Disability Justice Workshop

In 2015, the Centers for Disease Control and Prevention (CDC) reported that one out of every five adults in the U.S. has a disability. In spite of this statistic, many people with disabilities regularly encounter able-ism, bias, discrimination, dehumanization and isolation.

The workshop will include disability awareness activities and a discussion of disability justice related issues from intersectionality to inclusion.

Tuesday, November 22

5 - 6 p.m.

Room 407

Coffee, tea and cookies will be served

Please **RSVP** by November 18.
