This plan allows the students upon approved credits and job, to buy a new car with nothing down and payments of \$50.00 per month until you are on the job. This plan is not new. Diehl Montgomery has sold over 1000 new cars and trucks to graduating students this way. See us for the details. Also you can use your own insurance or ours.

This allows the graduating students to have a new car before he graduates when he really needs it.

UMR Interest Groups

Continued from page 27

Economics Club. Promotes the study and understanding of economics and its relevance to man in today's world and brings members of the club in contact with recent economic interpretations.

Flying Disc Society. The organization attempts to promote sportsmanship and develop skills in using the flying disc.

Forensic Club. A debate club open to all students.

Gymnastics Club. The objective of the Gymnastics Club is to promote interest in and understanding of the sport of gymnastics.

Helix. An organization designed to bring together people who share an interest in the biological sciences, further community and university interrelationships and advance the cause of science.

HP41C User's Club. The objective of the organization is to act as an exchange for programs and programming techniques for the Hewlett-Packard 41C.

Karate Club. To promote the art and science and to maintain the standards and traditions of teaching Karate.

M Club. Organized to encourage increased participation in the University's varsity sports program and to stimulate sportsmanship and spirit among players. Membership restricted to students active in major sports.

Motorcycling Club. The purpose of this organization is to provide fellowship among motorcycle enthusiasts and to encourage safe motorcycling habits.

Photography Club. Open to all students interested in amateur photography and in display and exchange of information concerning new items of equipment in picture taking, developing and printing.

Radio Club. Open to all students interested in amateur operations. Maintains a "ham" station and "shack" in the ground floor of the Rolla Building.

Radio Station KMNR (FM). KMNR is operated entirely by UMR students, both in planning and broadcasting. Emphasis is on educational and entertainment matters of interest to the campus community.

Raiders. Principal activities include military field problems, map reading and orienteering exercises. Mountaineering, survival operations and rescue training. A high degree of physical fitness is required of Raider members. Sponsored by the Military Science Department, membership is open to ROTC cadets and to students other than ROTC cadets on a selective basis.

Rugby Club. Organized to promote and encourage participation in the game, and to stimulate common interests of the players.

Sports Car Club. Encourages careful and skillful driving on public highways and encourages ownership, operation and preservation of sports cars. Sports car events are sponsored and regulated.

There are many other campus organizations not listed here that are well worth looking into.
