DATE OF ANNUAL MEETING

As previously announced the annual meeting of our Association will be held at the home town of your President, Grand Forks, and it goes without saying that he is greatly gratified by the action of the Executive Committee in this election.

However, the question now arises as to the best time to hold the meeting, so as to least interfere with the business of our members.

For a good many years it has been the practice to hold the meeting in one of three months—July, August or September, and since the adoption of the By-Law making the new President the member of the House of Delegates of the American Bar Association it has become necessary to hold the meeting not less than a week or ten days before the annual meeting of the American Bar Association, so that the President could attend.

Last year the meeting of the American Bar Association was held in September. The meeting of the American Bar Association held at San Francisco opened on July 9th so our meeting was early that year. This year the meeting is to be held at Detroit, Michigan, but the date has not yet been set.

Every once in a while some member voices disapproval of our meeting dates, that one is too early, that another is too late, so let your choice be known with your reason, without delay to your president who will give it his due consideration, to the end that he may make a recommendation to the Executive Committee.

HARRISON A. BRONSON,
President.
