FROM VANCOUVER, B.C.

The picture shows but little  
Excepting volcanoes all the great  
characteristics of mountain scenery are  
here it seems like sacrilege to  
attempt description or representation  
A great wall of rock to the left  
Cloud capped peaks to the right  
A great glacier in front and an  
un surpassed lake at your feet  
We are making slow progress  
Must blame my daughter some she  
an enthusiastic mountaineer We  
stayed rather long near Winnipeg  
among old former friends  
Hope to be in Seattle the 18th  
and will be there nearly a week  
and then through at Portland  
Next San Francisco yours W.H. Trout
