## Introduction: January and February 1898

Jane Richmond—2017

In the January and February 1898 journals, Martha McMillan continues her entries through the New Year and into the harshest weeks of winter, narrating the events of the new year as nineteenth-century Cedarville draws ever-nearer to the turn of the century. True to her character, Martha meets the unique challenges of managing a large household and farm estate with surprising joy and celebration. She poetically describes the passage of the old year as “looking back more of joy than sorrow,” reminiscing in fond remembrance despite the past hardships. The following months are then filled with the bustle of everyday life, from tending to her sick husband to instructing students weekly at the Sabbath School, managing hired workers, and occasionally grieving lost friends and family. In mid-January she celebrates her thirty-first anniversary and celebrates her own birthday on January 26. Although endlessly tasked with her own responsibilities, Martha consistently takes time to reflect on the deeper meanings of life through two key themes which repeatedly arise.

First, Martha constantly emphasizes the importance of placing trust in God. On the first page she quotes Bishop Patrick, who states that “It is distrust of God to be troubled about what is to come, impatience against God to be troubled about what is present, and anger at God to be troubled for what is past.” On her musings on New Year’s Day, she expresses thankfulness for the joys of the previous year and expresses trust that God “always gives us what is best.” She returns to trust despite whatever challenge arises over the winter months.

Martha also retains a Kingdom-minded, future-oriented perspective throughout her entries. She expresses her desire to “Let us be in earnest in our walk for every day the resurrection morning is one day nearer” (Jan 9). On her anniversary day she finds herself grieving her late parents, yet finds comfort through lines of poetry which commemorate their joyful passing into the Kingdom of heaven (Jan 15). Finally, she reflects on her own struggles and surmises that “Sometimes Amid the Sorrows and trials of life Jesus comes and speaks comfortably to us— and gives us a glimpse of the heavenly world” (Feb 6). In times of difficulty, Martha turns towards her future hope for comfort. These themes reveal the true character of a woman at once proficient in managing daily tasks while retaining profound spirituality. Her faith upholds her through struggles and enables her to get through any difficulty presented to her.

Martha remains just as relevant today as she was for her contemporary readership. Her example of trusting God amidst personal trials remains a poignant topic not only for her children, but also for the modern-day freshman, professor and graduating senior alike. She describes with all-too-familiar language the overwhelmed feelings of a believer who fails to trust, as well as the relief of surrendering that trust to God. This trust, combined with her unrelenting Kingdom-mindedness, provides a model worthy of emulation for all believers who are likewise still waiting on Christ’s return. Although the struggles may have changed over the last century, her choice to alter her stance towards them remains a deeply relevant testimony worthy of reflection and emulation today.

Journal for 1898

New Years day, 1898.

"All hail,  
New Year! We bid thee come in peace [illegible]  
All hail,  
New Year! Thrice welcome to our waiting hearts; We bid thee  
come. Could men but know what thou-  
In days of anguish brought with toil and cares-  
For him, before thy final day departs,  
Wilt bring: the storms night gather on his brow.  
But better as it is, that none may know His future state. Thy  
coming lifts the soul-  
To higher hopes; and richer joys shall flow  
To him whose thoughts are centered on the goal.  
All hail."

Another year has been numbered with the past. How quickly the  
years go by. It seems but a little while since the first day of  
1897-but now the year has gone O how much it brought us; it  
seems on looking back more of joy than sorrow.

2 January 1898

In this we see how wonderfully God has blest us-He knows our  
needs- and always gives us what is best.  
Now the question comes. "What manner of person should we be"  
since we have received so much from God-  
As we turn to a new page and write 1898 Let us put on the Armour  
and go forward in the strength of the Almighty arm to meet the  
duties of the New Year.

To walk worthy we should be active and to abstain from all evil and to grow in grace. If we do not have the Spirit of love and charity and forbearance we are not walking worthy of the Lord. We should grow and do more – pray more and [blotted out, work]

Did you ever stop to think you are leading many lives in the Community where you live? This walk begins at the cradle and ends in the ushering into eternity- In everything let us be resigned to the will of God. For he knows what is best. When some mysterious providence dashes our finest dream to the earth we often feel and wonder why it is so but let us be reconciled to Gods will

And we follow that way;  
Their labors are ended, their journey done,

29

speaks comfortably to us- and gives us a glimpse of the heavenly world and when we look at our burdens and sorrows we can truly say Even so Lord Jesus come [Lord Jesus, crossed out] quickly. The Subject of the text Is the Christians longings for Jesus. Who is it that longs for Jesus? The penitent sinner who feels the burden of Sins long for Jesus to come to take them away and give salvation. When we feel the burden of sin pressing us down Jesus saith surely come quickly. Often amid the sorrows and trials of life we long for Jesus to come to bless and comfort us. Sometimes we long for Jesus to drive the disturbing element out- and bring the sunshine of his love and peace into our hearts and homes. When we meet with disappointments in the work and warfare of life we need Jesus to come to us quickly The dying Christian above all others long for the sympathy and support of Jesus to be washed from sin and be ready to enter

through the gates into the city. "That beautiful city when where falleth no night." "The beautiful city of God."

disposition to return. A lost soul is the worst of all calamities.

A lost soul none but God can find. And none but God can save. Only the lost know what it is to be lost. Only the dead and dying know what death is. The promise to the lost is- I come to seek and to save that which is lost. This is our mission into this world- to seek and to save the lost. Those that are driven away he promises to bring back-

Those that are broken with cares & perplexities and sins- they are not lost- but then times they are crushed and oppressed they have not wandered away or been driven away yet they are so often overwhelmed with care and financial troubles that they do not know which way to turn or what to do- yet God promises to bind these broken ones up and to heal them. Let impatient reformers remember the words of Burritt:

“Ours is the seed time;  
God alone beholds the end of what is sown.  
Beyond our vision dark and dim,  
The harvest time is hid with him”

15” Dec. Thurs. “This Eve I went in the sleigh with Jason to C- and attended an open meeting of the W.C.T.U – at Mr. Morton’s. 16” Dec. Friday. “While the month “is passing by” we must not forget that this is Mr. Mcs birthday. \_\_1834\_\_1898.

“Let us remember-  
There are lonely hearts to cherish  
While the days are going by;  
These are weary souls who perish,  
While the days are going by;  
If a smile we can renew,  
As our journey we pursue,  
O the good we all may do,  
While the days are going by.  
But the seeds of good we sow  
Both in shade and shine  
Will grow.  
And will keep our hearts aglow,  
While the days are going by.”

was at home to day. A matter of necessity I never like to be away from church- especially the last Sabbath of the year or the first Sabbath. (Claser ?) brought Mr. Morton's text home to me "And thou shalt remember all the ways which the Lord thy God led thee these forty years in the wilderness"

The text it-self is a sermon - for many of us have been in the way all of forty years \_\_ and we have much to remember.

Clayton and Frank Perkins started the fire for me in the School house \_ Harlan at church and came home with the folks - I had dinner waiting for them. Paul and I at the School house at three - A nice warm room a pleasant hour - it being Christmas day - the Scholars were absent - Paul and I went over the lesson and spent the hour as though there were a number there. These are the difficult things that confront every Christian mother -- but the exhortation is "Be ye not weary in well doing for in due season ye shall reap if ye faint not" To become discouraged is natural To keep from being discouraged we must look away from our selves and from the gloomy surroundings. We have had a pleasant evening here at home. We missed all the absent ones - We read the 1:2 chapter of the Gospel of John this eve - Paul gets along nicely reading. Frank P- not very well this evening. None of us at the young folks meeting this evening. Snowed - beautiful (snow? sun?) to day."

26" December. Monday: "We certainly had a long pleasant day - We stayed until Harlan started back to his place in Springfield - Some way I felt sad to have him leave us for we have had an unusually pleasant time with him. So glad he and Clara were both here and Sorry all the rest could not be here."

They did not get home until near six O clock." "Paul went down to stay with her to night and tomorrow - We have missed him here this evening for no matter who comes or who goes we always have Paul with us."

"Under "Christmas day" I intended to note the Christmas present rec'd. Harlan brought me a lovely Fountain Pen and 14 lbs of candy and about ten of nuts for the Sabbath School class. He brought father a handsome carving knife and fork - and a neck tie \_ also. A tie for Uncle Joe Clayton and Jason - A beautiful knife for Paul. Clara rec'd ten dollars from him and a box of fine candy. Out of the abundance of his supplies - I sent a Christmas present to Mrs (Prigg?) and to two little girls in C\_."

After an early dinner Mr. Mc and Clara and I at Xenia - We went direct to Mr. Downing's "Art Gallery" - Mr. Mc and I sat for pictures and came direct home."

"O Year, that like a pilgrim worn and old, goes out to face the storm and wintry cold;  
O Year, when you were young, and blithe and fair.

Hard glad bells jingled in the frosty air,  
We greeted you with hope and hearty cheer,  
And made you welcome at our hearths, Old Year;  
We blessed you for the Sun, and Shower, and Snow,  
but now we say "Good bye" and let you go."

Now good bye to  
1898 Good bye.
