Mr. T. B. Larimore,
Gainesville, Fla.

Dear Brother Larimore:-

We have just received the Supplement to "Our Florida Friend" and I enclose here-with my check to sister Emma for a years subscription and also a copy of her book. Brother Larimore, I have been in the Railway Mail Service for about 13 years and in that time have traveled more than 700,000 miles. I am getting tired of the road, and when I read your description of Gainesville and its surroundings, I thought to myself, what a desirable place it would be for me to locate and educate my children. I have a boy twelve years old and a girl ten. Both in the 5th, grade. If I could get transferred into the local Post Office, under the Civil Service, I think that I would like it. If you can spare the time and will ascertain whether or not there is a clerk in the Gainesville P.O. who would consider a transfer to road duty and if so, send me his name and address, I will consider it a great favor. I have a very desirable one man run. Work 3 da. and off 4. All local work. Salary \$1200. per year. If any one is interested, I will be pleased to furnish full information and if a run further south would suit better, I think that could be arranged, too. Trusting that I am not asking too much of you and thanking you in advance and with our very best wishes for both of you in your present work, we are

Faithfully and Fraternally yours,

E. C. Garman
