

NOT EVEN PAST

Einstein, Relativity and Myths

Tweet

by *Alberto A. Martínez*

We've all heard of the theory of relativity, but what factors really led Einstein to that famous work? In this fascinating talk, Professor Al Martínez discusses how young Einstein formulated relativity, by focusing on debunking several historical myths. His talk is based on his books: *Science Secrets: The Truth About Darwin's Finches, Einstein's Wife, and Other Myths* (2011), and *Kinematics: The Lost of Origins and Einstein's Relativity* (2009).
