Dear Brother John:

As Willis is
writing to Annie I will
send you a few lines.
I send you my
Photo. which I hope you
will like I also send
a photo. of our house
it is not of much ac-
count. but as you did
not come here last summer
you may like to look at
it. The photographers
work has been imperfect

and it is spotted.

Doubtless you will be looking
some for "Father's picture"

I hope to send it ere
very long and I know I
can improve on what you
saw.   I will not
forget the water-lily picture
for Louie, when next
June lilies come —

          Thus far we
have had a very pleasant
winter and are all
well as usual. I trust
you are enjoying good
health. Love to
all and a kiss for
Wanda.

          Affectionately,
                    Mary.
