WE'VE ALL
BEEN HAD!

We hear a lot of rapping today about how screwed up the establishment is. Well, maybe it's all true, but the establishment isn't the only out-to-lunch-bunch with problems.

The truth of the matter is that we're all pretty screwed up cats ourselves. The secret is finally out. Everybody on planet Earth has been HAD! That's right. The earth has been hijacked by an enemy and we've all been tricked.

Whether you're hip or straight really isn't the issue. Sure, you can bitch at all the uptight freaks in the system, but that's not going to solve your problem any. Go ahead and shout, scream, protest, and stomp but don't forget that you're on the same messed-up basket with all the rest of us!

It's no wonder that everybody's on a liberation kick of one kind or another. We've got (among other things) the women's lib, the gay lib, and the kid with the bib lib, so it's pretty obvious that people are uptight about the world scene. What's cool is that among all the phony garbage flying around there is one liberation program that works. I mean, it's not just a protest, it's a solution. Can you dig it? God sent somebody special to this earth to give us liberation. It is, in fact, the only liberation program that God has given to man. But then, you only need one if it really works.

God sent Jesus (Heaven's heavy) to planet Earth to wipe out the enemy (the heavy from Hell), and to offer man a way out - total liberation. Now when you hook up with Jesus' lib program you don't have to be wasting your time with all the others. His lib program is all inclusive. Think about it.

You can make your exit from a screwed-up, hijacked, plastic society right now, if you want to. It's up to you. Jesus is alive this very minute (He even proved that death was phony), and He wants to blast through your mask and turn you on to His world of reality.

Give Him a chance to prove Himself to you. He only wants you to be willing, that's all. Just say, "Okay Jesus, if you're really for real, then liberate me from this messed-up scene. Whatever you do, do it, and let me touch your dimension of love. I'm willing at least to give you a fair shake."

That's all He's asking you to do. I know it's weird, but God loves us in spite of ourselves, and He wants us to plug into His own unique life-style. When we trust Jesus to liberate us, He actually does just that. Can you think of any better liberation program than that?

AS I SEE IT

BY LARRY NORMAN

(Larry Norman, song writer, arranger, and performer. Hear his current Capitol LP "Upon This Rock")

It doesn't look like the world is going to be in inhabitable shape very much longer. Science predicts that violent earthquakes will wipe out thousands of people within the next ten years. Hundreds of thousands more people will starve to death when the famine hits. And the smog seems to be mounting up irreversibly so that very soon we won't refer to it as pollution but as poison, for thousands more will die from the air as well as from the water. And one of these people will be you. And it doesn't look like there's much we can do to halt the population explosion and the economic problems linked with it.

FIRST THINGS FIRST:

So let's take a look at something simple and uncomplicated like the Vietnam War. War is a tradition that man has repeated and improved upon since Cain killed Abel. War seems to be almost a reflex action to disagreement. Some say the war is economically sound, that it represents production and employment gain. Others see only the loss of human lives. War is controversial. And peace is much discussed also.

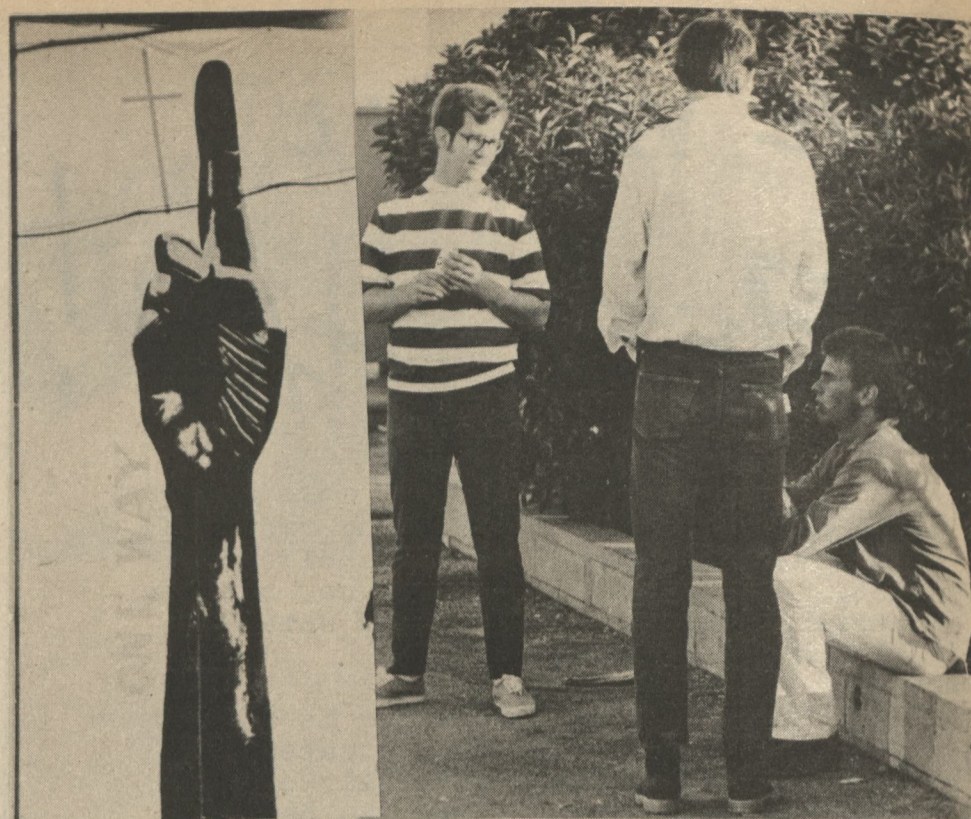

EXPERT ON PEACE:

There are many experts on war, but there is only one real expert on peace....The Prince of Peace, Jesus. And Jesus never considered things on a national level or even a state level. Only on a personal level. He looked upon the heart.

THE SOLUTION TO WAR:

So, looking on an individual level, looking straight at you, how can man hope for world peace if he has no personal peace? How can you expect world peace? Unless you have personal peace? If you could stop the war today, this very day, you personally, could not someone else become angry against you and plunge us right back into war? You see, war has the appearance of being political but it is really a spiritual conflict. It is man, unhappy, trying to resolve his inner conflict by taking it out on another man. And suppose a man could kill all his enemies, would he suddenly be fulfilled? No!! Because peace is not the absence of war, it is the presence of happiness. And only God can bring real happiness.

NOW THAT WE HAVE BEEN PUT RIGHT WITH GOD THROUGH FAITH, WE HAVE PEACE WITH GOD THROUGH JESUS.

YOU'RE NOT WHERE IT'S AT, BROTHER!

Don't you think it's about time we get off this "all roads lead to God" kick. I mean, let's get serious! If you could get to God on your own terms then it's a cinch we'd all be there.

You don't have to have very many brains to see that everybody's religious kick can't all be right. It's relatively easy to see that our society is plastic and synthetic. Love has turned into anti-love. Philosophy has turned into anti-philosophy. Sex has turned into anti-sex. And religion has turned into anti-religion.

It's obvious that we need some kind of centerpost to relate to in order to know what "truth" is. Everybody can't be right because "everybody" is not on the same trip. This "relative" jazz just doesn't cut it at all. That just makes everything go freaky and weird.

Okay, so who's right? Heavy question! Buddah said some groovy things. So did the other cats. Krishna is a trip all its own. What about that? Nobody's going to deny that all the great religious leaders said some heavy things about spiritual awareness and about digging life and each other. That's cool. But there's only one major problem.

All of these guys said some impressive things about God. But there's only one leader who gave His life in order to cure spiritual decay. Think it through, it's important. It's not going to do you any good just to rap about peace and love when you've got a

spiritual disease that is preventing you from experiencing all those things.

Sure, it's good to know vibes about God. It's good to know "how to" plug into the good life. But all those things are worthless until you get your spiritual disease cured first. The Bible calls this disease sin. We've called it "soul pollution" in the past. But whatever you want to call it, you can't ignore it. It's the same disease that causes loneliness, despair, hate, and ego-trips. We've all experienced it.

Other religious leaders rapped about it, but Jesus is the only one that did anything about it. He let the full radiation of sin wipe Him out on the Cross, so that you and I wouldn't HAVE TO be contaminated by it. Pretty heavy, Huh?

Now with that being true, how can anybody be so stupid to say that Jesus was just like all the rest? Jesus is God's only solution to man's spiritual disease. Positive thinking and trying to be moral doesn't make it. Those things won't plug you into God's cure.

That's why Jesus said, "I am the way (the way out of "soul pollution"), the truth (about what God is like), and the life (what reality is). Nobody can plug into the Father God unless they plug into me first." (John 14:6)

Now you can take that for what it's worth. But after you make your decision you might want to give Jesus a try and find out what He was talking about.

"Christ also suffered. He died once for the waywardness of all of us who were going our way rather than God's, although He Himself was innocent of any wrong at any time, that He might bring us to God."
1 Peter 3:18
"Jesus said, I am the way, the truth, and the life. No one can get to the Father except by means of me."
John 14:6

God loves you and has the heavenest life style for you.

HIS LOVE:
"God loved the world so much that He gave His unique Son so that anyone who believes in Him shall not perish but have eternal life." John 3:16

When you receive Jesus Christ as liberator and leader, you will know God's love and have His life style.
"All who receive Him, He makes children of God. All they have to do is trust Him to liberate them."
John 1:12

"I am standing at the door and constantly knocking. If anyone hears me calling and opens the door, I will come in and talk with him spirit to spirit."
Revelation 3:20

HIS LIFE STYLE FOR YOU:
"No mere man has ever seen, heard or even imagined what wonderful things God has ready for those who love Him." 1 Corinthians 2:9

Here's how it adds up:

1. God loves you and has the heavenest life style for you.
2. Every person has gone his own way and is separated from God, so he cannot know and experience God's love and life style.
3. Jesus Christ is God's bridge. He makes it possible for you to know God's love and have His life style.
4. When you receive Jesus Christ as liberator and leader, you will know God's love and have His life style.

EVERY PERSON HAS GONE HIS OWN WAY RATHER THAN GOD'S AND IS SEPARATED FROM GOD SO HE CANNOT KNOW GOD'S LOVE OR EXPERIENCE HIS LIFE-STYLE.

People were created to grove on God, but our stubborn selves caused us to go our way rather than His, so our contact with Him was broken.

"All have purposely done their own thing rather than God's; all fall short of God's ideal." Romans 3:23

SEPARATION FROM GOD:
"For the wages of sin is death... (spiritual separation from God) Romans 6:23
Some of the results of that separation are worry, irritability, and lack of purpose in life as well as the heavier things like murder and stealing."

A great chasm separates man and God. Man's best efforts to bridge this chasm—doing good, tripping out, meditating, religion, etc.—are not enough.
"When we put on the robes of our own righteousness, God sees them as filthy rags." Isaiah 64:6

Jesus Christ is God's bridge. He makes it possible for you to know God's love and have His life style.

You can receive Jesus Christ right now by asking Him. Just talk to Him spirit to spirit. He knows what you feel inside, so your words are not as important as your attitude. You might say something like:
"Dear Jesus, I know I have done wrong. I am willing to turn from going my way. I open the door of my life and receive you as my liberator and leader. Thank you for forgiving me. Take control of my life center. Make me the kind of person you want me to be."

If that expresses your desire, then just tell Him and He will come into your life as He promised.

"This is what God has said: That He has given us eternal life, and that this life is in His Son. So whoever has God's Son has life; whoever does not have His Son, does not have life. I have written this to you who believe in His Son so that you may know you have eternal life."
1 John 5:11-13

You are now a member of God's family and have many real brothers and sisters. Look for them, rap with them, and get to know them.
This will help you to know Him better and represent Him here:

1. Read His words and those of His children. 1 Peter 2:2
2. Talk with Him in every kind of situation. Philippians 4:6,7
3. Get together with other members of His family. Hebrews 10:25
4. Tell others about Him. Mark 5:19
5. Help other members of His family. Ephesians 4:29
