

# CAL POLY REPORT

California Polytechnic State University  
San Luis Obispo, California 93407

November 2, 1978  
Volume 30, Number 12

## Tellew New Associate Dean

Fuad H. Tellew is the new associate dean of the School of Business, according to an announcement by President Robert E. Kennedy. A member of the Cal Poly faculty since 1960 and head of the Economics Department since 1970, Dr. Tellew began his new assignment on September 1. He assumed a position that had been vacant since Sara Behman left the university faculty in mid-1976 to become deputy director of the California Department of Industrial Relations. President Kennedy said Dr. Tellew's appointment was based on the recommendations of Hazel J. Jones (Vice President for Academic Affairs) and Robert K. Coe (Dean, Business).

Dr. Tellew, who will continue to carry a half-time teaching load as a member of the Economics Department faculty, is a graduate of the College of Commerce and Economics in Baghdad, Iraq, and University of Southern California, where he

earned his master's and doctor's degrees. He joined the faculty of Cal Poly's Business Administration Department after having been an accountant for the Iraq State Railways, supervisor of University of Southern California's Testing Bureau, and a teaching assistant and lecturer at University of Southern California.

In recent years, he has combined his teaching and administrative duties with leadership in Cal Poly's overseas educational program, which has the largest number of student participants among campuses of The California State University and Colleges. Dr. Tellew, who resides in San Luis Obispo, will work with Dean Coe in administering the affairs of the School of Business and directing the school's Master of Business Administration degree program.

### EASTHAM ACTING DEPARTMENT HEAD

Following consultation which has involved faculty and administration, President Robert E. Kennedy has appointed George M. Eastham to the position of Acting Head of the Economics Department effective immediately. The duration of this appointment will be until a successful search for a permanent department head has been concluded.

### BUDGET OFFICER APPOINTMENT

James R. Landreth (Director of Business Affairs) has announced the appointment of Rick Ramirez as Budget Officer. Rick succeeds Frank Lebens, who recently accepted a position with the Federal Intermediate Credit Bank of Houston, Texas. Rick's selection for the position was recommended by a committee composed of representatives from Academic Affairs, Student Affairs and Administrative Affairs. Rick first came to Cal Poly in April 1975 as Assistant Budget Officer.

### PSAC FACULTY NOMINEE FORUM

The nine nominees from the schools and division will be available for questions at a meeting prior to the university-wide election to select three faculty members to the Presidential Selection Advisory Committee. The meeting will be in Chumash Auditorium on Tuesday (Nov. 7) at 11 am. The Academic Senate encourages participation by all members of the Cal Poly faculty. In order to accomplish this, where possible, meetings normally scheduled for Tuesday at 11 am should be rescheduled. This does not apply to instructional activities. If faculty have classes during this time frame, they should send their questions to the forum by way of departmental colleagues. President Robert Kennedy urges all faculty to attend.

### PUBLIC EMPLOYEES' RETIREMENT SYSTEM ELECTION

In accordance with the provisions of the Public Employees' Retirement Law, there will soon be an election of a member of the Board of Administration. Voting instructions, candidate information, official ballots, and return, postage-paid, self-addressed envelopes will be provided to all members of the Public Employees' Retirement System through campus mail.

Several points should be kept in mind by all eligible voting members:

- The reverse side of the mailing envelope must show the member's written signature; printed or typewritten signatures will not be counted.
- Mark the ballot clearly.
- Indicate only one choice of candidates; ballots with multiple choices will be invalid.
- The deadline for receiving voted ballots will be 5 pm, Nov. 30. The ballots must be received by the Secretary of State no later than this date.

Contact Robert M. Negranti, Staff Personnel Officer, with questions concerning the PERS election.

### FOUNDATION BOARD MEETING ANNOUNCEMENT

The Board of Directors of the California Polytechnic State University Foundation will hold a regular meeting on Tuesday (Nov. 14) at 8:30 am in the Administration Building Conference Room 409 on the California Polytechnic State University campus in San Luis Obispo, California. This is a public meeting. For further information about this meeting, or to obtain a copy of the meeting agenda, contact Al Amaral (Executive Director, Cal Poly Foundation) in University Union 212, or call Ext. 1131.

### SAND PAINTINGS ON DISPLAY

Sandpainter David Villasenor has ten sandpaintings under the title, "Tapestries in Sand," on exhibit at Cal Poly through Sunday (Nov. 5). Villasenor's works will be shown in the Galerie of the University Union. Villasenor's themes span different centuries and varying Indian cultures, from Kukulcan of the Mayans and Quetzalcoatl and the Plumed Serpent of the Aztecs to Navajo, Apache, and Hopi themes. The sand-paintings displayed are from the collection of Gary Ellison of Templeton.

### PPS ENERGY MEASURING

Monitoring energies involved in parapsychological phenomena will be the topic discussed and demonstrated by Douglas Modlin at the First Weekend Program on Sunday (Nov. 5). The program will begin at 7:15 pm in University Union 220. Admission will be free and the public is invited.

Modlin will also be present at a no-host supper from 6 to 7 pm that evening at Vista Grande Restaurant. Those who would like to talk with him informally are invited to attend the no-host supper. The lecture and demonstration will be an update of one given here three years ago by Modlin, a 1975 Cal Poly electronic engineering graduate. At that time he had just begun working as a graduate assistant to the Stanford University physicist-engineer, Dr. William Tiller. Since that time Modlin has completed his master's degree at Stanford's School of Engineering and is continuing in the doctoral program.

TRUSTEES'/CHANCELLOR'S ACTIONS REPORTED

The Board of Trustees of The California State University and Colleges took the following actions at its meeting Oct. 25: approved a 1979-80 Support Budget request to the Governor and the Legislature totaling \$760.2 million for the CSUC, and resolved that the Board is in opposition to the passage of Proposition 6, the school employees homosexuality initiative on the Nov. 7 election ballot.

Chancellor Glenn S. Dumke announced the appointment of Judith S. Wortman as Director of Federal Relations for The California State University and Colleges. Mrs. Wortman will assume charge of the CSUC's Federal Programs Office in Washington, D.C., Dec. 1. She succeeds Sheppie Abramowitz who resigned last summer. Mrs. Wortman is a former assistant director of the State University of New York's Washington Office and since 1977 has served as an editor with the Robert J. Brady Company subsidiary of the Prentice-Hall publishing firm.

DISTINGUISHED ALUMS ANNOUNCED

President Robert E. Kennedy has announced the names of five former students of the university who will be honored as Distinguished Alumni for 1978. The five honored persons who will be officially recognized during 1978 Homecoming activities on Friday and Saturday (Nov. 17-18) are: Jack A. Wick (Agriculture and Natural Resources); Paul R. Neel (Architecture and Environmental Design); Clifton C. Maclin (Business); Alvin W. Trivelpiece (Engineering and Technology); and Ronald S. Pardini (Science and Mathematics).

They will be recognized during the Distinguished Alumni Banquet on Friday (Nov. 17) at 6 pm in the Staff Dining Room. The public is invited and reservations for the banquet, which is being sponsored by the Cal Poly Alumni Association, can be arranged by telephoning the university's Alumni Services Office at Ext. 1261. In addition to the banquet, the distinguished alums will participate in several other Homecoming events. On Saturday (Nov. 18) they will be riding as honored guests in the Homecoming parade at 10 am in downtown San Luis Obispo and attend a barbeque dinner to be held in Poly Grove on campus from 5 pm to 6 pm.

TIME OFF FOR VOTING

Since all offices on campus will be open this Election Day, some employees may have to vote during normal working hours. Election Code Sections 14350-14352 provide that employees can be given paid time off to vote only if the employee does not have sufficient time to vote outside normal working hours. Since the polls are normally open from 7 am to 8 pm, in almost every case employees will be able to vote outside of working hours and thus should not be given time off. Only in cases where an employee is required to work overtime would employees need to be given time off to vote. The following guidelines should be followed by supervisors in granting employees time off to vote: Employees can be given as much time as needed to vote, but only a maximum of two hours is paid; time off to vote, if granted, should be given at the beginning or end of the work shift; and employees are normally required to give the campus two working days notice if they want time off for voting purposes.

Copies of the entire Election Code Sections 14350-14352 are available in the Personnel Office.

NOTE FROM THE EDITOR

We apologize for the typewritten format of this issue of Cal Poly Report. The typesetting machine is down for repairs. We will return to regular format as soon as possible.

### DOCTOR TAKES TO STAGE

Reluctant impersonation of a doctor is the diagnosis of Moliere's famed farce "The Doctor In Spite of Himself" and tickets are still available for those who wish to learn the cure. The Speech Communication Department will present the updated 17th century farce, directed and adapted by Michael R. Malkin, on Thursday, Friday, and Saturday (Nov. 2, 3, and 4) in the Cal Poly Theatre. Curtain time will be 8 o'clock each evening.

Ed Cardoza plays Sgnararelle, a common woodcutter forced into the role of brilliant physician. Others in the cast are Brian Tomlinson as Geronte, Kim Crumley as Lucinde, Karen Brosi as Martine, Kirt Kisling as Valere, Michael McHugh as Lucas, Donald Burns as Leandre, Julie Harders as Jacqueline, Danny Cardiel as Thibaut, Mike Kotraba as Perrin, and Dave Safina as M. Robert. Reserved seat tickets, priced at \$2 each, are available at the University Union Ticket Office. Those remaining will be sold at the theatre box office before each performance.

### LIVESTOCK SEMINAR MEETS

Factors affecting profitability and production in the livestock industry will again be the subjects of the Bank of America Livestock Seminar on Sunday through Friday (Nov. 5-10) at Cal Poly. The bi-annual event is designed to provide bank management personnel information on the livestock industry, including cattle, poultry, swine, and sheep. Some 46 employees are expected to attend the seminar. Several faculty members from the School of Agriculture and Natural Resources will make presentations to the seminar participants. Several representatives from the commercial livestock industry will also participate on panel discussions during the week-long meeting.

The beef cattle industry is the topic for Monday (Nov. 6) with Joe Russell, president of the California Cattlemen's Association, presenting an overview of the state's beef industry. Ken Scotto (Animal Science) will discuss the search for superior genetic material. Also scheduled that day is a panel discussion on the beef chain, featuring members of the industry representing each step along the chain, from registered breeder to consumer. Frank Fox (Animal Science) will moderate the discussion.

On Tuesday (Nov. 7) the dairy profit picture, feeding techniques, dairy quotas, and herd improvement techniques will be discussed by Gene Starkey, Herman Rickard, Tim LaSalle, and Les Ferreira (all Dairy Science). On Wednesday (Nov. 8) the poultry industry will be examined, with discussions of broilers, turkeys, and egg production. The sheep and swine industries will be the subject on Thursday (Nov. 9) and the seminar will conclude on Friday (Nov. 10) with presentations on food processing. The Bank of America management representatives will also take part in several tours of Cal Poly agricultural facilities and private industry operations in the surrounding communities.

### BOOKS AT HIGH NOON

Robert Huot (English) will review *Grendel* by John Gardner at the Books at High Noon program on Tuesday (Nov. 7) in the Staff Dining Room at 12 noon. Written in a novelistic style, the subject of Huot's review is a book that retells the story of the Old English classic *Beowulf* through the eyes and voice of its monster, Grendel.

In addition to his review, Huot, a medieval scholar, will discuss the differences between the Old English of *Beowulf* and Chaucerian Middle English. As an example, he will read an excerpt from *Beowulf* in Old English. Huot has been a faculty member at Cal Poly for 16 years and is a member of the Medieval Academy of America, the Medieval Association of the Pacific, and the Modern Language Association.

BOOKSTORE CLOSURES

The textbook department of El Corral Bookstore will be closed from Nov. 18 to Jan. 1 and the rest of the store will be closed from Dec. 13 to Jan. 1 for recarpeting. Instructors should remind their students to purchase textbooks by Nov. 17 because any books not being readopted for Winter Quarter will be returned to the publisher. Questions should be directed to the textbook department at Ext. 1171.

VACATION CREDIT ENLARGED

The Payroll Office has recently issued the annual statement of leave credits for all state employees, reflecting vacation, sick leave, holiday and CTO balances as of Oct. 1. Employees are reminded that effective July 7, the Board of Trustees changed the vacation accrual policy. The following rates have been in effect since July 1 and apply to classes in vacation accrual group 1. This group includes all personnel except those specified classes indicated below the chart.

LENGTH OF SERVICE	VACATION CREDIT PER PAY PERIOD		
	Days	Hours	Days Per Year
1 Month To 3 Years	5/6	6-2/3	10
37 Months To 6 Years	1-1/4	10	15
73 Months To 10 Years	1-5/12	11-1/3	17
121 Months To 15 Years	1-7/12	12-2/3	19
181 Months To 20 Years	1-3/4	14	21
241 Months To 25 Years	1-11/12	15-1/3	23
301 Months And Over	2	16	24

An increase was also granted for classes in vacation accrual group 2. This vacation group covers certain management, ten- and twelve-month instructional, and executive classes. The rate of vacation accrual for these classes has been increased from 1-3/4 days per pay period (14 hours) to 2 days per pay period (16 hours).

On Jan. 1 of any year an employee in a class in vacation group 1 with ten or less years service may not have a vacation balance of more than 272 hours (34 days), and with ten years or more state service, 384 hours (48 days). An employee in a class in vacation group 2 may not have a vacation balance of more than 384 hours as of Jan. 1 of any year irrespective of length of state service. Questions regarding specific vacation credit balances or vacation accrual rate policies should be directed to the Payroll Services Office at Ext. 2605.

FOOD SERVICE OPERATING HOURS

The following food service hours of operation will be in effect over the Veteran's Day weekend, Friday (Nov. 10) through Sunday (Nov. 12). Student Dining Room: 10 am - 12 noon (breakfast), 12:15 pm - 3 pm (lunch), 4 pm - 7 pm (dinner). All other areas will be closed.

**SAFETY**

# STAFF VACANCIES

Vacant support staff positions have been announced by Robert M. Negrantl, Staff Personnel Officer. Descriptions of the positions and other vacancies are posted outside the Personnel Office, Adm. 110, Ext. 2236. Contact the Personnel Office to obtain an application. The University is subject to all laws governing Affirmative Action and equal employment opportunity including but not limited to Executive Order 11246 and Title IX of the Education Amendments Act and the Rehabilitation Act. of 1973. All qualified persons are encouraged to apply.

**Custodians (3), \$759-\$906/month**, Plant Operations. Sweeps, scrubs, mops, and polishes floors; cleans blackboards, windows, venetian blinds; unlocks and locks doors and windows; empties trash cans and wastebaskets; safeguards buildings and equipment from unauthorized use; cooperates with faculty and staff in moving tables, chairs, and other furniture and equipment. One year experience as a custodian preferred. Hours: 10:30 pm to 7 am, Mon.- Fri. Closing date: 11-16-78.

**Clerical Assistant II-A or II-B, \$729-\$931/month**, Activities Planning Center. Dept. stenographic and typing services, maintain roster of club and ASI agencies, assign mail boxes to organizations, take minutes and work in the process of codes and bylaws for the Codes and Bylaws Committee, keep up-to-date Student Activity Guides and Faculty Advisor's Advisor. Requirements: Equivalent to one year of clerical experience, type 45 wpm and must have taken General Clerical Test. Closing date: 11-16-78.

**Departmental Secretary I-B, \$814-\$974/month**, Liberal Studies. Duties: Receptionist, maintain files, maintain budget and travel accounts, help coordinator evaluate student transcripts and files, dictation and transcription of correspondence, reports and other assigned duties. Requirements: Equivalent to two years general clerical experience, shorthand 80 wpm, type 45 wpm and must have taken the General Clerical Test. Closing date: 11-16-78.

**Custodians (10), Hourly rate based on \$759/month**, Plant Operations. Sweeps, scrubs, mops and polishes floors; cleans blackboards, windows, venetian blinds; unlocks and locks doors and windows; empties trash cans and wastebaskets; safeguards buildings and equipment from unauthorized use; cooperates with faculty and staff in moving tables, chairs, and other furniture and equipment. One year experience as a custodian preferred. Hours: "on-call" basis. Closing date: 11-16-78.

**Departmental Secretary II-B, \$890-\$1066/month**, Education Dept. Duties require the full range of departmental secretarial work needed in a department with comprehensive on and off campus relationships, including the supervision of two and one-half clerical assistants. Requirements: Three years progressively responsible cal office management experience, including one year in a secretarial capacity; type 45 wpm, and take shorthand 80 wpm. Must have taken General Clerical Test. Closing date: 11-16-78.

**Registered Nurse I, Hourly salary based on \$1126/month**, Temporary assignment to June 8, 1979. Student Health Center. Duties: After-hours emergency services; administer medications, restock supplies, assist with physical examinations, minor surgical procedures, dressing changes, neurological checks, and other nursing duties as required. Requirements: Current State Of California certification. Hours: On-call basis. Closing date: 11-16-78.

### READVERTISEMENT

**Assistant Budget Officer, \$1322-\$1591/month**, Financial Operations Dept. Duties: Assists Budget Officer in preparation, implementation, analysis and administration of university budgets. Requires general knowledge of the principles and practices of governmental budgeting, accounting and public finance. Equivalent to two years of responsible experience in financial management and analysis. Equivalent to graduation from a four year college or university; degree in business administration preferred. Closing date: 11-9-78. (Anticipate appointment date December 1, 1978).

# FOUNDATION VACANCIES

The Foundation is accepting applications for the following open positions, as announced by J.L. Fryer, Personnel Officer. Interested applicants may apply at the Foundation Personnel Office, University Union Building Room 212, 546-1121. Cal Poly Foundation is subject to all laws governing Affirmative Action and equal employment opportunity including but not limited to Executive Order 11246 and Title IX of the Education Amendments Act and the Rehabilitation Act. of 1973. All qualified persons are encouraged to apply.

**Clerical Assistant II-A, \$729-\$871**, Food Service. Duties: Typing and/or composing correspondence for Catering and Food Service managers, answer telephone, make appointments, take catering orders, assist in the computation of monthly billings, assist with payroll, filing. Requirements: two years responsible clerical experience with emphasis in mathematical calculations, high school graduation, and typing 45 wpm. Closing date: 11-16-78.

**Dairy Plant Production Manager, \$14,016-\$16,848**. Responsible for processing operations, including raw milk procurement, distribution of products, ordering supplies and materials, inventory control, scheduling personnel, sanitation. Requirements: Minimum of 2 years in the dairy processing field and a familiarity with fluid milk and manufactured product operations; general knowledge of quality control methods, basic milk accounting procedures, cleaning and sanitizing operations, and a desire to maintain high standards of quality; must have an interest in and a willingness to work with and train student employees. B.S. degree in dairy processing preferred but may be replaced with additional appropriate experience. Closing date: 11-16-78.

**Resident Assistant, \$150/month plus room and kitchen privileges**, High School Equivalency Program (HEP). HEP is a residential, educational program sponsored through Cal Poly to provide education, counseling, both personal and career, to dropouts from a farmworking background. The position offers an excellent opportunity for individuals majoring in social science, education or counseling to gain experience in working with young people from all ethnic groups. Duties: Assume "R.A.-on-duty" position in an amount not to exceed 104 hours per month; responsible for supervising, assisting and counseling participants; organizing and supervising various student activities. Closing date: 12-15-78.

## FACULTY VACANCIES

Candidates for positions on the faculty of the University are presently being sought according to Donald L. Shelton, Director of Personnel Relations. Those interested in learning more about the positions are invited to contact the appropriate dean or department head. This University is subject to all laws governing Affirmative Action and equal employment opportunity including but not limited to Executive Order 11246 and Title IX of the Education Amendments Act and the Rehabilitation Act of 1973. All qualified persons are encouraged to apply.

**Department Head, \$26,088-\$31,524/12 month position.** Electronic/Electrical Engineering Department, School of Engineering and Technology. Starting September 1, 1979. Duties and responsibilities include leading the EL/EE Department which consists of 24 full-time faculty members and which offers two ECPD accredited career oriented programs to over 800 students. Qualifications: Earned doctorate in related discipline required. Full-time significant university teaching in EL and/or EE Engineering required. Relevant and significant industrial experience required. Knowledge of recent advances in EL and/or EE Engineering. Closing date: 2-1-79.

**Lecturer, \$950-\$1142/quarter, depending on experience and qualifications.** Political Science Department, Division of Social Sciences. Opening for part-time lecturer for Winter Quarter, 1979. Duty consists of teaching one three-unit introductory course in American Government. Ph.D. or M.A. required. Closing date: November 17, 1978.

**Lecturer, \$867.20-\$3646.20/quarter. Salary varies with teaching load and experience.** Computer Science and Statistics Dept., School of Science and Mathematics. Duties include teaching one or two lower division statistics courses. Candidates must possess an M.S. in Statistics or related area. Preference will be given to candidates with demonstrated excellence in college or university teaching and/or industrial experience involving applied statistics. Appointment for Winter Quarter, 1979. Closing date: 12-12-78.

**Lecturer, \$4336-\$9116/quarter, based on 15 unit teaching load; salary varies with teaching load and qualifications.** Computer Science and Statistics Dept. School of Science and Mathematics. Duties and responsibilities include teaching lower and upper division courses in computer science. Candidates must possess an M.S. in computer science or comparable experience. Preference will be given to candidates with demonstrated excellence in

college or university teaching and/or industrial experience involving computer science. Appointment for Winter and/or Spring Quarters, 1979. Closing date: 12-12-78.

**Temporary Full-Time Lecturer, \$1188-\$1802/month, Winter and/or Spring Quarter 1979 only, salary dependent on qualifications and experience.** Home Economics Department, School of Human Development and Education. Sabbatical leave replacement. Duties and responsibilities include teaching Design Analysis, Family Housing, Selected Advanced Topics, and Seminar in Family Housing. Ph.D. preferred; will consider candidates with Home Economics Master's degree with specialization in Interior Design and Housing. Closing date: 12-1-78.

### Readvertisement

**Lecturers, \$9504-\$14,416 for two quarters, salary quoted is for fulltime and will be adjusted according to assignment.** Social Sciences Dept., Division of Social Sciences. Two part-time positions available for Winter and Spring Quarters, 1979. Areas of specialization may include any combination of the following: sociology of poverty, social stratification, urban sociology plus additional sociology courses. Ph.D. in Sociology preferred; ABD or MA's will also be considered. Closing date: 11-29-78.

## WHO...WHAT...WHEN...WHERE???

**Pat C. Pendse, Biological Sciences,** attended the 29th annual meeting of the American Society of Human Genetics held in Vancouver, British Columbia, Oct. 4-7.

**Nancy Jorgensen, Counseling Center,** attended the National Forum on Death Education and Counseling, held at the National 4-H Center in Washington, D.C., Sep. 18-22. A California chapter is expected to be formed this year. Anyone interested in the national organization may call Jorgensen at Ext. 2511.

**Marcel Sedletzky, Architecture,** attended the South-West Regional Conference on Appropriate Technology, sponsored by the National Science Foundation and the University of Arizona in Tucson Sep. 25.

**Ilene Rockman, Library,** is the 1978-79 president of the Total Interlibrary Exchange (TIE), a network of 80 libraries serving San Luis Obispo, Santa Barbara, Ventura, Kern, and Northern Los Angeles counties.

**James W. Coleman, Social Sciences,** attended the annual meetings of the Society for the Study of Social Problems held in San Francisco, Sept. 4. Dr. Coleman presented a paper titled "A Theory of Narcotic Abstinence."

**John B. Wordeman, Head, Graphic Communications,** has been elected to the Board of Directors of the Educational Council of the Graphic Arts Industry, Inc. The election came during the annual meeting of the Education council and GAIL in La Quinta recently.

**Donald Cheek, Education,** appeared as one of the major speakers at the Fifth Annual Conference of the Black Correctional Coalition. Cheek's topic was "White Collar Crime and Its Impact on the Black Community." The state-wide conference was held in Oakland Oct. 12-14.

**Jeannine Schmid, Child Development,** presented a lecture on "Use of Montessori Strategies for the Handicapped" at the San Luis Obispo Chapter meeting of the California Association for the Neurologically Handicapped Children, Oct. 24 in Paso Robles.

**Judy D. Saltzman, Philosophy,** attended the 16th World Congress of Philosophy in Dusseldorf, Germany from Aug. 27 to Sep. 2.

**Carolyn Proctor, Placement Associate,** attended the annual conference of the Association for School, College and University Staffing and the California Educational Placement Association in San Francisco, Oct. 8-11.

**Richard Equinoa, Director, Placement,** attended the annual conference of the Association for School, College and University Staffing and the California Educational Placement Association as secretary of the CEPA in San Francisco on Oct. 10.

**Harold Kerbo, Social Sciences,** has had an article published in *The Journal of Conflict Resolution* titled "Foreign Involvement in the Preconditions for Political Violence: The World System and the Case of Chile."

**Bianca Rosenthal, Foreign Languages,** read a paper titled "Dimensions in International Education" at the third European Studies Conference held under the auspices of the Office of International Studies and Programs at the University of Nebraska, Omaha, Oct. 12-14.

# YOUR BICYCLE SAFETY GUIDE

## THE BICYCLE IS A VEHICLE

Every person riding a bicycle on a roadway has all the rights and is subject to all the duties applicable to the driver of any other vehicle (such as an automobile or motorcycle). This means that anyone riding a bicycle must, among other things, stop at all stop signs, indicate turns about to be made, yield the right-of-way as required, keep to posted speed limits, and generally follow the same rules as the rider would if he or she were driving an automobile. A bicycle is defined in the California Vehicle Code (VC) as "any device upon which any person may ride propelled by human power through a belt, chain or gears, and either having two or three wheels in tandem or tricycle arrangement" (VC 21200). All the rules of the road and accident reporting which apply to the operator of an automobile also apply to the operator of a bicycle.

## RULES OF THE ROAD

Every person operating a bicycle on a roadway shall be operated as near the right-hand curb or edge of the roadway as practicable, exercising due care when passing a stopped vehicle or one proceeding in the same direction (VC 21202).

A person must operate a bicycle as near the left-hand curb or edge of the roadway only on one-way streets consisting of two or more marked lanes. This does not include two-way divided highways (VC 21202b).

No person riding upon a bicycle . . . shall attach the same or himself to any streetcar or vehicle in the roadway (VC 21203).

A person propelling a bicycle shall not ride other than upon or astride a permanent and regular seat attached thereto (VC 21204a). No person operating a bicycle upon a highway shall permit a person to ride on the handlebars (VC 212046).

No person operating a bicycle shall carry any package, bundle, or article which prevents the operator from keeping at least one hand upon the handlebars (VC 21205).

## OWNERSHIP, LICENSING, AND LOCAL REGULATIONS

This chapter does not prevent local authorities, by ordinance, from regulating the operation, use, licensing, or equipment of bicycles, provided such regulation is not in conflict with the provisions of this code (VC 21206).

If a city or county has or adopts a bicycle licensing ordinance or resolution, no resident shall operate a bicycle which was first sold as a new bicycle in California on or after September 20, 1974, on any street, road, highway, or other public property within the jurisdiction unless such bicycle is licensed (VC 39002a).

The owner of a properly licensed bicycle must notify the licensing agency within 10 days after selling or disposing of the bicycle (VC 3900a).

A person who acquires a bicycle must apply for a transfer of the license into his name within 10 days of taking possession (VC 39008b).

Anyone owning a bicycle licensed by a local authority must notify the licensing agency of any change of address within 10 days (VC 39009).

## CAMPUS BICYCLE RULES

1. Where "bicycle lanes" are provided, bicycles are not to be ridden elsewhere in the streets. Bicycles are not to be ridden on the sidewalks.
2. Bicycles are not to be ridden nor parked inside buildings or on stairways.
3. Bicycles are not to be parked in lawn areas.
4. Bicycles should always be securely locked when not in use.

Bicycles should be parked in racks provided where available.

University Police Department of the State of California concerning the regulation of bicycles shall be applicable to all violators are subject to being cited.

7. Campus residence are required to Register/License their bicycles with the University Police. There is no charge for this service.

# encouraging notes

November 2, 1978

- \* CARE GRANT COMPETITION OPENS. Only one competition and application date for Creative Activity or Research Effort (CARE) proposals is scheduled for this academic year. The deadline is 5:00 p.m., *FRIDAY, JANUARY 12, 1979*, with notification by the end of Winter Quarter.

CARE grant competition is open to all full-time faculty and academic employees on the tenure track. Proposals will be reviewed by the Research Committee on a competitive basis and recommendations will be forwarded to the Vice President for Academic Affairs for approval. Proposals requesting less than \$1,000 will have a greater likelihood of success. Other than the limited availability of funds, the sole criterion for funding is quality of project. Applicants may also be requested to discuss their proposals at a Research Committee meeting.

(Faculty members seeking support for instructional programs are encouraged to look elsewhere within the University for funding. The mini-grant program, funded for this purpose by the Chancellor's Office, is handled by the Academic Planning Office. Funds for FY 1978-79 have been allocated. If the program is funded for 1979-80, announcement and invitation for proposals will be made in February or March, 1979.)

Application forms and guidelines for the CARE grant are available in the Research Development Office, Administration 314, Extension 2982. If interested in applying, please contact the Research Development Office or your Research Committee School Representative:

- \*\* NATIONAL SCIENCE FOUNDATION - SCIENCE FACULTY PROFESSIONAL DEVELOPMENT. The objective of this program is to improve undergraduate science teaching in two- and four-year colleges and universities in the United States and thereby to improve the capabilities of their students in meeting current employment requirements. To accomplish this, awards will be offered to experienced college and university science teachers to pursue three to twelve months of research or study for the purpose of enhancing their instruction of undergraduate students at their home institutions.

Awardees may affiliate either with academic institutions or with industrial laboratories and other nonacademic organizations. Applications to affiliate with nonacademic institutions are strongly encouraged. Awards will be offered only to persons who as of December 4, 1978, are citizens or nationals of the United States, hold at least a baccalaureate or its equivalent, and will have had five or more academic years' experience in teaching. The maximum allowable stipend contribution from the National Science Foundation is \$2,250 per month. *DEADLINE: DECEMBER 4, 1978.*

\* ENERGY RESOURCES CONSERVATION AND DEVELOPMENT COMMISSION - TRAINING AND TECHNICAL ASSISTANCE. The California Energy Commission seeks assistance in communicating with the building industry and local building officials concerning regulations for energy conservation in new buildings. Proposals are being accepted that involve the following:

- . programs for each of the following groups: building officials, contractors, engineers, architects, and students and professors in the applied sciences;
- . regionally oriented programs throughout the state;
- . development of course curriculum;
- . development of training aids;
- . in-depth instruction in one aspect of the regulations.

Proposals are due at the Commission by *NOVEMBER 24, 1978.*

\* NATURAL SCIENCES AND ENGINEERING RESEARCH COUNCIL - VISITING FELLOWSHIPS IN GOVERNMENT LABORATORIES. Research in science and engineering is possible through visiting fellowships tenable in the laboratories of the following government departments and agencies of Canada:

Agriculture Canada  
 Department of Communications  
   Communications Research Centre  
 Department of Energy, Mines & Resources  
 Fisheries & Environment Canada  
   Atmospheric Environment Service  
   Environmental Management Service  
     Canadian Forestry Service  
     Inland Waters Directorate  
     Lands Directorate  
   Environmental Protection Service  
     Air Pollution Control Directorate  
 Fisheries and Marine Service  
   Fisheries Management  
   Ocean and Aquatic Sciences  
 Health and Welfare Canada  
   Health Protection Branch  
     Food Directorate  
     Environmental Health Directorate  
     Drugs Directorate  
     Laboratory Centre for Disease Control  
 National Defense  
 National Museums of Canada  
   Museum of Natural Sciences  
 National Research Council Canada  
 Atomic Energy of Canada Limited

These departments and agencies have prepared summaries for the research activities of the various laboratories interested in the program. This information is available for review in Administration 314.

Deadline for applying is *JANUARY 15, 1979.*
