A Coloring Book Series

Sprout's Sibyl Cartoons

Introduction:

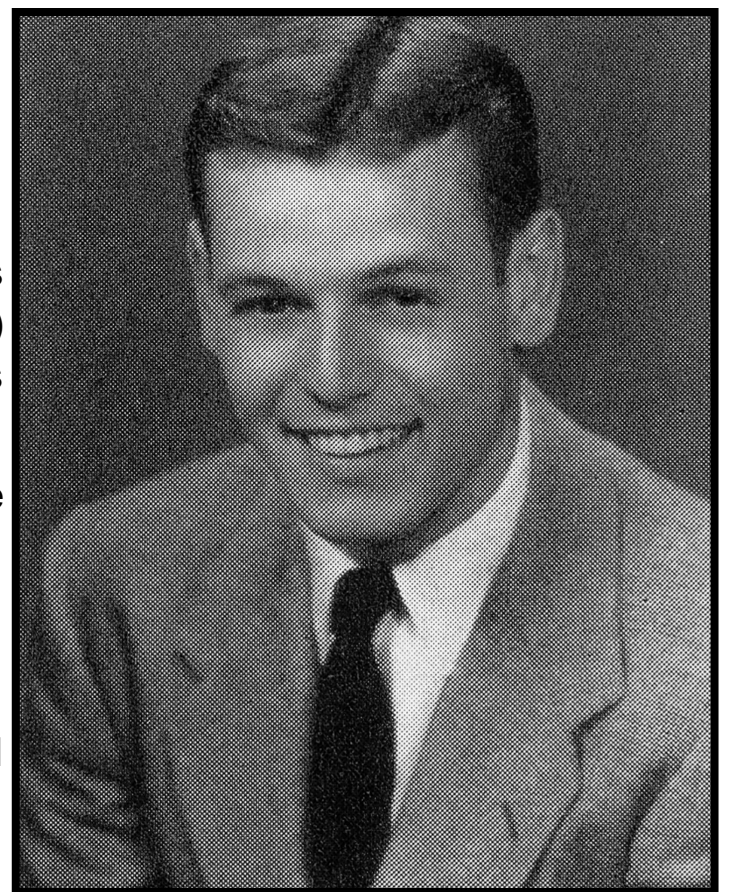

The pages of the 1949 *Sibyl* were decorated with drawings by the talented Otterbein cartoonist, **David Sprout** (class of 1950.) These “slice-of-life” cartoons give us a humorous look at campus life in the 1948-49 school year.

The original cartoons can be seen in the *Sibyl* on-line in the Otterbein Digital Commons:
