PROFESSOR SAM WEINSTEIN TALKS TO THE WALL STREET JOURNAL ABOUT SPRINT/T-MOBILE'S MERGER

June 19, 2019

The U.S. Justice Department is now evaluating the Sprint/T-Mobile merger and Professor Sam Weinstein told *The Wall Street Journal*, "The case to win for the department is pretty stark from an antitrust point of view...it is a classic case where you want to sue to block." In a second article, Professor Weinstein said, "In the event the Justice Department does sue, the states would likely join in, with the Justice Department leading the case."
