## Publisher's note regarding paper

**Changliang Tang, Dongjiang Han, Jinfu Yang** Rubbing dynamics behavior of a flywheel shafting with a single point flexible support. Vol. 19, Issue 6, 2017, p. 4138-4154, <https://doi.org/10.21595/jve.2017.18480>.

## The description of the correction

The affiliation was misspelled in the paper originally submitted and finally approved (after the acceptance) by the Authors.

Incorrect affiliation:

Institute of Engineering Thermophysics, Chinese Academy of Sciences, Beijing, 100190, China

Correct affiliations:

<sup>1</sup>Key Laboratory of Modern Measurement and Control Technology, Ministry of Education, Beijing Information Science and Technology University, Beijing, 100192, China

<sup>2, 3</sup>Institute of Engineering Thermophysics, Chinese Academy of Sciences, Beijing, 100190, China
