TEACHERS NAMED FOR CITY SCHOOLS

Awards Presented To Murray High Band Members Monday

The last event of the year for the Murray High School band was their banquet held on Monday night. The entire band was present with W. Z. Carter, W. B. Moser and Irvin Gilson, also being present.

Richard Farrell, director of the Murray State College band, was the guest speaker for the occasion. Band officers had charge of the event with A. B. Crass as master of ceremonies.

Those receiving band music letters for three years service were as follows: Betty Ellis, Henrietta Warren, Margaret Harrison, Brenda Brandon, Lou Ann Williams, Janice Carraway, Terry Lee Tracy, Larry Hayes, Betty Cantrell, Louise Jones, Wylene Jones, W. B. Moser, presented the letters.

One service bar was received by each member of the band for a year's service. The Arion Foundation award was presented to Ann Barnett. She has been in the band for seven years, rated superior at the regional and the state music festival, and has held the position of first chair clarinet for four years.

The award is given to only outstanding graduating band seniors. W. Z. Carter presented this award for the Lion's Club.

The following awards were given for ratings in the year's music festival. Division I is a gold medal. Division II is a silver medal. Regional Festival awards: Betty Ellis, flute, division 2; Elsie Love, oboe, division 1; A. B. Crass, alto saxophone, division 1; Ronald Talent, trumpet, division 2; Charles Targy, baritone, division 2; Gordon Enix, sousaphone, division 2; Jimmy Meyer, sousaphone, division 2.

Here Is Proposed Breakdown Of Free Polio Vaccine Money

WASHINGTON — Here is a seven-state breakdown of the way the government proposes to allocate a 28 million dollar fund for free Salk polio vaccinations of needy children:

Pennsylvania: Of the 3,274,718 unvaccinated children up to the age of 19, 18.8 per cent would be vaccinated free from a \$1,504,667 allocation.

Delaware: Of the 105,425 unvaccinated children up to the age of 19, 14.8 per cent would be vaccinated free from a \$39,145 allocation.

Kentucky: Of the 1,039,714 unvaccinated children up to the age of 19, 29.3 per cent would be vaccinated free from a \$751,374 allocation.

Maryland: Of the 801,000 unvaccinated children up to the age of 19, 18.4 per cent would be vaccinated free from a \$363,498 allocation.

New Jersey: Of the 1,427,278 unvaccinated children up to the age of 19, 16.3 per cent would be vaccinated free from a \$574,153 allocation.

Graduation Exercises Are Tonight

Graduation ceremonies will be held tonight at 8:00 o'clock at Murray High School for the fifty-eight seniors of 1955. An address will be given by Superintendent W. Z. Carter. Jerry Roberts and Hal Houston will give the valedictory and salutatory addresses. Diplomas will be presented by W. C. Elkins, chairman of the City School Board.

After the graduation exercises, the seniors will leave immediately for Fulton, Kentucky where they will board a train bound for Chicago.

The seniors will tour Chicago the 27th through the 29th and will return next Monday morning.

W. Z. Carter and Mrs. Tom Rowlett will accompany the group on the trip.

Combs In Favor Minimum Foundation

FRANKFORT — Bert T. Combs, administration candidate for the Democratic gubernatorial nomination, told the Frankfort Kiwanis Club today that he favors not only financing of the minimum foundation law for schools, but creation of revenue bond-financed building fund to provide more classrooms.

In a major policy statement on school finance, Combs said "I have declared myself in favor of the Minimum Foundation plan for education and I believe the putting into effect of this plan will be the most important problem to confront the next Legislature."

A NEW JET DISTANCE RECORD

ROUTE of the distance record-breaking flight of four U.S. Air Force Thunderjets, from near Tokyo to west coast of New Zealand, is traced here. Cities the jets will visit in Australia and New Zealand are shown on map. On the flight, aerial refueling was over Guam, the Admiralty Islands, and Townsville, Australia. Flight distance is 4,840 miles. Former over-water record was 4,485 miles, Turner Air Force Base, Georgia, to North Africa.

The tornado hit Udall with absolutely no warning and left it virtually flattened in just 60 seconds.

Mayor Earl Rowe, who was knocked unconscious, estimated that 500 of his fellow townspeople were dead or injured.

The Kansas Highway Patrol estimated the death toll at "about 400," but said it might be "late afternoon" before the dead could be counted.

Town Destroyed As Many Are Killed And Injured

UDALL, Kan. — A killer tornado virtually wiped the village of Udall off the map Wednesday night and other twisters left a path of death and destruction through Texas and Oklahoma.

The tornadoes' three-state rampage appeared to have killed at least 75 persons and left from 300 to 350 injured. Officials said the toll would probably climb higher.

Fund For Polio Vaccine Would Be 'Wonderful'

LOUISVILLE, May 26 (AP) — Dr. U. Pentti Kokko, director of local health services for the state Department of Health, said today a proposed federal allocation of \$751,374 for inoculating indigent Kentucky children with Salk anti-polio vaccine would be "wonderful."

"I can't believe we'll get that much," he added, "but we would be very pleased indeed if it is true."

The \$751,374 would be Kentucky's share of a proposed 28 million dollar fund to be distributed among the states for free vaccination of needy children.

Kokko said it would be impossible to estimate at this time the cost of inoculating all of the underprivileged state children as surveys of all state children whose parents would be unable to pay for the vaccine have not been completed.

New School On South 13th To Open At Beginning Of School

The City Board of Education has elected teachers for the City Schools for next year, according to a report from W. Z. Carter, Superintendent of City Schools and secretary to the board.

W. B. Moser, 1006 Olive street was reelected as principal of Murray High School.

Manufacturers Accept Rigid Standards

By BETTY PRYOR United Press Staff Correspondent WASHINGTON, May 26 (AP) — Three polio vaccine manufacturers agreed today to accept the government's stiff new safety standards for producing and testing Salk shots.

The agreement ended a week-long dispute over the standards. It appeared to clear the way for the speedy release of at least some vaccine for the lagging inoculation program.

An informed source said enough Salk vaccine may measure up quickly to the new standards to permit release of some shots as early as next week.

Representatives of Eli Lilly, Wyeth Laboratories, and Sharp & Dohme announced that they now accept the new safety restrictions called for by the Public Health Service.

Chandler To Formally Open His Campaign

WINCHESTER, May 26 (AP) — Motorcades from 6th District counties, will converge here Saturday night as A. B. Chandler formally opens his campaign for the Democratic nomination for governor in the 21-county district.

Chandler, who is opposing state administration candidate Bert T. Combs for the Democratic nomination, and his running mate, Harry Lee Waterfield, Clinton, both will appear at the rally. J. W. Showden, Clark County Chandler campaign chairman, said a motorcade of 100 cars is also expected from Woodford County in the 4th District, where Chandler lives. The rally here will be held at the Clark County Court house.

Rev. Shinto To Preach At Providence

Rev. Bill Shinto will bring a missionary message this Sunday morning May 29, at the New Providence Baptist Church. Rev. Shinto is from New Mexico and his parents were born in Japan. He is a graduate of Baylor University, Waco, Texas, and has just received his Master's Degree from the Southern Baptist Theological Seminary in Louisville.

The Pastor, Rev. Hal Shingley, and the members of the New Providence Baptist Church extend to each one a most cordial invitation to attend Sunday School at 10:00 and then hear Rev. Shinto at 11:00.

Wednesday's complete record follows:

Census	22
Patients Admitted	4
Patients Dismissed	5
New Citizens	1

Patients admitted from 10:30 a. m. Monday to Wednesday 3:30 p. m. as now written, 23 school districts containing 21 per cent of the pupils in the state would receive no additional state aid, and another 10 per cent would receive only a small increase. Under this proposed revision, every district would receive additional state funds.

The Prestonsburg Democrat said this latter provision was necessary because under the Foundation Law as now written, 23 school districts containing 21 per cent of the pupils in the state would receive no additional state aid, and another 10 per cent would receive only a small increase. Under this proposed revision, every district would receive additional state funds.

Approximately 150 Girl Scouts of Murray will be enrolled in Day Camp in the City Park June 12 to 16th, according to Mrs. Robert Hahn, commissioner of the Murray Girl Scout Association, and Mrs. John Quertemus, camp director.

Forty four Murray High School seniors received their diplomas last night at commencement exercises here. Three cars were involved in an accident yesterday afternoon about 5:30 on the highway on the last bridge before entering Murray.

Corporal Futrell said that no one was hurt and the damage was slight. New Hope Methodist Church will have a homecoming Sunday, May 28. An all day program is planned. Lunch will be served at the church.

The pupils of Miss Lillian Waters will present a piano recital at Murray High School on Tuesday night, May 30, at 7:30 and again on Saturday night, June 3, at the same time.

The Lynn Grove Methodist Church will sponsor a Vacation Bible School which will begin Monday, May 29, at 2 p.m. and run a week.

Phillies Have Operated As "Public Futility" This Year

By CARL LUNDQUIST
United Press Sports Writer

The Phillies have operated strictly as a "public futility" this season, playing in and out of baseball in and out of Philadelphia — but don't try to tell that to the Giants.

Those brotherly-eye Quakers have been the town battles as far as New York is concerned with six victories in seven meetings thus far, coughing a double header sweep, 8-3 and 5-2, Wednesday night. The Giants could be right on the verge of the first place Dodgers if only things were as they had been in 1954 — when at this time New York had won six out of eight from the Phils. They wound up with a season mark of 18 wins and only defeats-against them.

This year, the Giants are the only team Philadelphia beats consistently. Philly has only 13 victories overall against 23 defeats and had been in last place until the twin seas Wednesday night.

Robin Roberts struck out six and checked the Giants with five

hits to win the opener. His biggest difficulty was with Bobby Holman, out infielder installed by Manager Leo Durocher as a catcher to get more punch behind the bat. Holman hit a triple and a homer.

Hitting Big-Wigs
Del Ennis and Richie Ashburn were the hitting big-wigs behind Murry Dickson's third triumph in the second game. Ennis the menace socked a three run homer in the first inning when lefty Johnny Antonelli was kayoed. He suffered his third straight loss to the Phils. Ashburn made three

hits, giving him six for the night and boosting him to 384 in the National League averages — tops over Giant Don Mueller who dropped to .374 when he went

hitters in both games.

In other National League games the Cubs took over second from the Giants by defeating the Cardinals 1-0 and 3-1 behind the sizzling pitching of Paul Minner and Bob Rush while Cincinnati pounded out a 13-2 decision at Milwaukee. The Dodgers and Pirates were rained out after three innings with the score, 1-1.

Bob Turley of the Yankees went two-up on all other major league pitchers when he won his eighth game, a three hit 6-2 job over Washington before any other hurler gotten more than six. Detroit topped Kansas City, 5-2 while Baltimore beat Boston, 6-2, then lost 5-2, in other American League games. Chicago at Cleveland was rained out.

Berra Gives Turley Boost
Berra gave Turley a big boost when he hit a three-run homer in a four run first and the Yankees coasted in. Turley struck out six to give him a total of 78 tops in the majors.

Frank Lary, Detroit's 34 year old kid, pitched his fourth victory giving Kansas City but six hits. Fred Hatfield and Bill Tuttle hit homers in a 2-4 hit offensive. It was Detroit's sixth win against one loss over K.C.

Ike Dooker halted Boston's latest losing streak at five when he pitched a five hitter and struck out eight after the Baltimore Orioles took the opener with a 12 hit assault that included a triple and two singles by Billy Cox. Jackie Jensen drove in three runs in Boston's triumph.

Minner, pitching his first game in 19 days, doled out four hits and topped rookie Larry Jackson in a duel when Bob-Speake homered for the only run in Chicago's opener. Rush tossed the \$250 prize offered by a Chicago radio station for one-hitters when he was tagged for a ninth inning homer by Rip Repulski in the second game. St. Louis' only run of the day, Eddie Miksis hit a first inning Chicago homer.

Cincinnati, winning its seventh game in the last eight, raked up 18 hits off five Milwaukee pitchers, including starter and loss Warren Spahn. Jabbo Jablonski tagged Spain for a two-run homer.

Segregation Due

THE SUPREME COURT'S long-awaited decision ending public school segregation will be handed down May 23 or May 24, U.S. Chief Justice Earl Warren tells the American Law Institute in Washington. Warren made a strong plea for preventing crime before it is committed and for providing "enlightened systems of probation and parole." (International)

June 6 to 13 Is National Rose Week

National Rose Week will be celebrated from June 6 to 13 this year according to an announcement by Sidney B. Hutton, president of All-America Rose Selections.

Observance of Rose Week began last year. Its purpose is to attract public attention to public gardens throughout the country at the time when they reach the height of their beauty.

"The United States probably has more outstanding gardens created and maintained for public enjoyment than any country in the world," Mr. Hutton said. "The combined efforts of forward-looking public officials and interested citizens have given everyone the chance to see and enjoy natural beauty in the midst of great cities. In spite of stoma, communism, and other pressures of the 20th Century, mankind can still enjoy Nature's greatest delight, the rose."

Mr. Hutton said that during last year's first National Rose Week, the Governors of 28 states issued official proclamations in observance of the occasion. "In view of the nationwide interest generated by the Congressional resolution to make the rose our national flower,

Actors Need A Sideline Says Ireland

By VERNON SCOTT
 United Press Staff Correspondent
 HOLLYWOOD, May 19 (AP)—John Ireland says actors have to have a side line or some other source of income to keep from winding up in the poor house.

"The fact is," Johnny asserts, "actors frequently are—and have to be—tough, hard-headed businessmen in order to keep any of the money they make."

"We've got to take advantage of our earning years to make investments against the time when our names have been forgotten," Ireland pointed to John Wayne as an example of a smart actor-businessman.

Skeleton In Hotel
 "He's got a frozen food business and owns a hotel," he said. "Bob Hope and Gene Autry own TV stations. John Crawford has apartments, houses and real estate. Esther Williams is in the restaurant and swim suit business. "Vic Mature owns an appliance store and Red Skelton has a hotel. Jimmy Cagney is another real estate owner. I could go on naming stars all day, but that gives you an idea."
 For his own passport to a comfortable and possible old age, Johnny started construction this week of the Paradise Valley Pique Club near Phoenix, Ariz. "Don Budge is my partner in the deal," he explained, "and we're building right across the highway from the Camelback Inn. We hope to open Jan. 1, 1956."

Membership costs a minimum of \$500 with monthly dues running upward of \$12. Outsiders will be welcome, but only as guests of regular members.

It's No Gamble
 Ireland got interested in the area during the past five years when he and his wife, Joanne Dru, appeared at Phoenix's Orpheus Theater.

"This is no gamble," Johnny explained. "I've already been offered 100 per cent profit on the land alone."

The raw-boned actor figures the 32 unit club will be a sort of annuity for him in years to come.

"Most actors think if they make \$2,000 a week it'll last forever. It doesn't. They spend whatever they make."

"Look what happened to me in the last five years. The government takes more than 20 per cent, then 10 to my agent, 10 to my ex-wife, 10 for publicity and business manager and 25 per cent to Columbia on my old contract. I keep less than 10 per cent before I'm through."

"The Racquet Club is a chance for me to invest in a property that will keep Joanne and me going a long time after we've left the movies. It's either that or join the old folks home for ex-movie stars."

Fighter Testifies

PRIZE FIGHTER Harold Johnson is shown as he was sworn in to testify before the Pennsylvania State Athletic Commission in Philadelphia, where he told about his fight with Julio Mederos May 6, in which Johnson collapsed at end of the second round. The fight resulted in a 90-day suspension of boxing in the state. Johnson testified that one of his visitors before the fight was Louis Saccomma, who did time for narcotics conviction, but said Saccomma was not the man who gave him the "good luck orange," in which there may have been a sleep producer. Seniors Named To National Honor Society

On Thursday, April 2, the new members of the National Honor Society were presented to the student body in a very solemn and impressive chapel program. Miss Dortha Parker, a member of the Society, was master of ceremonies. She spoke briefly on the four requirements for membership which are leadership, scholarship, character, and service. As Miss Parker explained each requirement, she lighted a candle representing each. She also explained the meaning of the symbols in the National Honor Society pin and the colors of the Society.

Miss Parker then opened a sealed envelope which compiled the new members and called them

Comedy Team Gives Recipe For Success

By ALINE MOSBY
United Press Staff Correspondent
HOLLYWOOD — How to stay a comedy team for 50 years? Don't be jealous, don't try for individual glory—and argue.

This recipe comes courtesy Smith and Dale, the oldest comedy team in the country.

Such new-fangled duos as Abbott and Costello and Martin Lewis have had differences. Hargan and Hart, the famed team of the Gay '90s, broke up and even Weber and Fields split.

But Joe Smith, 71, and Charlie Dale, 73, still draw crowds with "Mammy," a neat, soft shoe and their famed "Doctor Krunkle" routine at a "late night, Billy Gray's Band Box, in the Cinema City.

Work As Team
"A comedy team should not be jealous of each other," is Smith's explanation of their half-century

partnership.

"If one gets more laughs than the other, so much the better. We don't work as individuals or try for individual glory. We've been offered separate jobs but never took them. We know we work better as a team."

However, after talking to the famed vaudeville team I think it's not merely amazing but miraculous they've stuck together.

"I do all the talking for us," barked Smith, waving aside Dale, as they sat down at my table between shows.

Dale sat silently while his partner rambled through a detailed account of their years together — from their 1898 meeting when they ran into each other on bicycles — to the middle name of the judge who once heard a suit they brought over billing, and what he ate for breakfast.

Use Same Greasepaint
Each time Dale tried to correct an incident in the long table, Smith said, "Now look here, don't interrupt. I'm trying to do this in order."

Dale pushed Smith's glass to the middle of the table whispering, "I know him. He'll tip it over."

Smith eventually did, and his partner sighed gently, "See?"

At any rate, the boys were vaudeville and Broadway stars with Al Jolson, Nora Bayes and other greats of the day. They introduced such tunes as "School Days." Recently they appeared on the Ed Sullivan and Milton Berle TV shows. At the Band Box customers including Dan Dailey and Edward G. Robinson flock to see the nostalgic act.

"We do argue," admitted Smith, but only about gags. "I think we get along because we're opposite types."

Dale finally got in a word: "We'd feel lonesome without each other. We use the same greasepaint and insist on the same dressing room."

"Why, we even will share the same burial lot in Woodlawn, N. Y.," he said.

Festival To Hear Eastern's Band

Pineville, Ky. — The Eastern State College Band will provide the music at the coronation ceremonies of the Kentucky Mountain Laurel Festival, to be held in Laurel Cove, Pine Mountain State Park, Charles Smith, festival chairman, announced here today.

Directed by William Tarwater, the band will present a concert before the coronation on Friday afternoon, May 27, and will provide background music during the ceremonies. The festival runs three days, May 26-28.

Smith said the band would also lead the festival parade through downtown Pineville Friday morning.

For reaching furniture corners and other spots that might otherwise be inaccessible, use a small paint brush treated with liquid furniture polish.

TVA Newsletter

Estimated freight traffic of 810,000 tons shipped on the Tennessee River in April has set a new record for monthly totals, TVA said today. It exceeds by \$5,000 tons the previous monthly record set in October 1954.

Ton-mileage estimate for April is more than 120,000,000 about 8,000,000 ton-miles below the previous ton-mileage record month of December 1954.

For the first four months of 1955 the estimated traffic reacted 2,900,000 tons, and 480,000,000 ton-miles.

During the month, TVA said, coal from West Virginia mines moved to Calvert City, Kentucky, for the first time. Knoxville received its first water shipment of flour since November 1954.

Although there were fewer fires in TVA buildings in 1954 than in 1953, the average loss to TVA was greater, but this loss still is "significantly below" national trends, TVA reported today.

In 1954 there were 48 buildings fires for an average loss to TVA of \$12,500. In 1953 there were 61 such fires for an average loss of \$61. The national average in 1953, as given by the National Fire Protection Association, covering the first eight months of 1954, indicates the average national loss for the year will prove to be about \$1,000.

A number of the building fires were in TVA property leased to others and on which the loss is borne by the lessee.

During the year also there were 111 fires of other than TVA buildings (rubbish, tarpaulins, grass or brush, power poles, automobiles, etc.) for an average loss of \$35. In 1953 the average loss to TVA from such fires was \$28. The national average from this type of fire in 1953 was \$113; no figures for 1954 are available.

The causes of three of the four building fires which did the most damage were never determined. The TVA Forest Nursery at Clifton suffered \$4,100 damages as a result of being struck by lightning. Fire of undetermined origin caused loss of \$3,000 to the TVA power shop in Chattanooga, and loss of \$63,500 to the Chattanooga River Terminal in two fires, one causing \$18,500 damages, and the other \$45,000. Of the loss to the terminal \$2,000 was

TVA and the balance was a Falls Dam in the Cumberland Valley has been completed. Maintenance of the completed structure has been assumed by Warren County.
