### 3. Instructor's Policies

00138294-1

**a. Expectations for Students**

Assigned chapters from the text are listed on the last page of this syllabus. Students should read the assigned chapters prior to coming to class. **Please note that there is a great deal of material covered in this course, and a substantial amount of individual study outside of the classroom is required.** Students who anticipate that they will be unable or unwilling to attend class on a regular basis and to devote sufficient time to studying on their own should carefully consider whether to remain in this course.

Students should prepare for each class in advance by reading the assigned chapter(s) in the text and being prepared to discuss the main issues and concepts analyzed in each chapter. The “Concept Summaries” and other study tools provided in each chapter of the text may be particularly helpful in this regard.

**b. Course Content**

Class will consist of lectures by the Instructor covering the course material assigned for each class and class discussion of issues related to the assigned material.

Certain issues which are not covered by the assigned chapters or which may not be covered by the text (for example, issues and concepts arising under Louisiana law) also may be discussed by the Instructor. Examinations may be based on both the assigned chapters and the material discussed in class.

**c. Extra Credit**

At the sole discretion of your Instructor, extra credit may be earned by students, but only if the criteria listed below are met:

1. the student must regularly attend class;
2. the student must have previously sought assistance from the Instructor; and
3. the student requires extra credit work to improve his/her final grade from an “F” to a “D” or a “D” to a “C”.

Extra credit work will be assigned only at the end of the semester and will NEVER be allowed to improve a student’s final course grade from a “C” to a “B” or a “B” to an “A”.

**d. Make-up Tests**

Students are expected to take all tests at the scheduled time.

Requests to take a make-up test based on medical excuse MUST be documented, and if at all possible, the student MUST notify the Instructor PRIOR TO the test's being given. If the student fails to give advance notice to the Instructor, the student may receive a grade of zero for the test.

Requests to take a make-up test for any other reason besides illness (e.g., death in family, car accident, job-related matter, family emergency, etc.) must be documented and will be granted at the sole discretion of the Instructor. Advance notice MUST be given when possible. If the Instructor deems the excuse unsatisfactory, the student will receive a grade of zero for the test. Under no circumstances will a make-up test be given if a student misses a test for any reason that is not beyond the student's control.

**e. Miscellaneous**

During all tests and the final exam, cell phones, laptops, and/or other electronic devices may not be in your possession or within your reach.

All bookbags, backpacks, purses, or other personal items shall be placed at the front of the classroom during all tests or exams. The Instructor reserves the right to have seating arrangements changed for all tests or exams and a photo ID may be requested and required at any test or exam.

**Tape recording of lectures is prohibited without express consent of your Instructor.**

**Class attendance is strongly urged. Roll will be taken each class. Students are expected to arrive on time and to return to class following the mid-class break at approximately 7:30 p.m.**

**4. Grading:**

There will be three (3) tests in addition to the final exam. The tests and the final exam will be weighted as shown below with each question worth one (1) point. The tests and final exam will usually be in multiple choice format and are to be taken using a **blue or green** AScantron.® However, the Instructor may choose to make any given test or final exam objective (multiple choice, true/false) and/or subjective (short answer, discussion, problem solving).

The student's final grade for the course will be comprised of the following:

Test 1	60 points
Test 2	60 points
Test 3	60 points
Project re: Business Organizations	20 points

Final Exam (Cumulative) 100 points

Total Points: 300 points

Final grades will be calculated by totaling the points earned and applying the following grading scale:

A	=	270 - 300 points
B	=	240 - 269 points
C	=	210 - 239 points
D	=	180 - 209 points
F	=	0 - 179 points

The final exam is cumulative – it will cover all material for the entire course. Each of the three tests will cover only new material covered since the last test.

## 5. **Statement on Academic Integrity**

Academic integrity is fundamental to the process of learning and evaluating academic performance. Academic dishonesty will **not** be tolerated. Academic dishonesty includes, but is not limited to, the following: cheating, plagiarism, tampering with academic records and examinations, falsifying identity, and being an accessory to acts of academic dishonesty. Refer to the UNO Judicial Code for further information.

The Code is available online at:

## 6. **Statement on Accommodations for Students with Disabilities**

It is University policy to provide, on a flexible and individualized basis, reasonable accommodations to students who have disabilities that may affect their ability to participate in course activities or to meet course requirements. Students with disabilities should contact the Office of Disability Services as well as their Instructor to discuss their individual needs for accommodations. ## 7. **Statement on Student Conduct**

At all times students are expected to be polite, courteous, respectful, and kind to one another, the Instructor and/or any visitors or guests to our class. Rudeness will not be tolerated.

We shall be meeting in a formal classroom setting each week. Although there will be an atmosphere of informality at times in the classroom, **please do not address your Instructor by her first name.** **Such familiarity is not appropriate in such a setting.**
