- Charlene has made a minor change in the Health Services Office Hours. She will be available on Tuesdays and Thursdays from 9:00-11:00 rather than 9:00-12:00. Mondays and Wednesdays she can still be reached from 12:00-4:00. Materials on doctors etc. . . may be found outside the Health Office anytime.
- It's cold season! Take care of yourself by drinking fluids, getting rest and eating your brocolli! Brocolli has twice as much Vitamin C ounce for ounce than does orange juice.
- All you Cambridge-ers, dieters etc. . . In your struggle to shed extra pounds know that your body needs 1000 calories per day to function. Extremely low calorie diets will help lose initial water but later on your body will think it is starving with so few calories and your metabolism will slow down thus making weight loss a longer process. Try to stick to three meals a day and speed up your metabolism by exercise, low sodium diets and a diet of 1000 calories per day. By the way - diet sodas have sodium in them!

-Low cost teeth cleaning is still available through PCC. See the information outside the Health Office for further details!

Commencement Help Needed

This year over 300 Fuller students will receive their diplomas (well, actually just diploma covers) in front of an audience of 3,000 at the Pasadena Civic Auditorium. Earlier that day, there will be class photographs, a faculty-graduate communion, and a buffet dinner. For all these and other related events, we need help—people right out front, helping our graduates and their families and friends, and people behind the scenes, preparing the way and making things work smoothly (or at least just making them work!). We need:

Line Marshalls/Line Assistants

Eighteen people are needed to help organize the lineup of faculty and graduates (to help ensure that the right person appears on stage when 'the Dean calls a name!'). There will be two hours of training (paid, of course) and six hours' work on Commencement Day.

Ushers

Eighteen people are needed to serve as ushers during the Commencement ceremony. This involves one hour of training (paid) and 4 1/2 hours' work on Commencement Day. Diplomatic, smiling folks are needed for this job!

Regalia Distribution

Four people are needed to work during the two weeks prior to Commencement handing out caps and gowns to graduates. You can work from eight to over twenty hours over these two weeks, and the schedule is flexible.

Regalia Collection

Nine people are needed to help collect regalia after the Commencement ceremony and return it to campus.

Child Care

This is one of the best-paying jobs available on Commencement Day (I wonder why?). From 10 to 20 people are needed to take care of children of our graduates Commencement Day, at the facilities of the Pasadena Presbyterian Church. You can work one or both of two 4 1/2-hour shifts. If you love children, this job is for you!

General Assistance

Ten people are needed to transport equipment and materials, run errands, and take care of all those annoying last-minute details on Commencement Day. Two 6-hour shifts are available.

This is a great opportunity to contribute to a worthy cause (your bank account), and at the same time help make this day special for your fellow students who are (finally) graduating. In some cases—depending on the hours involved—you can work more than one job.

Detailed job descriptions, pay scales, and sign-up sheets are available on the 2nd floor of the Student Services building.
