Dear Leacher,

How are you? I am fine.
How was the graduation? I
am sorry I didn't write soon.
I do not have anything to do.
Over here is a nice place
but I wish I were at
home. You said you wanted
the nouns and meals
mentioned so I will
write and tell. I didn't
find lots of nouns. The
were as follows: ① A big
long — diary farm.
② sagbrush and cactuses
which was very big. ③ Train
on a long bridge under
which grows apricot trees.

④ The Holavel Dealer. I wrote
the meals of one day, too -
Breakfast - bread - ham - apple.
Dinner - lettuce - beets with
vinegar - noodles with soup
There was meat and onions
in the soup.
Supper - rice - stew with
meat and onions & carrots.
spinach. Out here people
have dogs, bicycles, sewing
machines (portable), and big
trunks, etc. And we could
go to any block we wish
to go to. Out here there are
4 families in a building
and 6 windows to 1 family.
There are 3 libraries but not
enough books. It is not fun
here though. The boys play
baseball and the girls just

wander around and talk.
I tried to write to you many
times but I always seem
to be making a mistake on
a clean paper but this
time I succeeded in writing
without any mistakes. I hope
everyone got into the 7th
grade. It sure is hot here.
I hope you excuse me for
not writing soon.

Lucinda F. Fuchs

P.S. Hope you understand
my writing.
