Dear Miss Thayer,

Just a few minutes after you called me, the man who publishes my little booklets came in to make us a short call.

I told him about your telephone call to me. He said he would give me the one booklet he has always carried in his car, as it was to go to the Augusta library.

He also said that if I get busy with the other little book that I may have it within a month.

I found two or three of the "Lily Duck" Books and thought you may like one. Thank you for calling me.

Yours sincerely,
Nicole Gavett
