Azin Parsa was born in Rasht, Iran, in 1979. He obtained his high school diploma with great honor from the National Organization for Development of Exceptional Talents (NODET) in 1997. Thereafter, he began his study at the Dental University of Guilan and achieved his Doctorate in Dental Surgery (DDS) in 2003. Hereafter he worked as a general dentist in some public and private clinics. He joined the Dental Institute of King's College London for a Master of Science (MSc) degree in Dental and Maxillofacial Radiology and graduated in 2011. While he was attending the MSc course, he started following a PhD program in the department of Oral and Maxillofacial Radiology at the Academic Center for Dentistry Amsterdam (ACTA) under the supervision of Prof. Paul van der Stelt. The PhD program was completed in 2014.
