Contest especially for folks in this area, but to make it fair, anyone can enter. This contest is co-sponsored by the people whose ads appear in today's fishing section. They have entry blanks and everything it takes to help you catch the fish,the rest is up to you.

All the twenty-six big prizes have not been determined as yet, but whatever they are it will be well worth your time to enter your catches. The contest this year will be operated upon the point system basis, that is, a certain number of points will be awarded the largest fish, next largest, etc., and the points will be tallied at the end of the contest and the persons having the largest aggregate number of points in each Division Class will be the winner.

To be fair with the ladies and little folk, there is a separate contest for them. They may enter Class B of the contest. The six
