The Editors' Corner

We, the new co-editors would like to extend a welcome to the next phase of the ADAN. We are indebted and thankful to Chris Fennell, for all of his hard work and years of dedication to this online community. This task is not simple and we take it on with honor and excitement.

We encourage new voices and dialogues to help the ADAN grow on both a local and global scale. In the issues to come we, along with co-editors Christopher Barton and John McCarthy, will be laying out some of our ideas and goals for the journal and welcome suggestions from the ADAN community
