**CURRICULUM VITAE**  
**WILLIAM F. FALLON, JR., M.D., F.A.C.S.**

**PRESENT POSITION:** Associate Professor of Surgery  
Case Western Reserve University  
Director, Division of Trauma, Critical Care, Burns  
and Metro Life Flight, Department of Surgery,  
MetroHealth Medical Center  
Cleveland, Ohio

**OFFICE ADDRESS:** 2500 MetroHealth Drive  
Cleveland, Ohio 44109-1998

**BIRTHDATE/PLACE:** [REDACTED]  
Boston, Massachusetts

**MARITAL STATUS:** Married, Donna Marie Fallon

**CHILDREN:** William F. Fallon, III, date of birth: [REDACTED]  
Thomas L. Fallon, date of birth: [REDACTED]

**EDUCATION:** Boston College High School, Boston, Massachusetts  
1964-1968  
Holy Cross College (BA), Worcester, Massachusetts  
1968-1972  
University of Massachusetts Medical School (M.D.),  
Worcester, MA, 1972-1976  
Cleveland State University, MBA program in Health Care  
Administration, 1998-present (cum GPA 3.94)

**POST GRADUATE  
MEDICAL EDUCATION:** Surgical internship - Tripler Army Medical Center, Honolulu,  
Hawaii, 1976-1977  
  
Surgical Residency - Walter Reed Army Medical Center,  
Washington, D.C., 1977-1981

**ACADEMIC  
APPOINTMENTS:** Associate Professor of Surgery  
Case Western Reserve University  
Cleveland, Ohio  
July 1993 -Present  
  
Associate Professor of Surgery, with tenure  
University of Florida Health Science Center/Jacksonville  
Jacksonville, Florida  
July 1990 - June 1993

**PLAINTIFF'S  
EXHIBIT**

**CURRICULUM VITAE**

**WILLIAM F. FALLON, JR., M.D., F.A.C.S.**

**PAGE 2**

Adjunct Assistant Professor of Surgery  
Uniformed Services University of the Health Sciences  
F. Edward Herbert School of Medicine  
Bethesda, Maryland  
September 1985 - Present

Assistant Professor of Surgery  
University of Florida Health Science Center, Jacksonville  
Jacksonville, Florida  
August 1985 - July 1990

Chief, Trauma Service  
Assistant Chief, General Surgery Service  
William Beaumont Army Medical Center  
El Paso, Texas  
August 1984 - September 1985

Clinical Assistant Professor of Surgery  
Texas Tech University  
El Paso, Texas  
August 1984 - September 1985

Instructor of Surgery (Affiliate)  
Uniformed Services University of the Health Sciences  
Bethesda, Maryland  
1983 - 1984

Chief, Surgery Service, Director of Emergency  
Medical Services  
USAMEDDAC  
Vicenza, Italy  
1982 - 1983

Instructor of Surgery  
Uniformed Services University of the Health Sciences  
Bethesda, Maryland  
1980 - 1983

**HOSPITAL APPOINTMENTS:**

Active Medical Staff  
MetroHealth Medical Center

**CURRICULUM VITAE**

**WILLIAM F. FALLON, JR., M.D., F.A.C.S.**

**PAGE 3**

Cleveland, Ohio  
July, 1993 - Present

**CERTIFICATIONS:**

National Board of Medical Examiners - Number 176930  
Florida State License - Number 47452 (inactive)  
Ohio State License - Number 65116  
American Board of Surgery - Certificate Number 28889  
Recertified October 1992  
Certificate of Added Qualifications in Surgical  
Critical Care - Certificate Number 927, October 1992  
Fellow, American College of Surgeons-October 1988  
Advanced Trauma Life Support - National Faculty  
Certified Fundamental Critical Care Support Instructor,  
Pediatric Advanced Life Support (PALS)

**MILITARY SERVICE  
AND ASSIGNMENT:**

Staff Surgeon, USAMEDDAC, Vicenza, Italy  
August 1981 - August 1983

Staff Surgeon, 97th General Hospital, Frankfurt,  
Germany, September 1983 - 1984

Chief, Trauma Service  
Assistant Chief, General Surgery Service  
William Beaumont Army Medical Center  
El Paso, Texas  
August 1984 - September 1985

Honorable Military Discharge  
Rank: Major  
September 30, 1985

Current: LTC, USAR, retired

**NATIONAL ACADEMIC AND ADMINISTRATIVE RESPONSIBILITIES:**

AMERICAN COLLEGE OF SURGEONS

- American College of Surgeons Committee On Trauma, 1995 - Present
- Committees: Prevention, Resources (chair), and Membership.
  - Advanced Trauma Life Support: National Faculty, May 1992 - Present

**CURRICULUM VITAE****WILLIAM F. FALLON, JR., M.D., F.A.C.S.****PAGE 4**

- Verification Review Committee, Senior Reviewer, 1995-present
- Advanced Trauma Life Support: Instructor and State Faculty 1984 - 1992
- Chief, Region IV, American College of Surgeons, Committee on Trauma  
May 1992 - June 1993
- Vice-Chairman, Committee on Trauma American College of Surgeons, Florida  
Chapter 1990 - May 1992
- Associate Vice-Chairman, (ATLS) Florida Chapter, American College of Surgeons  
Committee on Trauma, 1988-1990

**EASTERN ASSOCIATION FOR THE SURGERY OF TRAUMA**

- President, Eastern Association for the Surgery of Trauma, January, 1996-97
- Secretary/Treasurer, Eastern Association for the Surgery of Trauma, 1992-1995
- EAST Publications Committee 1991
- Board of Directors, Eastern Association for the Surgery of Trauma, 1989-1990
- Scientific Program Committee, Eastern Association for the Surgery of Trauma  
1988-1989

**OTHER NATIONAL ACTIVITIES**

Editorial Board, *Journal of Surgical Outcomes*, 1998-

Editorial Board, *Journal of Trauma*, 1995-present, (Ad Hoc Reviewer)

Editorial Board, *Trauma Quarterly*, 1990-present

Editorial Board, *TraumaCare*, International Trauma Anesthesia and Critical Care Society

American Association for the Surgery of Trauma,

- Injury Assessment and Outcome Committee September, 1995-present

Pan American Trauma Society,

- Board of Directors, 1997-Present;

**CURRICULUM VITAE****WILLIAM F. FALLON, JR., M.D., F.A.C.S.****PAGE 5**

- Bylaws Committee, (chair), 1997-Present

**UNIVERSITY AND HOSPITAL RESPONSIBILITIES - 1993-PRESENT**

Department of Surgery Executive Committee, Case Western Reserve University,  
Jerry M. Shuck, MD, D.Sc.; Chairman.

Member MH Center for Rehabilitation Committee, MetroHealth Medical Center,  
Cleveland

Chairman, Department of Surgery Quality Assurance Committee, MetroHealth Medical  
Center, Cleveland

Member Department of Surgery Practice Plan Executive Committee, MetroHealth  
Medical Center, Cleveland

Board of Trustees Planning Committee, The MetroHealth System, 1998-present

**ADMINISTRATIVE ORGANIZATIONAL RESPONSIBILITIES - CIVIC - 1985-1993**

Board of Directors, N.O.L. Little League, 1988-1993

Vice President/Treasurer, N.O.L. Little League, 1990-1991

President, N.O.L. Little League 1991-1992

Medical Consultant, American Red Cross, Northeast Florida Chapter, Disaster  
Preparedness Committee

EMS Council, Duval County Medical Society

Board of Directors, Claude Yates, YMCA Health and Fitness Center, 1988-1989

**ADMINISTRATIVE/ORGANIZATIONAL RESPONSIBILITIES - HOSPITAL,  
DEPARTMENTAL, UNIVERSITY - 1985-1993**

UNIVERSITY OF FLORIDA HEALTH SCIENCE CENTER, JACKSONVILLE

Medical Director, Trauma Service, TraumaOne, University Medical Center,

**CURRICULUM VITAE****WILLIAM F. FALLON, JR., M.D., F.A.C.S.****PAGE 6**

Jacksonville, FL

Acting Medical Director, Rehabilitative Services, University Medical Center,  
Chairman, Clinical Monitoring Committee, Quality Management Program,  
University Medical Center, Jacksonville, FL

Quality Management Program Representative, Department of Surgery,  
University of Florida Health Science Center, Jacksonville

Member Resident Education Committee, Department of Surgery, University  
of Florida Health Science Center, Jacksonville

Chief, Division of Trauma Surgery, Department of Surgery, University of  
Florida Health Science Center, Jacksonville

Chairman, CME Advisory Council, University of Florida Health Science Center,  
Jacksonville

Chairman, CME Advisory Committee, University of Florida Health Science Center,  
Jacksonville

Chairman, Search Committee for Orthopedic Associate Chairman, University of  
Florida Health Science Center, Jacksonville

Member Search Committee for Department of Surgery Associate Chairman,  
University of Florida Health Science Center, Jacksonville

Interim EMS Co-Medical Director. Department of Health and Rehabilitative Services,  
April 1991-June 1991

**SOCIETIES:**

4. Malangoni, MA and Fallon, WF: Splenic Trauma in Adults. Submitted for Shackelford's Surgery of the Alimentary Tract, VOL III

**BOOK CHAPTERS IN PROGRESS:**

1. Fallon WF, Section Editor. International Textbook of Prehospital Care (Update June 24, 1998).
2. Polk JD and Fallon WF. Medical Aspects of Airmedical Evacuation; Chapter 3: Peacetime Casualties: Illness and Injuries. Chapter 14: General Surgical Casualties Abdominal Wounds, Soft Tissue Injuries, Urologic.

**PRESENTATIONS:**

1. "Paraduodenal Hernia." USUHS Spring Surgical Symposium, Walter Reed Medical Center, Washington, D.C., April 1981.
2. "Experience at Walter Reed Army Medical Center with Appendicitis." Gary P. Wratten Surgical Symposium, San Antonio, Texas, May 1981.
3. "Paraduodenal Hernia." Diagnosis and Review of the Literature, Scientific Exhibit, American College of Surgeons Clinical Congress, Chicago, October 1982.
4. "Surgical Lessons Learned from the Battlefield." Presented at the Annual Nuremberg Surgical Conference, November 1983.
5. "Disaster Planning Symposium." Annual Medical Surgical Conference Garmisch, Germany, May 1983.
6. "Expectant Management of Abdominal Stab Wounds." William Beaumont Army Medical Center Trauma Symposium, El Paso, Texas, November 1984.
7. "Numeric Analysis of Trauma Data." William Beaumont Army Medical Center Trauma Symposium, El Paso, November 1984.
8. "Blunt Colonic Injury: Experience in Diagnosis and Management." Scientific Exhibit, American College of Surgeons Clinical Congress, Chicago, October 1985.
9. "Sequelae of Colonic Injury from Blunt Trauma." Annual Meeting Southern Medical Association, Atlanta, November 1986.

**CURRICULUM VITAE****WILLIAM F. FALLON, JR., M.D., F.A.C.S.****PAGE 12**

10. "Life Saving Procedures in the Emergency Department." 6th Annual William Beaumont Trauma Symposium, El Paso, Texas, November 1986.
11. "Prehospital Trauma Care: How Much is Too Much?" Annual AMSUS Meeting, San Antonio, Texas, November 1986.
12. "Diagnostic Peritoneal Lavage in Penetrating Torso Trauma." 47th Annual Meeting of the American Association for the Surgery of Trauma, Montreal, Canada, September 1987.
13. "The Relative Importance of Patient Socioeconomic Status in Injury Severity After Motor Vehicle Crash." 1st Annual Meeting of the Eastern Association for the Surgery of Trauma, Sarasota, Florida, January 1988.
14. "Patterns of Air Evacuation of Adult Trauma Patients to a Level I Trauma Facility: Epidemiology, Injury Severity and Outcome." 9th Annual ASHBEAMS Conference, Boston, Massachusetts, September 1988.
15. "A Rotary Wing Deployable Medial Team for Terrorist Events." Poster Presentation, 9th Annual ASHBEAMS Conference, Boston, Massachusetts, September 1988.
16. "The Effect of Patient Position During Transport on Oximetry and Capnometry: A Prospective Study." Taylor, V., Fallon, W.F. and Alexander, R.H.: Presented at the 9th Annual ASHBEAMS Conference, Boston, Massachusetts, September 1988.
17. "Empyema Following Tube Thoracostomy for Injury to the Thorax." Presented at the 48th Annual meeting of the American Association for the Surgery of Trauma, Newport Beach, California, October 1988.
18. "Seizure Disorder and Traumatic Injury." Presented at the Annual Scientific Assembly of the Southern Medical Association (Surgical Section), New Orleans, Louisiana, November 1988.
19. "Impact of Helicopter Transport on Life-threatening Injury: Need for Utilizing Criteria." Tepas, J.J., Ackerman, G.S., Mollitt, D.L., Fallon, W.F., String, D.L.: Presented at the 2nd Annual Meeting of the Eastern Association for the Surgery of Trauma, Longboat Key, Florida, January, 1989.
20. "A Prospective, Randomized Clinical Trial of Wound Debridement Versus Conservative Wound Care." Brunner, R.G. and Fallon, W.F., Presented at the 57th Annual Assembly of the Southeastern Surgical Congress, Tarpon Springs, Florida, January 1989.

**CURRICULUM VITAE****WILLIAM F. FALLON, JR., M.D., F.A.C.S.****PAGE 13**

21. "Surgical Wound Dehiscence: Nature of Disease or Surgical Catastrophe." Ackerman, G.S. and Fallon, W.F.: Poster Presentation, 57th Annual Assembly of the Southeastern Surgical Congress, Tarpon Springs, Florida, January 1989.
22. "Injury Severity and Blood Alcohol Content in Nonfatal Motor Vehicle Crash." Fallon, W.F., Crooms, C., Ponce, D., and Alexander, R.H.: Poster presentation, 57th Annual Assembly of the Southeastern Surgical Congress, Tarpon Springs, Florida, January 1989.
23. "Trauma: The Disease of Injury." Presented at the 13th Annual Lester R. Dragstedt Symposium, March 4, 1989. Department of Surgery, University of Florida, Gainesville.
24. "Penetrating Rectal and Buttock Injury: Pathophysiology and Critical Decisions." Presented at the 30th Annual Scientific Meeting of the Clinical Congress of Abdominal Surgeons, April 5, 1989, Tampa, Florida.
25. "Blunt and Penetrating Bowel Injuries: Experience and Recommendations from a Large Urban Trauma Center." Presented at the 30th Annual Scientific Meeting of the Clinical Congress of Abdominal Surgeons, April 5, 1989, Tampa, Florida.
26. "The Impact of Current Surgical Management of the Injured Patient on the Frequency of Negative Celiotomy for Trauma." Fallon, W.F., Ackerman, G.S., Laneve, L., Vinsant, G.O., Alexander, R.H. Presented at the 33rd World Congress of Surgery, September, 1989 Toronto, Canada.
27. "The Role of Antibiotic Therapy in the Prevention of Empyema in Patients with Isolated Chest Trauma and Hemopneumothorax (ISS 9-10): A Prospective Randomized Study." Brunner, R.G. and Fallon, W.F. Presented at the 49th Annual Meeting of the American Association for the Surgery of Trauma, October 1989, Chicago, Illinois.
28. "A Retrospective Analysis of the Effect of Alcohol in the Bloodstream on Outcome Following Crash in Moderate to Severe Injury (ISS >15)." Laneve, L., Alexander R.H., and Fallon, W.F. Presented at the 83rd Annual Scientific Assembly of the Southern Medical Association.
29. "Factors Influencing the Development of Empyema After Tube Thoracostomy for Injury." Laneve, L., Alexander, R.H., and Fallon, W.F. Presented at the 83rd Annual Scientific Assembly of the Southern Medical Association, November 1989, Washington, D.C.
30. "An Experimental Study to Evaluate the Risk for Infection Associated with Low Velocity Projectiles." Brunner, R.G., Warniment, D.C., and Fallon, W.F. Presented at the 3rd Annual Meeting of the Eastern Association for the Surgery of Trauma, January 1990, Naples, Florida.
31. Empyema Grand Rounds, Department of Medicine, University of Florida Health Science Center, Jacksonville, Florida, March 1990.

47. "The Present Role of Colostomy in the Management of the Trauma Patient." Trauma Conference, Emmanuel Hospital, Portland, Oregon, July 1991.
48. Grand Rounds, University of Florida Health Science Center, Jacksonville, Florida. "The Role of Colostomy in Management of Blunt and Penetrating Trauma." September 1991.
49. Invited Discussant, Itani, K., Burch, J.M. et al: "Emergency Center Arteriography." Presented at the Fifty-first Annual Meeting of the American Association for the Surgery of Trauma. Philadelphia, PA, September 1991.
50. Hepatobiliary Trauma, Clinical Congress, American Society of Abdominal Surgeons, Tampa, Florida, November 1991.
51. Grand Rounds, Department of Surgery, University of Florida, J. Hillis Miller Health Science Center, Gainesville, Florida. "Trauma Controversies for the 90's." November 1991.
52. "Role of Level I Trauma Center in Jacksonville." Presented to American Association of Public Administrators, December 1991.
53. "Prophylactic Antibiotics for Tube Thoracostomy in Trauma: Results of Meta-Analysis." Presented at the Annual Scientific Assembly of the Eastern Association for the Surgery of Trauma, Bermuda. January 1992.
54. "Trauma: The Disease of Injury." Presented to the Jacksonville Association of Post Anesthesia Nurses, February 1992.
55. "Blunt and Penetrating Abdominal Trauma." Presented to the Society of Abdominal Surgeons, Tampa, Florida, April 1992.
56. "Impact of Trauma Centers on Trauma Care in the United States." Presented at the First Raymond Alexander Trauma Symposium, Ponte Vedra Beach, Florida, May 1992.
57. "The Present Role of Colostomy in the Management of Trauma." Raymond Alexander Trauma Symposium, May 1992.
58. "At What Risk of Empyema is Empiric Antibiotic Therapy Justified in Tube Thoracostomy for Trauma?" Wear RL and Fallon WF. Presented at the 14th Annual Meeting of the Society for Medical Decision Making, Portland, Oregon, October 20, 1992.
59. "The Present Role of Colostomy in Trauma Care." Grand Rounds, Erlanger Medical Center, University of Tennessee-Chattanooga, October 21, 1992.

**CURRICULUM VITAE****WILLIAM F. FALLON, JR., M.D., F.A.C.S.****PAGE 16**

60. "Management of Hemorrhagic Shock." The Annual Symposium on Trauma Management, Erlanger Medical Center and the University of Tennessee-Chattanooga Branch, College of Medicine, October 22, 1992.
61. "Hepatobiliary Trauma." Society of Abdominal Surgery, Tampa, Florida, November 19, 1993.
62. "Resident Supervision in the Operating Room: Does This Impact on Outcome?" Presented at the Sixth Annual Assembly, Eastern Association for the Surgery of Trauma, Longboat Key, Florida, January 14, 1993.
63. Inone Y, Fallon F, Souba W: "Human Growth Hormone Decreases Amino Acid Uptake by the Liver During Sepsis." For presentation at the Sixth Annual Scientific Assembly, Eastern Association for the Surgery of Trauma, Longboat Key, Florida, January 15, 1993.
64. "Current Management of Hemorrhagic Shock." Tri-State Trauma System Multidisciplinary Conference, Erie, Pennsylvania, April 1993.
65. "The Surgeon's Role in the ICU." Presented at the American Society of Abdominal Surgeons 34th Clinical Congress, Atlantic City, New Jersey, April 1993.
66. "Trauma Care is Critical Care." Presented at the American Society of Abdominal Surgeons 34th Clinical Congress, Atlantic City, April 1993.
67. "Keeping the Patient Alive--Hemorrhage and Shock Control." Presented at the 2nd Annual Raymond H. Alexander Trauma Symposium, Ponte Vedra Beach, Florida, May 1993.
68. "Deciding to Terminate Resuscitation." Presented at the 2nd Annual Raymond H. Alexander Trauma Symposium, Ponte Vedra Beach, Florida, May 1993.
69. "Trauma: The Disease of Injury." Presented at the Annual National Physicians Assistants Conference, Miami, Florida, June 1993.
70. "The Current Role of Colostomy in the Management of Trauma." Surgical Grand Rounds/Visiting Professor, Roanoke Memorial Hospital, Roanoke, VA, June 1993.
71. Invited Discussant, Annual Meeting American Association for the Surgery of Trauma, September 29-October 01, 1993, San Diego, CA.
72. "The Management of Intra-Abdominal Inflammatory Conditions During Pregnancy: Acute Appendicitis, Acute Cholecystitis, Liver Disease, and Pancreatitis." American College of Surgeons 79th Annual Clinical Congress, San Francisco, California, October 10-15, 1993.

**CURRICULUM VITAE****WILLIAM F. FALLON, JR., M.D., F.A.C.S.****PAGE 17**

73. "Evaluation of the Traumatized Abdomen." Surgical Grand Rounds, University Hospitals of Cleveland, October 23, 1993.
74. "Current Management of Hemorrhagic Shock." Second Annual Trauma Seminar, Meridia Huron Hospital, Cleveland, Ohio, October 30, 1993.
75. "Surgical Lessons Learned on the Battlefield." Gary P. Wratten Surgical Symposium, Cloudcroft, New Mexico, April 19-23, 1994.
76. "Trauma: The Disease of Injury." Metro Life Flight Critical Care Symposium, Cleveland, Ohio, May 18-20, 1994.
77. "Advances in the Prevention and Management of Empyema Thoracis in the Trauma Patient." Advanced Principles of Critical Care in Trauma, Department of Surgery at MetroHealth Medical Center Symposium, Quail Hollow, Concord, Ohio, May 27-28, 1994.
78. "Trauma Care on the Modern Battlefield." Presented to the 256th Combat Support Hospital during annual Field Training Exercises, September 17, 1994.
79. Trauma Post-Graduate Course, "Care of the Patient with Devastating Trauma--From Injury to Self-Sufficiency". 8th Clinical Congress of the American College of Surgeons, Chicago, IL. Thursday Session, CON: The mangled extremity should be stabilized orthopedically first.
80. "Present Role of Surgical Colostomy in the Management of Abdominal Trauma", Surgery Grand Rounds, University Hospitals of Cleveland, Case Western Reserve University School of Medicine, February 4, 1995.
81. "Current Management of Empyema." 4th Annual Current Concepts and Controversies in Surgery, University of Vermont College of Medicine, Department of Surgery, February 10, 1995.
82. "Colostomy in the Trauma Patient." 4th Annual Current Concepts and Controversies in Surgery, University of Vermont College of Medicine, Department of Surgery, February 10, 1995.
83. "Selective Management of Penetrating Trauma to the Neck." 7th Annual Symposium on Trauma and Critical Care, Good Samaritan Hospital, Cincinnati, Ohio, April 24, 1995.
84. "Trauma and Respiratory Difficulties." Critical Care Perspectives, The Ohio Society for Respiratory Care Critical Care Committee, August 24, 1995.
85. "Development of a Successful Prehospital and Trauma System." St. Elizabeth's Hospital Trauma Symposium, Youngstown, Ohio, September 14, 1995.

**CURRICULUM VITAE****WILLIAM F. FALLON, JR., M.D., F.A.C.S.****PAGE 18**

86. "The Problem of the Retained Hemothorax - Does All the Blood Need to be Drained?" Breakfast Session, American Association for the Surgery of Trauma, Halifax, Nova Scotia, September 29, 1995.
87. "Correcting Coagulopathies in the Organ Donor." LifeBanc Education Day, Cleveland, Ohio, November 29, 1995.
88. "Chest Trauma: Blunt and Penetrating." Advanced Surgical Anatomy of the Trunk, Department of Anatomy and Surgery, Case Western Reserve University School of Medicine, Cleveland, Ohio, March 11, 1996.
89. "Trauma Scoring Systems." Department of Anesthesiology Residents' Conference, MetroHealth Medical Center, Cleveland, OH, April 23, 1996.
90. "Multiple Organ Failure." Distinguished Professor's Lecture Series, USUHS, F. Edward Hebert School of Medicine, Bethesda, MD, May 9, 1996.
91. "Risk for Exsanguination from Complex Pelvic Fracture." Third Annual Selected Topics in Trauma Management Symposium, Meridia Huron Hospital, Cleveland, OH, May 11, 1996.
92. "Risk for Exsanguination from Pelvic Fractures - Options for Management." Department of General Surgery Grand Rounds, National Naval Medical Center, Bethesda, MD, May 10, 1996.
93. "Current Role of Colostomy in Trauma Patients." Surgical Grand Rounds, Walter Reed Army Medical Center, Washington, DC, May 9, 1996.
94. "Penetrating Trauma." Ohio Association of Emergency Medical Services State Conference, Cleveland, OH, June 28, 1996.
95. "Current Indications for the Use of Diverting Colostomy in Trauma." Multidisciplinary Trauma Conference, St. Luke's Medical Center, Cleveland, OH, October 2, 1996.
96. "Benchmarking the Quality Monitoring Process: A Comparison of Outcomes Analysis by TRISS Methodology with the Peer Review Process." 56th Annual Meeting, AAST, Houston, TX, September 21, 1996.
97. "Resident Education in Trauma - Past, Present, Future." 29th Annual Residents' Day Program, American College of Surgeons Southwestern Pennsylvania Chapter, Verona, PA, November 6, 1996.

**CURRICULUM VITAE****WILLIAM F. FALLON, JR., M.D., F.A.C.S.****PAGE 19**

98. "Helicopters in Pre-Hospital Care." IX Pan American Trauma Congress & V Colombian Trauma Congress, Bogota, Colombia, South America, November 13, 1996.
99. "Quality Assurance for Trauma Centers." IX Pan American Trauma Congress & V Colombian Trauma Congress, Bogota, Colombia, South America, November 13, 1996.
100. "Chest Trauma and Complications." IX Pan American Trauma Congress & V Colombian Trauma Congress, Bogota, Colombia, South America, November 14, 1996.
101. "Surgical Lessons Learned on the Battlefield." Presidential Address, 10th Annual Scientific Session, Eastern Association for the Surgery of Trauma, Sanibel Harbour Resort, January 17, 1997.
102. "Subtle Threats: Traumatic Case Presentations." Eleventh Annual Metro Life Flight Lecture Series, Cleveland, Ohio, February 3, 1997.
103. "Development of a Successful Trauma System." The International Trauma Anesthesia and Critical Care Society, Park City, Utah, March 23, 1997.
104. "Trauma Registries and Injury Severity Scoring." The International Trauma Anesthesia and Critical Care Society, Park City, Utah, March 24, 1997.
105. "Management of Penetrating Torso Trauma." The International Trauma Anesthesia and Critical Care Society, Park City, Utah, March 26, 1997.
106. "Current Concepts Regarding the Etiology, Pathophysiology, Treatment and Prevention of MSOF in the Trauma Patient." The International Trauma Anesthesia and Critical Care Society, Park City, Utah, March 26, 1997.
107. "Damage Control - What a Concept! But What Does It Mean?" The International Trauma Anesthesia and Critical Care Society, Park City, Utah, March 27, 1997.
108. "Physiologic Effects of Acute Massive Blood Loss." Ohio Association of Blood Banks Annual Meeting, Cleveland, Ohio, April 11, 1997.
109. "Trauma Surgery in the Next Millennium." 26th Annual Meeting, Toledo Surgical Society, Toledo, Ohio, May 2, 1997.
110. "Trauma Surgery: Fostering Care and Involvement." 42nd Annual Meeting, Ohio Chapter American College of Surgeons, Warren, Ohio, May 8-10, 1997.
111. "Blunt and Penetrating Chest Trauma." Cleveland Society of Radiologic Technicians, Cleveland, Ohio, May 21, 1997.

**CURRICULUM VITAE****WILLIAM F. FALLON, JR., M.D., F.A.C.S.****PAGE 20**

112. "Selective Embolization." Metro Life Flight Critical Care Symposium, Cleveland, Ohio, May 22, 1997.
113. "Damage Control - What a Concept!" Grant Medical Center Grand Rounds, Columbus, Ohio, May 28, 1997.
114. "Abdominal Injury from Blunt and Penetrating Mechanisms." Marymount Hospital Department of Surgery Conference, June 4, 1997.
115. "Outcomes Analysis - I Like Peer Review Point/Counter-Point." Eastern States Committees on Trauma; Boston, Mass, June, 1997.
116. "Simultaneous Surgery in the Trauma Patient: Head vs. Torso: Which One is the Priority?" Sao Paulo, Brazil; June, 1997.
117. "SIRS: The Systemic Inflammatory Response Syndrome." Sao Paulo, Brazil; June, 1997.
118. "Damage Control. When and How to Perform," Sao Paulo, Brazil; June, 1997.
119. Visiting Professor/Ground Rounds. R Adams Cowley Shock trauma Center; University of Maryland Medical Center. Personal Thoughts on Sequencing Care in Blunt Trauma: head vs. Torso." Baltimore, MD; October, 1997.
120. "Injury to the Ureters." American College of Surgeons Clinical Congress; Chicago, ILL; October, 1997.
121. Visiting Professor/Grand Rounds. Summa Health System. "Damage Control: What a Concept! But What Does it Mean?" February, 1998, Akron, Ohio.
122. "Trauma System Development Ohio Legislative Update." The NEOEMS Council, Inc. Spring Ce Symposium, March, 1998; Youngstown, Ohio.
123. Civilian Trauma: Past, Present, and Future. Sixth Annual Emerging Technology for the Military Surgeon; Versailles, France. March, 1998:
124. Florida Committee on Trauma 1998 visiting Professorship, November 2-6
125. "Newer Modalities for Nonoperative Management in Trauma" Ohio Chapter ACS, annual meeting, May, 99
126. "Trauma System Development in Ohio" Medical College of Ohio, 13<sup>th</sup> annual trauma symposium, May, 99

**CURRICULUM VITAE****WILLIAM F. FALLON, JR., M.D., F.A.C.S.****PAGE 21****AWARDS**

1. 1981 General Graves Erskine Award for outstanding graduating resident in 1981, Walter Reed Army Medical Center, Washington, D.C., June 1981.
2. Expert Field Medical Badge, 1/509 INF (ABN), Vicenza, Italy, May 1983.
3. Meritorious Service Medal, January 1984.
4. Army Achievement Medal, William Beaumont Army Medical Center, El Paso, Texas, November 1984.
5. Meritorious Service Medal, First Oak Leaf Cluster, September 1985, William Beaumont Army Medical Center.
6. Army Achievement Medal, First Oak Leaf Cluster, September 1985, William Beaumont Army Medical Center.
7. Best Poster Presentation, Annual Meeting ASHBEAMS/NFNA. Crystal City, Virginia, "Medical Control of a Hospital-Based Helicopter Aeromedical Evacuation System".
8. Outstanding Teaching Faculty Award 1991, presented by residents, Division of Emergency Medicine, June 1991.
9. Barry Goldwater Service Award, 1998; Uniformed Services University of the Health Sciences, Surgical Associates

**RESEARCH SUPPORT - Jacksonville, Florida 1985 - 1993****INTRAMURAL -**

**DSR-A new faculty award, "Wound Healing in a Simulated Weightless Environment" 1985 (\$710.00)**

**CURRICULUM VITAE****WILLIAM F. FALLON, JR., M.D., F.A.C.S.****PAGE 22**

**Dean's Research Award**, "The Infectious Implications of Civilian Low Velocity Gunshot Wounds" 1989 (\$905.00)

**EXTRAMURAL -**

Florida Department of Health and Rehabilitative Services, EMS matching grant LPN 34: October 1988 - September 30, 1989: "Helicopter Triage and Transport Criteria in the Prehospital Setting" PI: JJ Tepas III, M.D. Associate Investigator, WF Fallon, M.D. (\$56,000.00)

Center Principle Investigator, UpJohn Protocol M1350/006. Antibiotic Treatment of Intra-abdominal Infections. May 1991-June 1993

**RESEARCH, CLEVELAND, OHIO 1993-PRESENT**

IRB #09613-N-96, Co-Investigator. Efficacy of 24-Hour Shifts, Prepared or Impaired. Approved February 1, 1996. Funded by the Foundation for Air Medical Research. Principle investigator: Christopher Manacci, R.N.

IRB #09611-S-96, Principle Investigator. Characterization of Injury Severity and Its Impact On Outcome Using the Injury Severity Score (ISS) and PMN Phenotype Expression Patterns Following Injury: A Prospective Study.. Approved May 30, 1996. Associate Investigators: Cathy White-Owen, MD, Anita Barnoski, RN. Unfunded study.

IRB #09691-S-96, Co-Investigator. Required Request: Determinants of Family Consent. Approved October, 1996. Funded by Agency for Health Care Policy Research. Principle investigator: Laura A. Siminoff, Ph.D.

Focused Abdominal Ultrasound in the Pre-hospital Setting. Funded study through the Foundation for Airmedical Resesarch. JD. Polk, DO, principle investigator. W Fallon, co-investigator
