Dr Sir I have never

heard from the building

of the Dixie Land School

and are you editing

the paper you were preparing

to edit when I was there

if so I would like to have

a sample copy. We have no

church of the New Testament

style here and am thinking

seriously of trying to get

a good preacher to come & preach  
for us some. There is a so  
called church of christ here  
but they have the piano  
and violin &c and I can't  
enjoy the worship I thought  
if you were publishing your paper  
you might be able to reach  
some one through its columns  
that could come and give  
us a series of meetings  
hope the school work in Gamsville  
will be a success.
