VOL. 3, ISSUE 18

the stage is being set... and yes it's going to happen right here in America...

Dear brothers and sisters, it is a time of preparation we live in. Thousands of young people with leftist sentiments, but pioneer longings are moving to country communes as the cities commit suicide. It is the year of the pill and the age of the gland. And as the music and fashion of our age depict the sensual philosophies and luxury minded middle class tastes, our divided conscience also urges us to become more basic... (eat natural health foods, wear jeans and t-shirts, drive volkswagens and other economy vehicles. As the world rapidly overpopulates itself, we are developing the anxiety and neurosis of the desperate lemming as we prepare to jump off the earth into the ocean of stars. It is the subconcious desire to run from a problem, then as the racial heat increases, and the political credibility crumbles, the national mind will look even more enthusiastically into space.

It could be noted that this is the best of all possible ages and the worst of all possible ages, a time of greater knowledge and somehow greater ignorance. It is also the highest hour of anticipation. The world is preparing itself for a renaissance or a burial. It is either rebirth or death but no one is certain how to exercise the option.

And so we too, as Christians, are in preparation, establishing our faith in sound doctrine, improving our communication and witness to the world, and striving for spiritual unity with our brothers and sisters; especially asking that God perfect our faith, because there will come a time when we will not be able to freely worship in churches, or speak openly on the streets. There will come a time when the powers and principalities and spiritual wickedness in high places shall dictate the politics and religions of men.

It will be a time of seclusion when believers of Christ Jesus will be forced underground in the worship of God; a time of persecution when we shall be imprisoned, tortured, and even killed for our beliefs. We will be thrown to the lions of our age in a time which will be more chaotic and evil than the world has ever witnessed.

Bibles will be contraband, a blackmarket item; and so rare and treasured that we will rip out pages, and memorize them with other believers, desiring to preserve in our hearts a document of God; s love which may othervise become extinct. And certainly the music that today glorifies God will become quieted. Records will become bootlegged, illegally pressed and sold or given away through the grapevine, until a time when records will become obsolete and impractical because of an added danger...a Bible can be read in silence but a record must be audibly listened to

And so Christianity will become more and more basic and also more pure. And because men will be unable to go to church and learn from elders and teachers, they will begin to rely fully upon the Holy Spirit. And the Spirit will reveal truth to them as they open up their hearts. And because the Holy Spirit will not teach against itself or lie to men, false doctrine and superficial scriptural debate will die and a pure faith will begin to develop. Unity between believers will grow, even in the silence.

And it will be a glorious time. And though some men will pray that the persecution end, many more will pray that the believers be increased, and the faith be purified. The earmarks of that age are

now evident, and the stage is being set. And yes, it is going to happen right here in America. Governmental wiretapping, closed circuit television monitors in stores and banks, credit card and identification systems, and other technocratic observance and classification programs used in the dehumanization of America are just a hint of Orwell's 1984, Bradbury's Farenheit 451, and Lucas' THX 1138, for those who didn't understand it the first time in John's Revelation from the Isle of Patmos.

If in the midst of sin and persecution, grace will abound more also, then with the greying depersonalization of the world's people will come the greening of the Holy Spirit's role in personal worship. As the movement to destroy individuality and mass produce a benign citizenry continues, men will reach out for a very personal relationship with God and assume a more definitive faith in Jesus while the alternatives become more clearly wicked and hopeless.

AT AROUND 6a.m., THE GUARDS CAME TO TAKE US AWAY...

an interview with Heinz Kliem

Heinz, what is your background? Where were you born?

I was born in East Germany, in a town called Gorlitz, which is very close to the Polish border. I was raised in a Christian home with Christian parents. My grandparents were politically active in East Germany. Being Christians, this brough them under fire with the Nazis during the war. They were imprisoned, and watched, and interrogated, etc. After the war, they ran into trouble again with the Communists. Christian vs Communism doesn't mix. However, during the space between the war and the Communist takeover, my grandfather had again, obtained civil power, in a particular province over there, and the Communists had a tough time getting a foothold in over there because the people stuck to what my grandfather said.

Finally, they indicted him on some sort of technicality regarding a dog license, and therefore, he was unfit to rule. The penalty was the salt mines. He had a document, and with that he took his life in his hands and went to the West. Two weeks later, we got the firethey started getting after us. So, finally, we

ESCAPE ROUTE CONT.

had a choice of staying to hear our sentence or take a chance. The guards had started coming around asking where we were, and they'd gone to my Father's boss, and he was a Christian too. At the dead of night, that evening, he came over and told us about it. He had fixed up some papers and pre-dated them, so we had a legitimate excuse to be on the road.

That night, we took with us whatever we could carry at 3 a.m. in the morning, and off we went. We found out later that at around 6 a.m., the guards came to take us away, so we just barely made it. On the way through, we took the rail to Berlin, and we had a pass for a city which was on the opposite side of Berlin, so the most logical thing would be to go through Berlin, which would include the West sector, and there we planned to get off, just in case anyone asked.

Now there was a little thing we had to do. The train pulls into the station and there was a big fence on the left side, and usually the gates there are closed. That time, this one gate was slightly ajar. All the people had to exit on the right side, and the guards were there, and while everyone went that way, we went this way. We ducked through the gate and into the subway. With the subway, we were on the platform between cars, and there were 2 or 3 guards going through the cars checking your visas, etc. If you looked suspicious, or didn't have papers, that was it, then they came marching through and one guy put his hand on the door and opened it, and my Father prayed, "God we're in your hands." The whistle blew, the train moved and started rolling, the guy paused a minute, shut the door, and they both walked back and jumped out of the other side. That's an unnatural act, so that's the way we got out. We came over to Canada and started all over again.

Heniz, where are you living now?

I'm in Vancouver, British Columbia, Canada.

Heniz, share something of your personal relationship with Jesus Christ.

Ever since I was a small child, about 3 or 4, I was aware of God's presence, and through Sunday School, and a Christian home, I realized Christ was God's Son - so, very consciously at that small age, I accepted Christ as my Savior. Maybe not in those words, but I did ask Him to lead my life and come into me, and He's taken me on ever since, and all I can say is praise His name for that!

When was the first time you made Him LORD of your life?

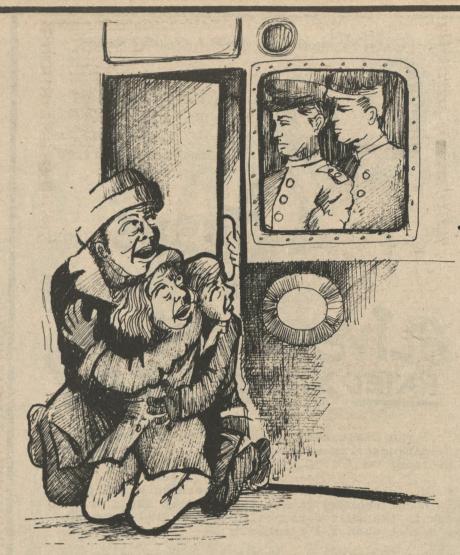

That was when I was around 5. The thing is, the Christian life- the way I see it, and I've come to live it - it's a daily thing. There's a difference between asking Him to be Lord of your life, and yet not yielding day-to-day.

You say that every morning, every day, and it's a day-to-day, moment-to-moment experience, and then things really begin to happen as you look to Him in everything and for everything.

What is needed to prepare the Underground Church for survival during coming tribulation?

The definition of the Church, is the Body of Christ, and everyone who has Christ living in their heart is a member of that body, so the first thing is an intimate relationship with the head, and then, an intimate relationship with fellow members, close co-operation on a daily personal basis and not just one day a week like Sunday, a very close-knit - like where you can go to someone with your most intimate problems and trust them for that. Preferably, when you look at the workings of the early Church. They had small cell groups, like in Jerusalem, there were over 4,000 Christians, and they didn't all meet in one place. Yet, they were in small groups, say, 20 in a home and they met regularly and got to know each other personally. They studied scripture, prayed and worshipped together. From there on, you go to the second step where these small intimate groups fellowshipped with more groups together, and this is where you build your congregation.

The way I see it, we're not strong enough individually to stand. Although God is beginning to move, He's raising up people, He's causing Christians to come together and read the scriptures in homes again. There's no real organization needed except that this intimate fellowship is developed. There is where your key lies, and your strength lies.

Do you feel that there are imposters in the underground Church, posing as Christians, gathering information to use against the leaders in the underground movement?

Definitely yes! There are groups forming or already formed, which have certain political affiliations and other subversive groups which are specifically trained to gather information, to see how the Church works, so when the clamp is put on, the persecutors know who to grab and where to hit. The Hell's Angels and several other Biker's groups, have already formed gangs with the specific purpose in mind to persecute Christians, because they've lost so many to Christ.

Another factor which would speed up this persecution, is an economic factor. The economy of the world needs a dictator, so when you have a dictatorship, something like a philosophy which sets a person free such as Jesus Christ does, where the personal identity is retained, it's terribly dangerous to such a set-up.

It's a natural sort of infiltration, very real. They are very good impersonators, actors, very good con men. They're even religious to that extent. They'll get up on your philosophy and satisfy every external means that they see. The only difference there will be that, "ye shall know them by their fruits..." because there's no love, just works, and it's a cold superficial thing, once it's tested. This is where you find out if they're real or not is when real intimate work is required—intimate fellowship. These people will never become intimate. They'll tend to be impersonal. They'll be around, they'll be friends, but you won't know them as a person.

There's a group of people, an organization in existence already for the last 5-10 years, who are setting up a political power base on which the anti-Christ will arise. I can't specify, because already our lives have been threatened, and we'd be endangered. In II Timothy 3, we find a very good description of what these people will be like

"....The light still shines in the darkness and the darkness has never put it out." John 1;5 (J.B. Phillips)

In this glorious hour God is sovereignly fulfilling His Word recorded in Act 2:17, "And it shall come to pass in the last days, saith God, I will pour out my Spirit upon all flesh..."

The Holy Spirit today is leaping across iron, bamboo and sugar cane curtains in the Communist world, proving that He cannot be hedged in. God is revealing that His purposes shall indeed be fulfilled in the earth in spite of all man made barriers.

The Prophet Habakkuk declared, "For the earth shall be filled with the knowledge of the glory of the Lord, as the waters cover the sea." Hab. 2:14.

A recent visitor to Cuba brings glowing reports of a surge of Divine life being manifested in Castro's island. He says, "The true nature of Communism and its hatred toward religion in general and Christianity in particular began to be felt in Cuba about two years after the Castro coup. The church was placed under severe restrictions in an effort to stifle her witness. All Gospel programs were banned from the airwaves and advertising of religious services was forbidden. It became a legal offense to gather for Christian fellowship or prayer in private homes. All churches were obliged to register with the authorities, and all gatherings of a special nature required a special government permit. All of these restrictions exist until the present time in Cuba.

God, however, has a marvellous way in which He causes, "the wrath of man to praise Him." Instead of curbing the advance of the Gospel in Cuba, these very restrictions, coupled with a tragic economic situation, has caused the Christians in Cuba to cry unto God.

We read of Israel in Egypt that, "by reason of their bondage began to cry unto God" (Exodus 2:23) God heard this cry and His answer is recorded in the following chapter (3:7,8) "And the Lord said, I have surely seen the affliction of my people...and I am come down to deliver them..."

Pastors shared the fact that young people completely disallusioned with Communism's empty ideologies are coming to their churches, finding Jesus Christ as their Savior and Lord.

At a recent conference held in the eastern part of the island over 1200 gathered to meet with God. During the first day a spirit of brokenness came upon the gathering. Many, including pastors, were moved to a confession of coldness of heart and other things that were hindering the flow of God's Spirit in their lives.

If History has proven one thing above another, it is this. The Church is not dependent upon the political climate to maintain its faith in Jesus Christ. Cuba is no exception.

Let us unite in prayer and believe God for a mighty visitation of His Spirit that will sweep from one end of this Carribean island to the other to glorify the Name of our Savior.

History is being repeated in this hour. There is a move of the Holy Spirit in Cuba today which I believe may go down on record as one of the prime examples of the power of the Gospel of Christ to change the very course and destiny of a nation.

THE JESUS REVOLUTION HITS RUSSID, Too!

A Russian-born evangelist who recently returned from an extensive preaching mission throughout the Soviet Union says the signs are unmistakeable: Young Russians are turning to Christ in increasing numbers.

"A spiritual vacuum exists after 54 years of red rule," says the Rev. Andrew Semenchuk, West Coast Representative for the Chicago-based Slavic Gospel Association and director of its Russian Bible Institute in Buenos Aires. "Youth in Russia can't demonstrate in their police state, but they are not hiding their search for spiritual fulfillment."

He said they're curious about life after death, unwilling to be only a cog in the socialist machinery. Semenchuk explained: "Everywhere we traveled we saw the government's counter propaganda in the form of a Leninist personality cult. There are signs reading, 'Lenin is the light of our new world,' or Lenin lives!. or 'Communism supplies our daily bread.'"

Semenchuk reached the step of Novosibirsk in his 7,000-mile trip through the U.S.S.R. where he preached in the only evangelical church—a congregation of 1,400 members—serving a city of a million people.

There are Communist books, he said, on such subjects as The Revolution and Its Moral Mission, and similar subjects "attempting to show that the Red government is after all interested in the individual too."

The slavic leader said it is a mistake to lump all evangelical believers into an "underground movement." "Such secrecy is impossible in a police state with an extensive spy system and an infiltration program both in the registered and the unregistered churches. My Russian brothers are meeting openly, paying the heavy fines on occasion and meeting outdoors when they are barred from halls."

He said young Russians who declare themselves believers cannot expect to receive university diplomas, are prohibited from the professions, and can expect to endure the constant surveillance that is so much a part of the spy system of the Soviets.

Rev. Semenchuk, representing the largest mission to Russians today, sings and preaches the gospel on many of its 80 weekly broadcasts to the Soviet Union. He also helps produce extensive literature in the Russian language and participates in preaching missions. On this tour he traveled with Bill Winchell, director of TEAM Radio Station HLKX in Korea, with Mrs. Winchell and with Alex Kuvshinikov, former student of his in the Russian Bible Institute. They took in what scripture portions they could carry and urge all tourists to do the same. Half of it, however, was confiscated at the border. "We cannot be criminals and lie about what we carry, "he said. "But they must find it themselves if they want to confiscate it.

"Contrary to what Red officials say—that only the superstitious illiterate and backward old timers believe in God (these were teen-agers 54 years ago when Communism was introduced!) one can see many 40— to 50—year—old people in the churches who were born and raised under Communism," the Rev. Mr. Semenchuk said. "Youth choirs, young people playing in church orchestras and reciting Christian poetry are in evidence in all the churches. They jeopardize their future by participating in the services but they do it because they love Christ."

The traveling quartet of Christians was stopped constantly on the street by students wanting to practice their English--by far the most popular foreign tongue in Russia--and to discuss spiritual matters and moral values.-- 7/24/71

The fact that you can get 1,200 people voluntarily and in great love to lay down their lives for one another (as in I Jn. 3:16) for the purpose of reaching this generation, shows the good fruit of our zeal. The bond of the children of God is of the spirit and of love, not of fear. The concept of love and sharing was well portrayed by N.B.C. on First Tuesday documentary viewed on nationwide TV January 5th. Nothing is kept hidden or secret about our way of life; the Children of God rejoice in it and eagerly witness of salvation and are more than ready to explain from the scripture why we feel everyone should also commit himself 100% to preaching the gospel.

One reporter said of us: "But beyond any complaints one can see they live a fantastic life, filled with love, companionship, concern and service to others. One might be critical of their methods, but no one can deny the fulfillment and happiness they have obtained, disregarding the guidelines of society."

GCHERE ARE CHRISTIANS IN RUSSIA... THEY MEET UNDERGROUND ... IN CHINA, THEY'RE

KILLED WHEN THEY'RE FOUND ... and in CUBA, THE CHIRPSTRAMS LIVE UP IN THE HILLS ... BECAUSE IT'S NOT SAFE IN the TOWN ...

GIND TO THINK IT MIGHT HAPPEN RIGHT HERE IN AMERICA MAYBE YOU THINK IT'S NOT TRUE ...
IF YOU THINK IT'S NOT HAPPENING RIGHT HERE IN AMERICA WAIT TILL IT HAPPENS TO YOU!

THERE are CHRISTICAS IN berkeley, THEY'RE PASSING OUT BIBLES and FOOD

and HOPING TO HELP-OUT THE PEOPLE THIS WAY ...

THERE are THREATS ON THE LIVES of their LEADERS and WIVES ... BECAUSE THEY'RE NOT WELCOME TO STAY ...

AND TO THINK IT MIGHT HAPPEN RIGHT HERE IN AMERICA I KNOW YOU THINK IT'S NOT TRUE BUT IT'S HAPPENING TO CHRISTIANS RIGHT HERE IN AMERICA. WAIT TILL IT HAPPENS TO YOU.

THERE'S ON UNDERCROUND CHURCH and ITS FOLLOWING DESMES, and HELPING TO MEET PEOPLE'S NEEDS
BUT WE DON'T HAVE TIME TO BUILD TIKE LITTLE CHURCHES—BESIDES WE DON'T NEED TO ... WE'RE HOLDING OUR CHURCH IN THE STREETS.

WE are PASSING OUT LEAFLETS and UNDERGROUND PAMPHLETS from Buffalo TO Monteney and we're talking about JESUS and ALL OF A SUDDEN, we're ARRESTED and TAKEN AWAY. So I ask You, AMERICA - WHERE DO YOU STAND,

Your People are Starving, They're BEATEN, THEY'RE RAPED, and THEY'RE DYING IN JAIL CELLS - SO WHAT ARE YOUR PLANS ...

I'M NOT TALKING TO CONCRESS OR YOU POLICIANS OR PANTHERS, OR MUSLIMS, OR NIXON, OR BIRCH ... I'M ADDRESSING THIS SONG TO THE CHURCH'S

CAUSE I'VE BEEN IN YOUR CHURCH'S AND GAT IN YOUR PEWS AND HEARD SERMONS ON JUST HOW MUCH MONEY YOU'LL NEED FOR THE YEAR. and I'vE HEARD YOU MAKE REFERENCE TO MEXICANS, CHINAMEN, NIGGERS, and JEWS, and I gather you wish we would all DISAPPEAR

AND YOU IN YOURSELVES CHRISTIANS WHEN REALLY YOU'RE NOT YOU'RE LINING YOU'R LIFE AS YOU PLEASE ... IF YOU'RE REALLY A CHRISTIAN, YOU'LL PUT DOWN YOURSELF and follow wherever GOD LEADS ...

I'M NOT TALKING RELIGION - I'M TALKING BOUT DESUS... LET'S STOP MARCHING FOR PEACE and START MARCHING FOR ELESUS and PEACE WILL TAKE CARE OF ITSELF.

WELL I PRAY THAT WE CHRISTIANS WILL GET OFF OUR SOFAS and STAND-UP FOR WHAT THE TIME IS TOO SHORT and GILLST IS RETURNING WE'D BEFFER GET READY TO LEAVE.

WE WHO are CHRISTIANS SHOULD TURN ON THE LIGHT SO THE TRUTH WILL SHINE BRIGHT AS THE DAY. CESUS WILL GOME LIKE A BUILT IN THE NIGHT AND HE'LL STEAL ALL WHO LOVE HIM DWAY ...
