School Report

TO THE CITIZENS OF SCARBORO:

In accordance with the Statutes of Maine, I hereby submit the following report of the public schools of Scarboro:

The census of 1912 shows the number of those entitled to draw school money to be 498. The attendance during the school year has been very good, as shown by the statistics. Whenever I have visited the schools during the year I have found orderly schools, with few exceptions, teachers and scholars apparently earnest in their work. In examinations the thorough work of teachers and scholars showed to great advantage.

Respectfully submitted,

JOHN A. SNOW,

Superintendent of Schools.
