ZOOLOGY

Sept. 25, 1899.

My dear Mr. Muir:-

I generally pay my honest
debts - sometime. Despite the questions
which you may have had as
to whether or not you were six
dollars out of pocket for your
kindness to me, there really has
never been any doubt in my
mind that you would come
out all right in the end.

What about the general squash-
up that has been going on about
Yakutat? Does it not look as though
you ought to be up there attending
to your glaciers so that they may
not all be spoiled?

Very sincerely yours,

Wm. E. Ritter.
