## God must love the British

WASHINGTON - If it is true that God sometimes chastises those he ng no irreverence whatever, that He must love the British very much. For in the defeat of the Conse government of Prime Minis ter Edward Heath and the most du blows "victory" of the Labor party under Harold Wilson, Britain is worsted, either way the position may be
viewed. The people were licked from the start.
The British have traded a wea pseudoConservative, who had no stomach for leadership in any case,
for an erstwhile reasonable leftist for an erstwhile reasonable leention
who, in order to win this election has sold himself out to the wild men and the crazies
PUTTING THE thing with harsh andor, Britons have traded one kin If irresponsibility for another kini firresponsibility, ure in surrenders to o pediency or another. His craven ab dication of his obligation to put do.. he endless violence in Northern Ire
and was perhaps the best know of his exercises in weakness and But there were others, includin his frantic insistence upon puttin Market on such terms and in such

## William S. White condon would he totem pole. Moreover, domestically, for years he lacked the fortitude to go to the ntolerable labor inefficiency while there might yot have been the while oo do something effective about it: <br> WILSON, FOR his part, is not so wively elasking in in the malter of ends and means. He himself has served been unaware that labor in both the lower and upper case senses- that is labor as workers and Labor as a is labor as workers and Labor as a political party - long had been syspolitical party - long had been sys tematically destroying Britains abil lty to compete th the world econYet he sat back and let all his happen. kno:i: better and

## Special salute

$\therefore$ With agri-business the heart of this area's econ to examine the conitribution agriculture makes in ,

The butt of many jokes and slights, the farmer nevertheless plays one of the most significant roles
in our area and in Minnesota and Wisconsin in genIn our
eral.

The Daily Newis each Thursday attempts to examine that contribution in its "Farm" section, sev-
eral pages devoted to news of interest to the ag Heulturist. This week - on Truarsday - the newspaper
will expand that examination, publishing a special
section filled with newis of interest from the agrisection filled with
cultural community

And while the emphasis will be on farming, it
won't be restricted to the farmer There should be womethe restricted to the farmer. There should be cluding gardening and lawn care tips that can bene. bit your budget

We encourage you to examine our salute to ag.
iculture. - G.W.E:
Above all, we are well formed

Even in the Midwest, Congressman Guy Yatron
of Pennsylvania should be considered a friend
at least for the small businessman.
You see, Senator Thamas Mctntyre of New that hundreds) of federal agencies require 10 billion sheets of paper annually unnecessarily from the small business of the nation - unnecessarily be-
cause the information isn't really essential and be cause of duplinations. He figures the cost is $\$ 18$ bil-

Cong. Yatron in of 155 congressmen have joined Cong. Yatron in sponsoring legislation to require
the General Accounting Office to submit to Congress a report on this required filingit of forms
and what can be done to eliminate this paper junand
gle.
$\therefore$ Senator McIntyre estimates that 10 years ago che internal Reverue service requirements alone
cost a small business $\$ 325$ annually; now it's an average of $\$ 860$.
And those 10 billion sheets of paper, says the
National Federation of Business, represents 200,000 National Feder

## Well, in all recorded history never has man been

Go, Warriors!
The Winona State Coilege baskelball team con-
tinues to put the city's name on the lips of many poople around the state.
The Warriors have wrapped up their third con ccutive Northern Intercollegiate Conference chan old story" - battle St. 'Thomas for the District 13 old story" - battle
NAIA champlonship.

It was a year ago, in a memorable batile that Winona State dumped St. Thomas and earne
lts first trip to the national tournament since 1930 .

That "same old story" began four years ago Les Wothke's first as Warrior coach. Winona State was the NIC runnerup that year and lost to the hament. A loss to St. Thomas followed the next year, before Winona won a year ago.

As is fitting, we pralse the Warriors for thel ccomplishments and, as they travel to SL, Pau ehorus, $-\mathbf{G}$.W.E.

## Protestant defection

Those who despair of America
have been for the most part left in have been for the most part left in.
ellectuals or young poseurs who find Welschmerz the prettiest gal in town. Always, of course, there were
the angelists, the followers of perthe angelists, the followers of per-
fection who could never repose their faith in any society organized around secular precepts. These were always. a. minority, of renlusive bent.
Through the crisis of the sixies, the Through the crisis of the sixties, the principal religious groups in Amer-
Ica, Portestant and Catholic, were -well, pro-American, It is the thesis of a Protestant scholar, Harold
$0 . \mathrm{J}$. Brown, that in the past priod 0. J. Brown, that in the past period, ant support of America.
Volume 1 , Number 1 of the evangelical journal Post-American depicts the suffering Christ, crowned
with thorns, and draped in the American flag, And the legend,
"They crucified himm." That kind of corporate selffllagellation is not unique. Dr. Brow remembers that his own face on a Roman soldier
tanding by the Cross and that during the Second world War a Suiss artist scandalized his countrymen by
doing a Crucifixion in which the soldiers wore Swiss army helmets. But the evangelicals who edit the PostAmerican seem to be saying that America is uniquely guilty. And
among them there are those who go so far as Editor William String fellow, who has written hysterically that the United States is the modern generation ago. THE DISAFFECTION is interes torically, and politically. Theologic ally, it would appear presumpluous
to suppose, pridefully, that the Amer can people are the primery sinners. Historically, there is much to be said, and Whittaker Chambers said it best ten years ago, for the
thesis that the great test of America was to exercise the leadership to putt down the greetest assault
ever mounted upon the human spirever mounted upon the human spirit, to quote the galvanizing phrase
of Henry Kamm of the New York Times: Having failed New York nism has waxed stronger during the Amarican stewardship of the West,
and the Christian ethos of the inand the Christian ethos of the in-
dividual has fared badly - it could plausibly be contended that as a
historical fact, our failure is the momentous fact of the century. Politically, the potential conse-
quences of any substantial defection from Protestant America are extraorcinarily grave. If the moral
and consensus defending this country and Its institutions evaporates; then there
is nothing left to hold it together is nothing left to hold it together
other than violence. Billy Grahan is probably the supreme symbol of Protestant evangelical harmony with what are thought of as conservalive greally offends the evangelicals of whom Dr. Brown writtes than ©he close identifination of Billy Craham
w:t Richard Nixon, both man speakwith Richard Nixon, both man speak Nothing - except Billy Graham' pa:'icipation in Honor America Day the year before.
It is Dr . Brown
It is Dr. Brown's conviction that
three events of the recent past have done the most to cause the eroolo The first was Nixon's visilt to China Not so much the visit, as Nixon' behavior in China, his camaraderie
with the most conspleuous tormen nrs of Christian missionaries of the century, It would of course have been different if Nixon had succeedin midwiving freedom of religin THE SECOND was the declition of

William F. Buckley
the Supreme Court that abortion n-demand is a constitutional righ
So closely is the Constitution asso ciated with the essence of America and the court as the Constitution's magicterium, that many evangelicals
haye come to the conclusion that it baye come to the conclusion that
must therefore follow that Amerina herself was falsely conceived. And, finally: Watergate The evargelicals have been shocked not so much by the event, as by the lay er after layer of dissimulation that
ollowed upon the revelation of it Their association with Nixon as a
man of character and probity mar of character and probi:i y -the kind of thing hls tormentors never
succ ed in stripping Herbert Hoovrof - has proved untenable. And ince they tend to distrust McGovern, they wonder about the system tween the two. muses, "to see how a moral consen sus can be recreated in the present
situation, short of widespread publi situation, short of widespre
repentance and conversion

"THIS IS... NEH CAPTAIN.. SPEAKING..."

## Political instability rule of day

LONDON - The world is now beIng run by communist governments
that rule by fear and force, and by oon-communist governments that do jority of their people
The British election
latest illusiration of the ono point it was an unpopularity contest, with both Prime Minister Heath and La-
or Leader Harold Wilson being tagged equally as the men least likely os succeed. Political instability is the rule of the day.
NORTH AN
as a NORTH AMERICA, Canada Premier Trudeau, and th United States has a "landslide" president with most of his original adyisers
now under indictment and a confinow under indictment and a co In Europe, leaving aside authoritarian governments in Spain, Porugal and Greece, mist of the countries are governed by coalition, and
some, like ftaly, are nol governed at In the Middle East; where democracy is a rare commodity, Israel is fighting for her existence with
a coalition which cannot agree on coalition which cannot agree on
the only terms of peace available to her, and in Asia, both Japan and Clinn have either shaky or aging
