Fluorescent Urine

M.J. Scott

all the crooks in the mirrored towers
they salivate over predicted destruction
before calculating the prices for mail-order brides
you know,
the type that come equipped with disposable feelings
and smiles that can be accidently beautiful
they are all so happy to be so angry
over fluctuating digits and burning latte's
these cheaply made male dolls with kung-fu grips
suit themselves in class-action forgotten fashion
and when their string is pulled
they recite the first law of power
they are the authoritative types that can
"piss in the night and light up the sky"
or so they would have us believe...
