CHEM 244, Spring 2020 Syllabus Addendum (03/21/2020)

Transition to Online Instruction:

Lecture: We will continue to use Canvas heavily, recorded videos will be posted (start from 03/23/2020, Mondays and Thursdays). Webex links will be shared (start from 03/30/2020) for virtual meetings on Mondays and Thursdays 2:30 – 3:50 pm, typically for Q&A relate to recorded video or homework.

Exams and quizzes: Second quiz and exam are canceled. Homework from Chapter 17 to 22 will be collected (via canvas or email, turn in before final exam) and count for the points as the second quiz and exam. Grading remains the same, the lowest 100 points (the final exam cannot be dropped) will be dropped.
