Zooey' Opens 2-Day Run, Features Four

Salinger has been criticized for being too deep in mysticism," Mike Genovese, senior speech major from Granite City. "But Salinger's mysticism clearly invites participating in the world without withdrawal—participating through what one can do best." Genovese is directing J. D. Salinger's "Franny and Zooey" as part in a series of three Workshop Theatre productions, to be presented at 7:30 p.m. today and tomorrow in Fine Arts Theatre.

THE SCRIPT was adapted for stage from Salinger's novel of the same name by David Walker, junior English major from Charleston.

The magazine says the story concerns a religious-emotional crisis in the life of Franny Glass and tells how her brother argues, browbeats and jolts her out of it."

The Glass family has made appearances in five short stories other than "Franny and Zooey." The elder Glasses are represented as being Irish-Jewish vaudevillians now retired to a life of reminiscence. They are the parents of seven children, all prodigies and having, at one time or another, appeared on a radio show called "The Wise Child."

GENOVESE described Franny's problem as one of "being too aware of the phonies in the world—ego, ego, ego. She finds this alone in herself."

Cast as Franny is Sara Jane Oliveaux, sophomore theatre major from Birmingham, Ala. Zooey is played by David Walker. Judy Williams, senior speech major from Rock Island, appears as Franny's Glass matriarch, Bessie. Doug Wertge, senior speech major from Charleston, appears as Franny's father.

QUADRANGLE . . .

Largest EIU Graduating Class to Have Commencement May 24

Eastern will hold commencement exercises at 3 p.m. May 24 in the Union-Library quadrangle for the largest graduating class in its history. Approximately 445 undergraduates are candidates for bachelor's degrees and 28 graduates are candidates for master's degrees.

Quincy Doudna, Eastern president, will deliver the charge to the class and the Rev. Clifford W. St. Jr., minister, First Presbyterian Church, Charleston, will give the invocation.

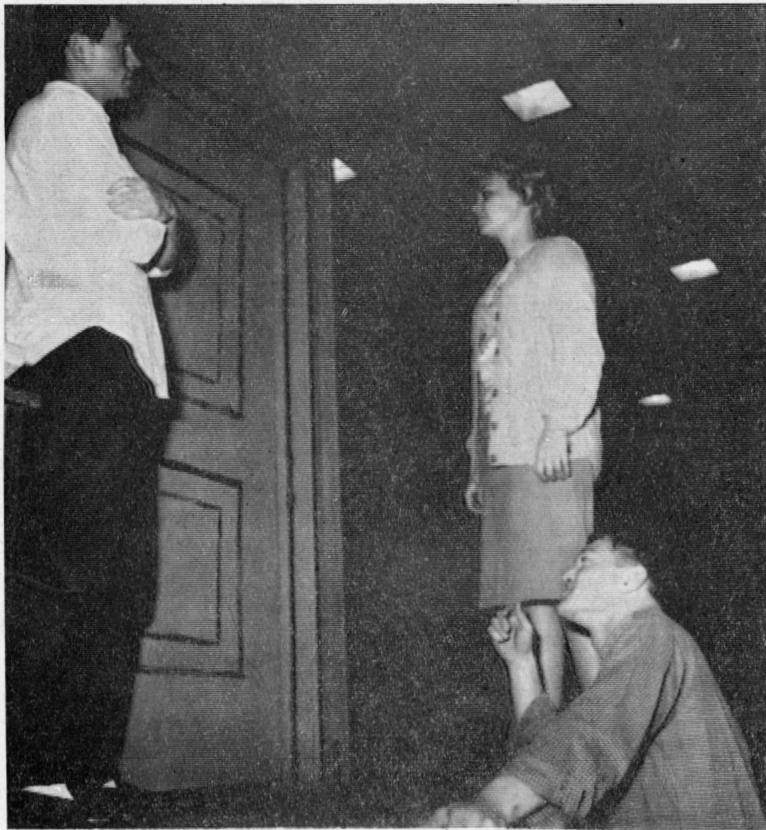

Aulabaugh To Be Featured Pianist

Featuring Alan R. Aulabaugh, piano soloist, the Eastern Illinois Symphony Orchestra will present its annual spring concert at 8 p.m. Wednesday in the Fine Arts Theatre.

Aulabaugh, associate professor of music, will perform Beethoven's Concerto No. 3 in C Minor for piano and orchestra.

Carl Boyd, professor of music, conductor of the orchestra. The program will include "Les Adieux" by Liszt; "Marriage of Figaro" by Mozart; and "Blue Rube Waltz" by Strauss.

The 75-member orchestra includes students, faculty, faculty wives and residents of the Charleston area.

David Walker (Zooey) and Judy Williams (Bessie) rehearse their lines for "Franny and Zooey" under the watchful eye of student director Mike Genovese. The play, adapted from J. D. Salinger's novel of the same title, will be presented at 7:30 p.m. today and Saturday in the Fine Arts Theatre by the Workshop Theatre players.

GOP Holds Last Meeting; Shannon Represents Club

The Young Republicans Club held its last meeting of the spring quarter last week with an attendance of 11 members. Executive vice president Richard T. Shannon presided over the meeting in the absence of recently-elected president Ronald E. Ludders.

Shannon represented the Eastern GOP at the meeting of the Illinois Young Republican College Federation Sunday at the University of Illinois.

Council Sets Fines On Car Violations

Penalties for parking and moving violations effective fall quarter have been adopted by the Council of Administrative Deans and Directors, according to Asa M. Ruyle, assistant to the president.

According to the University rules, failure to report any change which would affect parking privileges will now result in a \$5 fine. Falsification of registration means a \$10 fine and referral to University officials for disciplinary action.

Fines for parking violations are first offense, \$1; second offense, \$5; and third offense, \$10. The fourth offense will result in loss of campus parking privileges for the remainder of the academic year as well as referral to University officials for disciplinary action.

Fines for moving violations are \$5, \$10 and \$15 for first, second and third offenses, respectively. (Continued on page 5)

Council Considering Registration Penalties

IBM To Select Schedules For Many Fall Freshmen

A fine of \$10 for changing courses after registration is currently being considered by the Council of Administrative Deans and Directors, according to Asa M. Ruyle, assistant to the president.

"A non-refundable fee of \$10 for each course added after registration day" is being considered by the council. The charge for adding courses would be subject

to exemptions that would be listed in the Office of Registration and Records, according to the proposal.

A LATE registration penalty of \$15 is also being considered. If adopted, an extra fee of \$15 will be charged anyone who registers after the registration dates shown in the University catalog or who fails to pay all fees on registration day. The fee would also be non-refundable if approved.

At present the change of program fee is \$1 and late registration fee is \$3.

According to President Quincy Doudna, the changes are being considered as a possible way to keep students from pre-registering for courses they aren't sure they want. Changing courses after registration keeps the registration process from running as smoothly as it might otherwise, according to Doudna.

IN ANTICIPATION of the largest enrolling class in Eastern's history, the administration is currently preparing a new process for registering freshmen. All freshmen who enroll for the fall quarter during orientation this summer will have their classes scheduled by computer, Doudna said.

The method is experimental, according to Maurice Manbeck, assistant dean of registration and records, and will not affect any student who pre-registers this quarter. He said that in all probability upperclassmen who do not pre-register will still be able to register next fall quarter as they have in the past.

THE COMPUTER system eliminates choosing hours and instructors. Enrolling freshmen will list courses needed with the help of their advisers. Any hours that have to be reserved for work, ball practice, etc., should also be listed, according to Doudna. Schedules will then be determined by machine.

As a guard in case the computer system doesn't work, freshmen will also fill out preferred schedules.

"Assuming it works, it will be used for freshmen all year," according to Doudna. There are no definite plans to register persons who are now students at Eastern by computer during the 1964-65 academic year. Doudna added, "We may have to go to upperclassmen in the future."

ACCORDING to the president and Manbeck, the advantages to (Continued on page 5)

Student Teachers To Meet Thursday

A special meeting for all secondary and special area students planning to participate in off-campus "teaching practicum" next fall will be held at 10 a.m. Thursday in the auditorium of the Laboratory School.

Martin Schaefer, dean, Faculty for Professional Education, said the meeting will include a detailed explanation of the participant's role in the "teaching practicum."

In addition, materials will be distributed and specific assignments will be outlined.

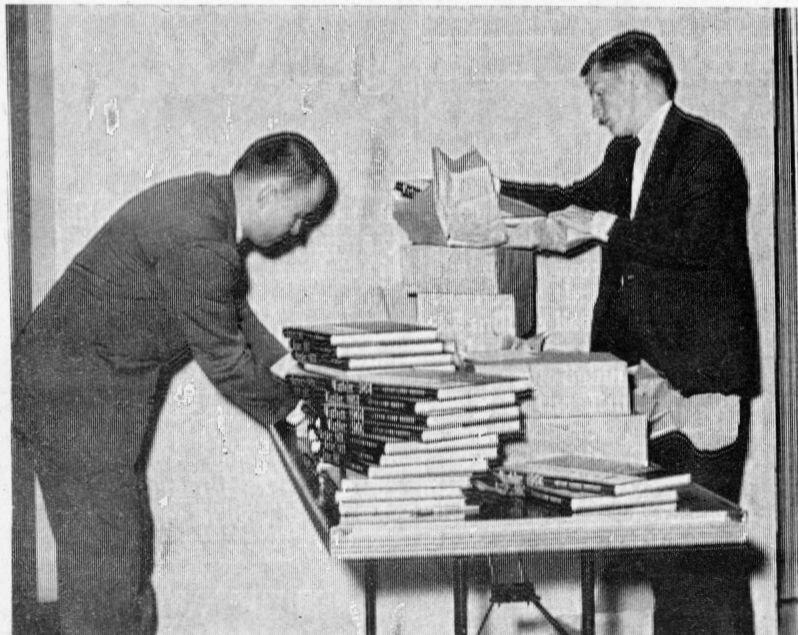

Pennell Rated 1st In State Contest

Ron Pennell, senior speech major from East St. Louis, won the title of state champion in persuasive speaking Saturday at the annual tournament sponsored by the Illinois Peace Speech Association at Bradley University.

Pennell will represent Illinois in the national tournament sponsored by the Intercollegiate Peace Speech Association at a date and place yet to be announced.

Scotty Brubach, senior speech major from McHenry, placed third in the same contest.

Both Pennell and Miss Brubach made an analysis of the current state of world affairs and recommended new routes to peace.

Warbler adviser Dan Thornburgh, left, and Bob Mander, editor of the 1964 Warbler, unpack the results of a year's work. The 1964 Warblers, distributed yesterday and today, made their formal appearance at a staff banquet Tuesday evening.

Junior To Play Recital Today In Fine Arts

The Eastern School of Music will present a junior recital at 4 p.m. today in the Fine Arts Theatre.

Patricia Moore, Palatine, will perform three numbers on the piano. She will be accompanied by Janice Pool, Sumner, and Robert Long, Lovington.

A trio composed of Donald Todd, assistant professor, Jan Cavolt and Richard Scott will also perform at the recital.

AFTER 33 YEARS . . .

Guinagh To Retire This Spring, Plans To Teach In Puerto Rico

By Nancy Phalen

After serving Eastern students in various academic and extra-curricular fields for 33 years, Kevin Guinagh, professor in the foreign languages department, is retiring at the end of spring quarter.

IN AUGUST Guinagh will travel to a college in Puerto Rico where he will teach world literature in Spanish. Guinagh said that he chose to spend his retirement in Puerto Rico because of the climate and his interest in Spanish.

Guinagh first came to Eastern during the depression in 1931. "I came out here in a Willys Night car that had a top speed of 35

m.p.h. I liked what I saw and Mr. Lord, after making certain I had a Ph.D., said he would pinch and he would scrape and see what he could do. He came up with an offer of \$2,000, which was a lot of money in those days," said Guinagh.

EASTERN was, according to Guinagh, a "tight ship." For instance, chapel was held every day for a half hour. Pemberton Hall, the only dormitory, also housed the gymnasium.

Guinagh said that in those days the Practical Arts Building marked the southern border of campus.

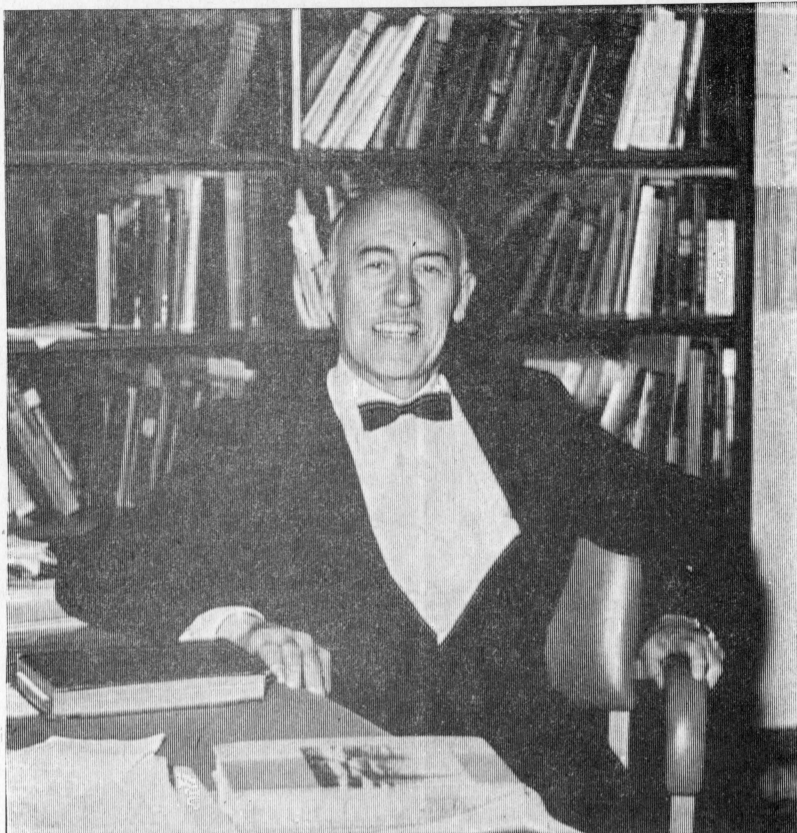

Besides teaching English, foreign languages and ancient history, Guinagh was head of the foreign language department for 28 years, from 1934 to 1962.

SINCE 1937, when his first book was published, Guinagh has written eight books, the majority in the sphere of language.

His latest work, "Foreign Phrases and Abbreviations," will come out this year. This particular book handles six languages and is for general library use, according to Guinagh.

"I worked on this book for one and a half years. It seemed like an easy job when I started but it got more difficult," reflected Guinagh.

For two years, (1945-1946) Guinagh was adviser to the News and the Warbler. Because of the small enrollment at this time, Guinagh said that a major problem was obtaining sufficient financial backing for the publications.

Kevin J. Guinagh, professor of foreign languages, will retire from the faculty at Eastern at the end of spring quarter. He was head of the department for 28 years, from 1934 to 1962.

Honors Day Set For Sunday

Walter Kaulfers, professor of the College of Education, University of Illinois, will lecture Sunday at the annual Honors Day program at Eastern. The program is sponsored annually by the honor societies of Eastern in conjunction with Kappa Delta Pi, honor society in education. It will be held at 2 p.m. in the Buzzard Laboratory School Auditorium.

Kaulfers will speak on "Conclusions from visits to forty lands." A reception for the award winners will be held after the program by Pi Omega Pi, national business education honorary. Families and friends of the students to be honored are invited.

Easternites Judge Ind. Arts Exhibition

Several members of the industrial arts department, faculty and students, served as judges for the Illinois Industrial Education State Exhibit yesterday and today at Southern Illinois University, Carbondale.

Acting as judges for the exhibit are Walter A. Klehm, head of the industrial arts department; Gerald E. Nestel, instructor; Robert B. Sonderman, associate professor; and Bill Fever, Jack Higgs and Vincent Kuetemeyer, industrial arts majors.

Movies

Gary Cooper and Charleton Heston team up in this week's Senate movie, "The Wreck of the Mary Deare," shown at 7 p.m. Saturday in Buzzard Laboratory School Auditorium. The movie's second showing will start at 8:55.

Six To Present Senior Recitals

Six senior recitals by students in the School of Music are scheduled for the coming week and will be presented in Fine Arts Center.

Robert D. Bennett, cornet, and Doris Ann Wallace, piano, will perform at 4 p.m. Monday. Bennett, accompanied by Asafiev, Handel and Beethoven, will play concertos by Asafiev, Handel and Beethoven.

Miss Wallace will play by Beethoven, Ravel and Bartok. On Tuesday Charlene Brown and Tom Davis will be featured performers. Their recital will begin at 8 p.m.

Miss Berchert, accompanied by Judith Voorhees, will play three compositions for clarinet. Davis, on cornet, will play solos. Pianist Lorelee Cooper will accompany him on a number.

Winding up the School of Music's senior recitals for the year, Dennis Sparger and Steve Warble will appear at 8 p.m. Thursday, May 21.

Sparger, a pianist, will play music by Bach, Beethoven, Brahms and Gershwin.

Warble, a violin major, will be accompanied in two selections by John Rinesmith.

According to Kenneth Damann, head of the botany department, the curator of the botany department at the museum, Glenn Winterringer, showed the group the work carried on behind the scenes in the museum.

Civil Air Patrol, Eastern To Offer Space Workshop

A comprehensive five-day Aerospace Workshop for teachers will be offered this summer by Eastern.

Eastern, in cooperation with the Illinois wing of the Civil Air Patrol, will hold the course June 22-26. It will carry no college credit.

Murray Choate, assistant director of admissions and a U.S. Air Force Reserve officer, is the workshop director. Members of the military and state aerospace team will assist in the instruction.

After four days instruction on aviation and space the workshop participants will be flown by the U.S. Air Force to the Bunker Hill (Ind.) base.

According to Choate, the workshop is being offered to provide the teacher with sufficient knowledge to handle classroom discussions on living in the aerospace age.

We'd like to say some nice things about America's young adult drivers

And we think we've got good reason! Last January, we selected twenty 18- and 19-year-old young men and women through the Junior Achievement program to drive our team of Chevrolets in the Mobil Economy Run, April 3-9. It was the first time any company had relied entirely on drivers with limited experience in this exacting competition.

We brought these young adults—most of them college students, some from the business world—to Arcadia, California, in late February. For six weeks, our expert teachers trained them in the skills of economy driving.

Then, on April 3, they set off on the Run, 3,243 miles from Los Angeles to New York.

We were going against the grain. It takes high proficiency to win the Mobil Economy Run. Competition is tough. Why did we rely

on drivers with such limited experience?

Chevrolet wanted to give the Chevy Teen Team a chance to prove in front of the nation that they and the 6.5 million licensed drivers in their age bracket are safe, sane people behind the wheel. We felt the Run offered a splendid chance.

The Corvair, Chevy IIs, Chevilles and Chevrolets driven by the Chevy Teen

Team in the Mobil Economy Run did remarkably well compared with the class winners in overall miles-per-gallon figures. The final results are a tribute to the high degree of driving skill displayed by the Chevy Teen Team representing the youth of America.

No wonder we're proud of America's young adult drivers. We couldn't have a better reason.

Workshops to Be Offered this Summer

will offer 11 summer workshops this year.

The art workshops will be Art 100 and Art 244, 29-July 17; Art 244, 17-August 17 and Art 360, 17-26. Each will carry four hours of credit.

A workshop in audio-visual materials will also be given from 17-26. Methods in teaching literature will be the subject of an English workshop from 17-26. Both are four quarter-hour workshops.

A non-credit Conference for Lunchroom personnel will be held three days beginning June 22-26. Methods in teaching literature will be the subject of an English workshop from 17-26. Both are four quarter-hour workshops.

The 14th annual Coach School for Eastern, Western Illinois and Southern State will be on the East-Campus this year. The coach-school dates are June 23-24. It is non-credit.

Two quarter-hour mathematics workshops titled "Number and Algebra" will be held June 9-19. The first section covers the basic concepts of algebra from a modern point of view and will emphasize structure, logic and understanding of the discovery.

Two sections of the Eastern Laboratory English Workshop will be offered. The first section begins June 29 and ends July 7. The second will be July 20-27.

This workshop is designed for school graduates who wish to improve themselves in English fundamentals and usage before attempting college work. Further information on the 11 workshops is available from Glenn Adams, director of extension.

Registration . . .

All candidates enrolled for the spring quarter are required to attend since it is necessary that each participant know his place in the procession. Tickets for guest admission to Lantz in case of rain will be distributed at the rehearsal.

Immediately following the convocation, the University will sponsor a reception for the graduates, their guests and the faculty in the Union Ballroom.

According to Time, "Despite the meagerness of his output, Salinger, at 42, has spoken with more magic, particularly to the young, than any other U.S. writer since World War II . . . Salinger is clearly an original, the kind whose shadow is seen not in the writers who precede him but in those who follow."

Harper Elected To Head Geography Fraternity

Glenn Harper, junior from Belleville, has been elected president of Gamma Theta Upsilon, national honorary geography fraternity.

Also elected to serve as officers of the organization for the 1964-65 year are Don Tolen, junior from Kansas, vice president; Mary Ellen Samelman, junior from Belleville, secretary; and Stan Dart, junior from Urbana, treasurer.

Charleston To Test Civil Defense Tones

Civil Defense sirens will be sounded in Charleston Tuesday and May 26 to give persons in the area the meanings of the different tones.

The Coles County Civil Defense unit previously tested the alarms last Tuesday. They are standard throughout Illinois.

The different alerts, which will be blown at 10:30 a.m., will be sounded in Charleston on the first Tuesday of each month hereafter.

They mean "alert," "take cover," "all clear" and "fire signal."

"Alert," a steady blast for three minutes, signifies a tornado or an enemy attack.

The second siren means "take cover" and is a warbling sound. This alert, except during test periods, means to take cover immediately.

"All clear" is a one minute steady blast of the sirens.

The fire signal is a continuous sounding of the sirens.

Longer Hours On Weekends

Booth Library will be available at more convenient and for longer hours this and next weekend for students' preparation for final exams.

The change is a result of requests to University President Quincy Doudna from the Student Senate and the Student Life Committee.

The library was formerly open 8 a.m.-5 p.m. on Friday and 9 a.m.-4 p.m. on Saturday; it will now be open 8 a.m.-10 p.m. Friday and 11 a.m.-10 p.m. Saturday, until final exams.

Eight hours have been added to the weekend schedule.

Library director Roscoe Schupp said he does not know whether this arrangement will prove satisfactory. He said it may cause an inconvenience to students who have Saturday classes and wish to use the library at its former early Saturday hours.

Panthers Host Chips In 'Do-Or-Die' Series

Starting Roles To Pattin, Colbert, White IIAC And NAIA Hopes On The Line

Marty Pattin has been the ace pitcher for Coach Bill McCabe's Panthers. He has hurled in nine games and has a 7-1 record.

Eastern's baseball Panthers will be after a triple win this weekend when they host Central Michigan's Chips for a single game Friday and a doubleheader Saturday.

THE PANTHERS, who now own a 2-4 IIAC record, will have to sweep the series if they are to be considered as "maybe" IIAC champs. Also on the line will be Eastern's hopes for an NAIA bid from District 20.

Leading the Panthers on the mound will be Marty Pattin, Ted Colbert and Floyd White. "Whitey," who made his first start

of the season in the opener against Northern last weekend, will probably start the opener against the Chips.

PATTIN and Colbert will team up for the doubleheader. Pattin owns a nifty 7-1 record. Through the Lewis College doubleheader Marty had pitched 55 innings and allowed 16 earned runs for an earned run average of 2.62.

Colbert, who is now 6-3 for the season, has thrown 46.3 innings and allowed 12 earned runs for a 2.33 earned run average. Dick Sikora and Bob Clifford will be ready for relief work.

COACH BILL McCABE will probably use his "power" line-up against the Chips which finds Gene Vidoni behind the plate, Bob Hoffeck on first base, Val Bush at second, Bob Valiska at short-stop and Nic Balodimis on third to round out the infield.

Batting statistics through the Western series show that Hoffeck is leading the infielders with a .295 average at the plate. But

Balodimis, who went four-for-five at Northern, should be right behind him.

ELSTON MITCHELL, Wetzler and Gene Jordan playing the outfield position. "Mitch" is still hampered by a pulled leg muscle but according to Coach McCabe, "Gives everything he's got."

Wetzler and Jordan have been solid in the field and at the plate all season. Wetzler has a .382 average (through Western) while Jordan is leading the parade for the Panthers with a .432 average.

THE CHIPS, who have a .184 batting average against Eastern opponents, will throw Jim Dick Fogle and Doug Vandor against the Panthers.

Boran owns a 2.71 earned run average; Fogle a 2.03; Vandor a .32; and Esper a 1.32 earned run average for the season. Esper is the only Chips pitcher with a winning record, 3-0, while Vandor owns a 2-2, but is on a casualty list with a sore arm.

Tennis Squad Hosts Illinois State Saturday For Final Dual Meet

Eastern's tennis Panthers whipped Bradley in a make-up meet last week, 5-4.

The Panthers now own a 6-6 record for the season and will wind up dual competition against Illinois State Saturday.

Individual winners for the Panthers were: Jerry Garver over Jack Kramer, 6-1, 6-1; Bill Logan beat Hal Wellner, 6-2, 6-4; Craig Baumrucker whipped Gary Kummer, 6-3, 6-2; while Tom Sterchi lost to Ken Ivers, 6-0, 6-1; Gary Towler lost to Ron Weicker, 6-3, 6-2; and Ellis Goff lost to Ron Thomas, 6-3, 0-6 and 1-6.

In the doubles Garver and Logan lost to Kramer and Ivers, 6-4, 6-8, 6-4; Sterchi and John McGavic beat Wellner and Weicker, 7-5, 7-5; and Towler and Baumrucker whipped Thomas and Kummer, 7-5, 6-2.

Hoppin

Around Intramurals

By Tom Hoppin

Hernandoes added another intramural sport championship to their list last week when they captured the archery title. Second place went to the Dumbbells.

DON SLATER led the way for Hernandoes with a score of 508. He tallied 194 points from the 30-yard line, 170 points from the 40-yard line and 144 points from the 50-yard line. His teammate, John DeWitt, finished with a 468 score.

The Dumbbells finished with an 842 total. They were followed by PIKE and Sig Tau for third and fourth places.

RON LEGGITT of the PIKE's turned in the high total for the competition. He had a 548 total with 204 points from 30 yards, 180 from 40 yards and 164 from 50 yards.

A note came in from Thomas Hall; the dorm has elected a new intramural chairman. The lucky fellow who now gets to sweat out the dorm's IM problems is Jim Skinner.

THE VANDALS and AKL won berths in the finals for the intramural softball crown last week by defeating Phi Sig and Douglas Hall.

Tom Grud, Phi Sig, had the only round tripper in their game against the Vandals. But the Vandals won the contest 8-6.

CHUCK VENARSKY slammed a pair out of sight against the AKL's but Douglas lost in the slug fest, 13-10. Other home runs went to "Corky" Lish, Douglas Hall, and Bill Martin, AKL.

Since this is the last "Hoppin Around" column for the year the time has come to acknowledge three persons who have done outstanding work for intramurals at Eastern this past year.

They are none other than IM Director **JOHN HODAPP** and his two graduate assistants, **DAN KELLY** and **DICK FULK**. I believe I'm speaking for all the participants in intramurals when I say "THANKS."

Panthers Host IIAC Golf At Orland Park (Chicago)

Eastern's linksters are given only an outside chance to capture the IIAC golf title at Orland Park May 18-19. The Panthers will be led by Larry Sunday.

Western Illinois and Northern Illinois are the favorites in the meet. Western, who has won the last two crowns, has three returning lettermen from last year's squad.

Northern, who lost by 19 strokes last year, also has three returning lettermen back for another try.

THE SHADOWS

We dare you to visit the Isle of the Dead,
Where Trebor will be your guide;
To behold the corpse in his cold, hard bed
And with the foul ghouls to glide.

We challenge you to be part of feasts of blood
To walk with the Undead souls,
To drink of the mystifying, dark Death's flood;
The Chamber of Horrors tolls.
