

MEMORANDUM

THE WHITE HOUSE

WASHINGTON

December 2, 1966

MEMORANDUM FOR BEN READ

Attached is the text of a message approved by the President for transmission from him to Prime Minister Krag of Denmark. This text replaces that submitted in your memorandum of November 27.

In delivering this message, the point should be made that it originated at the Texas White House. We do not plan to release here but have no objection to the Government of Denmark doing so.

Richard M. Moose
