The background of the cover features a cyclist in a blue and black jersey riding away on a dirt path. The path is flanked by dense, textured foliage in shades of green and yellow. In the distance, a range of rugged, rocky mountains is visible under a clear blue sky. The overall aesthetic is that of a high-quality, artistic photograph with a painterly texture.

Exercise and psychosocial interventions to improve quality of life in patients with cancer

**Secondary and individual patient data analyses
evaluating intervention moderators and mediators**
