My Dear Governor

I understand there is to be a Brigade Surgeon appointed in this State I don't exactly know by whom the appointment is to be made, but have an idea that you will at least have some voice as to the affair - Doct. McPhee of this city is anxious for the place, I think him at least equal to any Surgeon in the State, if not superior, and admirably fitted for such a situation. I trust you will use your influence in your favor.

Very truly yours

S. B. Morrison
