EDELLY LYDOUR BOX 1949 · Hollymood, Ca.

All the brothers and sisters in Southern California are not going to easily forget 6:00 A.M. February 9. The action was pretty heavy for sure!

Nobody digs getting shook up like that, especially at that hour. But for those of us who are into Jesus, there is something very significant about earthquakes. Jesus rapped about them and said that just before He would come back to earth again we'd have a bunch of them.

Jesus predicted that world conditions will get meally tripy just before His return to earth. Earthquakes and other bummers like wars between nations, large-scale famine, persecution of Christians, false religious revivals, and moral degeneration--all these things are indications to tip us off that Jesus is just about to come back in person (Matthew 24) Pretty heavy, huh?

Now with all of these things that Jesus has clued us in on, isn't it pretty stupid not to take the hint and prepare for His coming? First thing you can do is to make sure that you've invited Him to take charge of your entire life. When you've done that, you've got nothing to sweat. Not even earthquakes!

Attention all Christians. It won't be long now! We've just experienced one more indication that everything Jesus said is right on. Make sure that He is Lord of your life and prepare to meet Him face to face. Get the good word out - Jesus is coming and He's coming soon!

As I sit down to write this column for this issue, I've just returned from Sacramento and the Spiritual Revolution Day. All I can say about it is "PRAISE GOD" HE is ALIVE today in the person of His Son Jesus Christ. The next issue of the HFP will carry a picture report on the Thousands and thousands who were there. It was beautiful to be united in spirit with brothers and sisters from all over the West Coast. Brothers and sisters from "Right On", "The Truth" and other Jesus papers were also there plus several staff people from the HFP.

Praise God! The senior class of Oxford area High School (near Philadelphia) voted 128 to 40 to dedicate its 1971 yearbook to Jesus Christ. With much applause, the students picked Jesus over anyone else. The suggestion was made by Jim Peters at a nominating assembly. "All of a sudden," he said, "the Spirit just made me jump up, and I started talking... The Spirit told me what to say." Peters is a two-time high-school dropout and former drug-user. # EARTHQUAKE:

Now that the heavy shakes are over and the broken windows re all swept up, a lot of people are finding out some bad news from their local friendly insurance man. They can't collect on their recent damages because earthquakes are considered an "act of God."

It's interesting to see how often God gets blamed for just about everything whether He's really responsible or not. Strangely enough, whenever somebody says "It must have been God's will," God doesn't even snap back in a big booming voice and say, "No it isn't, you big dummy!" God takes abuse pretty good. His patience is really far out.

Just the same, we might as well get one thing straight. God is never the author of sin, suffering, sickness, death, or natural calamities like earthquake bummers. Being sovereign of the universe, He assumes full responsibility. But he's got a problem with planet earth. Earth is the only turf that gives God a rough go.

God has the right to control things on Earth, but He doesn't believe in pushing His will on people who don't dig it! Ever since man sold out to Satan, things on earth have gone wierd--not as a result of God's will, but as a product of man's sin and Satan's control. Dig?

With so many people on Earth still on Satan's ego trip, God's hands are tied. He'd like to straighten everything out, but He refuses to enforce His program in the face of opposition. He never works against any man's will. He's looking for co-operation, not force.

The only ones who can move the hands of God are liberated Christians who agree together on any specific issue in prayer Prayer power puts God's energy into action.

The point is simply this: God doesn't cause bummers, Satan does. Sin-power makes things go weird. Jesus predicted that sin would increase and whenever that happens, you can expect things to get trippy. God's judgement on sin is not a product of His imagination. God's judgement happens by allowing man's sin to follow its natural course. The Bible calls this "giving man over" to a new degree of depravity. (See Romans 1)

God doesn't directly cause everything to happen, but He can cause everything that does happen to fit into His perfect will. (Romans 8:28) Since He is God, He is the only One capable of doing that.

Every Christian is protected by a shield that allows nothing to happen that can't fit into God's will, but don't blame God for bummers. He can use them to grow you up - just like He did with Job, the dude with the boils - but He doesn't cause them. Dig?

So next time you feel the earth shake (either under your feet or in your heart), don't blame God. Bummers don't come from Him. Just say, "Cool it Satan, take all your sin-power and shine it on." The world might crumble right in front of cleavage, the U.S. Left has received a new Word your eyes, but if you're into Jesus, you've got nothing to sweat. He's on your side 100%!

## INCREDITABLE () Coincidence:

On Feb. 9, as the earthquake rolled across Los Angeles some "increditable coincidences" took place. In Los Angeles there are eight 'skid row' missions, seven of them are operated by Christians ... one 'was' not ... during the quake seven of the missions stood firm ... one fell. God has promised that He would protect His own... just one more

"increditable coincidence."

# IS ELDRIDGE

TIME, February 15, 1971 printed the following: "As though it were not already suffering enough from Black Panther Leader Eldridge Cleaver on a tape recorded in his Algerian exile and broadcast last week by California Radio Station KPFA. From now on, drugs are a no-no for revolutionaries, said Cleaver - in token of which he announced that he had "busted" Fellow Exile Timothy Leary and his wife Rosemary in Algiers. Cleaver read out of the movement "the whole silly, psychedelic drug culture, quasi-political movement of which we have been a part in the past. We're through, we're finished relating to this madness." What Eldridge wants are "sober, stone-cold revolutionaries, motivated by revolutionary love - men and women who fit the description given by Che Guevara: 'Cool, calculating killing machines to be turned against the enemy. '""

Eldridge, the great example of "revolutionary love" found in History is in the Person of Jesus Christ. Once you experience His revolutionizing Love, you discover it to be an all-encompassing warm Love.

Brothers and Sisters pray for Eldridge. It looks as if he is beginning to see His need for love from some One greater.

## BROTHERS AND SISTERS GETTING IT ON with HOME DELIVERY of the Hollywood FREE PAPER IN THEIR AREA!

## WHAT D'YA KNOW ... GOD DOES IT AGAIN

I was on drugs for six years, using everything but Heroin. a servant to all mankind, in His love, strive to become During this time, I did an eight-month trip in Viet Nam in the Infantry. I got shot, and spent the next eight months in the hospital. When I was lying in the jungle bleeding to death, I pulled my God out of my pocket and asked Him to help me, I'm dying.' I could hear my voice coming out of the hole in my neck where one bullet tore through, going through the left lung, then out the back. It cut the nerves to my left arm, and I still cannot use the arm. Another bullet shattered my left foot and ankle. So my trip of thinking I was god and it all is in the mind, was shattered, but I still played drugs, even heavier. I dealt while in the hospital. Each day filled me with hatred for everyone. I was constantly stoned and swore about everything. I keep my left arm in a sling, and every time someone would ask me how I broke it, I would tell them I got shot in Viet Nam; that it isn't broken. They would go "Ho, Hum," and could care

less. I knew they didn't care before I went to Viet Nam. but each time I heard this from their mouths, my heart grew harder.

Then one day my brother rapped to me about Jesus. He had turned on to Jesus about a year earlier, after being on drugs, which I got him into. I tried to freak him, thinking it was just a trip, but it didn't work. As long as he wanted to sing "Jesus Loves Me," I didn't mind, but then he told me that Jesus said "you are either for me or against me," and that I had to make a decision. I was worldly wise. I had done everything, seen it or heard it. To pick up on something, from my younger brother after what I had been through, and then this Jesus bit, was lame. Like Christopher Columbus discovered America, but who cares, I'm here. As I told my brother, after smashing him, that he and his Bible and Jesus could...and I swore loudly as I split to my car and went home. My wife and son were with me. My son was born twelve days after I was shot.

For the next two weeks I tried to get high without anything happening. It was a whole lot of nothing. Then one night I asked my wife to read the Bible with me. My head was under such conviction at that moment when I spoke those words. I read the whole New Testament aloud as my wife listened. If either of us had any questions over a word or verse, or passage, we would stop right then and seek the answer in the Bible. I knew I had to read the whole thing once and for all to see whether I had missed something or not, for I had read parts in church as a kid. By the time read Matthew, Chapter eleven, Verse twenty-eight to thirty, asked Jesus to take my heavy load of hatred and lust and all the ugliness, and He made it "light and easy" and it has been every day in Jesus since then. I had been spiritually starved by Satan and was trying to fill the emptiness each day with his deceptive drugs that left me emptier each night. Praise the Lord! To write about that guy who found Jesus as Savior and then Lord in March of 1970 and had his sins taken as Jesus promised, "as far as east is from west," Psalms 103:12, is such a relief, after being him for twentythree years. Thank you Jesus! Praise His Name!!

Since last March, my wife and I have been active for the Lord witnessing where He leads. I am so thankful to God that my wife said a simple "yes" to reading the Bible. Our heads had been getting further apart under the same roof, but Praise the Lord, we are now one in the Lord!

In September we left the Los Angeles area and headed toward Pennsylvania to bring the "Good News" to my wife's parents. We traveled 8,000 miles as the Lord 1ed each day. I saw a few guys I had known in the army, and they knew whatever changed me had to be too much. One friend became a brother in Christ after one hour, and I'm still praying for the others. We had the car packed with a couple thousand HOLLYWOOD FREE PAPERS and spread the Word. We watched souls change as Jesus was invited in; we shared with fellow Christians, and a lot of seed was planted or watered for some other Lord-led vessel to harvest. We went through Arizona, New Mexico, Texas, Oklahoma, Kansas, Missouri, Illinois, Indiana, Ohio, West Virginia, Pennsylvania, back to Ohio, Indiana, Illinois, Iowa, Minnesota, South Dakota, Wyoming, Utah, Nevada, and California. We returned around the end of October. My wife is expecting our second Blessing and Joy in June, so the Lord led us to a house called In My Name (listed in HFP) that we have opened up, as He leads, in the Lake Arrowhead area about one and a half hour drive from Los Angeles. I pray this testimony will edify the Church, and all Glory to Jesus!

Dear Fellow Christians.

I am really psyched out by the response in Amarillo to the HOLLYWOOD FREE PAPER. The week I received the Bulk Copy Order, I was recovering from a basketball accident in which I broke a ligament. But the Lord Jesus Christ wasn't going to let this stop the travel of His love.

Because I was on crutches, I had a difficult time carrying the newspapers. At first, I could carry only a few at a time. I took these to a Brother named Paul Sims. He told me about how people wanted more papers. When I finally got off the crutches, I unloaded the rest. That was no problem.

A person that I seemed to have turned off when I told him about Christ asked me for another paper. A large Baptist church is so excited about the FREE PAPER that it will take up a collection to buy more. I am asking for these papers before the collection is taken

because of the great need. Please send me another Bulk Copy Order of 100 papers. I love your whole staff and I'll pray for you. God

bless you all. Sincerely and SAVED,

Dear Duane.

The letter I received from you encouraged me to write and find out a few things.

My friend and I really groove on the Lord; lately we have been talking about Jesus. We were wondering how we should go about starting a place where we could talk and turn people on Jesus. The people in this community really need. There is so much hate between the long hairs wants for us at school. We are not certain where we are and the cowboys in our school that it's sickening! How can we get them together? The way I feel about it is that Jesus didn't make us to hate each other, but to love one another as brother and sister. Whether we're rich, poor, black, white, hippie, cowboy, etc.

We would like to know howwe can start a place to have teach ins and how to go about talking to the people about God. It would be farout to help kids that are on drugs to kick the habit and lead them to Jesus If only someone would help us organize.

> Sincerely, Dianna Suazo

Dear Christian Brothers,

The Lord is really working through your Paper, and I want to thank you for your dedication to Him. I attend California Baptist College, and we'll continue to be in prayer for you and your ministry. Praise the Lord!

Enclosed is a "few coppers" from a guy who picks up the Paper here at the chapel at Fort Ord. He was going to spend it on worldly goods, but had second thoughts and wanted it to go to the Lord's work. He realized it was small, but to a GI it's a lot! May God bless you in your work. Dear Brethren,

I came across a most interesting article in the Feb. 9 publication of LOOK, called "The Jesus Movement." and. according to this article, this is a dynamic, growing, going movement among the youth in California.

I believe your paper has an insight to much of this Jesus Movement. Tell me, is this movement having an affect upon what we would call the radical left, the Jerry Rubins? Are the students, college and high school, being stirred? Just how far-reaching is this Movement?

I'm Asst. Pastor here in Kansas City, Mo., and much of my work is with young people. I have talked to many of the street people; not many of them have been affected by the Jesus Movement. But, according to the article in LOOK, this Movement is moving East. I would like to know what I can do to cause it to come our way a little

A few years ago it was booze and back seats; now it's pills and pads, but the problem remains the same. Until girls can get their heads on right with Jesus, they are going to be bouncing from pillar to post, ruining their nds and bodies, killing their souls, and dying of lone liness and heartbreak. God loves you and has the heaviest life style for you.

J.J. HIS LOVE:

"God loved the world so much that He gave His unique Son so that anyone who believes in Him shall not perish but have eternal life." John 3:16

#### HIS LIFE STYLE FOR YOU:

"No mere man has ever seen, heard or even imagined what wonderful things God has ready for those who love Him." I Corinthians 2:9

THAN GOD'S AND IS SEPARATED FROM GOD SO HE CANNOT KNOW GOD'S LOVE OR EXPERIENCE HIS

People were created to groove on God, but our stubborn selves caused us to go our way rather than His, so our contact with Him was broken.

"All have purposely done their own thing rather than God's; all fall short of God's ideal." Romans 3:23

"For the wages of going our way rather than God's is death. (spiritual separation from God) Romans 6:23 Some of the results of that separation are worry, irritability, and lack of purpose in life as well as the heavier things like murder and stealing.

A great chasm separates man and God. Man's best efforts to bridge this chasm-doing good, tripping out, meditating, religion, etc.—are not enough.

Jesus Christ is God's bridge. He makes it possible for you to know God's love and have His life style.

"God showed His great love for us by sending Christ to die for us while we were still going our way rather than His." Romans 5:8

'Christ also suffered. He died once for the waywardness of all of us who were going our way rather than God's, although He Himself was innocent of any wrong at any time, that He might bring us to God.

1 Peter 3:18 'Jesus said, I am the way, the truth, and the life. No

one can get to the Father except by means of me." John 14:6

When you receive Jesus Christ as liberator and leader, you will know God's love and have His life style.

"All who receive Him, He makes children of God. All they have to do is trust Him to liberate them."

"I am standing at the door and constantly knocking. If anyone hears me calling and opens the door, I will come in and talk with him spirit to spirit."

Revelation 3:20

Hebrews 10:25

You can receive Jesus Christ right now by asking Him. Just talk to Him spirit to spirit. He knows what you feel inside, so your words are not as important as your attitude. You might say something like:

"Dear Jesus, I know I have done wrong. I am willing to turn from going my way. I open the door of my life and receive you as my liberator and leader. Thank you for forgiving me. Take control of my life center. Make me the kind of person you want me to be."

If that expresses your desire, then just tell Him and He will come into your life as He promised.

'This is what God has said: That He has given us eternal life, and that this life is in His Son. So whoever has God's Son has life; whoever does not have His Son, does not have life. I have written this to you who believe in His Son so that you may know you have eternal life.

You are now a member of God's family and have many real brothers and sisters. Look for them, rap with them, and get to know them.

This will help you to know Him better and represent Him here: 1. Read His words and those of His children. I Peter 2:2

2. Talk with Him in every kind of situation. Philippians 4:6,7 3. Get together with other members of His family.

4. Tell others about Him. Mark 5:19

5. Help other members of His family. Ephesians 4:29
