Mr. B. R. Colson
Gainesville Fla

Dear Sir & Bro

Yours just Rec'd and I am so enthused that I hasten a reply. I am awfully glad the school is a reality and want to help every way I can and be able to have my children there where they can be under the proper influence. My business is such that I can't do anything now as every \$ I have is tied up, but I certainly want to secure me at least a small farm near the school as soon as possible.

The best I can figure now it will be 12 months before I could have any money to turn loose. And my business is such that I can't leave before about Oct 15 but as soon as possible I am coming up and look around. I am not at all satisfied here as we have no congregation here and it is

not at all healthy.

My wife and I have had services in our home each Lords day for near two years and only once in a great while has any one else attended.

However we hope to have this condition changed in a short time as we expect Bro W. A. Cameron of Largo here Sep 22 to begin a tent meeting and we hope to establish at least a small congregation.

I am a poor man in this worlds goods but could I get what I have into cash I would have about \$5000.00 that I would want to circulate around the place.

I would want some kind of small business in the town and would want a poultry farm near the school.

Any statistics, information, or suggestions you can give me will be highly appreciated. Bro P. D. Popeland of Fort Meade Fla is a good loyal Bro and is very much interested and he too wants to locate there

Would suggest you write him, he has several children but like myself I think he would have to see before he could locate there,

You certainly may depend on me using my little influence towards helping the school and if things are anything like what I think they will be you may depend on me locating there just as soon as I can reasonably afford to do so. I don't happen to know Bro Bourne, as I have only been in the state 4 yrs. Am from Nashville Tenn and my wife made the good confession to Bro Larimore (that good great & model man) Any loyal Bro at Tampa & most of them at Dade City know me and if needs be I would be glad for you to ask them about me.

Well Bro Colson I guess you are tired of such a long letter and think maybe I am silly for writing so much to a business man and a stranger, but I want to cooperate

wish you all and never knew or heard
of a real loyal Bro that I felt was a stranger
asking a place in your prayers and
especially that our coming meeting may
add up to the glory of God & close.

Hoping to know you personally at an early
date and to be at least some benefit to
the school, and to the great cause that
Christ suffered so much for.

Yours Fraternally,
B. A. House
