The Bear Ate Your Sandwich

Sarcone-Roach, Julia

A black bear rides into the city on the back of a berry truck and eats a little girl's sandwich left on a park bench. The art and writing in this story is endearing, and the end has a creative twist. Other than on the last page, where there is perhaps too much writing crowded into one place, the story should be easy for young children to follow. **Highly Recommended.** *Laura Ullom, Centennial Library Intern, Centennial Library*
