PLANT CITY, FLA., Feb 22, 1912.

Dear Bro. Larimore:

I herewith enclose a part of Bro. King's letter. I understand the part that will explain why I send it.

I am teaching here now. My school is small but, <sup>about</sup> all I expected it to be this winter. I am expecting to continue the work if the Lord will.

If you are expecting to start Bibb school in Fla. I shall be pleased to know your plans etc. If you care to know I shall be glad to put my plans before you. Could you not come to Plant City while you are in the state. We would be glad to have you preach for us if suitable arrangements could be made.

I shall be delighted to hear from you at your earliest convenience.  
Your brother in Christ  
J. Tolbert Bushong.

recover that I will be in  
better health than usual  
I am sorry that I cannot  
give you a definite answer  
regarding the girls going  
away to school. Bessie  
wants to continue her studies  
but I do not know yet what  
I can do about sending  
her away to school. Being  
sick so long has crippled  
me financially as well as  
giving me considerable phy-  
sical annoyance. I have  
just learned that Bro Lar-  
more will be in Gainesville  
next Sunday, and that he  
is looking around with

a view of establishing a  
Bible School in Florida.  
Does he know of your school?  
If not would it not be  
well for you to meet him  
so that all efforts in that  
direction shall be harmonious.  
I feel that you are the Pioneer  
in that effort, and that the  
way that you have blazed  
out should be followed at  
least until a better one  
is discovered.

Write me whenever you can and  
I will promise to not be so long in  
writing to you again. With best wishes  
for your success, I am  
Yours in the Outpath. - John E. King
