

CORONAVIRUS DISEASE 2019 (COVID-19)

Publishers announced to extend peer-reviewed publications accessible freely, more than 32,000 articles, chapters, and other resources. These e-resources related to COVID- 19, different types of coronaviruses and related epidemics.

Below are links to publisher's resource hubs and freely available articles

Publisher	Content	URL
AIP	Articles	AIP Publishing > COVID-19 Free to read
ACS	articles/book chapters	American Chemical Society> Chemistry in Coronavirus Research – Free to read collection
APS	Articles	American Psychological Association >COVID-19: Free articles from APA Journals
ACP	Articles	Annals of Internal Medicine > Collection of freely available articles
ASME		American Society of Mechanical Engineers > COVID-19 Resource
Brill		Brill> COVID-19 Collection

BioWorld	Therapeutics and medical technologies in development.	BioWorld > Coronavirus articles free access https://www.bioworld.com/
CABI	Articles and book chapters	CABI > Focus on Coronavirus https://www.cabdirect.org/globalhealth
CUP	Articles /Books and Book Chapters	Cambridge University Press > Coronavirus Free Article Collection https://www.cambridge.org/core/browse-subjects/medicine/coronavirus-free-access-collection
BMJ	Articles/Patient information/	BMJ > Coronavirus https://www.bmj.com/coronavirus
		Clarivate > Coronavirus resources https://clarivate.com/coronavirus-resources/
	Articles /Books and Book Chapters Data	Elsevier > Novel Coronavirus Information Center https://www.sciencedirect.com/quicksearches/coronavirus sftp://public@coronacontent.np.elsevier.com
Emerald	Articles /Books and Book Chapters	Emerald > Free content related to Coronavirus and the management of epidemics https://www.emeraldgrouppublishing.com/promo/coronavirus.htm?utm_source=facebook&utm_medium=social&utm_campaign=bnd_Coronavirus_landing%20page_20200206_free
European Respiratory Society		European Respiratory Society > SARS-CoV-2 and COVID-19 https://erj.ersjournals.com/cc/sars-cov-2-and-covid-19
FSG	Articles	Future Science Group > COVID-19 Hub

IEEE	Articles /Books and Book Chapters Data	IEEE > COVID-19 Related Research Now Free to Read in IEEE Xplore here
IOP	Articles /Books and Book Chapters	Institute of Physics Publishing > Coronavirus articles - free to access content
IntechOpen	Article	IntechOpen Pneumonia of Viral Etiologies Coronaviruses as encephalitis – Inducing infectious agents Structural and functional aspects of viroporins in human respiratory viruses: Respiratory syncytial virus and coronaviruses Bats, bat-borne viruses, and environment changes
JAMA	Articles The New England Journal of Medicine Coronavirus (Covid-19)	JAMA Network > Coronavirus Resource Center
Karger	Articles	Karger > Topic Article Package: Coronavirus
CSIRO Publishing	Articles	https://www.publish.csiro.au/search?k=coronavirus&all=1&stype=j Microbiology Australia COVID-19: a novel zoonotic disease caused by coronavirus from China: what we know and what we don't

		<p>Persistent or long-term coronavirus infection in Australian bats</p> <p>Laboratory accidents and breaches in biosafety – they do occur!</p> <p>Bat viruses and diseases</p> <p>The interplay between viruses and the immune system of bats</p> <p>Bat and virus ecology in a dynamic world</p> <p>The movement of humans and the spread of Salmonella into existing and pristine ecosystems</p>
The New England Journal of Medicine	Articles	The New England Journal of Medicine > Coronavirus (Covid-19)
OUP	Articles /Books and Book Chapters	Oxford University Press > Free access to resources on Coronavirus
RSC	Articles	Royal Society of Chemistry > Coronavirus articles - free to access collection
Science AAAS	Articles	Science (AAAS) > Coronavirus Disease 2019
Springer Nature Coronavirus	Articles /Books and Book Chapters	Springer Nature > Coronavirus
Springer Publishing Company	Articles	Springer Publishing Company > COVID-19 Response http://pages.springerpub.com/covid-19-resources.html#nav-1

Taylor & Francis	Articles	Taylor & Francis > COVID-19: Novel Coronavirus Content - Free To Access
Wiley	Articles/Book chapters	Wiley > Novel coronavirus content free to access
Wolters Kluwer		Wolters Kluwer > Coronavirus Resources & Tools Nursing Center – 2019 Novel Coronavirus
