skill within the literature will be emphasized among participants. Numerous concerts and festival participation are planned each year. *Prerequisites: sophomore classification or higher; audition only.*

PFMU-3840 Women's Choir—Fa,Sp 0-1 hours

The Women's Choir consists of 50 treble voices, selected by audition. Repertoire embraces all historical periods and styles with performances on campus, in schools, churches, and civic meetings.

PFMU-3880 Brass Choir—Fa,Sp 0-1 hours

The Brass Choir of select instrumentation consists of 20 to 25 members. It serves the University and its constituency by performing concerts featuring the highest quality brass choir literature. Major concerts are performed each semester.

PFMU-3940 University Orchestra—Fa,Sp 0-1 hours

The Orchestra is composed of string, wind, brass, and percussion players selected by audition. The group performs challeng-

Music and Art

School of Humanities, Fine Arts, and Bible

ing, high quality literature in concerts on campus and has opportunities to minister in local churches.

PFMU-3970 Symphonic Band—Fa,Sp 0-1 hours

The Symphonic Band is composed of approximately 80 members, selected by audition. Performing quality band literature, the band has appeared before state and national conference audiences and in concert under the baton of such guest conductors as Jim Curnow, George Strombeck, and George Wilson. Several concerts are presented each year on campus, in churches, and in schools.

PFMU-3980 Jazz Band—Fa,Sp 0-1 hours

The Jazz Band has a membership of approximately 16 musicians, selected by audition. The group performs Big Band music and contemporary jazz standards. The band is active in both campus and off-campus activities.

General Music

GMUS-1000 Music Philosophy and Aesthetics—Fa 1 hour

Philosophical and scriptural foundation for the Christian concepts of musical creativity, musical worship, and stewardship. Understanding the unique teacher-student relationship in music. A first attempt at codifying a coherent, personal, Christian philosophy of music.

GMUS-1030 Recital and Program Attendance—Fa,Sp 0 hours

Music majors and minors must attend a prescribed number of programs and recitals each semester. Majors must enroll each semester. For a music minor, students must enroll for two consecutive semesters.

Graphic Design

GDES-1100 History of Graphic Design—Fa 1 hour

Survey of graphic design from pre-history through current practice. Highlighting significant stages in its development and pivotal influences including technological advances, individual works, key movements, schools of thought, and approaches relative to their time(s) and culture(s).

GDES-1150 Digital Image/Illustration—Fa 3 hours

An introduction to media and professional techniques used in digital illustration. GD majors and minors only. (Fee: \$50)

GDES-1220 Digital Image/Photography—Fa 3 hours

An introduction to digital imaging technology and professional techniques for image editing and photo manipulation. The course will provide opportunities to becoming proficient with the tools and techniques associated with Adobe Photoshop, the industry standard software for image editing, through classroom discussion, reading, research, and studio assignments. GD majors and minors only. (Fee: \$50)

GDES-2100 Typography—Fa 2 hours

An introduction to the study of typography and its role in the structuring of visual language and its relationship to the discipline of graphic design. The course will examine the history of letterforms, their sources, and their influences and will provide opportunities for learning principles and guidelines for the effective use of type in visual communications for a variety of media and messages. Students will learn to structure intelligent, creative type solutions through classroom discussion, reading, research, and studio assignments, including editorial, promotional, and informational applications of typography. *Prerequisites:* ART-1230 Design I; GDES-1150 Digital Image/Illustration. GD Majors and minors only. (Fee: \$50)

GDES-3220 Graphic Design I—Fa 3 hours

An introduction to the study of graphic design with emphasis on using the principles of design to communicate information and ideas in visual form. The course will provide opportunities to learn principles of visual communication and steps in the design process necessary to produce effective design solutions. Learning will be achieved through classroom discussion, reading, research, and studio assignments that center around producing concepts for both printed and electronic forms of information design. *Prerequisites:* GDES-2100 Typography;

GDES-1220 Digital Image/Photography. GD majors and minors only. (Fee: \$50)

GDES-3230 Production Design I—Fa 3 hours

An introduction to the technical processes required for the production of graphic design solutions in a variety of media. The course will provide opportunities to gain understanding of guidelines and requirements necessary for producing design documents in both conventional and electronic media. GD majors and minors only. (Fee: \$50)

GDES-4110 Portfolio—Fa,Sp 1 hour

This course will focus on developing professional presentation materials and communication skills required to present project work to design professionals and prospective employers. Previous project work will be refined along with additional project work necessary to emphasize interest in a particular area of specialization. Students will be required to develop a portfolio along with written communications for documenting their education, experience, and technical skills. Emphasis will also be given to developing verbal skills required for the interview process.

GDES-4220 Graphic Design II—Fa 3 hours

An in-depth study of visual communication design and its role in creating corporate and brand identity programs. *Prerequisites:* GDES-1150 Digital Image/Illustration; GDES-1220 Digital Image/Photography; GDES-3220 Graphic Design I; GDES-3230 Production Design I; or permission of the instructor. GD majors and minors only. (Fee: \$50)

GDES-4230 Production Design II—Sp 3 hours

An in-depth study of production methods and practices for application to 2-dimensional and 3-dimensional design concepts. *Prerequisites:* GDES-1150 Digital Image/Illustration; GDES-1220 Digital Image/Photography; GDES-3220 Graphic Design I; GDES-3230 Production Design I; or permission of the instructor. (Fee: \$50)

GDES-4900 Graphic Design Internship—Fa,Sp,Su 3-9 hours

The graphic design internship will give the student an opportunity to gain actual on-the-job experience with professionals in the graphic design industry. This opportunity will allow students to gain insight to the professional practices and approaches to solving communication challenges for a variety of business models and client types. This experience will become a valuable asset in competing for an entry-level position upon graduation.

History

HLMU-2100 Jazz History: Music of the Multi-Culture—Fa 3 hours

Survey of jazz as an American art form, as a representative of both Western and non-Western practices, which now make up our American multi-culture, and as the primary vehicle for the realization of improvisation within that multi-culture. Acquaints the student of music with jazz styles and the major figures in jazz history and assists in the discovery of jazz influence upon all other American music, both classical and popular. *Prerequisites:* THMU-1220 Music Theory II; THMU-1320 Aural Skills II.

HLMU-2310 Introduction to Music Literature—Sp 3 hours

Study of music by genre and chronology. Focuses upon art traditions in music. Students become familiar with a wide variety of music literature and learn to listen analytically. Serves as the introductory music history course for sophomore music majors.

HLMU-3310 Music History I—Fa 3 hours

Study of the music of Western civilization traced from its primitive sources and giving special attention to Medieval, Renaissance, and Baroque music as demonstrated through the vocal and instrumental music of composers from each period.

HLMU-3320 Music History II—Sp 3 hours

Study of the music of Western civilization traced from the 1580s to the present time.

HLMU-4110 Choral Literature—Sp 3 hours

An historical overview of choral music from 1400 to the present. Attention is given to primary genres of choral composition: motet, madrigal, mass, anthem, oratorio, passion, cantata, and orchestral works with choir. This course will serve as an elective

for majors in choral music education, church music, vocal performance, and Composition. (even years)

HLMU-4990 Independent Study in Music History 1-3 hours

Independent and intensive study in a particular area of music history for individual students who demonstrate special interests and abilities. *Prerequisites: HLMU-3310, 3320 Music History I, II.*

Humanities

HUM-1400 Introduction to the Humanities—Fa,Sp 3 hours

Historical study of the relationship of music, art, and literature to the dominant cultural, religious, and philosophical trends and their relationship to Christian theism.

HUM-2430 Enjoyment of Music—Fa 3 hours

The class is designed to present a study of music by genre and chronology. It will focus upon the art traditions in music.

Students will become familiar with a wide variety of music literature and will learn to listen analytically. The primary goal will be to bring students as far as possible along the road to being music lovers.

Keyboard Pedagogy

KPMU-2010 Keyboard Pedagogy I—Fa 3 hours

Study of techniques and literature for the teaching of beginning and intermediate piano students both in private and class settings. Includes study of graded teaching materials and participation in a supervised teaching setting. *Prerequisites: THMU-1210,1220 Music Theory I, II; THMU1310,1320 Aural Skills I, II.*

KPMU-2020 Keyboard Pedagogy II—Sp 3 hours

Discussion of pedagogical problems involving intermediate students; evaluations of piano literature and investigation of specific aspects of piano pedagogy through readings and discussion. Survey of piano literature and its predecessors—clavichord, harpsichord, and pianoforte—from the early English virginal music to the present time. *Prerequisite: KPMU-2010 Keyboard Pedagogy I.*

KPMU-3110, 3120, 4110, 4120 Directed Teaching—Fa,Sp 1 hour each

Supervised teaching experience in a private or class format with beginning to intermediate level piano students. *Prerequisites: KPMU-2010, 2020 Keyboard Pedagogy I, II.*

KPMU-3150 Keyboard Pedagogy Seminar I—Fa 2 hours

Designed to develop critical and creative teaching approaches for students of varying personality and learning styles with application to theory, technique, and music concepts needed by primary and elementary level piano students both in private and group settings. *Prerequisites: KPMU-2010,2020 Keyboard Pedagogy I, II.*

KPMU-3160 Keyboard Pedagogy Seminar II—Sp 2 hours

Survey of representative Baroque through 20th century literature for the advanced pre-college pianist. The course is enhanced with videos, required readings, and discussion relative to topics such as performance anxiety, technique, and performance style. *Prerequisites: KPMU-2010,2020 Keyboard Pedagogy I, II.*

KPMU-4150 Keyboard Pedagogy Seminar III—Fa 2 hours

Pedagogical methods and techniques using electronic studio in-class teaching. The course is enhanced with videos, required readings, and discussion relative to group teaching. *Prerequisites: KPMU-2010,2020 Keyboard Pedagogy I and II.*

KPMU-4160 Keyboard Pedagogy Seminar IV—Sp 2 hours

Continued application of various learning styles with application to developing musical performance in intermediate and advanced level piano students both in private and group settings. The course also includes an introduction to business practices for the independent piano teacher.

Music Education

EDMU-1000 MENC—Fa,Sp 0 hours

Music Educators National Conference is the primary professional organization for music teachers. The campus chapter provides informative seminars along with service activities. All music education majors are required to enroll in

this course as part of their professional development and career preparation. (Fee: \$25)

EDMU-2730 Wind and Percussion Methods—Sp 2 hours

Overview of the history, pedagogy, and performance techniques of all band instruments. Required for the vocal major pursuing the B.M.E. degree and instrumental performance majors; open to others by permission of the instructor. (Fee: \$40) (even years)

EDMU-2870 Brass Methods—Fa 2 hours

This course presents a framework of learning environments and varied activities through which students gain the knowledge and acquire the skills requisite to playing and teaching the brass instruments (i.e., trumpet, horn, trombone, baritone, tuba). (Fee: \$40) (even years)

EDMU-2900 Guitar Methods—Sp 1 hour

Study of the historical background and pedagogical and performance techniques of the guitar. Required of music education majors pursuing the choral track. Open to other students by permission of instructor. (Fee: \$40)

EDMU-2910 Woodwind Methods—Sp 2 hours

This course presents a framework of learning environments and varied activities through which students gain the knowledge and acquire the skills requisite to playing and teaching the woodwind instruments (i.e., flute, oboe, clarinet, saxophone, and bassoon). (Fee: \$40) (even years)

EDMU-2930 String Methods—Fa 1 hour

This course presents a framework of learning environments and varied activities through which students gain the knowledge and acquire the skills requisite to playing and teaching the string instruments (i.e., violin, viola, cello, string bass). (Fee: \$40) (odd years)

EDMU-2950 Percussion Methods—Sp 2 hours

Concentration in snare drum techniques and an introduction to tympani and tuned percussion methods. (Fee: \$40) (odd years)

EDMU-3710 Music for Early Childhood—Fa 3 hours

Music literature and teaching aids for children, including basic music theory, development of skills on keyboard, classroom

The Brass Choir consists of 20 to 25 brass players who perform several major concerts each year featuring the highest quality brass choir literature.

Music and Art

School of Humanities, Fine Arts, and Bible

instruments, and voice; music in the curriculum; and teaching music concepts. Field and clinical experiences are a requirement of this course. *Prerequisite: admission to the teacher education program; or permission of the instructor.* (Fee: \$30)

EDMU-3720 Music for Adolescent/Young Adults–Sp 3 hours

The history of and basis for music in the secondary curriculum, administration of the music program, methods of teaching music in groups, and sources of materials for instruction. Field and clinical experience are a requirement of this course.

Prerequisite: admission to the teacher education program or permission of the instructor. (Fee: \$30)

EDMU-3730 Vocal Pedagogy–Fa 2 hours

Philosophy, objectives, and techniques of offering vocal instruction at all levels with emphasis on vocal production and pedagogical approaches. *Prerequisite: CLMU-1860 Voice Class or completion of sophomore vocal review.* (even years)

EDMU-3750 Instrumental Pedagogy–Fa 2 hours

The study of techniques and literature for the teaching of wind, percussion, brass, and string students in the private studio. Investigation of studio teaching through readings interaction and discussion. *Prerequisite: PLMU 1000 and 2000 levels.* (odd years)

EDMU-3910 Instrumental Administration–Fa 3 hours

A course designed to present the philosophy, learning process, and organizational problems associated with beginning, intermediate, and advanced bands. Along with classroom instruction, students will be involved in marching band field experiences and hands-on instruction in the basic repair of band instruments.

(Fee: \$50) (even years)

EDMU-4990 1-3 hours

Independent Study in Music Education

Independent and intensive study in a particular area of music education for individual music education majors who demonstrate special interests and ability.

Music Theory

THMU-1010 2 hours

Introduction to Music Theory and Aural Skills–Fa

An intensive study of the rudiments of music: notation, pitch, and rhythm. These elements will be explored with aural and written components. These credits may not be substituted for any other music course. (Fee: \$30)

Students with artistic interest and ability are challenged to develop their skills from a Biblical perspective and viewpoint.

THMU-1210 Music Theory I–Fa 3 hours

Introduction to the basic materials and concepts of music. A foundational study of the essential building blocks of music, including rhythm, chord analysis, and harmony. Competency equivalency required of all music majors and minors. Open to all students. (Fee: \$30)

THMU-1220 Music Theory II–Sp 3 hours

Study of fundamental harmonies and tone relations used in musical composition: elementary written and keyboard harmony, melody writing and analysis. *Prerequisite: THMU-1210 Music Theory I or passing grade on placement examinations.* (Fee: \$30)

THMU-1310 Aural Skills I–Fa 2 hours

Introduction to techniques of basic aural musicianship, including singing, recognizing, and dictating intervals and chords within the diatonic major and minor systems by “guide tone” numeric scale degree method. *Corequisite: THMU-1210 Music Theory I.*

THMU-1320 Aural Skills II–Sp 2 hours

Continued study of basic aural musicianship techniques: at-sight singing, melodic pattern recognition, and chord dictation within both diatonic and basic chromatic major and minor systems by “guide tone” numeric scale degree method. Introduction to melodic dictation and full four-voice harmonic dictation. *Prerequisite: THMU-1310 Aural Skills I. Corequisite: THMU-1220 Music Theory II.*

THMU-1500 Introduction to Music Technology–Fa 1 hour

An introductory study of the use of computers and synthesizers in the production of printed musical scores. All students are expected to complete this course during their first year of study since the skills acquired in the course are used throughout their academic curriculum.

THMU-2140 Functional Keyboard Skills–Fa 1 hour

Students will develop skills in harmonization at sight, transposition, playing by ear, and other keyboard harmony skills specifically designed to meet the piano proficiency requirements. *Prerequisite: permission of the instructor.*

THMU-2210 Music Theory III–Fa 3 hours

Critical study and analysis of the chromatic harmony and formal structure of 18th and 19th century music. Creative work in traditional compositional forms.

THMU-2220 Music Theory IV–Sp 3 hours

Survey of contrapuntal techniques and analytical study of 20th century compositional techniques, including impressionistic, serial, neoclassical, and electronic practices: creative work in contemporary styles.

THMU-2310 Aural Skills III–Fa 2 hours

Intermediate aural musicianship techniques: at-sight singing, melodic pattern recognition, and chord dictation within both diatonic and chromatic major and minor systems by including syncopated and irregular rhythmic patterns as well as full four-voice harmonic dictation, including more advanced chromatic language. *Prerequisite: THMU-1320 Aural Skills II. Corequisite: THMU-2210 Music Theory III.*

THMU-2320 Aural Skills IV–Sp 2 hours

Advanced aural musicianship techniques: at-sight singing, melodic pattern recognition, and chord dictation within both diatonic and chromatic major and minor systems by “guide tone” numeric scale degree method. More advanced melodic, rhythmic, and harmonic dictation, including all tonal language, as well as some extended chromatic possibilities and introduction to the non-tonal tendencies of the 20th century. *Prerequisite: THMU-2310 Aural Skills III. Corequisite: THMU-2220 Music Theory IV.*

THMU-3110 Jazz Theory–Sp 3 hours

Study of the elements of jazz language, which will provide the student of music a basis for understanding and eventually performing and composing jazz repertoire through the study of its underlying principles. Further enables the discovery of musical structures and forms from selected jazz style periods

through detailed written and aural analysis. *Prerequisites:* THMU-2220 Music Theory IV; THMU-2320 Aural Skills IV.

THMU-3500 Advanced Music Technology–Sp 2 hours

In-depth study of notational techniques for music score production and the development of the skills required for sequencing musical compositions with computers and synthesizers. *Prerequisite:* THMU-1500 Introduction to Music Technology, passing grade on competency exam, or permission of instructor. (Fee: \$50)

THMU-4100 Counterpoint–Sp 3 hours

Survey of polyphonic music of the 18th century including analysis and experimental writing of species counterpoint, canon, two-part inventions, fugal expositions, and trio sonata movements. *Prerequisite:* THMU-2220 Music Theory IV. (odd years)

THMU-4110 Form and Analysis–Sp 3 hours

Theoretical study of the structure of musical forms presented by historical style period and corresponding analytical systems, continuation in Weber's traditional Roman numeral analysis, and introduction to Hindemith and Hanson's extended tonality techniques and 20th century methods, including atonal/serial designs of Schoenberg, Perle, and Forte. *Prerequisites:* THMU-2220 Music Theory IV; Thmu-2320 Aural Skills IV. (even years)

THMU-4130 Orchestration–Fa 2 hours

Designed to develop skills in scoring music for various instrumental groups. *Prerequisite:* THMU-2220 Music Theory IV. (Fee: \$30)

THMU-4140 Choral Arranging–Fa 2 hours

Study of arranging for the choral medium. Includes principles of arranging for children, youth, and adult choirs. Special attention given to arranging for large and small choral ensembles as accompanied by a variety of media including congregation, live instruments, MIDI, and audio sound tracks. Class presentation of student arrangements in a concert setting is provided. (Fee: \$30) (even years)

THMU-4990 1-3 hours

Independent Study in Theory/Composition

Independent and intensive study in a particular area of music theory or composition for individual students who demonstrate special interests and ability. Repeatable up to three credits.

Performance

Private instruction for credit in piano, voice, guitar, orchestral and band instruments, and composition is available to all music majors. Students with majors outside of the Department of Music need special approval from the department chairman.

Credit in performance lessons is based on a minimum of six hours of practice and one half-hour lesson per week for one hour of credit. An audition is required for initial registration. Continued registration is based upon satisfactory progress as determined each semester by the instructor. (Fee: \$100 per credit)

Private Study

PLMU-1000, 2000, 3000, 4000 Organ 1-2 hours

PLMU-1100, 2100, 3100, 4100 Piano 1-2 hours

PLMU-1200, 2200, 3200, 4200 Voice 1-2 hours

PLMU-1300, 2300, 3300, 4300 Trumpet 1-2 hours

PLMU-1310, 2310, 3310, 4310 1-2 hours

Trombone/Baritone Horn

PLMU-1320, 2320, 3320, 4320 French Horn 1-2 hours

PLMU-1330, 2330, 3330, 4330 Tuba 1-2 hours

PLMU-1400, 2400, 3400, 4400 Clarinet 1-2 hours

PLMU-1410, 2410, 3410, 4410 Flute 1-2 hours

PLMU-1420, 2420, 3420, 4420 Saxophone 1-2 hours

PLMU-1430, 2430, 3430, 4430 Oboe 1-2 hours

PLMU-1440, 2440, 3440, 4440 Bassoon 1-2 hours

PLMU-1500, 2500, 3500, 4500 Violin 1-2 hours

PLMU-1510, 2510, 3510, 4510 Viola 1-2 hours

PLMU-1520, 2520, 3520, 4520 Cello 1-2 hours

PLMU-1530, 2530, 3530, 4530 Double Bass 1-2 hours

PLMU-1550, 2550, 3550, 4550 Harp 1-2 hours

PLMU-1600, 2600, 3600, 4600 Guitar 1-2 hours

PLMU-1700, 2700, 3700, 4700 Percussion 1-2 hours

PLMU-2800, 3800, 4800 Music Composition 1-2 hours

PLMU-3900 Junior Recital 1 hour

Music major performance emphasis students should register for this course the semester they are ready to present their junior recital. Program is presented in a half recital format. (Fee: \$75)

PLMU-4900 Senior Recital 1 hour

Music majors should register for this course the semester in which their recitals are to be presented. Capstone course. (Fee: \$75)

PLMU-4910 Senior Seminar–Fa,Sp 1 hour/sem

One-on-one preparation for the senior project capstone presentation. The seminar may take the form of private studio instruction or research assistance. (Fee: \$100)

PLMU-4920 Senior Project–Sp 1 hour

The capstone project for the B.A. in Music degree. Students should register for this course at the same time as their second semester of Senior Seminar. (Fee: \$75)

All students with musical talents and abilities are encouraged to use their gifts "Soli Deo Gloria" (for the glory of God alone).

Nursing

School of Engineering, Nursing, and Science

Purpose Statement

We, the Department of Nursing at Cedarville University, are called to educate nursing students who fulfill God's purpose for their lives in local communities and throughout the world. Through the power of the Holy Spirit we are leaders in promoting the health of people in a variety of settings. We are devoted to God's service through the ministry of nursing.

The Department of Nursing seeks to produce graduates who demonstrate mastery in four primary areas: godly living, care, culture, and information management.

Accreditation and Licensure

National

The Department of Nursing Program is accredited by the Commission on Collegiate Nursing Education.

State

The Cedarville University Department of Nursing has full approval by the Ohio Board of Regents and the Ohio Board of Nursing.

Registration

Graduates are eligible for admission to the National Council Licensure Examination (NCLEX-RN) for licensure as a registered nurse in any state.

Personal Requirements

Students who wish to apply for admission to Cedarville University and major in nursing need a strong commitment to leading a godly lifestyle and to learning ways to use nursing as a ministry for Christ. A college preparatory curriculum including four years of both mathematics and science provides the best academic preparation for the nursing major. An ACT composite score of 24 (or SAT composite of 1100) or greater is required.

Department Requirements

Admission to Nursing Clinical Courses

Students apply for admission to the Department of Nursing clinical courses during the *spring semester of their sophomore year*. Students who meet the following criteria are admitted:

1. Earn a cumulative grade point average of 2.8 or higher.
2. Earn a "C-" or above in all required courses.
3. Write and have approved a statement of career goals.
4. Provide a recommendation from the respective academic advisor.
5. Provide appropriate health information.
6. Pay an application fee (\$25 non-refundable).
7. Provide evidence of liability insurance (\$1 million/\$3 million limits).
8. Maintain current certification in cardiopulmonary resuscitation (CPR).
9. Demonstrate computer literacy.
10. Demonstrate a level of health consistent with safe nursing practice.
11. Complete required prerequisite courses prior to enrollment in clinical nursing courses. (Students may leave no more than three outstanding general education or Bible courses prior to beginning nursing clinical courses.)
12. Have a plan for provision of own transportation to clinical experiences.

Retention Requirements

1. Earn a grade of "C-" or above in all nursing courses.
2. Maintain a cumulative GPA of 2.5 or higher at the end of each semester junior and senior year.
3. Maintain *current* CPR certification and professional liability insurance.
4. Attain clinical objectives.
5. Receive a positive recommendation by the faculty of the Department of Nursing.

Graduation Requirements

1. Earn a grade of "C-" or above in all nursing courses.
2. Register for admission to the examination for state licensure as a registered nurse.
3. Earn a passing score on a national standardized nursing examination selected by the faculty and taken during the spring semester of the senior year.
4. Receive a positive recommendation by the faculty of the Department of Nursing.
5. Meet university requirements for graduation.

Financial Aid

Federal Nursing Student Loans are available to qualified students who have been admitted to the nursing program. Some additional scholarships are available through our endowments although primarily offered to upperclassmen accepted into the Department of Nursing clinical courses. Information is available in the department office, the Financial Aid Office, and on the FAO homepage.

Programs of Study

Cedarville's nursing program leads to a Bachelor of Science in Nursing degree. Nursing students may also select a minor in cross-cultural nursing.

Licensed Nurses Who Wish to Earn a Bachelor of Science in Nursing (B.S.N.)

The curriculum plan for the R.N. and L.P.N. is individually designed on the basis of previous coursework. Interested students should request R.N.-B.S.N. or L.P.N.-B.S.N. education information from the Department of Nursing. Specific information concerning transfer admission and the transfer of college credit is in the Admissions section of this catalog.

Co-Curricular Opportunities

Christian Nurses Association

The Christian Nurses Association promotes spiritual growth and professional development for nurses and service for the community. Membership is open to all nursing students.

Technical Resources

- **Barrett Clinical Lab** Industry-standard technology for on-site learning of basic clinical skills required for nursing care
- **20-Station Multi-Media Lab** Equipped with a variety of software programs to supplement out-of-class student learning

Career Opportunities

Graduate and professional schools welcome Cedarville graduates. Nursing graduates obtain positions in the following settings: medical centers, public health departments, home health agencies, clinics, nursing homes, schools, work sites, mental health facilities, and the mission field.

Faculty

Irene Alyn, Chairman, Professor of Nursing. *Education:* B.A., Taylor University, 1962; Diploma, Cook County School of Nursing, 1962; M.S.N., University of Illinois, 1965; Ph.D., University of Illinois, 1972. At Cedarville since 1981.

Lois Baker, Professor of Nursing. *Education:* Diploma, Blodgett Memorial Medical Center School of Nursing, 1974; B.R.E., Grand Rapids Baptist College, 1975; B.S.N., Nazareth College, 1982; M.S.N., University of Cincinnati, 1984; Ph.D., Wayne State University, 1991. At Cedarville since 1984.

Carolyn Barnett, Instructor of Nursing (PT). *Education:* B.S.N., Cedarville University, 1986. At Cedarville since 1997.

Devon Berry, Assistant Professor of Nursing. *Education:* B.S.N., Cedarville University, 1995; M.S.N., Case Western Reserve University, 1997. At Cedarville since 1999.

Connie B. Ford, Assistant Professor of Nursing. *Education:* Diploma, Bethesda Hospital School of Nursing, 1977; B.S.N., Xavier University, 1989; M.S., Wright State University, 1992. At Cedarville since 1993.

Karen Callan, Instructor of Nursing (PT). *Education:* B.S.N., Cedarville University, 1985. At Cedarville since 1992.

Carolyn Carlson, Professor of Nursing. *Education:* B.S., Capital University, 1959; M.S., U.C.L.A., 1962; M.A., University of Colorado, 1972; Ph.D., University of Colorado, 1974. At Cedarville since 1988.

Linda Cave, Assistant Professor of Nursing. *Education:* B.S.N., University of Northern Colorado, 1981; M.S., University of Colorado Health Sciences Center, 1983. At Cedarville since 1989.

Sharon Christman, Associate Professor of Nursing. *Education:* B.S.N., Cedarville University, 1992; M.S., The Ohio State University, 1995; Ph.D., The Ohio State University, 2003. At Cedarville since 1997.

Janet Conway, Professor of Nursing. *Education:* Diploma, Hackley Hospital School of Nursing, 1965; B.S.N., Coe College, 1976; M.S., University of Arizona, 1979; Specialist in Clinical Nursing, Indiana University, 1982; Ph.D., University of Texas, 1988. At Cedarville since 1982.

Sandra Hayward, Associate Professor of Nursing. *Education:* B.S.N., Cedarville University, 1986; M.S., Wright State University, 1992. At Cedarville since 1992.

Chu-Yu Huang, Assistant Professor of Nursing. *Education:* A.D.N., Foo Yin Nursing Jr. College of Nursing, Taiwan, 1989; B.S.N., University of Dubuque, 1992; M.S.N., The Ohio State University, 1995; Ph.D., The Ohio State University, 2001. At Cedarville since 2001.

Kimberly Higginbotham, Assistant Professor of Nursing. *Education:* B.S.N., Cedarville University, 1993; M.S.N./P.N.P., University of Virginia, 2000. At Cedarville since 2000.

Kristine Kidder, Instructor of Nursing (PT). *Education:* B.S.N., Cedarville University, 1996. At Cedarville since 2003.

Mark Klimek, Associate Professor of Nursing. *Education:* B.S.N., University of Virginia, 1977; M.S.N., Wayne State University, 1979; graduate study, Wayne State University, 1987. At Cedarville since 1983.

Sara Larsen, Instructor of Nursing (PT). *Education:* B.S.N., Cedarville University, 1985. At Cedarville since 1997.

Suzanne Lefever, Instructor of Nursing (FT). *Education:* B.S.N., Goshen College, 1983; M.S., SUNY-Stony Brook Neonatal Nurse Practitioner Program (anticipated 2003). At Cedarville since 2001.

Jason Merritt, Instructor of Nursing (PT). *Education:* B.S.N., Cedarville University, 1999. At Cedarville since 2003.

David Sharp, Associate Professor of Nursing. *Education:* M.A., University of Aberdeen, Scotland, UK, 1977; M.Sc., University of Edinburgh, Scotland, UK, 1989; Ph.D., The Robert Gordon University, Scotland, UK, 1999; M.Sc., University of Edinburgh, Scotland, UK, 2001. At Cedarville since 2001.

Kimberly Sharp, Associate Professor of Nursing. *Education:* B.A., Cedarville University, 1982; B.S.N., Cedarville University, 1985; M.Sc., University of Edinburgh, Scotland, UK, 1989; Ph.D., The Robert Gordon University, Scotland, UK, 2000. At Cedarville since 2001.

Sandy Shortt, Wellness Center Coordinator (PT). *Education:* B.S.Ed., Central Michigan University, 1976; M.S.Ed., Virginia Polytechnic Institute and State University, 1978; Ed.D., Virginia Polytechnic Institute and State University, 1982. At Cedarville since 1997.

Judith Shrubsole, Associate Professor of Nursing. *Education:* Diploma, Hamilton Civic Hospital School of Nursing, 1965; Diploma, University of Western Ontario, 1967; B.Sc.N., University of Western Ontario, 1968; M.S., D'Youville College, 1992; D.N.Sc., Rush University, 2003. At Cedarville since 1992.

Rhonda Smith, Instructor of Nursing (PT). *Education:* B.S.N., Lynchburg College, 1988. At Cedarville since 2000.

Lisa Trefz, Assistant Professor of Nursing (PT). *Education:* Diploma in Nursing, Miami Valley Hospital School of Nursing, 1976; B.S.N., Wright State University, 1982; M.S.N., University of Cincinnati, 1999. At Cedarville since 1994.

Cedarville students work closely with their professors to learn valuable medical skills.

Nursing

School of Engineering, Nursing, and Science

Clinical Activity Information

Facilities

All clinical activity is conducted under the supervision of the Cedarville University Department of Nursing faculty. The program utilizes a number of community resources within 30 miles of the campus, including public and private, large and small hospitals, health departments, mental health services, rehabilitation centers, clinics, homes for the aged, and physicians' offices. *Students are responsible for transportation to and from clinical settings.* Car pools are encouraged to help defray transportation costs.

Health Information

Prior to clinical nursing courses, students must provide documentation of:

1. Complete physical examination.
2. Rubella and Rubeola immunity.
3. Negative Mantoux test. Clinical agencies may require a negative chest x-ray in the event of a positive TB skin test.
4. History of chicken pox or results of a Varicella Titer.
5. Childhood immunizations.
6. Tetanus booster (within past 5 years).
7. Hepatitis B vaccine series or signed declination.
8. Hep Vax (Hepatitis A) vaccine recommended.

Uniforms and Equipment

Each student must secure uniforms and photo identification prior to the first clinical experience. Students must purchase books and equipment needed in clinical settings.

Nursing Course Requirements

In addition to completing the General Education Requirements, nursing majors must take the following courses. These requirements are divided into two segments, *support cognate requirements* and *nursing major requirements*.

The support cognate requirements, many of which satisfy General Education Requirements, include:

BIO-2010 Human Anatomy and Physiology	4
BIO-2020 Advanced Clinical Physiology	4
BIO-2210 Microbiology	4
CHEM-1000 Principles of Chemistry	5
CHEM-1010 Principles of Biochemistry	5
HIST-3750 Social Movements	3
PYCH-1600 General Psychology	3
PYCH-2610 Statistics	3

The nursing major requirements involve 73 semester hours including:

NSG-1010 Member of Nursing Profession I	1
NSG-1020 Provider of Nursing Care I	2
NSG-2010 Member of Nursing Profession II	1
NSG-2020 Provider of Nursing Care II	2
NSG-2150 Nutrition	2
NSG-3010 Maternity and Women's Health Nursing	6
NSG-3020 Provider of Nursing Care III	2
NSG-3050 Nursing in Relationships	6
NSG-3070 Nursing Care of Diverse Populations	2
NSG-3080 Concepts in Basic Medical-Surgical Nursing ..	6
NSG-3090 Public Health Nursing	6
NSG-3110 Pharmacology	3
NSG-3150 Concepts in Gerontological Nursing	2
NSG-4010 Adult/Child Health Nursing	14
NSG-4050 Leaders as Managers in Clinical Nursing	10

NSG-4830 Theory in Nursing	2
NSG-4930 Nursing Research	3
*NSG-4950 Seminar in Nursing	3
*Capstone Course	

Nursing Major Curriculum Summary

Proficiency Requirements	0-5
Other General Education Requirements	33
Nursing Major Requirements	71
Required Cognates	31
Total (minimum, not including proficiency)	135

A complete description of the General Education Requirements is found on page 18

Suggested Four-Year Curriculum for a Major in Nursing

First year:

BEGE-1710 Christian Life and Thought	3
BEGE-1720 Spiritual Formation	3
CHEM-1000 Principles of Chemistry	5
CHEM-1010 Principles of Biochemistry	5
COM-1100 Fundamentals of Speech	3
ENG-1400 Composition	3
GSS-1000 Foundations of Social Science	3
HUM-1400 Introduction to the Humanities	3
NSG-1010 Member of Nursing Profession I	1
NSG-1020 Provider of Nursing Care I	2
PEF-1990 Physical Activity and the Christian Life	1
PYCH-1600 General Psychology	3
Total	35

Second year:

BEGE-2730 Old Testament Literature	3
BEGE-2740 New Testament Literature	3
BIO-2010 Human Anatomy and Physiology	4
BIO-2020 Advanced Clinical Physiology	4
BIO-2210 Microbiology	4
HIST-3750 Social Movements	3
NSG-2010 Member of Nursing Profession II	1
NSG-2020 Provider of Nursing Care II	2
NSG-2150 Nutrition	2
PYCH-2610 Statistics	3
Literature Elective	3
Physical Education Activity Elective	1
Total	33

Third year:

BEGE-3750 Christian Worldview Development	2
BEGE-3760 Christian Worldview Integration	2
NSG-3010 Maternity and Women's Health Nursing	6
NSG-3020 Provider of Nursing Care III	2
NSG-3050 Nursing in Relationships	6
NSG-3070 Nursing Care of Diverse Populations	2
NSG-3080 Concepts in Medical-Surgical Nursing	6
NSG-3090 Public Health Nursing	6
NSG-3110 Pharmacology	3
NSG-3150 Concepts in Gerontological Nursing	2
Total	37

Fourth year:

NSG-4010 Adult/Child Health Nursing	14
NSG-4050 Leaders as Managers in Clinical Nursing	10
NSG-4830 Theory in Nursing	2
NSG-4930 Research in Nursing	3
NSG-4950 Seminar in Nursing	3
Total	32

Cross-Cultural Nursing Minor

Students anticipating service in intercultural or international settings may choose an emphasis in cross-cultural nursing. Course requirements involve an additional 16 semester hours selected from:

ANTH-1800 Cultural Anthropology	3
BEPH-2260 Religion and Culture	3
BEPT-2400 Personal Evangelism	3
NSG-2200 Cross-Cultural Interactions	1
NSG-3200 Cross-Cultural Nursing Internship	1-3
NSG-4200 Culture and Health	3
NSG-4800 Independent Study	1-2

Course Descriptions

NSG-1010 Member of Nursing Profession I **1 hour**

An introduction to nursing education, practice, theory, and research. Includes discussion of professional ethics and factors that motivate and influence Christian nurses. As a member of the nursing profession, students are introduced to the use of information management skills to provide culturally-sensitive care, that is consistent with godly living.

NSG-1020 Provider of Nursing Care I **2 hours**

An introduction to the role of the nurse as a provider of nursing care. Emphasis on supervised practice and validation of foundational nursing skills. Assessment and decision-making processes are introduced within the Cedarville University five-dimensional nursing model. (Fee: \$100)

NSG-2010 Member of Nursing Profession II **1 hour**

An introduction to and application of professional nursing roles within the U.S. and global health care systems. Includes a focus on ways of thinking and an introduction to analytical judgment as a member of a profession from a Christian framework. *Prerequisite:* NSG-1010 Member of Nursing Profession I.

NSG-2020 Provider of Nursing Care II **2 hours**

An introduction to clinical decision-making processes with application to various pathophysiological conditions in providing nursing care. Focus is on the development of systematic approaches to assessing the health balance of individuals. Includes elements of a health history, performing physical examination, analysis and categorizing of physical response patterns, and communicating findings in appropriate terminology. *Prerequisite:* NSG-1020 Provider of Nursing Care I. (Fee:\$100)

NSG-2150 Nutrition **2 hours**

Study of normal nutrition and food consumption patterns of individuals and families of all ages within various cultures. Metabolism of food and nutrient utilization is described in a health balance framework. The use of nutrition as a resource to promote health is discussed. *Prerequisite:* CHEM-3710 Biochemistry; BIO-2010 Anatomy and Physiology; or permission of instructor.

NSG-2200 Cross-Cultural Interactions **1 hour**

Cross-cultural interactions are planned, purposeful experiences designed to gain information and understanding of missions and/or cross-cultural nursing. *Prerequisite:* permission of instructor.

NSG-3010 **6 hours**

Maternity and Women's Health Nursing—Fa,Sp

Course content and clinical experiences provide the student with the opportunity to facilitate the health balance of women and the childbearing family across the five dimensions. Students interact to support family members in their changing roles as they manage resources in response to new demands. Cultural implications for care of the childbearing family are presented. *Prerequisites:* NSG-2010 Member of Nursing Profession II; NSG-2020 Provider of Nursing Care II; NSG-3020 Provider of Nursing Care III (or corequisite) NSG-3110 Pharmacology (or corequisite). (Fee: \$100)

NSG-3020 Provider of Nursing Care III **2 hours**

Students learn information management skills of documentation, medical terminology, and abbreviations and develop technical skills for providing nursing care in various settings, including medication administration and providing preoperative care. Consideration is given to development of clinical role responsibilities of the nurse to development of clinically appropriate nursing interventions using a case study approach. *Prerequisites:* NSG-2010 Member of Nursing Profession II; nursing courses. (Fee: \$100)

NSG-3050 Nursing in Relationships **6 hours**

Introduces aspects of developing therapeutic relationships involving one-to-one and group interactions to achieve client-focused and professional goals. Focus is on effective communication as a member of the profession and provider of care. Using a Christian worldview, students analyze frameworks for promoting and restoring healthy relationships. Students participate in integration of care with other members of the interdisciplinary health care team in a variety of settings. Emphasis is on imbalances in thinking, emotions, and behaviors that interfere with individual and group processes and require external intervention to promote balance. *Prerequisites:* PSYCH-1600 General Psychology; NSG-2010 Member of Nursing Profession II; NSG-2020 Provider of Nursing Care II. (Fee: \$100)

NSG-3070 Nursing Care of Diverse Populations **2 hours**

Students develop information management skills when investigating societal structures that determine the cultural patterns of diverse populations. Issues of similarity and difference are explored as a basis for culturally sensitive practice. Concepts of health and illness direct examination of complex forces that maintain, threaten, and promote the health balance of individuals, families, and communities. *Prerequisites:* NSG-2010 Member of Nursing Profession II; NSG-2020 Provider of Nursing Care II; admission to clinical nursing courses; or permission of instructor.

Nursing students build relationships and gain valuable experience by working with patients of all ages.

Nursing

School of Engineering, Nursing, and Science

NSG-3080 Concepts in Medical-Surgical Nursing 6 hours

Focus on concepts of nursing necessary to provide care to adults across the five dimensions. Critical thinking, assessment, and communication skills consistent with biblical principles will be utilized to manage information and provide culturally appropriate care to individuals and family groups. Students begin to demonstrate competency in technical skills and the professional nursing role within the clinical and laboratory settings. *Prerequisites:* NSG-2010 Member of Nursing Profession II; NSG-2020 Provider of Nursing Care II; NSG-3020 Provider of Nursing Care III (or corequisite); NSG-3110 Pharmacology (corequisite). (Fee: \$100)

NSG-3090 Public Health Nursing 6 hours

Students focus on theoretical models of primary health care and health promotion. Contemporary health issues are examined in light of social policy initiatives and their impact on community building and disease prevention. Students use epidemiological and community resources to analyze and apply strategies for implementing community focused nursing practice. *Prerequisite:* NSG-3070 Nursing Care of Diverse Populations or permission of instructor. (Fee: \$100)

NSG-3110 Pharmacology 3 hours

Pharmacokinetics, pharmacodynamics, and pharmacotherapeutics of major drug categories are discussed as they are used to restore health balance. Special emphasis is given to the ways in which pharmacological agents may create new health demands. Nursing actions to prevent or minimize these demands are discussed. *Prerequisites:* CHEM-1010 Principles of Biochemistry; BIO-2020 Advanced Clinical Physiology; or permission of instructor.

NSG-3150 Concepts in Gerontological Nursing 2 hours

An overview of health, wellness, and changes in health in older adults across the five dimensions. Emphasis is on understanding the concepts of aging; access to care; assessment of functional, psychosocial, cognitive, and spiritual status; functional and psychosocial aspects of syndromes common to older adults; living with chronic health imbalances; medication management issues; elder mistreatment; promoting quality of life; and end-of-life care. *Prerequisites:* NSG-3020 Provider of Care III; NSG-3110 Pharmacology

NSG-3200 Cross-Cultural Nursing Internship 1-3 hours

Students actively participate in health-related activities in a facility established to provide care for persons in cultures different from theirs. The length of time involved in the internship may vary according to the student needs. *Prerequisites:* NSG-3080 Concepts in Medical-Surgical Nursing; permission of instructor.

NSG-4010 Adult/Child Health Nursing 14 hours

Focus is on common physiological imbalances of adults and children and the nursing care required to restore or promote health balance across five dimensions. Special emphasis is given to the application of biblical truth concerning illness, suffering, helping, and compassion, along with common moral and ethical issues encountered by nurses. Students gain increasing independence in professional nursing role development as designers and coordinators of care. *Prerequisites:* NSG-2150 Nutrition; NSG-3080 Concepts in Medical-Surgical Nursing; NSG-3090 Public Health Nursing; NSG-3110 Pharmacology. (Fee: \$100)

Because nursing students view their work as a ministry, they are able to impact many lives with the love of Christ.

NSG-4050 Leaders as Managers in Clinical Nursing 10 hours

Focuses on the observation and development of leadership/management skills and the nursing management of individuals or groups experiencing complex multidimensional health imbalances. Special emphasis is given to the biblical view of successful leadership/management. Students assume professional nursing roles working under the supervision of faculty, RN preceptors, clinical specialists, and/or various levels of nurse managers in their clinical area of choice. Students work full-time for five weeks following the preceptor's schedule and shift, including nights, weekends, and holidays. *Prerequisite:* NSG-4010 Adult/Child Health Nursing or permission of instructor. (Fee: \$100)

NSG-4090 Public Health Project—Fa,Sp 1 hour

Nursing students work in a collaborative relationship with a community to assess, intervene, and evaluate the capacity to improve the health of a population. *Prerequisites:* NSG-3070 Nursing Care of Diverse Populations; NSG-3090 Public Health Nursing. (Fee: \$50)

NSG-4200 Culture and Health 3 hours

Situations in which cross-cultural dilemmas emerge from the interaction of culture and health are analyzed to derive models for resolution. *Prerequisite:* junior/senior standing or permission of instructor.

NSG-4800 Independent Study in Nursing 1-3 hours

Independent learning to secure an extensive background in a specialized area of nursing. May be repeated once. *Prerequisite:* signed contract between student and instructor in which work to be completed is described.

NSG-4830 Theory in Nursing 2 hours

Theories of nursing and borrowed theory are studied to demonstrate conceptual frameworks for nursing care used to restore balance of resources and demands. Students comparatively analyze a data set using Christian nursing theory and at least one other set of assumptions. *Prerequisite:* NSG-4010 Adult/Child Health Nursing or permission of instructor.

NSG-4930 Nursing Research 3 hours

The research process is studied as an information management tool applied to the investigation of health balances and imbalances. Basic elements of the research process, including ethical issues, are discussed and applied to published nursing research and student proposals. *Prerequisites:* NSG-3080 Concepts in Medical-Surgical Nursing; PSYCH-2610 Statistics.

NSG-4950 Seminar in Nursing 3 hours

Focuses on trends in professional nursing. Students are challenged to integrate a Christian philosophy of nursing as they adopt the role of professional nurse. The political, legal, economic, social, and ethical factors that disrupt the balance of resources and demands in health care are debated. Capstone course. *Prerequisite:* NSG-4010 Adult/Child Health Nursing or permission of instructor.

The caring nature of nursing is characterized by a sensitive, compassionate approach that recognizes and respects the uniqueness and worth of individuals.

Psychology

School of Social Sciences and Professional Studies

Purpose Statement

The Department of Psychology seeks to:

1. Develop understanding of biblical content that has psychological impact and to investigate all psychological concepts in the light of scriptural truth.
2. Provide an analysis of the person from physical, emotional, rational, and spiritual levels.
3. Aid students in their personal adjustment to everyday life through an understanding of human behavior.
4. Prepare students for graduate study in psychology and related areas.
5. Train students desiring to use counseling in vocational ministry and in biblical counseling contexts.
6. Introduce students to the work world through internships, Christian ministries, guest lecturers, and advisement.
7. Provide courses in psychology necessary for teacher certification.

Personal Requirements

Some students who pursue a major in psychology are interested in providing human services to populations with special needs. Other psychology majors choose to focus on graduate school preparation, including research interests.

Department Requirements

All psychology majors must obtain a cumulative 2.0 grade point average or higher in their major for graduation.

Programs of Study

The Department of Psychology offers a Bachelor of Arts degree in the following programs of study:

Majors:

- Psychology
- Applied Psychology with emphases in:
 - Child and Family Studies
 - Counseling

Minor:

- Psychology

While significant flexibility exists in both the psychology and applied psychology majors, the latter program is particularly useful for students not intending to pursue graduate studies subsequent to earning the bachelor's degree. The applied psychology major provides more in-depth course work geared specifically toward human service jobs in child and family and counseling fields.

The psychology program is particularly useful to students who wish to earn a minor field of study at Cedarville, earn a double major, or take a sequence of courses in preparation for graduate school.

Co-Curricular Opportunities

Psychology majors have the opportunity to present papers at the Mid-America Undergraduate Psychology Research Conference and the Ohio Undergraduate Psychology Conference. In addition, the department sponsors the Alpha Psi Omega (APO) Psychology Club for qualifying psychology majors.

Technical Resources

Psychology students are able to conduct data analysis utilizing the University's SPSS software system. Counseling skill courses involve participation in simulated role-playing experiences. Personality inventories are utilized as part of courses in personality and psychological measurement.

Dr. Michael Firmin invests his life into students by way of mentoring, discipling, and providing individual guidance in the psychology discipline.

Career Opportunities

The Cedarville psychology department has a strong track record in seeing alumni placed in quality graduate psychology and counseling programs. In addition, graduates of the applied psychology major find ready placements in human service agencies after graduation. Careers pursued by psychology majors include:

- Author
- Behavior specialist M/R populations
- Chaplaincy
- Child therapist
- College counselor
- College professor
- Correctional institution counselor
- Counselor in local church
- Crisis pregnancy center director
- Dean of men/women
- Forensic psychologist
- Geriatric center counselor
- Guidance counselor
- Health psychologist in a hospital
- High school psychology teacher
- Industrial psychologist
- Marriage and family therapist
- Missions agency counselor
- Private practice
- Psychologist (clinical)
- School psychologist
- Social agency counselor
- State hospital counselor
- Substance abuse counselor

Psychology senior, Aaron Vaughn, presented research sponsored by Dr. Firmin and Dr. Hwang at the Mid-American Undergraduate Research Conference, which helped earn him a full scholarship for doctoral studies at Purdue University.

Faculty

Michael Firmin, *Chairman*: Professor of Psychology. *Education*: B.A., Calvary Bible College, 1983; M.A., Calvary Theological Seminary, 1985; M.S./Ph.D., Bob Jones University, 1987, 1988; M.A., Marywood University, 1992; Ph.D., Syracuse University, 2000. National Certified Counselor (NCC); Licensed Psychologist (OH). At Cedarville since 1998.

Robert Abbas, Professor of Psychology. *Education*: B.M., Northwestern College, 1959; B.A., Wartburg College, 1962; M.A., University of Northern Colorado, 1965; Ph.D., University of Missouri at Columbia, 1972. Licensed Psychologist (OH). At Cedarville since 1971.

Milton Becknell, Associate Professor of Psychology. *Education*: B.A., University of North Texas, 1973; B.S., Texas Christian University, 1977; M.S., University of Texas at Austin, 1980; Ph.D., University of Southern Mississippi, 1989. Diploma, American Board of Professional Psychology in Health Psychology (ABPP); Registered Nurse (TX); Licensed Psychologist (OH). At Cedarville since 2004.

Charles Dolph, Professor of Psychology. *Education*: B.A., Cedarville University, 1974; M.Ed., Georgia State University, 1982; Ph.D., Georgia State University, 1982. Licensed Psychologist (OH). At Cedarville since 1979.

Chi-en Hwang, Professor of Psychology. *Education*: B.S., National Taiwan University, 1977; M.A., University of Iowa, 1980; Ph.D., University of Iowa, 1986. At Cedarville since 1991.

Carl Ruby, Vice President for Student Services. *Education*: B.A., Cedarville University, 1983; M.A., Wheaton College, 1988; Ph.D., Ohio University, 1996. At Cedarville since 1989.

Luke Tse, Assistant Professor of Psychology. *Education*: B.A., Embry-Riddle Aeronautical University, 1991; M.Div., New Orleans Baptist Theological Seminary, 1995; Ph.D., New Orleans Baptist Theological Seminary, 2000. Licensed Professional Counselor (LPC); Clinical Member, American Association of Marriage and Family Therapists (AAMFT). At Cedarville since 2001.

Stanley Ballard, Professor Emeritus of Psychology. *Education*: Graduate, Moody Bible Institute, 1954; Th.B., Baptist Bible College, 1956; Th.M., Dallas Theological Seminary, 1964; M.S., North Texas State University, 1965; Ph.D., North Texas State University, 1971. At Cedarville from 1965-2001.

Dr. Chi-en Hwang helps students understand how using psychological tests helps with developmental needs.

Psychology

School of Social Sciences and Professional Studies

Psychology

The **psychology major** provides students with general exposure to the field of psychology in preparation for graduate study in psychology or a number of other human service positions.

Course requirements involve 40 semester hours including:

PYCH-1000 Orientation to Psychology	1
PYCH-1600 General Psychology	3
PYCH-2610 Statistics	3
PYCH-2640 Abnormal Psychology	3
PYCH-3610 History and Systems of Psychology	3
PYCH-3650 Psychology of Learning and Cognition	3
PYCH-3660 Fundamentals of Counseling	3
PYCH-3690 Social Psychology	3
PYCH-3730 Research Methods	3
PYCH-3900 Physiological Psychology	3
PYCH-4640 Literature Seminar in Psychology	3
PYCH-4950 Senior Research Project	3
*PYCH-4990 Psychology Internship	3

Select one human development elective from the following:

PYCH-2700 Child Development	3
PYCH-3700 Adolescent Development	3
PYCH-3710 Adult Development and Aging	3

*Capstone Course

Psychology Major Curriculum Summary

Proficiency Requirements	0-5
Psychology Major Requirements	40
Other General Education Requirements	46-54
Electives	42
Total (minimum, not including proficiency)	128

Professors such as Dr. Luke Tse prepare students for successful human service careers in secular environments as well as biblical counseling in ministry settings.

A complete description of the General Education Requirements is found on page 18

Suggested Four-Year Curriculum for a Major in Psychology

First year:

BEGE-1710 Christian Life and Thought	3
BEGE-1720 Spiritual Formation	3
COM-1100 Fundamentals of Speech	3
ENG-1400 Composition	3
GSS-1000 Foundations of Social Science	3

A complete description of the General Education Requirements is found on page 18

Applied Psychology

The **applied psychology major** provides students with strong undergraduate preparation in the areas of child and family studies and counseling. Applied psychology majors complete the same core courses as do the general psychology majors.

In addition, students take courses that are useful for pursuing jobs in human service fields after completing their baccalaureate degrees. The applied psychology major may be attractive to students who do not wish to declare a formal minor (other than Bible) and instead wish to complete additional psychology courses as part of their four-year program of study.

Course requirements include 37 semester credits of core psychology courses and an additional 23 credits in their applied emphasis.

<i>Psychology core requirements</i>	37
PYCH-1000 Orientation to Psychology	1
PYCH-1600 General Psychology	3
PYCH-2610 Statistics	3
PYCH-2640 Abnormal Psychology	3
PYCH-3610 History and Systems of Psychology	3
PYCH-3650 Psychology of Learning and Cognition	3
PYCH-3660 Fundamentals of Counseling	3
PYCH-3690 Social Psychology	3
PYCH-3730 Research Methods	3
PYCH-3900 Physiological Psychology	3
PYCH-4640 Literature Seminar in Psychology	3
PYCH-4950 Senior Research Project	3
<i>Select one human development elective (that is not required in the chosen emphasis) from the following:</i>	
PYCH-2700 Child Development	3
PYCH-3700 Adolescent Development.....	3
PYCH-3710 Adult Development and Aging.....	3

The **child and family studies emphasis** focuses on the development of traits that are commonly found in a healthy family. Healthy emotional and spiritual dimensions are emphasized along with the analysis of factors that lead to dysfunctional behavior and inadequate spiritual development. Course requirements include:

PYCH-2700 Child Development	3
PYCH-2750 The Parent and the Child	3
PYCH-3700 Adolescent Development.....	3
PYCH-4700 Behavioral Problems in Children	3
*PYCH-4990 Internship in Child and Family Studies	3
Elective hours in psychology	8

The **counseling emphasis** stresses relational skills, healthy growth, rational planning, and decision making involved in helping people of all ages who have personal, social, or spiritual concerns. Course requirements include:

PYCH-3630 Testing and Measurement	3
PYCH-3670 Group Dynamics	3
PYCH-3710 Adult Development and Aging	3
PYCH-4400 Counseling Skills.....	3
*PYCH-4990 Psychology Internship in Counseling	3
Elective hours in psychology	8

*Capstone Course

Psychology

School of Social Sciences and Professional Studies

Minor

The **minor in psychology** helps students who find that additional course work in psychology will support their major field of study. In particular, understanding people, human dynamics, and applying the scientific method to problem-solving strengthens students' vocational preparation and ultimate job success. The psychology minor is constructed to allow maximum flexibility across a large cross-section of majors at Cedarville University.

Course requirements involve 16 semester hours including:

PYCH-1600 General Psychology	3
PYCH-2640 Abnormal Psychology	3
Electives in psychology	10

Psychology internships are completed in a variety of contexts such as the picture above, showing Jennifer Brink working for a semester at the nation's leading animal training center in Chicago.

Course Descriptions

- PYCH-1000 Orientation to Psychology**–Fa,Sp **1 hour**
Acquaints the psychology major with various areas and issues in the field of psychology. Included will be its specialties, graduate school information, vocational opportunities, and legal and ethical matters. Should be taken during the freshman year.
- PYCH-1600 General Psychology**–Fa,Sp **3 hours**
Designed to provide a survey of modern scientific psychology. The course content centers on such topics as the foundations of psychology, development over the life span, how we experience the world, learning and thinking, motivation and emotion, personality, and social behavior. (Fee: \$5)
- PYCH-1800 Cross Cultural Psychology**–Fa,Sp **3 hours**
A survey course designed to make students sensitive to the impact of culture on life.
- PYCH-2600 Human Development: Life Span**–Sp **3 hours**
An analysis of the physiological, social, and psychological development of the individual from conception through the total life span.
- PYCH-2610 Statistics**–Fa,Sp,Su **3 hours**
Designed to provide an elementary coverage of descriptive and sampling statistics commonly used in psychology. Includes problems of measurement, measures of central tendency and dispersion, linear correlation, prediction, and simple tests of significance. (Fee: \$5)
- PYCH-2640 Abnormal Psychology**–Fa,Sp **3 hours**
Focus upon etiology, symptomatology, and prognosis of psychological disturbance. *Prerequisite: PYCH-1600 General Psychology.*
- PYCH-2700 Child Development**–Fa,Sp **3 hours**
A study of the physiological, psychological, and spiritual growth of the child from conception to the preadolescent level. Developmental research on family systems theory, the dynamic of roles and relationships within families and communities, and the influence of cultural practice and beliefs on family systems is emphasized.
- PYCH-2750 The Parent and the Child**–Sp **3 hours**
Designed to explore the basic value requisites for effective family living. Basic concepts such as love, communication, and parental modeling will be stressed.
- PYCH-2800 Addictions** **3 hours**
This course examines a variety of addictions including alcohol, drugs, food, sex, gambling, computer games/internet, and codependence. The course will focus on symptoms, causes, treatments, and impact on society. Students will be challenged to develop a biblical perspective.
- PYCH-2850 Psychology of Adjustment** **3 hours**
The systematic process of applying psychological principles to everyday issues of human life. Biblical perspectives are integrated into problem-solving paradigms for the development of a psychologically healthy personality.
- PYCH-3380 Health Psychology** **3 hours**
Designed to investigate the research and theory of many disciplines to understand how psychology and health are interconnected. The focus is on the major topics and problem areas in health psychology. (Fee: \$5)
- PYCH-3610 History and Systems of Psychology**–Fa,Sp **3 hours**
Major trends in the development of psychology from its beginning to the present. Emphasis is placed upon contemporary theory. *Prerequisite: PYCH-1600 General Psychology.*

PYCH-3630 Testing and Measurement—Fa 3 hours

Emphasis on measurement theory and its applications, including concepts of validity, reliability, and test construction and selection. *Prerequisite: PYCH-2610 Statistics.* (Fee: \$20)

PYCH-3640 Industrial/Organizational Psychology 3 hours

Psychology applied to the work world. Emphasis is on methodology and activities of industrial/organizational psychologists. *Prerequisite: PYCH-1600 General Psychology or permission of instructor.*

PYCH-3650 Psychology of Learning and Cognition—Fa,Sp 3 hours

Concepts and theories of learning and cognition with emphasis placed on personal applications of accepted procedures. *Prerequisite: PYCH-1600 General Psychology.*

PYCH-3660 Fundamentals of Counseling—Fa,Sp 3 hours

An introductory course emphasizing the underlying philosophies, current theories, and accepted procedures of counseling. *Prerequisite: PYCH-1600 General Psychology.*

PYCH-3670 Group Dynamics—Fa,Sp 3 hours

Group processes in a variety of group settings are the focus as this course explores the interaction of individuals and groups. Each student participates in a growth group as part of the course.

PYCH-3690 Social Psychology—Fa,Sp 3 hours

The study of the behavior of individuals as it is influenced by past and/or present interactions with social factors. *Prerequisite: PYCH-1600 General Psychology.*

PYCH-3700 Adolescent Development—Fa 3 hours

Recent research dealing with adolescents will be emphasized. Emphasis is placed on the interaction of cultural, social, and personal family variables. Spiritual variables are integrated into the developmental process. *Prerequisite: PYCH-1600 General Psychology.*

PYCH-3710 Adult Development and Aging—Sp 3 hours

The study of physical, psychological, social, and spiritual development and experience in the adult years. *Prerequisite: PYCH-1600 General Psychology.*

PYCH-3720 Psychology of Personality—Fa,Sp 3 hours

Contemporary theories of the development, organization, and dynamics of personality. (Fee: \$15)

PYCH-3730 Research Methods—Fa,Sp 3 hours

An introduction to methods utilized in psychological research; emphasis upon experimental methodology and research design. *Prerequisite: PYCH-2610 Statistics or permission of instructor.* (Fee: \$5)

PYCH-3750 Psychological Testing 3 hours

A survey of instruments frequently utilized in psychology. Assessments include intellectual, personality, and vocational interest inventories. Students have opportunities for self-assessment and are introduced to report writing and ethical principles of psychological testing. *Prerequisite: PYCH-1600 General Psychology.* (Fee: \$20)

PYCH-3900 Physiological Psychology—Fa,Sp 3 hours

Explores the physiological, biological, and anatomical mechanisms responsible for behavior. *Prerequisite: PYCH-1600 General Psychology.*

PYCH-4400 Counseling Skills—Fa,Sp 3 hours

Emphasis is on assisting individuals in ways of dealing with solving or transcending their problem situations. The methods and skills of helping others are investigated.

PYCH-4640 Literature Seminar in Psychology—Fa,Su 3 hours

Reports and discussions of research literature in psychology. Required of all psychology majors during their senior year. *Prerequisite: permission of instructor.*

PYCH-4650 Special Topics Seminar 1-3 hours

Various topics to be offered as interest demands. Available to students with special interests in psychology. *Prerequisite: permission of instructor.*

PYCH-4700 Behavioral Problems in Children—Fa 3 hours

An in-depth analysis of the effects of genetic, family, and environmental factors on the developmental patterns of children. A special emphasis will be placed on behavioral disorders of dysfunctional families.

PYCH-4950 Senior Research Project—Fa,Sp 3 hours

Provides opportunities for students to conduct an independent research project on a topic of interest and prepare a publishable paper under the supervision of an individual faculty advisor.

PYCH-4960 Independent Study in Psychology 1-3 hours

Independent research carried out by the advanced psychology student in an area of interest and usefulness to the student. *Prerequisite: permission of instructor.*

PYCH-4990 Psychology Internship—Fa,Sp,Su 1-9 hours

Junior and senior psychology majors may, with approval of the department, engage in psychological activity at a human service setting. One member of the psychology department will supervise the student's internship. The department will determine the number of credit hours that will be given for individual work experience. Repeatable to nine hours. Capstone course. *Prerequisite: permission of instructor.* (Fee: \$20)

Human service and people-helping comprise a significant focus of the psychology major.

Science and Mathematics

School of Engineering, Nursing, and Science

Purpose Statement

The Department of Science and Mathematics offers curricula in biology, chemistry, computer science, physics, mathematics, the earth-space sciences, and secondary science and mathematics education. The department seeks to present the natural sciences and mathematics as disciplines through which students can learn to understand creation and its Creator. They will learn how to exercise stewardship of this knowledge as professionals who seek to make a difference in their vocations for the glory of God and the benefit of family, church, community, and environment.

This department seeks to:

1. Provide a meaningful learning experience in the sciences and mathematics as part of the liberal arts core curriculum.
2. Aid students in developing clear and orderly thinking processes through the use of the techniques of science and mathematics.
3. Assist students in developing a biblical perspective of the sciences, which is essential in understanding controversial issues such as origin of life, biomedical ethics, and genetic engineering.
4. Prepare students for graduate study or further professional study in the medical, environmental, or agricultural sciences.
5. Prepare secondary teachers with a biblical perspective of science.
6. Prepare students to serve in other science-related vocations.

Personal Requirements

Students who enjoy and excel in high school mathematics and science courses possess the greatest potential for success as graduates of this department. Therefore, to prepare for the mathematics and science curricula, students should take a college preparatory curriculum which includes:

- Four units of English
- Four units of mathematics (algebra, geometry, and trigonometry)
- Four units of science (physical science, biology, chemistry, and physics)
- Three units of social science
- Three units of a single foreign language
- Electives in computers may also be helpful

All of Cedarville's outstanding science and mathematics programs benefit from the breadth and variety of course offerings available, a dedicated faculty, and our modern facilities.

Department Requirements

Programs of Study

The Department of Science and Mathematics offers the following programs of study:

Bachelor of Arts (B.A.) with majors in:

- Biology
- Chemistry
- Integrated Life Science Education
- Integrated Mathematics Education
- Integrated Physical Science Education
- Integrated Physics Education
- Integrated Science Education
- Mathematics
- Physics

Bachelor of Science (B.S.) with majors in:

- Biology
- Chemistry
- Computer Science
- Mathematics

Minors in:

- Biology
- Chemistry
- Computer Science
- Earth Science
- Mathematics
- Physics

Special programs:

- Environmental Biology
- Medical Technology
- Preagriculture
- Premedical (pre-health professions)
- Prepharmacy
- Prephysical Therapy

Co-Curricular Opportunities

- Chi Theta Pi (pre-health professions organization)
- Earth Stewardship Organization
- Emergency Medical Services Squad
- Math Club
- ASME computing competition

Technical Resources

- Molecular Modeling Software
- Laboratory simulations
- Biology and chemistry laboratory support
- Statistical Analysis Tools
- A.D.A.M. Interactive Anatomy
- Maple 8
- RASMOL
- Chem Sketch
- TeX
- MicroCalc 7.0
- DPGraph 2000
- Sigma Plot

Career Opportunities

Graduates of this department have gained admission to outstanding graduate and professional schools around the nation. Careers pursued by graduates include:

- Agricultural consultant
- Biologist
- Botanist
- Business actuary
- Chemist
- Chiropractor
- College professor
- Computer scientist
- Environmental scientist
- Environmental toxicologist
- Health professional
- Laboratory technician
- Mathematician
- Pharmacist
- Physical therapist
- Physicist
- Physician
- Researcher
- Software engineer
- Software programmer
- Statistician
- Teacher
- Wildlife biologist

Faculty

Dennis Flentge, *Chairman*: Professor of Chemistry. *Education*: B.S., Texas Lutheran College, 1969; Ph.D., Texas A&M University, 1974; Postdoctoral Research Fellow, University of Florida, 1974-75; Texas A & M University, 1976; Summer Faculty Research Fellow, Wright-Patterson Air Force Base, 1981, 1982, 1984-1988, 1990, 1996, 1997, 2001; graduate study, University of Wisconsin, summer, 1984. At Cedarville since 1980.

Donald Baumann, Professor of Biology and Chemistry. *Education*: B.S., Iowa State University, 1960; M.S., Iowa State University, 1962; Ph.D., Iowa State University, 1964. At Cedarville since 1964.

Edwin Braithwaite, Professor of Mathematics. *Education*: B.A., Western Washington University, 1966; M.A., Western Washington University, 1968; Ph.D., University of Illinois, 1975. At Cedarville since 1976.

Xidong Chen, Assistant Professor of Physics. *Education*: B.S., Shandong University, China, 1989; M.S., Institute of Physics, Chinese Academy of Sciences, 1992; Ph.D., University of Illinois, Urbana-Champaign, 1997; Postdoctoral Research Scientist, Argonne National Laboratory, 1997-2001. At Cedarville since 2001.

Leroy Eimers, Professor of Physics and Mathematics. *Education*: B.S., Hobart College, 1963; M.S., Syracuse University, 1966; Ph.D., Syracuse University, 1970. At Cedarville since 1981.

Darrin Frey, Associate Professor of Mathematics. *Education*: B.S., University of Nebraska, 1989; Ph.D., University of Michigan, 1995. At Cedarville since 1997.

David M. Gallagher, Associate Professor of Computer Science. *Education*: B.S., Electrical Engineering, United States Air Force Academy, 1978; M.S., Electrical Engineering, Air Force Institute of Technology, 1987; Ph.D., Electrical Engineering, University of Illinois, 1995. At Cedarville since 2000.

Steven Gollmer, Associate Professor of Physics. *Education*: B.S., Pillsbury Baptist Bible College, 1982; B.S., Northern Illinois University, 1985; M.S., University of Illinois, 1986; Ph.D., Purdue University, 1994. At Cedarville since 1994.

Larry Helmick, Senior Professor of Chemistry. *Education*: B.S., Cedarville University, 1963; Ph.D., Ohio University, 1968; postdoctoral research, University of Florida, 1974-75 and summers of 1969, 1970, 1971; University of Illinois, summers of 1972, 1973, 1974; Summer Faculty Research Fellow, NASA-Lewis Research Center, 1980-1987 and 1990-1993, 1998; National Research Council Senior Research Fellow, 1988-1989; Wright Laboratory, Wright-Patterson Air Force Base, 1994-1997. At Cedarville since 1968.

Aaron Hutchinson, Assistant Professor of Chemistry. *Education*: B.A., Cedarville University, 1998; A.B.D., University of Kentucky, 1998-2003. At Cedarville University since 2003.

William Jones, Assistant Professor of Biology. *Education*: B.A., Cedarville University, 1981; M.A., University of Akron, 1999. At Cedarville since 1999.

Heather Kuruvilla, Associate Professor of Biology. *Education*: B.S., Houghton College, 1992; Ph.D., State University of New York at Buffalo, 1997. At Cedarville since 1997.

Dali Luo, Associate Professor of Mathematics. *Education*: B.S., South China Institute of Technology, 1982; M.S., Claremont Graduate School, 1988; Ph.D., Washington State University, 1992; M.A., Grand Rapids Baptist Seminary, 2001; Th.M., Calvin Theological Seminary, 2003. At Cedarville, 1992-1998, 2001-present.

Mark McClain, Associate Professor of Chemistry. *Education*: B.A., Cedarville University, 1989; Ph.D., University of Michigan, 1994; Postdoctoral Fellow, Sandia National Laboratories, 1994-96; Summer Faculty Research Fellow, Air Force Research

Laboratory, 1997, 1999, 2000, 2001, 2002. National Research Council Senior Research Associate, 2003-2004. At Cedarville since 1996.

Douglas Miller, Professor of Chemistry. *Education*: B.S., University of Rochester, 1977; Ph.D., University of Colorado, 1981; postdoctoral research, University of Iowa, 1982; City University of New York, 1982-1984; Summer Faculty Research Fellow, NASA-Lewis Research Center, 1986-1990, 1992. At Cedarville since 1984.

Brandy Cowing Phipps, Assistant Professor of Biology. *Education*: B.S., University of Florida, 1998; M.S., Virginia Polytechnic Institute and State University, 2003; Ph.D., Virginia Polytechnic Institute and State University, 2004. At Cedarville since 2003.

Terry Phipps, Professor of Biology. *Education*: B.S., Cedarville University, 1970; M.S., Wright State University, 1974; Ph.D., The Ohio State University, 1987. At Cedarville since 1978.

Kevin Roper, Assistant Professor of Mathematics. *Education*: B.S., Southampton University, England, 1979; M.Ed., University of South Carolina, 1988; M.A., University of Kentucky, 1992; Ph.D., University of Kentucky, 1995. At Cedarville 1995-97, 2000-present.

Alicia Schaffner, Assistant Professor of Biology. *Education*: B.S., Purdue University, 1992; Ph.D., The Ohio State University, 2000. At Cedarville since 2000.

Robert Schumacher, Assistant Professor of Mathematics. *Education*: B.S., Computer Science, United States Air Force Academy, 1970; M.S., Operations Research, Air Force Institute of Technology, 1979. At Cedarville since 1993.

Keith Shomper, Associate Professor of Computer Science. *Education*: B.A., University of Northern Colorado, 1983; M.S., Air Force Institute of Technology, 1984. Ph.D., The Ohio State University, 1993. At Cedarville since 2003.

John Silvius, Professor of Biology. *Education*: B.A., Malone College, 1969; graduate study, Western Michigan University, 1970; Ph.D., West Virginia University, 1974; postdoctoral study, University of Illinois, 1974-76. At Cedarville since 1979.

Dennis Sullivan, Professor of Biology. *Education*: B.S., Youngstown State University, 1974; M.D., Case Western Reserve University, 1978; Diplomate, American Board of Surgery, 1985; Fellow, American College of Surgeons, 1996. At Cedarville since 1996.

John Whitmore, Associate Professor of Geology. *Education*: B.S., Kent State University, 1985; M.S., Institute for Creation Research, 1991; Ph.D., Loma Linda University, 2003. At Cedarville since 1991.

Otis Wright, Associate Professor of Mathematics. *Education*: B.Sc. (Hons.), The University of Sydney, Australia, 1987; M.A., Princeton University, 1989; Ph.D., Princeton University, 1991. Postdoctoral research, University of North Carolina at Chapel Hill, 1998-1999. At Cedarville since 2002.

Daniel Wetzel, Professor Emeritus of Physics and Mathematics. *Education*: B.S., Morehead State College, 1955; M.S., University of Cincinnati, 1963; Ph.D., The Ohio State University, 1971. At Cedarville since 1963.

Technical Support Staff

Eric Johnson, Science Laboratory Technician. *Education*: B.A., Cedarville University, 1988. At Cedarville since 2003.

Karl M. Napekoski, Biology Laboratory Instructor. *Education*: B.S., Cedarville University, 2004.

Science and Mathematics

School of Engineering, Nursing, and Science

Biology–Bachelor of Arts

The **Bachelor of Arts degree with a major in biology** provides general course background in the biological sciences.

Course requirements involve 53 semester hours including:

<i>Biology Core Requirements</i>	36
BIO-1110 Introduction to Biology	4
BIO-1120 General Zoology	4
BIO-2130 General Botany and Ecology	5
BIO-2250 Cell Biology	4
BIO-3300 Genetics	4
BIO-3710 Biochemistry	4
*BIO-4800 Senior Seminar–Biology	1
Biology electives	10
<i>Departmental requirements</i>	17
CHEM-1110, 1120 General Chemistry I, II	8
CHEM-3510 Organic Chemistry I	5
GMTH-1030 Precalculus	4

*Capstone Course

Biology Major (B.A.) Curriculum Summary

Proficiency Requirements	0-5
Other General Education Requirements	42-50
Biology Major Requirements	53
Electives	25-33
Total (minimum, not including proficiency)	128

Students preparing for medicine, dentistry, osteopathy, or any of the **health professions** should refer to page 176 for a list of courses generally recommended for admission to professional colleges.

Students anticipating **graduate study** in biology should consider completing the Bachelor of Science in biology curriculum.

Students interested in environmental biology will benefit through interaction with Professor of Biology, Dr. John Silvius.

A complete description of the General Education Requirements is found on page 18

Suggested Four-Year Curriculum for a Major in Biology–B.A.

First year:

BEGE-1710 Christian Life and Thought	3
BEGE-1720 Spiritual Formation	3
BIO-1110 Introduction to Biology	4
BIO-1120 General Zoology	4
CHEM-1110, 1120 General Chemistry I, II	8
ENG-1400 Composition	3
GMTH-1030 Precalculus	4
PEF-1990 Physical Activity and the Christian Life	1
Physical Education Activity Elective	1
Total	31

Second year:

BEGE-2730 Old Testament Literature	3
BEGE-2740 New Testament Literature	3
BIO-2130 General Botany and Ecology	5
BIO-2250 Cell Biology	4
CHEM-3510 Organic Chemistry I	5
COM-1100 Fundamentals of Speech	3
GSS-1000 Foundations of Social Science	3
HUM-1400 Introduction to the Humanities	3
Literature Elective	3
Total	32

Third year:

BEGE-3750 Christian Worldview Development	2
BEGE-3760 Christian Worldview Integration	2
BIO-3300 Genetics	4
BIO-3710 Biochemistry	4
Biology Electives	8
Humanities Elective	3
Electives	10
Total	33

Fourth year:

BIO-4800 Senior Seminar–Biology	1
Biology Elective	3
History Elective	3
Social Science/Global Awareness Elective	3
Electives	22
Total	32

Biology–Bachelor of Science

The **Bachelor of Science degree with a major in biology** prepares students for graduate study in the biological sciences by including the course requirements prescribed by many of the leading graduate-level biology degree programs in the nation. This major enhances the student's depth of knowledge in biology and increases the breadth of exposure to chemistry, mathematics, and physics.

Course requirements involve 80 hours including:

<i>Biology Requirements</i>	44
BIO-1110 Introduction to Biology	4
BIO-1120 General Zoology	4
BIO-2130 General Botany and Ecology	5
BIO-2250 Cell Biology	4
BIO-3300 Genetics	4
BIO-3710 Biochemistry	4
BIO-3800 Biological Research	2
*BIO-4800 Senior Seminar–Biology	1
Biology electives	16
<i>Departmental Requirements</i>	36
CHEM-1110, 1120 General Chemistry I, II	8
CHEM-3510, 3520 Organic Chemistry I, II	10
MATH-1710, 1720 Calculus I, II	10
PHYS-2110, 2120 General Physics I, II	8

*Capstone Course

Biology Major (B.S.) Curriculum Summary

Proficiency Requirements	0-5
Other General Education Requirements	42
Biology Major Requirements	80
Electives	6
Total (minimum, not including proficiency)	128

Students interested in careers in **environmental biology** should refer to page 175 for the requirements of that special program.

Students preparing for medicine, dentistry, osteopathy, or any of the **health professions** should refer to page 176 for a list of courses generally recommended for admission to professional colleges.

Cedarville's rigorous academic programs prepare students for the career or graduate program of choice.

A complete description of the General Education Requirements is found on page 18

Suggested Four-Year Curriculum for a Major in Biology–B.S.

First year:

BEGE-1710 Christian Life and Thought	3
BEGE-1720 Spiritual Formation	3
BIO-1110 Introduction to Biology	4
BIO-1120 General Zoology	4
CHEM-1110, 1120 General Chemistry I, II	8

Science and Mathematics

School of Engineering, Nursing, and Science

Chemistry–Bachelor of Arts

The **Bachelor of Arts degree with a major in chemistry** prepares students for careers in the health professions, technical business professions, and other science related vocations.

Course requirements involve 52.5 semester hours including:

<i>Chemistry Requirements</i>	31
CHEM-1110, 1120 General Chemistry I, II	8
CHEM-2210 Analytical Chemistry I	3
CHEM-2800 Introduction to Research in Chemistry	1
CHEM-3510, 3520 Organic Chemistry I, II	10
CHEM-4310 Physical Chemistry I	4
*CHEM-4800 Senior Seminar–Chemistry	1
Chemistry electives	4
<i>Departmental Requirements</i>	21.5
BIO-1000 Principles of Biology	3.5
(or BIO-1110 Introduction to Biology	4)
MATH-1710, 1720 Calculus I, II	10
PHYS-2110, 2120 General Physics I, II	8

*Capstone Course

Chemistry Major (B.A.) Curriculum Summary

Proficiency Requirements	0-5
Other General Education Requirements	42-50
Chemistry Major Requirements	52.5
Electives	25.5-34
Total (minimum, not including proficiency)	128

Students anticipating **graduate study** should consider completing the Bachelor of Science in chemistry curriculum.

Students preparing for medicine, dentistry, osteopathy, or any of the **health professions** should refer to page 176 for a list of courses generally recommended for admission to professional colleges.

A complete description of the General Education Requirements is found on page 18

Suggested Four-Year Curriculum for a Major in Chemistry–B.A.

First year:

BEGE-1710 Christian Life and Thought	3
BEGE-1720 Spiritual Formation	3
CHEM-1110, 1120 General Chemistry I, II	8
COM-1100 Fundamentals of Speech	3
ENG-1400 Composition	3
MATH-1710, 1720 Calculus I, II	10
PEF-1990 Physical Activity and the Christian Life	1
Physical Education Activity Elective	1
Total	32

Second year:

BEGE-2730 Old Testament Literature	3
BEGE-2740 New Testament Literature	3
CHEM-2210 Analytical Chemistry I	3
CHEM-2800 Introduction to Research in Chemistry	1
GSS-1000 Foundations of Social Science	3
HUM-1400 Introduction to the Humanities	3
PHYS-2110, 2120 General Physics I, II	8
Literature Elective	3
Electives	5
Total	32

Third year:

BEGE-3750 Christian Worldview Development	2
BEGE-3760 Christian Worldview Integration	2
BIO-1000 Principles of Biology	3.5
CHEM-3510, 3520 Organic Chemistry I, II	10
CHEM-4310 Physical Chemistry I	4
Humanities Elective	3
Social Science/Global Awareness Elective	3
Electives	5
Total	32.5

Fourth year:

CHEM-4800 Senior Seminar–Chemistry	1
Chemistry Electives	4
History Elective	3
Electives	24
Total	32

Chemistry–Bachelor of Science

The **Bachelor of Science degree with a major in chemistry** prepares students for graduate study in chemistry and for careers in industry or research. The degree requirements provide training in each of the primary areas of chemistry with the necessary support in mathematics, physics, and biology.

Course requirements involve 68.5 semester hours including:

Chemistry Requirements	47
CHEM-1110, 1120 General Chemistry I, II	8
CHEM-2210, 2220 Analytical Chemistry I, II	6
CHEM-2800 Introduction to Research in Chemistry	1
CHEM-3510, 3520 Organic Chemistry I, II	10
CHEM-3410 Inorganic Chemistry	3
CHEM-4310, 4320 Physical Chemistry I, II	8
*CHEM-4800 Senior Seminar–Chemistry	1
Chemistry electives	7
Departmental Elective	3
Departmental Requirements	21.5
BIO-1000 Principles of Biology	3.5
(or BIO-1110 Introduction to Biology	4)
MATH-1710, 1720 Calculus I, II	10
PHYS-2110, 2120 General Physics I, II	8
*Capstone Course	

Chemistry Major (B.S.) Curriculum Summary:

Proficiency Requirements	0-5
Other General Education Requirements	42
Chemistry Major Requirements	68.5
Electives	17.5-18
Total (minimum, not including proficiencies)	128

Classes are taught by dedicated Christians who are specialists in their scientific fields.

A complete description of the General Education Requirements is found on page 18

Suggested Four-Year Curriculum for a Major in Chemistry–B.S.

First year:

BEGE-1710 Christian Life and Thought	3
BEGE-1720 Spiritual Formation	3
CHEM-1110, 1120 General Chemistry I, II	8
COM-1100 Fundamentals of Speech	3
ENG-1400 Composition	3
MATH-1710, 1720 Calculus I, II	10
PEF-1990 Physical Activity and the Christian Life	1
Physical Education Activity Elective	1
Total	32

Second year:

BEGE-2730 Old Testament Literature	3
BEGE-2740 New Testament Literature	3
BIO-1000 Principles of Biology	3.5
CHEM-2210, 2220 Analytical Chemistry I, II	6
CHEM-2800 Introduction to Research in Chemistry	1
GSS-1000 Foundations of Social Science	3
HUM-1400 Introduction to the Humanities	3
PHYS-2110, 2120 General Physics I, II	8
Literature Elective	3
Total	33.5

Third year:

BEGE-3750 Christian Worldview Development	2
BEGE-3760 Christian Worldview Integration	2
CHEM-3510, 3520 Organic Chemistry I, II	10
CHEM-4310, 4320 Physical Chemistry I, II	8
History Elective	3
Social Science/Global Awareness Elective	3
Electives	4
Total	32

Fourth year:

CHEM-3410 Inorganic Chemistry	3
CHEM-4800 Senior Seminar–Chemistry	1
Chemistry Electives	7
Department Elective	3
Humanities Elective	3
Electives	13.5
Total	30.5

Science and Mathematics

School of Engineering, Nursing, and Science

Computer Science– Bachelor of Science

The **computer science major** provides coursework and training in computer science. Patterned closely after the curriculum model proposed by the Computer Science Accreditation Board, this major prepares students for careers as software engineers, software programmers, and computer scientists.

Course requirements involve 73.5 semester hours including:

<i>Computer Science Core Requirements</i>	39
CS-1210 C++ Programming	2
CS-1220 Object-Oriented Design Using C++	3
CS-2210 Data Structures Using Java	3
CS-3210 Programming Language Survey	3
CS-3310 Operating Systems	3
CS-3410 Algorithms	3
CS-3510 Compiler Theory and Practice	3
CS-3610 Database Organization and Design	3
*CS-4810,4820 Software Engineering I, II	7
EGCP-1010 Digital Logic Design	3
EGCP-2110 Microprocessors	3
EGGN-3110 Professional Ethics	3
<i>Technical Electives chosen from the following:</i>	7
Any 3000- or 4000-level computer science course	1-3
EGCP-3010 Advanced Digital Logic Design	3
EGCP-4110 Comp. Architecture & Adv. Microprocessors	3
EGCP-4210 Advanced Computer Architecture	3
MATH-3610 Linear Algebra	3
MIS-3000 Systems Analysis and Design	3
MIS-3400 Data Communications and Networking	3
Other courses with pre-approval of department chair	
<i>Mathematics and Science Requirements</i>	27.5
CHEM-1050 Chemistry for Engineers	3.5
(or CHEM-1110 General Chemistry I	4)
MATH-1710,1720 Calculus I, II	10
MATH-2510 Discrete Mathematics for Comp. Science	3
MATH-3110 Probability and Statistics I	3
PHYS-2110, 2120 General Physics I, II	8
*Capstone Course	

Computer Science Major (B.S.) Curriculum Summary

Proficiency Requirements	0-6
Other General Education Requirements	45.5-48.5
Computer Science Major Requirements	73.5
Electives	6-9
Total (minimum, not including proficiency)	128

A complete description of the General Education Requirements is found on page 18

Suggested Four-Year Curriculum for a Major in Computer Science–B.S.

First year:

BEGE-1710 Christian Life and Thought	3
BEGE-1720 Spiritual Formation	3
CS-1210 C++ Programming	2
CS-1220 Object Oriented Design Using C++	3
EGCP-1010 Digital Logic Design	3
ENG-1400 Composition	3
GSS-1000 Foundations of Social Science	3
MATH-1710, 1720 Calculus I, II	10
PEF-1990 Physical Activity and the Christian Life	1
Physical Education Activity Elective	1
Total	32

Second year:

BEGE-2730 Old Testament Literature	3
BEGE-2740 New Testament Literature	3
CHEM-1050 Chemistry for Engineers	3.5
COM-1100 Fundamentals of Speech	3
CS-2210 Data Structures Using Java	3
CS-3210 Programming Language Survey	3
HUM-1400 Introduction to the Humanities	3
MATH-2510 Discrete Mathematics for Computer Science	3

Adolescent and Young Adult Licensure Programs

The Department of Science and Mathematics joins with the Department of Education to offer adolescent/young adult licensure programs in the following areas:

- Integrated Life Science
- Integrated Mathematics
- Integrated Physical Science
- Integrated Physics
- Integrated Science (comprehensive)

The course requirements for each licensure field are outlined under each major. However, the following courses are common to all adolescent/young adult majors in this department:

<i>Teacher Education</i>	39
COM-2300 Voices of Diversity	3
EDSE-4000 Reading in the Content Area: AYA	3
EDSE-4100 Principles of Teaching	5
EDSE-4450 Adol/Young Adult Clinical Experience	3
EDSE-4900 Student Teaching and Seminar: AYA	10-12
EDSP-2000 Teaching Children with Exceptionalities	2
EDSP-2050 Special Education Field Experience	1
EDSP-4000 Principles of Inclusion	1
EDUC-1000 The Education Profession	1
EDUC-1050 Contemporary Christian Schools	0
EDUC-2000 Introduction to Teaching	2
EDUC-2100 Technology in the Classroom	2
EDUC-2200 Multicultural Field Experience	1
EDUC-2500 Educational Psychology	3
EDUC-4500 Philosophy of Education	2

Specific information regarding admission to the Teacher Education Program and course descriptions are located in the Department of Education section in this catalog.

Integrated Life Science Education–Bachelor of Arts

Course requirements involve 60.5 semester hours including:

<i>Biology Core Requirements</i>	28
BIO-1110 Introduction to Biology	4
BIO-1120 General Zoology	4
BIO-2130 General Botany and Ecology	5
BIO-2250 Cell Biology	4
BIO-3300 Genetics	4
*BIO-4800 Senior Seminar–Biology	1
<i>Biology Electives chosen from following:</i>	6
BIO-3410 Invertebrate Zoology	3
BIO-3450 Human Structure and Function I	3
BIO-3460 Human Structure and Function II	3
BIO-3510 Plant Physiology	3
BIO-3520 Plant Taxonomy	3
BIO-3610 Environmental Physiology and Ecology	4
BIO-4300 Molecular Biology of the Cell	4
BIOA-3600 Topics in Environmental Biology	4
<i>Physical Science/Mathematics/Science Methods</i>	32.5
CHEM-1110, 1120 General Chemistry I, II	8
CHEM-3510 Organic Chemistry I	5
CHEM-3710 Biochemistry	4
GSCI-1010 Principles of Earth Science	3.5
GMTH-1030 Precalculus	4
PHYS-1010 College Physics I	5
SCED-3110 Clinical Teaching in Science	1
SCED-3120 Teaching Science	2
<i>Teacher Education</i>	39

A complete description of the General Education Requirements is found on page 18

Suggested Four-Year Curriculum for a Major in Integrated Life Science Education–B.A.

<i>First year</i>	
BEGE-1710 Christian Life and Thought	3
BEGE-1720 Spiritual Formation	3
BIO-1110 Introduction to Biology	4

Proficiency Requirements	0-5
Other General Education Requirements	39-47
Integrated Life Science Education Major Requirements	60.5
Teacher Education Requirements	39
Total (minimum, not including proficiency)	138.5

Science and Mathematics

School of Engineering, Nursing, and Science

Integrated Mathematics Education– Bachelor of Arts

Course requirements involve 48 semester hours including:

<i>Mathematics Core Requirements</i>	33
MATH-1710, 1720 Calculus I, II	10
MATH-1990 Beautiful Math Structures and Thinking	3
MATH-2210 Logic and Methods of Proof	3
MATH-3050 Algebraic Structures for Secondary Education* ..	4
MATH-3110 Probability and Statistics I	3
MATH-3800 Research Methods in Mathematics	1
MATH-4410 Euclidean and Non-Euclidean Geometry	3
**MATH-4800 Capstone Experience in Mathematics	3
<i>One course from the following:</i>	3
MATH-3550 Discrete Mathematics: Graph Theory	3
MATH-3560 Discrete Mathematics: Combinatorics ..	3
<i>Physics/Computer/Math Methods</i>	15
PHYS-2110, 2120, 2130 General Physics I, II, III	10
MTED-3110 Clinical Teaching in Mathematics	1
MTED-3120 Teaching Mathematics	1
<i>Three credits from the following:</i>	3
CS-1210 C++ Programming	2
MATH-2800 LaTeX for Technical Documents	1
MIS-2000 Structured Programming	3

Teacher Education 39

*A student may replace MATH-3050 by taking MATH-3500, MATH-3610, and MATH-4610.

**Capstone Course

Science and Mathematics

School of Engineering, Nursing, and Science

Mathematics–Bachelor of Arts

The **Bachelor of Arts degree with a major in mathematics** provides coursework and training in advanced mathematics. Because of the general nature of this curriculum and opportunity to complement the major with electives from other fields of study, this curriculum provides excellent preparation for graduate study in areas that require good quantitative and/or analytical skills such as philosophy, business, and theology. This liberal arts major also prepares students for a wide variety of career opportunities that require a general Bachelor of Arts degree. The flexibility of this major enables students to select their mathematics and other electives to meet educational or career goals.

Students should include courses in astronomy, chemistry, and physics as general electives.

Course requirements involve 53 semester hours including:

<i>Mathematics Core Requirements</i>	41
CS-1210 C++ Programming	2
MATH-1990 Beautiful Math Structures and Thinking	3
MATH-1710, 1720, 2710 Calculus I, II, III	13
MATH-2210 Logic and Methods of Proof	3
MATH-2740 Differential Equations	3
MATH-3610 Linear Algebra	3
MATH-3800 Research Methods in Mathematics	1
MATH-4800 Capstone Experience in Mathematics	3
PHYS-2110, 2120, 2130 General Physics I, II, III	10
<i>Electives (meeting the following criteria)</i>	12
<i>Applied courses (at least three (3) hours from the following applied courses)</i>	3
EGME-2050 Computational Methods	4
MATH-3110, 4110 Probability and Statistics I, II	6
MATH-3550 Discrete Mathematics: Graph Theory	3
MATH-3640 Introduction to Operations Research	3
MATH-3750 Introduction to Dynamical Systems	3
MATH-4210 Mathematical Methods for Physicists	3
*MATH-4880 Topics in Mathematics	1-3
MATH-4900 Independent Study in Mathematics	1-3
<i>Theoretical Courses (at least three (3) hours from the following theoretical courses)</i>	3-9
MATH-3500 Number Theory	3
MATH-3550 Discrete Mathematics: Graph Theory	3
MATH-3560 Discrete Mathematics: Combinations	3
MATH-3710 Advanced Calculus	3
MATH-3740 Complex Variables	3
MATH-4410 Euclidean and Non-Euclidean Geometry	3
MATH-4450 Topology	3
MATH-4610, 4620 Abstract Algebra I, II	6
MATH-4710, 4720 Real Variables I, II	6
MATH-4880 Topics in Mathematics	1-3
MATH-4900 Independent Study in Mathematics	1-3

Minors

The minors in the Department of Science and Mathematics are designed to provide non-majors with additional background in the biological sciences, mathematics, and physical sciences.

Course requirements for the **biology minor** involve 19 semester hours including:

BIO-1110 Introduction to Biology	4
BIO-1120 General Zoology	4
BIO-2130 General Botany and Ecology	5
Biology Electives	6

Course requirements for the **chemistry minor** involve 19 semester hours including:

CHEM-1110,1120 General Chemistry I, II	8
CHEM-2210 Analytical Chemistry I	3
CHEM-3510 Organic Chemistry I	5
Chemistry Electives	3

Course requirements for the **earth science minor** involve 20 semester hours including:

ESCI-1110 Introduction to Physical Geology	4
ESCI-1120 Historical Geology	4
ESCI-2310 Introduction to Oceanography	4
ESCI-2410 General Meteorology	4
ESCI-2510 Introductory Astronomy	4

Course requirements for the **mathematics minor** involve 19 semester hours including:

MATH-1710, 1720 Calculus I, II	10
Mathematics Electives selected from the following:	9
MATH-2210 Logic and Methods of Proof	3
MATH-2710 Calculus III	3
MATH-2740 Differential Equations	3
Any 3000- or 4000-level mathematics course	

Course requirements for the **physics minor** involve 16 semester hours including:

PHYS-2110, 2120, 2130 General Physics I, II, III	10
PHYS-3510 Modern Physics I	3
Physics Electives	3

Course requirements for the **computer science minor** involve 27 semester hours including:

CS-1210 C++ Programming	2
CS-1220 Object-Oriented Design Using C++	3
CS-2210 Data Structures Using Java	3
CS-3410 Algorithms	3
EGCP-1010 Digital Logic Design	3
MATH-1710, 1720 Calculus I, II	10
Electives (choose one from the following)	3
EGEE-3370 Probability and Random Processes	3
MATH-3110 Probability and Statistics I	3

Special Programs

The **environmental biology curriculum** within the biology major provides undergraduate preparation for students who are pursuing careers in such fields as conservation biology, wildlife biology, environmental toxicology, and environmental health. In addition to formal courses in biology, chemistry, and mathematics, employment criteria for these professions include prior experience (e.g. as a summer employee or intern), field biology skills (i.e., plant/animal taxonomy, and habitat assessment and improvement), interpersonal skills, mathematical and communication skills, and the ability to reason critically and integrate across disciplines.

Students in the environmental biology program must complete the requirements for the B.S. in biology, including 16 hours of electives chosen from the list below:

<i>*Electives selected from the following:</i>	16
BIO-2210 Microbiology	4
BIO-3410 Invertebrate Zoology	3
BIO-3420 Vertebrate Zoology	3
BIO-3510 Plant Physiology	3
BIO-3520 Plant Taxonomy	3
BIO-3610 Environmental Physiology and Ecology	4
BIOA-3600 Topics in Environmental Biology (Au Sable Institute Courses)	4-12
BIO-4910 Environmental Biology Internship	4
*12 of the 16 elective hours must be 3000-4000 level courses.	

Students pursuing *environmental education* (e.g. interpretive naturalist) may also elect to complete requirements for state teacher licensure through the university Department of Education. The environmental biology curriculum can also serve as a useful component for students who plan to serve in missions ministries through programs related to soil, water, and plant/animal resource management.

Cedarville professors strive to integrate a biblical perspective in every class.

Science and Mathematics

School of Engineering, Nursing, and Science

The **preagriculture curriculum** is designed to satisfy the technical and nontechnical requirements of the first two years of a typical agriculture program. Students should research agricultural schools to which they wish to transfer at the junior level so that application materials can be completed in advance of deadlines. The preagriculture students should confer with their advisor to select electives based upon the following criteria:

- the requirements of the school to which they will transfer after leaving Cedarville University.
- the specific agricultural program they wish to enter.

Course requirements include core requirements and an emphasis in either agriculture business or agriculture science.

Core requirements include:

BEGE-1710 Christian Life and Thought	3
BEGE-1720 Spiritual Formation	3
BIO-1110 Introduction to Biology	4
CHEM-1110 General Chemistry I	4
ENG-1400 Composition	3
GMTH-1030 Precalculus	4
(or MATH-1710 Calculus I	5)
GSS-1000 Foundations of Social Science	3
HUM-1400 Introduction to the Humanities	3

The *agriculture business emphasis* prepares students for careers in the industry and business phases of agriculture.

Course requirements include:

<i>Two courses (selected from):</i>	10
ACCT-2110 Principles of Accounting	3
BIO-1120 General Zoology	4
BIO-2130 General Botany and Ecology	5
BIO-2210 Microbiology	4
BIO-3300 Genetics	4
BUS-2150 Statistics	3
ECON-2330, 2340 Micro and Macroeconomics	6
MGMT-3500 Principles of Organization and Management	3
MIS-1100 Introduction to Computers	1
Humanities Electives	6
Social Science Elective	3

The *agriculture science emphasis* prepares students for careers including agronomy, animal science, food science, and horticulture.

Course requirements include:

BIO-1120 General Zoology	4
BIO-2130 General Botany and Ecology	5
CHEM-3510, 3520 Organic Chemistry I, II	10
MATH-1720 Calculus II	5
MATH-3110 Probability and Statistics I	3
Biological Science Elective	4
(or CHEM-3710 Biochemistry	4)
Humanities Elective	3
Social Science Elective	3

A **medical technology** option is available within the biology major. The student must spend one year in a hospital internship program to become a certified medical technologist. Prerequisites to the hospital internship include: 16 hours of biology, 16 hours of chemistry, one mathematics course, and completion of all General Education Requirements.

Students may do an internship during their senior year with 32 hours of transfer credit applied to the biology major upon

successful completion of the internship. Many students complete the requirements for a biology major first and then take the internship after graduation from Cedarville University.

Predental, Premedical, Preoptometric, Preosteopathic, and Preveterinary Medicine

Cedarville University students have been successful in gaining admission to medical and professional schools. For many of these schools, no specific major is required; however, students typically choose majors in biology or chemistry. In addition to general degree requirements, the following courses are recommended for admission:

Biology courses:

BIO-1110 Introduction to Biology	4
BIO-1120 General Zoology	4
BIO-2210 Microbiology	4
BIO-3300 Genetics	4
BIO-3420 Vertebrate Zoology	3
(or BIO-4410 Vertebrate Embryology	3)
BIO-3450, 3460 Human Structure and Function I, II	7
BIO-4710 Principles of Bioethics	3
(or BIO-3770 Pathophysiology	3)

Chemistry courses:

CHEM-1110, 1120 General Chemistry I, II	8
CHEM-3510, 3520 Organic Chemistry I, II	10
CHEM-3710 Biochemistry	4

Additional courses:

MATH-1710, 1720 Calculus I, II	10
PHYS-1010, 1020 College Physics I, II	10
(or PHYS-2110, 2120 General Physics I, II	8)

Note: Students who desire admission to physician assistant programs will also need to have 1000 hours or more of direct health care experience. Specific requirements vary from one program to another.

Prepharmacy

The **prepharmacy curriculum** enables a student to obtain the first three or four years of the six- or seven-year Pharm.D. program at Cedarville University. To ensure that specific course requirements may be met through Cedarville courses, the student should select the pharmacy college he or she plans to attend as early as possible and obtain a catalog describing the specific course requirements.

Generally the following courses should be included in the three or four years the prepharmacy student attends Cedarville:

BIO-1110 Introduction to Biology	4
BIO-1120 General Zoology	4
BIO-2210 Microbiology	4
BIO-3450 Human Structure and Function I	3
CHEM-1110, 1120 General Chemistry I, II	8
CHEM-3510, 3520 Organic Chemistry I, II	10
COM-1100 Fundamentals of Speech	3
ENG-1400 Composition	3
GSS-1000 Foundations of Social Science	3
MATH-1710 Calculus I	5
PHYS-1010, 1020 College Physics I, II	10
PYCH-1600 General Psychology	3

Prephysical Therapy

Most Cedarville students who successfully apply to graduate programs in physical therapy have completed the B.A. in biology. Students should contact the specific schools they wish to attend to determine the exact prerequisites. Physical therapy schools usually require 40 to 100 hours of experience assisting a licensed physical therapist prior to application. In addition to general degree requirements, the following courses are recommended for admission to most physical therapy schools:

Biology courses:

BIO-1110 Introduction to Biology	4
BIO-1120 General Zoology	4
BIO-2800 Introduction to Research Methods	2
BIO-3300 Genetics	4
BIO-3450, 3460 Human Structure and Function I, II	7
BIO-3770 Pathophysiology	3

Chemistry courses:

CHEM-1110, 1120 General Chemistry I, II	8
CHEM-3510 Organic Chemistry I	5
CHEM-3710 Biochemistry	4

Additional mathematics and science courses:

GMTH-1030 Precalculus	4
PHYS-1010, 1020 College Physics I, II	10

Psychology:

PYCH-1600 General Psychology	3
PYCH-2600 Human Development: Lifespan	3
PYCH-2610 Statistics	3
PYCH-2640 Psychology of Abnormal Behavior	3

Other highly recommended electives:

ATRN-2650 Therapeutic Exercise for Athletic Injuries	2
ATRN-3660 Modalities in Athletic Training	3
BIO-4710 Principles of Bioethics	3
ESS-3920 Biomechanics	3
ESS-3940 Structural Kinesiology	1
ESS-3900 Physiology of Exercise	3

Course Descriptions

General Education

Except where noted, general education courses are designed to meet the General Education Requirements for graduation. These courses will not count toward graduation requirements for majors found in the Department of Science and Mathematics unless they are specifically listed in the curriculum requirements for a major. A student majoring in science or mathematics may take these courses only as electives. However, any course listed for science or mathematics major or minor may also count toward fulfilling General Education Requirements.

BIO-1000 Principles of Biology–Fa,Sp,Su 3.5 hours

Emphasizes basic life processes and the principles by which these processes operate at the ecological, organismic, and cellular levels of organization with emphasis on human responsibility toward life at all levels. Three lectures each week and one two-hour, bi-weekly laboratory. (Fee: \$75)

BIO-2010 Human Anatomy and Physiology–Fa 4 hours

Survey of the principal systems of the human body with emphasis on both structure and function. Includes the skeletal, muscular, nervous, endocrine, cardiovascular, and respiratory systems. Three lectures and one two-hour laboratory per week. *Prerequisite:* BIO-1000 Principles of Biology; or CHEM-1000 Principles of Chemistry. (Fee: \$100)

BIO-2020 Advanced Clinical Physiology–Sp 4 hours

Advanced study in human structure and function, including the digestive, urinary, and reproductive systems, as well as

metabolism and acid-base balance. The pathophysiology of disease is presented using a case-study format. Three lectures and one two-hour laboratory per week. *Prerequisite:* BIO-2010 Human Anatomy and Physiology. (Fee: \$100)

CHEM-1000 Principles of Chemistry–Fa 5 hours

For non-science majors, an introduction to atomic structure, ionic and covalent bonding, stoichiometry, kinetic theory, solutions and equilibria, nuclear chemistry, nomenclature, structure, and reactions of organic compounds. Four lectures and one two-hour laboratory per week. (Fee: \$100)

CHEM-1010 Principles of Biochemistry–Sp 5 hours

For non-science majors, an introduction to organic compounds not covered in CHEM-1000 and a study of the nomenclature and metabolism of proteins, carbohydrates, lipids, and nucleic acids. Four lectures and one two-hour laboratory per week.

Prerequisite: CHEM-1000 Principles of Chemistry. (Fee: \$100)

CHEM-1050 Chemistry for Engineers–Fa 3.5 hours

Fundamental concepts of chemistry are developed with applications of chemistry to engineering disciplines. Students are introduced to measurement, number handling, the Periodic Table, descriptive properties of atoms, elements, molecules, and ions, chemical reactions, stoichiometry, chemical bonding, equilibrium, thermodynamics, gas laws, and the nature of solids and liquids. Laboratory emphasizes quantitative skills. Three lectures per week, and one biweekly two-hour laboratory. (Fee: \$75)

ESCI-1110 Principles of Physical Geology–Fa 4 hours

An introductory study of the earth and its geological processes. Major lecture topics include minerals, rocks, fossils, weathering, plate tectonics, earth history, dating, streams, groundwater, glaciers, and various internal and surface features of the earth. Time will be spent in the discussion of various alternative interpretations of earth history. Laboratory exercises will complement the lecture material and will include field trips to various areas of local geological interest. Three weekly lectures and one weekly laboratory experience. This course satisfies the physical science requirement of the General Education Requirements. *No prerequisites.* (Fee: \$100)

ESCI-1120 Historical Geology–Sp 4 hours

The earth's geological history from its beginning to the present will be reviewed from both conventional and non-conventional perspectives. Discussion will occur on the evidence and merits of conflicting viewpoints. Major lecture topics include a survey of the various eras of geological time, plate tectonics, biological evolution, the meaning of the fossil record, dating methods, and correlation of rocks. Field trips will focus on local paleontology. Three lectures and one laboratory per week. This course satisfies the physical science requirement of the General Education Requirements. *Prerequisites:* GSCI-1010 Principles of Earth Science; ESCI-1110 Principles of Physical Geology; or permission of instructor. (Fee: \$100)

ESCI-2310 Introduction to Oceanography–Fa 4 hours

An introductory survey of the oceans and the processes that occur in and around them. Major topics of discussion will include ocean currents, coastlines, plate tectonics, marine sediments, waves, tides, composition of sea water, interaction of the ocean with the atmosphere, marine life forms, and their habitats. A field trip will visit a local aquarium. Lecture 3 times per week, and one laboratory per week. This course satisfies the physical science requirement of the General Education Requirements. *No prerequisites.* (Fee: \$100) (odd years)

ESCI-2410 General Meteorology–Fa 4 hours

A survey of basic meteorological principles and weather systems. Topics covered will include the vertical structure of the atmosphere, cloud development and precipitation, optical effects of the atmosphere, wind systems, air masses, fronts, and severe weather. Labs will be used to develop basic meteorological skills such as observation of local weather, decoding and

Science and Mathematics

School of Engineering, Nursing, and Science

interpretation of meteorological data, and introductory weather forecasting. Three lectures and one two-hour laboratory per week. This course satisfies the physical science requirement of the General Education Requirements.

Prerequisite: high school physics; GMTH-1030 Precalculus or equivalent; or permission of instructor. (Fee: \$100) (even years)

ESCI-2510 Introduction to Astronomy–Sp 4 hours

An introduction to the structure and composition of the universe. Topics covered will include measurement of celestial objects, structure of the solar system and galaxy, and composition and history of the universe. Time will be spent in the discussion of various cosmological models and their implications. Three weekly lectures and one two-hour laboratory per week. Variations in the laboratory schedule will be made to accommodate field observations. This course satisfies the physical science requirement of the General Education Requirements.

Prerequisite: GMTH-1030 Precalculus or equivalent or permission of instructor. (Fee: \$100) (odd years)

GBIO-2720 Bioethics and the Human Experience–Sp 3 hours

An integrative survey of bioethics, emphasizing human personhood, human sexuality and reproduction, end-of-life issues, and biomedical decision making. *Prerequisite: BIO-1000 Principles of Biology.*

GMTH-1010 Introduction to Mathematics–Fa,Sp 3 hours

Introduction to mathematical concepts including voting theory, apportionment and fair division, models of population growth, and graph theory. *Prerequisite: proficiency in mathematics.*

GMTH-1020 College Algebra–Fa 3 hours

Introduction to methods of algebraic analysis. Includes, but may not be limited to, many topics of intermediate algebra: the field axioms, linear functions, inequalities, systems of equations, determinants, and quadratic functions. This course, in conjunction with GMTH-1030 Precalculus, is designed to prepare the student for calculus. *Prerequisite: proficiency in mathematics; two years of high school mathematics; or permission of instructor.*

GMTH-1030 Precalculus–Fa,Sp 4 hours

Introduction to the principles of trigonometry and possibly some advanced topics in algebra. Coverage includes, but may not be limited to, exponential, logarithmic, trigonometric and circular functions, triangle problems, and vectors. This course, in conjunction with GMTH-1020 College Algebra, is designed to help prepare the student for calculus. *Prerequisites: proficiency in mathematics; GMTH-1020 College Algebra or equivalent; or permission of instructor.*

GMTH-1040 Calculus for Business–Fa,Sp 3 hours

Introduction to the concepts of differential and integral calculus for students of business. Numerous applications from these areas will be considered. Does not apply toward major in mathematics. *Prerequisite: proficiency in mathematics*

GMTH-3010 Proof and Mathematical Modeling–Sp 3 hours

Proof by contradiction, contrapositive, and induction will be explored along with direct proof in the verification of conjectures and other mathematical propositions. Additionally, the formulation of discrete, statistical, and algebraic mathematical models, along with their use in solving problems, will be studied. Appropriate educational technology, including graphing calculators, spreadsheets, and geometric manipulation software, will be used throughout. Does not count toward the B.A. or B.S. majors in mathematics or the B.A. in integrated mathematical education. *Prerequisites: EDUC-1800 Principles of Mathematics I; EDUC-2800 Principles of Mathematics II; GMTH-1020 College Algebra; MATH-1710 Calculus I.*

GSCI-1010 Principles of Earth Science–Fa,Sp 3.5 hours

A survey of the sciences of geology, oceanography, and meteorology. Major lecture topics include discussion of earth's geological history, minerals, rocks, dating, plate tectonics,

glaciers, volcanoes, ocean currents, marine life, waves, the atmosphere, and weather systems. When appropriate, contrasting views of these subjects will be examined. Laboratory experiences will include field trips to areas of local geological interest. Lecture three times per week, and laboratory on alternate weeks. This course satisfies the physical science requirement of the General Education Requirements. (Fee: \$75)

GSCI-1020 Principles of Physical Science–Fa,Sp 3.5 hours

A survey of the sciences of physics, chemistry, and astronomy. Major lecture topics include motion, force, energy, heat, waves, electricity, optics, quantum effects, periodic table, chemical bonds, chemical reactions, astronomical measurements, and the origin of the universe. Content of this course will be related to social and philosophical issues to emphasize a Christian's responsibility in a technological society. Lecture three times per week, and laboratory on alternate weeks. This course satisfies the physical science requirement of the General Education Requirements. (Fee: \$75)

GSCI-2010 Physical Science for Teachers–Fa,Sp 4 hours

Introduction to a selection of core concepts of physics and chemistry for preservice elementary education teachers. Students will develop methods of learning science, with emphasis on inquiry, scientific method, and integrating common everyday objects and experiences with a view toward cultivating the excitement of studying the Creator's creation. Three lectures with one weekly one-hour lab. Does not satisfy the physical science General Education Requirement. (Fee: \$75)

GSCI-3010 Concepts in Middle School Science–Sp 4 hours

This lab course highlights key concepts in middle school science by reviewing and extending concepts from previous science courses with an emphasis on the integration of earth sciences, physical sciences, and life sciences. Concepts addressed include the scientific process, theory of evolution, cell theory, and the concept of disease. *Prerequisites: BIO-1000 Principles of Biology; CHEM-1000 Principles of Chemistry; GSCI-1010 Principles of Earth Science; GSCI-2010 Physical Science for Teachers.* (Fee: \$75)

GSCI-3060 4 hours

Environmental Science for Middle School Educators–Sp

Introduction to the study of the dynamic relationships that exist between the earth's organisms and their environment and how man affects these relationships. This course will include laboratory investigations, field trips, group work, review of environmental news, lecture-discussions, videos, small projects, and pertinent ideas for teaching the environment in a middle school setting. There will be an emphasis on the intricate design and resilience of God's creation. Three lectures and one laboratory session per week. This course does not satisfy the General Education Requirement for biology.

Prerequisites: BIO-1000 Principles of Biology; middle childhood education major; or permission of instructor. (Fee: \$100)

MTED-3110 Clinical Teaching in Mathematics–Fa,Sp 1 hour

Students are assigned to assist a college instructor in classroom and laboratory teaching, evaluation, and related responsibilities. The student must complete 40 clock hours of clinical involvement in each teaching field for which licensure is desired. *Prerequisite: Completion of Introduction to Education Block.*

MTED-3120 Teaching Mathematics–Fa 1 hour

Designed to introduce prospective secondary school science teachers to the curriculum, materials, and methods of classroom teaching. *Prerequisite: admission to the teacher education program.*

PHYS-1010 College Physics I–Fa 5 hours

Basic concepts of mechanics and thermodynamics. Topics include kinematics, motion in two dimensions, force and motion, work and energy, momentum, circular motion, gravitation, waves, phases of matter, heat, and the laws of thermodynamics.

Science and Mathematics

School of Engineering, Nursing, and Science

Four lectures and one two-hour laboratory per week.
Prerequisite: high school trigonometry; or GMTH-1030 Precalculus or equivalent. (Fee: \$100)

PHYS-1020 College Physics II–Sp **5 hours**

Basic concepts of electricity and modern physics. Topics include electricity, magnetism, AC circuits, geometrical and physical optics, relativity theory, quantum theory and other modern physics topics. Four lectures and one two-hour laboratory per week. *Prerequisite: PHYS-1010 College Physics I or equivalent.* (Fee: \$100)

SCED-3110 Clinical Teaching in Science–Fa,Sp **1 hour**

Students are assigned to assist a college instructor in classroom and laboratory teaching, evaluation, and related responsibilities. The student must complete 40 clock hours of clinical involvement in each teaching field for which licensure is desired. *Prerequisite: Completion of Introduction to Education Block.*

SCED-3120 Teaching Science–Fa **2 hours**

Designed to introduce prospective secondary school science teachers to the curriculum, materials, and methods of classroom and laboratory science teaching. Attention will be given to the philosophy and education psychology theories that are currently influencing science education and the methods of instruction that arise from these theories. Teacher education students participate in activities and complete assignments designed to provide experience in science lesson planning, acquisition of classroom and laboratory resources, and strategies of maintaining science laboratory safety. *Prerequisite: admission to the teacher education program.*

Biology

BIO-1110 Introduction to Biology–Fa **4 hours**

Structure and function of plant and animal cells with emphasis in central concepts. This is the first biology course for majors, open to others with high school biology and chemistry backgrounds. Three lectures and one (two-hour) laboratory per week. (Fee \$100)

BIO-1120 General Zoology–Sp **4 hours**

This course will provide an integrative study of the diversity of organisms that make up the animal kingdom. Morphology, physiology and ecology of the major phyla will be integrated with principles of population dynamics to study the continuities and discontinuities among the animal taxa. Two 50-minute lectures and two two-hour labs per week. *Prerequisite: BIO-1110 Introduction to Biology.* (Fee: \$100)

BIO-2130 General Botany and Ecology–Fa **5 hours**

A study of the autotrophs, their fundamental role in aquatic and terrestrial ecosystems, and their anatomy and physiology with emphasis on the vascular plants. Investigations of ecosystem level processes and field botany will be conducted in early autumn, followed by the anatomy and physiology of autotrophs after mid-semester. Four lectures and one 3-hour laboratory per week. *Prerequisites: BIO-1110 Introduction to Biology; BIO-1120 General Zoology.* (Fee: \$100)

BIO-2210 Microbiology–Fa **4 hours**

A study of the characteristics, culture, and control of bacteria, viruses, and fungi. A major emphasis is placed on microorganisms and disease, with some coverage of industrial and environmental topics. Laboratory techniques are emphasized in the laboratory. Two lectures and two two-hour laboratories per week. *Pre-requisite: CHEM-1000 Principles of Chemistry; CHEM-1010 Principles of Biochemistry or equivalent.* (Fee: \$100)

BIO-3300 Genetics–Fa **4 hours**

This is an integrative course of the areas of genetics: classical and molecular. Focus will be on the principles of heredity in prokaryotic and eukaryotic organisms, which includes the understanding of transmission genetics on a molecular level.

There will be emphasis on the molecular nature of genes, including gene expression, mutations, and manipulation of DNA. Three lectures and one 3-hour laboratory per week.

Prerequisite: BIO-1110 Introduction to Biology; BIO-2250 Cell Biology. (Fee: \$100)

BIO-3410 Invertebrate Zoology–Fa **3 hours**

This course will provide an overview of the diversity of invertebrates. It will take an integrative approach to learning about invertebrate taxonomy, ecology, morphology, and physiology. Field collections of local fauna will be used to learn the principles of invertebrate classification and to study local biological diversity. *Prerequisite: BIO-1120 General Zoology.* (Fee: \$100) (even years)

BIO-3420 Vertebrate Zoology–Fa **3 hours**

This course is a study of the diversity among the vertebrate classes with an emphasis on continuity and discontinuity of morphological form and physiological function of vertebrate systems. *Prerequisite: BIO-1120 General Zoology* (Fee: \$100)

BIO-3450 Human Structure and Function I–Fa **4 hours**

Study of the structure and function of the human body with an emphasis on body systems. Includes human tissues, skeletal, muscular, nervous, and endocrine systems. Two lectures and one three-hour laboratory per week. *Prerequisite: BIO-1120 General Zoology.* (Fee: \$100)

BIO-3460 Human Structure and Function II–Sp **3 hours**

Study of the structure and function of the human body with an emphasis on body systems. Includes cardiovascular, respiratory, gastrointestinal, and renal systems. Three lectures per week. *Prerequisite: BIO-3450 Human Structure and Function I.*

BIO-3510 Plant Physiology–Sp **3 hours**

A study of the physiological aspects of vascular plants with emphasis upon plant-soil water relationships, mineral nutrition, photosynthesis, and plant growth and development. Two lectures and one 3-hour laboratory per week. *Prerequisite: BIO-2130 General Botany and Ecology.* (Fee: \$100) (odd years)

BIO-3520 Plant Taxonomy–Sp **3 hours**

A study of the naming and classification of common vascular plants with emphasis upon field identification in the context of plant community and taxonomic family, plant collecting and herbarium techniques, and the importance of plants in global stewardship and missions. Two lectures and one 3-hour laboratory per week. Includes a travel study opportunity during Spring break. *Prerequisite: BIO-2130 General Botany and Ecology.* (Fee: \$100) (even years)

BIOA-3600 Topics in Environmental Biology–Sp,Su **4 hours**

Enrollment in this course signifies that the student has chosen to enroll in two or more Au Sable Institute courses in an upcoming term taught by faculty of various evangelical Christian colleges and universities. Course descriptions of the more than twenty Cedarville-approved Au Sable courses are available in the Au Sable Institute Bulletin available from the department Au Sable representative or at the Au Sable website. Enrollment begins when the student contacts the departmental Au Sable representative. Appropriate course titles will appear in the student's transcript with letter grades when the studies are completed. More information on Au Sable Institute is printed in the university catalog. *Prerequisite: acceptance to attend Au Sable Institute.*

BIO-3610 Environmental Physiology and Ecology–Sp **4 hours**

A study of both physiological ecology and field ecology. The course begins with field and laboratory studies of adaptations to winter at the organismic and cellular levels and includes a travel study experience in the "North Woods." Spring emphasis shifts to field ecology with emphasis on aquatic, forest, and prairie ecosystems. Three lectures and one 3-hour laboratory per week. *Prerequisites: BIO-1120 General Zoology; BIO-2130 General Botany and Ecology.* (Fee: \$100)

Science and Mathematics

School of Engineering, Nursing, and Science

BIO-3710 Biochemistry–Sp 4 hours

A study of the chemical and physical properties of living organisms' macromolecules such as proteins, carbohydrates, lipids, and nucleic acids as well as the integration of metabolic pathways. Three lectures and one 3-hour laboratory per week.

Prerequisites: BIO-1110 *Introduction to Biology*; CHEM-3510 *Organic Chemistry I*. (Fee: \$100)

BIO-3770 Pathophysiology–Sp 3 hours

Study of the abnormal functions of the human body during disease. Includes case study discussions and research writing. Three lectures per week. *Pre-or Corequisite:* BIO-3460 *Human Structure and Function II*

BIO-3800 Biological Research–Fa,Sp 2 hours

Student will undertake an original research project under the direction of a departmental faculty mentor, or an approved mentor within a summer research program, or within an approved academic internship experience, geared toward completion of the capstone experience. *Prerequisites:* junior status; permission of instructor; BIO-2800 *Introduction to Research Methods*. (Fee: \$150)

BIO-4210 Advanced Cell Biology–Fa 4 hours

In-depth study of the cell will include the following topics: normal cell physiology and division, differentiation, basic signaling pathways and programmed cell death. Some study of cell pathogenesis, aberrant signaling mechanisms, and other elective topics of current agricultural or biomedical interest may be included. Three lectures and one 3-hour laboratory per week.

Prerequisites: BIO-1110 *Introduction to Biology*; BIO-1120 *General Zoology*; BIO-2130 *General Botany and Ecology*; BIO-2250 *Cell Biology*; BIO-3300 *Genetics*. (Fee \$100) (even years)

BIO-4220 Signal Transduction–Fa 3 hours

Study of major cellular signaling pathways in normal function and in disease. Original research will emphasize signaling pathways, and data collected will further advance the field. Two lectures and one 3 hour laboratory per week. *Prerequisites:* BIO-1110 *Introduction to Biology*; BIO-1120 *General Zoology*; BIO-2130 *General Botany and Ecology*; BIO-3300 *Genetics*. (Fee: \$100) (odd years)

BIO-4300 Molecular Biology of the Cell–Fa 4 hours

Study of the molecules that make up the living cell, with emphasis on nucleic acid biology and protein biology. Other topics include origin of life, abiogenesis, and a historical analysis of the discovery of DNA and proteins. *Prerequisites:* BIO-1110 *Introduction to Biology*; CHEM-3510 *Organic Chemistry*. (Fee: \$100)

BIO-4350 Immunology–Sp 3 hours

Study of the human immune system, including descriptions of basic immunological phenomena, biochemistry of antibodies and antigens, the cellular and genetic components of the immune response, and immunopathology. Two lectures and one lab per week. *Prerequisite:* BIO-1110 *Introduction to Biology*. (Fee: \$100)

BIO-4410 Vertebrate Embryology–Fa 3 hours

This course is a systematic study of the mechanisms that guide vertebrate development from a single cell to a multicellular organism. Morphological studies emphasize embryonic stages in selected vertebrates, including amphibians, birds, and mammals. *Prerequisite:* BIO-1120 *General Zoology*. (Fee: \$100) (odd years)

BIO-4710 Principles of Bioethics–Fa 3 hours

Christian principles of bioethics, with an emphasis on personhood and the sanctity of human life. Three lectures per week. *Prerequisites:* completion of core biology curriculum; junior status.

BIO-4800 Senior Seminar–Biology–Fa,Sp 1 hour

In this capstone course required of all senior biology majors, students compile data from laboratory, field study, or extensive literature research and give an oral presentation. Approval of the topic must be given by the student's academic advisor. The student must also attend a minimum of 10 seminars during the senior year. *Prerequisites:* BIO-1110 *Introduction to Biology*; BIO-1120 *General Zoology*; BIO-2130 *General Botany and Ecology*; BIO-3300 *Genetics*; senior status; attendance of a minimum of 10 seminars prior to the senior year.

BIO-4880 Topics in Biology 1-3 hours

Topics of special interest by the biology faculty from the areas of modern biology. *Prerequisites:* BIO-1110 *Introduction to Biology*; BIO-1120 *General Zoology*; BIO-2130 *General Botany and Ecology*; BIO-3300 *Genetics*.

BIO-4900 Independent Study: Biology–Fa,Sp 1-3 hours

Supervised independent study of a particular biological phenomenon. Submission and approval of a research proposal must precede registration. *Prerequisites:* major in biology; permission of advisor.

BIO-4910 Environmental Biology Internship–Fa,Sp 4 hours

An opportunity to participate in an internship experience involving research projects with field biologists, ecologists, environmental health scientists, or environmental educators, depending upon the student's vocational preference. Involves department faculty or faculty in conjunction with local or state agencies or private institutions. Provides practical experience in field biology and ecology techniques related to habitat characterization, monitoring, management, and restoration. *Prerequisites:* BIO-1120 *General Zoology*; BIO 2130 *General Botany and Ecology*; permission of instructor. (Fee: \$25)

Chemistry

CHEM-1110 General Chemistry I–Fa 4 hours

Fundamental concepts of physical, inorganic, and analytical chemistry are developed. Students are introduced to the physical chemistry concepts of atomic theory, chemical bonding, molecular structure, intermolecular forces, states of matter, and thermodynamics. Inorganic concepts of reaction types and stoichiometry are included. Lab stresses analytical techniques including quantitation, separation, titration, and statistical analysis of data. Many of the lab reports require use of spreadsheets or other computer software. Three lectures and one three-hour lab per week. *Prerequisite:* satisfactory performance on the chemistry placement exam. (Fee: \$100)

Full-time professors, rather than teaching assistants, work closely with students during laboratory sessions.

CHEM-1120 General Chemistry II–Sp 4 hours

A continuation of General Chemistry I, including the physical chemistry concepts of kinetics and equilibrium. Inorganic topics include acids and bases, oxidation-reduction reactions, nuclear chemistry, and the descriptive chemistry of the main group and transition metal elements. Lab exercises stress quantitative analytical techniques and include application of visible light spectroscopy. Many of the lab reports require use of spreadsheets or other computer software and statistical analysis of data. Three lectures and one three-hour lab per week. *Prerequisite: CHEM-1110 General Chemistry I.* (Fee: \$100)

CHEM-2210 Analytical Chemistry I–Fa 3 hours

A study of the fundamental concepts and skills of analytical chemistry including measurement, statistical treatment of data, equilibrium constant calculations, acid-base equilibria, electrochemistry, and volumetric analysis. The laboratory sessions focus on volumetric methods such as precipitation titrations, acid-base titrations, complexation titrations, and redox titrations in which accurate measurement of volume is essential. Two lectures and one three-hour laboratory per week.

Prerequisite: CHEM-1120 General Chemistry II. (Fee: \$100)

CHEM-2220 Analytical Chemistry II–Sp 3 hours

Detailed study of analytical instrumentation, including electro-analytical methods such as potentiometry, coulometry, voltammetry, spectrochemical analysis, and analytical separations, including various types of chromatography. Two lectures and one three-hour laboratory per week. *Prerequisite: CHEM-2210 Analytical Chemistry I.* (Fee: \$100)

CHEM-2800 Introduction to Research in Chemistry–Fa 1 hour

An introduction to the purpose and methodology of research in chemistry, including keeping a laboratory notebook, retrieving information, using the chemical literature, and writing research reports. One lecture per week. *Prerequisite: CHEM-1120 General Chemistry II.* (Fee: \$100)

CHEM-3410 Inorganic Chemistry–Fa 3 hours

Detailed study of inorganic compounds, including atomic structure, the structure of solids, molecular structure and bonding, molecular symmetry and its applications, acids and bases, and oxidation and reduction. Lab stresses synthesis and characterization using instrumental methods. Two lectures and one three-hour lab per week. *Prerequisite: CHEM-2210 Analytical Chemistry I.* (Fee: \$100)

CHEM-3510 Organic Chemistry I–Fa 5 hours

Detailed study of the structure, nomenclature, stereochemistry, physical properties, spectra, syntheses, reactions, and reaction mechanisms of alkanes, alkenes, alkynes, alkyl halides, alcohols, and ethers. Biological and medical applications are included. Lab includes basic techniques, procedures, and instruments, as well as syntheses and reactions. Four lectures and one three-hour lab per week. *Prerequisite: CHEM-1120 General Chemistry II.* (Fee: \$100)

CHEM-3520 Organic Chemistry II–Sp 5 hours

Continuation of Organic Chemistry I, including the detailed study of conjugated aliphatics, aromatics, aldehydes, ketones, carboxylic acids, anhydrides, esters, acyl halides, amines, phenols, and aryl halides. Lab includes systematic qualitative organic analyses using modern instrumental methods (H-NMR, C-NMR, FTIR, GC/MS). Three lectures and two three-hour labs per week. *Prerequisite: CHEM-3510 Organic Chemistry I.* (Fee: \$100)

CHEM-3710 Biochemistry–Sp 4 Hours

A study of the chemical and physical properties of living organisms' macromolecules such as proteins, carbohydrates, lipids, and nucleic acids, as well as the integration of metabolic pathways. Three lectures and one three-hour laboratory per week. *Pre-requisites: BIO-1110 Introduction to Biology; CHEM-3510 Organic Chemistry I.* (Fee: \$100)

Well-equipped chemistry labs enhance the student's ability to interpret laboratory findings and data.

CHEM-4210 Advanced Chemistry Lab–Sp 2 hours

This laboratory course will integrate organic and inorganic synthetic methodology with the application of various characterization techniques. Analytical, physical, and instrumental analysis techniques will be utilized. One three-hour lab per week. *Prerequisite: CHEM-4320 Physical Chemistry II.* (Fee: \$100)

CHEM-4310 Physical Chemistry I–Fa 4 hours

A study of the laws of thermodynamics, chemical equilibrium, solutions, and kinetics. Three lectures and one three-hour lab per week. *Prerequisites: CHEM-2210 Analytical Chemistry I, PHYS-2120 General Physics II.* (Fee: \$100)

CHEM-4320 Physical Chemistry II–Sp 4 hours

A study of the states of matter, surface phenomena, quantum mechanics, bonding, and spectroscopy. Three lectures and one three-hour lab per week. *Prerequisite: CHEM-4310 Physical Chemistry I.* (Fee: \$100)

CHEM-4410 Advanced Inorganic Chemistry–Sp 3 hours

Study of d-metal complexes, the systematic chemistry of the elements, and advanced topics in inorganic chemistry. Topics may include main group organometallics, d- and f-block elements, catalysis, and bioinorganic chemistry. Three lectures per week. *Prerequisite: CHEM-3410 Inorganic Chemistry.*

CHEM-4800 Senior Seminar–Chemistry–Sp 1 hour

Capstone course for majors in chemistry. Students present a paper from library or laboratory research. Before enrollment, each student must obtain approval of the topic from his or her advisor and the seminar instructor and set the date of presentation. The students must also attend a minimum of 10 seminars during the senior year. Guest lecturers or faculty

Science and Mathematics

School of Engineering, Nursing, and Science

members may present papers at the invitation of the instructor.

Prerequisites: senior status; attendance of a minimum of 10 seminars during the sophomore and junior years.

CHEM-4830 Research in Chemistry—Sp 3 hours

Investigation of a chemical research project and its culmination in a scholarly research report. Submission and approval of a research proposal must precede registration. May be repeated once for credit. *Prerequisites: CHEM-2800 Introduction to Research in Chemistry; CHEM-4310 Physical Chemistry I.* (Fee: \$150)

CHEM-4880 Topics in Chemistry 1-3 hours

Topics of special interest are selected by the chemistry faculty from the areas of modern chemistry. *Prerequisites: CHEM-2210 Analytical Chemistry I; junior status; permission of instructor.*

CHEM-4900 Independent Study in Chemistry 1-3 hours

Supervised independent study of some chemical phenomenon. Submission and approval of a research proposal must precede registration. *Prerequisites: CHEM-2210 Analytical Chemistry I; CHEM-3510 Organic Chemistry I; CHEM-4310 Physical Chemistry I.*

Computer Science

CS-1210 C++ Programming—Fa,Sp 2 hours

This course will introduce students to computer programming using the C++ programming language. The course will introduce software engineering principles, structured program design and implementation, and object-oriented design. Students will become familiar with compiling programs in both the Unix and Windows operating systems. (Fee: \$50)

CS-1220 Object-Oriented Design Using C++—Fa,Sp 3 hours

Builds upon the C++ programming skills developed in CS-1210, introducing students to the object paradigm and the basics of software engineering. Students will apply the principles of object-oriented design on programming tasks in both the Unix and Windows environments. Intended as the second programming course for CS majors. *Prerequisite: CS-1210 C++ Programming.* (Fee: \$50)

CS-2210 Data Structures Using Java—Fa,Sp 3 hours

This course will introduce students to the proper use of data structures for developing efficient software. Data structures will include stacks, queues, priority queues, trees, and graphs. Students will also develop skill in object-oriented design and Java programming. *Prerequisite: CS-1220 Object-Oriented Design Using C++.* (Fee: \$50)

CS-3210 Programming Language Survey—Sp 3 hours

Systematic study of the principles, concepts, and mechanisms of computer programming languages: their syntax, semantics, and pragmatics; the processing and interpretations of computer programs; programming paradigms; and language design. Illustrative examples will be selected from a variety of programming language paradigms. *Prerequisite: CS-2210 Data Structures Using Java.* (Fee: \$50)

CS-3310 Operating Systems—Fa 3 hours

A state of the art survey of operating system principles. Covers fundamental technology as well as contemporary design issues, such as threads, real-time systems, multiprocessor scheduling, distributed systems, security, and object-oriented design. Course content is developed through the use of lectures, student research of the relevant literature, presentations, and programming projects using both C++ and Java. *Prerequisite: CS-2210 Data Structures Using Java.* (Fee: \$50)

CS-3410 Algorithms—Fa 3 hours

This course will introduce students to classic algorithms that have been developed and shown to have broad application in solving computer science problems. It will begin with a look at

the analysis of algorithms and then survey numerous useful algorithms and advanced data structures. The course will also cover special topics such as numeric methods and NP-completeness. *Prerequisite: CS-2210 Data Structures Using Java; MATH-2510 Discrete Math for Computer Science.* (Fee: \$50)

CS-3510 Compiler Theory and Practice—Sp 3 hours

This course will introduce students to the technology underlying modern compilers and will emphasize both the theory upon which compilers are based and a practical understanding of how to actually implement a compiler. The course will provide an excellent application for the object-oriented design and data structures skills learned in earlier courses. It will typically require a major project involving the development of an actual compiler. *Prerequisite: CS-3410 Algorithms.* (Fee: \$50)(even years)

CS-3610 Database Organization and Design—Sp 3 hours

Addresses the analysis, design, and implementation of relational database applications. The Structured Query Language (SQL) is covered in depth, along with standard problem domain and data modeling techniques. Implementation techniques and considerations are discussed and practiced extensively. Key concepts include analysis and design using a standard notation such as Unified Modeling Language (UML), data model to logical schema conversion techniques, normalization, client-server architectures, and web-based access to database systems. Additional advanced topics include system security transaction processing and data recovery techniques. Design projects focus on implementing key course concepts using state-of-the-art multi-user database software. *Prerequisites: CS-2210 Data Structures Using Java; MATH-2510 Discrete Mathematics for Computer Science.* (Fee: \$50)

CS-4220 Web Applications—Sp 3 hours

This course will introduce students to the design and development of web-based applications. Students will use tools such as PERL, javascript, JSP, and java servlets. Applications will be developed using both the IIS and Apache servers. *Prerequisite: CS-2210 Data Structures Using Java.* (Fee: \$50)

CS-4320 Network Security—Fa 3 hours

Practical topics in network security, including policy, malicious code, intrusion detection, prevention, response, and cryptographic protocols for privacy and integrity. An emphasis will be on the tradeoffs between risk of misuse, cost of prevention, and societal issues. Course topics will be reinforced through programming assignments. *Prerequisite: CS-3310 Operating Systems.* (Fee: \$50)

CS-4410 Parallel Computing—Fa 3 hours

An introduction to the exploitation of parallelism to solve computationally intensive problems. The course explores various approaches for achieving parallelism, the architectures required for parallel computing, performance analysis of parallel programs, and the design of parallel algorithms. The course uses common standards for message passing (such as MPI), and makes use of both local clusters and remote supercomputer systems. *Prerequisites: CS-3410 Algorithms.* (Fee: \$50) (even years)

CS-4810 Software Engineering I—Fa 3 hours

Introduction to software engineering principles focusing on software management concepts, software project scheduling, software quality assurance, and software project planning. Students will work in teams to analyze and design a large senior project, that will be completed in CS-4820. *Prerequisite: CS-3410 Algorithms.* (Fee: \$50)

CS-4820 Software Engineering II—Sp 4 hours

Builds upon the software analysis and design skills learned in Software Engineering I. Focuses on detailed design, implementation, testing, and maintenance of software projects. Students will complete the senior design project they started in

Science and Mathematics

School of Engineering, Nursing, and Science

CS-4810. *Prerequisite: CS-4810 Software Engineering.* (Fee: \$50)

CS-4880 Topics in Computer Science 1-3 hours

Study of topics of interest from the field of computer science, such as compiler theory, artificial intelligence, parallel computing, robotics, advanced algorithms, and numeric methods. *Prerequisite: permission of instructor.* (Fee: \$20/hour)

CS-4900 Independent Study in Computer Science 1-3 hours

Independent research in the various branches of computer science and allied fields of application. Submission and approval of a research proposal must precede registration. *Prerequisites: major in computer science; permission of the research instructor.* (Fee: \$5/hour)

Mathematics

MATH-1710 Calculus I–Fa,Sp 5 hours

First course of a two-course sequence covering basic concepts of analytic geometry and single variable calculus. Includes limits, transcendental functions, derivatives, applications of the derivative, single variable integration with introduction to numeric integration techniques, applications of integration including some solutions of differential equations, and additional integration techniques. *Prerequisite: GMTH-1030 Precalculus or equivalent; or permission of instructor.*

MATH-1720 Calculus II–Fa,Sp 5 hours

The second course of a two-course sequence covering the basic concepts of analytic geometry and single variable calculus. Includes sequences, series, expansion of functions into Taylor and power series, conic sections, plane curves, parametric equations, polar coordinates, vectors and geometry in three-space, vectors, and vector calculus. *Prerequisite: MATH-1710 Calculus I or equivalent or permission of instructor.*

Students spend time in the classroom performing experiments and recording applicable data.

MATH-1990 Beautiful Math Structures & Thinking–Fa 3 hours

This course introduces freshmen math majors to interesting mathematical ideas and applications beyond the usual scope of standard math courses. Topics include and introduction to propositional logic, function theory, and infinite sets. Other topics will be chosen from elementary number theory, modular arithmetic, error-correcting codes, Fibonacci numbers and the golden ratio, fractals, discrete dynamical systems and chaos, Euler and Hamilton Circuits, democracy and impossibility theorems, game theory, the Platonic solids, n-dimensional space, and other topics up to the discretion of the instructor.

MATH-2210 Logic and Methods of Proof–Fa,Sp 3 hours

Introduction to formal mathematical logic; emphasis on preparing students for the abstraction of upper-division courses. Special attention is given to the development of students' skills with a variety of methods of proof, using examples from numerous areas. *Prerequisites: MATH-1720 Calculus II; MATH-1990 Beautiful Math Structures and Thinking; or permission of instructor.*

MATH-2510 Discrete Math for Computer Science–Sp 3 hours

An introduction to mathematical foundations of computer science, including propositional and predicate calculus, methods of proof, sets and relations, recurrences, graphs and trees, and program correctness and proofs. This course does not satisfy any requirements for the B.A. or B.S. in mathematics or the B.A. in integrated mathematics education. *Prerequisite: MATH-1710 Calculus I.*

MATH-2710 Calculus III–Sp 3 hours

Introduction to differential and integral calculus of several variables, multiple integrals, vector analysis, line integrals, and surface integrals. *Prerequisite: MATH-1720 Calculus II or equivalent or permission of instructor.*

MATH-2740 Differential Equations–Fa 3 hours

Study of the standard techniques employed in the solution of differential equations with emphasis on those arising from physical problems. *Prerequisite: MATH-1720 Calculus II or equivalent.*

MATH-2800 LaTeX for Technical Documents–Fa 1 hour

In this course students will be introduced to the typesetting language of LaTeX through the use of tutorials, example documents, and homework assignments. They will learn to easily prepare professional-looking theses, conference papers, and journal papers. They will also learn how to create professional-looking presentations, homework, quizzes, examinations, syllabi, resumes, and curriculum vitae.

Prerequisites: MATH-1720 Calculus II; ENG-1400 Composition.

MATH-3050 Algebraic Structures for Secondary Education Majors–Fa 3 hours

An introduction to the basic ideas of number theory, abstract algebra, and linear algebra. Factorization of integers, congruence modulo m , Fermat's Theorem, groups, rings, integral domains, fields, vector spaces, systems of linear equations, determinants and inverses, linear transformations, eigenvalues, and eigenvectors. **Does not count towards B.A. or B.S. majors in mathematics.** *Prerequisites: MATH-2210 Logic and Methods of Proof; MATH-1720 Calculus II.*

MATH-3110 Probability & Statistics I–Fa 3 hours

Probability models, random variables, probability distributions, estimation, and hypothesis tests are studied from theoretical and practical viewpoints. *Prerequisite: MATH-1720 Calculus II.*

MATH-3240 Introduction to Operations Research–Fa 3 hours

Formulation and analysis of mathematical models for the optimal solution of decision making problems under certainty. Linear programming; the simplex method, duality and sensitivity analysis. This course applies probabilistic analysis to such nondeterministic models as queueing models, elements of

Science and Mathematics

School of Engineering, Nursing, and Science

dynamic programming, and Markov decision analysis.

Prerequisites: MATH-1710 Calculus I; MATH-3610 Linear Algebra; MATH-3110 Probability and Statistics; or permission of the instructor.

MATH-3500 Number Theory–Fa 3 hours

Introduction to most of the topics of elementary number theory such as modular arithmetic, prime factorizations, linear diophantine equations, the Chinese remainder theorem, quadratic reciprocity, Pythagorean triples, number theoretic functions, and related topics. Concrete examples will illustrate the concepts and abstract reasoning will develop the theories considered in the course. *Prerequisite:* MATH-2210 Logic and Methods of Proof. (odd years)

MATH-3550 Discrete Math: Graph Theory–Fa 3 hours

Introduction to the basic concepts of graph theory and discrete mathematics problem-solving. Topics covered include elements of graph theory, covering circuits, graph coloring, trees and searching, and network algorithms. *Prerequisite:* MATH-2210 Logic and Methods of Proof. (odd years)

MATH-3560 Discrete Math: Combinatorics–Sp 3 hours

Study of combinatorial reasoning, focusing on enumeration. Intended to develop a proficiency in methods of enumerative problem solving. Topics chosen from areas such as counting methods for arrangements and selections, permutations and combinations, generating functions, partitions, and recurrence relations. *Prerequisite:* MATH-2210 Logic and Methods of Proof. (odd years)

MATH-3610 Linear Algebra–Sp 3 hours

Introduction to the algebra of linear equations, including determinants, matrices, vector spaces, eigenvalues, eigenvectors, and linear mappings. *Prerequisite:* MATH-1720 Calculus II or equivalent.

MATH-3710 Advanced Calculus–Sp 3 hours

Topics in function theory, vector analysis, differential calculus of several variables, vector differential calculus of several variables, integral calculus of several variables, vector integral calculus of several variables, and infinite series. *Prerequisite:* MATH-2710 Calculus III or equivalent or permission of instructor. (even years)

MATH-3740 Complex Variables–Sp 3 hours

Introduction to complex arithmetic, differentiation: analytic functions, Cauchy-Riemann equations, harmonic functions, elementary functions and their mapping properties, integration: Cauchy's Theorem, Cauchy's Integral Formula, Taylor and Laurent series, poles, residues, and the residue theorem. *Prerequisite:* MATH-1720 Calculus II. (odd years)

MATH-3750 Introduction to Dynamical Systems–Sp 3 hours

Topics include one-dimensional flows and bifurcations, phase portraits, linearization and classification of equilibrium points, limit cycles, chaos, one-dimensional maps, and fractals. *Prerequisite:* MATH-2740 Differential Equations. (even years)

MATH-3800 Research Methods–Sp 1 hour

This course will introduce the mathematics major to the various resources and methods available for researching topics in mathematics. This could include the use of library resources at Cedarville University, use of Internet resources, WWW searches, and a tour of the library at a larger university, where journals and indices of importance can be referenced. *Prerequisites:* MATH-2210 Logic and Methods of Proof; ENG-1400 English Composition. (Fee: \$50)

MATH-4110 Probability and Statistics II–Sp 3 hours

Second course of a two-course sequence covering basic concepts of statistics. Topics chosen from the following: hypothesis tests, regression analysis, quality control, and non-parametric statistics. *Prerequisites:* MATH-3110 Probability and Statistics I.

MATH-4210 Mathematical Methods for Physicists–Fa 3 hours

Advanced mathematical methods used in the solution of physics problems. Topics include curvilinear coordinates, vector analysis, and solutions to partial differential equations using Fourier, Bessel and Legendre functions. *Prerequisites:* MATH-2710 Calculus III; MATH-2740 Differential Equations. (even years)

MATH-4410 Euclidean and Non-Euclidean Geometry–Sp 3 hours

Rigorous treatment of the foundations of Euclidean geometry; an introduction to hyperbolic geometry with emphasis on its Euclidean models. *Prerequisites:* MATH-2210 Logic and Methods of Proof.

MATH-4450 Topology–Fa 3 hours

An introduction to elementary point set topology with emphasis on illustrating how the familiar concepts of closed and open intervals, continuity of functions, distances, and various geometrical properties have been generalized from classical mathematics. Topics include: metric spaces, topological space theory, separation axioms, covering properties, compactness, connectedness, metrizable, and complete metric spaces. *Prerequisite:* MATH-2210 Logic and Methods of Proof. (even years)

MATH-4610, 4620 Abstract Algebra I, II–Fa,Sp 3 hr/sem

Introduction to and development of the basic ideas of algebraic systems, groups, rings, integral domains, fields, and other advanced topics. *Prerequisite:* MATH-2210 Logic and Methods of Proof. (even years)

MATH-4710, 4720 Real Variables I, II–Fa,Sp 3 hr/sem

Introduction to the real number system's algebraic order, completeness, and cardinality properties, the topology of Cartesian spaces \mathbb{R}^n and functions including continuity and uniform continuity, connectedness, convexity, compactness, various types of convergence, limits, differentiability, and Riemann integration, measurability, and L_p . *Prerequisites:* MATH-1720 Calculus II; MATH-2210 Logic and Methods of Proof. (odd years)

MATH-4800 Capstone Experience in Mathematics–Fa,Sp 1 hour

The course will allow students to deeply research an important topic in mathematics, both individually and collectively, and to present their findings from library research as well as personal work. *Prerequisites:* MATH-3800 Research Methods in Mathematics; 15 hours of courses beyond MATH-1720 Calculus II; permission of instructor. (Fee: \$20)

MATH-4880 Topics in Mathematics–Fa,Sp 1-3 hours

Some typical topics are linear programming, numerical analysis, stochastic calculus, non-parametric statistics, partial differential equations, or mathematical modeling. This course is intended to be a topic not in the current curriculum that is a logical extension and development of the student's academic plan. *Prerequisite:* permission of instructor.

MATH-4900 Independent Study in Mathematics–Fa,Sp 1-3 hours

Independent research in the various branches of mathematics and allied fields of application. Submission and approval of a research proposal must precede registration. *Prerequisite:* major in mathematics or permission of research advisor.

Physics

PHYS- 2110 General Physics I–Fa,Sp 4 hours

Basic concepts of linear and rotational motion in three dimensions, oscillatory motion, gravitation, fluid mechanics, and basic concepts of wave motion. Three lectures and one two-hour laboratory per week. *Prerequisite:* MATH-1710 Calculus I; MATH-1720 Calculus II; MATH-1720 may be co-enrolled with permission of instructor. (Fee: \$100)

Science and Mathematics

School of Engineering, Nursing, and Science

PHYS-2120 General Physics II–Fa,Sp 4 hours

Basic concepts of electricity and magnetism, light, and optics. Three lectures and one two-hour laboratory per week.

Prerequisites: MATH-1720 Calculus II; PHYS-2110 General Physics I. (Fee: \$100)

PHYS-2130 General Physics III–Sp 2 hours

Basic concepts of heat and thermodynamics and a basic introduction to modern physics, including introductory concepts of relativity and quantum theory. *Prerequisites:* MATH-1720 Calculus II; PHYS-2120 General Physics II; PHYS-2120 may be co-enrolled with permission of instructor.

PHYS-3110 Intermediate Physics Laboratory–Sp 2 hours

Designed to reinforce concepts of the advanced physics courses and develop critical research and analysis skills. This course provides laboratory experience in such topics as oscillatory motion and waves, mechanics, electricity and magnetism, thermodynamics, and quantum mechanics. During this semester the student will develop his/her prospectus for his/her advanced laboratory project. Laboratory skills for planning, setup, documentation, and analysis using the scientific method will be emphasized. *Prerequisite:* 3 hours of a 3000- or 4000-level physics course. (Fee: \$100)

PHYS-3310 Theoretical Mechanics–Sp 3 hours

Derivation of the motion of a point object through three-dimensional space. Topics include an advanced treatment of Newtonian mechanics in three dimensions, oscillatory motion, accelerated frames of reference, central forces, and an introduction to Lagrangian mechanics. *Prerequisites:* PHYS-2120 General Physics II; MATH-2740 Differential Equations; MATH-2740 may be co-enrolled with permission of instructor. (even years)

PHYS-3350 Thermal Physics–Fa 3 hours

Study of the relationship between energy and matter through the use of thermodynamics and statistical mechanics. Topics include the laws of thermodynamics, heat, work, entropy, phase transformations, statistical distributions, and kinetic theory.

Prerequisite: PHYS-2130 General Physics III. (odd years)

PHYS-3410 Electromagnetic Theory I–Fa 3 hours

Electricity and magnetism from an advanced viewpoint using the methods of vector calculus. Includes electrostatics, Gauss' Law, Poisson's equation, Laplace's equation, dielectric media, electric currents, and magnetostatics. *Prerequisites:* PHYS-2120 General Physics II; MATH-2710 Calculus III. (odd years)

PHYS-3510 Modern Physics I–Fa 3 hours

Introduction to relativity theory, quantum theory, including Schrodinger's Equation, and its basic applications, and atomic structure. *Prerequisite:* PHYS-2130 General Physics III. (even years)

PHYS-3800 Research Methods in Physics–Fa 1 hour

Designed to reinforce concepts of the advanced physics courses and develop critical research and analysis skills. This course will focus on basic library, research, and laboratory skills for planning, setup, documentation, and analysis using the scientific method. Selected software will be introduced and used to collect data, analyze results, and document findings. There will be several laboratory sessions with experiments selected from oscillatory motion and waves, intermediate mechanics, intermediate electricity, intermediate magnetism, thermodynamics, or quantum mechanics. *Prerequisite:* PHYS-2130 General Physics III. (Fee: \$50)

PHYS-4110 Advanced Physics Laboratory–Fa 2 hours

The advanced laboratory experience is designed to reinforce concepts of the advanced physics courses and to develop critical research design, documentation, analysis, and presentation skills. The advanced laboratory provides additional experience in optical, radiation, wave, advanced mechanics, advanced electromagnetism, advanced thermodynamics, and

quantum mechanics. During this semester the students will be conducting their advanced laboratory project, collecting data, and documenting results. Laboratory skills for planning, setup, documentation, analysis, and briefing using the scientific method will be emphasized. *Prerequisite:* PHYS-3110 Intermediate Physics Lab. (Fee: \$100)

PHYS-4210 Mathematical Methods for Physicists–Fa 3 hours

Advanced mathematical methods used in the solution of physics problems. Topics include curvilinear coordinates, vector analysis, and solutions to partial differential equations using Fourier, Bessel and Legendre functions. *Prerequisites:* MATH-2710 Calculus III; MATH-2740 Differential Equations; 3 hours of a 3000 or 4000 level physics course. (even years)

PHYS-4410 Electromagnetic Theory II–Sp 3 hours

Continuation of PHYS-3410. Includes magnetic properties of matter, electromagnetic induction, magnetic energy, slowly varying currents, Maxwell's equations and their applications, and introductory electrodynamics. *Prerequisite:* PHYS-3410 Electromagnetic Theory I. (odd years)

PHYS-4450 Optics–Sp 3 hours

Introduction to the study of classical and modern optics, including geometric optics, wave optics, and quantum optics. Topics include thin lenses, thick lenses and systems of lenses, mirrors, aberrations, lens design, interference, coherence, diffraction, polarization, and holography. *Prerequisites:* PHYS-2120 General Physics II; MATH-2710 Calculus III. (odd years)

PHYS-4510 Modern Physics II–Sp 3 hours

Introduction to statistical physics, solid state, superconductivity, nuclear structure, kinetic theory, nuclear physics applications, and particle physics. *Prerequisite:* PHYS-3510 Modern Physics I. (even years)

PHYS-4800 Senior Seminar–Physics–Sp 1 hour

A presentation of the basic principles of the major disciplines of the sciences with a focus on the inter-relationships of the science disciplines to each other. Students present a paper from library or laboratory research in their area of physics with a focus on integration. Each student must obtain approval of the topic from his/her advisor and seminar instructor and must set the date of presentation before enrolling in the course. Material for this course is an outgrowth of a topic chosen by the student in PHYS-4110 Advanced Physics Lab. A paper and oral presentation are required, that include the background, setup, data collection, analysis, and conclusions from his/her research. Guest lecturers and faculty members may present papers at the invitation of the instructor. *Prerequisite:* PHYS-4110 Advanced Physics Lab; permission of instructor.

PHYS-4880 Topics in Physics 1-3 hours

Study of topics of interest from modern and classical physics such as quantum theory, relativity, statistical mechanics, lasers, solid state physics, advanced classical mechanics, and atmospheric physics. *Prerequisites:* PHYS-2130 General Physics III; MATH-2710 Calculus III.

PHYS-4900 Independent Study in Physics 1-3 hours

Independent research in the various branches of physics and allied fields of application. Submission and approval of a research proposal must precede registration. *Prerequisite:* permission of instructor. (Fee: \$25/hour)

Social Sciences and History

School of Social Sciences and Professional Studies

Purpose Statement

The curriculum of the Department of Social Sciences and History is composed of criminal justice, geography, history, political science, public administration, social work, and sociology.

This department seeks to:

1. Present to students the origin and development of ideas and institutions.
2. Aid students in gaining a better understanding of the world, one that includes a historical and philosophical perspective, spatial awareness, comprehension of political systems, knowledge of man in a socio-cultural context, and study of the nature of an increasingly urban society.
3. Provide students with the prerequisites for responsible civic participation.
4. Expose students to the complexities of the public sector in modern life and the possibilities of careers in local, state, and national government.
5. Acquaint students with a practical appreciation of the methods and tools of original research.
6. Provide students with an opportunity to formulate and express the results of investigation and study.
7. Aid students in developing a refined Christian world and life view through the integration of biblical principles with the subject matter of the academic disciplines.
8. Prepare students to practice as caring believers in a human service profession, such as social work, criminal justice, and public administration with a focus upon diverse socio-cultural settings.
9. Prepare students academically and personally to participate in graduate study.

Personal Requirements

A solid high school college-preparatory program provides an excellent background for students entering the various majors in the department.

Department Requirements

Most majors in the department do not stipulate entrance requirements that differ from the admission requirements. The exception is the social work program. Admissions requirements and procedure for that program are listed on page 192 in the catalog.

Programs of Study

Majors

Bachelor of Arts (B.A.) with majors in:

- American Studies
- Criminal Justice
- History
- History and Political Science
- Integrated Social Studies Education
- International Studies
- Political Science
- Prelaw
- Public Administration
- Sociology

Bachelor of Science (B.S.) with a major in:

- Social Work

Minors

- Criminal Justice
- History
- Political Science
- Public Administration
- Sociology

Co-Curricular Opportunities

Each major has several professional organizations in which students may participate. Students can broaden their understanding and knowledge through a variety of travel opportunities, internships, and student organizations.

Epsilon Omega is a local chapter of Phi Alpha Honor Society, the National Social Work Honor Society, committed to promoting a high standard of education for social workers.

Omega Mu is the Cedarville University chapter of Pi Sigma Alpha—the National Political Science Honor Society. The goal of this honor society is to promote the scholarly investigation of politics and to assist its members in developing their leadership potential in their sphere of influence.

CU Republican Club is an organization dedicated to the development of Christian leaders in the political arena.

Epsilon Alpha Pi is a professional organization for social work majors, that seeks to promote professional development, political and social awareness, and community outreach.

Model United Nations Team is a simulation of the United Nations system. Students assume the roles of ambassadors to the United Nations and negotiate current global issues. The Cedarville University Model UN team participates in an intercollegiate competition in which participants seek to deal with complex global concerns such as the environment, economic development, refugees, AIDS, disarmament, and human rights. As representatives of UN member nations, team members must master a great deal of detailed information about national policies while remaining in character—responding to debates and negotiations in the same manner as a UN delegate from that nation.

Technical Resources

A large number of computer software programs are available to students, including:

- Word processing programs
- Database programs
- Statistical analysis programs
- Spreadsheet programs
- Web and HTML programs
- A variety of presentation programs
- Various search engines

Several of the department programs prepare students for careers directly following graduation (e.g., criminal justice, public administration, and social work). Through a variety of modalities (including field work and class presentation by practitioners) students are able to network with actual career representatives and on occasion be exposed to the technologies being utilized by a career area (e.g., law enforcement and cybercrime, social work, and specialized fieldwork).

Career Opportunities

Graduates of the department have attended some of the nation's outstanding graduate and professional schools. Careers pursued by graduates include:

- Administrator
- Adoption social worker
- Archaeologist
- Archivist
- Attorney
- Children Services social worker
- College professor
- Community developer
- Federal law enforcer
- Government worker
- Historical researcher
- Medical social worker
- Mental health social worker
- Minister
- Parole agent
- Politician
- Police officer
- Prison caseworker
- Prison manager (warden)
- Probation officer
- Public administrator
- School social worker
- Senior citizen center outreach worker
- Teacher

Faculty

Murray Murdoch, *Chairman*: Professor of History. *Education*: B.Th., Baptist Bible Seminary, 1960; M.A., Northwestern University, 1962; History Faculty Fellow, Northwestern University, 1963; Ph.D., Northwestern University, 1971. At Cedarville since 1965.

Marc Clauson, Associate Professor of History. *Education*: B.S., Marshall University, 1978; M.A., Marshall University, 1979; J.D., West Virginia University, 1982; M.Th., Liberty University, 1993; M.A. Liberty University, 1993; Ph.D., University of the Orange Free State, South Africa, 2001. At Cedarville since 2002.

Christine Fulmer, Assistant Professor of Social Work. *Education*: B.S., Baptist Bible College, 1990; M.S.W., Marywood University, 1996. At Cedarville since 2004.

Donald Hanna, Associate Professor of Criminal Justice. *Education*: B.A., Indiana University, 1959; M.A., University of Illinois, 1969; Senior Police Management Institute, 1988. At Cedarville since 1995.

Nelson Henning, Associate Professor of Social Work. *Education*: B.S.W., Southern Illinois University, 1976; M.S.W., University of Illinois, 1977; Ph.D., University of Pittsburgh, 1986. At Cedarville since 1994.

George Huff, Assistant Professor of Social Work. *Education*: B.A., Ashland University, 1973; M.S.S.A., Case Western Reserve University, 1977. At Cedarville since 2000.

Frank Jenista, Professor of International Studies. *Education*: B.A., Cedarville University, 1968; M.A., University of Dayton, 1970; Ph.D., University of Michigan, 1978. At Cedarville since 2000.

Thomas Mach, Associate Professor of History. *Education*: B.A., Cedarville University, 1988; M.A., Cleveland State University, 1989; Ph.D., University of Akron, 1996. At Cedarville since 2000.

David Meyer, Assistant Professor of Political Science. *Education*: B.A., Drew University, 1990; M.A., Columbia University, 1992; M.Phil., Columbia University, 1996. At Cedarville since 2002.

Gerson Moreno-Riaño, Assistant Professor of Political Science. *Education*: B.A., Cedarville University, 1994; M.A., University of Cincinnati, 1998; Ph.D., University of Cincinnati, 1999. At Cedarville since 1999.

Robert Parr, Professor of Sociology. *Education*: B.R.E., Grand Rapids Baptist College, 1967; M.R.E., Grand Rapids Baptist Seminary, 1970; M.A., Michigan State University, 1982; M.S.W., The Ohio State University, 1990; Ph.D., The Ohio State University, 1987. At Cedarville since 1980.

David Rich, Assistant Professor of Public Administration and Political Science. *Education*: B.A., Cedarville University, 1983; M.P.A., University of Dayton, 1988; D.P.A. A.B.D., Western Michigan University. At Cedarville since 2000.

Kevin Sims, Associate Professor of Political Science. *Education*: B.A., Cedarville University, 1974; M.A., University of Northern Iowa, 1978; Ph.D., The Claremont Graduate School, 1991. At Cedarville since 1990.

Susan Warner, Assistant Professor of Sociology. *Education*: B.A., Baldwin-Wallace College, 1994; M.A., University of Akron, 1996; Ph.D., University of Akron, 2000. At Cedarville since 1999.

Robert Wiggins, Professor of Criminal Justice and Public Administration. *Education*: B.Th., Baptist Bible College and Seminary, 1964; B.A., Olivet Nazarene University, 1966; graduate study, Temple University, 1966-68; M.S., The American University, 1970; Ph.D., The University of Texas at Arlington, 1987; postdoctoral study, The University of Texas at Dallas, 1987-88. At Cedarville since 1992.

Joseph Halsey, Professor Emeritus of Political Science. *Education*: B.A., Morehead State University, 1965; M.Ed., Xavier University, 1969; Ph.D., University of Cincinnati, 1990. At Cedarville from 1970 to 2000.

James McGoldrick, Professor Emeritus of History. *Education*: B.S., Temple University, 1961; M.A., Temple University, 1964; graduate study, Dropsie University, 1962; St. Joseph's College, 1968; University of Arkansas, 1969; Ph.D., West Virginia University, 1974; postdoctoral study, University of Scranton, 1977; Pennsylvania State University, summer, 1981; St. Joseph's University, summer, 1982; University of Houston, summer, 1984. At Cedarville from 1973 to 2001.

Allen Monroe, Professor Emeritus of Social Science. *Education*: B.A., Shelton College, 1957; graduate study, University of Florida, 1958; M.A., Montclair State College, 1965; Ph.D., The Ohio State University, 1970; postdoctoral study, Westminster Theological Seminary, 1978. At Cedarville from 1965 to 2002.

Dr. Susan Warner, Assistant Professor of Sociology, brings a wealth of knowledge and research to her classroom.

Social Sciences and History

School of Social Sciences and Professional Studies

American Studies

The **American studies major** is designed to provide students with an understanding of American culture. Course requirements include 45 semester hours, including 27 hours in core requirements and an additional 18 hours in interdisciplinary electives.

<i>American Studies Core</i>	27
GEO-3510 World Regional Geography–West	3
HIST-1110,1120 United States History	6
HIST-3110 Early American History	3
(or HIST-3120 History of Recent and Cont. Amer.)	3)
HIST-3720 History of Political Philosophy II	3
*HIST-4000 Research in American History	3
LIT-3510 Modern American Literature	3
POLS-2610 American National Government	3
POLS-3650 International Relations	3
(or HIST-4050 Great Power Diplomacy	3)

The interdisciplinary electives should be selected from two of the following discipline areas. These electives should be chosen in consultation with the American studies advisor and should reflect the interest of the student.

Biblical Education

BEPH-2200 Introduction to Philosophy	3
BEPH-2260 Religion and Culture	3
BEPH-3320 History of Modern Philosophy	3
BEPH-3330 19th Century Philosophy	3

Business Administration

ECON-2330, 2340 Micro- and Macroeconomics	6
ECON-3130 Government and Business	3
ECON-3310 International Money and Capital Markets	3
ECON-3340 History of Economic Thought	3
MRKT-3600 Principles of Marketing	3
MRKT-3660 Promotion Strategy	3

Communication Arts

COM-2320 Theories of Mass Media	3
EMTC-1110 Introduction to Electronic Media	3
EMTC-4110 Electronic Media Law and Regulation	3

Language and Literature

ENG-2210 Principles of Journalism	3
ENG-2230 Advanced Composition	2
ENG-3220 Advanced Journalism	2
LIT-3190 19th Century American Literature	3
LIT-3420 American Novel	3

Psychology

PYCH-1600 General Psychology	3
PYCH-3690 Social Psychology	3

Social Sciences and History

All courses that stress an American context.

*Capstone Course

American Studies Major Curriculum Summary

Proficiency Requirements	0-6
Other General Education Requirements	46-54
American Studies Major Requirements	45
Electives	29-37
Total (minimum, not including proficiency)	128

A complete description of the General Education Requirements is found on page 18

Suggested Four-Year Curriculum for a Major in American Studies

First year:

BEGE-1710 Christian Life and Thought	3
BEGE-1720 Spiritual Formation	3
COM-1100 Fundamentals of Speech	3
ENG-1400 Composition	3
GSS-1000 Foundations of Social Science	3
HIST-1110 United States History (Before 1865)	3
HIST-1120 United States History (After 1865)	3
HUM-1400 Introduction to the Humanities	3
PEF-1990 Physical Activity and the Christian Life	1
Physical Education Activity Elective	1
Electives	6
Total	32

Second year:

BEGE-2730 Old Testament Literature	3
BEGE-2740 New Testament Literature	3
HIST-3110 Early American History	3
(or HIST-3120 History of Recent and Contemporary America)	3)

Total	33

Criminal Justice

The **criminal justice major** prepares students for careers in the criminal justice system. Such careers will involve a variety of law enforcement and correctional activities at all levels of government that have the potential to progress to positions of leadership.

The curriculum for the criminal justice major follows criteria proposed by the Academy of Criminal Justice Sciences and requires completion of 54 semester hours in 7 disciplinary areas. Of these hours, 42 consist of required courses and 12 are criminal justice electives.

<i>Criminal Justice Processes</i>	9
¹ CRJU-1310 Introduction to Criminal Justice	3
¹ CRJU-2310 Juvenile Delinquency	3
¹ CRJU-3300 Corrections	3
<i>Criminology</i>	3
¹ CRJU-2200 Criminology	3
<i>Law Enforcement</i>	6-9
CRJU-3320 Criminal Investigation	3
¹ CRJU-3390 Criminal Evidence	3
¹ CRJU-4200 Police Administration	3
<i>Law/Adjudication</i>	9
¹ CRJU-3330 Constitutional Law for Criminal Justice	3
¹ CRJU-3350 Criminal Law	3
CRJU-3400 Criminal Procedure	3
(or CRJU-3410 Civil Liability for Criminal Justice Personnel	3)
<i>Analytical Tools</i>	6
¹ GSS-3610 Data Analysis	3
¹ GSS-3620 Research Methodology	3
<i>Government and Public Sector Dynamics</i>	6
POLS-2610 American National Government	3
(or POLS-2620 American State and Local Government ...	3)
¹ PUAD-3600 Public Administration	3
<i>Integration</i>	3
² CRJU-4600 Research issues in Criminal Justice	3
<i>Criminal Justice Electives</i>	9-12
CRJU-4330 Contemporary Issues in Criminal Justice	3
CRJU-4960 Independent Study in Criminal Justice	1-3
³ GSS-4990 Criminal Justice Internship	3-12
(only one internship experience may be counted as credit)	

¹ Required course.

² Capstone course (required).

³ A. Only one internship experience may be used for criminal justice curriculum credit.

B. Students completing a free-standing (not associated with an accredited academic institution) police academy may register for 12 hours of internship credit.

C. Students attending an academy that is associated with an accredited academic institution should register for academic credit at that institution and transfer hours back to Cedarville University. However, credit cannot be granted for the same course twice. (Example: If the academy college grants credit for a course titled Criminal Law and the student has already taken Criminal Law at Cedarville University, credit for only one course will apply toward the student's degree.)

Political Science

The political science major is designed to prepare students for advanced graduate education in the areas of American politics, international relations, political philosophy, and law. It also prepares students for careers in public policy analysis, international affairs, various levels of government, campaign management, interest groups, journalism, and many others. Besides training students in a core area of courses, the major gives students the opportunity to focus their studies by choosing a concentration either in American politics, international relations, or political philosophy.

Course requirements involve 42 semester hours including:

<i>Political Science Core</i>	30
GSS-3610 Data Analysis	3
GSS-3620 Research Methodology	3
HIST-1110 or 1120 United States History	3
POLS-2610 American National Government.....	3
POLS-3600 Public Administration	3
POLS-3650 International Relations	3
POLS-3710 History of Political Philosophy I.....	3
POLS-3720 History of Political Philosophy II	3

Public Administration

The **public administration major** prepares students for careers in the executive sector of government and an array of nonprofit sector organizations. The nature of the field is interdisciplinary and therefore requires exposure to a variety of areas of study as shown below.

Course requirements involve 51 semester hours including:

<i>Political-Social-Legal Environment</i>	9
¹ POLS-2610 American National Government	3
¹ POLS-2620 American State and Local Government	3
¹ PUAD-3600 Public Administration	3
<i>Analytical-Economic Tools</i>	21
ACCT-2110 Principles of Accounting I	3
¹ ECON-2330 Microeconomics	3
¹ ECON-2340 Macroeconomics	3
¹ ECON-3390 Public Finance	3
¹ GSS-3610 Data Analysis	3
¹ GSS-3620 Research Methodology	3
¹ PUAD-3100 Public Budgeting	3
<i>Individual-Group Dynamics</i>	3-15
COM-2000 Persuasive Theory	3
COM-3120 Argumentation and Debate	3
³ COM-3140 Intercultural Communication	3
COM-3230 Organizational Communication	3
COM-3250 Interviewing	3
<i>Administration/Management Processes</i>	12
ECON-3130 Government and Business	3
¹ MGMT-3500 Principles of Organization and Management	3
MGMT-3530 Human Resources Management	3
MGMT-3550 Organizational Behavior	3
¹ MRKT-3600 Principles of Marketing	3
<i>Policy Analysis</i>	6
¹ PUAD-3690 Public Policy	3
² PUAD-4600 Applied Public Administration	3
<i>Application</i>	0-9
GSS-4990 Social Science Internship	3-12
PUAD-4970 Independent Study in Public Admin.	1-3

¹Required course.

²Capstone course (required).

³Satisfies humanities elective for General Education Requirements.

Social Work

The **social work major** prepares students for future ministries/ careers in professional social work, professional church and church-related specializations, and informal assistance. The wide range of opportunities within the social work field provides graduates with numerous ways of investing in the lives of individuals, families, groups, and communities.

The social work program is accredited by the Council of Social Work Education. Social work graduates are eligible for licensure.

Mission Statement

The mission of the social work program is to prepare and equip, from a biblical world and life view, social work students who are committed to the core values and purpose of social work, so that these students might obtain entry-level social work positions as generalist practitioners, improve the holistic quality of life of diverse populations in a variety of work settings, and pursue graduate level education.

Goals

The goal of the social work program is ultimately to enable students to integrate the knowledge, values, and skills of the social work profession into competent practice by:

1. Providing content about social work practice from a generalist perspective with client systems of various sizes and types.
2. Preparing students with the skills, values, and knowledge to practice with diverse populations at risk.
3. Providing content about social contexts, the changing nature of those contexts, the behavior of organizations, and the dynamics of change.
4. Preparing students who are aware of their responsibility to continue their professional growth and development.
5. Preparing students to practice with populations at risk with unique discrimination and oppressive histories (with a special focus on poverty).
6. Integrating biblical principles throughout the curriculum so that students can appropriately integrate their faith and that of their clients into the helping relationship.
7. Laying a foundation of core skills essential to a high caliber of social work practice (i.e., problem solving, listening, verbal and written communication, and critical thinking).
8. Creating an appreciation for the profession as well as an understanding of the history, personalities, and issues and events that helped to shape it.
9. Infusing throughout the curriculum the values and ethics that guide professional social workers in their practice.

Objectives

Graduates of the Cedarville University social work program will be able to:

1. Apply critical thinking skills within the context of professional social work practice.
2. Practice within the values and ethics of the social work profession and with an understanding of and respect for the positive value of diversity.
3. Demonstrate the professional use of self.
4. Understand the forms and mechanisms of oppression and discrimination and the strategies of change that advance social and economic justice.

5. Understand the history of the social work profession and its current structures and issues.
6. Apply the knowledge and skills of generalist social work to practice with systems of all sizes.
7. Apply knowledge of bio-psycho-social-spiritual variables that affect individual development and behavior and use theoretical frameworks to understand the interactions among individuals and between individuals and social systems (i.e., families, groups, organizations, and communities).
8. Analyze the impact of social policies on client systems, workers, and agencies.
9. Evaluate research studies and apply findings to practice and, under supervision, to evaluate their own practice interventions and those of other relevant systems.
10. Use communication skills differentially with a variety of client populations, colleagues, and members of the community.
11. Use supervision appropriate to generalist practice.
12. Function within the structure of organizations and service delivery systems and, under supervision, seek necessary organizational change.
13. Apply the knowledge, values, and skills of the profession to social work practice within the context of the local church and missions organizations.
14. Analyze and apply the knowledge, values, and skills of social work practice from a biblical world and life view.
15. Demonstrate an understanding, sensitivity, and commitment to issues related to poverty.

Students in the social work program have the opportunity to apply their classroom knowledge of Social Work theory, methods, and principles to actual situations of human need in a Field Experience placement.

Social Sciences and History

School of Social Sciences and Professional Studies

Social Work Advisory Council

The Social work Advisory Council consists of social work professionals, agency administrators, clergy, and educators representing public, private, and church-related service agencies. Through annual meetings, these experts advise the University and evaluate its plans for training skilled social work professionals with a commitment to core values and a biblical world and life view. Council members include:

Nelson Henning, Advisory Council Chair, Cedarville University, Cedarville, OH
Rebecca Combs, Greene County Children Services, Xenia, OH
Susan Crumbacher, Bureau of Vocational Rehabilitation, Xenia, OH
Christine Fulmer, Cedarville University, Cedarville, OH
Hope Gordon, Daybreak, Dayton, OH
Pam Hamer, Early Start, Cedarville, OH
George Huff, Cedarville University, Cedarville, OH
Rebecca Johnson, Senior Representative, Cedarville University, Cedarville, OH
Greg Kelly, Lifeway for Youth, Springfield, OH
Esther Lanham, Cedarville University, Cedarville, OH
Debbie Matheson, Family Violence Prevention Center, Xenia, OH
Cari Maynard, Cedarville Alumna, Dayton, OH
Faith McDonald, Clark County Dept. of Job and Family Services, Springfield, OH
Jamie Michael, Lebanon Correctional Institution, Lebanon, OH
Linda Moenter, Montgomery County Children Services, Dayton, OH
Emily Newton, TeenWorks, Inc., Dayton, OH
Kathleen Rhodes, Catholic Social Services, Springfield, OH
Katherine Rowell, Sinclair Community College, Dayton, OH
Jim Stahler, Huber Heights, OH
Sarah VanWinkle, Junior Representative, Cedarville University, Cedarville, OH
William Voskuhl, Greene County Juvenile Court, Xenia, OH

Admission to the Social Work Program

Admission to the social work program occurs during the sophomore year. Freshmen and sophomores interested in social work should declare their intent to major in social work and meet with an appropriate advisor to ensure that courses are taken in the proper sequence.

Admission Requirements and Procedures

1. Complete at least 22.5 hours of the General Education Requirements, including the necessary social work course prerequisites. (Submit a Summary of Prerequisites.)
2. Complete SWK-1100 Total Immersion Experience with a "C" or better by Fall Semester of the junior year.
3. Complete SWK-2330 Introduction to Social Work with a "C" or better by Fall Semester of the junior year.
4. Complete SWK-2350 Field Survey with a "C" or better by Fall Semester of the junior year.
5. Complete and submit an Application for Admission to the social work program director, including an Autobiographical Statement detailing your interest in social work and a Significant Life Experience Inventory describing your experience with the listed issues.
6. Submit Letters of Recommendation from your pastor, an employer or volunteer supervisor, and a teacher or adult friend.
7. Be interviewed by a minimum of two social work faculty.
8. Earn a cumulative GPA of 2.5 or above. Submit a copy of your current Unofficial Grade Transcript from the Academic Services Office.
9. Complete and document 40 hours of volunteer experience in a social service/community setting.
10. Submit a Social Work Program Handbook Sign Off Sheet.

The final decision as to whether all requirements are adequately met for admission to and progression in the social work program will be made by the social work faculty.

Course Requirements

Course requirements for the B.S. degree with a major in social work involve 85.5 semester hours including:

¹ ANTH-1800 Cultural Anthropology	3
¹ BEPH-2200 Introduction to Philosophy	3
¹ BIO-1000 Principles of Biology	3.5
ECON-2330 Microeconomics	3
¹ HIST-3750 Social Movements	3
POLS-2620 American State and Local Government	3
PYCH-1600 General Psychology	3
SOC-2300 Principles of Sociology	3
² SWK-1100 Total Immersion Experience	2
² SWK-2330 Introduction to Social Work	3
² SWK-2350 Field Survey	2
³ SWK-3010 Human Behavior and Social Environment	4
³ SWK-3020 Generalist Social Work Practice with Multicultural Groups	3

³ *SWK-4520 Senior Seminar II	2
³ *SWK-4560 Senior Field Experience I	7
³ *SWK-4570 Senior Field Experience II	7

¹Satisfies General Education Requirement.

²Available to non-majors.

³Available only to social work majors who have been accepted into the program.

*Capstone Course

Recommended electives:

SWK-2840 Concepts of Chemical Dependency	3
--	---

Social Work Major Curriculum Summary

Proficiency Requirements	0-5
Other General Education Requirements	43
Social Work Major Requirements	85.5
Total (minimum, not including proficiency)	128

Because of the specific, sequential course requirements involved, completion of the program in four years requires careful planning. Failure to take courses in their sequential order may result in a fifth year for completion. *Transfer students*, particularly those transferring in as juniors, will most likely require three years of study at Cedarville to complete program requirements.

(See suggested four-year curriculum for a major in social work on the following page.)

Social Sciences and History

School of Social Sciences and Professional Studies

Course Descriptions

Departmental Courses

GSS-1000 Foundations of Social Science—Fa,Sp 3 hours

Designed to provide the student with a knowledge of basic concepts in sociology, economics, and political science from a Christian-theistic perspective. General Education Requirement.

GSS-3610 Data Analysis—Fa 3 hours

The basic concepts of descriptive and inferential statistics are presented for the purpose of analysis of data sets. Among the concepts emphasized are levels of analysis, measures of central tendency and dispersion, probability, hypothesis testing, simple tests of significance correlation, and linear regression. The course will utilize a major statistical software program to familiarize the students with the power of the computer in data analysis.

GSS-3620 Research Methodology—Sp 3 hours

In the study of the scientific method of research, particular emphasis will be placed upon hypothesis formation, questionnaire design and administration, sampling design, threats to validity, interviewing, and data collection. A research project will be designed. *Prerequisite: GSS-3610 Data Analysis.*

GSS-3810,3820 1 hour each

Clinical Teaching in the Social Sciences—Fa,Sp

Practical, on-campus, one credit hour experience in which a student is assigned to assist a college instructor in the preparation of tests and quizzes, grading, research, and other teaching responsibilities. A student will be expected to participate for 30 clock hours for each semester hour of credit. A student may arrange to do either of the following with the director of this experience in his or her discipline:

1. One 30-hour experience for two different semesters.
2. A 60-hour experience for one semester.

Prerequisite: admission to the teacher education program.

GSS-4990 Social Science/History Internship 3-12 hours

Majors who participate in government service, historical research, public administration, international studies, criminal justice, or other approved activities related to the social sciences may earn up to 12 hours of credit.

CRJU-4440 - SWK-4440 Special Topics 1-3 hours

Investigation of specific topics in Social Science and History that have intrinsic worth and engage student interest.

ANTH-4940 through SWK-4950 1-3 hours

Independent Study in Social Science

Provides the means whereby gifted and interested students may explore, in a more in-depth and intensive manner, general information acquired in the major courses. Further, independent study provides a logical way to complete required hours not obtained in normal sequencing. In all instances, the prior approval of the professor shall be required in those limited instances in which such permission is granted. *Prerequisite: permission of the instructor.*

ANTH-4940 Anthropology

CRJU-4440 Special Topics

CRJU-4960 Criminal Justice

GEO-4920 Geography

HIST-4900 History

INTL-4980 International Studies

POLS-4930 Political Science

PUAD-4970 Public Administration

SOC-4910 Sociology

SWK-4440 Special Topics

SWK-4950 Social Work

Anthropology

ANTH-1800 Cultural Anthropology—Fa,Sp 3 hours

Analysis of the concept and its importance for the study of man; an examination of various cultures of the world as they relate to

technological, economic, social, political, and religious aspects of these cultures.

Criminal Justice

CRJU-1310 Introduction to Criminal Justice—Fa 3 hours

Introduction to the discipline and institutions of criminal justice in the United States. Law enforcement, the courts, and corrections will be recognized in an open systems sense as interacting and interdependent institutions. On occasion, timely issues will be considered as they relate to criminal justice agencies.

CRJU-2200 Criminology—Fa 3 hours

See course description for SOC-2200 Criminology.

CRJU-2310 Juvenile Delinquency—Sp 3 hours

Study and assessment of causal theory and problems of correction and prevention of delinquency. (Fee: \$30)

CRJU-2840 Concepts of Chemical Dependency—Sp 3 hours

Designed to investigate the concept of chemical dependency. Course emphasis is on the various drugs of abuse and methods of assessment, intervention, and treatment. *Prerequisite: PSYCH-1600 General Psychology; SOC-2300 Principles of Sociology; or permission of instructor.*

CRJU-3300 Corrections—Sp 3 hours

In-depth consideration of probation, penology, and community supervision sectors of the field of criminal justice. (Fee: \$30)

CRJU-3320 Criminal Investigation—Fa 3 hours

Focuses on criminal investigative methods, identification procedures, crime scene search, categories of physical evidence, evidence collection and preservation, sources of information, interviews, and interrogations. *Prerequisite: CRJU-1310 Introduction to Criminal Justice.*

CRJU-3330 Constitutional Law for Criminal Justice—Sp 3 hours

Provides an intensive examination of the leading Supreme Court decisions relative to the 4th, 5th, 6th, and 8th Amendments in their application to criminal justice personnel and law enforcement agencies.

CRJU-3350 Criminal Law—Sp 3 hours

Focuses on the general classification of criminal offenses, rules of construction, burden and degree of proof, jurisdiction and venue, limitations to criminal prosecution, requirements for criminal liability, culpable mental states, defenses to criminal liability, and elements of criminal offenses. *Prerequisite: CRJU-1310 Introduction to Criminal Justice.*

CRJU-3390 Criminal Evidence—Sp 3 hours

Focuses on the evidence process applicable to criminal case preparation and presentation in court. Emphasis on types of evidence, tests of admissibility, objections, weight of evidence, witness competency and credibility, defenses, suppressions, order of evidence presentation at trial, and rules of evidence. *Prerequisite: CRJU-1310 Introduction to Criminal Justice.*

CRJU-3400 Criminal Procedure—Sp 3 hours

Pertains to procedural law, which governs the enforcement of substantive criminal law. Emphasis on legal authority of law enforcement personnel and rights of the accused person with a review of pertinent U.S. Supreme Court decisions. Consideration is given to various procedural stages from criminal charges through post-conviction appeal. *Prerequisite: CRJU-1310 Introduction to Criminal Justice.*

CRJU-3410 3 hours

Civil Liability for Criminal Justice Personnel—Sp

Focuses on civil liability issues with a review of pertinent U.S. Supreme Court decisions. Emphasis on federal civil liability, tort liability and damages, acts of negligent employment, qualified immunity, seizures and civil liability, special duty to protect, liability for policy or custom, and preventive measures. *Prerequisite: CRJU-1310 Introduction to Criminal Justice.*

CRJU-4200 Police Administration—Fa 3 hours

Focuses on contemporary policing issues and related administrative matters from the perspective of executive leadership.

Social Sciences and History

School of Social Sciences and Professional Studies

Emphasis on management of organizational resources regarding basic line and staff functions. Consideration is given to contemporary issues of community-oriented policing and federal legislative mandates. Case study is utilized. *Prerequisite: CRJU-1310 Introduction to Criminal Justice.*

CRJU-4330 **Contemporary Issues in Criminal Justice–Sp** **3 hours**

Analysis of key issues influencing the criminal justice system.

CRJU-4600 Research Issues in Criminal Justice–Fa **3 hours**

This is a capstone course for criminal justice majors. The class will usually focus on a significant issue in contemporary criminal justice. Major papers will be presented by individual students on sub-categories of the primary topic. Additionally, the class will prepare a project that will be presented in a public forum. *Prerequisite: senior status as a CRJU major.*

Geography

GEO-3080 History of Russia and the Soviet Union–Fa **3 hours**

See course description for HIST-3080 History of Russia and the Soviet Union.

GEO-3200 History and Politics of Latin America–Fa **3 hours**

See course description for HIST-3200 History and Politics of Latin America.

GEO-3210 History and Politics of East Asia–Sp **3 hours**

See course description for HIST-3210 History and Politics of East Asia.

GEO-3220 History and Politics of the Middle East–Fa **3 hours**

See course description for HIST-3220 History and Politics of the Middle East.

GEO-3230 History and Politics of Western Europe–Sp **3 hours**

See course description for HIST-3230 History and Politics of Western Europe. (odd years)

GEO-3240 History and Politics of Eastern Europe–Sp **3 hours**

See course description for HIST-3240 History and Politics of Eastern Europe.

GEO-3250 **History and Politics of Central & South Asia–Fa** **3 hours**

See course description for HIST-3250 History and Politics of Central & South Asia.

GEO-3510 **World Regional Geography–Western Hemisphere–Fa** **3 hours**

Spatial survey of various regions in the western hemisphere with an emphasis on the cultural, economic, and political developments in relation to the geographical environment.

GEO-3520 **World Regional Geography–Eastern Hemisphere–Sp** **3 hours**

Survey of various regions in the eastern hemisphere with an emphasis on the cultural, economic, and political developments in relation to the geographical environment.

GEO-3540 History and Politics of Africa–Sp **3 hours**

See course description for HIST-3540 History and Politics of Africa.

History

HIST-1110 United States History I–Fa **3 hours**

HIST-1120 United States History II–Sp **3 hours**

Analysis of the development of the United States from the colonial period to the present. Attention is given to the dominant Christian influences that have tended to mold the philosophy and ideology of our cultural, social, and political development.

HIST-2000 Introduction to History–Fa **2 hours**

An introduction to the field of history as it pertains to both the academic and the public historian. Emphasis will be given to historical inquiry, source evaluation, analysis and synthesis, research methodology, formal historical writing, and career opportunities. Introduction to History should be taken in the sophomore year.

HIST-2010 History of Civilization I–Fa **3 hours**

HIST-2020 History of Civilization II–Sp **3 hours**

This survey of human history begins at the advent of civilized life in the ancient Near East and continues into the twentieth century. It presents the religious, social, political, and intellectual development of mankind from a Christian interpretive point of view.

HIST-3000 Introduction to Historiography–Fa **3 hours**

Introduction to the history of historical writing, methods of research, and the philosophy of history. Required of history majors. Should be taken in the junior year.

HIST-3030 History of Christianity: Pre-Reformation–Sp **3 hours**

Survey of ancient and medieval church history with emphasis given to doctrinal and institutional developments. (even years)

HIST-3040 History of Modern Britain–Fa **3 hours**

A survey of the events, major individuals, and ideas of modern Great Britain, including Scotland and Ireland, from the time just prior to the Reformation to the twentieth century. The class will focus on the influence of British ideas on American Culture and religion, the rise of classical liberalism and the free market system, the role of socialism, the age of colonialism, the common law, Reformed theology from Puritanism and Scottish Presbyterianism, and other movements and ideas.

HIST-3050 Renaissance and Reformation Europe–Fa **3 hours**

A survey of the period spanning the fourteenth through the seventeenth centuries, focusing on the origins, rise, nature, and waning of the Renaissance, especially humanism, and the origins, development, and influence of the Protestant Reformations and the Roman Catholic Counter-Reformation. A special emphasis will be placed on the continuities and discontinuities between the two movements. (odd years)

HIST-3060 History of Modern Germany **3 hours**

Composite examination of the course of German unification under Prussia and Germany's rise to the status of great world power. Emphasis is given to 19th and 20th century political and intellectual movements.

HIST-3070 The Age of Reason–Sp **3 hours**

A survey of the major individuals, events, and ideas of the period spanning the mid-seventeenth century to the end of the eighteenth century, known as the Enlightenment. Included is a study of the changing political landscape, the rise of France and Great Britain as major European powers, the continued fragmentation of the German states as well as the growing power of Prussia, the origin and diffusion of new ideas in philosophy, theology, science, economics, and politics, and the lives of a number of influential individuals of the period. (odd years)

HIST-3080 History of Russia and the Soviet Union–Fa **3 hours**

This course will cover not only Soviet history but also the major events of Russian history up to the Bolshevik Revolution. Soviet history will be studied in detail, with attention given to the development of non-Russian peoples in the empire. The political, economic, social, and foreign policy aspects of Soviet history will all be covered, emphasizing Perestroika and the Soviet collapse.

HIST-3090 **Europe in the Nineteenth Century: the Age of Revolution–Fa** **3 hours**

A survey of the period running from about 1789 to 1918. The course follows the major political and ideological shifts of the nineteenth century, especially the various revolutions of the period, as well as the major ideas such as evolutionary thought, classical liberalism, laissez faire, socialism, and idealism. Also covered is the Industrial Revolution and geographic focus on Germany and England. (even years)

HIST-3110 Early American History–Fa **3 hours**

Analysis of the development of American civilization from colonization to 1820. Political, religious, social, economic, and cultural institutions will be examined. *Prerequisite: HIST-1110 United States History or permission of instructor.*

Social Sciences and History

School of Social Sciences and Professional Studies

- HIST-3120 History of Recent and Contemporary America—Fa** 3 hours
Intensive study of the domestic and foreign policies of the United States since 1945. Particular emphasis is given to American society in the 1950's, the Cold War, the Civil Rights Movement, the cultural revolution of the 1960's, American involvement in Vietnam, the Welfare State, Watergate, and the Reagan Revolution. *Prerequisite:* HIST-1120 United States History or permission of instructor.
- HIST-3130 Civil War and Reconstruction—Sp** 3 hours
Study of the sectional crisis, the military and nonmilitary aspects of the Civil War, and the social and political phases of Reconstruction. *Prerequisite:* HIST-1110, 1120 United States History. (odd years)
- HIST-3200 History and Politics of Latin America—Fa** 3 hours
Analysis of the major historical, political, geographical, social, and diplomatic developments that have shaped contemporary Latin America. May be credited to geography, history, international studies, or political science. (even years)
- HIST-3210 History and Politics of East Asia—Fa** 3 hours
Study of the historical, political, geographical, social, and diplomatic developments of East Asia from the 18th century to the present. May be credited to geography, history, international studies, or political science. (odd years)
- HIST-3220 History and Politics of the Middle East—Fa** 3 hours
Analysis of the major historical, political, geographical, and social forces, such as religion and nationalism, that have shaped the contemporary Middle Eastern states. May be credited to geography, history, international studies, or political science.
- HIST-3230 History and Politics of Western Europe—Sp** 3 hours
This course will cover the development of Western European history and politics from approximately the year 1900 to the present. Concentration will be on the great European powers but will include the smaller states. The political, economic, and social histories of the nations of Europe will be covered, as well as several macro-European issues. (odd years)
- HIST-3240 History and Politics of Eastern Europe—Sp** 3 hours
This overview course will cover the geography, history, politics, and international relations of Eastern Europe from prehistory to the present. While special attention will be given to religious and ethnic conflict, the course will also cover the region's social histories, economic, gender, and class issues. (even years)
- HIST-3250 History and Politics of Central & South Asia—Fa** 3 hours
This overview course will cover the geography, history, politics, and international relations of Central and South Asia from prehistory to the present. While special attention will be given to religious and ethnic conflict, the course will also cover the region's social histories, economic, gender, and class issues. (odd years)
- HIST-3540 History and Politics of Africa—Sp** 3 hours
This course will begin with the landing of the Ark on Ararat, discuss the origins of the Hamitic, Semitic, and the Japhethitic peoples of Africa, and trace their histories to the modern day. Special emphasis will be given to the problems of slavery, colonialism, socialism, Islam, de-colonization, corruption, poverty, AIDS, tropical diseases, and women's issues. This class should not be taken by freshmen. *Prerequisite:* permission of instructor. (even years)
- HIST-3710 History of Political Philosophy I—Fa** 3 hours
Study of the development of political thought in the ancient and early medieval era with special attention given to the works of Plato and Aristotle. Course may also explore topics in political philosophy. *Prerequisite:* major or minor in history or political science or permission of instructor.
- HIST-3720 History of Political Philosophy II—Sp** 3 hours
Study of the development of political thought in the late medi-
- eval era and modern era with special attention given to the works of Thomas Hobbes and Friedrich Nietzsche. Course may also explore topics in political philosophy. *Prerequisite:* major or minor in history or political science or permission of instructor.
- HIST-3750 Social Movements—Fa,Sp** 3 hours
Study of the influence of ideas and institutions upon social movements in America.
- HIST-4000 Research in American History—Fa,Sp** 3 hours
HIST-4010 Research in European History—Sp 3 hours
HIST-4020 Research in Asian History 3 hours
All majors are required to take either HIST-4000, HIST-4010, or HIST-4020. Each student will prepare a formal monograph. *Prerequisite:* major or minor in history.
- HIST-4050 Great Power Diplomacy in the Modern World—Sp** 3 hours
Examines diplomatic relations among the world's most powerful nations, focusing on 20th century diplomacy and the future of international relations in the 21st century. *Prerequisite:* POLS/INTL-3650 International Relations or permission of instructor.
- HIST-4110 Interpretations in American History—Fa** 3 hours
Study of selected historical problems in America. Emphasis placed on new interpretations and their impact.
- International Studies**
- INTL-3080 History of Russia and the Soviet Union—Fa** 3 hours
See course description for HIST-3080 History of Russia and the Soviet Union.
- INTL-3190 Global Issues—Sp** 3 hours
Analysis of the international issues that are shaping our contemporary and future world, ranging from terrorism, the environment, international crime, disease, and collapsing states to the digital revolution and the global economy.
- INTL-3200 History and Politics of Latin America—Fa** 3 hours
See course description for HIST-3200 History and Politics of Latin America. (even years)
- INTL-3210 History and Politics of East Asia—Fa** 3 hours
See course description for HIST-3210 History and Politics of East Asia. (odd years)
- INTL-3220 History and Politics of the Middle East—Fa** 3 hours
See course description for HIST-3220 History and Politics of the Middle East.
- INTL-3230 History and Politics of Western Europe—Sp** 3 hours
See course description for HIST-3230 History and Politics of Western Europe. (odd years)
- INTL-3240 History and Politics of Eastern Europe—Sp** 3 hours
See course description for HIST-3240 History and Politics of Eastern Europe.
- INTL-3250 History and Politics of Central & South Asia—Fa** 3 hours
See course description for HIST-3250 History and Politics of Central & South Asia.
- INTL-3540 History and Politics of Africa—Sp** 3 hours
See course description for HIST-3540 History and Politics of Africa. (even years)
- INTL-3650 International Relations—Fa** 3 hours
See course description for POLS-3650 International Relations.
- INTL-4050 Great Power Diplomacy in the Modern World—Sp** 3 hours
See course description for HIST-4050 Great Power Diplomacy in the Modern World.
- INTL-4400 Seminar in International Studies—Fa** 3 hours
A seminar/readings course intended to prepare senior students for graduate study. Through readings and discussion, students explore classical writings on international relations and international issues that are shaping our contemporary and future world.

Social Sciences and History

School of Social Sciences and Professional Studies

INTL-4500 Research in International Studies—Sp 3 hours
Students will prepare and present a formal research project on a country, region, or significant international issue.

Political Science

POLS-2610 American National Government—Sp 3 hours
Introductory study of the development and structure of the Constitution and the operation of our national political institutions.

POLS-2620 American State and Local Government—Sp 3 hours
The organization and function of states and their political subdivisions form the basis of study in this course.

POLS-3080 History of Russia and the Soviet Union—Fa 3 hours
See course description for HIST-3080 History of Russia and the Soviet Union.

POLS-3100 Public Budgeting—Fa 3 hours
See course description for PUAD-3100 Public Budgeting.

POLS-3190 Global Issues—Sp 3 hours
See course description for INTL-3190 Global Issues.

POLS-3200 History and Politics of Latin America—Fa 3 hours
See course description for HIST-3200 History and Politics of Latin America. (even years)

POLS-3210 History and Politics of East Asia—Fa 3 hours
See course description for HIST-3210 History and Politics of East Asia. (odd years)

POLS-3220 History and Politics of the Middle East—Fa 3 hours
See course description for HIST-3220 History and Politics of the Middle East.

POLS-3230 History and Politics of Western Europe—Sp 3 hours
See course description for HIST-3230 History and Politics of Western Europe. (odd years)

POLS-3240 History and Politics of Eastern Europe—Sp 3 hours
See course description for HIST-3240 History and Politics of Eastern Europe.

POLS-3250 History and Politics of Central & South Asia—Fa 3 hours
See course description for HIST-3250 History and Politics of Central & South Asia.

POLS-3540 History and Politics of Africa—Sp 3 hours
See course description for HIST-3540 History and Politics of Africa. (even years)

POLS-3600 Public Administration—Fa 3 hours
See course description for PAUD-3600 Public Administration.

POLS-3610 The American Presidency—Sp 3 hours
Overview of the office of the American president, the various responsibilities that he holds, the contrasting theories held in regard to the execution of his office, and the increasingly important influence his actions have upon the nation and the rest of the world. (odd years)

POLS-3620 The Supreme Court—Fa 3 hours
Introductory course to the United States Supreme Court as an institution of lasting permanence within the American governmental structure.

POLS-3630 The Legislative Process—Sp 3 hours
In-depth analysis of the real mechanisms that undergird the role of the Congress of the United States as shown by the current literature and exemplified by present members. (even years)

POLS-3650 International Relations—Fa 3 hours
A survey of contemporary international affairs and principles of interstate relations, focusing on forces that unite and divide our world.

POLS-3690 Public Policy—Sp 3 hours
See course description for PUAD-3690 Public Policy.

POLS-3710 History of Political Philosophy I—Fa 3 hours
See course description for HIST-3710 History of Political Philosophy I.

POLS-3720 History of Political Philosophy II—Sp 3 hours
See course description for HIST-3720 History of Political

Philosophy II.

POLS-3740 Political Ideologies—Fa 3 hours

This course examines the major ideologies that have dominated modern politics since the beginning of classical liberalism in the 18th century. Emphasis is given to the epistemological foundations of politics, the pluralist universe of ideologies and its antagonistic character, and, lastly, the ideological character of conservative thought. *Prerequisites: HIST/POLS-3710, 3720 History of Political Philosophy I, II; majors only.* (odd years)

POLS-3750 Contemporary Political Philosophy—Sp 3 hours

This course examines the development of political philosophy in the 20th and 21st centuries, with special attention given to the works of John Rawls and the various critiques they have engendered. Special topics in political philosophy may also be explored. *Prerequisites: HIST/POLS 3710, 3720 History of Political Philosophy I, II; majors only.* (even years)

POLS-3790 Comparative Politics—Fa 3 hours

The purpose of this class is to familiarize the student with the major historical and political debates of comparative politics. Particular emphasis will be placed on the topics of political economy, new institutionalism, ethnic conflict, state and nation building, sources of prosperity, corruption, political communication, and political parties. Other important topics covered will be the role of women in society, economic development, ideology, cultural values and traditions, and religion in politics. (even years)

POLS-4050 Great Power Diplomacy in the Modern World—Sp 3 hours

See course description for HIST-4050 Great Power Diplomacy in the Modern World.

POLS-4400 Seminar in International Studies 3 hours

See course description for INTL-4400 Seminar in International Studies.

POLS-4500 Research in International Studies—Sp 3 hours

See course description for INTL-4500 Research in International Studies.

POLS-4550 Seminar in Political Philosophy—Fa 3 hours

Senior course in which students will demonstrate their knowledge of political philosophy through guided research, critical thinking, demonstration of oral and written skills, and the submission of a thesis research proposal. Course must be taken during Fall Semester of the senior year. First course of capstone requirement. *Prerequisites: major in political science, GSS-3610, 3620; HIST-1110 or 1120; POLS-2610, 3600, 3650, 3710, 3720, 3790, and 4610.*

POLS-4560 Research in Political Philosophy—Sp 3 hours

Senior course in which students will demonstrate their knowledge of political philosophy through guided research, critical thinking, demonstration of oral and written skills, and the submission of a bachelor thesis. Course must be taken during Spring Semester of the senior year. Second course of capstone requirement. *Prerequisite: POLS-4550 Seminar in Political Philosophy.*

POLS-4570 Seminar in American Politics—Fa 3 hours

This course is intended to provide an opportunity for political science majors to develop and demonstrate research, writing, and oral communication skills and to apply them to a research project suitable to the completion of the undergraduate major. It is designed to intellectually synthesize the student's undergraduate political science education, specifically in the area of American politics. Students are expected to demonstrate substantive and methodological abilities acquired through the undergraduate degree program. This course will be followed by a three-hour course, POLS-4580 Research in American Politics in Spring Semester.

POLS-4580 Research in American Politics—Sp 3 hours

A seminar/research course that completes the proposed project selected during POLS-4570 Seminar in American

Social Sciences and History

School of Social Sciences and Professional Studies

Politics. This course will involve the collection and analysis of data from a normative and/or empirical perspective pertaining to the selected topic in American politics. Through readings and discussion, this course is intended to prepare the student for the rigors of graduate study in American politics.

POLS-4610 Political Dynamics–Sp 3 hours

Analysis of public opinion, interest groups, political parties, and voting behavior; a study of the formation of political attitudes and their influence on the political process. *Prerequisites: POLS-2610 American National Government; GSS-3610 Data Analysis.* (even years)

POLS-4630 American Constitutional Law–Sp 3 hours

In-depth analysis of selected Supreme Court decisions and their relevance to political, social, economic, and religious dimensions of American life.

POLS-4700 Prelaw Seminar–Fa,Sp 3 hours

Individual projects acquaint the student with legal procedures and research in areas such as briefs and contracts.

Public Administration

PUAD-3100 Public Budgeting–Fa 3 hours

Analysis of public sector budgeting at all levels of government in the United States with an emphasis on budgets as reflectors of priority, power, and control.

PUAD-3390 Public Finance 3 hours

A consideration of the financing of local, state, and federal governments. Much attention is given to three functions of government: stabilization, distribution, and allocation. All major taxes that are present in the United States are studied as to structure, revenue gained, and present status. *Prerequisite: ECON-2340 Macroeconomics.* (odd years)

PUAD-3600 Public Administration–Fa 3 hours

Introduction to public administration both as a discipline and profession, including organization theory, budgeting, public policy analysis and evaluation, and public sector administration.

PUAD-3690 Public Policy–Sp 3 hours

Focus on decision making, problem solving, and methods of program analysis. *Prerequisites: HIST-1110, 1120 U.S. History; POLS-2610 American National Government.*

PUAD-4600 Applied Public Administration–Fa 3 hours

Capstone course for public administration majors, involving the research of issues related to public administration in the United States from a normative and/or empirical perspective.

PUAD-4640 Strategies for Public Administration–Fa 3 hours

Designed to acquaint the advanced student in public administration or international studies with some of the policy decisions facing American government. All three levels of American government, federal, state, and local, will be examined in light of their particular relationships with foreign governments. (odd years)

Sociology

SOC-2200 Criminology–Fa 3 hours

Introduction to the major criminological perspectives regarding crime causation. Selected notorious crimes are considered as case studies to enhance understanding of each perspective.

SOC-2300 Principles of Sociology–Fa,Sp 3 hours

Introduction to the concepts of sociology. The structure and processes of social life are studied.

SOC-2310 Juvenile Delinquency–Sp 3 hours

See course description for CRJU-2310 Juvenile Delinquency.

SOC-2330 Introduction to Social Work–Fa 3 hours

See course description for SWK-2330 Introduction to Social Work.

SOC-2400 Marriage and the Family–Fa,Sp 3 hours

A biblical theology of marriage and the family is developed as a means by which to evaluate contemporary dating, marriage, and family arrangements. A major focus of the course is upon practical

application related to such topics as dating/courtship, engagement, marital adjustment, in-law relations, communication and conflict resolution, family planning, and discipline.

SOC-2840 Concepts of Chemical Dependency–Sp 3 hours

See course description for SWK-2840 Concepts of Chemical Dependency.

SOC-3330 Social Stratification–Fa 3 hours

Study of the class structure and its implications for American society. *Prerequisite: SOC-2300 Principles of Sociology.*

SOC-3340 Sociology of Religion–Sp 3 hours

The relationship of religion to society with particular reference to contemporary movements.

SOC-3420 Human Sexuality 2 hours

Study of biblical content regarding human sexuality and an analysis of contemporary concepts within a framework of Christian thought.

SOC-3710 Family and Society–Sp 3 hours

This sociological study of the family examines the scientific knowledge that exists about traditional and contemporary household arrangements. Research on alternative family forms is evaluated in light of public policy decisions and a biblical view of the family.

SOC-3730 Social Problems–Sp 3 hours

Study of selected social problems for the purpose of developing, understanding, and exploring approaches to the social treatment of these problems within a theistic framework.

SOC-3750 Social Movements–Fa,Sp 3 hours

See course description for HIST-3750 Social Movements.

SOC-4410 Research in Sociology–Sp 3 hours

Senior research paper in which each student focuses upon an issue or topic within the discipline of sociology.

SOC-4720 Social Theory–Fa 3 hours

Historical review of major sociological theorists and a critical examination of their theories from a theistic perspective.

Social Work

SWK-1100 Total Immersion Experience–Fa,Sp 2 hours

Available to all students. Preprofessional experience for students interested in social work. Participation with a social service agency, shadowing a social worker (minimum-LSW and 2 years experience) for 5 full and consecutive days to better understand: (1) social work as a vocation; (2) the vulnerable populations social workers serve; (3) the professional helping relationship; and (4) the agency setting. Students must complete this class before applying for admission to the program. (Fee: \$20)

SWK-2330 Introduction to Social Work–Fa,Sp 3 hours

Available to all students. This course gives an introduction to the social work profession and a variety of fields of social work practice. It includes a study of the historical development and professionalization of social work. There will be an overview of the integration of faith and practice and the program's poverty focus. (Fee: \$40)

SWK-2350 Field Survey–Fa,Sp 2 hours

Experiential learning through visitation and observation of social workers and interdisciplinary teams in agency settings. Course provides detailed exposure to fields of social work practice, the role of social work, and agency structure. There is a special emphasis on understanding the dynamics of the professional helping relationship given the client's membership in certain groups. Does not count toward Social Science elective for general education. (Fee: \$30)

SWK-2840 Concepts of Chemical Dependency–Sp 3 hours

Available to all students. Designed to investigate the concept of chemical dependency. Course emphasis is on the various drugs of abuse, and methods of assessment, intervention, and treatment. *Prerequisite: PSYCH-1600 General Psychology; SOC-2300 Principles of Sociology or permission of instructor.*

Social Sciences and History

School of Social Sciences and Professional Studies

SWK-3010 Human Behavior and the Social Environment—Fa 4 hours

This course will provide an examination of the social systems approach to understanding human behavior with families, groups, organizations, and communities. Particular focus will be on the relationship among biological, social, psychological, and cultural systems as they affect and are affected by human behavior. *Prerequisite: admission to the social work program.*

SWK-3020 Generalist Social Work Practice with Multicultural Groups—Fa 3 hours

This course teaches an understanding of the cultural values of diverse groups and their impact on the group process and the importance of being a culturally sensitive group leader. Emphasis is given to using a problem-solving and group decision-making process in practicing group work with multicultural, small groups, communities, and organizations. *Prerequisite: admission to the Program or permission of the instructor.*

SWK-3110 Social Welfare Programs and Policy—Fa 4 hours

Survey of the American social welfare system. Analysis of the history, purpose, programs, and assessment of this system from a biblical theistic point of reference. Examines social welfare policies and programs in relation to their effects on specific populations in need in U.S. society. Within a historical and political context, current social welfare programs and policies are further examined in terms of underlying assumptions and values, substance, implementation, and effectiveness. Considers major questions of social choice and the underlying criteria for the funding and delivery of social services. Policy analysis will be a major focus. Innovative programs and models that the churches could consider will be discussed and developed. *Prerequisite: admission to the social work program.*

SWK-3210 Social Work Practice with Individuals, Families, and Groups—Sp 4 hours

This 4-hour course is taken concurrently with 16 hours per week field experience designed to teach social intervention theory with practice. Emphasis will be given to the basic principles and values of practice in acquiring values, skills, theory, and principles of social work practice as well as the skill developments essential to beginning social work relationships. Intervention strategies for work with families and target groups are presented with an orientation toward problem-solving. The goal of this course is to assist the student in integrating theory with practice and in gaining awareness of the professional use of self interviewing. Professional writing skills are further developed. *Prerequisites: SWK-3010 Human Behavior and the Social Environment; admission to the social work program.*

SWK-3430 Junior Seminar I—Fa 1 hour **and SWK-3440 Junior Field Experience I—Fa (Fee: \$65)** 3 hours

Junior Field Experience I is the placement of students in a poverty focused social service agency. The first four weeks will be one hour orientation sessions designed to inform and equip the student to complete all assignments required before entering his/her junior experience. Each student will be in field for a minimum of 75 hours, practicing eight hours weekly with clients and agency staff under the supervision of a qualified field instructor. Seminar class will meet once a week for one hour, where the student will receive input from peers and faculty. *Prerequisite: admission to the Social Work Program.*

SWK-3450 Junior Seminar II—Sp 1 hour **and SWK-3460 Junior Field Experience II—Sp (Fee: \$65)** 3 hours

Junior Field Experience II is the placement of students in a poverty-focused social service agency. Each student will be in field for a minimum of 75 hours, practicing eight hours weekly with clients and agency staff under the supervision of a qualified field instructor. Seminar class will meet once a week for one hour where the student will receive input from peers and faculty.

The last four weeks will be one-hour orientation sessions designed to inform and equip the student to complete all assignments required before entering his/her senior field seminar. *Prerequisite: admission to the social work program.*

SWK-3610 Data Analysis—Fa 3 hours

See course description for GSS-3610 Data Analysis. Social work majors are required to take this section of Data Analysis taught by a social work faculty member with the social work designator. *Prerequisite: admission to the Social Work Program or permission of the instructor.*

SWK-3620 Social Work Research Methods—Sp 3 hours

Designed to survey the basic process of research methods as practiced in the social sciences. Underlying principles of science and logic are emphasized and special attention is directed toward the recognition of common sources of error and bias in the implementation and interpretation of research studies as it affects the outcomes of research utilization. Students will be better prepared to recognize the impact of special population variables (age, race, gender, etc.) on the research process. *Prerequisite: admission to the social work program.*

SWK-4210 Social Work Practice with Special Populations—Fa 3 hours

This course is the second part of a three-course sequence in acquiring values, skills, and knowledge of generalist social work practice. Intervention strategies for practice with a wide variety of populations will be presented, including people of different religions; women; lesbian, gay, bi-sexual, and transgendered people; children and youth; the elderly; disabled; appalachians; African Americans; Asian Americans and Pacific Islanders; American Indians; Mexican Americans; Hispanics and Puerto Ricans; and refugees and immigrants. *Prerequisite: admission to the social work program.*

SWK-4220 Social Work Practice with Communities and Organizations—Sp 4 hours

Designed to complete the undergraduate program and thus equip the student for beginning professional social work practice. Focus is on competency in social work practice in multiple macro settings as a generalist in problem solving and social change. *Prerequisites: admission to the social work program; SWK-4210 Social Work Practice with Special Populations. (Fee: \$20)*

SWK-4510 Senior Seminar I—Fa 2 hours **and SWK-4560 Senior Field Experience I—Fa (Fee: \$90)** 7 hours

These courses are coordinated with SWK-4210 Social Work Practice with Special Populations. This course offers students the opportunity to practice social work 16 hours weekly with professional supervision. A seminar is held two hours weekly in which students submit their own practice record for critical study and offer feedback to their peers. Emphasis is placed on the integration of students' social work theoretical knowledge and skills as they enter the profession. Students must complete a minimum of 225 hours in field. *Prerequisite: admission to the social work program. Corequisite: SWK-4510 and SWK-4560 must be taken together.*

SWK-4520 Senior Seminar II—Sp 2 hours **and SWK-4570 Senior Field Experience II—Sp (Fee: \$90)** 7 hours

These courses offer students the opportunity to practice social work 16 hours weekly, with professional supervision. A seminar is held two hours weekly in which students submit their own practice record for critical study and offer criticism to their peers. Emphasis is placed on the integration of the students' social work theoretical knowledge and skills as they enter the profession. Students must complete a minimum of 225 hours in field. *Prerequisite: admission to the social work program. Corequisites: SWK-4520 and SWK-4570 must be taken together.*

Financial Information

Student Costs

Financial Information

University Financial Operating Policy

The University keeps the application fee, tuition, room, board, and other fees as low as possible to be consistent with responsible operation. The revenue from students does not cover the total cost of operation.

Individuals and churches who desire to share in the preparation of young people for effective Christian service in all walks of life partially support the University. Some funds are received from interested businesses, industries, and foundations. Student costs as stated are subject to change upon reasonable notification by the University.

Student Costs

Tuition

*Regular tuition per semester credit	\$501
Audit tuition per semester credit	\$251

Fees

Application fee	\$30
Board per semester	
Group A Meal Plan	1,163
Group B Meal Plan	1,050
Car registration fee per semester	30
Drop/add (course) fee	5
Late payment fee	20
Late registration	50
Lost room key	50
New student fee

*Senior citizens may enroll in courses for credit or no credit on an available space basis at no tuition charge. Senior citizens are those individuals 62 years of age or older who are considered to be retired according to the Social Security Administration.

Summary of Costs

Basic Expenses

Estimated basic costs for the academic year of 2004-2005 (excluding transportation, personal expenses, books, and laboratory fees):

Tuition (based on an average of 32 semester hours)	\$16,032
Board (21 meals per week)	2,326
Room	<u>2,684</u>
Total Estimated Costs	\$21,042

Other Expenses

Other yearly expenses may be estimated as follows:

Books and supplies	\$740
Personal expenses (including clothing, recreation, and personal items) Note: laundry included with room	\$970
Transportation (based on area of residency)	various

Financial aid may be available to help with university costs. See the Financial Aid section of this catalog for additional information concerning available funds and application procedures.

Financial Registration Policy

To enable the University to be responsible in meeting its financial responsibilities, students must make provision for the payment of their bill on the due dates established by the University each semester. A student's registration for classes indicates a commitment to pay for related charges as stated in the university catalog.

The following payment plan schedule was established to help students care for this responsibility:

	Fall 2004	Spring 2005
First Payment Due:	August 16, 2004	January 1, 2005
Second Payment Due:	September 1, 2004	February 1, 2005
Third Payment Due:	October 1, 2004	March 1, 2005
Fourth Payment Due:	November 1, 2004	April 1, 2005

A student is not considered financially registered until at least the first one-fourth payment has been received by the Cashier's Office. Students who do not make financial arrangements for the first payment due on their university bill will not be permitted to attend the University. Failure to make subsequent payments could result in the loss of cafeteria and library privileges and the withholding of grades and on-line registration.

Payment Plans

Students may take advantage of one of two payment plans:

- Payment in Full** involves paying the full amount due as indicated on the Student Invoice by the first payment due date indicated above.
- Four-Pay Plan** makes it possible for students to pay their university bill in four payments spread over three months. An interest charge of 1.083% per month is made on the unpaid balance. Payment envelopes, available on campus, enable students to send checks through intracampus mail and avoid standing in lines.

First Payment: At least one-fourth of the amount the student is required to pay is due according to the above payment schedule. *This is the amount of the student's bill remaining after federal loans, financial aid grants, and scholarships are deducted.* When this payment is made, the student has completed financial registration. A late payment charge of \$20 is assessed if the first payment is not made by the due date.

Second Payment: The student is required to pay the second payment within four weeks of financial registration. A late payment charge of \$20 is assessed to all accounts that do not meet this criteria. An interest charge of 1.083% per month is made on the unpaid balance.

Third Payment: The student is required to pay the third payment within eight weeks of financial registration. A late payment charge of \$20 is assessed to all accounts that do not meet this criteria. An interest charge of 1.083% per month is made on the unpaid balance.

Fourth (final) Payment: The remaining balance owed by the student is due within three months of financial registration. A late payment charge of \$20 is assessed on all student accounts with a balance remaining after this deadline. An interest charge of 1.083% per month is made on the unpaid balance.

Please note: The use of the Four-Pay Plan constitutes a debt obligation of the student to the University and is payable in terms as stated. Each parent and each student must consider and understand the full cost and obligation of the commitment being made.

Notification of the University Bill

Students who register early for classes will receive an invoice based on their course schedule 15 to 20 days before the semester begins. A statement of the student account is generated each month that the account has activity. Invoices and account statements are directed to students at their current university residence. Students may request to have statements and invoices sent to their home address; however, they are still addressed to the student. Forms are available in the Cashier's Office to request that invoices and statements be sent to the home address.

Invoices and Statements Online

Students may view their student account, payment plan, most recent invoice, and most recent transactions online using the campus network. Students may also assign their parents a password, giving them access

to their student account, invoices, and payment plan. Parents can view this information by logging onto the campus homepage through their own Internet service provider.

Forms of Payment

Students may pay their university bills using cash, money orders, personal checks, certified checks, checks drawn on a major credit card, or electronically through EZPay at www.cedarville.edu/ezpay. Students can make payments at the Cashier's Office or send their payment by mail. Payments received after 4 p.m. each day in the cashiers' depository box will be credited the next business day.

Payment Penalties

Students who fail to make acceptable payment arrangements within a reasonable period of time will be denied access to the cafeteria and library until such arrangements are made.

Students who do not make payments according to the due date will be charged a \$20 late payment charge.

Students with unpaid balances at the end of a semester could be denied grade reports, transcripts, university diploma, and/or enrollment in the next semester. They will also be responsible for any fees incurred in the collection of their past due account.

Interest Rates

An annual interest rate of 13% (1.083% per month) will be charged from the beginning of Fall Semester to the end of Spring Semester on accounts of students enrolled in the current semester.

An annual interest rate of 15% (1.25% per month) will be charged during the academic year on accounts of students no longer enrolled and on all student accounts during the summer months.

Prepayment Incentive Credit Plan (PIC-Plan)

This plan enables students to earn interest on student accounts that have a credit balance of \$500 or more. Interest earned is credited monthly. This plan operates automatically as soon as the student has a credit balance of \$500 or more on the first day of a calendar month. Prepayments can be made anytime. All payments are credited immediately to the student's account. The University reserves the right to limit the amounts deposited under the PIC-Plan. Interest rates are established on a quarterly basis beginning January 1, April 1, July 1, and October 1. Please call 937-766-7665 for the current rate. For more details please request a current PIC-Plan brochure from the Cashier's Office.

Withdrawals from a Student Account (Credit Balance)

Students may withdraw funds from their account if the account has a credit balance. Cash withdrawals totalling \$50 maximum may be made on a weekly basis. No more than two cash withdrawals may be made in a week. No withdrawals are allowed during the 1st week of classes. Withdrawals of amounts greater than \$50 are issued by check upon request in person, by e-mail, or by telephone from the Cashier's Office. Check processing normally requires one or two full business days.

Student Health Insurance

Due to increasing complexities in dealing with Health Maintenance Organizations (HMOs) and the many and varied Preferred Provider Plans (PPPs), medical insurance is provided for all students taking 6 or more credits at no additional cost. Students taking less than 6 credit hours may purchase the Student Health Insurance Plan. Married students may also purchase the Student Health Insurance Plan for their spouse and dependants. For more details, please contact the student health insurance coordinator at (973)766-7864, visit online at www.cedarville.edu/dept/ums, or e-mail stuhealth@cedarville.edu (fax: 937-766-3646).

New Student Reservation Deposit Refund

A reservation deposit must be submitted by new students as an indication of the intention to enroll. The amount of the deposit is \$250. This money will be credited to the student's account and used to cover first semester expenses. A student must submit a reservation deposit in order to be registered for courses.

The reservation deposit is fully refundable if the request for refund is received in writing before the reservation deposit deadline. Requests for

refunds received after the reservation deposit deadline are partially refundable (\$150 of the \$250 deposit) until the refund date. No refunds are available after the refund date.

Reservation deposit submission deadlines and refund dates are as follows:

Term	Deadline Full Refund	Partial Refund Date
Fall Semester	May 1	July 1
Spring Semester	Nov. 1	Dec. 1
Summer Session I	April 15	May 1
Summer Session II	May 15	June 1
Summer Session III	June 15	July 1

Continuing Student Reservation Deposit Refund

Full (100%) refunds will be made to continuing students who notify the University by June 1 of their cancellation. If a continuing student notifies the University between June 2 and July 1 of his/her intention not to return fall semester, \$150 of his/her deposit will be refunded. No refunds will be made after July 1.

Withdrawal Refunds

Tuition and Science Laboratory Fees

Students withdrawing from the University before the end of a semester may request a refund from the Cashier's Office. Refunds may be requested anytime after the beginning of a semester. The effective date of the withdrawal from the University is the last day of class attendance as determined by the Academic Services Office.

Processing of refunds will begin the third week of the semester. Tuition and science laboratory fee refunds for withdrawal are granted on this schedule:

Refund	Fall 2004	Spring 2005
100%	thru Sept. 3	thru Jan. 21
75 %	thru Sept. 10	thru Jan. 28
50%	thru Sept. 17	thru Feb. 4
25%	thru Sept. 24	thru Feb. 11
No Refund	after Sept. 24	after Feb. 11

Course offerings changed or deleted by the University entitle a student to a full refund of tuition and related course fees. Students withdrawing from a course or courses will be granted a full tuition refund to apply toward courses added. If the new total hours are fewer than the original total, the above refund schedule will apply.

Board

Board charges will be refunded on a prorated weekly basis. Board weeks begin on Sunday and end on Saturday. Board refunds are computed based on the last day of residency. Board contracts are required for all students living in the residence halls. Students may choose from six available meal-plan options.

Room

Rooms are reserved for each student for an entire semester. No refund of room rent is made except in cases of severe illness or incapacity. Written confirmation of the illness or incapacity must be provided by the director of University Medical Services or a physician. Room rent will then be refunded on a prorated basis.

Other Fees

No other fees are refundable except for withdrawal within the first calendar week of the semester.

Federal Refund Policy

Programs that are included:

1. Federal Pell Grant
2. Federal SEOG Grant
3. Federal Perkins Loan
4. Federal Stafford Loans
5. Federal Parents PLUS Loan

A portion of Title IV grant or loan funds, but not FWS funds, must be returned to the Title IV programs upon a Title IV recipient's withdrawal from the school.

Financial Information

Withdrawal date

The day the student withdraws is the date (determined by the school):

- The student began the withdrawal process prescribed by the school;
- The student otherwise provided the school with official notification of the intent to withdraw; or
- For the student who does not begin the school's withdrawal process or notify the school of the intent to withdraw, the mid-point of the period of enrollment for which Title IV assistance was disbursed (unless the institution can document a later date).

If the school determines the student did not begin the withdrawal process or notify the school of the intent to withdraw due to illness, accident, grievous personal loss, or other such circumstances beyond the student's control, then the school may determine the appropriate withdrawal date.

Percentage of the payment period or period of enrollment completed

The percentage of the period of enrollment for which assistance was awarded that was completed is determined by dividing the total number of calendar days comprising the period of enrollment for which assistance is awarded into the number of calendar days completed in that period as of the day the student withdrew.

Calculation of Title IV assistance earned

To calculate the amount of Title IV assistance earned by a student, the school must first determine the percentage of Title IV assistance the student earned. Up through the 60 percent point of time, the percentage of assistance earned is equal to the percentage of the period of enrollment for which it was awarded that was completed as of the day the student withdrew. If the student withdrawal occurs after the 60 percent point, then the amount is 100 percent.

Calculation of Title IV assistance not earned

The amount of the Title IV grant and loan assistance not earned by the student is calculated by determining the complement of the percentage of assistance the student earned and applying it to the total amount of grant and loan assistance that was disbursed (or that could have been disbursed) to the student, or on the student's behalf, for the period of enrollment as of the day the student withdrew.

Difference between amounts earned and amounts received

The school will follow the regulations for late disbursement if the student received less grant or loan assistance than the amount earned. If the student has received more grant or loan assistance than the amount earned, then the unearned funds shall be returned by the school or the student or both.

Responsibility of the school

The school shall return the lesser of the unearned amount of Title IV assistance or an amount equal to the total institutional charges the student incurs for the period of enrollment of which the assistance was awarded, multiplied by the unearned percentage of awarded Title IV grant and loan assistance.

Responsibility of the student

Students shall return unearned Title IV assistance minus the amount the school returns.

Order of return of Title IV funds

Excess funds returned by the school or student are credited to outstanding Title IV loan balances for the student or made on the student's behalf for which a return of funds is required. Excess funds must be credited to outstanding balances in the following order:

1. Unsubsidized Stafford loans
2. Subsidized Stafford loans
3. Federal Perkins loans
4. FFEL PLUS loans
5. Federal Pell grant
6. Federal SEOG grant

Veterans Training Benefits and Dependents Educational Assistance

Cedarville University is approved under Title 38, Chapters 30, 31, 32, 35, and 106 U.S. Code for Education of Veterans and their Dependents. Students under Chapters 30, 32, 35, and 106 are required to pay the school for all charges. The Veterans Administration in turn pays them a monthly allowance based upon their training load. Veterans under Chapter 31 are paid a monthly allowance and the Veterans Administration pays the school for tuition, fees, books, and supplies.

Inquiries concerning eligibility should be directed to the Contact Office of a Veterans Administration Regional Office. Students planning to study under one of the education laws should receive approval prior to enrolling. A Veterans Administration training officer will contact the University in the disabled cases to accomplish this requirement for the student.

Cedarville University students eligible for veterans benefits should contact the veterans benefits counselor in the Academic Services Office.

Deferred Payment Plan for Veterans

For Option Deferred Payment Plan for Veterans (under chapters 30, 31, 32, and 35) receiving the Educational Assistance Allowances, consult the Academic Services Office.

Payments by veterans receiving their Educational Assistance Allowance checks one month behind will be as follows:

Fall Semester:	1st payment by 10/1
	2nd payment by 11/1
	3rd payment by 12/1
	Final payment by 1/1
Spring Semester:	1st payment by 2/1
	2nd payment by 3/1
	3rd payment by 4/1
	Final payment by 5/1

Interest of 1.083% per month will be charged on unpaid balances. A late payment charge of \$20 is applicable for accounts unpaid after the payment due date.

Veterans receive eight monthly VA checks, that must pay for eight deferred payments on the semester system.

Financial Aid

When completing the FAFSA, the Title IV Code for Cedarville University is 003025

General Information

Cedarville University offers a variety of financial aid programs to assist students with education-related expenses. Although Cedarville University supports the premise that the primary responsibility for financing a college education rests with the student and family, aid programs are available to supplement personal resources.

Most of the financial aid available at the University is considered to be *need-based aid*. Students are asked to complete the Free Application for Federal Student Aid (FAFSA) and submit the form to the Central Processing Center. The FAFSA should be submitted to the central processor by February 10, but not before January 1 preceding the academic year for which aid is being requested. It is not necessary to have filed your Federal taxes before completing your FAFSA. Estimated data can be used. An analysis of the family's financial data is performed and the results are used to determine the eligibility for *need-based* assistance. New aid applicants may obtain the FAFSA from their high school guidance counselor or from the Cedarville University Financial Aid Office. For filing online, obtain a PIN number for **both** the parent and student at www.pin.ed.gov and complete the FAFSA at www.fafsa.ed.gov.

In addition to *need-based aid*, the University also offers *merit-based aid* to students who demonstrate recognized achievement or talent. Merit scholarship categories include academic, leadership, athletic, music, and forensics.

The Financial Aid Office serves as a resource center to assist students and their families in exploring alternative sources of educational funding.

The Financial Aid home page has direct links to several scholarship databases. Students are encouraged to investigate privately-funded scholarships through the use of the World Wide Web and accessing www.cedarville.edu/dept/fa.

Students should advise the Financial Aid Office when they receive additional assistance from sources other than Cedarville University. This assistance will be considered when preparing award packages and at times may result in the revision of a previously prepared package.

A financial aid award notification will be provided to students after reviewing completed application data and after a student is accepted for admission to Cedarville University. Financial aid is applied for and awarded on a yearly basis. Aid applicants must continue to meet program qualifications in order to retain eligibility.

All questions may be directed to the Financial Aid Office at 937-766-7866 or 1-800-444-2433. Visit Cedarville's financial aid website at www.cedarville.edu/dept/fa/ and the FAFSA website at www.FAFSA.ed.gov.

Institutional Grants and Scholarships

All awards are based on full-time enrollment (12 hours or more). Students who enroll for fewer than 12 hours will have their awards prorated.

Academic Scholarships

- Cedarville Scholars – Nine students selected from each Freshman class. Half tuition award, renewable with 3.5 GPA.
- President's Scholarship – Students who score 30 or higher on the ACT. \$2500 award, renewable with 3.5 GPA.
- Faculty Scholarship – Students who score between 25-29 on the ACT. Award amounts range from \$1000 to \$2200, renewable with 3.5 GPA.
- National Scholar Award – Students selected as National Merit or National Achievement Finalist or Semi-Finalist. \$4000 award, renewable with 3.5 GPA.
- Cedarville Academic Scholarship – Awarded to upperclassmen (sophomore, junior, or senior) with demonstrated need and a 3.5 Cedarville GPA. Awards are \$1800 and \$2000.
- African-American Scholarships – These merit and need-based scholarships range from \$2,000 to \$5,000.
- Hispanic Scholarships – These merit and need-based scholarships range from \$2,000 to \$5,000.

Effective Leader Grants

Effective Leader grants are competitive scholarships that are awarded for outstanding leadership experience. Awards are \$1000 to \$2000.

Other Grants

- Christian Medical and Dental Society Scholarship – One time grant of \$1500
- Home school/Leader Scholarship – One time award of \$750 to \$2000
- Jack Wyrzten Scholarship – Awarded to graduates of WOLBI
- Inter-Cultural Scholarship – A need-based grant for multi-cultured students
- G.A.R.B.C. Scholarships – Awards for first and second place winners of the national and state competition
- Student Government Grants – Grants for the elected officers of the student body government
- Future Generations Scholarship – One time scholarship for new students whose parents or grandparents graduated from Cedarville University
- Ministry Grant – A renewable, need-based grant ranging from \$500 to \$2,000 will be offered to students who have a parent employed in full-time vocational ministry (pastors, missionaries, Christian educators, etc.). Need will be determined after other institutional, state, and federal awards are applied. A cumulative Cedarville GPA of 2.5 or above will be required for renewal.
- Legacy Grant – A renewable, need-based grant ranging from \$500 to \$2,000 will be offered to students who have a parent or sibling who is an alumnus or who have a sibling currently enrolled at Cedarville University. Need will be determined after other institutional, state, and federal awards are applied. A cumulative Cedarville GPA of 2.5 or above will be required for renewal.

Department Grants

- Athletic – Contact the Athletic Department or coach
- Music – Grants awarded to music majors
- Speech/Forensic – Grants awarded by the Communication Arts Department

State Grant Programs

Ohio Student Choice Grant

Students who are residents of Ohio and attending Cedarville University on a full-time basis may be eligible for an Ohio Student Choice Grant. Recipients must be undergraduate students enrolled in a bachelor's degree program. Students who have a prior bachelor's degree or have attended college full-time prior to July 1, 1984, do not qualify. Demonstration of financial need is not required. Students must complete a residency form provided by the University.

Ohio Instructional Grants

Students who are residents of Ohio and have total family incomes of less than \$39,000 may be eligible for an Ohio Instructional Grant. Application may be made through the completion of the FAFSA. Filing deadline is November 1.

The Ohio Academic Scholarship Program

A \$2,005 scholarship is awarded to the top graduating senior in each accredited Ohio high school. The student is chosen according to GPA and scores on the ACT. The recipient must attend an eligible Ohio college or university. The scholarship is renewable each year, providing the student remains full time and is making satisfactory academic progress. For more information, contact your high school counselor.

The Ohio Air National Guard Tuition Assistance Program

This program assists Ohio National Guard members who are full time students, at least 17 years old, and enlisted for a period of six years. Up to 8 semesters of instructional and general fees will be paid for the student. After basic and specialty training, guardsmen meet one weekend a month and two weeks during each summer. In addition to the tuition assistance, the time spent on duty is paid according to rank. Both men and women are accepted into this program, and proof of financial need is not a requirement. For more information, call collect 937-323-6704 or write to: Ohio National Guard, Educational Opportunities, 2825 West Granville Rd., Worthington, OH 43085.

The Ohio War Orphans Scholarship

This scholarship is awarded to students who are children of deceased or disabled veterans. The student must be enrolled full-time and be making satisfactory academic progress. For more information, contact the Ohio Board of Regents, Student Assistance Office, Ohio War Orphans Scholarship, 3600 State Office Tower, 30 East Broad Street, Columbus, OH 43215.

State Grant Refund Policy

Students who qualify for state grant funds must be registered for at least 12 credit hours per semester in order to receive benefits. Students withdrawing or dropping below full-time status during the semester will have their grant payments adjusted according to grant refund policy. Questions pertaining to refund policy should be directed to the Financial Aid Office.

Other State Grants

Students from the following states may be eligible for state grant programs. Contact your state's Higher Education authority for eligibility criteria. The first step in applying for a state grant is to complete the FAFSA.

- Pennsylvania 1-800-692-7392
- Rhode Island 1-800-736-1100
- Vermont 1-800-642-3177
- Maryland 1-800-974-1024
- Delaware 1-800-292-7935
- Michigan 1-888-95-merit

Financial Information

Federal Grants

Federal Pell Grant

A student who is a United States citizen, or who is in the United States for other than a temporary purpose and intends to become a permanent resident, or who is a permanent resident of the Trust Territories of the Pacific Islands or of the Northern Mariana Islands, may be eligible for a federal grant through the Office of Education. All students with financial need are encouraged to apply for this grant by using the Free Application for Federal Student Aid (FAFSA).

Grants currently range from \$400-\$4,050 per year. Eligibility is determined by a federal processing agency for the Department of Education.

All awards are based on full-time enrollment (12 hours or more). Students who enroll for fewer than 12 hours will have their awards prorated according to the following schedule:

12 hours or more	=	Full award
9-11 hours	=	3/4 award
6-8 hours	=	1/2 award
1-5	=	Partial award – Federal Pell Grant only

Federal Supplemental Educational Opportunity Grant

This grant is offered at Cedarville University to students with exceptional need who are eligible to receive Pell Grants. Due to limited funding, Cedarville University offers SEOG with a maximum award of \$1,000.

United States Military Scholarships

Army. Two, three, and three and one-half year scholarships are available for students who enroll in Army ROTC. These scholarships pay all tuition, fees, and textbooks, plus \$250-\$400 per month for 10 school months per year. For additional information, contact the Professor of Military Science, Central State University, Wilberforce, OH 45384 (937-376-6657 or 937-376-6279), or call Roger Overturf at 937-766-7808.

Army National Guard. These scholarships pay up to \$1,000 per school year and are available for those who qualify. Additional information pertaining to these scholarships is available from the Professor of Military Science at Central State University, or from Roger Overturf at 937-766-7808.

Air Force. Air Force ROTC scholarships are available, paying for the cost of tuition, fees, and textbooks, plus \$150 per month for 10 school months, to students who demonstrate academic and leadership potential. Students interested in Air Force ROTC should contact the Department of Aerospace Studies, Wright State University, Dayton, OH 45435 (937-775-2730), or call Roger Overturf at 937-766-7808.

Special Institutional Grant and Scholarship Funds

Alumni and other people who have a special interest in the growth and progress of Cedarville University have generously donated funds to help defray educational expenses of students who have special and exceptional financial needs. These funds, which are listed below, are for the most part under the control of the Director of Financial Aid, who determines who is eligible and the award that will be provided according to specific guidelines for each fund. The minimum cumulative GPA necessary to obtain assistance from these funds is 2.0 unless otherwise stipulated by the donor.

Most of our institutional grant and scholarship agreements require students to be full-time (12 hours) in order to receive an award from the endowment funds. If attendance status is not addressed in the endowment document, the following adjustments will be made:

12 hours or more	=	Full award
6-11 hours	=	Prorated
less than 6 hours	=	No award

African-American Nursing Student Scholarship Given to students majoring in nursing. Students must have a GPA of 2.0 or above. Preference is given to African-American students.

The Alumni Softball Fund Awarded to qualified students who participate in the softball program.

Armstrong Family Memorial Scholarship Fund Given to students majoring in biblical education who are interested in full-time Christian service as a career. Provided by the families of Mead and Bryan Armstrong.

Anonymous Bible Given to juniors or seniors majoring in comprehensive Bible, international studies, or preseminary.

The Robert Atkinson Memorial Scholarship Given to juniors majoring in political science, history, or music with a GPA of 3.25 or above who are involved in ministry and community service. Preference is given to members of Licking County Grace Brethren Church, Blacklick, Ohio; or East Side Grace Brethren Church, Blacklick, Ohio; or to children of active missionaries.

The Autio Family Scholarship Provided by General Clyde and Mrs. Jean Autio for juniors who are majoring in engineering, nursing, or education. Students must have a GPA of 3.0 or above and demonstrate financial need.

Bartlett Family Early Childhood Education Scholarship Given to students majoring in early childhood education who are planning to teach kindergarten. Recipients must demonstrate potential to excel as classroom teachers, must have completed at least one year of study at Cedarville University, and must maintain a cumulative GPA of 2.5 or above.

Bartlett Family Nursing Scholarship Given to a student majoring in nursing. Recipient must have completed at least one year of study at Cedarville University. The recipient must also demonstrate financial need and maintain a cumulative GPA of 3.0 or above.

Bartlett Family Professional Writing Scholarship Given to a student majoring in technical and professional communication. Recipient must have completed at least one year of study at Cedarville University. The recipient must also demonstrate financial need and maintain a cumulative GPA of 2.5 or above.

Rudy Bedford Endowed Memorial Scholarship Fund Given to a business major. Established by Trustees of the University.

William J. and Nora J. Bolthouse Endowed Scholarship Fund Given first to students of William Bolthouse Farms, Inc. employees. Other students may be eligible when the above priority has been satisfied.

Joseph & DeLois Brown Scholarship Awarded to advancing junior or senior students majoring in Management, Marketing, or Management Information Systems. If recipients continue to fulfill the scholarship criteria, the scholarship will be renewed in their senior year. Recipients must demonstrate exceptional ability and potential to excel in their respective fields of study. This scholarship is provided by Mr. William F. Poe.

Ruby E. Booher Bontrager Memorial Endowed Grant Fund Given to students who have demonstrated financial need.

Robert Orr Burns Scholarship Fund Given to mechanical engineering majors who have completed two years at Cedarville and have a GPA of 3.2 or above. May receive for up to two years. Endowed by Richard and Beverly Burns.

James Cain Special Education Award Awarded to students majoring in special education. Must have completed at least one year at Cedarville. Awarded to a student who has demonstrated a heart for teaching children with special needs. Preference will be given to students who are involved with extracurricular activities that minister to children with special needs and their families. This award is funded by Dr. Cheryl Irish, Cedarville University Education professor, and her husband, James Irish.

The Ross and Gladys Campbell Scholarship Fund Awarded to students entering the ministry who demonstrate financial need.

CDR Network Assistantship Fund Given to full-time students pursuing a degree in any academic program; however, preference will be given to students engaged in broadcast communications. Recipients must be contributing to the work of CDR Radio through special projects assigned by radio personnel. Preference given to students who demonstrate financial need.

Cedarville University Memorial Endowment Given to full-time students who demonstrate financial need.

The Christian Ministry Scholarship Fund Granted to full-time Bible majors with priority given to students whose parents are not in full-time Christian ministry and who have cystic fibrosis or a learning disability.

David H. and Edith W. Clark Scholarship Fund Awarded to students with financial need who have completed one year at Cedarville and have a GPA of 2.5 or above. Students may receive this scholarship for up to three years.

Computer Science Missions Scholarship Given to students majoring in computer science who have completed one year at Cedarville. The recipient must have served on a University or Christian organization sponsored missions trip or internship during the previous summer break.

The Criminal Justice Scholarship Awarded to a senior criminal justice major who is involved in Christian service and demonstrates exemplary Christian character and financial need.

Minor and Bernice Cross Endowed Scholarship Fund Given to students who demonstrate financial need. Preference is given to members in good standing of Faith Baptist Church, 2220 Western Ave., Matton, Illinois, or missionaries supported by that church.

Willis F. Early Business Scholarship For training Christian students in business. Given to students majoring in business. Established by Richard Early as an endowment in memory of his father, Willis F. Early.

Financial Information

Willis F. Early General Scholarship Awarded to a student pursuing a bachelor's degree in any academic program except business. This scholarship is provided by Dr. & Mrs. Richard Early.

The Nathan and Hazel Elder Scholarship Given to an English or education major who has completed at least one year at Cedarville University and has a minimum GPA of 3.0.

Dr. Charles Ellington Church Music & Worship Scholarship Given to a student majoring in church music ministry. Recipient must have completed at least one year of study at Cedarville University and maintain a cumulative GPA of 2.8 or above. Preference given to those students who demonstrate financial need.

Dr. Warren G. Elliott Scholarship Given to a student with financial need who has completed at least one year at Cedarville and has a GPA of 2.5 or above. Students may receive this scholarship for up to three years. Provided by Dr. Warren G. Elliott.

Fellowship Baptist Church Scholarship Awarded to students majoring in any academic program. Must be members or faithful attendees of Fellowship Baptist Church, Lakeland, FL, and receive a pastoral recommendation for this scholarship. This scholarship is provided by members of the Fellowship Baptist Church, Lakeland, FL.

John and Ann Field Scholarship Given to first-year students demonstrating exceptional financial need. Established by John, Ann, and Patrick Field.

The First Baptist Church of Findlay, Ohio, Scholarship Fund Given to students from this church. Others will be considered if no qualified students from the church enroll.

Future Generations Scholarship Awarded to freshman students who are children or grandchildren of a Cedarville University graduate. Students must demonstrate exceptional leadership skills and a heart for Christian service. Financial need may be a consideration and applications are available through the Admissions Office.

Lewis P. Gallagher Scholarship Fund Given to students from the state of Maine who have been residents of the state of Maine for five or more years. Preference given to members of Berean Baptist Church, Brunswick, Maine. Provided by the Lewis P. Gallagher Family Foundation. Students must complete an application for this scholarship.

S. Margaret Gallagher Scholarship Awarded to qualified nursing majors. Provided by the Lewis P. Gallagher Family Foundation.

GAR Foundation Scholarship Fund Awarded to full-time students who demonstrate financial need.

GAR Foundation Summit County Scholarship Given to students who reside in Summit County, Ohio.

The Godby Memorial Scholarship Given to full-time students in good standing who are residents of Kentucky. Provided by Mr. Eric Brock in memory of his grandparents, Mr. and Mrs. Herbert Godby.

William and Rachel Grapentine Scholarship Fund Granted to nursing majors with financial need who have completed at least one year at Cedarville and have a GPA of 3.0 or above. Students pursuing a career in missions will also be considered. Preference is given to Michigan residents.

The Gray-Paxson Scholarship Awarded to students preparing to teach in elementary or secondary schools. Students must have outstanding ACT/ SAT scores and an outstanding high school GPA. Renewal is based on continued outstanding performance.

The Gugger Scholarship Fund Awarded to students selected by the University Administrative Council.

The Dr. and Mrs. Duane R. Wood Family Award Granted to a full-time student who will be at least a sophomore with a 3.25 or higher GPA who has evidenced Christian character, leadership on campus, academic achievement, and varsity athletic performance.

The Zondervan Greek Award Given to the student having the highest grade average in elementary Greek.

Institutional Loan Funds

Detailed information concerning the application and repayment process is available from the Financial Aid Office. There are several types of short and long-term loans available for situations where funding is delayed. A co-signer is required unless payment is guaranteed through another source of financial aid in the given academic year. The annual limit for an institutional loan is \$2400.

Federal Family Education Loan Programs

Federal Stafford Student Loan funds are available to dependent and independent undergraduate students. Requests for loan assistance from this program may be made through the FAFSA. Cedarville University processes applications electronically through the Great Lakes Higher Education Corporation and its participating lenders. Applications will be mailed directly to the student from the guarantee agency. The federal government will subsidize (pay) the interest on loans while the student is in school and during a six month grace period following withdrawal or graduation if the student has demonstrated financial need as determined by the FAFSA calculations. The interest rate, as of July 1, 1994, is a variable rate not to exceed 8.25%. Freshmen can borrow a maximum of \$2,625, sophomores-\$3,500, and juniors and seniors-\$5,500. Loan origination and insurance fees totaling 3% of the loan amount will be deducted by the lender.

Federal Unsubsidized Stafford Student Loan funds are available to students who do not qualify for all or part of the need-based subsidized Stafford Loan. The annual loan limits are the same, as stated above, for the subsidized, unsubsidized, or any combination of the two programs. In this program, all the terms are the same as the subsidized Stafford; however, the federal government does not cover the interest expenses while the student is in school or during the six-month grace period. The student does have the option to defer payments during in-school and grace periods; however, the interest continues to accrue.

Independent students are eligible to borrow additional funds through the Unsubsidized Stafford. Freshmen and sophomores may borrow an additional \$4,000 and juniors and seniors may borrow an additional \$5,000 per year.

Federal Parent Loan to Undergraduate Students (PLUS) funds are available for creditworthy parents to borrow on behalf of their students. This loan program is not based on financial need and may be used to replace all or part of the expected family contribution. Parents may borrow any amount up to the cost of education less any financial aid the student is receiving. The interest rate is a variable rate and will not exceed 9%. The lender will deduct 3% of the loan amount to cover the origination and insurance fee. Repayment does begin within 60 days following full disbursement of the loan proceeds. Further information and applications for this program may be obtained by contacting the Financial Aid Office.

Students should be aware that funds awarded from these programs are considered to be awarded for the entire loan period requested by the borrower. Should the student withdraw before the end of the loan period, a proportionate refund of the loan proceeds may be returned to the lender. In addition, if a student is enrolled for less than a full academic year immediately preceding graduation, the annual loan limit may be prorated based on the number of credits remaining to complete the program of study. Specific questions relating to the federal regulations outlined above may be directed to the Financial Aid Office.

Federal Perkins Loans

Federal Perkins Loans are available through the University to students who are citizens of the United States and who demonstrate exceptional financial need. Funds are awarded to Federal Pell Grant recipients first. Other applicants are awarded pending availability of funds.

The Federal Perkins Loan Fund was established to help students pursue their courses of study at their chosen institutions of higher education. Students are eligible if they are: (1) a national of the United States, in the United States for other than a temporary purpose and intend to become a permanent resident thereof, a permanent resident of the Trust Territory of the Pacific Islands, or the Northern Mariana Islands; (2) in need of the amount of the loan to pursue a course of study at an eligible institution; (3) capable, in the opinion of the institution, of maintaining good standing in such course of study; and (4) accepted for enrollment as at least a half-time undergraduate student. Continuing students must be in good standing and enrolled as at least a half-time undergraduate.

The standard Perkins Loan amount is \$1,500. However, the annual amount may be increased as funding allows, to the maximum amount of \$20,000 for the undergraduate student.

Repayment begins nine months after graduation or when a student leaves school for other reasons. One may have up to 10 years to pay back the loan, depending upon the aggregate amount borrowed. During the repayment period, the borrower will be assessed 5% interest on the unpaid balance of the loan principle.

Exit interviews will be conducted for graduates and withdraws to explain loan deferment and cancellation provisions for borrowers who continue their education or go into certain fields of teaching or specified military duty.

Student Employment

Federal Work Study

This federally-funded program is designed to provide work opportunities for university students. Students in this program may qualify for up to 20 hours a week during the academic year, providing they show a demonstrated need from their federal need analysis (i.e., the FAFSA). All work assignments are made by the Financial Aid Office. Actual hiring is done by the department supervisors who will employ the students. As with campus employment, actual job placement, number of hours worked, and total dollar amount earned cannot be guaranteed by the Financial Aid Office. Community service positions are also available in this program. For more information, visit

www.cedarville.edu/dept/fa/studentemployment.htm

Campus Employment

Although unable to guarantee actual job placement, the number of hours worked, or total dollar amount earned, Cedarville University assists needy students by recommending them for part-time employment. Students are employed in various part-time jobs on campus such as maintenance, cafeteria, housekeeping, and others.

Part-time student employment is not restricted to upperclassmen and is encouraged at all levels.

Off-Campus Employment

Because of the University's reputation for attracting quality students, many area employers contact the Career Services Office to employ students on a part-time basis. Though no formal restrictions pertain to this employment, students are encouraged to limit their working hours to approximately 20 hours per week to ensure sufficient time to study.

Standards of Satisfactory Academic Progress for Recipients of Financial Aid

Policy

Financial aid recipients at Cedarville University are required to achieve satisfactory academic progress to be eligible to continue to receive federal financial assistance. The purpose of this policy is to define the requirements for satisfactory academic progress as it pertains to recipients of Title IV federal aid programs.

The University recognizes that conditions that create the need for

financial assistance may also create other educational needs that require extra time and slower progress in achieving educational goals. Students who, because of exceptional educational needs, must make slower progress than outlined in the policy or who find themselves victims of unusual circumstances, are encouraged to discuss their situations with their academic advisors and the Financial Aid Office. Where legally possible, because of mitigating circumstances, exceptions to this policy can be considered.

When the Congress of the United States enacted the Higher Education Amendments of 1976, eligible institutions were directed to define and enforce standards of progress for students receiving federal financial assistance. The programs directly involved at Cedarville University are: (1) Federal Pell Grant, (2) The Federal Perkins Loan, (3) The Federal Supplemental Educational Opportunity Grant-FSEOG, (4) Federal Work Study-FWS, and (5) Stafford/PLUS Loans.

Full-Time Students

To be eligible for full benefits of Federal Title IV funds, undergraduate recipients of financial aid must enroll for a minimum of 12 credit hours of classes during each semester that aid is received.

All students are required to have a cumulative grade point average of at least 2.0 "C" in order to graduate from Cedarville University. The following academic requirements would be appropriate in achieving this goal and fulfilling the term "carrying to completion" the required credit hours. To meet academic progress standards, students must complete a minimum number of credit hours based on a percentage of work to be completed and maintain a minimum cumulative grade point consistent with graduation requirements. The following illustrates the academic progress policy:

Hours attempted	1-32	33-64	65-96	97-192
Completed (percent)	65%	70%	75%	80%
Minimum cumulative GPA	1.7	1.9	2.0	2.0

Satisfactory academic progress means that first-time students must, after a reasonable probationary period not to exceed two semesters except in cases of mitigating circumstances, have registered the minimum cumulative grade point average each semester thereafter above. In addition, these students must complete 65% the first academic year, 70% the second year, 75% the third year, and 80% the fourth year.

NOTE: Cumulative grade point average is measured each semester; percentage of work or credit hours completed is measured once each academic year. It is assumed that the majority of students will graduate in the normal time frame. However, no student may continue more than six years to complete his/her academic program. Regardless of the credit hours full-time students attempt, which cannot exceed 192, they must complete the percentage of work (credit hours) and have the appropriate cumulative grade point average as stipulated.

Aid recipients who fail to complete the required number of credit hours listed above during the applicable academic year and who do not meet the minimum grade point requirements each semester will be considered as not making satisfactory academic progress. These students will be subject to having their federal aid discontinued, unless there are mitigating circumstances involved that may affect a student's academic progress. Students who withdraw from all courses during any semester will be required to confer with the Financial Aid Office and other appropriate offices. If permitted to continue, students who withdraw from all courses during each semester for two consecutive semesters will be considered as not making satisfactory academic progress and will be discontinued from receiving federal financial aid.

In conjunction with school policy, the grading marks "F", "I", and "WF" will not be considered as successful completion of courses attempted. Incomplete "I" grades can be considered when completed according to the provisions in the university catalog. Courses that are repeated will count in the calculation of hours attempted and completed hours earned if the student receives a passing grade; however, all grades received for the course will be included in the grade point calculation.

Credit hours in which a "CR" has been earned count toward total graduation requirements but are not used in the computation of grade point averages. Noncredit hours for which an "NC" has been earned are not used in the computation of grade point averages.

Repeat course credits earned are averaged into the cumulative grade

Administration

Board of Trustees

point averages; however, credit hours are counted only once. "AU" Audit, "W" Withdrawal, "WP" Withdrawal Passing do not constitute hours attempted or completed.

Summer school credit hours earned will be included in the academic year to which summer sessions are assigned. They will be evaluated the same as hours earned in regular semester sessions.

Part-time Students

Students who enroll for less than a full-time basis (12 credit hours per semester) will receive proportionately less financial aid than a full-time student as dictated by lower school costs and federal regulations.

Similar academic progress requirements for full-time apply to part-time enrollment on a proportional basis. Most financial aid is not available to students who enroll for fewer than six hours of credit per semester (half time).

Transfer Students

Transfer students who have never attended Cedarville University will be treated as new students. After completion of the probationary period, the transfer credits plus the credits received at the University and the cumulative grade point average earned will be the evaluating factors to determine if progress is evident, based on the current satisfactory academic progress policy.

Method for Appeal

Students who have been discontinued from financial aid have a right to appeal and can do so by written notification to the associate director of student financial aid. All appeals must include substantive reasons for failure to comply with the provisions of this policy, and all extenuating circumstances must be supported by documentation.

The financial aid committee meets and decides on each appeal and notifies the student of the decision. If a student is dissatisfied with the decision, he/she can appeal to the vice president of enrollment management.

Student Rights

1. You have the right to know what financial aid programs are available at your school.
2. You have the right to know the deadlines for submitting applications for each of the financial aid programs available.
3. You have the right to know how financial aid will be distributed, how decisions on that distribution are made, and the basis for these decisions.
4. You have the right to know how your financial need was determined. This includes how costs for tuition and fees, room and board, travel, books and supplies, personal and miscellaneous expenses, etc., are considered in your budget.
5. You have the right to know what resources (such as parental contribution, other financial aid, your assets, etc.) were considered in the calculation of your need.
6. You have the right to know how much of your financial need as determined by the institution has been met.
7. You have the right to request an explanation of the various programs in your student aid package.
8. You have the right to know your school's refund policy.

Student Responsibilities

1. You must complete all application forms accurately and submit them on time to the right place.
2. You must provide correct information. In most instances, misreporting information on financial aid application forms is a violation of law and may be considered a criminal offense that could result in indictment under the U.S. Criminal Code.
3. You must return all additional documentation, verification, corrections, and/or new information requested by either the Financial Aid Office or the agency to which you submitted your application.
4. You are responsible for reading and understanding all forms that you are asked to sign and for keeping copies of them.
5. You must accept responsibility for all agreements that you sign.
6. You must perform the work agreed upon in accepting a university employment award.

7. You must be aware of and comply with the deadlines for application or reapplication for aid.

8. You should be aware of your school's refund procedures.

All schools must provide information to prospective students about the school's programs and performance. You should consider this information carefully before deciding to attend a school.

Board of Trustees

Cedarville University is governed by an autonomous, self-perpetuating board of trustees. Board members are selected for three-year terms. One-third of the board members are eligible for reelection each year. The executive committee of the board consists of the chairman, vice chairman, secretary, treasurer, chairmen of the standing committees, and the president of the University. The board meets quarterly in January, May and October.

Officers

William Brown, President
William Bernhard (2007), Chairman
Ronald Becker (2005), Vice Chairman
Daryle Doden (2007), Secretary
Al Stevens (2006), Treasurer

Doctrinal Statement

Standards of Conduct

Doctrinal Statement

All trustees, administrators, full-time faculty, and staff support and adhere to the doctrinal statement and lifestyle commitment of Cedarville University.

We believe in the Scriptures of the Old and New Testaments as verbally inspired by God and inerrant in the original writings, embracing all matters which the biblical authors address, and believe that they are of supreme and final authority in faith and life. II Timothy 3:16,17; II Peter 1:19-21.

We believe in one God—eternal, omnipotent, omniscient, and omnipresent existing as three Persons—Father, Son, and Holy Spirit, one in nature, attributes, power, and glory. Genesis 1:1,26; Proverbs 30:4; Mark 12:29; Matthew 28:19; II Corinthians 13:14; John 1:1-4, 14,18; Acts 5:3,4.

We believe that the Lord Jesus Christ was begotten by the Holy Spirit, born of the virgin Mary, and that He is both true God and true man. Matthew 1:18-25; Luke 1:26-35; Philippians 2:6-11; Isaiah 7:14; John 1:14.

We believe in the literal six-day account of creation, that the creation of man lies in the special, immediate, and formative acts of God and not from previously existing forms of life. Genesis 1:26,27; 2:7-9,16,17; 3:1-19.

We believe that man was created perfect in the image of God, that he sinned and thereby incurred not only physical death, but also that spiritual and eternal death, which is separation from God, and that all human beings are born with a sinful nature and are sinners in thought, word, and deed. Genesis 3:1-6; Romans 1:18,32; 3:10-19; 5:12,19.

We believe that the Lord Jesus Christ died for our sins according to the Scriptures as a representative and substitutionary sacrifice and rose again for our justification; and that all who believe in Him are justified on the grounds of His shed blood and are saved by grace through faith wholly apart from human merit and works. Acts 13:39; 16:31; Romans 3:21-28; Ephesians 2:8-10; Titus 3:3-8.

We believe that all who receive by faith the Lord Jesus are born again by the Holy Spirit through the Word of God and thereby become the children of God forever and are eternally secure. John 1:12,13; 3:3-16; 5:24; 10:28,29; I Peter 1:23; II Peter 1:4-11.

We believe that the Holy Spirit is a divine Person, equal with God the Father and God the Son; that He was active in creation; that He convicts of sin, righteousness, and judgment; that He is the Agent in the new birth; that He baptizes all believers into the body of Christ at conversion; that He indwells, seals, endues, guides, teaches, witnesses, sanctifies, and helps the believer. Psalm 139:7-12; John 14:16,17; 16:13,14; Romans 8:9; I Corinthians 6:19.

We believe that the sign gifts of the Holy Spirit are completed and are not applicable to the work of the Holy Spirit today. I Corinthians 12:8-10, 28-30; 14:1-40.

We believe in the imminent “Blessed Hope,” the Rapture of the church before the tribulation, when the “Lord shall descend from heaven” to catch up His bride to meet Him in the air and “so shall we ever be with the Lord.” John 14:1-3; I Thessalonians 4:13-18; I Corinthians 15:15-58.

We believe in the literal, bodily resurrection of the crucified Lord, His ascension into Heaven, His present life there as our High Priest and Advocate, and His personal, bodily, visible return to the earth at the end of the tribulation to establish His millennial Kingdom on earth, and to reign as the only Potentate, the King of

Kings, and Lord of Lords. Luke 24:36-43; John 20:24-29; Acts 1:9-11; I Corinthians 15:25; Revelation 1:5-7; 19:11-16; 20:6.

We believe in the bodily resurrection of all the dead: the saved to a life of eternal glory and bliss in Heaven with God; the unsaved to eternal judgment of conscious suffering and woe in the lake of fire. John 5:28,29; Revelation 20:6,11-15; 21:1-8; Matthew 10:28; 18:8,9; 25:41,46; Mark 9:43-49; II Thessalonians 1:6-9.

We believe in personal separation from all practices and influences of the world which hinder a spirit-filled life. We believe in biblical separation from all forms of ecclesiastical apostasy. Romans 12:1; James 4:4; I John 2:15-17; II Corinthians 6:14; 7:1; Colossians 3:1-17; Romans 6:1-14; Galatians 5:16-25.

We believe that it is the privilege and responsibility of every believer to be a personal soul winner and to do his utmost to give the gospel of Christ to the whole world. Mark 16:15; Acts 1:8; John 17:18; 20:21; II Corinthians 5:20.

We believe that the local Church is an organized congregation of immersed believers, associated by covenant, observing the ordinances of Christ, having the offices of pastor and deacon, exercising the gifts, rights, privileges, and responsibilities given them by His Word, and that it has the absolute right of self-government. We believe that the Church which is His Body includes all New Testament believers. Matthew 18:15-17; I Corinthians 1:2; 7:17; 11:16; I Timothy 3:1-15; I Corinthians 12:28; Ephesians 1:22,23; 2:14,15; 5:23-32.

We believe that the Scriptural ordinances of the local church are Baptism and the Lord’s Supper; that Baptism, by immersion, should be administered to believers only, as an identifying symbol of their belief in the death, burial, and resurrection of our Lord and Savior Jesus Christ, and our death to sin and resurrection to a new walk in life, and that it is a prerequisite to local church membership; that the Lord’s Supper is a commemoration of His death and should be preceded by believer’s baptism and solemn self-examination. Matthew 28:19,20; Acts 8:36-39; 18:8; Romans 6:3-5; Colossians 2:12; I Corinthians 11:23-32.

Standards of Conduct

We believe that the Scriptures clearly delineate principles which govern Christian conduct. Our behavior should not hinder the faith of other believers; we should do only those things which will glorify God and which will edify both the individual and the group. We recognize that we have a responsibility to maintain an appropriate testimony before unbelievers.

We believe that to aid personal spiritual growth, for the sake of Christian testimony and the achievement of college purposes, we must abstain from the use of alcoholic beverages, tobacco, and the nonmedical use of narcotic drugs; and not participate in social dancing, gambling, the use of unwholesome media materials, and membership in secret societies. We also believe that Christians have an obligation to dress appropriately and to have sincere respect for the Lord’s Day. We prayerfully seek to serve Christ in an atmosphere free from personal attitudes of distrust, dishonesty, selfishness, damaging criticism, racism, disrespect, unethical conduct, and irreverence.

Directions

Directions to Cedarville University

Cedarville is located in the middle of a triangle formed by Interstates 70, 71, and 75.

From the North

I-75 south to I-70 east; travel approximately 24 miles to the Springfield/Cedarville exit (Rt. 72); travel south 11 miles on Rt. 72 to the campus.

From the South

I-75 north to Cincinnati; merge with I-71; take I-71 north to the Sabina/Jamestown exit 58 (Rt. 72); follow Rt. 72 north to Cedarville. Proceed through Cedarville three blocks to the campus.

From the East

I-70 west to the Springfield/Cedarville exit (Rt. 72); travel south 11 miles on Rt. 72 to the campus.

From the West

I-70 east to the Springfield/Cedarville exit (Rt. 72); travel south 11 miles on Rt. 72 to the campus.

Traveling by Air

The nearest commercial airport is Dayton International Airport in Dayton, Ohio, which is a 45-minute drive from the campus.

Columbus International Airport, located an hour from Cedarville, is also an excellent option to consider.

Traveling by Bus

Both Greyhound and Trailways Bus lines have terminals in Springfield.

Transportation from an airport or bus terminal may be arranged by contacting the Admissions Office at **1-800-CEDARVILLE (233-2784)**.

CU on Campus!

Be our guest at Cedarville University.

The best way to determine if Cedarville is the place for you is to visit! Make plans now to spend a day with us. While you're here, you may

- Join us for chapel at 10 a.m.
- Tour our campus.
- Visit a class or two.
- Talk with a professor.
- Discuss financial aid opportunities.
- Attend an admissions presentation.
- Speak with a coach in your sport.
- Eat in our dining hall.
- Participate in one of the evening activities.
- Spend a night in one of our residence halls.

We'll customize a visit just for you and your family. Let us know when you are coming, and we'll make all the arrangements. We're open Monday through Friday, 8 a.m.-5 p.m. and by appointment on Saturday.
